FIRST BREAK IN THE SIX DAY CYCLE GRIND

McCarthy Takes Step Ahead Towards White Hope Leadership by Victory Over Flynn — Kerr Likely Out of Hockey Game This Winter

(Canadian Press) New York, Dec. 11.—The first break in the ranks of the fifteen teams competing in the six day bicycle race, occurred early today during a sprint. One rider was put out of the contest with a broken collar bone and another team dropped a lap behind the field. Jake Nagin of the California-New Jersey team, was the rider who suffered the first severe accident. At eight o'clock this morning he was in the hospital, and the only chance that his partner, Percy Lawrence, had of staying in the race, lay in the possibility of some other team being broken up, leaving another rider.

NOTED AVIATOR IS HOWLED DOWN IN HIS HOME TOWN

Vedrine Begins Lecture But Audience Compel Him to Leave Platform

Saint Denis, France, Dec. 11.—A noted French aviator, Jules Vedrine, is the latest example of the proverb: "A prophet is not without honor, save in his own country and his own house." When he appeared on the stage of a theatre last night to deliver a lecture on "How I became an aviator," before the residents of his native town, he was howled down.

A 32 Page Christmas Telegraph

Next Saturday, December 14, The Telegraph will publish a Christmas number which will be far different from the usual ready made Christmas numbers—one we are sure our readers will appreciate. The number will be run in sections of eight pages each. The front and back pages of the second and third sections will be in color. Apart from the usual news of the world's happenings the issue will contain feature pages appropriate to the occasion, also many columns of attractive holiday advertisements which will prove a useful guide in making up lists of gifts, what to buy, where to buy, etc. You want to be sure to get a copy of the Christmas Telegraph.

TRY A BARREL OF "REGAL" FLOUR

the next time you buy. Every barrel of this flour is sold with a guarantee of "money back if not satisfactory." Only the very highest grade hard wheat flour made in America could afford to give such a quality guarantee as this. Why not try a barrel?

STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapiesis" Will Make Your Disordered Stomach Feel Fine in Five Minutes. Time It!

If what you just ate is souring on your stomach or like a lump of lead, refusing to digest, or you belch gas and create sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapiesis costs only fifty cents and will thoroughly cure your out-of-order stomach and leave you as satisfied about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapiesis is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite, but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapiesis cranks, as some people will call them, but you will be cranked about the splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery.

Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.

NEW SYSTEM IN LIBRARY

Montclair, N. J., Dec. 10.—Bookworms and bacteria will have short lives in the Montclair Free Library after the sterilization device, which the board of directors of the library have devised and installed in the institution, gets down to work. By this apparatus germs are to be destroyed by the principle of long-continued heat. The object of its installation is to protect patrons from danger of contagion and at the same time preserve books that have been in homes where contagious diseases have prevailed.

The heat is supplied by gas jets in the rear of a metal cabinet. Temperatures ranging from 150 to 200 degrees Fahrenheit are maintained by an automatic device.

PLAYS AND PLAYERS

Budget of News Concerning Stage Favorites Known to St. John Audiences.

It is apparent that St. John is not the only city in which the matter of late-comers arriving to attend an operatic or dramatic entertainment is a source of complaint, for an article in the Hillboard sets forth in emphatic terms what the editor regards as a way out of the latter entry of those who could come on time, but who in many instances come just as the curtain is going up, in order to let their presence be known. It is also suggested that in some cases Mr. Spaulding has to stay a few minutes late because his wife happens to have on a nice new gown which it is desired to display. The Hillboard makes the following terse comments:

"It is high time that theatre managers took the habitual late-comer in hand and cuffed him on the ear. It has to be done regularly now and then, or the nuisance becomes insufferable.

"The time is at hand.

"The slowest of late-comers is right now. He is a pest. He keeps many people from attending the theater.

"Have across the aisle the moment the curtain goes up, and compelling them to stand until it descends never fails. It is safe, sane, salutary and sofly satisfactory.

"Nine-tenths of your audience is always on time. That means that drastic and summary action directed against the 'sore' equal is always approved by ninety per cent of the audience.

"The following clause printed on the tickets will take care of the tardy bluffers, who demand their seats immediately or their money back, viz.:

"The purchaser of this ticket agrees, in consideration of the benefits that it will confer on him or her and other members of the audience, to be in his or her seat prior to 8.15 p. m., evenings, or 2.15 p. m., matinees, or failing to await quietly the next curtain, in the foyer or lobby.

"Anything that will improve business is worth careful consideration, for business will stand a deal of improvement, and nowhere more than in New York.

"A firm stand against the tardy tribe will improve it. Furthermore, it will gain for managers not only the appreciation of the great majority of their patrons, but will secure them the respect of the late-comers.

"The issuance of this rule is one of the best bets on the card today."

Despite the protest of his mother, Thomas S. Barnes, San Francisco, a Yale graduate of 1910, has married a chorus girl. She is "Billie Chaggett," who appeared in "The Kiss Waltz." Mrs. Barnes' chum, Ethel Lorraine, also a chorus girl, recently was married to Raymond Belmont, a son of August Belmont.

Joe Kilgour, a former St. John favorite, is playing in New York, in "For the Benefit of the Court."

When it was first announced that Pierre Loti's spectacular drama of modern China, "The Daughter of Heaven," had been selected as the successor to "The Garden of Allah," at the Century Theatre, New York, almost every well-known emotional actress in England and America who was not under contract for some other production, applied for the honor of creating its remarkable title role. The producers of the play, the Lieber Co., however, had already decided to assign the role to Viola Allen. The part of "The Daughter of Heaven," who is empress of the Ming or native Chinese, is one to inspire competition. It is, so far as can be reckoned, the longest and strongest part ever written for a woman. It runs almost 7,000 words, or about the same length as that of the title role of "Henry V." Miss Allen says the exhilaration of the drama carries her through the play without any perception of the physical strain. It is not until after the performance that she feels tired, but even then her fatigue is such that she is able to sleep soundly and enter on the next performance mentally and physically refreshed.

Francis X. Bushman, leading man for the Eastway Eastern Stock Company, will go to his home in Norfolk, Va., to spend Christmas with his mother and father. It has been seven years since Mr. Bushman and all his brothers and sisters have been together.

Kathlyn Williams, versatile leading woman of the Selig Company, who was recently transferred from the Chicago stock to the Los Angeles branch, last week underwent a thrilling experience while acting in a marine picture under the direction of Colin Campbell, who is well known in St. John. During the action of the scene, Miss Williams was leashed to a boat and was in the water for some time. She was unable to swim, and when the spar accidentally became disconnected from the rescue party, and was carried rapidly to sea, Miss Williams helplessly layed out, it is thought she would have been rescued by the guard who was hastily summoned and the plucky actress was brought to shore unconscious. Upon regaining her senses Miss Williams insisted upon trying the scene

once more. The time it was accomplished without mishap.

