THEOLOGICAL UNION MET AT MOUNT ALLISON TODAY

Address by Rev. S. Howard B. D. was the Feature of This Morning's Section of the Closing Exercises --Jesus and the Children

Sackville, N. B., May 26--(Special).--This morning the annual meeting of the Theological Union was held in Memorial Chapel and was attended by a goodly number. The lecture before the union was delivered by Rev. S. Howard, B. D., of St. John, who gave a scholarly address on Jesus and the children. In part Rev. Mr. Howard spoke as follows:-- "The child is in the kingdom of God, not in his own right, but because Jesus Christ has put him there through his redeeming love and grace. The child should be constantly impressed with the fact that nothing but his own deliberate and final turning away from Christ to a life of sin can place him outside of the kingdom. No one but himself can deprive him of his citizenship. Jesus has given the child as such a right to be called a child of God. If, as a child of God, he sins, as we all do, he must be taught to repent, to seek forgiveness and deepen the renewal of the spiritual nature. To remain in the kingdom he must make a personal choice of Christ as a Saviour and Lord. But, from the very first, the responsibility, not of coming into the kingdom, but of so living as to remain in the Kingdom a free and joyous citizen should be laid upon him. "Being in the Kingdom the child is a natural candidate for baptism, and it is thus entitled to membership in the church. "Regarding the child as a member of the church, we must give him religious instruction and training suited to his expanding powers. We must not expect greater moral perfection in him than in a dull church member. We must exercise Christlike sympathy and patience with him while passing through the various stages of physical, intellectual and moral development. The harm done to young people, through the failure of their spiritual advisers to understand and rightly appreciate the difficulties facing them at certain periods of their life, is often incalculable. "The duty of the church in relation to children, is not to 'rescue them' after they have become more or less alienated from God by the hardening process of evil living, but to 'preserve' them within the kingdom and the church of Christ for the service of God and their fellow-men. "At half past ten came the students' recital in Beethoven hall before a large audience, which became enthusiastic in regard to a number of the selections, all of which were splendidly rendered. "At a meeting of the graduating class of the university this morning W. Roy Smith, St. John, was elected permanent president of the class, and J. L. McSweeney, of Moncton, permanent secretary. It was also decided to have a class reunion in 1912. It is understood that the university will tonight confer the degree of doctor of divinity on the Rev. G. M. Campbell.

DARING ATTEMPTED ROBBERY IN CROWDED NEW YORK STREET

Three Men Held up Bank Messengers Carrying \$43,000 but Failed to Secure Their Booty-- Failure Was Largely Due to Woman's Bravery

New York, N. Y., May 26--In broad daylight and in one of the most densely populated portions of the city, three men late yesterday made a daring attempt to kidnap up and rob a trio of bank messengers, as they were carrying \$43,000 in cash from one of the bank's branches to its main building. Black pepper was showered upon the messengers, one of them was hit with a blackjack and another slashed with a knife, in the desperate effort of their assailants to seize the money and to escape with it before the arrival of assistance. That they failed to get clear with the values filled with coin and bills which the bank employees were carrying, was due to the stubbornness with which the messengers resisted the attack and to the bravery of a young Polish waitress in a nearby restaurant, who so impeded the leader of the attacking trio that he was easily captured by two policemen who came to the rescue. "The messengers were employees of the Junction Bank and were on their way from the branch at Clinton and Houston streets to the main bank on Canal street. While on First street, three men jumped upon them and threw pepper in their faces. The leading assailant attacked Samuel Edelman, who carried the bulk of the money, grabbing his money bag and attempting to run with it. The other assailants directed their efforts at Joseph H. Vohler and Abraham Stern, the other messengers. Edelman tried to shake his assailant off but was fared badly from their pummeling when Mrs. Eva Javornicka, a waitress in a First street restaurant, who had seen the attack from the restaurant window, ran out of the door and grabbed the leader of the attacking band by the arm. She clung to him and screamed so loudly for help that a patrolman came running up, frightening the other two men away and was right at the heels of the man who had attacked Edelman by the time he had managed to shake himself free from the woman. The fugitive was chased into the arm of another policeman before he had run a block. "The prisoner, the messengers and the money, which the messengers had managed to retain intact, were all taken to a police station, where Edelman's assailant was locked up and the injuries of the messenger were given attention. Vohler, whom one of the trio had hit with a black jack, was found to have abdominal wounds, a depression of the skull from a blow, probably with the same instrument, besides injuries to the eyes from black pepper. Edelman had knife slashes on the wrist and Stern was nearly blinded from the pepper. "The money, of which \$30,000 was in bills and the remainder in gold and silver, was turned over to a bank official who, this time, carried it in a closed carriage. The main attack was made on Edelman, who carried the bills, the police believe the robbery was planned by some one who knew the bank's method of making its daily transfers from branch to main office. "The man arrested gave his name as Gino Riccobono, a plasterer. The police, while looking tonight for the two men who escaped and their possible confederates, arrested Riccobono's father, Giovanni Riccobono and his two brothers, Salvatore and Damiano Riccobono. "They are held as suspects for a further examination.

BOURASSA MAKES NO BILL AGAINST A BIG HIT IN MONTREAL

He Spoke Last Night in the Monument National and Severely Arraigned the Quebec Government

Montreal, May 26 (Special).--Mr. Henri Bourassa was given an enthusiastic reception last night in the Monument National when he appeared on the platform in arrangement of the protest and meeting. Three meetings have recently been held in this same building for the purpose of organizing a constructive programme of reform in the administration of the province, and the water supply resources of the province, together with improved educational methods in the public schools. "Mr. Bourassa declared he was not actuated by any desire for office or personal benefit, and that should be elected and elected to a new government, he would undertake to fight independently for what he considered to be the interests of the people. He was an honest administrator of affairs. On the platform with Mr. Bourassa, was Armand Lavigne, M. P. for Montserrat.

