Liberal Senators Are Divided Over Navy Measure

Not All Willing to Be Led by the Nose, and Bill Is Assured of Support From Both Sides of the Upper House.

OTTAWA, May 23.—The naval bill comes up in the Senate for the second reading on Monday, and the debate will start in earnest on Tuesday, when Sir George Ross, Liberal leader in the Upper House, will outline the course which the Liberal majority intends to pursue. While it is generally agreed that the majority plans to kill the bill, as it was yesterday practically killed, the Liberal majority is not unanimous in its opinion. Some members of the Liberal majority are anxious to kill the measure, and want to take the English-speaking Liberals with them. It remains to be seen whether that will take place.

The Liberal-Nationalist conference that took place yesterday between Sir Wilfrid Laurier and Adman Lavergne is still the talk of the capital, and has lost none of its significance. The Liberals ever since the election of 1911, have been making much of what they term "the unholy alliance." Just what name they give to their own actions at the present time is yet unannounced, but it is forgotten that on the third reading of the naval bill, Guibault, of Joliette, one of the most ardent Nationalists, actually seconded the Laurier motion for a six months' moratorium, and on the vote, five Nationalists voted with the Laurier forces.

ONE FLAG, ONE FLEET, ONE EMPIRE EMPIRE DAYS DULY CELEBRATED

Brantford School Children Hold Fitting Exercises Marking a Day of Patriotism--Programs in All the Schools--What The Day Means in This Glorious Part of the Empire.

The advent of Empire Day brings to the lips the half-exultant, half-grateful phrase, "Ours is a goodly heritage." It is almost impossible to estimate the grandeur of the British Empire, and absolutely impossible to estimate the responsibilities of it. From the time of the old East India Company until the present, the responsibilities have been growing and halts at the vastness of Britain's work. It is not the territories and their populations—it is the diversity of peoples that gives us pause. Those who had the opportunity of seeing the tremendous procession on the occasion of Queen Victoria's Diamond Jubilee in 1897 will never forget the sight. There were troops from all over the Empire, ranging in stature from the six-foot Life Guards and Sikhs to the stunted Ghoorkas and Hong Kong policemen. And in this connection one should read Kipling's great story of the guard chosen for the dead King Edward's lying-in-state, of the endurance of one Ghoorka member of the guard that the other three might carry a wreath to Windsor Castle and represent India with fitting dignity. Our darker-skinned brother is as proud of the British Empire as he who traces his descent from a hundred castles.

The Legislative Assembly of Ontario has issued a booklet, "Empire Day in Ontario," which is as fine a synopsis of the meaning of Empire Day as could be wished for. It begins with a poem, "King Alfred," from G. K. Chesterton's Ballad of the White Horse, and one verse of the poem would apply to the British Empire of the present day: "In the days of rest of Alfred, And when these things were done, And Wessex lay in a patch of peace, Like a dog in a patch of sun."

Following is an article on the Empire, taken from the reader through the Empire—Fiji, New Zealand, Australia, Hong Kong, Borneo, Singapore, the Malay Peninsula, Burma, Ceylon, Ceylon, Mauritius, the Seychelles, Aden, Zanzibar, S. Africa, Egypt, Nigeria, St. Helena, Canada, British Guiana, British Honduras and the Friendly Islands. Think of these, and look them out on the map. Truly "ours is a goodly heritage," and truly ours is a heavy responsibility. After this an article on "The Meaning of Empire," the good which it has done and is doing in the world—the anostentatious shouldering of a mighty burden. This fine idea is carried out in the schools on Empire Day, and Canadian youth is taught the same lessons that Empire-builders learnt day after day in the various schools to-day follow:

Div. 1.—C. L. Peddie, teacher—The meaning of the Empire and Empire Day; singing patriotic songs; reading of selections suited to the day; talk on "Our Flag"; recitations and drills; drawing of the Flag.

Div. 18.—A. Robinson, teacher—Talk on "Our Empire—The Union Jack"; singing patriotic songs; reading selections suitable for Empire day; marching with flags; drawing of Union Jack.

Div. 19.—Talk about British Empire; song and march for Empire Day; drawing of Union Jack. Kindergarten—The children of Central School Kindergarten appeared in the soldier caps they had made for the day. A short talk upon reasons for keeping Empire Day was followed by patriotic songs, "The Land of the Maple," and "Three Cheers for the Red, White and Blue," with saluting the flag. Among the games enjoyed were "Soldier Boy," "Tournament" and "King George's Men." After a parade with flags and caps the children returned to the Kindergarten to enjoy a light luncheon and were dismissed later, after singing "God Save the King."

Div. 2.—W. E. Gardner, teacher—Reading, stories suitable for Empire Day; talks on "Our Empire" and "Our Flag"; Drawing "The Flag." Patriotic songs.

Div. 3.—Miss Cowie, teacher—The morning was spent in talking about the British Empire and British heroes such as Nelson, Drake and Wolfe.

Div. 4.—Miss F. M. Dunlop, teacher. The morning was spent in talking on (1) The British Empire; (2) British Heroes as Nelson, Drake and Wolfe; (3) Saluting the Flag; (4) Chorus by school; (5) Reading by class in unison—Empire Day (3) Drawing of Union Jack; (4) Spelling of names of places in the British Empire; (5) Reading, "The Union Jack" by Fred Davies.

Div. 5.—E. A. Patton, teacher—Singing, "O Canada"; talk on "The Flag"; reading "Our Flag"; singing, "Men of the North"; drawing, "The Union Jack"; oral composition, "Our Empire"; singing, "The Maple Leaf"; talks on lives of noted British patriots: God Save the King.

Div. 6.—E. Jackson, teacher—Construction of "Our Flag"; drawing of flag; patriotic songs and stories. Short talks on: "The Meaning of Empire Day," "The Flag of the Empire," "Our King's Chomoses," "The Sugar Map," "O Canada"; Drawing and coloring the flag.

Div. 7.—Miss Colver, teacher—Patriotic songs; talk on "The Flag"; map exercise on "The Empire"; patriotic exercise; salute the flag; stories of royalty; draw the flag.