Frank Crane, remembered as the first Thanhouser leading man, writes the Dramatic Mirror, that he is "way up north in Montreal, producing pictures for a Canadian concern, and that the weather is just a bit colder than it was in New Rochelle." Referring to Canadian picture theaters he says that the program is generally shorter, but better than those in American houses.

The plan Thomas A. Edison has in mind for which children are to be instructed by means of motion pictures instead of text books, is explained in detail in an interview with Mr. Edison printed in the Saturday Evening Post. "Going to School at the Movies" is the title of the article written by Mary Master Neesham. An eight-year course is planned and even the alphabet will be taught by motion picture.

Orange, N. J., where Mr. Edison has made the necessary arrangements with the school authorities.

Sir Beecham Tree is expected to arrive in America on the steamship Coronia, and will leave again in a few days on his return trip. He comes to see "The Daughter of Heaven," for which he has secured the English rights, and he will decide whether or not he will produce the spectacle at His Majesty's Theatre, London. Another object of Sir Beecham's is to look over the Century Theatre, New York, with a view of deciding whether or not to arrange for the production of "Henry VIII," in that city next fall, having discussed the project several times with Otto Kahn, in London. The rumor that Sir Beecham is to manage the Century Theatre has been contradicted.

Jack Emerson is playing the lead in "The Thief," which is touring the West this season under the direction of Metilian & Primrose.

James Montgomery, author of Ready Money and The Aviator, has written a new comedy which he says will be produced in London some time before the holidays. If successful there, H. P. Frazer will probably bring it to New York.

Webbs and Luescher announce that the title of the new operetta for Christie Macdonald will be Her Little Highness. Henry Blossom has written the libretto and lyrics in collaboration with Edna the Great. Victor Herbert has been engaged to compose the music. Early in February the operetta will have its first performance at the New York. Rehearsals will begin by the first of the new year.

William Morris announces the fifth American tour of Harry Lauder, to begin Monday afternoon, Dec. 23, in New York. The New York engagement will last six evenings and six matinee performances. The tour will embrace fifty cities between New York and Chicago and will cover nine weeks.

Chicago has now under construction 110 new theaters, of which there are five first-class houses, with a seating capacity averaging 1,200 persons. The others range from 500 to 600, and average more than 400.

SAFE REMEDY ENDS CATARRH MISERIES

Gives Instant Relief, Cures and Prevents Catarrh and Cold in the Head

The quickest, best and safest way to cure catarrh or cold in the head is by using a remedy that will "touch the spot," and do its work quickly without leaving any bad effects. Ely's Cream Balm, which is applied to the nostrils or rubbed on the throat or chest gets right at the root of the trouble and instantly relieves even the worst case of catarrh or cold. A few minutes after application you can feel a loosening up in the head, the pain and soreness are gone, the sense of taste, smell and hearing come back, and you feel like a different person.

Ely's Cream Balm cleanses, heals and strengthens the inflamed membrane, takes away that stuffed up feeling and dull pain in the head, relieves the throat soreness and stops the nasty discharge which is the cause of the disgusting halitoe, spitting, blowing of the nose, and foul breath. Hay fever, sneezing, coughing and wheezing stop instant and permanent relief by the use of this simple remedy.

Don't suffer another minute. Ely's Cream Balm will relieve you immediately, and the cure is permanent. It is sold everywhere. Agents—Watson's 3 Retail Stores, King Street, Main Street, and Haymarket Quay.

Keep Your Hands in Order

PRETTY hands are considered a great mark of beauty, but even if your hands are not beautiful in the first place, you can, by careful attention, make them look pretty enough to gratify the eye.

Since winter is now upon us, it may be for me to call the attention of the dainty who adores milk-white hands to the fact that her habit of swinging down her hands in the cold weather, with her hands covered only by thin kid gloves, will result in their becoming red and rough.

Winter Hand Bleach.

Fresh yolk of egg 2 drams
Glycerine 1 ounce
Oil of sweet almonds 2 drams
Tincture of Benzoin 2 drams

Beat these ingredients together with a spoon or fork, until they mingle smoothly

Don't do it! If you object to wearing the dainty knitted silk mittens—which by the way are going to be "the rage" this winter—so to it that you keep a mummy's constant attendance when braving the wintry blast. Keep your hands warm and they will refuse to redden. This is a secret worth remembering.

If your hands, even at this early date, are too red and chafed for beauty, you will be glad to know of a paste that not only then slowly sift in enough rice flour to make a very thin paste.

This bleach is to be smeared thickly over the hands at bedtime, after which a pair of rubber gloves should be drawn on. Once you have attained your goal—white hands—be careful not to court disaster again by going out in the chill air without first drawing on a pair of mittens or yielding your hands to the soft embrace of a muff.

July 20 last, he came into possession of the income of the \$20,000,000 estate left him by his foster father, which had been held in trust by Mayor Gaynor for seven years. He is noted in musical and operatic circles.

David Belasco last week announced that his contract with Blanche Bates for the present season had been cancelled by mutual consent. In making the announcement both Mr. Belasco and Miss Bates put special emphasis upon the fact that the severance of their professional alliance did not in any way impair the social and personal relations existing between them. Nor did it mean Miss Bates' retirement from the stage—a rumor which has asserted its self ever since the announcement of Miss Bates' engagement to George Creel of Denver, Col., and which since their marriage on Thanksgiving Day has been accepted as fact in many quarters. So far as retirement from the stage is concerned, Miss Bates declared that she has never contemplated such a step. On the contrary, it is her intention to resume her work next year.

The "pantomime ball," which filled Albert Hall, London, with beauty last week, was awarded by society the same rank in splendor as the historic "Shakspere" and "1812" balls. Lady Constance Hilda, Lady Alington were the chief organizers. Prince Henry of Battenberg presided, and Marie Lohr, an actress, as a fairy, danced in a fashionable quadrille. Maxime Elliott, as one of Blue Beard's wives, rubbed shoulders with royalty.

John McCormack, the renowned Irish tenor, will appear at the Boston Opera House next Saturday afternoon as Lieutenant Pinkerton, in Puccini's "Mme. Butterfly." Fely Derynne will sing the role of Butterfly.

FRAIL, SICKLY CHILD

Restored to Health by Vinol—A Letter to Mothers

Anxious mothers often wonder how their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following letter:

J. Edmund Miller, New Haven, Conn., says: "My little daughter ever since her birth had been frail and sickly, and was a constant source of worry. Several months ago we commenced to give her Vinol. I immediately noted an improvement in her health and appearance, and from the good it has done her I can truly say it will do all you claim."

This child's recovery was due to the combined action of the medicinal elements extracted from cod's livers—combined with the blood making and strength creating properties of tonic iron, which are contained in Vinol.

Vinol will build up and strengthen delicate children, old people, and the weak-run-down and debilitated. We return the money in every case where it fails. Watson's 3 Retail Stores, King Street, Main Street, and Haymarket Square.

Santa Claus says:

"Let me bring Your Children a Musical Instrument."

It will afford them as much pleasure as anything you could give, and at the same time be of more benefit to them than almost any other gift.

