## CITY GASOLINE TAX IS THROWN OUT

### BILL HEAVILY BOMBARDED IN COMMITTEE

Only For Year, Says Potts, Speaking In Support

**OIL CO.'S OBJECT**  
Mayor and Attorney General Have Passage Over Status Of Lawyers

**MOTOR** car drivers in Saint John are among the favored today. The proposed bill by which the city was to tax gasoline was dropped in the Legislature. Following close on that came the announcement that the price of gasoline had gone down one cent a gallon. Following the lowering of the prices in the United States the price here went down so that at noon today White Rose brand gas sold for 33 cents and Premier for 31. Funds remained as it was at 37 cents retail.

By D. LEO DOLAN  
Special Correspondent of The Times-Star  
**FREDERICTON, N. B., April 9.**—The municipalities committee of the Legislature, after private consideration this morning, threw out a Saint John City bill seeking authority to enable the City of Saint John to impose a two-cent tax upon gasoline.

**FREDERICTON, April 9.**—Opposition of a strenuous character developed at this morning's session of the municipalities committee, when the bill which it enacted would give the City of Saint John the right to impose a tax of two cents per gallon on all gasoline sales made in that city, was before the committee. Mayor Potts, of Saint John, spoke in favor of the bill, claiming that the legislation was being requested to provide the city with additional revenue.

**ONLY FOR YEAR.**  
He denied that this bill, if enacted, would make it necessary for other cities and towns in this province to contribute to the tax. The legislation was purely local, Mayor Potts said. This bill would only operate for a year, he claimed, and would become quite evident that a provincial tax on gasoline would be in force next year. He argued that the legislature might graciously give this legislation to the city and pointed out that the province had taken every possible form of revenue out of the hands of the city.

**OPPOSE MEASURE.**  
G. H. V. Belyea, representing the Imperial Oil Company, C. A. Conlon, representing the Canadian Oil Company, Mayor R. L. Phillips and Ald. D. W. Oils, of Fredericton, opposed the bill. Mr. Belyea said that every gallon of gasoline sold in Saint John would be subject to the proposed tax and pointed out that a great portion of gasoline sold throughout the province passed through the Saint John headquarters of the companies. He claimed that every action of New Brunswick would be effected by this tax and that ultimately the consumers would have to pay the tax through increased cost. He argued further that taxes of this nature would eventually force the companies to leave Saint John and added that the oil companies now had property valued at \$2,000,000 within the city limits.

**AUTO ASSOCIATION.**  
J. D. McKenna, M. L. A., for Kings, presented another protest against the bill from the New Brunswick Automobile Association which claimed the tax was an unjust discrimination against the automobile owners of the entire province. Mayor Potts and Attorney-General Hand had a brief interchange during the proceedings. His Worship said Mr. Belyea was simply opposing the bill because he had been paid to do so by the oil companies.

**LAWYERS DEFENDED.**  
Hon. Mr. Rand interjected the remark that he was "fed up" with such comments regarding the action of legal lawyers were within their rights in accepting fees to present the arguments of their clients at any time. His Worship said he meant no offence by the remark.

The bill was finally referred to the committee for private hearing, but that the measure would be favorably reported to the House. Indeed, few bills before the committee this session seemed to meet with such strong opposition from members of the committee as the gasoline act.

**A SURPRISE.**  
Most of the Saint John legislation submitted this session has been contentious, and when W. E. Scully, M. L. A., informed the committee that two other

## New Brunswick Man Named In Divorce Suit of Marquis of Queensbury

### SALE OF MOOSEPATH PARK IS UNDER WAY

**Roads Leading From City To Be Opened For Automobile Traffic Saturday Morning**

**AUTOMOBILE** owners will hail with joy announcement made this morning from W. H. McQuade, provincial tax inspector, that several roads out of Saint John will be thrown open for traffic on Saturday morning.

**THESE ROADS TO BE OPEN**  
Acting on instructions from B. M. Hill, provincial road engineer, the following roads have been declared open, starting Saturday:  
Saint John to Welsford.  
Saint John to Musquodoboit.  
Saint John to the bridge at Ben Lomond.  
The Golden Grove Road.  
The Gondola Point Road as far as the Hillhurst Hotel.  
Saint John to Hammond River Bridge.

The inaugural of motor traffic on these roads this year is one of the earliest in many years, but following detailed reports of supervisors of the roads in the area affected, the authorities have decided to let down the bars.

