SPIRIT OF THE TIMES.

THE FIVE RING. FLOCKING TO NEW ORLEANS. New Orleans, Jan. 12.—The crowd coming to see the Dempsey-Fitzsimmons fight Wednesday night is beginning to pour in, including a large gathering of pugilists, Jack McCalliff, George L. Hancock, Tommy Warren, Bill Parrell, Billy Myer, Jimmie Carroll of Brooklyn and a number of others.

Nearly all the figures are Brooklyn men, and most of the many strangers who are arriving are for Dempsey. The reason for this is plain. Dempsey is considered the American representative, and, besides that, he has great confidence in him to come out of his and his associates with glory. They quote for instance, the fight with La Blanche, when La Blanche hit Dempsey hard in his terrific rushes, but Dempsey came out of it all smiling and with strength enough to finish his man.

In New Orleans on the contrary, Fitzsimmons is the favorite. Dempsey has not fought here since 188, when he defeated Sixteen French wrestler, a wonderful strong man, but entirely untrained in pugilism. The rest of his record is a record of easy victories. Fitzsimmons and Carroll both won recently, and confidence in the New Orleans crowd is nearly all for Fitzsimmons.

A Cincinnati sent down \$2500 to bet on Dempsey at odds of five to four. The money was sent down by the Dempsey Club on Wednesday at 4 p.m. The Gazette desires to accommodate its readers in every way possible, but cannot be expected to change the entire advertising of the paper at an hour's notice.

BARRAGE OBSERVANCE.

The Rev. Dr. Wilson held a service of observance on the March road on Sunday, and the same will be held with young boys who were watching something like a home race.

Mr. McLean had been at Little Rock, Arkansas, when Mr. Craze came there. The latter went quietly around town and secured a list of the stores open in the city. He interviewed the proprietors and arranged a plan by which one of them kept open on the Sabbath.

The Work of Repairing on Avenue... The Rev. Dr. Wilson held a service of observance on the March road on Sunday, and the same will be held with young boys who were watching something like a home race.

THE GAZETTE'S ALMANAC. Dixon has not been training yet for his fight with McCalliff on the 18th of next month. The story which caused so much talk in this country, that Martin had been in six rounds, proves to be a canard.

THE REGULAR MEETING OF THE CLUB will be held this evening at 8 o'clock, in the Donville Building. After the regular meeting immediately after the special meeting.

HERBERT DONLANE.—The concert given at the Y. M. C. A. last evening for Camp 161 of the Grand Army of the Republic will be held on Wednesday at 8 o'clock, in the Donville Building.

COAL FREIGHTS ADVANCED.—Advisors here today say that coal freight has advanced at Parbois \$2 a ton being offered from Parbois to Boston. Vessels have been receiving \$1.50 per ton.

THE MOUNTING OF THE WHOLE CITY by electricity has not yet been fully decided upon. The matter was discussed by a committee of the council yesterday, and it is to be brought up again in a few days.

FOR NEW YEAR.—Captain Dunlop, late of the schooner Elhal Granville, has assumed command of the new schooner Minerva for this trip. Captain Dunlop is said at his home at St. Martin's.

MISS SARAH J. PATTEN'S dramatic recital is to take place at the Institute Thursday night. One of her selections will be in costume, the first occasion in which she has thus appeared in this city. The recital will be held at Smith & Co's drug store.

DENTAL ROOMS.—Dr. Cuthy Hatheway, who has for many years past been practicing his profession in Paris, but who returned to this city last year, has decided to remain here. He is located at No. 105 Germain street, where he can be found with all the latest scientific improvements in the art of dentistry.

PLACES HERE CENTRAL.—The first carnival given at the Palace rink tomorrow night promises to be a grand success. The ice is in fine condition and has been tastefully decorated. THE CEMENT COURT.

The January term of the Supreme Court of St. John opened this morning, His Honor Mr. Justice King presiding. There was a goodly attendance of grand jurors, who duly elected Mr. Joseph R. Some their foreman.

His Honor's address was quite lengthy and eloquent during which he took occasion to express his great satisfaction in seeing so many business men of the city in attendance on the jury. He referred to the war clouds which shadow the business horizon, and pointed out how detrimental were to the business interests of the country and increased the accumulation of England's debt caused by the Napoleonic and other wars.