For the youngsters we have Harmonicas, Brigsade Bugles, Whistles, Toy Pianos, Music Boxes, etc. For the older children we have Mandolins, Guitars, Violins, Banjos, Accordions, Flutes, and all manner of band instruments.

A Musical Instrument will be appreciated and cherished long after other presents have been forgotten. "WILLIAMS' MUSICAL INSTRUMENTS OF QUALITY" are sold by us, under an iron-clad guarantee that ensures satisfaction.

GIRLS! GIRLS! SURELY TRY THIS!

DOUBLES BEAUTY OF YOUR HAIR

All You Need is a 25 Cent Bottle of "Danderine"—Hair Gets Lustrous, Fluffy and Abundant at Once

Immediately—Yes! Certain that's the joy of it. Your hair becomes light wavy, fluffy, abundant and appears as soft, lustrous, and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or any other matter and in just a few moments you will have doubled the beauty of your hair. A delightful surprise awaits, particularly by those who have been careless, whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff, cleanses, soothes and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use of Danderine, when you will actually see new hair—line and downy at first—yet—really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knovvton's Danderine from any drug store or toilet counter and just try it.

JOSEPH HOWE. On Sunday evening next Mr. Leonard A. Conlon will deliver the third lecture of the C. M. B. A. course, subject, The Story of the Life of Joseph Howe. Mr. Conlon is one of that bright galaxy of young men who earned a reputation for historic ability and his friends predict for him a brilliant future on the lecture platform.

Factory Whistles for Curlew Bell Spokane, Wash., Dec. 11.—Some cities have the curlew ring, at least one has the curlew blink, but Spokane is going to have it too tonight to warn the boys and girls to hurry home. The system of having the electric lights throughout the city blink at the hour of 8 was suggested, but was deemed impracticable. So the city commissioners arranged with a warning to the little folks that their hope before the hearth had come.

CHURCH DIGNITARIES AWAY Many of the visiting dignitaries of the Catholic church who were in the city yesterday for the services of the consecration of Bishop LeBlanc have left on the return to their parishes. Archbishop Bruchac, left last evening for Montreal. Archbishop Lefoy for Quebec, and Archbishop Gauthier for Ottawa. Bishop Bruneau of Nicolet, P. Q., Bishop Blais of Rimouski, Bishop Ennals, of Liverpool, London & Globe were in the city and also left last evening for their homes. The outgoing C. P. R. train last evening had attached a car containing seven or eight compartments occupied by the distinguished clergymen and in addition the other cars carried a large number of priests returning. The I. C. R. train leaving last night and today also included many priests amongst their passengers. His Excellency Monsignor Stagni will remain until tomorrow when he will proceed by way of Yarmouth to Halifax. Where elaborate plans are being made for a reception in his honor. It is expected that a large number will pay their respects to His Excellency Monsignor Stagni, Apostolic Delegate, in the Bishop's Palace this evening. The reception will be held at eight o'clock. Those calling will enter the Palace by the main door and will be presented individually to the distinguished clergymen. The reception is for all men who wish to attend. Those who desire to be present should arrive at a magnificient gold watch valued at \$400 from Rev. Father Le Palluer, of Montreal, on behalf of the members of the society of the Artisans, of which Bishop LeBlanc is a member. NORTH END FIRE DEPARTMENT INVESTIGATION? It was said today that there was to be an investigation held this evening into some matters relative to the North End fire department. For some time there has been some dissatisfaction amongst the men. Commissioner McLellan, when asked about the matter today would give no confirmation of the report, but it is said that an investigation has been promised owing to certain matters which have transpired.

THE BAPTIST MINISTERS (Maritime Baptists) A late report says that Rev. J. C. Spurr, Great Village, N. S., is somewhat improved in health. Rev. M. E. Fletcher preached last Sunday in the Brussels street and German street churches, this city. Dr. J. A. Gordon, First Baptist church, Montreal, has been offered a professorship in Brandon College, Manitoba. Rev. F. A. Alaby has been appointed by the New Brunswick Home Missionary Board, immigrant chaplain at the port of St. John. Rev. A. S. Lewis, Zion church, Yarmouth, has been called to a British Columbia church. Whether he will accept is not announced. Rev. H. W. Cann has been appointed President of the Sackville branch of the Canadian Bible Society, succeeding the late Dr. J. R. Inch. Rev. A. C. Berrie, Woodstock, is preaching a series of sermons on the parable of the Prodigal Son. The series will cover ten Sunday evenings. Rev. W. Niles, Elm Hill, N. B., has been more encouraging and unable to hold regular services. He hopes to be able to take up the work soon. Rev. W. B. Wallace, D. D., of the Temple, New York, is preaching a series of eight sermons to young people, on the temptations of young life. Rev. W. W. Weeks, D. D., has just closed his eighth year as pastor of the First Baptist church, Springfield, Mass. During this period 279 have been added by baptism. All departments of the church were in a most flourishing condition. Rev. J. H. McDonald, D. D.; G. A. Lawson, J. B. Gamon, G. B. McDonald, H. T. Conant, C. P. Wilson and H. Saunders were in the city last week attending meetings of the Home Mission Board and the New Brunswick Association Executive. Rev. W. N. Hutelings, formerly pastor of the First Baptist church, Truro, is still pursuing his studies at Chicago University. Some church in these provinces would do well to call him back to the work here, in which he did so good service for several years. A report of the work of Madison Avenue church, New York, Rev. C. A. Eaton, D. D. pastor, says the work has never been more encouraging and a spirit of hopeful, brotherly kindness and devotion pervades every meeting. The mid-week devotion service is a real benediction to the many who attend. Rev. A. F. Newcomb has just returned from a tour of the northern counties in the interests of the Bible Society. He is evidently creating increased interest in the great work he represents. Of his address in Chatham, the Gazette, of that town, says it was a most eloquent and inspiring presentation of the Bible Society work. Mr. Newcomb was in St. David's church (Presbyterian) and Carleton street (Methodist) last Sunday.

R. board of management is in the city today. Willard Kitchen of Fredericton is at the Royal Hotel. M. R. A. GET AUTO DELIVERY Messrs. Manchester, Robertson & Allison have always maintained an up-to-the-minute delivery service, and their barn in Leinster street have been looked upon as a good example of the modern type of well managed and highly efficient stables. In order to continue and improve the efficient service to their patrons, they have purchased an automobile delivery car which goes into commission this week, and it is understood that this is the first of a number of such cars which they intend to purchase in the coming year for better handling of their delivery business. This car was purchased from J. A. Pugsley & Co. of this city. The chassis is that of the Roe Special with Timken axles and transmission and centre control. The body was especially designed to meet their requirements. It is of the regular delivery type of ample capacity. It is painted bright green with black running gear and trimmings, and presents an exceptionally fine appearance. GOING TO ENGLAND. M. J. Butler, who resigned last week from his position as general manager of the Dominion Steel and Coal Company, arrived in the city from Montreal today. He will leave on the 28th for the old country to enjoy a well earned rest, but beyond this would say nothing of his plans.

