Next Sunday Anniversary services will be observed in Watford Methodist Church. Rev. D. N. Mc Camus, of London, will be the preacher of the day. Instead of the usual tea-meeting on Monday evening, the Ladies Aid will make a cash contribution on the plates on Sunday. The stewards ask the congregation to put as much, at least, upon the plates as a tea-meeting would cost. Let every family be represented. Methodists fully appreciate the kindness of all sister churches and townspeople and rejoice in their congratulations of this anniversary.

The March meeting of the Women's Guild and Auxiliary was a very successful one as there was a good attendance and many things discussed. It is now the wish of the society, that all the members contribute some piece of work (or its equivalent) made during Lent to be sold after Easter and the proceeds, combined with a church Tea to be devoted entirely towards the fund for the new Holy Table for Trinity Church. A very enjoyable programme was provided and Mr. Hosford gave a most interesting address on the Tower and the Font of the church and he hopes to take up the subject again at the next meeting to be held at Mrs. E. Brown's on April 3rd. Mrs. N. B. Howden served a most delicious tea which included some of her famous home made bread.

WATFORD PUBLIC SCHOOL PARTY

On Tuesday, March 11th, the Watford Armory was the scene of a gay group of children attending a party given by the Fourth Class of the Public School.

The party was the result of a contest in Spelling between the Third and Fourth Classes for the month of February. The contest was very exciting and closely played, the Third class having an average of fourteen mistakes each, while the Fourth class had an average of seventeen mistakes each.

The executive of the Fourth Class and the pupils thought they would have a skating party, but when the ice failed them Tuesday night they decided on a party. At eight o'clock the Armory was opened and the children came. The party was a great success from the start. Games were played, such as, "tag," "thread and needle race," and "team games." After the games had been played the lunch was served by pretty waitresses. The lunch disappeared with many aches and groans.

A pleasant time was spent by those present and the Third Class said they would try to beat the Fourth Class again. Hanley Millar, representing the Third class, gave a short speech expressing the appreciation and thanks of the Third class, and it was seconded by a hearty clap of the hands.

Another spelling match is going on now and the Fourth class have their reasons to think that they will win this contest. The Third and Fourth classes have each won a spelling contest.

JACOB D. BROWN SUCCEEDS P. E. FULLER AS COUNCILLOR

At the nomination meeting called by the clerk in the Library on Monday evening to select a Councillor to fill Phillip E. Fuller's office for the balance of the year, there was a small attendance of ratepayers. Those nominated were:—Richard Williamson, Nelson Hawn, Basil Saunders and Jacob D. Brown. To save the town the extra expense of an election for one councillor, however, all the other nominees withdrew and presented the honor to J. D. Brown by acclamation.

Mr. Brown is really one of the old town fathers, having served for many years as Reeve, Councillor, member of the Board of Education, Fire Chief, and numerous other municipal offices. Few men have devoted as much of their time to municipal affairs, consequently he should have a thorough knowledge of all the village requirements.

OBITUARY

ADELAIDE MACNALLY TARRANT

Word was received here last week of the death in Alexandra Hospital Montreal on Tuesday March 4th, of Adelaide Macnally, beloved wife of Mr. A. Tarrant, aged 23 years. Mrs. Tarrant was a daughter of Mr. and Mrs. Henry Macnally, now of Wallaceburg, and left Watford as a bride about two years ago to reside in Montreal. About a week previous to her death, the young couple were blessed with the birth of a baby boy, but before leaving the hospital Mrs. Tarrant contracted scarlet fever, which terminated in death.

Her grandmother, Mrs. Burch, still resides in Watford.

MRS. JOHN WILSON

The funeral took place here on Monday afternoon of a former resident of this village, in the person of Mary Anna Shannon, the beloved wife of William John Wilson of Detroit, Michigan, who met her death by accident in Detroit on Wednesday evening. The late Mrs. Wilson was crossing the street to catch a street car, when she was knocked down by an automobile, and sustained a fractured skull. She was rushed to the hospital, but she died shortly after.