### TRADE BOARD WILL SUPPORT COUNCIL

**Federicton Asks Federal Cabinet to Take Over Part of City Wharves.**

**FREDERICTON, April 9.**—The Federicton Board of Trade will support the city council in its efforts to obtain provision in the estimates for a portion of the city wharves and their reconstruction in connection with the resolution of the Montreal Board of Trade opposing the action was taken.

**Loss in Fire.**  
Robert McDonald met with a heavy loss in a fire which damaged his residence, Westmorland street. He had the sum of \$100 in the pocket of a pair of trousers and also lost valuable personal effects including his wife's fur coat. Insurance has been applied for. The house, which was owned by Herbert Estabrooks, is not badly damaged.

### INGLEWOOD CASE TO GO OVER AGAIN

**Hearing Set For Next Tuesday is to be Indefinitely Postponed.**

Hearing into the \$750,000 arbitration claim of the Inglewood Pulp and Paper Co., Ltd., against the New Brunswick Electric Power Commission which was set for resumption on Tuesday next, has been indefinitely postponed by Mr. Justice LeBlanc, according to H. A. Porter, one of the counsel for the company, today.

**AUTO ASSOCIATION.**  
J. D. McKenna, M. L. A., for Kings, presented another protest against the bill from the New Brunswick Automobile Association which claimed the tax was an unjust discrimination against the automobile owners of the entire province.

### 500,000 TO EMIGRATE

**34,000 Families Plan Leaving Great Britain For New Australian Homes.**

**British United Press.**  
LONDON, April 9.—Nearly half a million Britons will be sent to people a vast section of Australia within the next decade. The Colonial Office announced a scheme which is to absorb some of the surplus population of the mother country. Some 34,000 families will be transported. Land, equipment and training will be provided free. The Australian government will raise loans of approximately \$170,000,000 and the British government will contribute.

**CRITICIZES N. S. CABINET.**  
OTTAWA, April 9.—Tom Moore, president of Trades and Labor Congress, yesterday criticized the Nova Scotia government and also the "narrow interpretation" of the Red Cross society regarding the use of \$20,000 recently granted by the government for the relief of Cape Breton miners.

### SILASE. RICE DECLINES TO NAME BUYER

**Present Owner Refuses To Make Any Statement**

**LAWYER IN CASE**  
Paul C. Quinn, Barrister, Acknowledges Deal is Being Considered

A report that negotiations are being carried on for the purchase of Moosepath Park, one of the oldest and most famous racing tracks in the province, was confirmed today. Silase E. Rice, owner of the park, acknowledged that the property may change hands in the course of a few days. He did not wish to make any statement regarding the proposed sale at the present time.

### LAUDS HINDENBURG

**Ludendorff, on 60th Birthday, Passes on Banquet For Field Marshal.**

**MUNICH, April 9.**—The nomination yesterday of Field Marshal Von Hindenburg as a candidate for the presidency of the German Reich coincided with the celebration of the sixtieth birthday of General Von Ludendorff, who took the occasion to eulogize Von Hindenburg as "the best spidder in the old German army."

### C.N.R. EMPLOYS MORE

**Average For 100 Miles is 425; While on C. P. R. it is 416.**

**OTTAWA, April 9.**—A comparison of employment on the two Canadian railway systems is made in answers to a series of questions in the House of Commons.

### HELD FOR DEATH

**Manlaughter Charge Against Survivor of Quare in Laprairie, Que.**

**MONTREAL, April 9.**—A coroner's jury this morning sent Modeste Serre, 25, of Laprairie, to stand trial for the criminal courts on a charge of manslaughter in connection with the death shortly before midnight, on Saturday last, of Adolphe Delorme, which took place following a quarrel. Medical examination showed that Delorme had received a blow in the face, which fractured his nose.

### TEACHER HONORED

**150 Former Pupils Launch Memorial Fund For Mulvey at Winnipeg.**

**Winnipeg, April 9.**—Turning back time, 25, 30 and more years ago, one hundred and fifty men and women last night gathered in the "Old School House," recalled the early days, and paid tribute to their master, John H. Mulvey, pioneer educationalist of Manitoba, who died recently.

### Man Drops 1,900 Feet From Moving Plane

**VANCOUVER, April 9.**—Flying Officer A. Carter again demonstrated the feasibility of using parachutes in landing from an aeroplane, when he dropped 1,900 feet from a swiftly-moving plane, and alighted safely on Lulu Island, yesterday. On Tuesday, Carter made a jump of 800 feet.