TEXAS RAVAGED BY DISASTROUS FLOODS

Trinity River and Other Streams Overflow Their Banks Following Heavy Rainfall--The City of Dallas Badly Damaged--Much Damage at Fort Worth

Dallas, Texas, May 26--Fourteen persons dead, others missing, and believed to have suffered a like fate, property valued at millions of dollars swept away by thousands homeless and being cared for by charitable organizations, train and wire service demoralized, such are the conditions prevailing in the Northern and central sections of this state, the result of a record breaking rise in the Trinity river and other streams following a rainfall unprecedented in severity. "The number of dead here stands at ten. Two of the bodies of those drowned Saturday night were recovered yesterday. One was that of a man named Walsh, an employe of a saloon, and the other was that of a woman named Mrs. J. W. H. The Rock Island is making no effort to run trains in any direction. The joint track of the Texas and Pacific, Missouri, Kansas and Texas and the Cotton Belt, will not be opened for traffic before Thursday at the latest. "The Missouri, Kansas and Texas is making no effort to run trains north and the 'Trio' is stopping all southbound trains at Carrollton and turning them back. "The Fort Worth and Denver highway is a train through today but its success is uncertain. "Communication was attempted yesterday with Dallas over the Houston and

BURGLARS ENTER MONCTON STORE

James Doyle & Son's Grocery Entered and \$250 Stolen-- Another Attempt Was Unsuccessful--Vagrants Sentenced

Moncton, N. B., May 26--(Special).--The most serious burglary of the recent epidemic which the police seem powerless to stop took place last night when James Doyle and Sons grocery was entered and \$250 stolen, \$10 in cash the remainder in choice bonds, a large quantity of valuable private papers of the firm. The attempt was made during the night to enter F. W. Sumner's hardware store but the burglars were not successful. A conservative estimate places the loss of the railroad at \$3,000,000. A serious situation has developed here in regard to the city water supply. The mains are filled with black muddy water unfit for drinking even after being boiled and settled. The city authorities declare it may be a week before they can restore the normal water supply. In the meantime, who can afford it, are buying water from private artesian wells and those who cannot are drinking the water that comes from the mains. Thirteen men and children were caught in the overflow of the Denton river. Their condition became so precarious that they were forced to hold the children up to their shoulders in order to keep them from drowning. These people stood in water all night for their needs for ten hours until rescued. "Thirteen railroad employes engaged in watering a bridge at Grapetown were hemmed in by the rising water on Monday night. They sought refuge on top of a big water tank and at last succeeded in a bill on the tank surrounded by four miles of water. An effort will be made to rescue them.

MURDERESS HAD ACCOMPLICES IN CRIME

Another Story Told in Connection With the Guinness Murders--No More Bodies Found

Laporte, Ind., May 26--That Mrs. Ellen Guinness had accomplices in her murder was indicated last night by the story of Martin Gurholt, of Iowa, who arrived to investigate the disappearance of his brother Henry. "Gurholt says that in 1905, a stranger came to Iowa and formed the acquaintance of Henry Gurholt, who then was working in a store. The stranger talked of the business of Laporte and said he had a sister, Mrs. Belle Guinness, who was in need of a man on the farm. The result was that Henry Gurholt left for Laporte. He wrote home regularly for three months. Then the letters stopped. As Gurholt had said nothing about leaving Mrs. Guinness' farm, Martin Gurholt was convinced that his brother had been murdered and made inquiries for his brother. Mrs. Guinness replied that Henry had gone to Chicago to do some home trading and had been robbed in Chicago, for he had some money with him. No further investigation was made until the present. "Martin Gurholt looked over the skeletons at the morgue but he was unable to find one that he could say was that of his brother, though the teeth of one looked similar to the teeth of Henry. Martin had a description of his brother's watch which tallies with that of a watch found in the ruins, except one digit of the number which it is thought is due to a mistake on the part of the Iowa judge.

POLICE COURT

Patrolman Marshall Censured by J. B. M. Baxter in Street Waking Case

During this morning's session of the police court Patrolman Marshall came in for some criticism from J. B. M. Baxter, who appeared for Ethel King, a young married woman, and Eva Ritchie, charged with wandering about the streets Saturday night and taking to give a satisfactory account of themselves to the police. Judge Ritchie made some remarks as to the way some people spent the holiday, making it the season of a spree instead of a more respectable season of entertainment. "Ethel King, aged 21, and Eva Ritchie, aged 18, were first cited and pleaded guilty. "Patrolman Marshall stated that Ethel King was married and for a time did not live with her husband. On Saturday night about 10:20 o'clock he saw her, and Eva Ritchie, with James Ritchie, a colored man, on the street. The three were carrying on the street arm-in-arm with King at the time. Ritchie was accompanied by the police, the men ran away and the young women on being told, said they were going home. They did not seem to think that 10:20 o'clock at night was an improper hour to be on the street and in the absence of a force attendant, explanation be attended to.

KINGS COUNTY PROBATE COURT

On Saturday, in the Kings County Probate Court, the petition was heard of Walter Richmond of Providence, R. I., asking for ancillary probate in the estate of the late Mrs. Amanda Ross Richmond, formerly of this province who died in Providence, R. I., leaving property in Kings County in this province.

DRIVING ACCIDENT

Mrs. James Brickley Seriously Injured Yesterday

Mrs. James Brickley, formerly of this city, met with a painful accident yesterday when she was thrown from her carriage and her arm broken in two places. "Mrs. Brickley was driving near Waas station, when the horse, being frightened at the train, bolted and Mrs. Brickley, who was unable to control the frightened animal, was hurled to the ground, landing heavily on her right side. "A passer who saw the accident rushed to the assistance of the injured woman and examination proved that her right arm was broken near the shoulder and below the elbow. She is resting easily to-day.

MONTREAL STOCKS

Montreal, May 26 (Special).--Stocks opened dull and unsettled after the holidays. The features were Twin City, 99 1/2; Soo, 111 1/2; Detroit, 92 1/2; Pacific, 138 1/2; Power, 94; Shawinigan, 64.

HARBOR IMPROVEMENTS

A meeting of the harbor facilities committee will probably be held next week. His Worship the Mayor has received a reply from Vice-president McNicol of the C.P.R. in answer to his communication regarding the taking over by the city of the Sand Point wharves. Mr. McNicol asks for further information about the scheme and a plan of the properties at that point.

THE HOLIDAY IN HALIFAX

Halifax, N. S., May 26 (Special).--Victoria Day in Halifax was celebrated by a grand review of the Canadian troops under General Drury. The men made a good showing. "The holiday was a general cessation of business and the Union Jack flew from public and private buildings all over the city. "A feature of the day was the opening of the new country club on North West Arm. The Waagweits, as it has been called, makes the third in a series of golf courses in the province by programs of sports and other features by the C.P.R. in connection with the holiday. The weather was generally fine.