Toronto Crowd In Police Court To Hear About "Deborah"

Rev. Coburn in a Fiery Manner Before a Gathering of 55 Women Donounces Problem Play—"A Glorification of Fornication."

TORONTO, May 23.—When the morality case against "Deborah" the problem play at the Princess Theatre this week, which is booked for New York next week, came up in court, to-day there was the largest crowd that ever thronged the police court in the history of Toronto. For half an hour there was an argument between counsel and presiding Magistrate Denison as to who should be let in. There were 40 newspaper men admitted. The charge was "appearing in an immoral act."

Princess Theatre on Tuesday night. Counsel objected and the objection was sustained by the magistrate. Witness must say just what happened. He did. He said that one of the actors said: "Every woman whether married or single should fulfill her duty as to motherhood." The witness went on to tell the story of the play despite the objections of counsel. The actresses laughed throughout the story told by the witness as he vividly and in most solemn accents recited the terrible story of "Deborah." "The play is indecent from beginning to end," said the magistrate heatedly. "It is a glorification of fornication," said the crown attorney. Mr. Dewart wanted an adjournment. The police magistrate said: "That play must not go on tonight."

THIS DECISION UNIQUE ONE

Buildings and Grounds Committee Says Brantford Needs New City Hall

The members of the Buildings and Grounds committee held a meeting in the Mayor's office last night, which was of short duration, but much to the point.

The principal subject, or in fact the only one of any importance which was discussed, was the advisability of erecting a new City Hall. The committee were very brief in their remarks and got down to brass tacks (so to speak) and discussed the new city hall problem. It did not take them but a few minutes to come to a unanimous opinion, i.e., Brantford should have a new City Hall.

Division I.—Jan. S. Roe, Principal—Song, "Canada," the class; essays on "Empire Day," "Essie Edwards," recitation, "Hands All Round," "Empire Day," class; reading "The Flag of Empire" John Morris; God Save the King.

ELWOOD MAYOT DESERVES MEDAL

He Rescued a Little Boy From the Grand River in Fine Style

A little boy named Frey, son of Mr. and Mrs. O. Frey, Spring St., had a narrow escape from being drowned last night, in the western channel of the Grand River between the Island and West Mill St.

The little chap, in company with other children was on a narrow temporary bridge which had been recently erected by the contractors who are doing the construction work on the L. E. and N. Ry. and fell into the river and was quickly swept down stream.

Elwood Mayot, who heard the children calling for help, immediately ran from his home about 300 yards from the situation of the bridge and dove into the river and pulled the child out of the water. The little fellow was all right in a few minutes. The lad might have been drowned had it not been for Mr. Mayot's prompt action, as two big able-bodied men stood looking at the little one in the water, and all they did, it is reported, was to shove a piece of stick to the child.

THE CARPENTERS MEET BUILDERS

Representatives from the Brotherhood of Carpenters and the Amalgamated Society of Carpenters and representatives of the master builders met last night at the Builders' Exchange and considered the proposed agreement between the two bodies.

At the meeting it was agreed that reports were not to be given out. When approached this morning neither body would give out any information.

In one of the clauses of the proposed agreement the carpenters ask that the minimum rate for journey men carpenters shall be 37 1/2c. Under another clause the carpenters ask that nine hours shall constitute a day's work for all men working at the trade outside of the factory, and shall be performed between the hours of 7 a.m. and 5 p.m., and on Saturday all work to cease at 12 o'clock.

It is understood that the builders will likely come to some agreement as to the wages. The nine hour day it is understood, is an item of objection in the agreement. There are good carpenters in the city who do not belong to the union and who would probably desire to work until 6 o'clock. If the union men ceased work at 5 o'clock, it is said, it would be very inconvenient. The builders have figured on the majority of the work this season and the signing of a new agreement, it is said, giving a higher rate of wages and the shortening of the day's work, would be too great an additional expense.

The builders are thinking the matter over for this week, and the carpenters will hold a meeting Saturday afternoon.

MISS GILKISON OUTLINES ORIGIN OF EMPIRE DAY

The following is by Miss Gilkison, who pens for the Courier readers to-day an interesting story of the origin of Empire Day—

"On June 6, 1896, the Wentworth Historical Society of Hamilton, passed a resolution of condolence with Mrs. Clementine Fessenden, on the loss of her husband, the late rector of Ancaster. In her few remarks of reply, Mrs. Fessenden, who was accompanied by her six-year-old granddaughter, said she hoped the patriotic spirit of the grandfather would descend to the child. Thereupon it was moved, seconded and carried that the late Kathleen Tremholm Fessenden be made an honorary member of the society in recognition of the loyal service of her ancestors, and as an earnest of the future. In this thought lay the germ of "Empire Day."

HOTEL MEN Promise To Put Up Fight

There are a few enthusiasts in Brantford, well-meaning people in many ways, who are advocating local option, but there is no general demand for the measure, which, if carried, would seriously impede the commercial and industrial development of Brantford.

This announcement came from a meeting to-day, who doubted whether the necessary petition for the submission of the by-law would be secured. At any rate it is proposed to publish the names of the signers of the petition which would have to be filed with the city clerk.

It is regarded unlikely, in the event of local option carrying, that hotel accommodation under temperance auspices, could be provided in this city, and the fact that temperance forces have failed utterly in this regard in Galt, is considered a strong argument against the measure in Brantford.

LACROSSE NOTE

The local intermediate lacrosse team will hold their last practice to-night before the game on Saturday with the Toronto seniors. The team has developed a classy combination under Manager Slattery. The Toronto team are fast, but the locals will get their utmost to get away with the game.

THE MEDDLESOME SENATE

The irresponsible Grit majority in the Senate have been at it again.

Once more they have so amended the Highways Bill of the Borden Government as to thwart the will of the Commons.

This is a highly important measure for the benefit of all the provinces and of the Dominion as a whole.

The excuses offered by Ross and the other kickers have no valid existence.

