DEATH OF HON. S. W. W. PICKUP

One of Annapolis County's Most Prominent Citizens Has Passed Away

Hon. Samuel Walter Willett Pickup, M. L. C., died at his residence at Granville Ferry at 4.30 Tuesday afternoon March 16th.

He had been in ill health for some time but had only been seriously ill 24 hours. He attended the opening of Provincial Parliament as usual but later returned home. He represented this county at Ottawa from 1904 to 1911. He was a member of the Methodist Church, Masonic and Odd-fellows' Fraternities and not only took a deep interest in the welfare of the community in which he resided but of the entire country. He leaves a wife, two sons, Dr. William Alfred, of Montreal, and Samuel at home, three daughters, Cylene T. and Doris Marguerite, at home and Mrs. R. H. Hardwick, at Halifax.

The youngest son (Capt. Walter Pickup) was killed in action while heroically leading his men at Vimy Ridge. All their sons saw active service and Mr. Pickup's death can justly be considered a casualty of the late war, as after the death of his son, his health caused his family and friends grave concern.

Mr. Pickup was born at Granville Ferry. His father was Samuel Pickup, of English Loyalist descent; his mother Cylene G. Willett Pickup. He was educated at the Common School, Annapolis, and at Mount Allison. His marriage took place to Miss Lillie Troop, of Granville Ferry in 1883. During the first years of his life he was a successful merchant, shipbuilder, ship-owner and farmer, but shortly after the death of his father he wound up the large business that the former had built and afterwards devoted such time as he was not engaged in politics to the handling of his own estate.

His political career was lengthy and fruitful, and he always faithfully performed the duties with which his constituents entrusted him. He was elected to the Annapolis County Council at the early age of twenty-five, serving with that body for practically two decades, and doing much for the progress and welfare of the County as its warden. In 1904 he was elected to the Federal Parliament, and was returned for a second term at the elections of 1908. He retired from Federal political life in 1911 and six or seven years ago was appointed a member of the Legislative Council, serving faithfully ever since. His loss will be greatly felt in the Upper House.

Mr. Pickup was a Methodist and an ardent supporter of his church. He took great interest and played an enthusiastic part in the many social and economic activities of his Town and County, and won the respect and affection of many people the width and breadth of the Province.

ATTORNEY GENERAL'S TRIBUTE
The Halifax Chronicle says: Attorney General Daniels says: "I was shocked to learn of the death of Mr. Pickup. For thirty-five years he had been associated with him in the County of Annapolis, first in the Municipal Council and in later years in close political association and personal friendship. "He was," said Mr. Daniels, "one of my warmest and truest friends, a man of the kindest and most sympathetic nature and of the highest personal honor and integrity. He served the County of Annapolis with a great faithfulness in the Municipal Council, where his business sagacity and honorable conduct made him a most useful representative. For nearly ten years he represented Annapolis in the House of Commons where he deservedly won the respect of his fellow members and was unfailing in his attention to the interests of his constituents. In the Legislative Council his parliamentary and business experience and his faithful discharge of all such duties as fell to him made him a most valuable member. No member of that body enjoyed in greater measure the good will and confidence of his associates in both Houses, who will feel that they have lost a good friend and the Legislature one of its most useful members."

THE FUNERAL
The funeral took place Thursday afternoon with interment at Stony Beach cemetery, about three miles below his residence at Granville Ferry, on the Granville shore. Services were

conducted by Rev. H. P. Patterson, pastor of the Granville Methodist church, of which he was a strong supporter, assisted by Rev. Clayton A. Munro, pastor of the Methodist church, Annapolis Royal and by Rev. R. A. Penny, rector of the Anglican church, Granville, who read the lessons. There was a very large attendance, including Mr. Elliott, M. P., from Middleton, and two members of the legislative council, and representative people from Annapolis and elsewhere but owing to the freshets having interfered with communication many from a distance were prevented from attending. A glowing panegyric was delivered by Mr. Munro and in addition three hymns and a male solo was finely rendered including Tennyson's "Crossing the Bar."

After Effects OF INFLUENZA OFTEN SERIOUS Victims Are Left Weak, Tired and Mentally Depressed—Tonic Treatment is Strongly Recommended.

No pestilence in years has caused more widespread suffering than the epidemic of influenza which swept over Canada in the fall and winter of 1918-19 and again this winter. The danger from this trouble is seldom over when the characteristic symptoms, the fever, headache and the depression of spirits have passed away. Influenza leaves behind it weakened vital powers, thin blood, impaired digestion, and over-sensitive nerves. Men and women who were robust before stricken with influenza find their bodies racked by pains previously unknown to them. This condition is due to an abnormal thinning of the blood and leaves the system an easy prey to other serious troubles. This is the time when the convalescent from influenza should build up the blood, with a reliable blood making tonic such as Dr. Williams' Pink Pills. Weak blood means impoverished nerves, impaired digestion, a feeling of tiredness after even slight exertion and sometimes even more serious symptoms. When the blood regains its rich red quality the nerves recover their strength and the organs of the body function naturally. In fact building up the blood will vitalize the whole system.

The experience of Mr. Andrew Marty, Bathurst, N. B., will prove of value to a host of influenza sufferers who still suffer from the effects of the disease. Mr. Marty says—"The new life and consequently new hope brought into my life through the use of Dr. Williams' Pink Pills is almost beyond my power of expression. Following a severe attack of influenza in 1918 I found myself rapidly failing in health, and was naturally much alarmed. I began to lose in weight, could not eat, did not sleep well, and in a word I was reduced to a mere shadow. I was forced to discontinue work because of my weakened condition and things had a very blue outlook. I tried a number of suggested remedies, but without benefit. And then one day Dr. Williams' Pink Pills were suggested to me. I acted on my friend's advice, began taking these pills and soon felt an improvement. Every day I seemed to grow stronger, and after four weeks' treatment I felt fully restored to my old time health. From my own experience I feel that, if given a fair trial, there is no medicine superior to Dr. Williams' Pink Pills in building up a run down system."

Dr. Williams' Pink Pills are a tonic, not a stimulant. They build up the blood, and not only the disastrous after effects of influenza but also troubles due to poor blood, such as anaemia, rheumatism, indigestion, and the generally worn-out feeling that effects so many people, disappear. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

FIRST BODY FOUND RESULT OF THE FLOOD

Hugh Whitman Lost His Life in Bloody Creek

The body of Mr. Hugh Whitman, a returned man, was found in Bloody Creek Tuesday afternoon March 16th. Whitman came to Bridgetown via Saturday afternoon's express intending to return via the "Owl", which was stalled at Lawrencetown. He was last seen in Bridgetown at midnight, saying that he intended to walk to his home at Round Hill.

Evidently he arrived at Bloody Creek about the time the big freshet started to cover the post, road and he was carried off his feet and out into deep water where he was drowned.

The ice in this creek prevented his body from going out in the main river. Coroner Armstrong M. D., held an inquest Wednesday morning, a verdict being returned in accordance with the facts.

Mr. Whitman who was 22

years of age was a son of Mr. and Mrs. Henry Whitman and a grandson of the late Hon. George Whitman, M. L. C. He is survived by his parents and one brother, Charlie, of Round Hill, and several sisters.

The deceased was of a cheerful disposition and was highly respected by a large circle of friends.

The funeral service which was largely attended, was conducted by Rev. John Reeks, rector at Round Hill, with interment in that village. The MONITOR extends its deepest sympathy to the bereaved ones.

Mayor W. Saxby Blair, who has been on a few days trip to Yarmouth, Co., with Dr. J. W. Robertson and Dr. Cummings, as guests of the Dominion Atlantic Railway, returned to Kentville Saturday.

Suburban Notes

ROUND HILL

Mr. J. V. Delaney spent a few days last week in Paradise.

We are sorry to report Mrs. Louise Hancock in failing health.

Mr. Thacker, of Bridgetown is visiting at Mr. C. L. G. Hervey's.

Mr. Stanley Spurr, of Bridgetown, was in this place on March 12th.

Mr. Ronald Jefferson, of Annapolis Royal, was in this place last week.

Mr. Cropp, of Lower Granville spent a few days in this place last week.

Mrs. Israel Dukeshire, who has been visiting in Clements, has returned home.

Miss Muriel Hervey, of Ottawa, is visiting her parents, Mr. and Mrs. C. L. G. Hervey.

We are sorry to report Miss Irene Healey in ill health. We wish her a speedy recovery.

Mr. E. J. Jefferson spent Monday in Bear River and attended the Orange Lodge at Deep Brook.

