Little Haittle Hardiman, the 16-year-old daughter of the unfortunate woman, had been an invalid for years. The girl was mortally afraid of her mother and she was an inmate of the General Hospital for years. When cure was found impossible the doors of the House of Providence were thrown open to her, and within its shelfering walls the girl breathed the last of a life which, though short, had been full of missry and pain. Catharine Hardiman, hearing of herdaugh-ter's death and professing more affection for the dead than she had for the living, on Tneedsey evening called at the House of Pro-vidence to see the remains. She was then under the influence of liquor and far from polite in her language. In view of the circumstances she was admitted to the death room, where two of the anna kept vigil over the body of her daughter. The woman advanced to the bier and before she could be controlled seized the body and threw it on the floor. She then 'living, on the waiching sisters. Of the many reality great fairs to be beli shroughout the Dominion this fall, few are great Eastern Exhibition, to be held at Sher-brooke, Quebec, from Sept. 2nd to 6th. This is the only industrial and agricultural exhibition to be held in this president descent and to be held in this province during the year. Re-markable enterprise has been displayed by the ble enterprise has been disprayed by the ors of this fair in securing leading attions, and the facilities for reaching this fare especially favorable. Sherbrooke is capital of the Eastern Townships and one of greatest railway centres in the Dominion the cupital of the Eastern Townships and one of the greatest rillway centres in the Dominion, being situated on the G.T.R. and C.P.R. maib through lines, and the terminus of the Boston and Maine and Quebec Central Railways, all of which roads are offering exceptionally low rates to visitors. This will enable manufactur-ers and agriculturistis from the Lower Provinces to be brought into closer and more desirable relations with their brethren in Ontarie and Quebec. The exhibition promises to surpass anything of its kind before held in Eastern Ganada. Ten thousand dollars in prizes are offered and no labor has been spared to make this fair worthy of the attention bestowed upon it. Application phould be made early, as space is Hamiled. Apply E.