NEWS FROM FREDERICTON

Fredricton, N. B., May 26 (Special).--The gold medal presented by the city for the best Latin essay was awarded to the student showing the greatest proficiency in Latin. "A small building at Boiestown, used as a coal shed by the railway, was destroyed by fire on Saturday afternoon. "John J. Weddall will probably be a candidate for the vacancy in the city council caused by the death of A. D. Everett. "The St. John River Log Driving Company are preparing to begin regular operations at the Douglas Brook this week. "Terminal examinations at the University were finished to-day and the results will be announced to-morrow. The annual meeting of the alumni society will be held here to-morrow evening, when the winner of the gold medal offered by the best Latin essay will be announced. The Douglas medal for the best English essay will not be awarded this year. The exercises take place on Thursday afternoon. "Water in the river here is dropping fast and there is some anxiety in regard to the lumber drives on the head waters. A telegram stated that there was considerable snow in the woods.

PERSONAL

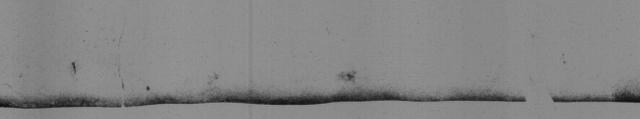

Louis H. Hopper, who has been visiting relatives here returned to Medicine Hat, Alberta last evening. "George Waterbury, son of George H. Waterbury, left last evening for Summers Lake, B. C., where he may locate. "A. P. Hoo returned to the city on today's Montreal train. "L. G. Crosby went to Boston this morning. "John E. Wilson, M.P.P., went to Fredericton this morning. "Mrs. Wm. Hayes, of Upper Dorchester, who has been visiting friends in the city, returned to her home today. "If you cannot find the divine everywhere you will find it nowhere.

THE TIMES NEW REPORTER

HIRAM'S COMMENTS.

Mr. Hiram Hornbeam says he hasn't laughed as much since last exhibition as he did yesterday, when his eyes fell upon the drum major of the file and drum band at the sports. And he hasn't shouted as hard for a year as he did when Giggey, of the booth game, a drink of intermilk, pressed the Dartmouth man hard in the

two-mile event. "That's where we raise 'em," said Hiram to the Times new reporter. "By Hiram I don't bet, but I'll bet up a big apple that Giggey ain't got any man in New Brunswick in a half-mile. Hey, what? Don't he go? All them Hampton fellows made the rest of 'em pick up their heels. But that feller from Halifax ain't no souch. I call late if I had an ankle you wouldn't catch me doing no two miles. Yes, sir--I had a good time. Them's all nice fellers you get down here. They use the outsiders all right. Why, that feller at the booth game a drink of intermilk. Yes, I seen the ball games here, Hey, what?"

Something like a thrill of real excitement ran through the spectators. The remark was made so quietly and in such a natural tone, that nobody dreamt of questioning the word of the witness. Then it went home to all that Stevens was making against Mrs. Delahay...

derlock, I was utterly baffled for months owing to the fact of there being two twin brothers mixed up in the case. If you have a sister— "So far as I know I have not a single female relative in the world," Mrs. Delahay responded. "And as to the rest, you will find that my statement is absolutely true. I suppose you will believe the servants at the hotel?"

"One moment, please," the coroner went on. "How long is it since you identified the lady opposite?" The witness looked about him as if he hardly understood the question. He was clearly puzzled by what had happened.

"It is my duty to look after rooms on the same floor as Mrs. Delahay's body on the night of the murder?" "Not before two o'clock," the chambermaid replied. "We were unusually late that night as the house was full."

"This is a most important investigation," he said, "and I want you to be very careful. Will you look at the lady again and see if you have not made a mistake? Surely you were in court when she gave her evidence. You must have seen her then."

"I was in the kitchen," the chambermaid replied. "I was in the kitchen when Mrs. Delahay went out about twelve o'clock, and half an hour later I went up to Mrs. Delahay's bedroom to see if I could do anything for her. They key was in the door, which struck me as rather strange, because, as you know, in large hotels the key is not given to the room."

"Well, what do you make of it?" the coroner asked. "Just as I told you before," the witness went on. "I saw the lady with Mr. Delahay at a quarter past one on the morning of the murder. I saw her enter the house in Fitzroy Square."

"I have been going to the South African market for several years and find that every time I go I make better headway there than I do in any other market. The Dutch are at present doing the big steel business there, but when I showed them that the steel of this country was not only better than could be made anywhere else, but that it could be laid down to them at a smaller cost, they looked in to the matter and now Americans are making some headway there in the steel business."

"The speaker is absolutely mistaken," she said. "He must have confused it with somebody else. From twelve o'clock at night till seven the next morning I was not out of my room."

"You will excuse me, I am sure," he said "but I should like to come back to your hotel with you and make a few inquiries. You see, it is absolutely necessary to disprove John Stevens' statements. Until we have done that, we can't carry our investigations any further. I hope you will be able to help us in this matter."

Suffered From Heart and Nerve Troubles FOR THE Last Ten Years.

The heart has supplied to its two sets of nerves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-being of the heart, depends upon the general condition of the nervous system.

Knowing the intricate structure of the heart and being aware how diseases of the nerves affect the heart, we have combined in Milburn's Heart and Nerve Pills a treatment that will cure all forms of nervous disorders as well as act on the heart itself, and in this is the secret of their success.

Mrs. John Riley, Douro, Ont., writes: "I have been a great sufferer from heart and nerve troubles for the last ten years. After trying many remedies and doctoring for a long time without the least benefit, I decided to give Milburn's Heart and Nerve Pills a trial. I am thankful to say that, after using nine boxes, I am entirely cured, and would recommend them to all sufferers."

Price 50c. per box or three for \$1.25, at all druggists. Sold direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

SQUIRREL FALLS INTO FRYING PAN

Supposed Wanderer From New York Park Causes Much Excitement in a Fifth Avenue Home.

New York, May 23.—Lena Anderson is just plain cook for Mrs. John Sloane, who lives at No. 883 Fifth Avenue, and she makes no pretence of being a statistician, which she couldn't pronounce, any way. So it is hardly a matter of wonder that she shrieked and swooned yesterday morning when, in the course of the preparation of a savory breakfast for the family, a live and very active squirrel suddenly appeared on her skillet where a moment before there had been only a luscious squab in process of broiling.

Lena didn't know that it was a squirrel and didn't know the name of the animal in natural history. She simply let out a lusty Norwegian shriek, made for the butler's pantry, and fell in a faint just as she got there.