Mr. and Mrs. John Todd, of Dalhousie, spent Friday, March 12th, with their daughter, Mrs. B. W. Wainwright, Mrs. Cunningham and child and sister Miss Georgia Armstrong, visited their aunt, Mrs. Bessie Sargent, last week.

Mr. Allister Chipman, of Upper Clements, and his apple packers were in this place on Thursday, March 11th, packing apples.

DEEP BROOK

Chas Lent made a business trip to Boston on Thursday.

Miss Bertha Lent returned home on Friday for the week end.

Mr. T. B. Chipman, of Bridgetown, was in the village on Friday.

C. V. Henshaw made a business trip to New Brunswick on Monday.

Since the last time of writing Mr. and Mrs. G. L. Benson and family have moved to Bridgetown.

Hiram Berry, at present in the Kentville Sanatorium, is home for a few days and looks very much better after spending some few weeks at the home of her brother, George at Chocoggin, Yarmouth, Co.

We hear that clam digging will be in full swing in a couple of weeks. This will be the first that have been dug here since the war and we hope that the market will hold good.

"Ye Olde Colonial Supper" given by "Ye faire Maydes" of Clements Shore on Wednesday evening last was a decided success. The sum of \$50.00 was realized after all expenses were paid.

A carload of apple tree wood in the yard waiting to be loaded for Annapolis. Quite a number of our people have taken advantage of the ready market and have cleared out a number of their old trees.

NORTH RANGE

Miss Lila Wright has gone to Weymouth Mills for an indefinite period.

Mrs. Wallace Wright from Barton spent Friday, the 5th, with her mother, Mrs. James S. Wright.

Mrs. Clarence Thomas has gone to Massachusetts to visit her children and friends in that place.

Mr. James Heighit, who has been confined to the house for the last four weeks, is slowly improving.

Mr. Roy Heighit, who has been very sick for the last six weeks with sleeping sickness, is not much better at time of writing.

Miss Inez Manzer, who has been spending a few days with her cousin, Miss Mary Thomas, was called home Thursday as her mother is very sick with the flu.

Mr. James W. Bragg, who is employed in the lumber business for Dr. Dickie in South Ohio, Yarmouth, Co., spent Sunday the 7th at home with his family.

Mr. Byron Heighit, Mr. Gilbert Marshall and Mr. Milford Heighit arrived home from Grand Bay, Kings Co., N. B., Tuesday where they had been employed during the winter in the lumber woods.

GENUINE ASPIRIN HAS "BAYER CROSS"

Tablets without "Bayer Cross" are not Aspirin at all

Get genuine "Bayer Tablets of Aspirin" in a "Bayer" package, plainly marked with the safety "Bayer Cross."

The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for nineteen years and proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally. Made in Canada.

Handy in boxes of 12 Tablets—also larger sized "Bayer" packages.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monacoe-Germany, of Salicylic Acid.

While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

NEW ALBANY

Mrs. Charles Whitman is visiting at the home of her son, Mr. George C. Whitman, Nictaux Falls.

There was a sleighing party from this place on Wednesday evening 10th, to the home of Mr. and Mrs. Alvie of East Inglesville.

Mr. Harvey Kniffin has a telephone placed in his residence and L. A. Whitman one in his residence, the old one serving for his store.

Mr. H. Selig left on Tuesday 10th for Lunenburg where he has a position as cook on board one of the fishing vessels sailing from that port.

Mr. Percy Sawyer and sister, Elena, spent the week end at Kentville returning on Monday, getting home on the snow plough in the early hours Tuesday morning.

Mrs. E. J. Whitman and Miss Mary Oakes spent Sunday 8th in Middleton guests of Mr. and Mrs. R. S. McKee. Owing to the snow blockade they did not return home until Tuesday.

Owing to a heavy snow fall on Sunday the 8th the regular train from Bridgewater did not get through to Middleton on Monday. An engine and snow plough succeeded in getting through late at night.

Outlook: We understand that the Canadian Bank of Commerce agency Kingston will be opened every day as soon as a safe is installed. C. M. McKay and H. Farquhar of the Middleton branch will probably compose the staff.

ANNAPOLIS ROYAL

(Spectator)

Mr. B. B. Hardwick returned Saturday from Halifax.

Mr. H. A. West returned Wednesday from New York and Chicago.

Mrs. Amey and little daughter left Thursday for a month's trip to Philadelphia.

Capt. Wilham was here last week with his family and left again on Friday.

Mr. F. C. Whitman went to Halifax Monday, returning Thursday with Miss Edith who has been making an extensive visit to Sydney.

Capt. Farish Owen has been gazetted with special mention for his bravery in escaping from a Bulgarian prison during the war. He left for Montreal Thursday to meet Major Dan.

Mr. Robert Braine met with a painful accident on Tuesday when he jumped from a sleigh into a ditch and cracked one of his ankle bones.

Mr. W. E. Mitchell, of the banking and brokerage firm of F. B. McCurdy & Co., Halifax, was the guest of W. B. Cunningham last week returning to the city on Saturday.

A letter which was received by H. P. Blanchard from his daughter, Mrs. Fisher, Montreal, conveys the good news that she is recovering and it is hoped that in the near future she will be restored to health says the Windsor Tribune.

Miss Frances Dargie was one of the team of Mount Allison students who went to Halifax last week to play basketball. On Friday afternoon they lost 36 to 15 to the Halifax Ladies' College, but on Saturday morning they defeated Dalhousie by 35 to 22.

Mr. Rufus W. Hardwick wrote from Daytona, Fla. that he was leaving there March 5 for the North, stopping at Jacksonville, Richmond, Washington, Baltimore, Philadelphia, New York and Boston, to arrive home again about April 5 to 10 when he will have completed about 5000 miles of United States roads.

Vancouver papers of Feb 14 gave extensive accounts of the banquet given the previous evening at the Citizens' Club by the Vancouver Hotels Association to the Washington State Hotel Men's Association. It is stated that the toasts of the evening were given by Sam Rioridan who ably supported Mr. Wainwright, the president of the association. The many friends of Mr. Rioridan in his old home town of Annapolis Royal are very glad to know that he is still able to get on his feet and say things as well as do them.

MIDDLETON

(Outlook)

Mrs. Mary Dill is spending a few days in Paradise.

Mrs. Crowe has been spending a few days in Annapolis.

Rev. A. McNinch, of Clementsport spent Wednesday in town.

Mr. A. B. Smith spent Sunday at home returning to Halifax on Monday.

Mr. A. W. Phinney, Esq., made a business trip to Bridgetown on Wednesday.

Mrs. Foreman J. Baltzer, of Berwick, is the guest of her parents, Mr. and Mrs. Wm. Hart.

Mr. Abner Morse, of Nictaux West is in Halifax, where he underwent an operation. He was doing nicely at last report.

Mrs. Albert J. Lutz, Moncton, and Miss Yvonne, spent a couple of days last week the guests of their brother, Mr. Chas. Yv.

Dr. J. A. Sponagle and G. N. French have been appointed to the Middleton School Board and Couns. Goucher, Bentley and Beals. Couns. Goucher has been chosen as chairman.

FALKLAND RIDGE

C. R. Marshall returned to Halifax Thursday, March 11th.

Mrs. Lloyd Dorey returned to New York, Wednesday, March 10th.

Reta and Etta left Tuesday for their school at Dimsy Corner.

Mrs. Lloyd Dorey, of New York, arrived here March 8th and is the guest of Mrs. Timothy Feener.

William B. Lupton, of Glace Bay, arrived here March 8th and is the guest of Timothy Feener.

Jacob Stoddart and little grandson, Floyd Oickle, made a business trip to New Albany the 12th.

Mrs. Mary Sproule was called to Farmington, March 12th on account of the death of a favorite grand daughter.

The young folks made a surprise party for Marion Marshall on Tuesday evening, March 9th, in honor of her 16th birthday.

Our pastor held a service in the lumber camp near John Long's. The choir from here was especially invited to attend. All report good service, good time and good treat by cook also good sleighing.

There was a very pretty wedding at the home of Timothy Feener on the evening of March 16th when his only daughter, Ellen Lueta, was married to William B. Lupton, of Glace Bay. They left on Saturday the 13th, for their future home at Glace Bay.

HIS LIFE RUINED BY DYSPESIA

Until He Tried "FRUIT-A-TIVES" The Wonderful Fruit Medicine

MR. FRANK HALL

Wyevale, Ontario.

"For some two years, I was a sufferer from Chronic Constipation and Dyspepsia.

I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.

