"WATER WHITE" LAWP OILS. Lubricating oils, compressor creams, "OLIVINES," PARAFFIN WAX, Etc., Etc.

THE are the only refiners, who make as fine "WATER WHITE" Coal Oils, from the Native Canadian Crude, as can be made from the best American Crude; and, by our New Process, we also obtain so much larger a percentage of superior "WaterWhite" Coal Oils, from Canadian Crude, than has ever been obtained before, that we are selling the best, and finest quality Coal Oils, at mearly half the price (for car load lots), at which it has been selling.—thus enabling dealers to replace the bad-smelling, and smoky oils, hitherto sold as "Canadian Oils," by the finest and best burning Oils in the World, and at a very moderate cost to the consumer.

Our "Water White" Oils are equal in every respect to American Oils,—fine illuminants; brilliant soft light; free from odor in burning, or clouds on chimneys; and entirely free from sulphur. They are also more economical, as they last longer in burning.

Messes. Canadian Oil Co., Sarnia:-

Gentlemen.-Referring to your inquiry Gentlemen.—Referring to your inquiry regarding quality and reports as to the Oils you are supplying us, we have the first BAD REPORT to hear of it yet, it is in our trade entirely taking the place of American, it is as free from smell as any American, it is as free from sneel as any American oil, leaving the wicks as free from crust and chips, free of bat wings, as any oil we have ever had. Our trade is increasing for it daily and the trade we are supplying are well pleased with the and prefer it at all times to any other oil. We can safely say if the quality is kept up to present standard we will have no trouble selling it and have an increasing trade.

INTRODUCTION.

We take pride in calling your attention to our sixth Biennial issue of the Ontario Gazetteer and Business Directory, to which we have added the City of Montreal. Although we do not claim that our book is absolutely correct in every particular, we do claim that it is fully equal to any publication of this kind issued in any part of the world. There is no firm that takes more care in endeavoring to get the latest and most reliable information. do not, like most of the so-called Directory publishers, copy from old or unreliable publications. We think it is about time the public had their eyes sufficiently opened to give us their exclusive patronage instead of encouraging fakes that are of no use whatever, either for information or as an adver-We are constantly having parties complaining to us of the tising medium. way they have been deceived by unreliable schemers.

Our patronage, notwithstanding the cry of dull times, is steadily increasing, but our expenses in giving a genuine work are heavy. employees, which many so-called directory publishers do not. Let us have your undivided support and we will be better able to still improve the book.

The Province of Ontario has as fine a climate as is to be found anywhere. Its inhabitants, on the average, are equal in health, wealth, morals and intelligence to those in any part of the globe.

Yours truly,

DIRECTORY BORROWERS.

THE patrons of our Directory are frequently inconvenienced by borrowers; not the stranger or private citizen, who steps into the office, looks at the Directory, gets his information, and goes out: but by business men, who continually need it for reference, yet are too mean to buy one. These are the men who carry off your Directory "just for a few minutes," which generally means a few days or weeks, unless you send for it before: it is scarcely in its place before another request -Please lend me your Directory for a few minutes-These same borrowers tell our canvassers that they have no use for a Directory. -SHAME.
