SIXTEENTH ANNUAL REPORT
OF
THE MANAGERS OF
THE ORPHANS' HOME AND FEMALE AID SOCIETY.

In conformity with the provisions of the Act of Incorporation, the Lady Managers of the "Orphans' Home and Female Aid Society" beg leave to present this their Sixteenth Annual Report.

During the past year 34 children have been received into the "Home"—1 has died, 4 have been adopted, 13 have been apprenticed, 3 girls received into the "Home" under peculiar circumstances, have been taken by highly respectable ladies into their families as domestic servants, while 6 have been taken out by their parents. At this time last year there were in the "Home" 50 children—30 boys and 20 girls, there are now in it 52 children 32 boys and 20 girls. The health of the children during the last year, has been upon the whole, very good, for which blessing the Lady Managers feel that they are indebted under God to the great improvement effected in the "Home" in the early part of the year 1866, and to the great skill and kind attention of Dr. Ogden. The Matron, Mrs. Large has realized the high expectation formed of her at the time she was engaged, and the Lady Managers desire to express on this occasion, their entire confidence in her as a most efficient Matron, her constant care, her warm affection for, and her unremitting attention to the children cannot be too highly spoken of, nor can the Managers fail again to commend the teacher Miss Scott, who has shown herself truly valuable during the past as in former years.

The Managers regret to find from the Treasurer's report, that the expenditure on account of the "Home" during last year has exceeded its receipts by the sum of \$146 16c. for whilst its receipts were only \$3,152 59c. its expenditure amounted to \$3,297 75c. At this time last year the balance on hand amounted to \$1,301 22c. (\$800 of which

has been invested) whilst there is now only a balance on hand of \$356 06c. The excess of expenditure over income should call loudly on our friends to increase their exertions on behalf of the "Home."

The Managers have again to acknowledge with many thanks the continued support extended to the "Home" by their kind friends the Orangemen, who are from time to time transmitting sums of money for its benefit, amounting in the aggregate to \$680 93c. It is true, they have to make no acknowledgment this year for the large sums received for those warm friends of the "Home." Messrs. Irwin & Fleming, who in the year 1865 and 1866, paid over such large amounts to the "Home" the proceeds of the pic-nics held by them and their brethren in the Crystal Palace, on the anniversary of our beloved Queen's birthday. But the Lady Managers are aware that those gentlemen did their utmost to find a suitable place in which to hold their pic-nic this year, without success. These kind friends of the "Home" will please nevertheless, accept the thanks of the Lady Managers for their earnest endeavours to continue a plan, which proved so successful in former years, and which, doubtless would have been equally so this year, if the Crystal Palace could have been procured this year. The Lady Managers have to acknowledge the continued kindness manifested towards the "Home" by the butchers and market gardeners of the city, by the Manager of the Northern Railway who furnished 13½ cords of wood, to the "Home" at a greatly reduced price, and to Mr. Shedden, Grand Trunk Railway, who had it carted free of charge, and to Capt. Saulters for his kindness in taking the children to the Island last summer. The Lady Managers are cheered from time to time in their work, and labor of love, by the encouraging accounts they receive of many who were trained to habits of industry, and whose minds were imbued with religious principles in the "Home," and who look back with grateful heart to the privilege they enjoyed here, through which under God, they were fitted to become the respectable men and women they now are.

C. FULLAR,
Secretary.
