When the kidneys get ill the back

But the back is not to blame. The ache comes from the kidneys, which lie under the small of the back. Therefore, dull pain in the back, or sharp, quick twinges, are warnings of sick kidneys - warnings of kidney trouble. Plasters and liniments will not cure a bad back, for they cannot reach the kidneys which cures it kidneys which cause it. Doan's Kidney Pills reach the kidney boan's Kidney Fills reach the Kidney themselves. They are a special kidney and bladder medicine. They heal the diseased surface of kidneys and bladder, and help them to act freely and naturally.