### Stole Candy From a Baby

**MONTREAL, April 9.**—The means of all thieves has cropped up in Montreal, the fellow about whom many a truth is spoken in jest; he stole candy from a baby. Entering the home of an east end residence, while the family was away, he took a child's basket containing three dollars, and a stick of candy that lay beside it.

### IN DERBIDS BY \$100,000 OFFER TO PETERSEN

**Donald Macleod Confirms Offer to Federal Cabinet**

**10-SHIP SERVICE**  
No Need to Build New Ships For Proposed Programme, He Declares

### SAYS GENERAL VOTE IN JUNE OR JULY

**Sir James Loughheed, in Calgary, Tells of Gossip at Ottawa.**

**CALGARY, Alta., April 9.**—Sir James Loughheed, Conservative leader in the Senate, stated to the Canadian Press that the general impression at Ottawa is that a general election will take place very soon, probably late in June or early in July. Sir James said that his own personal opinion was that a general election would follow shortly after the passing of the budget and estimates.

### THREE CHILDREN DIE

**Succumb to Effects of Automobile Fire—Driver Badly Injured.**

**SAGINAW, Mich., April 9.**—Elatine, 5, and Betty, 4, daughters of Lawrence Boyd, and Katherine Clements, 5, were burned so badly in an automobile fire that they died last night in a hospital here. Mr. Boyd, the driver, was badly burned in attempting to rescue the children.

### MAIZE IS BARRED

**Steamer at Vancouver May Have to Return Cargo to Orient.**

**VICTORIA, April 9.**—Unable to discharge a consignment of maize from the Orient, the Japanese steamer Toyokuro Maru left for Seattle with the freight still in her hold. The Department of Agriculture at Ottawa refused to allow the regulations laid down for the prevention of foot and mouth disease. It is probable that the grain will have to be returned to the Orient.

### 5 GASSED; 15 BURNED

**Shell Explodes Prematurely in Bore of Italian Battleship Gun.**

**ROME, April 9.**—The official version of the explosion on the battleship Carlo Duilio, off Spezia, yesterday, says it occurred during experimental firing. One of the projectiles exploded owing to internal combustion, and five sailors were gassed, and 15 others suffered burns. The damage to the vessel was almost insignificant.

### Girl, Charged With Murder, Threatens To Choke Lawyer

**SAN FRANCISCO, April 9.**—The orderly, threatened to disrupt an order superior court insanity proceeding against the girl today.

### QUIT A. P. POST

**FREDERICK ROY MARTIN, general manager of the Associated Press, has resigned his post to take effect April 21. He will enter business.**

FREDERICK ROY MARTIN, general manager of the Associated Press, has resigned his post to take effect April 21. He will enter business.

### PIT PONIES TAKEN FROM SYDNEY MINES

**No Progress in Dispute Between British Empire Steel Corporation and Miners.**

**SYDNEY, N. S., April 9.**—The transfer of 50 pit ponies from Sydney Mines to Sydney for stabling, and announcement that at a mass meeting in Glace Bay this afternoon the acceptance of the \$5,000 from "Russian miners" for relief purposes, would be considered by the men, were the chief developments in the labor situation this morning.

### 11 KILLED; 50 HURT

**Explosion Occurs as Fireworks Are Being Unloaded at Rio de Janeiro.**

**RIO DE JANEIRO, April 9.**—It is believed 11 workmen were killed and nearly 50 injured in the explosion Tuesday on a lighter from which fireworks were being unloaded for the celebration of the feast of St. John. The force of the explosion destroyed most of the bodies. Forty-six persons received emergency hospital treatment.

### 2 BLOWN TO PIECES

**Premature Explosion at Hamilton Kills Two, Injures One Fatally.**

**HAMILTON, Ont., April 9.**—Two workers were literally blown to pieces last night at the Michigan Central Railway quarries, near Hagersville. A third man was seriously injured and died shortly after. The premature explosion of high power explosives.

### THE WEATHER

**SYNOPSIS.**—The high area which was north of Lake Superior yesterday has moved southeastward to the Middle Atlantic coast, and the southwestern low pressure is now centered over Missouri. The weather has been fair with moderate temperature from Ontario eastward, and the wind warm in the western provinces.