LAKE PLEASANT

Messrs. Jodrey and Ramey have finished sawing and moved back to Bridgewater.

Miss Dr. A. L. MacKay, of Halifax, Mrs. Dorcas Hein, of New Germany spent the week end with their sister, Mrs. Levi Acker.

A number of men in this vicinity are busily engaged getting in their ice for the coming summer. The ice is 25 inches thick.

Mrs. Wm. Acker, of Hunter Lodge, had the misfortune to fall on the ice and break her arm. Dr. Messenger, of Middleton, is in attendance.

Davidson Lumber Company camps in this vicinity are breaking up logging. The best of sleiding this winter has enabled them to get their yarded timber all in.

Sorry to report Dr. V. L. Freeman is leaving this place and moving to Chester. As a Dr. he has proved to be very successful in his profession and has the best wishes of the writer in his new field of labor.

A pie sale was held in the school house on the evening of February 20th to raise funds to erect a Monument in honor of our boys who lost their lives in the late war. The sum of \$73.20 was the proceeds of the sale.

Dr. F. Kenney and wife, of Halifax, are to locate here in the near future. We welcome him back as he has practiced here before he went overseas and has a large number of friends that will be pleased to have him with them again.

PORT LORNE

Mrs. Aseneth Britton is visiting friends in Middleton.

Mrs. Sulsman is spending a few weeks with friends in Windsor.

Mr. Sewal Corbett, Halifax, is visiting his parents, Mr. and Mrs. George Corbett.

Mr. and Mrs. John Templeman, of Hampton, visited Mr. and Mrs. Charles Beardsley on Tuesday, March 9th.

S. S. teachers names requested by Lawrencetown Correspondent are Mrs. Salsman Primary, Miss Jennie Beardsley and Miss Ruggles Junior.

Mr. Johnson Beardsley has gone to Halifax to seek employment. Mr. Beardsley and little son will spend the rest of the winter with their parents, Mr. and Mrs. Z. Hall, St. Croix Cove.

Much sympathy is felt for Mrs. Sophemia Brown, who met with a painful accident on Wednesday afternoon by falling on the ice, having her hip broken. Dr. L. K. Morse is in attendance.

LOWER GRANVILLE

Friends of Mr. and Mrs. Horace M. Johnson will sympathize with them in the death of their daughter, Emily which occurred at the V. G. Hospital Halifax the 5th inst, where she had gone for treatment. She was in the thirteenth year of her age and was greatly loved by all who knew her. She leaves to mourn their loss her parents, one brother and two sisters. The interment took place at Port Wade the 6th inst. Rev. H. Patterson officiating.

It has been calculated in Washington that a man earning \$2,000 a year in receiving just \$570, as based upon the purchasing power of money in 1913. Most of us can remember the old saying, "A dollar a day is very good pay."

UNREASONABLE CONDITIONS

Attention is drawn to some curious anomalies in the existing temperance laws. Montreal wholesale dealers may use the mails to advertise their goods in Nova Scotia, but no paper published in the province is permitted to publish liquor advertisements. Persons who have not tasted strong drink for years, and others, who never drank or never intended to moderate drinkers and hard drinkers are receiving through the mail pamphlets and price lists from liquor dealers in Montreal who intrude their obnoxious propaganda into the quiet sober homes of temperate communities in an endeavor to bring their barrooms under our very noses, and to flood the country with strong drink. Under the present law the post office people are obliged to handle this matter. There is not a newspaper in Nova Scotia that will carry one of these advertisements for any money. Yet the mails carry them into every part of the country, with the result that thousands of dollars daily are being sent to Montreal from this province alone for intoxicating liquor "for personal and family use." So we have the unreasonable conditions that while no person in this province may sell a drop of liquor to another resident of the province, the liquor dealers of Montreal may sell all they like, without the payment of either taxes or license fees.

BELLEISLE

Mrs. Eugene Troop spent Thursday with Mrs. Charles Troop, Granville Ferry.

Miss Cora J. M. Parker is spending a few days in Waterville, the guest of Dr. and Mrs. Fred Primrose.

The members of Silver Thread Band of Hope were visited Friday by the members of Ivy Band from Upper Granville who came on a sleighing party. A very pleasant time was spent by all in music and readings. At the close of the literary entertainment, Silver Thread treated their visitors to cake and cocoa.

Your Grandfather seventy years ago, treated the coughs and colds of his family with SHARP'S BALSAM of Horchound and Anise Seed.

It is still the best treatment for coughs, colds, croup, asthma, etc. Relieves tickling in the throat, and is valuable in cases of whooping cough and diphtheria.

MR. GEORGE'S OPINION: In 1893, Geo. W. Geow of St. John, said: "I have used Sharp's Balsam in my family for thirty years and can safely recommend it as being an effective treatment for colds, hoarseness and especially croup."

Ask for this famous old remedy when you need a cough medicine. It is endorsed by thousands of satisfied users. Sold at drug and general stores everywhere—25c.

SINCE 1870 SHILOH 30 DAYS COUGHS

A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Newark, N. J.—"For about three years I suffered from nervous breakdown and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.

Of interest to Farmers

SHEEP FARMING IN BEAR RIVER

R. M. K.

Those of us who spent our youth
on the farm, and can remember fifty
or sixty years ago, will recall the
fact that nearly every farmer, who
claimed any standing as an agricultur-
alist, had his flock of sheep. Possi-
bly the flock may not have been large,
from twenty to thirty was about
the average number although in the
spring time when the lambs were
being counted there was usual about
double the number in the flock.

It is true that at that time sheep
did not bring as large a price for
meat as now. But in the summer
time when lambs were fit to kill, it
was easy to keep the small carcass
over from day to day in the cool
air down in the well. Sometimes
near neighbours arranged an ex-
change of part, say half a lamb each
week about, and the fresh meat was
of great value when the market was
far away. But as wool producing
they were considered as extremely
valuable. In many farmhouses the
carding and spinning of wool for
yarn suitable for knitting was a
regular thing, and occasionally the
hand loom for weaving homespun,
had a room reserved for its use, and
the product was highly prized for
blankets and clothing.

With the growth of sheep husbandry
in many parts of the province,
almost every running brookside be-
came a water power, for driving the
mill, for manufacturing the wool
into its various uses in the farmer's
home. In some mills fulling and
pressing were added to the various
processes. Then the handsome suiting
of "Oxford Grey" not only gave
great comfort on the cold winter but
was justly celebrated for its good
wearing qualities.

Another reason why sheep were
valued highly, in many parts of the
country, was the fact that weeds,
such as the sheep readily eat and
thrived on, grew in luxuriance and
profusion, to the detriment of nearly
field crops, causing great loss to
the farmers who regarded the sheep
as valuable helpers in keeping the
evil weeds in check.

Sheep are not so much trouble as
a herd of dairy cows of the same
value. They are so gentle that
women and children can manage
them. They do not require warm
houses in winter as other stock
does, and the caring for their sheds
and barns does not involve nearly
as much work as other stock. The
winter feeding does not call for
laborious preparations, clover and
wild hay, turnips and a little
coarse grain make an acceptable bill
of fare for the flock. Then, with
good shelter from rain and wind-
storms, and a little good drinking
water, Nanny is content.

One may drive for miles around
Bear River and not now see a sheep.

In fact diligent search will only
disclose three or four flocks in all
this valley. We are led to ask why
this is so. Here the hilly and rolling
land, with sandy soil gives ideal
pasturage. Much of this acreage is
covered with stones and stumps which
makes tilling and harvesting im-
possible by modern machinery. Again
this ample pasturage is well watered
and appears to be richly covered
with just the kind of grass best
suited for sheep grazing. The laws
for the protection of sheep, against
dogs, in the province of Nova Scotia
are the best in the world. Ready
sale at extraordinary prices for both
meat and wool offer every induc-
ement to farmers to engage in sheep
breeding with enthusiasm and energy.

Pure Bred Versus Grade Dairy Cattle
(Experimental Farms Note)

The old question "would you advise
me to start into the pure bred dairy
cattle business," is being asked as
frequently these times as ever before

FATS FOR ENERGY

It's all too true that
many children have a
dislike for animal fats,
yet the same children will
readily take and relish

SCOTT'S EMULSION

This choice is instinctive and
is linked up with the fact
that Scott's is assimilated
when other forms of fat are a
disturbing element. Give
your boy and girl
plenty of energizing
and warmth-imparting
Scott's Emulsion.
It will build them up!

and is receiving just as many
negative replies as formerly. There
are so many factors which enter into
the problem that one has to study
the question from every angle. Good
pure bred cattle of either sex are
selling for such good prices now that
men who have proven themselves
successful with grade stock, cannot
afford to continue without pure bred.
We all know of certain grade herds
making more money for the owners
than some pure bred herds in the
same locality, but every community
has examples of men in the pure bred
business who never should have in-
vested money in live stock.