The simple and undeniable truth is that, licked in the country at large, Sir Wilfrid Laurier is now trying to remain boss of the situation by using the moribund Upper Chamber as his slavish tool.

The Senate was not created for any such one-man purpose, and the sooner it is placed in a position which will prevent such subversion, the better.

THE EXPOSITOR AND THE SENATE

The local Grit organ has suddenly lost all interest in the possibility of the Senate throwing out Borden's Navy Bill.

A few days ago it was taking great delight in that eventuality, but just recently this paper has vainly tried to coax its coy cotem into a further discussion of the subject.

There's a reason. It is to be found in this editorial published in the Expositor of April 14th, 1913:

The Bordenites declare that even if there will be no dissolution of Parliament. This attitude may be interpreted as meaning that the Government thinks more of office than it does of the so-called "emergency" or of the duty of Canada to the Empire. If there was any reality in the talk which has recently been indulged in relative to the dangers which beset Great Britain, it would be the duty of the Government to risk everything for the purpose of carrying out its program. However, it may be that the Senate will not interfere, and the Expositor hopes such will prove to be the case. It is not prepared to encourage in an irresponsible Upper House in Canada the doing of something which British Liberals would not tolerate if done by an irresponsible Upper Chamber in Great Britain.

THE GRITS AND PROTECTION

Mr. W. F. Cockshutt has been speaking on the budget question, and incidentally has been enlarging upon the marvellous prosperity which exists in Canada at the present time. This is a very different sort of thing from the "blue-ruin" fulminations of Mr. Cockshutt when the Liberals were in power, and from the predictions of disaster to local industries which the Courier indulged in prior to the advent of the Reformers to power. The Canadian tariff today, be it known, is practically as it was left by the Liberals when they went out of office.—Expositor.

And just about as they found it when they went into office in 1896.

The Liberals went into that fight with the banner flying, "Free Trade as They Have it in England." Sir Wilfrid Laurier announced that on more than one platform as his policy, and Sir Richard Cartwright in the House (Hansard report) stated:

Our policy from first to last has been to destroy the villainous protective system, which has been grinding out the vitals of the people of this country. I do not care in what particular way the reptile is destroyed. I do not care whether it is cut off by the head, or tail, or in the middle.

Mr. Cockshutt on the platform, and the Courier in its columns, pointed out that such a course would spell disaster to Brantford industries, and so it would have.

But the course didn't take place. Instead, after reviling and denouncing protection, the Grits quietly adopted the Conservative plan.

They did put binder twine on the free list, with the result that the price of it was not lowered, and just about all the Canadian factories have been put out of business.

The same thing, on the free basis, would have happened to most other industries.

For our cotem, to contend that Mr. Cockshutt and the Courier proved to be false prophets is, of course, childish.

In other words, the Grits didn't do what they threatened, and because they didn't the sapient organ makes the silly boast that nothing harmful happened.

The rawest schoolboy could evolve more sound reasoning than that.

MR. COCKSHUTT'S SPEECH

Mr. W. F. Cockshutt was quite right when in a recent speech in the Dominion House he made the statement that, taken man for man, Canadians were the most prosperous people in the world. It was not always so.

Those who can recall the "soup kitchen" days prior to the introduction of the National Policy by the Conservatives, will bear abundant testimony to that fact.

In short, under a low tariff, distress and actual hunger were so prevalent that even Hon. Mr. Paterson, then Liberal member for Brantford, rose in his place in the House and said (official report):

There is no doubt that throughout the length and breadth of the country at the present time this question agitates all classes of our community—how their interests may be bettered. It is not necessary to attempt to prove that there is a depression existing at the present time in this country. This is generally admitted and too painfully felt by many members of this House and by the people of this country to require any proof. It is natural at a time like this, when such severe trials are being passed through, when so many find their fortunes wrecked and the savings of hard labor for years and years swept away from them—that people cannot remain passive, but will endeavor to find some solution.

The other year the Finance Minister, in revising the tariff, gave some encouragement to our industry (cigars) which it never had before. The result was that a thousand men, who were engaged in that industry in Germany, were literally transported by the change in the tariff to Canada, and set to work here. The cost of the article was not increased one iota, and Canada got all the benefit.

The then Liberal Premier, Hon. Mr. Mackenzie, failed to do anything, and Sir John Macdonald came into power on that very issue. Mr. Cockshutt all his life has been a champion of adequate protection, and his references to the prosperity of Brantford and the country in general, under that system, were fully warranted.

NOTES AND COMMENTS

Whom the gods would destroy they first make mad, applies just now to the Canadian Senate.

This paper is in receipt of an anonymously-signed letter with reference to Local Option. As on the occasion of the last fight, no epistles, either for or against the measure, will appear in these columns except the full name of the writer is attached. Spare for the adherents of both sides will be freely and impartially allotted, but only on the condition named. This is deemed to be the better course for all concerned.

Sir George Ross, the Liberal leader in the Senate, has published his reminiscences. He was openly opposed to Reciprocity, and in reviewing the career of Sir Wilfrid Laurier says:

With such a record, vindicated four times by the people at the polls, what greater honor could be desired? Just one draught more from the golden chalice—reciprocity with the United States. This phantom, which so allured his predecessors, suddenly appeared. It is no longer nebulous. It is flesh and blood. It invites him to banish his fears, for does it not bear in its hand an olive branch? Then why not listen to its message? He listened. Oh, the pity of it!

To which may be added that Sir Wilfrid is still a stout champion of that proposed foolishness.

In Berlin manufacturers and business men have combined to erect homes for workingmen. If the plan involves some system whereby said houses can be gradually purchased by the occupants, it should prove a good scheme. Most men, and practically all women, love to have a home of their own.