**FORECASTS.**  
Showers.  
MARTIME.—Fresh northerly winds, fair and cool. Friday, moderate to fresh winds, partly cloudy, probably showers near the sea.  
NEW ENGLAND.—Fair and slightly warmer tonight; Friday, increasing cloudiness and warmer followed by showers Friday afternoon or night. Variable winds becoming moderate to fresh southeast and sou'by.  
Temperatures.  
TORONTO, April 9.—Lowest 8 a.m. yesterday night 46. Highest during day 62.

### SIR JAMES DUNN ALSO DEFENDANT IN WIFE'S ACTION

**Co-respondent in the Case Is Native Of Bathurst**

**LONDON IS AGOG**  
Notices of Two Similar Cases In High Society Published Wednesday

**New York World Cable. (Copyright.)**  
LONDON, April 9.—The Marquis of Queensbury has filed a divorce petition against the Marchioness, citing as co-respondent, Sir James Hansel Dunn, according to the Westminster Gazette today.

Lady Dunn, wife of Sir James, also has filed a petition citing the Marchioness as interloper. Both cases are undefended.

### BORN IN N. B.

**Sir James, who is 50, was born at Bathurst, New Brunswick. He married Miss Gertrude Paterson Price in 1903. His practical law in Halifax before going to England where he is a prominent and wealthy financier. He was made a baronet for services during the war.**

This news, which makes the third announcement of pending divorces in the British society in the last three days has created a considerable sensation, following as it does the revelations of the Dennistown case.

### TWO MORE CASES.

The other two cases announced in the Daily Mirror Wednesday are the divorce proceedings of Viscount Gort, V. C., against his wife and those of Lady Kitty Vincent against Brigadier General Sir Berkeley Vincent. Both men are prominent in military as well as social circles.

### HERRIOT TAKES UP CUDGELS IN HOUSE

**French Premier Assails Finance Policies of Former Administration.**

**PARIS, April 9.**—Premier Herriot, suddenly assuming the offensive in the Chamber of Deputies today, made sweeping charges of faulty administration of the treasury against every government since the armistice, blaming them for the present financial crisis.

### PREMIER EXPLOSION AT HAMILTON KILLS TWO, INJURES ONE FATALLY.

**HAMILTON, Ont., April 9.**—Two workers were literally blown to pieces last night at the Michigan Central Railway quarries, near Hagersville. A third man was seriously injured and died shortly after. The premature explosion of high power explosives.

### LOVDY GEORGE SAILS

**LONDON, April 9.**—Former Premier Lloyd George, who has not yet entirely recovered from his recent illness, embarked today at Southampton, for a trip to Madeira, where he will spend an Easterly recuperative holiday. He was accompanied by Dame Lloyd George.

### REPRIEVE ASKED

**CHICAGO, April 9.**—Governor Small was to be asked today to reprieve Russell Scott, former Toronto promoter, under sentence to be hanged April 17. Charles P. B. MacAulay, counsel for Scott, announced.

# POOR DOCUMENT M C 2035

THE EVENING TIMES-STAR, SAINT JOHN, N. B., THURSDAY, APRIL 9, 1925

## BILL HEAVILY BOMBARDED IN COMMITTEE

Continued from Page 1.  
city bills were ready for consideration, adding "these are not contentions," C. J. Morrissey, M. L. A. for Northumberland, remarked "Who made that mistake?"  
The committee room rocked with laughter following this interjection.  
**SIMONDS SEVERAGE.**  
The committee considered the bill relating to sewerage in the Parish of Simonds. Reporters Taylor was in opposition and Commissioner Wigmore in support. The bill was taken into private consideration.  
The committee considered the bill to amend the Municipalities Act relating to the Parish of Simonds. The bill relating to property of inmates of the Saint John Municipal Home, which was agreed to.  
The bill relating to town of Hartland assessment stands for further consideration.  
The committee also agreed to a bill relating to city of Fredericton assessment, a bill relating to building restrictions in the city of Fredericton and the bill relating to Saugage Corps and Fire Police in the city of Fredericton.

## Here With Horses To Sell in Nova Scotia

Each bringing a carload of horses from Alberta, A. E. Armstrong of Medicine Hat and J. D. Marr of Calgary, arrived here this morning over the C. N. R. on their way to Nova Scotia, where they expect to dispose of their horses.  
Mr. Armstrong said the last winter had been very hard on cattle in Southern Alberta. During January there had been a thaw and when the cold returned the grass was coated with ice so that the cattle could not dig through to the grass, on which they feed during the winter. Thousands of cattle and horses had died and the farmers and ranchers suffered heavy financial loss.