The most economical and the most
satisfactory way for the average
farmer to start into pure bred is to
purchase good females to start with.
Care should be taken to see that they
are good. They should be healthy, of
the proper type, and either proven
producers or with proven ancestors.
It is better to have only one good
cow than several medium quality
animals. A comparatively small out-
lay is necessary when starting in this
manner.

It is remarkable how quickly a herd
can be built up from a few foundation
cows. The dairy herd on the Ag-
assiz Experimental Farm was started
by the purchase in December 1911 of
twenty eight grade cows and the
following year three pure bred cows.
Then in the fall of 1915 two pure bred
heifers calves and the next year a
pair of two year old heifers also
pure bred were purchased. Today
there are forty-two pure bred females
in the herd including the above and
their descendants. As the pure bred
herd increased in size we have gradu-
ally decreased the number of grades
until at present only twenty one
are on hand.

A very comparison has been made
during the last three years of the five
most profitable pure bred cows and
the five most profitable grade cows.
In each instance the pure bred have
been the more successful from a
commercial standpoint. On the average
the pure bred produced 4,475 pounds
of milk and 153 pounds more fat
per cow per annum, and yielded an
average profit over feed cost of \$27.64
more per cow than the grades.

After a pure bred herd reaches a
suitable size the most money is made
by selling the surplus stock for
breeding purposes. The Holstein
bull, Inka Sylvia Beets Posch, 5562
was used as senior sire in the Ag-
assiz herd from December 1916 to
July 1918. From his service during
that period fifteen grade and twelve
pure bred females were raised and
are in the herd at the present time.
Putting the very topmost value on
the fifteen grade heifers they are
worth \$1875.00, while the dozen pure
bred heifers are worth just about
twice that amount yet they cost no
more to raise than the grades. The
pure bred male calves born in the
herd during the same period were
sold for \$100.00 each and up while the
grade bulls were sold for veal.

Not only is it more profitable to
produce pure bred cattle than grades,
under suitable conditions, but the
pleasure and interest are much great-
er.

W. H. HICKS,
Superintendent, Experimental Farm,
Agassiz, B. C.

CO-OPERATION AND EDUCATION

"Organization, co-operation, and
education are going hand in hand
throughout the agricultural districts
of the country," is the opinion of W.
J. Rutherford, Dean of the Saskat-
chewan College of Agriculture, who
expresses the following views in Ag-
ricultural Gazette for January. He
says, "Farming is not the independ-
ent self contained occupation that it
was a generation ago. Conditions
have changed from the pioneer days,
and production has not only to do
with supplying the demands of the
home but it must aim to create an
export trade. Farming is a real
business, successfully carried on by
men and women who are not only
skilful in the art and practice but are
versed in the science of agriculture.
Farmers to day are not content to
know only how to grow good crops
they want to know of a way to
market them to good advantage. They
are interested in the economic prob-
lems of their own communities and
to a great extent in the problems of
their customers in the city. Agriculture
is both industry and commerce and
affects both the rural and the city
population. The agriculturist of to-
day is not merely a practical farmer
but is necessarily a social worker.
Rural communities have problems
which require college trained men to
solve."

Some men hustle almost as hard
for a job as some women hustle for
a husband.

A married man usually feels sorry
for himself when his wife is sick.

IMPROVEMENTS AT LAKE PLEASANT SCHOOL

This Shows What Can Be Done With Proper Leadership

During the past two years many
additions have been put in the school
room at Lake Pleasant to make the
room seem more homelike to the
pupils.

The teacher did not like to ask the
secretary for the required funds so
decided to have a pie aid, the proceeds
to be used for school purposes and a
nice sum of money was the result of
the sale. With this amount was
purchased new blinds and curtains,
one new map, several small articles
which will be a benefit to the school;
the desks were revarnished, and the
other maps and dictionary repaired.

The trustees and teacher had dis-
cussed having a sanitary drink closet
and a mechanic promised to do the
work. When the closet arrived at the
school room everybody was pleased
with it. It was fitted with thirty
glasses each in its own number-
ed compartment, place for pail and
pint, racks for soap and combs, mirror,
shelves for wash basin and dinner
pails and also hooks for towels.

In addition to this a shelf was put
up for the teacher's books which
under other conditions would be piled
on her desk.

At the school concert enough money
was raised to fit up shelves and pur-
chase books for a new library. There
are plans being made to have other
books added in the present school
year.

The above mentioned improvements
together with the large number of
pictures which adorn the walls have
made the school room seem more like
home to scholars, teacher and visitors.

BABIES BORN FEBRUARY 29TH

Babies born on February 29 are
certainly deserving of commiseration
if they have to wait till Leap
Year comes around to celebrate their
birthday. But what about the baby
that chances to come into the world
on a day that is not marked in the
calendar? Such cases happen. There
was a boy born during the passage
from Yokohama to San Francisco on
the last day of February 1904, just
meridian. A day had to be inter-
calculated to make the actual number
of sunrises and sunsets correspond
with the calendar, and the question
arises when will this little chap born
on Feb 29 have another birthday? N-
until he happens to be on the same
spot in similar circumstances.

SPRING WEATHER HARD ON BABY

The Canadian Spring weather—
one day mild and bright, the next
raw and blustery is extremely hard
on the baby. Conditions are such that
the mother cannot take the little one
out for the fresh air so much to be
desired. He is confined to the house
which is often over-heated and badly
ventilated. He catches cold; his little
stomach and bowels become disorder-
ed and the mother soon has a sick
baby to look after. To prevent this
an occasional dose of Baby's Own
Tablets should be given. They regu-
late the stomach and bowels, thus
preventing or relieving colds, simple
fevers, colic or any other of the many
minor ills of childhood. The Tablets
are sold by medicine dealers or by
mail at 25 cents a box from The Dr.
Williams Medicine Co., Brockville,
Ont.

MARTIN-SENOUR
"Save the surface and you save all" - Paint & Varnish
NEU-TONE
The Flat Oil Paint For Interior Decoration
For the walls and ceilings of any room in your house, most delicate and harmonious effects can be secured by the use of NEU-TONE. It is cheaper and more sanitary than wall paper and will last much longer because it can be washed without injury. It positively will not rub off.
NEU-TONE is made in eighteen shades, and by the use of various tints most pleasing combinations may be secured.
MARTIN-SENOUR PAINTS AND VARNISHES
NEU-TONE is easy to apply. It covers well and leaves no brush marks, producing a dull, soft, velvety finish which will lend charm to any room in the house.
Any surface may be successfully treated with NEU-TONE—Plaster, wood, burlap or metal.
Call and let us explain the merits of this and other MARTIN-SENOUR finishes. For every purpose—For every surface. Our stock is complete and we can give you full information.
KARL FREEMAN BRIDGETOWN, N. S.

SENOUR'S FLOOR PAINT It wears and wears.
"Varnoleum" beautifies and preserves Oil Cloth and Linoleum.
"Marble-ite" Floor Finish The one perfect floor finish.
"Wood-Lac" Stain Improves the new—renews the old.

