the hawle owners will pay their dollar tax promptly, as in hunting up so many would-be delinquents is no circiable Chase. The Idu of the Sun. The idol Sun, or in more familiar language "Old Sol" of whom the only portion wisible to the naked eye is his head, and there by hangs the tale that the rest of his person was echi, sanding in his own light, was the chief object of Saxon adoration, attributable to the peculiar attraction in his rays, which raised him as high in their estimation as heirs seen by us at nonaday; his giftering hus tre was denominated as nothing less than golden light, but on a microscopic inspection of one of his boams, it was discovered that it was not all gold that glittered. Sunday was the more particularly devoted to his adoration, and it is quite a paradox that the Saxons is worshipping this gold of light, should have been so much in the dark.

The Idol of the Moon. The idol of the moon, which is generally believed to be at the pre-ent, by moon struck-ladies, the man that there, was worshipped on the day named after feer, Mishilay: This idol as a matter of form as effectious by generally believed to be at the pre-ent, by moon struck-ladies, the man that there, was worshipped on the day named after feer, Mishilay: This idol as a matter of form as effectious by generally believed to be at the pre-ent, by moon struck-ladies, the man that there, was worshipped on the day named after feer, Mishilay: This idol as a matter of form as effectious by generally believed to be at the pre-ent, by moon struck-ladies, the man that there, was worshipped on the day named after feer, Mishilay: This idol as a matter of form as effectious by general advantage, and these were stated as the horns of her dilemma: She held in haw hands an emblem of her own planetery body, in shape recentiling a Sussex cheese more than anything close abburary; this probably first geve rise to the very erroneous idea that the Moon was made of cheese, the inconstant the ladies of which is a scientific natter of mitted by the matte ON and after MONDAY, 16th February, inst-Trains will leave— St. John for Shedisc at 9 A. WALKER POWBLL, Lt-Col. D. A. G. of Militin, Canada.

In the case of Chaloner, who shot the officer Whitaker, at Quebec, the Coroner's Jury have returned a verdict to the effect that "Frederick Charles Whitaker came to his "death on the 10th of March instant, from a "pistol shot wound on the left temple from the "hands of John Chaloner." The Coroner made by T. Brigham Bishop, entitled "The Young wands of John Chaloner." The Coroner made by T. Brigham Bishop, entitled "The Young a very able address to the Jury, selling them Widow," and, among other things, she says, "She dosen't want a man who stops out all night, "She dosen't want a man who stops out all night, or one that drinks brandy, and comes home quite tight."

The Coroner made a very able address to the Jury, selling them doesn't dot the dosen't dot with the question in dependent of any feelings, and to limit their knowledge of the case to what they had been told under oath. Chaloner was committed for the case to what they had been told under oath. TOOD CLEWLEY & CO. Isit