Deceased, who was in her 63rd year, was born in Warwick village and later lived for some years in Watford, moving to Detroit shortly after her marriage. Besides her husband, she is survived by one son Carl at home, and two daughters, Miss Luella, a nurse, at home, and Mrs. Eva Plunkett, in Detroit. She is also survived by seven sisters: Miss Bessie Shannon of Watford, Mrs. Walter Scott, of Watford, Mrs. William Harper of Warwick Township, Mrs. Thomas McCausland of Watford, Mrs. John Stanger of Watford, Mrs. John Bruce of Watford, and Mrs. John W. Doar of Watford.

The funeral took place on Monday afternoon from the home of her sister, Mrs. John Bruce, Warwick and Huron streets, the remains having been brought to Watford on Saturday afternoon. The funeral service was held in Trinity Anglican Church, with the rector, Rev. J. H. Hosford, M. A., B. D., officiating. Interment took place in Watford Cemetery, six nephews of deceased acting as pallbearers: John and William Bruce of Detroit, and William, John, George and Samuel Harper, all of Warwick Township.

W. H. ROGERS

William Henry Rogers died while sitting in his chair at his home, Ontario st., on Monday afternoon last, in his 84th year.

He was one of the most widely known men of Watford and Warwick for the past sixty years, having conducted the Rogers' Hotel in Warwick Village and later in Watford since coming here a young man of twenty years from Rednersville, Prince Edward Island, where he was born on December 20th, 1840.

He knew Warwick Village in its thriving days before the railroad, and on its decline he built a new hotel in Watford, which he conducted until a few years ago, when he turned it over to his son, Fred W. Rogers. He grew up with Watford from its infancy, and could recall all its changes from a few old taverns at the fourth line corner to the progressive modern town of today.

Mr. Rogers was married four times. His first wife was Susan Evans, by whom there were four daughters and one son: Mrs. Ed. Lamont, Detroit; Mrs. I. P. Taylor, and Mrs. W. C. Fitzgerald, London; Mrs. W. H. Kennedy (deceased) and Richard (deceased).

His second wife was a Miss Fortner, who left no family. His third wife was Mrs. Wm. Craig, a sister of Jacob D. Brown, of Watford. One son, Fred W. Rogers, remains. He then married Mrs. Minjelly (nee Conkey) who survives him.

The funeral was held on Wednesday afternoon from his late residence, Ontario st., to Watford cemetery, services being conducted by Rev. J. H. Hosford, M.A., B.D., rector of Trinity church. The pallbearers were Messrs. E. D. Swift, John McGilleuddy, Thos. Roche, J. F. Elliot, W. H. Shrapnell and Robert Auld.

Among the friends and relatives who attended the funeral from a distance were:—Mr. and Mrs. Ed. La-

mont, Detroit; Mrs. I. P. Taylor, Mrs. W. B. Holland, Miss Med. Taylor, Mrs. Jack Pawlitzki, and Mr. W. C. Fitzgerald, all of London; Stanley W. Rogers, of Byron, and sister, Mrs. Robert Dreaver, Detroit; Mr. and Mrs. George Conkey, Mrs. James Wallace and Stanley Wallace, all of Adelaide; Mr. and Mrs. Fred Conkey and Mr. Robert Conkey, Wisbeach; Mrs. Darius Conkey and Mr. John Conkey, Strathroy; and Harold Conkey, Kerwood.

Ballantyne quality in the new spring styles in silk and silk and wool sweaters, vests, dresses and suits.—A. Brown & Co.

The many friends of Mrs. D. Mowbray will be pleased to learn that she is recovering from serious operation at Western Hospital, Toronto. Mrs. Mowbray lived for many years on the Main road, about eight miles north of Watford. She was then known as Mrs. C. Clark, previous to her marriage. Mr. and Mrs. Mowbray spent some time here in January, visiting her many friends and former neighbors.

When Oshawa became Canada's twenty-fifth city last Saturday, March 8th, much of its early history was revived. In connection with choosing the present name, Moody Farewell, a fur trader, is mentioned as having asked two Indians who accompanied him to the meeting, where the question of a new name was being discussed, to suggest a name. Their choice of "Oshawa" meaning "crossing of a stream," was accepted. Mrs. W. H. Luckham's mother was a niece of Moody Farewell. Mrs. Luckham was born in Oshawa, where she spent her early years. She remembers hearing of the above mentioned incident along with many others of the pioneer life of Oshawa and Whitchy. Her uncle, Col. J. E. Farewell, K.C., who died in January, was a lifelong resident of Ontario County in its pioneer days.