WELL SATISFIED WITH BABY'S OWN TABLETS

Mrs. John Kenny, St. Norbert, Man., says: "I have used Baby's Own Tablets and am well satisfied with them." Thousands of other mothers say the same thing simply because there is no medicine for little ones to equal the Tablets. They act as a gentle laxative, break up colds, expel worms and make teething easy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

(Continued from Page 1)
 speaking at once with great heat, while all but they were overcome with other emotion.
 When the Chief had recovered sufficiently to speak, he asked the defendant if she were as strong as plaintiff, whereupon she replied emphatically, "I wouldn't let him whip me—believe me!" A little later she told the magistrate, "Uncle Wes. is crazy. Everybody knows he's crazy," and the retort courteous came from Mr. Turner with much solemnity, "Yes, I'm crazy, and I know I'm crazy—but you're crazy, too, and you don't know you're crazy," and the dialog resumed while the whole court wept tears of merriment.

The magistrate then called for an intermission while the case of George Howarth, charged with aggravated assault and settled out of court, was disposed of, and Mike Juseck, drunk, was allowed to go.
 The court having recovered its gravity in the meantime, the piece de resistance of the day was proceeded with.
 "You weren't drunk on Mr. Turner's whiskey," the P. M. asked Mrs. McCoy.
 "I tell you, Mr. Livingston, it takes a lot of whiskey to make me drunk," replied that lady, with much feeling.
 The magistrate dismissed the summons, telling the parties to keep apart, or they would be kept apart by the processes of the law. "Yes, and I can take my medicine," was the Partisan dart of Mrs. McCoy as she left the chamber. "I ain't going to be accused for no colored man."
 A foreign gentleman, Steve Markovitch, was charged with disorderly conduct, which consisted of striking at people with a drawn knife. He pleaded that he was drunk and had no recollection of the alleged occurrences, and was remanded until next Tuesday.
 A first charge drunk was allowed to go, and James McMahon, on the same charge, did not appear.
 Jake Culp, a vagrant from Hamilton, had a weird story of \$15 stolen from him and was remanded for enquiries.

Mrs. Bert Ingles left for Toronto this morning.

Mrs. John Agnew is spending today in Toronto.

Miss Ethel Courtneay spent the week end with relatives in Beaton.

Mr. Hugh Mathews was a recent visitor with friends in Round Plains.

Mr. and Mrs. Frank Cockshutt, Sheridan Street, are guests for the day in the Queen City.

Mrs. Hollinrake is visiting at the parental home in Woodstock for a few days.

Albert Padie of Brantford, has been the guest of D. Mulligan, at Hartford, Ont., for a couple of days.

Miss Best of the Y. W. C. A. left this morning to spend the holiday at her home in Detroit.

Mrs. Plewis and Miss Plewis, of Toronto, are visitors in Brantford at present, the guests of Mrs. A. Schultis, 60 William Street.

Friends will be sorry to learn of the illness of Miss Beatrice Lake, Bedford Street, who has been taken to the hospital with scarlet fever.

Mr. and Mrs. F. Nicholls left last night on the 2:27 G. T. R. for Detroit to attend the funeral of their sister, Mrs. Rev. A. M. Hahn of 770 Fifteenth Street.

The marriage of Miss Kate Hazen, daughter of Hon. J. D. Hazen, to Mr. Hugh Mackay, is arranged to take place on Wednesday, June 18th, in St. Paul's Anglican Church, St. John, N.B.

Mrs. C. Moore, of 50 Victoria Street, was taken to the hospital this week and underwent an operation. She is doing as well as can be expected, and many friends will hope for her speedy recovery.

The hostess of Saturday's tea at the Brantford Golf and Country Club this week will be Mrs. F. J. Bishop, Mrs. W. C. Boddy, Mrs. W. S. Brewster, Mrs. G. P. Buck, Misses Bowby, Buck, Breddon and Burt.

The many friends of Miss Mae F. McGraw, will be very sorry to learn that she was taken ill with appendicitis yesterday morning and underwent an operation at the hospital. She is resting as easily as can be expected.

Mrs. J. Y. Brown, Nelson Street, is spending a few days in Toronto in research work at the archives, accompanied by Miss M. Fissette. Miss Pearl Brown, Haverall College, Invitations Received

The parents of the young ladies who are attending Haverall College, at Toronto, have received invitations from the President, Principal and Directors of the College, to meet His Grace, the Primate of Australia and Mrs. Wright, on Friday, May 30.

Thursday, which is "Ladies Day" at the Brantford Golf and Country Club, was much enjoyed by the active members—the nine holes being played and Mrs. Frank Leeming winning the golf ball (one of which is put up each week for competition) and top score.

On Saturday, May 24th, ladies foursomes are being arranged to play over the local links—Paris was expected but cannot come—Brantford men will be in London at the Hunt Club—but the regular weekly "Tea" takes place and no doubt our golf club will prove most popular to the members and guests who are spending the holiday in town.

Everything points to a most successful dance at the armories this evening; the low price of admission, the good music provided, the cause itself, are all drawing cards, and as the affair is under the management of the Dufferin Rifles Chapter of the Daughters of the Empire, and personally looked after by their Regent and officers, assisted by Colonel Howard and the officers of the Dufferin Rifles, one can be sure of a properly managed and chaperoned affair—worthy of the patronage of Brantfordites generally. The galleries will be open to those not caring to dance, and the general admission twenty-five cents. Light refreshments can be procured throughout the evening (ice cream and cake and lemonade), at a nominal price. A special committee of the I.O.D.E. of this chapter has that part of the programme in hand.

TWO CHANGES
If you reserve this day set aside as Victoria Day, you can have a cheap holiday trip to Buffalo and Niagara Falls by taking in the Doric Lodge Excursion on Saturday, with tickets good for three days.

If you wait until Monday, the full regular railway fare will be exacted. Which will it be?

CHOIR CONCERT AND ORGAN RECITAL

The First Baptist Church, West Street was filled to its utmost seating capacity on Thursday evening for the organ recital and choir concert given by and under the direction of the clever organist, Mr. David Wright, assisted by Mrs. Rhea Hutchinson soprano, Mrs. David Wright (reader) and Mr. Robert Courtney, tenor.

The opening number "Toccato in A" of W. A. Blakeleys started a programme of rare musical excellence. "Peaceful Slumbering" a delightful little parson song, was taken by the choir with accompaniment, then followed Mr. Courtney who is the possessor of a beautiful tenor voice, in the aria from Elijah "If With All Your Hearts."