## TO END TODAY

The X ray demonstration at the General Hospital will come to an end this afternoon. Dr. A. S. Kirkland said this morning that it had been most successful and those attending had received a great deal of very valuable information on radiographic work.

## Notices of Births, Marriages and Deaths, 50 cents.

**DEATHS**  
LARSEN—At the Saint John County Hospital, Wednesday, April 8, 1925, Dorothy M. wife of John Larson, leaving behind her husband, an infant daughter, her father, one sister and one brother to mourn.  
Funeral from the residence of her father, 107 Chesley street, Friday afternoon at 2 P. M. Burial in St. John's cemetery.  
DONALD—Suddenly, at Ottaville, Quebec, Co. N. B., April 8, 1925, Mrs. John A. Donald, leaving her husband, one son, and five brothers to mourn. Burial in St. John's cemetery.  
LEWIS—At Montreal, Mass., Mrs. Mary Lewis, on April 7, leaving four sons to mourn.  
Funeral Friday.  
JAMES—On April 9, 1925, Edmund Vincent, infant child of Mr. and Mrs. John D. James, 83 Clarendon street. Funeral on Friday morning.  
CRUISE—On April 7, at the residence of her niece, Mrs. Louis M. Owens, daughter of the late John and Catherine Cruise of Bathurst, died at noon today at the home of her niece, Mrs. Louis M. Owens, 83 Clarendon street. Miss Cruise had resided with her niece for many years, and had a large circle of friends in Saint John. She leaves two sisters, Sister Mary Agnes of St. Vincent's convent, and Mrs. Elizabeth Dalton of Waterloo street; three nieces, Sister Bridget of the Moncton convent, Mrs. John Owens of 6 Harris street, and Mrs. Louis M. Owens, with whom she resided; and one nephew, W. J. Quinn of the Canadian Marine Department, Ottawa, who arrived yesterday and will remain until after the funeral.

## TRAGEDY ATTENDS ON "WHITE MAGIC"

Brothers Seek Cure of Illness and One Goes Out of His Mind.  
PARIS, April 7.—Despite education and the almost daily exposure of impostors in the newspapers, superstitious faith in the powers of charms and magic potions still persists strongly in some country districts of France. A particularly painful example has just come to light at Tarbes.  
Two brothers, Andre and Simon Moren, employed on a farm at Gondrin, were ill and an acquaintance induced them to consult a woman who, he said, by means of supernatural powers, would restore them to health at once.  
They borrowed and paid her 3,000 francs and were given a potion, and told to carry a sprig of a certain plant in their pockets.  
Losses Reason.  
Time went on, and there was no improvement in their condition. Neighbors began to ridicule them and at length word got about the case reached the police.  
The woman was arrested but meanwhile disappointment and anxiety about the heavy debt he had contracted caused Simon Moren to lose his reason, and he is now confined in an asylum.

## Chicago Elevator Youth, 21, Will Wed Iowa Poetess, 50

British United Press.  
CHICAGO, April 8.—Against a tropic background of massive ferns and fragrant Easter lilies in the conservatory of a Chicago public park, Mrs. Ida Campbell, fifty years old, will Saturday wed the bride of 21-year-old James Weaver.  
Mrs. Campbell, writing under the pseudonym "Billie," became widely celebrated 19 years ago as a poetess in her home city of Des Moines, Iowa.

## This Photo Was Sent By Wire

Dorothy Ellingson, her father and brother (left to right) in court in San Francisco where the girl's sanity is being tested following the murder of her mother. The picture above is the first ever sent commercially over a wire and marks the beginning of a new era in transmission of news pictures. It was put on the wire at San Francisco by N.E.A. Service and relayed to Cleveland and New York by the American Telephone and Telegraph Company. A photograph is filed and sent in the same manner as one files a word message. Thus it is possible to print in New York a picture on the same day the photograph is made in California.

## Eight Years Ago Today Canada Won Fame on Vimy Ridge

Eight years ago today members of the Canadian forces in France were engaged, along with other allied troops, in the great drive which resulted in the wresting of the heights of Vimy from the grip of the Germans. The battle was one of the fiercest of the Great War and the fact that Canadians bore the brunt of the attack and were successful in reaching the objectives named for them, won lasting renown for Canada.  
Many Canadians lost their lives in that great battle and the anniversary of the battle of Vimy Ridge, April 9, 1917, is a date that will always have an important place in the history of the Dominion.