At the last regular meeting of Bear Creek Club held at the home of Mr. W. J. Vance, on Friday evening, February 29th, a large crowd assembled to listen to the debate: "Resolved, that pleasure rather than financial gain induces the people to leave the farms." The affirmative was ably supported by Miss Jennie Vance and Mrs. Will Harper; the negative by Mr. C. N. Richardson and Mr. R. E. Hall. The judges were Rev. A. R. Johnson, Mrs. W. H. Luckham and Mr. J. J. Cates. After much deliberation and considerable argument they decided in favor of the negative by a small margin. The next meeting will be held at the home of Mr. L. H. Vance on Friday evening, March 21st, when the program will be in the form of a "Literary Contest," the opposing sides being captained by Messrs. M. L. Kenzie and W. H. Luckham. Three disinterested parties will be chosen as judges to decide which side renders the best program. Non-members wishing to unite with the club will be made welcome at this meeting.

The entertainment in the Kingscourt schoolhouse No. 16, Warwick, on Friday evening last, given by the ladies of the Zenana Missionary Society, was a decided success. The play, "The Sewing Circle Meets at Mrs. Martin's" given by the members of the society was well rendered and fully enjoyed by the audience. The following ladies made up the cast:—Mrs. Russell Rivers; Mrs. Freeman Birchard, Mrs. Wm. Claypole, Mrs. Wm. Cox, Miss Alma Morris, Mrs. James Sayers, Mrs. Albert Bryce, Mrs. Wm. Smith, Mrs. Fred Bryce and Mrs. Stephen Morris. The following were additional numbers to the program: Tambourine Drill by twelve girls; two pantomimes, "Comin' Thro' the Rye" and "My Old Kentucky Home"; violin selections by Miss Loren Dell and Mr. Frank Healey; solos by Mr. Sussex; and a comic song, "We'll Raise the Roof To-night," by five negro characters. Rev. J. H. Hosford assumed the chair and introduced each number. Despite the inclement weather over thirty dollars were realized.

BROKEN IN HEALTH

After an Attack of Influenza Health Now Restored.

"I am writing to tell you what Dr. Williams' Pink Pills have done for me," says Mrs. J. H. Oulton, Firdale Man. "A few years ago I was in a bad run down condition, so much so that I was subject to fainting spells which would leave me in such a condition that I could hardly go about. Then I was stricken with influenza, which was epidemic at that time, and this still further weakened me and throughout the whole winter I remained in this condition. I was constantly taking doctor's medicine, but as it did not seem to help me, my mother advised me to try Dr. Williams' Pink Pills, and I got a couple of boxes to start on. When these were done I seemed to feel an improvement and I got a further supply to continue the treatment. I took in all about a dozen boxes, and by that time I was in the best of health and had gained in weight. My faith in Dr. Williams' Pink Pills is now unbounded, and I keep a supply on hand and take them occasionally if I am not feeling quite well. I often recommend them to others, and cannot praise them enough for restoring my health. Dr. Williams' Pink Pills are useful in all cases where the blood is thin and watery as their mission is to build up and purify the blood. That is why they give new strength and vigor after an attack of influenza, and it is also the reason why they are beneficial in nervous disorders, neuralgia, rheumatism and that condition generally described as all run down."

You can get the pills from your druggist, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

YOUNG DAUGHTER MADE WELL

Vancouver, B.C.—"My daughter is a young girl who has been having severe pains and weak and dizzy feelings for some time and had lost her appetite. Through an older daughter who had heard of a woman who was taking it for the same trouble, we were told of Lydia E. Pinkham's Vegetable Compound. My daughter has been taking it for several months and is quite all right now. It has done all it was represented to do and we have told a number of friends about it. I am never without a bottle of it in the house, for I myself take it for that weak, tired, worn-out feeling which sometimes comes to us all. I find it is building me up and I strongly recommend it to women who are suffering as I and my daughter have."—Mrs. J. McDONALD, 2947 26th Ave. East, Vancouver, B.C.

From the age of twelve a girl needs all the care a thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time. If she complains of headaches, pains in the back and lower limbs, or if you notice a lowness of spirits, nervousness or irritability on the part of your daughter, make life easier for her. Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions.

It is impossible to tell the quality of tea by the appearance of the leaf. A rough, coarse, unevenly rolled tea may taste much better in the cup than a closely rolled, well tipped tea that LOOKS much finer. The only way to be sure of getting tea of reliable quality is to buy a tea like "SALADA" whose goodness and purity are guaranteed.