The fourth on the programme was Mrs. David Wright who gave in her own inimitable way—and responding to repeated encores with "The Bachelor's Dream in Church." Following this came one of the best numbers of the evening—a trio by Misses M. Campion, E. Phipps and E. Burns, the violin obligato by Master Errol Gamble, the clever little Brantford violinist and for whom great things are prophesied.

Miss Hutchinson is always a favorite and the two vocal selections given by her were very sweetly rendered—she was in excellent voice and frequently responded to an encore also. Probably the best choral number was F. Bridge's "Bold Turpin" which called forth enthusiastic applause and an encore: (a) "I'll sing the songs of Araby" (b) "Mary" by Mr. Courtney; (a) Evening; (b) Chances—Triste by Mr. Wright and "Sanctus" (Messe Solonelle) of Gounod by Mr. Courtney and the choir, and the singing of "God Save the King" bringing this most delightful evening to a close.

A surprise was in store for Mr. H. K. Jordan last night, when at the conclusion of his choir practice, Mr. R. C. Burns, the president, on behalf of the choir members, presented him with a purse of gold. In reply to the good will and wishes of the choir, Mr. Jordan made a very feeling reply. That Mr. Jordan has been the organist and conductor of Brant Ave. Church, the Schubert Choir, very successful, goes without saying.

He is leaving for the old country, with his wife, on May 31st via ss. "Tunisian" from Montreal, and with the privileges he will have will, it is hoped, return to our city in every way strengthened to resume his duties in our midst.

PRESENTATION TO MR. H. K. JORDAN

The screaming funny comedy "Hello Bill" was produced by the Franklin Stock Company last night at the Grand, and this play certainly met with approval, for without doubt this is one of the best comedies that has been seen here in some time. It contains more laughable situations and rapid fire chatter than many of the high priced ones. Mr. Weaver, in the title part, was very good indeed, while his supporting cast all lent able support. The new change in vaudeville was all good and came in for a goodly share of applause. This play will be repeated to-night and Saturday with a matinee.

NATURE CLUB

At an enthusiastic meeting last evening the Burroughs Nature club was launched in this city. The officers selected were Mrs. Philip Buck, President; Miss Anna Hollinrake, secretary; Miss Anna Ritchie, assistant secretary. The first field walk will take place on May 31, and the next meeting of the club will be held on June 3, in the Library Hall. The work is being taken up enthusiastically.

Four teams were taken in, namely, West Enders, Dufferins, Beavers, Argonauts. The opening will be on Monday morning, May 26th. The Argos and Duffs will play at O. I. Brantford Develops A Winning Streak

Hamilton Defeated Yesterday by 5-2—Red Sox Looked Like Better Club.

HAMILTON, May 22.—Inability to hit in pinches was one of the big reasons why Amby Kane's bunch of dykers romped home with the first game of the series here yesterday by a score of 5 to 2. Collins, the southpaw, who started in to do the heaving for the Dykers, pitched a good ball, and had the Dykers eating out of his hand until the eighth, when he was taken out by special request, as he showed the Tigers were getting to him when the two first men up singled and he passed the next batter. He gave Kane the high sign.

Put Lid on in ninth. Clermont was sent in to relieve Kane and he proved just as big a puzzle as he put the lid down on the scoring and hitting, and the best Hamilton could do was one run. Donohue, a new man whom Lee secured some days ago, was sent in to do the pitching for Hamilton, but his bends were not up to the standard, and the Dykers had little trouble in locating him when there were men on bases. In the first innings they went to him and filled the bases, but good fielding stopped a score. In the third innings they made one run on a hit and an overthrow by Morrissey, the first baseman.

Three Runs in the Fifth. In the fifth they got to him for four straight singles and had scored two runs before the first man was re-

tired. The Hams played air-tight ball that innings and the best they could do was to get one more run across, making the score 4 to 0, which proved enough runs to win. Hamilton came back in the fifth with their first run, and if they had been able to hit Collins they would have tied the score, as a hit would have done the trick; but he struck out J. Murphy with the bases full. Brantford came back in the seventh with another run, and in the eighth and ninth they had the bases full, but Orcutt struck out and retired the side without a run. Hamilton started off the eighth as if they were going to tie it up. J. Murphy doubled, and Morrissey singled scoring him. Donohue was passed, and with two on and no one out, it looked as if the Hams were going to start something, but Collins walked out, and Clermont, who walked in was so tight that the Kolts could do nothing with his delivery, and all they got was one run. In the ninth they started off the same way, but the next batters were easy outs, and the game came to a close when Morrissey struck out with the bases full. Only seven men faced Clermont, one of whom got a free pass.

It Cost Rose \$10. During the game Daly, the umpire, who had an off-day, gave a decision, and Rose, who was coaching for Hamilton, raised objection with the re-

sult that he was fined \$5 and put out of the grounds. On his way out he called Daly a nasty name, and he was fined \$5 more. The crowd started to insult the umpire, and it looked as if there was going to be some rough house for a time, but everything quieted down in a short time. The score:

ST. THOMAS BEAT PETERBOROUGH

Landed on Sterling and Won by 8 to 2 at Peterborough
 PETERBORO.—St. Thomas continued their winning streak against the Petes yesterday by taking the first of the second series by 8 to 2. The Petes were right in the battle up to the eighth, when the Saints with one pass and five hits, two of which were doubles by Kustus and Ort, gave them five runs. The locals could not hit in the pinches and had three men stranded in the third.

WALTER JOHNSON BADLY BEATEN BY CLEVELAND

Thirteen Hits Broke His String of Ten Consecutive Games Won.

CLEVELAND, May 23.—Walter Johnson was defeated yesterday for the first time this season by a 5 to 0 score at the hands of the Cleveland team. His record of ten straight victories was broken. Thirteen hits were posed off him while Steen, who opened the ball, allowed but six hits' none of them for extra bases. Cleveland takes three out of the series of four. The score:

Plank Humbled Detroit.