In a moment the entire household was aroused, with maids, footmen and others making a rushing entry into the kitchen. It was some time before anyone discovered the cause of the disturbance. Then the squirrel was located, by this time about half broiled, but still struggling to escape.

Where it had come from was the next mystery to be solved, but it was not until considerably later in the day that a nest with another squirrel was found on a ledge in the chimney, the fits of which opened directly over the kitchen. Lena was employed. The squirrel had missed his footing and fallen straight into the breakfast of the Sloane family.

MONCTON COUPLE HAVE FATAL SPREE

Aged Indian and Squaw the Victims of a Wood Alcohol Jag—Drinking on Saturday and Died Yesterday

Moncton, May 25.—Mary Noel and Oliver Grimes are lying dead at the morgue in this city as a result of drinking bay rum or wood alcohol. This afternoon between 1 and 2 o'clock, Dr. L. C. Harris was notified from the new I. C. R. shops that the Indians, whose camp is near there, were critically ill. He went at once to the camp and found the aged Indian dead and a squaw, Mrs. Mary Noel, wife of James Noel, in a critical condition.

Thomas Meuse, son of Mrs. Noel, pointed to a bottle labelled bay rum, as the cause of the trouble. The squaw was hurried to the hospital, but she died an hour or two after her arrival there.

According to Thomas Meuse, son of the dead woman, his mother said at a luncheon that she had drunk half past six Saturday evening in an intoxicated condition. They carried an empty tin of bay rum to the camp. Not until Sunday morning did Mrs. Noel and Grimes show the effects of the drink. Then they both complained of illness and sent for medicine. They were around all day but this morning both were seized with violent pains. Grimes died about half past twelve and Mrs. Noel a little later, medical aid being unavailing. Grimes arrived in camp Saturday from Buctouche. The husband of the dead squaw, James Noel, was away fishing at Buctouche at the time of the tragedy. Mrs. Noel was about forty years old and Grimes about sixty or seventy.

Coroner Purdy tonight empanelled a jury and will inquire into the case tomorrow night.

MORE MONEY FOR PEARY TRIP. Washington, D. C., May 22.—Commander Peary, of Arctic exploration fame, sent this telegram to President Roosevelt today: "A thousand dollar check just received from Zeas Carr, Dalton, Mass."

THE SUMMER TRAVELER.

A small serviceable chapeau, designed for the wear and tear of travel, and a smart utility coat of silk, satin or madras, preferably of the rubberized persuasion, and we'd be ready to go forth on a summer trip whether it be in the fashionable auto car or by rail. Traveling costs should be comfortably full in both body and sleeves and all-enveloping if they are to give good service as utility garments, and we'd be ready to go forth on a summer trip whether it be in the fashionable auto car or by rail.

PLAYS AND PLAYERS

AT THE NICKEL. The show that was put on at the Nickel yesterday was truly of a holiday nature and a great big holiday crowd saw it. Today's picture was very interesting, as was shown yesterday afternoon and evening, as follows: The James Boys in Missouri; Caught in Their Own Trap and His-His, also "Big Pardon," a mixture of comedy and drama that pleased everybody. The Jetties picture was very interesting. Of course in the musical line the leading feature of the day was the re-appearance of DeWitt Caines, St. John's premier baritone, who returned after a winter's absence in Boston, undergoing thorough training by Prof. Dean.

AT THE OPERA. Along the Kennelbe, which was given at the Opera House yesterday, attracted large audiences at both the afternoon and evening performances. The play is a New England comedy of the old home-stead and "way down east" type. It unfolds a pretty love story, and is well put on and well played by a good company.

AT THE PRINCESS. The show that is now on at the Princess is without doubt one of the finest that has ever been seen in the city. Five new pictures, none of them ever shown in this city before. All lovers of good music should not fail to hear Louis Monahan in his new song, Baby Callahan certainly made a hit at the business yesterday.

AT THE PALACE. The popular west-end moving picture place is becoming daily more of a place of entertainment, so attractive that, notwithstanding the fact that there is no longer any necessity for crossing the harbor to spend a pleasant evening, the popularity of the place is well filled by an audience which left singing the praises of the new management for the splendid bill offered, which not only includes the best of the old pictures, but a farce comedy presented by Messrs. Fairbanks and Harrison, and Miss McLaughlin, and the big amateur contest, and the Palace takes the lead in this. Besides the three professional artists fifteen amateurs will appear. Two hours of solid fun. None should miss it.

WINKLE. One of the most important theatrical events of the season will be the coming to this city of the actor Thomas Jefferson in his famous romantic classic "Rip Van Winkle" to the Opera House on Tuesday and Wednesday, June 2 and 3. This will be Mr. Jefferson's first appearance in the provinces. "Rip Van Winkle" has been played continuously for sixty-five years by three generations of the celebrated Jefferson family, has made more people laugh and cry and made more money than any other play in the history of the stage, thanks to the artistic Jeffersons who have always kept it up to a high standard.

Other versions of the play have been given here at times by small companies, but this will be the first opportunity of seeing it played and staged in true Jefferson style.

KATHLEEN MAVOURNEE. At the Opera House on Wednesday next the Emerald Dramatic Club of Amherst will present Kathleen Mavournee, Miss Terrio, who plays the name part, is said to be one of the best amateurs in the province and is supported by a company of twelve and thirteen.

MARY EMERSON COMING. For the week of June 15th, Manager Anderson announces the appearance here of Miss Mary Emerson, presenting two of her greatest successes, "His Majesty" and "The Sign of the Cross."

CHURCH STRUCK BY LIGHTENING. Philadelphia, Pa., May 22.—During one of the most severe storms that has visited this city in years, the spire of the historic Old Christ Church on Second street, above Market, was struck by lightning today and damaged by fire to the extent of \$15,000. The church was erected under a provisional charter granted by King Charles II, to William Penn, in 1639 and its threatened destruction drew thousands to the scene. Old Christ Church is the church of President Washington and revolutionary heroes over whose graves in the churchyard the firemen were rung with the liberty bell to announce the signing of the Declaration of Independence. The spire was surmounted by a mitre in replica of that worn by Bishop William White, the first bishop of Pennsylvania after President Bishop of the United States. The mitre was destroyed and fell with the spire, tearing a great hole in the roof.