Asthma Choked Him

TORONTO MAN NOW BREATHES EASIER AND IS RAPIDLY REGAINING ACCUSTOMED HEALTH AND STRENGTH GIVES DRECO ALL THE CREDIT.

"For the past few months," says Mr. Edward J. O'Brien, of 151 Priscilla Ave., Toronto, I have suffered from bronchial asthma. It seemed I could hardly breathe at times. In fact, I was so bad sometimes that they would have to take me from my work. I'd be able to work two or three days and then would have to be home in bed for the balance of the week. Dizzy spells came over me and spots floated before my eyes.

"My system in general became very weak. I lost my appetite, couldn't sleep and felt all tired out. The different medicines I tried gave me only temporary relief. Never before have I received such wonderful benefits from anything as I have from Dreco and especially in so short a time.

"Dreco seemed to be just what I needed, for my system has greatly improved in every way. I can breathe much easier and my work seems lighter and easier as a result. I gladly praise Dreco for the wonderful comfort it has given me."

"Many discomforting ailments are directly traceable to a faulty or rundown digestive system. Put these important organs in proper, healthy working order and strength and ability to throw off disorders to the whole body. Dreco contains no mercury, potash or habit forming drugs. It is made solely from herbs, roots, bark and leaves and acts quickly, pleasantly and in an entirely natural way."

Dreco is being specially introduced in Watford by Siddall's Drug Co., and is sold by a good druggist everywhere.

needs Zam-Buk, whether it result from an old sore or injury, or, as is more often the case, through old-standing varicose weakness. How that powerful herbal Zam-Buk builds-up the weakened tissues and sets things right, is told by Mr. R. S. Reynolds, of Leesburg, Fla., U.S.A.

"As the result of inflammation set up by a horse kick," he writes, "terrible sores appeared all over the lower part of my leg. It was a year before the limb took a real turn for the better."

Needs

"I started out to try Zam-Buk, quite prepared to persist with the balm if it showed the least sign of doing good. Zam-Buk's first effect was to remove from the sores all their angry inflamed appearance. New skin and tissue formed as I persevered with Zam-Buk, and every sore was gradually but surely healed."

Why Ford Predominates

A Triumph of Mechanical Simplicity

The Ford is without superfluous parts, yet has everything needed for efficient operation.

Like all great engineering accomplishments, it has progressed through simplification—the reduction to fundamentals.

This process of simplification has brought into being many of those distinctive features which are found exclusively in Ford cars. The Ford planetary transmission and three-pedal control are among those features.

Experts agree that they are ideally suited to the small, light car.

Another feature is the Ford magneto, so remarkable in principle and so successful in practice that a complete unit was recently presented—by request—to the Smithsonian Institution.

There are many such features, but these are sufficient to indicate the sound foundation upon which engineers have pronounced the Ford to be a triumph of mechanical simplicity.

MISS McNAUGHTON AWARDED DAMAGES

City of London Gives \$518 to Girl Wounded by Constable Harpur. \$740 Asked by Parents

Damages amounting to \$518, were provisionally awarded to Mr. and Mrs. Robert McNaughton by the

claims committee of the City Council in regular session at noon to-day, for expenses incurred as the result of their daughter, Viola, having been wounded at the time Geraldine Durstan was fatally shot by Clarence Topping in a house on York street. The parents contend that Miss McNaughton was shot by Policeman Walter Harpur.

The matter was referred to the city solicitor and if the city is responsible for Miss McNaughton's injuries the sum of \$518 will be paid over. This will be charged to the police commission estimates. The parents asked for a total of \$740. But the committee thought that if the actual expenses, including hospital fees, doctors' bills and payments

Why is the sky blue?

—because the air is filled with tiny dust particles. These absorb the light rays which make other colors and reflect to the eye the rays which make blue. The occasional use of

Puretest Epsom Salt

makes the sky seem bluer above and brightens those bilious "blues" within. Easy to take because it is thoroughly purified. Cleanses the system—helps you keep fresh and fit. Why is the sea salty?

—because it has no outlet and salt does not evaporate. Therefore all the salt in the sediment which rivers have carried down from the land, remains in the sea water. Vast quantities of