FOR BETTER ROADS IN NEW BRUNSWICK

Meeting at Loch Lomond Enthusiastic - First in the Campaign

The first public meeting in the good roads campaign as carried on under the auspices of the St. John City and County Good Roads Association took place last evening in the agricultural hall at Loch Lomond. The bad state of the roads kept many away who otherwise would have attended, but those present showed their enthusiasm in the movement by their applause of the different ideas advanced by the speakers.

There seems to be a general feeling among the farmers of the country that good roads should take the place of those at present doing duty. Those present at the meeting last night assured the members of the Good Roads Association that delegates would be selected to represent that district at the convention to take place in the city about Jan. 15.

T. P. Rogan. Fred Watters acted as chairman. He first called on T. P. Rogan, who outlined the history of the organization of the St. John City and County Good Roads Association and he outlined the policy as adopted by the members of the association.

He pointed out that the provincial government would be asked to pass legislation which would cause the automobile taxes and those imposed for franchises of the motor vehicle law to be devoted to the construction and maintenance of provincial highways.

"It is natural," he said, "that the motorists should be interested in this movement, but it is destined to succeed only if the motorists are united, as good roads would be a benefit to the people in general."

Last year Queen Anne started a similar movement and within six weeks a quarter of a million signatures expressing approval of the enterprise were filed with the committee. The effect was an increase of 20 per cent in the grant to the municipalities and a special subsidy for the international road.

Mr. Rogan gave several reasons why good roads should be built. "The farmer wants good roads because they will increase the value of his farm. The cost of hauling will be reduced, children will be able to get to school easier and churches will be easier reached. The public service will also be better as the roads will be much faster than at present."

"For the hotel keeper improved roads will mean more tourists and more commercial trade. It costs the average Canadian farmer \$2 a ton to haul his produce to the market town or railway station. It has been figured by experts on this subject that good roads would cause a saving of 60 per cent of this amount."

"I believe that smooth hard roads would mean more to New Brunswick than any other project," affirmed Mr. Rogan, "and I believe a remarkable awakening would take place."

In conclusion he said: "Public opinion is being aroused to the great good to be derived by all classes from improved highways and public opinion demanding good roads, legislation is bound to follow."

F. W. Thomson. Percy W. Thomson spoke of the good to be derived from the abolition of the labor on roads. He thought the work should be laid out by a competent engineer and then let out to contract or by day's work.

Mr. Thomson said the object of the meeting was to submit the arguments to the people and to learn their views on the subject of statute labor, as well as other means of getting good roads. He believed that only competent men should be employed on the roads.

Under the present system a great amount of the work is ineffective. The patrol system for the maintenance of roads was also a step forward and he was sure that after a road was once put in good condition by being properly built a man employed on each ten or fifteen miles during the summer would easily keep the road in first class condition.

He pointed out that the patrol system is very effective in other parts of the country. He spoke of the good stretch of road which formerly existed between St. John and Loch Lomond and of the conditions then prevailing and he was sure that any of those present would support anything that would bring back such a road.

J. K. Kelley, K. C. J. K. Kelley, K. C. pointed out that the good roads movement had nothing to do with politics, but the local government had indicated that it wished to make the roads better and it was the object of the association to offer suggestions as to the right methods of bringing about this needed improvement in our province.

He asked that the people of Loch Lomond get together and select delegates to attend a good roads convention to take place in St. John during January.

Also spoke of the meeting at building good roads and advocated a plan whereby the municipality of St. John would secure its own road building plant and build roads on a wholesale scope.

Mr. Watters also spoke in support of the movement and others in the audience approved of the ideas as set forth by the speakers.

During the evening Fred Macneil sang and Andrew Rennie gave several comic skits.

It is expected that other meetings will be held at different places in the county.

COST OF LIVING IS STILL GOING UP

Editor of Labor Gazette Gives His Views Before Ottawa Women's Canadian Club

In an address before the Women's Canadian Y. Club in Ottawa on the subject of "The High Cost of Living," R. H. Coats of Ottawa, editor of The Labor Gazette, predicted that the prices for the necessities of life will continue in their upward fight unless a financial panic overtakes us. Mr. Coats' prediction came near the end of his address, but it did not fall as a benediction upon the six hundred women who were present.

The lecturer admitted that in Canada prices seemed to be a little higher than in some other countries, but the reason for this was not ascribed to the protective tariff, Canada's youngness, in the opinion of the lecturer, was the real cause. "It is very well known," said he, "that a vinegar vat ten years old is much more productive and economical than a vinegar vat one year old. It takes time for a young country to produce in the most economical manner. As proof of this assertion, the speaker cited the following statistics: 'In Canada, where the amount invested in manufacturing amounted to \$1,200,000,000, the amount produced practically the same figure, whereas in the United States the annual manufacturing output was thirty per cent. greater than the capital invested.'"

The chief cause given for the rise in prices was the fact that the production of foods was going down relatively. According to the United States census in ten years, the population increased 30 per cent, whereas the production of farm products increased only 1 per cent. That is, there were 30 per cent. more mouths to feed and only 1 per cent. more food with which to feed them.

Mr. Coats said that from his investigations he was led to believe that there was a serious loss in our distributing methods, and he gave this as one of the reasons peculiar to Canada in the matter of prices. "We in this country don't know the first principle of co-operative action," said he. "Co-operation is wholly alien to our spirit. Co-operative banks have been a godsend to the people of France, but in Canada the idea is tabooed and scouted."

Closer scrutiny and investigation of the increase in the cost of living would certainly tend to lower the cost. By scrutiny Mr. Coats did not mean loose talk and loose thinking, but investigation based upon hard facts. For this it was necessary that census figures be taken more frequently, and especially the figures relating to production. "What good is a production census every ten years?" he asked. "We should have them more often."

GOT \$200 AND COSTS. Chatham Gazette: Robert Murray, K. C., has received word from Ottawa that Mr. Justice Casels has given judgment in the Schaeffer case, awarding the plaintiff \$2,800 and costs. This case arose out of an accident sustained by Mr. Schaeffer in alighting from a train at Blackville.

Through the kindness of the press, the Canadian Free Library for the Blind has already been enabled to bring its work before the attention of the public, but the very nature of the problem handled by this library requires frequent repetition of the appeal to public interest and to sympathetic philanthropy. The Vancouver reader, learning of the existence of a library for the blind situated on the other side of the dominion, either does not know, or is apt to forget, that the blind man or woman, his neighbor, is dependent upon that library for practically the whole of his intellectual nourishment, and he either gives not at all, or giving, gives but little, and straightway forgets.

But a glance at the following brief summary of work done by the C. F. L. B. will convince any thinking reader that a real and necessary task is being fulfilled.

The library was incorporated under the Ontario Public Libraries Act toward the close of 1906, on Nov. 9, of which year eighty-one volumes were in its possession. On Nov. 1st of the present year, the number of volumes owned had increased to 2,838, while, in addition, 659 pieces of music have been purchased. For the year 1907 the circulation was 996 volumes, while for the first three quarters of 1912 the circulation was 4,643 books and pieces of music. The total circulation for the five years and a half ending July 31, 1912, was 17,392.