Besides causing damage at the church, the storm was responsible for heavy loss in the northern section of the city where a big sewer overflowed and caused \$10,000 damage. Several persons were severely shocked.

If we could see others as others see us we would all be pessimists.

Principal Peterson, of McGill University, will leave Montreal tomorrow for a ten days' tour of the maritime provinces, where he will be the guest of honor at several of the Canadian clubs. Dr. Peterson will speak on True Imperialism, education, the training of teachers and kindred topics at Fredericton, St. John, Halifax, Truro, Wolfville, Charlottetown and Moncton.

WHEN JAKETY CAUGHT THE GHOSTS

A long time ago, when people still believed in witches and ghosts, there lived in a beautiful country a youth named Jakety Robins and his aged grandmother, Dame Robins.

MAN APPEARED UPON THE SCENE

One evening when Jakety returned from the village, where he had spent the day on business, he found his aged grandmother, Dame Robins, sitting in the garden, looking very pale and trembling.

By MAUD WALKER

Jakety tried to reassure his grandmother, saying, "Well, if it was a ghost, it will return. Let me get a look at it. But, Granny, let's have some supper. I'm empty to my boots."

MAN APPEARED UPON THE SCENE

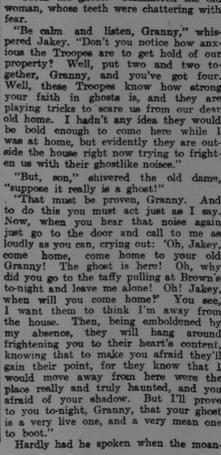

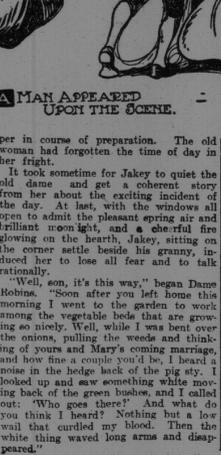

"Well, if it was a ghost, it will return. Let me get a look at it. But, Granny, let's have some supper. I'm empty to my boots." "Do you mean to say that she didn't see a ghost?" asked Daniel. "Why, I'm coming along the road back of your house that afternoon and saw the thing myself. It frightened my horse until he jumped."

BRUSH FIRES

The first brush fire of the season, believed to have been caused by the carelessness of fishermen out for a holiday, has burned over a considerable area between Grand Bay and Musquash.

Two things are needed to overcome the danger, which is of annual occurrence. All the people should have clearly brought to their attention the importance of preserving the forest areas, and there should be a general system of patrol by fire wardens during the season of greatest danger.

disposed to regard with any degree of admiration. We quote: "When the late Erasmus Wiman published his famous magazine article entitled 'The Greater Half of the Continent,' in which he told the people of the United States something about what Canada really was, his statements were received with incredulity."

The Colonist writer, looking back twenty years, and taking note of the general indifference of the people of the United States to this country, and then of the crusade from that side in favor of annexation, rightly observes that it is impossible not to be greatly impressed by the change that has taken place.

The final word of this very interesting article will be read with as much appreciation and pleasure in New Brunswick as in the Pacific province. "Certainly times have changed from what they were a score of years ago, for now men stand in the metropolis of the United States and tell of a Canada that is to be a nation rivalling, in everything that makes a nation great, the mighty Republic which is her nearest neighbor."

EVERY DAY CLUB SPORTS SHOW A BIG REVIVAL IN ATHLETICS

Big Crowd Saw Excellent Track and Field Games on Victoria Grounds Yesterday Afternoon—Another Meet Will Be Held June 27

The biggest crowd that has attended sports here in many years watched the Every Day Club athletic meet on the Victoria Grounds yesterday afternoon.

About 600 persons filled the grand stand and bleachers and lined the field. That the whole affair was well handled, was the unanimous opinion of all, there not being the slightest hitch in the lengthy programme of events.

The very best of feeling seemed to prevail as the protesting and wrangling that one almost looks for at a meeting of the kind, was conspicuous by its absence. Best of all, however, is the fact brought forth that athletics on the boom here as of old. Many of the old timers had a hand in the handling of the programme and went at their work as officials in a way that filled everybody with enthusiasm. The big crowd left the field of one opinion, that the sports were the best seen here in a long while and the announcement by the Every Day Club that they will hold another meet June 27 was well received, the opinion seeming to be that the good work along this line should be kept up.

On points the Algonquins carried off the honors, having three firsts, two seconds and five thirds in the senior events.

The Every Day Club had the greatest number of entries; they captured three firsts, two seconds and one third.

The other clubs won as follows: Dartmouth A. C., two firsts, two seconds and one third; Marathons, two thirds and one fourth.

The best time was made in the 880 and mile. The former was won by Gagey of the Portland Y. M. A., in 2:13.25, and the latter by Lennoxton of Dartmouth man, in 5:02.15. When it is taken into consideration that the time at the U. N. B. meet at Fredericton yesterday for these distances was 2:14.12 and five minutes flat, respectively, it will be seen that there was some nice work done.

The hop, step and jump was keenly contested. Gagey of the Algonquins beating out of the Every Day Club by but one inch. Lennoxton of Dartmouth, proved himself thoroughly game, his action in going into the two mile run winning it after injuring his ankle, and his victory in the 880, bringing forth universal praise. The Dartmouth man by the sportsmanlike way in which he lost his friends who were delighted to hear that he will be back on June 27.

After the sports Mr. Lennoxton accompanied by W. J. Coates went to the General Hospital where his ankle was treated. He left for his home last night.

What was probably the feature of the day was a special race 100 yards dash between Bovard and Gagey, a former prominent western athlete. The latter won by but a few inches in 11:15. Bovard was set back a yard for trying to beat the pistol. Both he and Gagey who, ran under the Portland Y. M. A. colors were late in getting in from Hampton, the sprint being half over before they arrived.

The showing of Stubbs and Stirling was disappointing to their friends and to lack of condition only in the result of their work was attributed.

The two mile race proved also one of the interesting features, a new man, for a time making things interesting.

The Every Day Club file and drum band marched to the ground previous to their concert at Rockwood Park. The band created favorable comment and looked natty in their new uniforms. The drum major in a gaudy garb of yellow and the "China" pattern, and with helmet of a gilded hue, making the fun for the small boys. The following is a list of the events and winners:

100 yards dash, first heat—Urban H. Kiley, St. Peter's Y. M. A.; 2, T. M. Morrow, Algonquins; 2, time, 13.35 sec.

