A FEAT IN DENTAL SURGERY -A correspondent writes : A rather unusual yet very successful operation in dental surgery was performed on Mr. John T.,

top of Mr. Christain Steeves of Hillsboro, by Dr. B. A. Marven, a physician of that place. Mr. Stceves had had one of

his front teeth nicely filled by a dentist of this town, but it continued to ache after it had been filled. After enduring the aching for a week or longer, Dr. Marven extracted the offending member, scraped

off the inflamed nerve from its root and replaced the tooth in i s original socket to employ he has been for some years. His the entire satisfaction of Mr Steeves, who wife will r join him in New York when now says he has a good filling, a painless the ship is ready for sea, aer thilling ex- County. tooth and a useful tooth to show all 10 perience not having rendered her afraid.