Important Notice!
Department of Finance Dominion of Canada
Your Income Tax Return Should be Filed at Once!!
All persons residing in Canada, employed in Canada, or carrying on business in Canada, are liable to a tax on income, as follows:
Every unmarried person, or widow, or widower, without dependants as defined by the Act, who during the calendar year, 1919, received or earned \$1,000 or more.
All other individuals, who during the calendar year 1919, received or earned \$2,000 or more.
Every corporation and joint stock company, whose profits exceeded \$2,000 during the fiscal year ended in 1919.
CLASS 1
Forms to be used in filing returns on or before the 31st of March, 1920:
Trustees, executors, administrators, agents and assignees must use Form T 3.
Employers making a return of the names and amounts paid to all directors, officials, agents or other employees must use Form T 4.
Corporations and Joint Stock Companies making a return of all dividends and bonuses paid to shareholders and members during 1919, must use Form T 5.
NOTE—Individuals comprising partnership must file returns in their individual capacity on Form T 1 or T 1 A.
PENALTY
Every person who is required to make this return, who fails to do so within the time limit, shall be subject to a penalty of \$10.00 for each day during which the default continues—and all such penalties shall be assessed and collected from the person liable to make the return in the same manner in which taxes are assessed and collected.
CLASS 2
Forms to be used in filing returns on or before the 30th of April, 1920:
All individuals other than farmers and ranchers must use Form T 1.
Farmers and ranchers must use Form T 1 A.
Corporations and Joint Stock Companies must use Form T 2.
PENALTY
Every person required to make a return, who fails to do so within the time limit, shall be subject to a penalty of twenty-five per centum of the amount of the tax payable.
Any person, whether taxable or otherwise, who fails to furnish information duly required according to the provisions of the Act, shall be liable on summary conviction to a penalty of \$100.00 for each day during which the default continues. Also any person making a false statement in any return or in any information required by the Minister, shall be liable, on summary conviction, to a penalty not exceeding \$10,000, or to six months' imprisonment or to both fine and imprisonment.
General Instructions
Obtain Forms from the Inspectors or Assistant Inspectors of Taxation, or from Postmasters.
Read carefully all instructions on Form before filling it in.
Prepay postage on letters and documents forwarded by mail to Inspectors of Taxation.
Make your returns promptly, and avoid penalties.
Address of Inspector of Taxation for this District.
HALIFAX, N.S.
R. W. BREADNER, Commissioner of Taxation.

CANADA'S TRADE IS INCREASING
Gain of Over One Hundred Millions in Eleven Months
the eleven months of the fiscal year ending February 29, as compared with the monthly statement issued from the Customs Department. For the eleven months which ended on February 29 last, the total Canadian trade, both imports and exports, was \$2,110,548,504 while for the same period in 1919 it reached a total \$2,006,621,672. The increase in imports during the eleven months period, as compared with the previous year, is \$77,324,941, and in exports \$29,987,794. Imports for 11 months of the present fiscal year totalled \$922,018,804 and exports for the same period totalled \$1,146,449,238.

WEDNESDAY, March 24th, 1919

WEDDING BELLS

CAHILL-BURNS

A very quiet but pretty wedding took place at the home of Mr. and Mrs. A. C. Charlton, Granville St. Saturday morning, when her daughter, Edna Marie Burns was united in marriage by Rev. W. J. W. Spetnam to Charles Merle Sydney Cahill, son of Mr. and Mrs. Joseph Cahill, of Aylesford, and the popular representative of R. V. Seetin & Co., Halifax.

The bride was most beautifully dressed in a white chiffon over blue silk carrying a prayer book. The bride entered the room on the arm of her brother, Mr. Albert J. Burns, the wedding march being played by Miss Flora Colquhoun of the bride. After a fairly long luncheon the happy couple left via the car bound express for Halifax and after a short wedding trip will reside in Aylesford.

The bride's going away suit was a sand colored covert cloth with a white to match. Among the out of town guests were Mrs. Joseph Cahill, of Aylesford, mother of the groom, and Miss Ester Cahill, of Halifax, sister of the groom.

The bride received many valuable and useful presents including substantial cheques silverware, linen cut glass, etc., showing the high esteem in which she is held by a large circle of friends.

The MONITOR extends best wishes.

MUCH APPRECIATED

General Manager Graham Extends Special Favor to Bridgetown Party

General Manager Graham's special train which left Kentville yesterday morning at 5.15 in charge of Conductor Dan McIvers, with Mr. Graham, Mr. Youlds and Mr. McQuarrie on board for Digby, to meet Mr. Grant Hall, general manager of the C. P. R., who crossed the Bay via the S. Express, stopped at Middleton and took on a party of about sixteen Oddfellows from Bridgetown who have been working a degree in Middleton and landed them at Bridgetown at 7.30 a. m. at the end of the bridge on the north side of the river.

The company expressed their thanks through Mr. Youlds, to General Manager Graham and as the train proceeded, sang "He's a Jolly Good Fellow."

This favor was very much appreciated. The party included Ex-Mr. Longmire and a number of other leading business and professional men.

MISS BIRD'S FUNERAL

The funeral of the late Miss Marlon Bird, whose death was announced in our last issue, took place Friday afternoon with interment in the Riverside cemetery, the service being conducted by Rev. E. Underwood, rector of St. James Parish. The pall bearers were: Capt. W. R. Longmire, Francis Graves, Harry MacKenzie and Charles Ruffee.

The floral tributes were beautiful. Among the out of town people who attended the funeral were the father, Mr. Thomas Bird, of Windsor, and a brother, Mr. Harold Bird, of St. John. The latter was accompanied by his wife.

A VARIETY SHOWER

A pleasant event took place at the residence of Mr. and Mrs. E. A. Hicks Thursday evening when a number of lady friends of Miss Edna Burns, whose marriage is announced in this issue, surprised her with a variety shower. Music was furnished by Mrs. A. F. Little and others. Refreshments were served. All report a very pleasant evening.

AWARDED FIRST PRIZE

Mr. Owen Graves, son of Mr. and Mrs. M. W. Graves, of Bridgetown, a recent graduate of Harvard University, received a check yesterday of \$100.00, a prize awarded him for highest aggregate.

BORN

HATT - At Middleton, March 9th, to Mr. and Mrs. Ansley Hatt, a son.
BENOR - At Bridgetown, March 13, to Mr. and Mrs. Raymond Benor, a daughter.
MARSHALL - At Middleton, March 13, to Mr. and Mrs. Alben Marshall, a son.
EDWARDS - At Digby, March 17th, to Mr. and Mrs. Richard Ellis, a son.

Local Happenings

Digby Courier: Life preserver belonging to the yacht Oakesella captured during the flood in our office last Saturday.

D. A. R. freight engine No 556 which had been badly derailed near Plympton, has been taken to the repair shops at Kentville.

Sunday was the first day of spring and a robin was seen early Monday morning looking for a place to alight among the ice cakes.

A move is being made by the provincial government to increase the school tax from 50 cents to \$1.00 per capita figured on the last census.

Messrs Beeler & Peters have closed down their mills and camps at the south of Bridgetown and will soon begin operations in their town mill.

Of the two suggestions offered by the editor of the MONITOR by the Annapolis Spectator we are obliged to accept the former "Do without hair."

The regular meeting of the Ladies' Auxiliary of the G. W. V. A. will be held at 8 p. m. on Thursday, 25th in the G. W. V. A. room, Ruggles Building.

Mr. Elias Ramey has sold his trotter to parties in Windsor and has purchased one at Kentville. The latter is an all purpose horse as well as a fast one.

There will be a practice of the Infirmary Decease in Crescent Lodge, I. O. O. F., to-morrow (Thursday) night at which a full attendance is especially requested.

Next week being "Holy Week" there will be a service each evening in St. James' Church schoolroom commencing at 7.30 to which a cordial invitation is extended to all.

Nine passengers were seriously injured on a C. N. R. wreck Monday morning about a half mile east of Belleville station. Two cars left the rail and went over the embankment.

Mr. W. H. Maxwell has been elected secretary of the Bridgetown Board of Trade for the ensuing year and has accepted the position. We believe the appointment is a good one.

A call has been extended by the Central United Baptist church of St. John to Rev. F. H. Bone, B. A., of Bear River (N. S.). Central church has been without a pastor since December 1, last.

Mr. Alfred Johnston, of Central Clarence, has sold out his share of the farm to his brother Mr. Fred S. Johnston and at present is residing with Mr. Thos. Johnston, Granville Street East.

The statement that Jas. F. Berry's farm had been purchased by Messrs. Appleby, which was printed in last week's Granville Ferry news items, is absolutely untrue our correspondent having evidently been misinformed.

ECHOES FROM THE FLOOD

The management of the Dominion Atlantic Railway deserve great credit for the prompt manner in which they got their trains running after the disaster. Their loss will be thousands of dollars, but they were certainly on the job clearing and repairing the track.

Mails reached Bridgetown Wednesday and on Thursday 48 bags arrived, here, the most ever handled in one day in the Bridgetown office - 2 from the east and 21 from the west train.

The Maritime Telegraph and Telephone Co came in for a lot of praise. They kept Bridgetown almost in constant communication with the outside world.

The Western Union Telegraph Co's wires were off from here from Saturday until Thursday.

J. H. Longmire & Sons' loss will reach \$1,000.00; Louis Ricketson more than \$500.00; Parker Whitman's and others in this vicinity will be several hundred each.

Lawrencetown and Annapolis are still in darkness.

Manager Campbell, of Bridgetown's electric light, deserves a lot of credit in getting on the light at 6.30 Tuesday night, the 16th. Bridgetown was in darkness only two nights.