Can anyone who reads these statistics doubt the usefulness or the necessity of the C. F. L. B.? Let every reader of this notice try to put himself in the position of a blind person, or of the parent, relative or friend of such, and, having done so, let him reach for his pen in haste, and write out a liberal cheque for the institution that would bring light into his darkness and cheerfulness into his life.

Let him also send the name and address of any blind person not now enjoying the benefits of the library, to the secretary, S. C. Swift, M. A., 8 Washington Avenue, Toronto, Ont. All checks should be payable to the Canadian Free Library for the Blind, and forwarded to the treasurer, E. W. Hermon, 37 Balmuto Street, Toronto, Ont.

The board of management gratefully thanks the public for past aid, and asks that it be increasingly repeated.

GOLD SORES AND ULCERS ARE HEALED BY ZAM-BUK

Cold sores, chapped hands, ulcers and winter eczema are common troubles just now, and for all these Zam-Buk will be found the surest and quickest remedy. Sometimes cold sores arise from chills due to the toes or fingers, and in the former case, where colored socks are worn, there is a danger of blood-poisoning from the dye. Zam-Buk being so powerfully antiseptic it removes the danger as soon as applied and quickly heals.

Mr. W. J. Halliday, of Ash Grove, Ont., says: "I had my little finger frozen, and it cracked at the first joint, causing a bad sore, which discharged freely and would not heal. The pain was very bad, and the whole of my hand became swollen and irritable."

"A friend advised me to try Zam-Buk, and I soon found that Zam-Buk was altogether different to any preparation I had ever tried. In a very short time it healed the sore."

Miss Lillie May, of Stony Creek, Ont., says: "A few weeks since, several nasty, disgusting cold sores suddenly broke out on my lips, which became much swollen. Seeing my condition, a friend advised me to try Zam-Buk and leave all other preparations aside. This I did, and was much pleased, after a few applications of the balm, to see every sore healed."

Zam-Buk will also be found a sure cure for eczema, blood-poison, varicose sores, piles, scalp sores, ring-worm, inflamed patches, babies' eruptions and chapped patches, cuts, burns, bruises, and skin injuries generally. All druggists and grocers sell at 25c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price. Refuse harmful imitations and substitutes.

Use also Zam-Buk Soap, 25c. tablet. Best for baby's tender skin!

LASH FOR WIFE BEATER. Sydney Post:—Auguste Copan accused of wife beating was up for sentence today. THE PRESBYTERY

Offer of Land For Church Near Gagetown—The Need of Work Among the Young

The Presbytery resumed its sitting at 2.30. The matter of vital interest that came up at the afternoon session. Several motions were passed including a grant of \$150 a year to the congregation of Gagetown. Rev. Gordon Dickie presented the account for the quarter for the home mission, which was approved and ordered paid. (Rev. E. Smith, convener of the committee of systematic giving, was instructed to prepare the allocations for 1915 and submit the same to the annual meeting in January. After some discussion a committee was appointed to look into the constitution of the widow's and orphan's fund, with a view to making some changes that would render more effective the work of the fund.

The offer of G. L. Owsen, of the Cosar Farm, was accepted. A letter was read from a church which might be built in the vicinity of Gagetown, with a personal appeal for the home mission committee. The Presbytery acknowledged the generosity of the offer and referred to the home mission committee for consideration, and to report at the next meeting.

A motion to erect a steel Plaster Rock mission into a congregation was laid before the meeting and adopted.

In the course of the afternoon Rev. J. A. MacKeigan spoke briefly and earnestly on the necessity of church work among the young people, with special reference to those who had just left Sunday school. He felt, he said, that the church was not doing enough in that direction and that movement should be started in the way of visiting which would bring before the people of the church the pressing necessity of a religious educational movement among the young people.

Dr. Charles Myers, of Columbia University, made an eloquent speech. He said that the Presbytery church had not, during the last thirty years, made much progress along these lines, and that the time was now ripe for such a movement. The work, he emphasized, should be put on a scientific educational basis. Most of the education of the children must come through the ministers. Too few ministers go into the Sunday schools and put their fingers on the method that is being used to develop the children, and justify it from a scientific point of view, and many men are being sent out by the ministry without a scientific grounding in this method of education. The time to do research work is before people fall into sin, and before teaching the children there should be a proper understanding of the laws which govern the mind.

Dr. Myers concluded by an appeal to the Presbytery to stir up the people by personal visitation, and to the church that the child's work of the church was done in the Sunday school.

The Presbytery expressed their thanks to the speakers, and a motion of sympathy with the movement was moved by His Honor Judge Forbes.

Dr. W. H. Smith, of Fredericton, said that too little prominence was given these days to religious education. He recalled that the lectures of Dr. Myers at Halifax along these lines should be printed in the Presbyterian Advocate, and that the motion was agreed to by the Presbytery.

A committee was appointed to look into the work and to report to the synod.

The question of procuring young men for the ministry was referred to a committee. Dr. J. A. MacVicar presented a motion nominating Dr. Murdoch MacKenzie, of the foreign mission field in China, as the choice of the Presbytery for moderator of the general assembly. The Presbytery approved of the nomination.

The Presbytery passed a motion endorsing the action of the Associated Churches of the Every Day Club in connection with their efforts to have a Children's Protection act adopted by the legislature of the province.

In connection with the widows and orphan's fund, His Honor Judge Forbes said that the whole matter of the fund should be brought before the church and the constitution adjusted in such a way that it would be possible to do justice to the widows and children dependent upon the fund.

The Presbytery was then adjourned.

FOUND DEVELOPMENT

ALREADY ALONG G.T.P. IN NEW BRUNSWICK

Further Statements by Mr. Dalrymple After Trip of Inspection

(Montreal Gazette.)
J. E. Dalrymple, vice-president of the Grand Trunk Pacific, in charge of traffic; G. T. Bell, of the passenger department; E. T. H. of the I. C. R. commission, and E. P. Crook, general superintendent of the National Transcontinental Railway, have completed a tour of inspection over the lately opened section extending from Moncton, N. B., to a point thirty miles west of Edmundston, say 200 miles in all. The Grand Trunk Pacific returned to town yesterday morning, and Mr. Dalrymple gave out some interesting data concerning the trip.

Mr. Dalrymple says that the eastern section of the transcontinental came fully up to the expectations of the officials.

Although little development had taken place a good deal of opening has already been accomplished since the railway was started through this section of New Brunswick. Mills have been erected and a good deal of lumber is being taken out of the country, and more yet will be hauled over this section of the Transcontinental.

Edmundston, Mr. Dalrymple states, is quite an important division point, and already four hundred and fifty cars of cedar are being moved from points west of it. The connections at Chipman with the New Brunswick Railway, and the Minto Gait Mines will bring a good deal of traffic from that point to Moncton, while a second connection with the Chatham and Fredericton Railway, being worked by I. C. R., will also be a feeder. The great value, however, is a through connection, and Mr. Dalrymple says that the contractors promise that the line will be completed through the province of Quebec by the end of the year.