DETROIT, May 23.—Plank held Detroit yesterday to three singles, struck out the entire side in the fourth inning—during which two of Detroit's three hits were registered against him—and Philadelphia won by a score of 7 to 0. It was the only game of the series that the visitors captured, and it is the only series they have lost thus far this season. Until the ninth inning Cobb had his third successive perfect day at bat. Then Baker captured his foul after a hard run. The score—

OTTAWA TRIMMED GUELPH

The Leafs Went Down to Defeat by a Score of 5 to 4

OTTAWA.—Ottawa forged ahead in the seventh innings of yesterday's game against Louie Cook's Guelph aggregation of Maple Leafs, making the score 4 to 3, and apparently sewing it up tightly, but in the ninth Wright tripled, and Fryer brought him home when he skied to Callahan. With two gone in the ninth, Shaughnessy singled after two strikes had been called on him, and Dolan scored him from first with a terrific liner over Wright's head in right field. Wright made a desperate dive for the ball, and fell heavily, spraining his ankle.

Ostermeyer outpitched Schaeffer, and the Ottawas finally succeeded in beating their old hoo-doo. Wet grounds spoiled the infield work of both teams. Catcher Lage had three hits, including a double, also two stolen bases and one run. He pulled down three high fouls after long runs to the grandstand. Ottawa has not lost a game since their return from Guelph, after losing three straight.

LONDON WON AGAIN

Cockneys Trimmed Berlin by Twelve to Eight.

LONDON.—London again came through with a victory yesterday, trimming the Berlin outfit by a score of 12 to 8 in rather handy fashion, although the visitors threatened in the final session, when they notched a quintet.

Reilly pitched the first eight innings, and allowed six bingles. Chappert whose efforts have been of doubtful value of late, was permitted to operate in the concluding stanza, as the Tecumseh's appeared to be out of harm's way, but he was slammed three times. In addition, he made a bad wild heave.

The game was quickly played and was witnessed by an enthusiastic crowd of London supporters. "Jo-Jo" Keenan, the London man at the head of the Berlin team, was given a greeting when he appeared at second base.

Morning Game On Saturday in Brantford

Hamilton will play Brantford here to-morrow morning, the game starting at 10 o'clock and in the afternoon the Red Sox will go to Hamilton. This is an annual fixture. Lefty Smith will pitch to-morrow's game here and Donovan will be sent in at Hamilton in the afternoon. On Monday the same teams will play here, both morning and afternoon making a series of six games of which Brantford has already copped the first.

Manager Jimmy Callahan of the Chicago Americans offered Davey Jones, the former Detroit outfielder to Baltimore, but Manager Dunn turned the offer down as reports state that Jones legs are bad.

The Toronto Leafs and Providence play the second game of a series this afternoon at the Island. "Bunny" Hearne, with a record of five straight wins, will be the Toronto pitcher. Wheatley or Mitchell will twirl for the visitors.

MT. VERNON
(From our own Correspondent)
Father's Day was observed in the here on Sunday. Rev. Todd preached a very helpful sermon to a large congregation, taking Malachi, chap. iv, verse 6 for his text. He pointed out to the fathers their duty to set

good examples to their boys and girls and inspire them to high ideals impressing the fact that each family should have family worship. The choir rendered appropriate music.

The young people of Mt. Vernon intend having a fishing party on May 26th at Appa's dam.

The many friends of Squire Lounsbrough are pleased to hear he is improving in health.

Mr. and Mrs. Frank Munn and little daughter Isabel, of Brantford, were the week-end guests of Mrs. W. Mott.

Many from here attended the Odd Fellows service in the Methodist church at Burford on Sunday evening last.

Foot-Rite Shoes

Will Hold Their Shape

The chief cause of slouchy looking shoes is HURRIED WORK. Ordinary shoes are taken off the lasts wet and soft before the shape of the shoe is permanently set. Result—the shoe soon becomes loose, baggy and "sloppy" when worn a short time.

In the Foot-rite factory all shoes remain on the lasts until thoroughly dry and set. They are kept in a drying room sufficiently long until the lasts slip out easily instead of being dragged or forced out, as in cheaper shoes.

This is why Foot-rite Shoes, when properly fitted to your foot, retain their shape twice as long as ordinary shoes and look neat, stylish and dressy from the start.

We are convinced that Foot-rite Shoes will give you an entirely new idea about Shoe Comfort, Wear and Satisfaction. Come in and examine this superior shoe.

Who Am I?

By RUTH CAMERON

WHO am I. Again and again that question comes to me, bombarding the fortress of my impersonality.

"Won't you please tell me all about yourself?" writes one letter friend "I wish you would use your column some day in telling who you are," writes another.

Good friends, I thank you for your interest. It is very sweet of you to care, but if you please I'd rather remain impersonal.

I don't want to tell you how old I am, and whether I'm married or not and where I went to college, and how many brothers and sisters I have, and whether I'm light or dark, and all that sort of thing. I want you each to settle these things as suits you best. Please imagine me the kind of person you want me to be, and let it go at that.

What I want most is to be a mental friend to all my readers, suggesting lines of thought to them, and when they are willing to take the pen and the pains, receiving suggestions from them in turn.

There is one personal thing about myself that I do want to say, however, and say it as emphatically as I know how. I am a woman. I don't see how anyone can doubt it. When I read over my own things they often sound ultra-feminine to me, and yet again and again I hear the rumor, "Everyone says Ruth Cameron is a man." The only way I can account for this is that the public long ago discovered that some woman's column was written by a man, and was so impressed by this discovery that thereafter they became suspicious of all women's columns. Now that's all nonsense. Listen, my friends, I've been in the newspaper business a good while, and am in a position to know something about the matter. I know of a great many women writing women's columns, and I don't know of more than one case of a man writing under a woman's name. And that was only done for a little while to fill up a gap.