The town authorities should arrange for additional street lights at the foot of Washington street until the temporary bridge is constructed.

Queen street is full of ice cakes opposite the St. James Hotel and many orchards between here and Middleton are filled with ice.

Officials of the Nova Scotia Highway Board say that the damage to the bridges in Annapolis county during the recent flood will be at least \$100,000 and that it will be several months before vehicle traffic across the Annapolis and Lealville Rivers can be resumed. Four steel bridges two wooden bridges, and at least a dozen smaller ones were demolished to a greater or less degree. The largest loss was in the bridge across the Annapolis River at Bridgetown.

CARD OF THANKS

Mr. and Mrs. Lewis Ricketson and family wish to thank all those who so kindly helped to save their stock or in any way assisted during the flood. We wish especially to thank those who braved the storm and ice cakes to remove us on carts to safety, some being wet and having nothing to eat until noon. Also to convey our sincere thanks to Mr. and Mrs. Ralph Bent and Raymond in whose hospitable home we were shown every kindness possible.

A REAL LIVE TESTIMONIAL

From Dr. Professor Hamilton of Hampton

Dear Middle LaHave, June 30, 1911. I can scarcely find words to express my thanks for what Prof. B. S. Hamilton has done for me. I suffered from Catarrh for eleven years. Tried several well-known remedies but kept getting worse, until I was ready to give up in despair. One doctor told me my case was incurable. But thanks to Professor Hamilton's treatment I am cured. I do not hesitate to recommend him to all who suffer as I have.

FOR BETTER SERVICE

Important Meeting of Life Insurance Men

At a largely attended meeting of the Life Insurance men from Hants, Kings and Annapolis counties at Kentville on Tuesday March 9th, there was inaugurated a movement in the forming of a local branch of the Life Underwriters Association which should tend to place this business in a position to give better service to the public of the Annapolis Valley than ever before.

The Life Underwriters Association is an association of Life Insurance men formed with the sole idea of bettering conditions in the field. It is within the memory of many men when the conditions under which the universal commodity was sold was such that to be known as a Life Insurance Man was almost a reproach. The greatly improved conditions and the high standing of the business and day in the public estimation is in very large measure due to the efforts of this association both in improving the class of men who were selling insurance and in improving the conditions under which they worked.

The Life Insurance Men have come to realize that they have a definite duty to perform in supplying to the public a sufficient amount of this most essential protection. When we realize that the Life Insurance Companies on this continent are paying out in death claims to Widows and Orphans over \$3,000,000.00 per day and that in the past 35 years Life Insurance has decreased pauperies in the United States by 33 1-3% we get some idea of the magnitude of the business and of the great service the Life Insurance Companies through their agents are able to render this country.

The Life Underwriters Association has certain definite ideals before it. Among the chief of these are the education of the salesman so that he can better advise as to the plan of insurance which is best suited to the individual need of his client, and thus give better service to the insuring public. The Association also stands for clean methods of business making the interests of the client and agent alike and such practices as twisting policies, misrepresentation of or relating of commissions are directly against the ethics of the Association.

There is no doubt that the formation of such an Association in the Annapolis Valley is a step in the right direction and will enable the insurance men in this district to give even better service to the public than it has in the past. Mr. G. H. Oakes, of the Great West Life, Kentville, is secretary of the Association and one of the insurance men in this district who were not able to attend the opening meeting but wish to affiliate themselves with the movement are requested to communicate with him.

A vain woman may accuse a man of being a flatterer, but never of being a liar.

MOTHERS!

Watch your children's skins. As soon as you see the slightest trace of a rash or sore, apply Zam-Buk. This antiseptic balm will protect the sore place from infection, prevent it from spreading and healing soon follows.

Careful mothers always keep Zam-Buk on hand for their children's injuries—it ends pain so quickly and prevents any possibility of festering. Best for cuts, burns, scalds, bruises, ringworm, scalp sores, eczema and teething rash. All dealers 50c box.

Zam-Buk

BLUENOSE SELLS AUTO INVENTION

Attleboro, (Mass) paper: Clarence M. Frost, the local inventor, has sold the right to manufacture and distribute the More-Less Aerated Water System for automobiles to a Boston party. The price included is a big one, and speaks well for the device which the local man put on the market after years of study and experiment. Mr. Frost will continue as a salesman for the company, establishing agencies throughout the country.

Under the terms of the agreement all the rights will revert to Mr. Frost after a term of 5 years. The plant will be moved to Boston. Mr. Frost is now at work on another device which he claims will be full as satisfactory to automobile owners as the More-Less Aerated Water System. Mr. Frost who makes his home here is a well known resident coming here from Nova Scotia ten years ago. His success is the subject of much favorable comment from automobile men.

FM FEELING FINE

There ain't no use in kickin', friend. When things don't come your way, It does no good to holler round. And grumble night and day. The thing to do is curb your grief, Cut out yer little white; And when they ask you how you are, Just say "I'm feelin' fine."

There ain't no man alive but what is Booked to get his slap; There ain't no man that walks but what From trouble gets his rap. Go mingle with the lurch, old boy, Where all the bright lights shine. And when they ask you how you are, Just say, "I'm feelin' fine."

Your heart may just be bustin' with some Real or fencied woe. But when you smile the other folks Ain't really apt to know; The old world laughs at heartaches, friend. Be they your own or mine, So when they ask you how you are, Just say, "I'm feelin' fine."

OVER SOUTHERN MOUNTAINS NOW ON CANADIAN ROAD

Roughest of Canada's Roads are Like Paved Streets in Comparison with Deserts and Mountain Trails on which New Canadian-made Automobile had its Initial Tests—Invention of New Springs Promises to Revolutionize Light Car Construction.

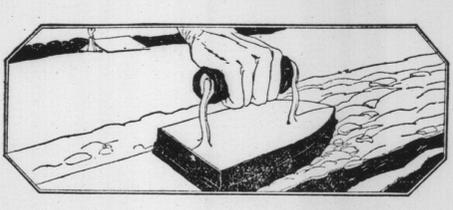

'Tis a far cry from the sagebrush of Arizona and the mountain trails of California to the prairies of Western Canada and the town and country roads of all the other provinces between British Columbia and Prince Edward Island. Yet automobile tests of the severest kind ever attempted over mountains and through streams and the roughest of American country had much to do with a car that is now being made in Canada, by Canadians and for Canadians.

The car in question is the Overland 4, which had 250,000 miles of that kind of testing before the factory at Toronto sold a single car. Since the Canadian factory reached a basis of quantity production, hundreds of the same car have been subjected to rigorous tests on the roughest Canadian roads with the same result. The car has shown its strength, and has proved a sensation from the standpoint of riding comfort. The explanation given by the manufacturers is that its Triplex Springs an entirely new invention, give it all the comfort of a long wheel base car while retaining the economical and other advantages of a car of short wheel base.

The Overland 4 is now being sold every province in Canada. The Bridgetown agents are Beeler & Peters.

Overland

New Triplex Springs Iron Out the Wrinkles of the Rough Roads

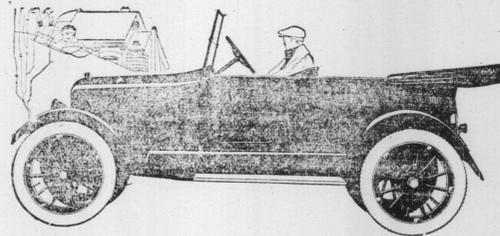

THE wrinkles of rough roads seem smoothed out completely by the wonderful springs of Overland 4.

These springs hold the wheels to the road, while the passengers ride in even comfort. The astonishing qualities of these diagonally attached Triplex Springs have created an utterly new conception of light car riding ease.

Best of all, this heavy car kind of comfort is now obtainable with economy in fuel and tires and remarkably low upkeep cost.

Overland 4 is started and lighted by two-unit electric starting and lighting system. It has rain-vision windshield and unit power plant. It is equipped with all the latest car essentials and conveniences.

A Security that is Well Protected

There is no speculation in an investment in the securities of the Maritime Telegraph & Telephone Company. The value of the Company's property has been fixed by the Public Utilities Commission, and the return allowed is more than sufficient to pay all interest charges. Adequate reserves have been made and retained to cover depreciation, and damage from storms, etc., so that the capital of the Company is well protected. The reserves today are over one million dollars.

The telephone will always be required as an aid to the transaction of business and for social convenience. The growth of its use in Nova Scotia is indicated by the following:—

1912	15,061 telephones
1919	26,406 telephones

The Public Utilities Commission by adjustment of rates whenever such becomes necessary, gives assurance that a return of 8% on the capital invested in the Maritime Telegraph & Telephone Company is practically guaranteed.