G. T. P. will be connected with the Grand Trunk by next fall. There is a regular train over the road every day, one going west and the other east, while extra trains are to be put on as the demands of the traffic require. Mr. Dalrymple says that the Grand Trunk Pacific had nothing to do with operating the road as that is entirely in the hands of the Transcontinental Commission. R. W. Leonard being chairman; D. McPherson assistant to the chairman, in charge of the operation and W. B. Crook general superintendent.

GROSS OR FEVERISH, HALF-SICK CHILDREN

If Tongue is Coated, Breath Bad, Stomach Sick it Means a Terrible Liver and Clogged Bowels

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, not sleeping well, irritable, out of sorts with everybody, stomach sour, feverish, breath bad, or if full of colic, it means the little one's stomach liver and bowels are clogged with waste matter and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not druging your children, being composed entirely of natural fruit juices, and is so gentle it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator made with a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

LOCOMOTIVE ENGINEER HAS

REMARKABLE EXPERIENCE

I have been thinking that word from me would benefit those who may be suffering as I was before I began taking your Swamp-Root, the great kidney, liver and bladder remedy. I am a locomotive engineer, employed on the Tyons & Clearfield Branch of the Pennsylvania Railroad. Three years ago I was afflicted with kidney and bladder trouble so bad that two doctors. However their medicine did not benefit me. One day I noticed your advertisement, to send name and address for a sample bottle of Swamp-Root. I took a dose of Swamp-Root, which I took according to directions, and by the time I had taken the contents, I could pass water more freely. I was so pleased with my experiment that I sent my wife to the drug store of W. H. Mills, Philadelphia, Pa., to buy a bottle of Swamp-Root. I continued taking Dr. Kilmer's Swamp-Root until I was entirely cured. Now I am a healthy man. One day I noticed your advertisement, to send name and address for a sample bottle of Swamp-Root. WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctors' medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation."

"I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon."

Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles.

I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.

PROBE CASE OF MAN FROM JAIL TO A FINE JOB

Government to Bring Down Papers in the Notorious Cape Breton Case

WHAT MINISTERS SAY

Borden Men Annoyed Over This Exhibition of His Civil Service "Reform"—West India Reciprocity—The Ocean Limited

Ottawa, Dec. 10.—The government is greatly annoyed over the disclosure of its appointment of a convict to an office of public trust. The fact was brought out Monday by Mr. Kyle, of Richmond, who showed that after the government had appointed Captain Andrew Landry to office, he was unable to take up his duties because his commission arrived he was serving a year in jail for forgery.

Mr. Kyle also showed that after Landry had served two months in the justice department had pardoned him that he might take up his duties for the government.

The minister of justice was not in the house when the case was stated, so explanations were deferred. These came today. Borden down, they amount to a declaration that the government did not know what it was doing when it appointed Landry and was not very clear of what was being done when it released him.

Premier Borden and Mr. Hays stated that they did not know what set of man Landry was when they appointed him to office.

Minister of Justice Doherty said that his department did not release men because they were political supporters of the government. Landry was released because it was represented that he was sick and had to be operated on.

White stated that Landry was released while he was acting minister of justice. The release was given as a matter of department routine.

Mr. Kyle stated that if Landry had been sick he had never heard of it, though he had taken a great interest in the case.

When the house resumed at night, Mr. Kyle pointed out that after Landry had been convicted and sentenced for forgery "his friends stated openly that he would not be in jail long."

WANT "LIBERTY BELL" SENT TO 'FRISCO

Philadelphia, Dec. 10.—The city authorities of Philadelphia are wondering what they will do with the monster petition which the school children of San Francisco have started in this direction asking that the Liberty Bell be sent to the state city of the Panama-Pacific exposition of 1915. Signatures to the petition were obtained by the school children, and when posted together the strip was two miles long. It was wound on a huge reel made of California oak and after a parade through the streets of San Francisco was started on its transcontinental journey. The Philadelphia authorities had decided some time ago that the Liberty bell should never leave Independence Hall again.

Reduced in Flesh Sleepless Nights

Kidney Disease and Gravel Caused Keenest Suffering—Cured by Dr. Chase's Kidney-Liver Pills.

Mr. W. Smith.

That disease of the kidneys cause the greatest suffering in life was known, and when stone or gravel is formed in the bladder the torture is almost beyond human endurance.

The disease should never be allowed to reach this dangerous stage. Pains in the small of the back, pain or smarting when passing water, frequent urination, loss of flesh and weight, loss of the need of Dr. Chase's Kidney-Liver Pills to regulate and invigorate the kidneys and restore these organs to health.

Mr. W. Smith, Port Dalhousie, Ont., writes:—"For some years I was afflicted with kidney disease and gravel in its most severe form, having often been attacked from that point, the most dreadful agony. As the disease wore on me I became reduced in flesh and passed sleepless nights. No doctor was able to do much for me, and I used many remedies without obtaining more than temporary relief. My attention was directed to Dr. Chase's Kidney-Liver Pills, and by using this treatment the disease was eradicated from my system in less than six months. I have gained in weight, sleep well, and feel better than I have for twenty years."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 2 to 4 times a day, after meals. Edmondson, Bates & Co., Limited, Toronto.

PENSIONS FOR THE PUETS

Paris, Dec. 7.—Is the post's career, so popular if not profitable, in France, to become a safe walk in life, assuring its followers a certain subsistence in their old age.

The Society of French Posts is doing its best to this end, as its official gazette bears witness, for in its last number it may be read that the committee of the society, in conformity with the vote taken at the general meeting of 1910, is about to constitute a mutual aid society, with a pension scheme.

It may seem as if the committee had taken a long time before acting on this 1910 resolution, but the precautions with which the French government surrounds any prudential aid society account for the delay. The statutes of the society and a copy of its legal record, wherein no crime for which he has been prosecuted are noted, and who pays an annual subscription of \$2.00, will be able to enjoy a pension after he is fifty-five years old.

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars worth of medicine, and anyone suffering from these diseases can get a share of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of all of it and pay the rest, but that I will send you a box of this medicine absolutely free of charge, a gift from me to the afflicted sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I expect to see you again if you do not want it. It is free in the real meaning of the word.

For twenty-five years—a quarter of a century—I have been suffering from kidney trouble, chronic rheumatism, for torturing kidney troubles, for annoying calls to urinate. It is hard to convince people—they try a few things unaccountably and give up all hope and refuse to listen to anyone thereafter. Happily, I am in a position now to derive some relief to sufferers at my own expense that I don't ask them to spend any money to find out if they are not better. I will send you a box of this medicine free of charge, and I will take the word of reliable people, but all I ask is that they give me their names and addresses, and I will send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine, and I will send you a box of it free of charge, and I will take the word of reliable people, but all I ask is that they give me their names and addresses, and I will send them the medicine at my own cost. That is surely fair.