Second heat—Robert Garnett, Every Day Club; 1, E. L. Greason, Algonquins; 2, time, 11.25 sec.

Final—Garnett, 1; Kiley, 2; Garnett; 3, time, 11.25 sec.

One mile run—L. C. Lennoxton, Dartmouth A. C.; 1; E. Stirling, Portland Y. M. A.; 2; G. A. Stubbs, Marathons; 3, time, 5:02.15.

ST. JOHN LEAGUE DOUBLE HEADER

Marathons Trim Exmouth

Y. M. A. 6-4 and Clippers Down Portland Y. M. A. 6-5

A Good Crowd Saw Nice Ball

The St. John League double header on the Victoria grounds yesterday morning drew a large crowd who witnessed two good games. The first that between the Marathons and Exmouth Y. M. A., started at ten o'clock and resulted in a victory for the Greeks, 4 to 4.

The Portland Y. M. A. Clipper contest followed immediately the latter winning by a 6 to 5 score. From the class of ball and enthusiasm displayed, these games will create the keenest interest, as from the games so far played the teams appear to be very evenly matched.

The following is the score for the first game:

Here's the Cure for Sick Kidneys

TEST THEM FREE

Perhaps you are skeptical about GIN PILLS. So was Mr. Brown. He had tried so many things for his kidneys, without getting any better, that he had just about made up his mind that he couldn't get well.

When he first read about GIN PILLS he laughed. The second time, he thought, "The third time, he said, 'he would write for a sample just to see if there was any chance of getting well.'"

He was pretty nearly tickled to death over that box of GIN PILLS. They did him so much good that he would have paid \$5 a box for the second, if necessary. The dizziness, headaches and backaches stopped. Those shooting pains in hips and legs died away. Urine lost its high color. He slept through the night without being disturbed by bladder trouble. His appetite began to pick up and he felt better than he had been for years.

34 John St., Hamilton, Ont.

Being a sufferer from my kidneys and diabetes, I saw in the papers what good GIN PILLS were for my kidneys and they did me so much good, I bought three boxes and after using them I have been able to get my work, I can recommend them to any similar sufferer.

Don't be prejudiced. Give GIN PILLS a fair trial and they will cure you just as they cured Mr. Brown. Mention this paper and we will send you a free sample. The Bole Drug Co., Winnipeg, Man. 50c a box—6 for \$2.50.

FOOTBALL

Fredericton, May 25.—(Special.)—The Royal regiment football team defeated a team representing the York and Cornwall county militia in a game played on the post office square this afternoon. The visitors were pleasantly entertained at the barroom after the game. They returned home this evening.

THE TURF

Sackville, N. B., May 25.—(Special.)—The races at Sackville today, opening the half mile track, drew about six hundred people. There were three classes and the races were good, barring a most regrettable accident to Reta M., the well known pacer. In the first heat of the 2:17 paces, Reta M. was caught in her hobbles and fell and was unable to rise. When assisted to her feet it was found she had lost the use of her hind limb. It is feared the spinal chord was broken. The mare was taken to her stall but at last accounts was in the same condition and will probably have to be killed. She was owned by David Pugsley, Mascot. Results of events were as follows:

Class A—2:17 Class, Half Mile Heat.

BATHURST HAS SERIOUS FIRE

I. C. R. Was Heavy Loser in Blaze Yesterday

Bathurst, N. B., May 25.—A disastrous fire occurred near the I.C.R. station here this morning between 1 and 2 o'clock. The I.C.R. freight and coal shed were burned to the ground and the fire then spread to the hotel owned by John P. Legere, just across the street. The hotel was entirely destroyed.

All the contents of the I.C.R. freight shed were burned and a snow plow standing near was also destroyed.

The blaze was first discovered in the end of the freight shed and is supposed to have been started by a spark from a special locomotive, which passed a short time before.

The stables in connection with Legere's hotel were also razed to the ground. Some of the furniture was removed from the hotel, but the loss will be considerable on the buildings and contents.

The loss to the railway is estimated at \$15,000. It is difficult to tell the exact loss as the amount of freight in the shed is not known.

HOMER WINS FIVE-MILE RUN EASILY

Sydney, N. S., May 25.—(Special.)—Homer, the crack long-distance runner of the Crescent Athletic Club of Halifax, romped away from a field of 23 starters in the five mile road race for the championship of the maritime provinces today, doing the distance in 28 minutes and 37 seconds corrected time, thereby lowering the previous record by 2 minutes, 34 3/4 seconds.

On Sunday night, the boats were anchored at Jenkin's Cove on the Belleisle and ran down yesterday before a light southwest wind. Among those in the party were Vice-Commodore Merrill, R.A. Watson, E. Everett, Horace Brown, Fred Haines, H. Camp, B. Haines, G. Roberts, J. S. Stephenson, Harry Bissett, Howard Holder, H. Wilson and O. Brown.

The Canadian Medical Association will meet in Ottawa on June 9, 10 and 11. An unusually attractive scientific programme will be presented and medical men will be present from all over Canada.

FOUR FORMER RECORDS BROKEN AT THE U. N. B. ATHLETIC MEETING

Ten and a Half Seconds Clipped Off The One Mile Mark Yesterday

Fredericton, N. B., May 25.—Victoria Day, in this city, was marked by beautiful summer weather and was thoroughly enjoyed by all classes. There was a large attendance at the athletic meeting held to breeze in the honor of the day and the small boys, with his fireworks, was most conspicuous. Quite a number of citizens, particularly disciples of Isaac Walton, spent the day out of town, but the exodus was more than made up for by visitors from John and other provincial points. The chief event in the outdoor attraction was horse races at the Driving Park, although the college sports held at the same time also proved a good drawing card.

Baseball season was opened today with matinee morning and afternoon, between Victoria and St. Dunstons teams. The morning game was decidedly rocky, Victoria winning by the score of 21 to 6. In the afternoon St. Dunstons turned the tables on their opponents by beating them out by a score of 9 to 0.

The annual sports of U. N. B., were held on Wilnot Athletic Field this afternoon and attracted about 500 spectators. Four college records were smashed, including one which has stood the test for upwards of twenty years and in the 100 yard dash the former record was first.

Fred Baird, son of Senator Baird of Andover, broke the record in the running broad jump and shot-putt events. Allan Landry, brother of Judge Landry of Dorchester, clipped ten and one-half seconds from the record in the mile run, and Stanley Bridges of St. John lowered the record in the quarter mile run and tied that of the 100 yard dash.