CONCERNING "DRIVES"

A subscriber asks us to publish the following clipping from a Halifax paper:

"Should not the end of the 'Drive' be pretty nearly in sight now? It was conceived before, but brought to perfection during the hysteria of the war. It has run to seed. It is a method of extracting money from the public, based on mob psychology. An excited crowd of people can easily be induced to do, when properly worked up, what none of them in cold blood would do alone. It calls, in the first place, for a leader, as all mob activities do. Some individual devises a 'scheme' very often largely for the benefit, direct or indirect, of himself or his friends, which requires a large expenditure of money. He chooses his scheme according to the inclinations or inclinations of the time. He does not need to be particular about details of proposed expenditure so long as what he demands is specious and spacious enough. He invents a high sounding and popular name for his proposition; and then calls his proposed associates into counsel. They, thru the press, under his guidance, do, the rest. The public is prepared by judicious preliminary propaganda; and at last, suddenly deafened by an advertising uproar, those who many not approve are intimidated in a thousand well known and well tried ways. A host of feasts and speeches is organized. And, finally, the 'collectors'—the skilled bulldozers, male and female—are let loose. Woe to him or her who does not come up to the prescribed mark in contribution. Thousands who do not want to give, other thousands who cannot afford to give, are dragged, almost black-mailed, into giving. The prescribed millions are collected; and few ever know what becomes of them afterwards. Mostly they are spent in salaries or otherwise for the benefit of the 'promoters' and their friends. For 'promoters' these 'drive' people usually are, whatever they may call themselves. There is only one way to put an end to them and their methods and that is the good, old, individual way of refusing to be stampeded, and refusing to give unless one is fully convinced. And one is not, or should not be convinced by the assertions of promoters and their agents, but by one's own mind, made up deliberately, in advance. This 'drive' business has become a public nuisance and a public menace. It is epidemic. Is it not time to put a stop to it?"

**LIFT CORNS OR
CALLUSES OFF**

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone coats but a few cents at any drug store. Apply a few drops on the corns and calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

OUR EFFORTS APPRECIATED

To the Editor of the MONITOR

DEAR SIR—I am enclosing Postal Note for three dollars (\$3) for two years' renewal subscription to THE WEEKLY MONITOR. I notice in looking over my papers, that my present subscription expires on the 17th of this month.

There has been a very marked improvement in the paper during the last year, and I am pleased to state that, usually, the paper arrives promptly each week. Wishing the "Old Home" paper the best of luck, I am,

Yours truly,
C. H. BALCOM,
77 McGill Street,
Toronto, Canada.

March 13th, 1920.

MUCH TO BE THANKFUL FOR

At a church conference a speaker began a tirade against education in general and seminaries in particular and expressed thankfulness that he himself had never been corrupted by contact with a college.

After a few minutes the bishop interrupted with the question: "Do I understand, Mr. Dobson, that you are thankful for your ignorance?"

"Well, yes, you can put it that way if you like."

"Then all I have to say," the bishop replied sweetly, "is that you have much to be thankful for."

WIRELESS TELEPHONY

From recent issue of the Evening Mail we learn that an interesting experiment was recently made in wireless telephony between the Canadian School of Telegraphy, Halifax, and the S. S. Powhatan as the latter was sailing from Halifax for New York.

Wireless telephone conversation was carried on till the steamer was over 40 miles from Halifax. The messages for and from the C. S. of T. were received and sent by Leslie Southgate, formerly of Springfield, N. S. but now wireless instructor at the Canadian School of Telegraphy.

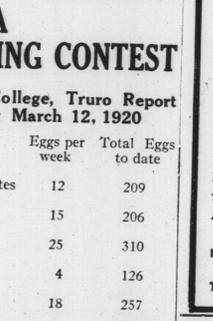

NO WOODEN LEGS REQUIRED

"Please, ma'am," said the servant, "here's a poor man at the door with wooden legs."

"Why, Mary," answered the mistress in a reproving tone, "what can we do with wooden legs? Tell him we don't want any."

Too much money or too little doesn't beget happiness, so try just enough.

LOCAL DEATH ROLL

MRS. MILLEDGE SLOCUMB

At her home, Mt. Hanly, N. S., on March 7th. Mrs. Milledge Slocumb passed to her heavenly rest at the age of sixty-four years, after a lingering illness of fourteen months. She endured her intense sufferings with a courage and christian fortitude that was wonderful. During her illness she was tenderly and lovingly ministered to by her only son and daughter. Sacrificing all personal interests and pleasure they devoted themselves wholly to their mother's comfort and cheer. But all the medical skill or loving care could do was of no avail. The Lord whom she served, had a mansion ready for her, in that "Beautiful land on high," where the inhabitants shall never say, "I am sick. Mrs. Slocumb was a faithful consistent member of the Baptist church. Regular in her attendance at the services she was ready to have her share in its activities also a valued member of the W. M. A. S. of which body she was a life member. But we know, what is our loss is her gain. She has been promoted to higher service in the life beyond.

The funeral service was conducted at the home by her pastor Rev. M. W. Brown, and was largely attended after which interment took place at Port George. A beautiful bunch of flowers from the W. M. A. S. and floral tributes from kind friends adorned the casket. Much sympathy is felt for the bereaved husband, who has lost a faithful wife and capable helpmate for the daughter Mrs. Hallet Daniels, of Mt. Hanly, and son Milford at home, who mourn a very devoted mother, also one sister, Mrs. William Worthylake, of Brighton, Dieby Co., an older sister, Mrs. John Newell, of Medford, Mass., having passed away the week previous.—Con.

MRS. DON W. BISSELL

On the morning of Feb 7th at her home in Buffalo, N. Y., Mrs. Don W. Bissell (nee Pearl Wilson) passed peacefully away to be with Jesus at the early age of twenty four years. A week previous to her death she was taken sick with influenza in a mild form, but this soon developed into pneumonia, and all that loving care and medical skill could do was of no avail. "We loved her well, but Jesus loved her best."

Mrs. Bissell was the daughter of Mrs. Janet Wilson, of Port George, N. S. When but a young girl she went to Keene, N. H., and made her home with her sister, until two and a half years ago she was united in marriage with Don W. Bissell of that place. They settled in Buffalo, N. Y., Mr. Bissell having a position there as chemist.

Their married life was an ideal one. A Son had blessed their union. The grief stricken husband will have the memory of the few short years spent in her companionship to solace him in his sad and lonely hours. But we sorrow not as those who have no hope. In early years Pearl became a member of the Baptist church at Port George, and she lived a life consistent with her profession. Her amiable, cheerful disposition endeared her to all.

Her remains were taken to Keene, N. H., and interred in British Hill cemetery. Her casket was enshrouded by flowers, the last tribute of respect from loving friends. Besides her husband and little son, she leaves a widowed mother, one sister and two brothers to mourn the loss of a devoted daughter and loving sister.

DAVID B. WRIGHT

On Tuesday March the ninth David B. Wright seventy-eight years of age passed peacefully away after a short illness at the home of his daughter Mrs. Leslie Baird, of Clementsvale,

who tenderly cared for him during his last illness. He was laid to rest on the eleventh in Clementsvale cemetery besides his wife who predeceased him twenty one years ago. The funeral service was conducted by Rev. E. G. Dakin, in the Baptist church of which he had been a member over fifty years. Just fourteen years ago the same date his youngest sister, Mrs. William Baird, was laid to rest in the same cemetery. He leaves one sister, Mrs. Elizabeth Floyd, of Virginia East one brother Arthur, of Weymouth, nine sons Forman, Gardner, Milledge and Eustace, of Prineedale, Trueman, of Jamaica Plain, Mass., Martin, of Fitching, Mass., Norris, of Littleton, Mass., Chipman of Leominster, Mass and Lovell, of Milford, New Hampshire, four daughters, Miss Elder Fraser, of Prineedale, Mrs. Samuel Harnish and Mrs. Harry Sibbins, of Greywood and Mrs. Leslie Baird, of Clementsvale, fifty-four grand children, two great grand children, beside a large number of other relatives and friends to miss his familiar face. The esteem in which he was held was shown by the large number who attended his funeral. The pall bearers were four of his nephews, Manning, Dondale, Reginald Baird, Bramin Beelar and Harland Trimmer.

FLORA ELIZABETH RUMSEY

(From the Foxboro, Mass., Reporter) After an illness of but one week, the death of Flora Elizabeth Rumsey, wife of Charles B. Rumsey, occurred at her home on Market street, Sunday evening last.