At the annual meeting of the Havelock Mineral Springs Company here this afternoon, a dividend of seven per cent was declared to the shareholders. The directors elected were: J. A. Marven, C. H. Keith, H. E. Miles, J. A. Marven was elected president; B. E. Miles, vice; C. H. Keith, secretary-treasurer.

Fourteen Years Manager

Fred Clarke will next year enter upon his fourteenth consecutive year as manager of the Pittsburgh club. He has been continuously in charge of the team longer than any man now serving in either of the big leagues. In the thirteen years he has served the Pittsburgh Club the fifteen other clubs in the majors have had no less than thirty-six managers.

The Boston Americans at that time had as managers

Jimmy Collins, Chick Stahl, Cy Young (one day), George Huff, Bob English, Jim Maguire, Fred Lake, Ray Donnan and Jake Stahl.

The New York Americans have had

Jarke Griffith, Kid Elberfeld, George Halling, Hal Chase, Harry Wolverton and he job is now vacant.

The Cincinnati Reds

John Gast and Joe Kelley, Ed ... (Clarke Griffith).

Los Angeles, Dec. 10

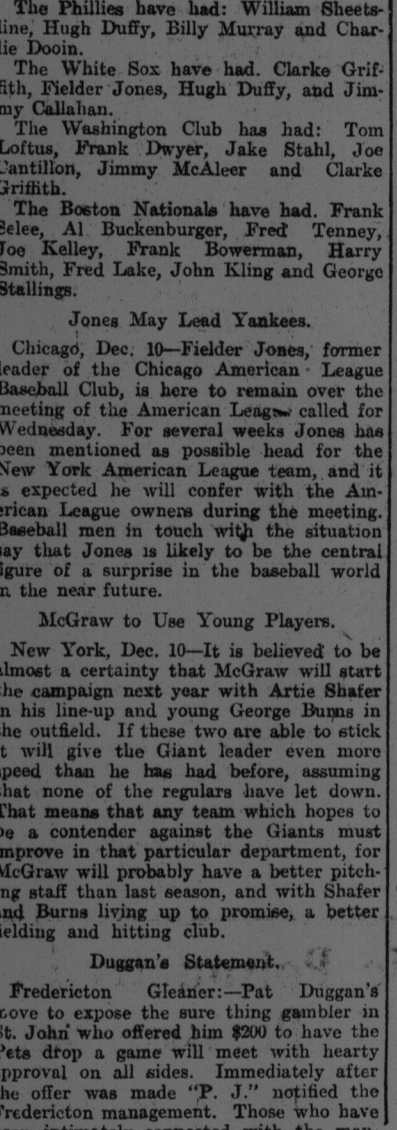

I've past read several challenges in the newspapers from some good and poor lightweights. Before I get down to these boys, I will quit and go back to my farm. As a matter of fact, I am not crazy to go on fighting. It wouldn't worry me a bit if I never got the championship back. My record is one that I am willing to stand on.

LADIES, NOTICE

Now is the time to order your fall and winter costumes. We will furnish all materials or you can bring out. Call and leave your measure.

SOME OF THE "BIKE" RIDERS IN THE SIX DAY GRIND

New York, Dec. 11.—The annual six day bicycle grind is now on here at Madison Square Garden and will continue until Dec. 16. Nearly all the chief knights of the wheel of Europe and America are on hand and a new record in the race is looked for.

McGraw to Use Young Players

New York, Dec. 10.—It is believed to be almost a certainty that McGraw will start the campaign next year with better pitching in his line-up and young George Burns in the outfield.

Dugan's Statement

Frederick Gleason—Pat Dugan's move to expose the sure thing gambler in St. John who offered him \$200 to have the "P. J." club had a manager of high honor—which counts for a whole lot—is now very much up to the N. B. & Maine League magnates to move.

Lynch Heads National League Agency

New York, Dec. 10.—Thomas J. Lynch was re-elected president and John A. Heydler secretary and treasurer of the National League at the meeting of the league late today. The present board of directors was re-elected.

The rest was mostly routine

The reports of President Lynch and of the board of directors were duly approved. President Lynch, in detailing the official history of the 1912 season, awarded the pennant for good behavior during the playing year to the Philadelphia team, which had a record of no suspensions and only one fine.

No Change in Giants' Management

New York, Dec. 10.—There will be no change in the ownership of the New York National League Club or in the management of the team, it was announced by H. N. Hempstead, non-lawyer of the late John T. Brush, immediately after he had been today elected president of the National Exhibition Company, the corporate title of the New York club to fill the vacancy caused by the death of Mr. Brush.

The Ring

Los Angeles, Dec. 10.—I've past read several challenges in the newspapers from some good and poor lightweights. Before I get down to these boys, I will quit and go back to my farm.

"I was lightweight champion longer than any one who ever held that title. I fought at least twenty times in defence of the championship. I am not going to fight any one before February 22, as my hands are in very bad shape. I fractured two bones in my left hand on Willie Ritchie and my right hand, which I broke in the training camp before the Hyve fight, hurt me all the time.

"After the fight between Flynn and McCarty I am going north to look over my Oregon land. Then I am going back to Cadillac to my farm. There are three fighters I would be willing to meet. I would like to fight Joe Rivers on February 22, out here. Ritchie says that he will fight me on July 4 again for the championship. Well, that date suits me. I am willing to fight Joe Mandot in New Orleans any time after February 22.

THE AUTOMOBILE SHOW

T. C. Kirby of Montreal, who is promoting the automobile show which is to be held in St. John in the drill hall from February 8 to 15, under the auspices of the New Brunswick Automobile Association, arrived in the city yesterday from Montreal. In discussing the prospects for the show he said they were much better than he had hoped for. At least twenty exhibitors from various parts of the lower provinces would be represented and these were being given the preference over applications from more distant places, among which were several from Boston. The show would be a comprehensive one, embracing nearly every style of car. Commercial vehicles would be a special feature and several electric, something new for St. John, would be shown. Four or five lines of French cars, priced at \$7,000 and more would also be shown. The drill hall would be comfortably heated and brilliantly lighted and the decorations be on lavish scale. It was intended to make it somewhat a social affair as well as a business proposition and the show would be made interesting for everybody, whether or not they were automobilists. Among other methods of demonstration, moving pictures would be used to show auto-races, aeroplane flights and similar events. The N. B. Automobile Association will have a booth with an attendant in charge to furnish information and enroll new members.

PHAROAH PANETELA

A complete report of the Olympic Games at Stockholm, 1912, has just been published in book form. It is edited by James E. Sullivan United States Commissioner to the Olympic Games, and might be considered as the official American report of the games. In recognition of the great service that Baron Pierre DeCoubertin has rendered the cause of international athletics sports in creating the International Olympic Committee, Commissioner Sullivan has dedicated the volume to him and he has accepted the dedication. It is the first complete report of the Olympic Games that has been published in one volume and from a record standpoint it is a very valuable adjunct to athletic history, as it not only contains a full and complete report of the Olympic Games at Stockholm, 1912, it also contains interesting information in connection with the trip of the American team, photographs of athletes training on board the S. S. Finland, groups, etc., heretofore not published. The "Olympic Games at Stockholm, 1912" will be sent to any address by the American Sports Publishing Company, 21 Warren Street, New York City, on receipt of 25 cents.