The honors of the day were with Baird, who captured no less than five firsts. Rutledge, Bridges and Dever also made a capital showing. The sports were not as well handled as in former years and the spectators found cause for complaint in the long delays between events. At the conclusion of the sports, Mrs. Jones, wife of the Chancellor, presented the prizes from the steps of the grand stand. Baird, Bridges and Landry, each received a silver for breaking records and other prizes were in kind. The Fredericton Brass Band entertained proceedings with a choice programme of music. The summary:

Standing broad jump—Baird, Dever, Rutledge, distance 9 feet 9 inches.

Running broad jump—Baird, Dever, Rutledge, distance 21 feet 8 inches, breaking record of 21 feet held by Squires, '06.

220 yards dash—Bridges, Rutledge, McLean. Time 24.35 seconds, breaking record of 24.45 seconds held by Squires, '06.

Pole vault—Spicer, Dever, Brooks. Distance 8 feet 6 inches.

Hammer throw—Deeds, Cronkite, Rutledge. Distance 91 feet 7 inches.

RIFLEMEN ON THE RANGE YESTERDAY

Shooting in Three Competitions, Including Overseas Mail Trophy Match—The Results.

Eight members of the St. John Rifle Association shot off yesterday in the competition for the Overseas Mail trophy offered by the London Daily Mail. The aggregate made by the local team was 700 points. The following took part—

Sergeant James Sullivan	93
W. J. Kennedy	92
E. F. Gladwin	87
E. S. Wetmore	86
H. A. Smith	88
D. Conley	85
H. Parley	85
N. J. Morrison	85

The London Daily Mail has offered a silver challenge cup, valued at 100 guineas, for annual competition among the regular forces, volunteers and militia of the empire. In addition it has offered two silver cups, valued at fifty guineas each, to be won outright, one in the British Isles and the other in the colonies. These will be won by the leading teams in the respective countries.

In addition to these trophies silver medals will be given to the leading three teams in the competition after the one winning the cup, and bronze medals to the individual members of the three next teams.

The Daily Mail will also give five silver desert spoons to the leading team from each section of the empire. There must be at least five entries in each section. There are six entries in this province.

The shoot off for these trophies will be held annually all over the empire on Victoria Day.

The Fusillers' Club.

The 2nd Regiment Rifle Club held the first match on the range yesterday morning. The scoring was not very high on account of the wind. The winners in the several classes are:

Col-Sergt. Wetmore	88
Capt. Elliott	87
Capt. Frost	87
Class B	87
Capt. Smith	88
Class C	87
Sergt. Major Lamb	87
Sergt. Smith	87

BATHURST HAS SERIOUS FIRE

I. C. R. Was Heavy Loser in Blaze Yesterday

Bathurst, N. B., May 25.—A disastrous fire occurred near the I.C.R. station here this morning between 1 and 2 o'clock. The I.C.R. freight and coal shed were burned to the ground and the fire then spread to the hotel owned by John P. Legere, just across the street. The hotel was entirely destroyed.

All the contents of the I.C.R. freight shed were burned and a snow plow standing near was also destroyed.

The blaze was first discovered in the end of the freight shed and is supposed to have been started by a spark from a special locomotive, which passed a short time before.

The stables in connection with Legere's hotel were also razed to the ground. Some of the furniture was removed from the hotel, but the loss will be considerable on the buildings and contents.

The loss to the railway is estimated at \$15,000. It is difficult to tell the exact loss as the amount of freight in the shed is not known.

PIMPLES

ALTHOUGH, NOT A DANGEROUS DISEASE, ARE A VERY TROUBLESOME AND UNSIGHTLY AFFLICTION...

They are caused by either poverty or impurity of the blood and require the prompt use of a good blood medicine such as Burdock Blood Bitters, for their eradication, which it speedily accomplishes, at the same time strengthening the entire system. Pimples also often arise from dyspepsia and constipation, and in these cases Burdock Blood Bitters has the double effect of removing the pimples together with their cause.

Mr. D. P. Samson, Ocoala, Okla., writes: "I was troubled with pimples all over my face and hands. I paid out money for doctors but they could do me no good. A friend convinced me to try Burdock Blood Bitters, and after using two bottles the pimples vanished, and I have not been troubled with them since."

Burdock Blood Bitters may be procured at all Druggists and Dealers.

HOLIDAY SPENT VERY PLEASANTLY

Weather Kind—Attractions Well Patronized—Another Eg Lili Lake Trout.

Fine weather, the temperature ranging from 50 to 60, made yesterday an ideal holiday. Friday night and Saturday saw many people leave the city on fishing expeditions and country outings, but those who stayed at home had their share of enjoyment in trips to Rockwood, boat de, car riding, driving and walking about in the sunshine or else parading the Ope a House attraction of the Nickel show.

The Every Day Club sports and the baseball matches also drew the people and helped pass the day well.

The formal opening of Rockwood Park yesterday was a grand success. A conservative estimate placed the number of people who visited the beautiful breathing spot at between 14,000 and 15,000 during the day. All the amusement features were in full swing and doing a thriving business. The staff of waiters in the pavilion was kept busy and the boats on the lake were in continual use.

During the afternoon the Every Day Club File and Drum band played and their music was appreciated. In evening there was a brilliant display of fireworks and there was general illumination.

The fishing in the lake in the morning proved very satisfactory to the anglers who were trying their luck. Eighteen or twenty fine trout were beguiled out of the depths. The average weight was better than on Saturday, being about three quarters of a pound. G. Burgess, one of the attendants, got the largest one, a beauty, fifteen inches long and weighing two ounces more than a pound. The fishing in the evening also proved satisfactory.

Many holiday makers and picnic parties took advantage of the opening of Sea Side Park yesterday to pay a visit to this picturesque spot by the sea. The St. John Railway Company had three cars on the route and all were well patronized.

The steamer Champlain, under charter to the Portland Y. M. A., carried nearly 500 excursionists to Watters' Landing, where a delightful picnic was held.

About 200 went up on the Sincennes, which left at 2 o'clock in the afternoon and returned about 9:30 in the evening.

The Hampton, which made the round trip was well patronized.

The trains carried a large number to the country resorts. C. E. R. train which returned at 8:45 o'clock had seven carloads of tired but happy merry-makers.