Just one word more. The last letter which I received on this subject said, "Some people think different folks write under the name, because it is better some days than others." Perhaps I'm illogical, but it seems to me that is a good proof of the opposite. If the best thoughts of several people were taken, the little chats might be uniformly good. Since they are just the daily output of an ordinary human being, subject to bright days and dull days, and good moods and bad moods, is it not natural that they should be good, bad and indifferent by turns?

No, that's a mistake. I'm one person, and I'm a woman, and for the rest I'm your friend, and isn't that enough to know?

M'GRAW SPRINGS A SURPRISE SENDS DEVORE AND AMES TO REDS

Outfielder, Pitcher and Infielder Groh Are Traded For Fromme, Cincinnati's Good Heaver — Foxy Leader Claims Traded Men Were of No Use to Him and That They Will Benefit by a Change.

NEW YORK, May 23.—The New York and Cincinnati teams yesterday completed a deal whereby the Giants gave Pitcher Leon Ames, Outfielder Josh Devore and Infielder Groh to the Reds in exchange for Pitcher Fromme. The 1912 records show Fromme's pitching average as .457 for 43 games, of which 23 were completed games. He batted .087. Ames started in 33 games, nine of which were completed contests, and his average was .688. He batted .244.

The Ham & Nott team defeated the Gould, Shapley & Muir team to the tune of 9-3 in a good soft ball game played at Recreation Park last night. The game was featured by the pitching and base running of Wright for the Ham & Nott boys. At the end of the sixth, the score stood 5-3. In the seventh and last innings the heavy end of the Ham & Nott team clouted out a victory. The line-up: Ham & Nott—Wright, p; W Jones, c; McMann, 1b; Marlat, 2b; Doyle, s; G. Wright, 3b; Dickson, r.f.; Kaufman, c.f.; Richter, r.f. G. S. & M.—Appel, p; Johnson, c; McQuinn, 1b; Smith, 2b; Paterson, s.s.; Berry, 3b; Taylor, r.f.; Gordon, c.f.; Betts, 1b.

Ham & Nott's 9, G. S. & M. 3. "We" Saunders, for the eleven boys is some catcher. Keep it up. Gern, Legacy has a smile that won't come off. Nuff sed. J. Patterson's 3-bagger was a dandy. Jimmie knows how to run bases without the aid of a windmill. The "Umps" was the best ever, D. Hogar and D. Lyle. Bert Wright, pitcher for Ham & Nott, will make them all step. He has some fine control. The crowd was delighted. It was a great game and all were asking when is the next one. Ham & Nott rooters take the cake—they made themselves heard in the last of the sixth, "just 5 runs." Ernie Marlat's coaching helps a whole lot. He knows the game and the screen boys landed a good one. Andy Doyle was the smallest player on the lot, but has lots of ginger and makes the bigger ones step to beat him. CATHART

Rev. Mr. Tiddis preached his farewell sermon on Sunday night to a large congregation. The new rector of St. John's church will be here next Sunday afternoon. The Women's Institute met on Thursday at the home of Mrs. Lawson. The ladies were so very busy house cleaning that they couldn't get out, but still we had a very nice meeting. Mrs. C. Kelly was elected secretary-treasurer, with Mrs. Kinsella as assistant. No other changes were made. The next meeting will be held at Mrs. Kinsella's.

Mrs. Eddie and Mrs. Malcolm are visiting their sister, Mrs. C. Kelly. Mrs. Warboy has gone to Kelvins for a few weeks, the guest of Mrs. Tiddis.

The girls club is having a picnic on Friday, assisted by their teacher, Miss Creighton, to be held on the school grounds near Quality Hill. Everybody welcome. Mr. and Mrs. T. Taylor spent Sunday with Mr. and Mrs. Costin.

Mrs. Lockyer has so far recovered from her accident as to be able to ride out.

MR. GOODWIN AT CONVENTION

He Tells What Was Doing at Big Y.M.C.A. Meeting in Cincinnati.

The thirty-eighth International Convention of the Young Men's Christian Association of North America, held in Cincinnati, Ohio, on May 15-18 was attended by Mr. G. L. Goodwin, local Y.M.C.A. secretary.

In talking with a Courier reporter this morning, Mr. Goodwin gave an outline of the convention, a legislative character. The day sessions were entirely taken up in considering the reports and passing upon recommendations of the commissions which have been working upon important questions affecting the Association Brotherhood. Four commissions appointed by the convention at Toronto, held three years ago, to deal with the relation of the association to the church, the relation of the association to the immigrant, training agencies and the standardization of membership transfer among associations, reported.

The evening sessions were devoted to addresses from great leaders on subjects of vital interest to the associations work and welfare, such as "What are the True Tests of Association Efficiency," by F. W. Ayer of Philadelphia and Dr. W. Douglas Mackenzie of Hartford, Conn. "The Responsibility and Opportunity of the Association in Relation to Present Day Social Problems," by Dr. Walter Rauschenbusch of Rochester, N. Y. "Recent Progress and Present Outlook on the Foreign Field," by Dr. John R. Mott, Mr. F. S. Brockman, National Secretary of China, Hon. Chening T. Wang, Shanghai, China; Mr. E. E. Carter, National Secretary for India and Mr. C. J. Ewald, secretary of South America.

The convention closed with an address by Dr. John R. Mott on "The Present World Situation—a Challenge to the Christian Men of America." There were over 200 delegates present. The music hall in which the convention was held is admirably adapted for such a gathering. An interesting feature of great value, aside from the convention proper was the exhibit of business houses who are catering to the association in the way of equipment and supplies of every sort.

HAVE BEEN AN UNTOLD BLESSING

New Brunswick Woman Praises Dodd's Kidney Pills.

She Suffered for Four Years, and the Doctor Could not Help Her, but Dodd's Kidney Pills Gave Her a New Lease of Life.

PORTON Carleton Co., N.B., May 19.—(Special)—"I find Dodd's Kidney Pills the best kidney medicine I have ever used. They have been of untold benefit to me."

The speaker is Mrs. John S. Dickinson of this place. She is enthusiastic in her praises of the great Canadian kidney remedy, and not without reason. "I suffered from kidney trouble that started in a cold," she continues, "and for four years I was never free of it. I was treated by a doctor, but he did not seem to be able to do me much good."