Holmer Defeats Cameron

Halifax, Dec. 10.—(Special)—Hans Holmer, of Halifax, long distance runner, easily defeated Fred Cameron, of Amherst, in a ten-mile match race here tonight, winning by four and a half laps on a cinder track in 53:28.4. The two were old rivals, each having twice won the Holmer's annual ten-mile run, and tonight's contest decided the supremacy. It was run in the arena on a two-lap sawdust track and drew a large crowd.

Next week Holmer competes in a five-mile world's championship against Billy Quack, Kalehainen and others at Boston.

Next week Holmer competes in a five-mile world's championship against Billy Quack, Kalehainen and others at Boston. It is expected both runners will enter in the Scottish Powder Hill Marathon for New Year's day.

Carleton Club Officers

The annual meeting of the Carleton Curling Club was held in the club's rooms in the West End rink last evening and the majority of the members were present for the election of officers for the coming season. The voting resulted as follows: James McLellan, president; George Scott, vice-president; Charles Coster, treasurer; Walter Jewett, chairman of the ice committee. A large number of names of applicants for membership were introduced during the meeting and will be submitted to the membership committee. The club is looking forward to a successful year and preparations are now being made to get in readiness for the first prolonged cold snap.

PHAROAH PANETELA

Dr. W. J. Weaver, Fredericton, said yesterday that Bishop Richardson was rapidly recovering from the effects of his recent operation for appendicitis. There have been no setbacks, and His Lordship is recovering as rapidly as could be expected.

ACCIDENT AT SAND POINT

William Prince of Chubb street was quite severely injured at Sand Point last night. While working around a freight car he slipped and fell, going down between the car and the platform. He was taken to the Emergency Hospital where he was treated by Doctor Kenney. He is injured about the chest and ribs.

TRAVEL HEAVY

The Montreal train was brought to the city today in two equal lots, the first about forty-five minutes late and the second about two hours and twenty minutes behind time. The train carried the local and outboard passengers and baggage, while the second had a large number of people from the west returning to the old country for the holidays.

STORY-WARREN

A very pretty wedding was solemnized at the home of Mr. and Mrs. J. W. Williams, 128 Acadia street, at 8 o'clock yesterday evening, December 7, at eight o'clock, when Miss Edith Hilda Warren was united in marriage to Robert E. Story. Both are of English birth. Rev. Mr. Armstrong, of Trinity church, officiated. The bride looked prettily in cream colored silk, trimmed with silk lace, and carried a bouquet of white carnations and red roses. She was attended by her sister, Miss Blanche Warren. Bertram Upcott acted as groomsmen. Many friends of the bride and groom were present at the wedding, and after the ceremony a dainty wedding supper was served. Mrs. J. Williams, Master John Weldon Williams was christened in the fourth year of his age.

WEDDING OF INTEREST HERE

A wedding in which a number of St. John people will be interested took place on Wednesday evening, Nov. 27, at the home of the officiating minister, Rev. Mr. Potter, pastor of the Mattapan Baptist church, when Ernest A. Parlee of Somerville, and Miss Gertrude Long of Mattapan, were united in marriage. The bride was attired in a very becoming silk gown of blue and gold, and carried a bouquet of bride's roses. They were unattended. After the nuptials Mr. and Mrs. Parlee left for Somerville, and married a prominent position in connection with the International Correspondence School. The bride's traveling costume was of blue with hat to match. They have the best wishes of a large circle of friends both in Boston and St. John where they have formerly resided. The large number of gifts received, most of which were of silver, testify to the popularity of the young people.

BIG BLOW PUTS END TO ROWENA

Schooner Breaks up in Gale—Wind Reached a Velocity of Forty Miles

The heavy gale that blew along the coast last night was the cause of the schooner Rowena, which ran ashore near Cape Spencer on Friday last, breaking up, and the vessel is now a total loss. The wreckage is reported strewn along the beach and men are engaged in picking up the cargo of lumber, and some of the equipment.

Beginning early last evening quite a heavy wind-storm was experienced. The greatest velocity reached in the gale was forty miles an hour. For those engaged in working about the waterfront and harbor the heavy wind was a trouble maker.

CASES OF INTEREST IN POLICE COURT TODAY

Mill Street Assault Matter—Meals But No Pay in Carleton Restaurant

In the police court today William McVarrish, charged with assaulting Ralph Carter, a Harlow, in Mill street, on last Sunday, pleaded not guilty. The complainant testified that between eleven and twelve o'clock on Sunday morning he was walking along Mill street when McVarrish rushed up to him and struck him in the mouth, caught hold of him and threw him to the ground. Richard Cromwell, Philip Breen and Maurice Jacobson also told of seeing the assault. On application of McVarrish the case was adjourned until Saturday morning for him to secure witnesses.

In connection with the case the complainant has laid a charge against Policeman Gardner for neglect of duty. Mr. Carter said that after the assault had been committed he called the policeman to indicate that an assault had taken place. He had told Mr. Carter, however, to go to the police court on Monday morning and swear out a warrant for McVarrish's arrest.

Three of the witnesses swore that McVarrish was drunk at the time the assault was committed. McVarrish was arrested on drunkenness charge soon after the assault took place by J. C. R. Policeman Smith.

John Lavigne, charged with drunkenness and also with resisting the police, was fined \$8 or thirty days in jail on the first charge, and \$15 or two months in jail on the second charge. His Honor told Lavigne that he was liable to a fine of \$80 or twelve months in jail for resisting the police. Three prisoners charged with drunkenness were each fined \$4 or ten days in jail, and one other was remanded on the same charge.

Albert Murphy charged with refusing to pay for four meals in the restaurant of Patrick Kane in Union street, West End, pleaded guilty. Mr. Kane told the court that Murphy had gone into his store with three others, and ordered meals for himself and friends and, after the meal, cigars. When the bill was presented he refused to pay. In court this morning he agreed to pay the bill and was allowed to go.

Frank Gannon, reported for doing a bunk business in the city without a license, said that he worked with his father and did not want to get a license. His Honor told him that he was liable to a fine of \$80, but he had promised the court that he would get out of the business, and not do any buying or selling.

A young lad charged with throwing snowballs in Rodney street, West End, on Sunday last, pleaded guilty and was fined \$8 or two months in jail. The fine was allowed to stand.

CHILD'S PROTECTION ACT

At the meeting of the Presbytery of St. John yesterday a communication was read pointing out the importance of organized action in favor of the passage of a child's Protection Act, and of urging the municipal council to ask the legislature to pass such an act. The presbytery heartily endorsed the suggestion, and the members will exert their influence to that end. The ministerial associations of other churches will be asked to take similar action, and an effort will be made to get a united appeal to the municipal council from all churches and other organizations for social welfare. The matter will be brought before the finance committee of the council prior to the general meeting which will be held on January 17th.