LATE LOCALS

A small steel vessel, the first metal vessel to be built in Canada is now nearing completion at New Glasgow, N. S.

Miss Hazel Armstrong of Sussex, spent the holiday with her cousin, Miss Katie Dunbar, of Meadow street, and returned home today.

German steamship Dora, Captain Hansen, arrived in port this morning from West Hartlepool, England, to load deals for W. Malcolm Mackay.

Steamship Pontiac Captain Meckle arrived in port this morning from New York via West Bay, N. S., with part cargo of deals. The steamer is berthed at No. 3 berth west end where she will finish loading with deals for United Ki gloms.

Charles Baird, an aged man residing at 17 Brunswick street was injured yesterday afternoon by falling from the roof of his house to the ground. Dr. G. A. B. Addy is attending him.

A young son of Thomas H. Johnson, nail maker in the Gordon Mill Works, shot himself in the hand yesterday while playing with a loaded revolver. The injury was not serious.

Two Chinese laundrymen while canoeing on Lily Lake yesterday overturned their craft and were rescued by caretaker water. They were rescued by caretaker Bridges and except for a bad scare were none the worse for their ducking.

Willie Mulcahey, the lad who was recently sentenced by Judge Ritchie to the Boys' Industrial School for theft, but was allowed his liberty on suspended sentence, with the condition that he go to the country town, was yesterday arrested by Sergeant Kilpatrick for having failed to keep his promise.

When the steamer Carlin Austin arrived in Boston she had on board two British stowaways, who had endured hardships to get into Uncle Sam's republic, only to find that they must return on the same vessel today. They are Thomas Hare, aged 27, of London, England, and Frederick Robinson, aged 24, of Durham, England.

The new fishing schooner Kenwood, Captain Sims, arrived in port yesterday from Yarmouth, N. S. The schooner is being much admired by shipping men and is being much admired for her beautiful lines. She was built at Shelburne by Joseph McGill and was designed by McKinnon of Boston, her length is 90 feet, breadth 21.8 depth 9 feet 8 inches. The schooner came here for bait and will go to the fishing grounds near Brown Banks and probably La Have, N. S.

Forest fires NOT SERIOUS
Not Expected that Fire in Musquash Woods will do much Damage to Heavy Timber.

Messrs. Messers Dyer & Co. today sent men from Musquash to the scene of the fire in the woods of that vicinity and it is hoped that they will be able to cope with the situation.

The foregoing information was given to the Times today by Fred C. Beattie, manager for the firm, Mr. Beattie said that he had no advice as to the situation at the time.

Douglas W. Clinch, secretary of the Fish, Forest and Game Protection Association, who brought the news of the fire to the city, and who is investigating the origin of the blaze for the association, said that he had no information on that phase of the question as yet. He expressed the opinion, however, that the fire would not go in to the heavy timber. The wind yesterday down that way was, he said, very high, but it had since moderated to such extent that all danger was, he thought, over.

WEDDINGS

Stone-Spencer
At an early hour this morning, Henry Blanning Stone, of Amherst, N. S., formerly of this city, was married to Anna Spencer, of this city, at St. Luke's Church. The pastor, Rev. R. P. McKim, officiated. The bride was given away by Mr. D. G. Spencer. Immediately after the ceremony Mr. and Mrs. Stone left for Amherst, where they will reside.

OBITUARY

Jennie May Matthews
The death occurred on May 24th at No. 30 Rock street, of Miss Jennie May Matthews, youngest daughter of Mr. and Mrs. J. Matthews. Miss Matthews, who was in her sixteenth year was of a bright and cheerful disposition, and had the prospects of a happy and useful life before her. She was dearly beloved by all who knew her and always had a smile for those she met. She will be greatly missed by her many friends and immediate relatives. The services will take place at 3 o'clock on Wednesday afternoon from her late residence.

FUNERALS

The funeral of James Sullivan was held from his late home, Charlotte street this afternoon at 2.30 to the Cathedral, where service was said by Rev. Father Holland. Interment was in the old Catholic cemetery.

The funeral of Miss Jennie May Matthews will be held from the home of her father, J. Matthews, 30 Rock street, tomorrow. The funeral was to have taken place today but was postponed for the arrival of relatives.

RUSHING WORK ON N. B. SECTION

Grand Trunk Pacific Construction Will be Rushed at Top Speed all Summer

Guy C. Dunn, who has been a resident of St. John, as district engineer on this section of the Transcontinental railway survey, and who recently resigned, left Saturday evening for Quyo, Quebec, where he will enjoy a rest. Before leaving Mr. Dunn was handsomely remembered by the officials of the engineering staff in the office here. Mr. Dunn's successor here is C. O. Foss, who has entered upon his duties as district engineer.

Word was received today by Mr. Foss that the section from Chipman to the Tobique river, a distance of 107 miles, which was let to the G. T. P., has been awarded to the Toronto Construction Company and several parties will be placed on that section on May 28. All the sections in this district have now been awarded to contractors and after Thursday all will be worked by large crews of men.

There will be in all about 250 men at work under the district engineer, and in addition hundreds of laborers under orders of the various contractors. The coming summer will be a very busy one with this work.

EMPIRE DAY FAIRVILLE SCHOOL

In the Fairville Superior school the pupils of the principal's room, with those from Miss Pidgeon's room, rendered a very pleasing and appropriate "Empire Day" programme, consisting of songs, recitations, readings and essays, etc. All were of a patriotic nature and gave great pleasure to the many visitors present.

Addresses suitable to the occasion were given by Dr. Gray, chairman of the board, and by Rev. Mr. Townsend, of the Presbyterian church, setting forth the great privileges and duties of citizenship in Canada, the brightest gem of the Empire.

ROBBERY AT CHIPMAN

The King Lumber Company's store at Chipman was broken into on Sunday night and two gold and two silver watches, besides a number of rings and other articles were stolen. The suspected parties, both of whom are Italians, are reported to have boarded the steamer May Queen and purchased tickets for St. John.

Efforts were made to intercept them, and Deputy Chief Jenkins and Detective Killen were at Indian town yesterday, but up to the present the suspects have not been located.

THE FIRST SALMON

What is probably the first salmon of the season was caught at the mouth of the New Brunswick this morning by Messrs. F. M. Sproul, M. P. P. and T. V. Monahan, the popular proprietor of the Barker House. These gentlemen started on a short angling trip across the river and had not been gone long before they succeeded in landing a six pounder which created much interest among the guests at the hotel.