"I had rheumatism and neuralgia, and my joints were stiff; my muscles cramped and I was always tired and nervous. I perspired freely with the slightest exertion; I was depressed and low spirited, my limbs swelled and I had a dragging sensation across the loins."

"Nine boxes of Dodd's Kidney Pills made a new woman of me." Are not Mrs. Dickinson's symptoms those of any run-down worn-out woman? They are also the symptoms of kidney disease. Dodd's Kidney Pills give new life to run-down women by curing their kidneys.

MRS. PRINGLE'S INCUBATOR

It Was a Questionable Success

By CLARISSA MACKIE

Mrs. Pringle found the advertisement in the pages of her favorite magazine and after she had read it carefully for the third time her great idea came.

The Pringles lived in an apartment in New York, and, besides a parlor, dining room, kitchen and two bedrooms, the architect had allotted them an extra room, small and cubbyholey, with one window opening on the street.

"I suppose he thinks I forgot that 50 cents," smiled Mrs. Pringle, triumphantly, as she called Mary to help her carry the crate into the cubbyhole.

"It's an incubator, Mary," said her mistress impressively. "And whatever would you be doing with it here?" "Raise chickens," explained Mrs. Pringle.

"Chickens! Maybe you'll be kaping a cow, too, mum, and a bit of a pig," suggested Mary with irony.

"I was thinking of giving it to the laundress, Mary. She's about the right size," observed Mrs. Pringle, with fine diplomacy.

"There was an uncomfortable pause. "But I would be likin' it, mum," cried Mary explosively.

"Very well, Mary," smiled Mrs. Pringle. "We will have to see that the lamp doesn't get too faring, and we must be careful that the temperature is kept just so. If you'll run out and get some kerosene, I'll start the thing going."

ROSY CHEEKS STRONG NERVES

Rosy Cheeks, Strong Nerves Should be the Birthright of Every Woman and Growing Girl

Many women and growing girls who should have bright eyes, rosy cheeks, strong nerves and elastic step and a good appetite, are seen to decline in health.

"I've on the next block, I'm off, Irene; don't sit up for me, dear," yelled her husband as he dashed out of the room.

"I don't know! I leave that for you to find out," returned Mrs. Pringle tartly. "I'm furnishing you the information, and I thought perhaps you could do the rest."

"I'm a chicken raiser, and I have heard the peeping of the chicks." "Whom do you suspect?" asked the official.

"I don't know! I leave that for you to find out," returned Mrs. Pringle tartly. "I'm furnishing you the information, and I thought perhaps you could do the rest."

SPORTING COMMENT

By FREE LANCE

There were 20 men left on bases in yesterday's game, the Red Sox having 15. A few wallops would have made a lot of difference.

Stovall, who used a spitter on the umpire, is allowed back by Ban Johnson with an apology.

The New York Giants look due for a slump this year.

Collins hit four batters and walked one in the game in Hamilton.

Buster Burill again got into the hit column yesterday.

Efforts of the Expositor sporting staff to keep Brundage off the team will have no effect. Brundage, like any other player, must continue to make good.

The Canadian League is gradually getting shaken up. Gueph and Peterboro getting in their proper places.

Baltimore is after young Bradshaw of Berlin. He, Collins and Lill of Ottawa look like the best prospects in the league.

Clermont has all the earmarks of a good pitcher.

Kane took no chances on a last minute batting rally by Hamilton.

Walter Johnson has at last lost a game. Greater wonders have happened. Brantford has won two in a row.

Lamond's beautiful work was a feature of yesterday's game.

The Hamilton-Brantford series, with good weather promised, should be a hummer.

Duff Slemin certainly banged the ball yesterday, and his batting was largely responsible for Brantford's victory. Slemin has the faculty of hitting the ball better away from home than behind the dyke.

Rob the home players of everything you can, even encouragement, seems to be the Expositor motto, particularly in regard to Brundage, who is termed a "flash in the pan," by the cupolo cotem.

Says the London Free Press: "It was only last summer that the Brantford sport writers 'pamed' 'Bill' Baker off that team. Amby Kane hung on to the 'wild man' until the knocker's chorus got too strong. All of which goes to show that Amby knew more than the baseball writers.

This is decidedly wrong. The sport writers of London, Baker's home town, boosted him until his head was swelled and he was useless. Incidentally, Rube Deneau turned him down after Brantford let him go.

Clermont or Coase may pitch today, while Donovan is ready. Really it wouldn't be a bad idea to clean up the series on Hamilton.

Brantford fans felt quite a bit better last night when the joyful tidings were received from Hamilton. The league leaders were humbled in their own back yard by 5-2. Ray Collins adding another Canadian League victory to his credit. Kane played the game safe, and in the final stages the players were instructed to take the easiest man and make him sure no matter whether there was a run going over or not.

With a four run lead, it was a case of retire the side. The Red Sox had two errors and Hamilton four, and this is also pretty good work. Incidentally, the Brantford team outfit Hamilton.

A few days ago we felt inspired to say that Hamilton was lucky to be at the top of the league. We have to confirm the inspiration after yesterday's score.

LANGFORD (From our own Correspondent.) Rev. Mr. Cook preached on Sunday and gave a splendid sermon. Mrs. Cook very kindly assisted with the singing.

Mr. and Mrs. John Day spent Sunday at Burlington. Miss Early Westbrook looked after the Sunday school in the absence of the superintendent and the assistant on Sunday.

Mr. and Mrs. James Coleman and Miss Gladys Tuttle, city, were Sunday guests at Mr. and Mrs. James Westbrook's.

Mr. and Mrs. L. Grunder, Carluke, spent Tuesday at Mr. H. Tyson's.

Masters Lester and Nelson Langs are confined to the house with tonsillitis.

KEEP THE BALANCE UP. It has been truthfully said that any disturbances of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up.

When people begin to lose appetite, or to get tired easily, the least impudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla.

What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength and endurance.
