SENATOR WILSON'S COURAGE.

After Henry Wilson's first election to he United States Senate, he gave his friends a dinner. The table was set with ot one wine-glass upon it.

'Where are the glasses?' asked several f the guests, merrily. 'Gentlemen,' said Mr. Wilson, 'you know my friendship for you and my obligations to you. Great as they are, they are not great enough to make me forget the rock whence I was hewn and the pit whence I was dug.' Some of you know how the curse of intemperance overshadowed my youth. That I might escape, I fled from my early surroundngs. For what I am, I am indebted.

Three rousing cheers showed the brave Senator that men admire the man who has the courage of his convictions. He afterward fillled the office of Vice-

DEMAND OF THE TIMES. Railroad disasters and robberies of railmore than at any time in the past a closer Public corporations have a way of protecting themselves -and of enforcing their demands. The source of much of the breath of the sleeper reaching the flames, corruption and dishonesty of the times is the drink habit, superinduced, doubtless, suddenly leaped to his feet with a terrify- in a great measure, by the mania for speculation and the losses thereby incurred. Sober men are the demand of the times. The demand is 12 " I even in issuing from his mouth, and his agony high places-as high as Wall street, New public has taken a forward step to protect its interests by notifying clerks that drinking during business hours will not be tolerated, and that habitual drinking until the Indian was literally consumed | will be sufficient cause for dismissal from inside, and for some time after the spirit service. Let such orders be enforced everywhere, and the business of the country would be much more satisfactorily

SAVE THE BOYS.

conducted.-Ex.

for his reformation, but it is a greater But there are many who do not seem to think of the children at all. In speaking of license, people argue sometimes that as much liquor is sold under prohibition as when licences are granted. been one step further she would have 'It is sold on the sly,' they say. No been killed. As it was her feet and doubt many an old toper will have his hands were burued and she received a liquor anyway. He will dodge in at back doors and through dark alleys, if by so doing he can get a drink. But this back door trade does not tempt the young. The open saloon is a constant menace to the young people of the community in which it exists. For the sake of the children let us battle with this evil, never thinking of such a thing as a compromise, but with all our might and our power labor for the utter extermination of the drink curse. . Save the children of today, and you save the

HARD TIMES AND SALOONS.

men and women of tomorrow. - Messiah's

So they are shutting up shop until times become flush again. This is suggestive. If hard times make people drink less or none at all, and if they drive saloonkeepers out of their bad business, then Chicago, Aug. 21. - The root of the there is some consolation even in hard mammoth colosseum building which is times. We believe, too, that if men

General Intelligence IN DEEP DESPAIR.

A MONTREALER RELATES HIS WON-

DERFUL EXPERIENCE. he Had Tried Foreign and Local Physi-

Failed. From the Montreal Herald. Instances of marvellous cures by the think everyone should try them.' use of Dr. Williams' Pink Pills for Pale People are numerous, but the one related below is of special interest, owing to the peculiarity of the illness, and also to the fact that in the present instance

London, August.—A despatch from Shanghai to a news agency says that Commander Newell, of the United States the fact that in the present instance the gould man is well known in Montreal.

Mr. Charles Frank, inspector of the mechanical department of the Bell Telephane Co., at 371 Aqueduct street, and who resides at 54 Argyle Avenue, in an interview with a Herald reporter, related the following wonderful cure by the use of Pluk Ptlls. Mr. Frank, who is 25 years of age, is a Russian by birth, exceedingly intelligent, speaks several languages fluently, and is now apparently in good health. 'My illness came about in a peculiar way,' said Mr. Frank.

Commander Newell, of the United States characters in some to Ku. Cheng for the purpose of concelling with Mr. J.

C. Hixson, United States Cousul at Foo Chow, in regard to the landing of an armed force for the propose of consulting with Mr. J.

C. Hixson, United States Cousul at Foo Chow, in regard to the landing of an armed force for the propose of the Commission investigating the recent massacres. The members of the Commission investigating the recent massacres. The members of the Commission are now practically prisoners.

The Pall Mall Gazette gives prominence to a statement of a traveller who is in a peculiar way,' said Mr. Frank. 'Up to three years ago I was in the best of health, About that time while in Of health. About that time while in Glasgow, Scotland, where I was employed as a clerk in a hotel, and while sculling on the Clyde, a storm came up, and I had a pretty rough time of it for a while. I evidently must have injured myself internally, although I felt nothing wrong at the time. On my way have myself internally, although I felt nothing wrong at the time. On my way home, however, I fell helpless on the street, and had to be conveyed home in a cab. as my legs were utterly unable to hold me up. I was contined to bed for several days in the same helpless condition, when I rallied, but found that my urine was of a strange reddish hue. I called

Caught in a storm on the Clyte.

In a physician, who prescribed, but discussed the control of th nad finished the third box my uriue was quite clear, for the first time in three years. I was delighted, and continued taking the pills until I had finished six boxes. I am strong now and have had no recurrence of the trouble, and as you can see, the flush of health shows itself in my face. To think that I was cured by the use of \$3.00 worth of Dr Williams' Pink Pills after trying a number of physicians and undergoing an operation in vain is a puzzle to me, and I am had finished the third box my urine was occurs the fishermen will be sued and the

STEALING FRUIT.

Folk's Paper.

Of all species of theft, we know of none attended with more injurious results than the practise of stealing fruit—apples, plums, etc., from Iron gardens and orchards. We say this not without some sense of contrition for-we may as well confess it-we have in our days of juvenile depravity, indulged more or less extensivey ourselves in the pastime or crime -it is one or the other largely according to the point of view from which you look at it-of stealing, say, apples or plums. Looking back, now at that early time, we 'I believe in Jesus Christ—His moued with the leading were very great culprits. If we succeeded in getting off from a foray 'He stopped because he had not with a whole skin and a pocket full