Deceased was born in Woonsocket, R. I., and had resided in Foxboro about four years. She was a member of the Baptist church in the city of her birth and was an interested worker in all activities of that organization. She was a daughter of George H. and Sarah Usher, and besides her parents, both of whom are living, and a husband, she leaves three sisters, Mrs. Mahal Good, of East Blackstone, Mrs. Herbert Stewart and Mrs. Homer Snow, of Franklin, and Mrs. A. L. Blanchard, two children, Horace E. Mann and Bertha L. Mann, both of Franklin.

Funeral services were held from the home Wednesday afternoon at 2 o'clock, Rev. Ross Eaton, pastor of the Baptist church of Mansfield officiating. The remains were taken to Mansfield for interment in Spring Brook Cemetery.

MRS. ANDREW C. FISHER

Friends will sincerely regret to learn of the death of Mrs. Andrew C. Fisher, which occurred at her home in Toronto at an early hour Thursday morning.

The deceased was formerly Miss Kathleen Wellisz, of Shediac, and at one time a resident of Moncton. Her death was due to double pneumonia. The deceased leaves besides her husband, an infant son, nine months old, also her father and mother.

Mrs. Fisher was a daughter of Conductor and Mrs. Albert Wellisz, of Shediac Cape, other brothers and sisters surviving are, Bert, Frank, Inez, Lawrence and Dorothy.

Both Mr. and Mrs. Fisher have many friends in Moncton having at one time been residents there, when Mr. Fisher was an employee of the Sumner Co. Alderman Sheppard, of Moncton, is an uncle of the deceased.

W. O. GOLDSMITH

Mrs. Angus McPhee, of Dieby, received word on Thursday evening last that her father, William Oliver Goldsmith, had died very suddenly at his home in Perotte. Paralysis was the cause of death, he was only sick one hour. He was 80 years old and leaves to mourn his widow, seven sons, Gordon, in Canning; Hugh in Bridge-

\$150,000 FIRE AT ANNAPOLIS

Five Buildings Destroyed and Several Damaged

In a special edition issued Wednesday noon we reported the fire in Annapolis but as this edition did not reach all our regular subscribers, we are reprinting the following from Thursday Spectator, giving the report in full:

A quick fire broke out about 7.30 Tuesday evening the rear of the Bank of Nova Scotia and totally destroyed that building as well as two others on the north and one on the south, also spreading across the street to the Post Office which was completely gutted and only the bricks walls of which saved other buildings on Church street. The losers are:

Bank of Nova Scotia agency, M. C. McDormand, grocery and dwelling.

Western Union Telegraph Office, Mrs. Mary Gates, residence and dressmaking.

Capt. Norman Roop, Boots and Shoes.

J. L. Jefferson, shoe repairing, Owen & Owen, law offices and American Consular Agency, in the Bank Building.

F. W. Pickels Co also in the Bank Building.

Mrs. (Capt) Jas. Johnson and Reg. Jefferson who resided above the Roop and Jefferson stores.

John McKay, Chief of Police and Janitor of the Post Office Building, whose apartments were on the top floor.

Custom House and Post Office. Above places of business are all gone.

Severely scorched, with windows damaged and losses to contents from moving, are the stores of H. A. West and A. M. King & Son, with the barber and residence of F. J. Miller and the residences of A. M. King and Mrs. Roach above the King stores all across the streets; also the Saunders block and the piano parlors of Paul Blanchard; two children, Horace E. Mann and Bertha L. Mann, both of Franklin.

Owners of the buildings destroyed on the north side of the street are J. L. Jefferson, Major Dan Owen (who recently acquired the Bank of Nova Scotia building) Moore C. McDormand (who had but recently purchased the store and building formerly occupied by J. A. Hart) and Geo. E. Corbit who owned the building of Telegraph Office and Mrs. Gates.

A lot of furniture and effects, belonging to Lt. Col. Higgins who recently went to Florida, were stored in the rear of McDormand's shop but were mostly saved.

The loss in buildings and contents is roughly estimated at about \$150,000. The wooden buildings alone could not be replaced to-day for less than \$40,000. Everyone is said to have more or less insurance except Mrs. Gates, whose loss is large, including a lot of dressmaking in hand for customers. Total insurance about \$45,000.

How the fire started nobody knows. It broke out about 7.15 and the Bank Building, a large 3 story frame structure, was a mass of flames before the firemen could get to work. Fortunately there was very little wind and the firemen were able to cut off the flames from eating into the Saunders Block by fighting with hoses on top of that building. They had hard work preventing the King and West buildings from burning, but the stream of heat and sparks was carried directly against the Post Office and after its roof broke out it soon became a furnace. The fire was under control however within two hours of its out break and the crowds of excited citizens dispersed with sighs of relief.

The Edwards coat office and sheds in rear of the bank, and the steamers Valinda and Granville moored alongside escaped damage.

It is reported that three aeroplanes and a lot of Labrador Expedition material were destroyed in a shed, valued \$8,000 also F. W. Pickels auto valued \$2,500.

This is the most serious fire in Annapolis, Royal in many years. Fortunately as it happened there was very little mail in the Post Office at the time and it was all saved.

town; Stewart, Hill Grove; Oliver and Benjamin, Annapolis; Thomas and Wallace, Perotte; two daughters, Mrs. Angus McPhee, Dieby, and Mary at home; also one brother, Benjamin, at Hill Grove, and one sister, Mrs. James Spurr, Round Hill. The funeral took place on Monday and was conducted by Rev. C. A. Munro, of Annapolis.

MISS ADA E. BENT

Miss Ada E. Bent died at her home in Belleisle last Saturday after a long illness aged 58 years. She was a member of the Episcopal church and highly respected by all who knew her. She is survived by three sisters four brothers, and a large circle of relatives and friends. The funeral was held Monday with interment in the Church Cemetery, the services being conducted by Rev. E. Underwood, rector of St. James Parish.

WAR VETERANS SIDE-TRACKED OTTAWA TRIP

Discussion on Re-establishment Plan A Further Cash Gratuity Favored

MONTREAL, March 24.—The longed of the re-establishment debate which took up practically the whole of today's meeting of the Dominion Great War Veterans' Association side-tracked the motion for adjournment of the convention to Ottawa. Indications are that the re-establishment question will also take up the greater part of tomorrow's sitting and it is doubtful if the adjournment motion will carry.

Discussion on the Calgary cash bonus plan was continued until late in the afternoon when it was cut short by the nominations of officers. This plan together with a sub-amendment calling for the re-affirmation of the Great War Veterans' plan of last year were returned to the committee which will report back to the convention tomorrow morning. Discussion tended to show that all delegates favor further re-establishment and most of them in the form of a cash gratuity. Nominations for president of the Dominion G. W. V. A. for the year following the close of the present convention were then put in. These were Dr. A. Mackenzie Forbes, of Montreal; Canon F. Scott, of Quebec; R. B. Maxwell, of Manitoba; M. Davidson, of Ontario; and C. E. Jenkins, of Ontario.

Nominations for first vice-president were: S. Stullford, of Ontario; W. A. Irwin, Alberta; Captain L. Plante, of Montreal. Nominations for second vice-president were: W. D. Tait, of Nova Scotia; C. E. Doherty, of British Columbia; J. W. Russell, of Alberta; T. Dayse, of Alberta; A. H. Peart, of Ontario; and C. W. Whitaker, of British Columbia.

Dominion executive nomination were: C. Edgett, British Columbia; T. Dayse, Alberta; A. C. Mills, Saskatchewan; C. E. Jenkins, Ontario; C. W. Whitman, Nova Scotia; N. P. McLeod, New Brunswick, and Cyrus Macmillan, Prince Edward Island. Quebec has not yet named its candidate; its choice being Dr. Forbes who is already nominated as candidate for the presidency.

ACCIDENT IN LYNN

Mrs. Adelbert Messinger Seriously Injured

Mrs. Adelbert Messinger, of Granville Ferry, who with her husband has been spending the winter with her daughter, Mrs. C. Boardman Brown, 12 West Baltimore St., Lynn, Mass., met with a serious accident last week by falling on a slippery sidewalk, dislocating her left shoulder and otherwise injuring her. Mrs. Messinger was removed to the Lynn City Hospital and has since been transferred to her daughter's home. She is under careful treatment, and is being made as comfortable as possible. Although Mrs. Messinger is 72 years of age, it is hoped that no serious results will follow. Her injuries however, must be regarded as serious.