## Local News

**EASTER GREETINGS.**  
Ninety decorated telegram forms and envelopes for Easter greetings are being used by the Canadian Pacific Telegraph this year. The designs are in purple and gold.  
**CHILD IS DEAD.**  
Friends of Mr. and Mrs. John D. James mourn with them the loss of their infant son, Edmund Vincent, who died this morning at his parents' home, 83 Clarendon street. The funeral will be held on Friday morning.

## ODDFELLOWS GET 2 MEETING PLACES

Opera House and Pythian Castle For Great Convention Here in August.  
When the Grand Lodge of the Maritime Provinces, Independent Order of Oddfellows, meets in Saint John in the second week of next August, the business sessions will be held in the Opera House, arrangements to this end having been completed. The first day, Tuesday, will be taken up by the Grand Encampment and Wednesday and Thursday will be for the Grand Lodge. It is expected that there will be upwards of 800 delegates and other visitors here from all parts of the Maritime Provinces, with these meetings and the annual gathering of the Rebekah Assembly, which will be held the same time. The Rebekah meetings will be held in Pythian Castle.

## CLAN ORGANIZER IS HELD FOR ATTACK

Girl Accuses Former Dragon on Five Charges of Alleged Assault.  
INDIANAPOLIS, April 7.—D. C. Stephenson, former grand dragon of the Ku-Klux Klan in Indiana, was indicted on five charges of conspiracy with an alleged attack on a Madge Oberholzer, of Indianapolis. Indictments also were returned against Earl Kinck and Earl Gentry, said to have been companions of Stephenson. Stephenson gained prominence as an organizer of the Klan in 21 Northern states.

## COOK OFF TO PRISON

FORT WORTH, Tex., April 8.—Dr. Frederick A. Cook said an revolver, but not good-by, to Fort Worth.  
"I'll be back some time," the physician-explorer-writer-oil promoter convicted told friends who saw him depart for Leavenworth prison. "Texas has been the scene of my bitterest trouble, but I plan to make it my home and practice medicine here when I am free again."

## SERVICES OF HOLY WEEK ARE BEGUN

Priests From Outside City Come to Cathedral For Special Ceremonies.  
The special Holy Week services at the Cathedral were begun last evening with the chanting of the Te Deum. This morning pontifical mass was celebrated by His Lordship Bishop LeBlanc who also blessed the oils that will be used by the priests of the various parishes in baptism and extreme unction during the next year. The Blessed Sacrament was borne in solemn procession to the repository in the Virgin's Chapel there, to remain until the mass of the Pre-Sanctified on Good Friday.

## Funerals

Mrs. Annie M. Smith  
The funeral of Mrs. Annie M. Smith was held this afternoon from the residence of her brother-in-law, Henry Kein, 200 Rockland Road to Fernhill. Rev. Hugh Miller of St. David's church conducted service at the house at 2:30 o'clock. Flowers were sent in tribute to the esteem in which Mrs. Smith had been held by her associates in St. David's church, as well as among her immediate relatives.

## STILL MORE CATTLE

Approximately 1,300 Head to be Shipped From Here Over Week-end.  
It was announced at C. P. R. headquarters this morning that 22 more cars of cattle left Montreal this morning for shipment from this port on the S. S. Manchester Corporation. There are approximately 480 head in the shipment, which is due to reach the city tomorrow about noon.  
Today 83 cars, containing approximately 700 head reached the city over the C. P. R. and seven over the C. N. R. This will bring the total up to approximately 1,800 head to be shipped on three liners from here over the week-end.

## FREDERICTON MARKET.

Fredericton market prices on Wednesday were: Butter, 85 to 88 cents; Eggs, 30 to 35 cents; Poultry, 85 cents; Pork, 13 to 15 cents; Veal, 8 to 10 cents; Potatoes, 81; Parsnips, 83; Carrots, 82.50; Turnips, 78 cents; Apples, 82.50; Maple honey 80 cents.

All Lloyds Here  
Every shape and every color in Lloyd Loom Baby Carriages saves your shopping steps by being present at one store—Marcus.  
Spring days mean Baby airings, enough to make up for those lost these last few months. You can give your wee one the best of everything else, but the full bloom of roses keeps out of its cheeks until Baby begins to really live by daily trips outdoors. Lloyd Loomed Wicker has no short ends to catch clothing or scratch infant skin. While the Carriages go as low as \$24, see the English Coach at \$34.35 with its strap suspension, giving double riding safety against shocks. Corduroy upholstered throughout.  
Window displays also include Reed Strollers for older Babies at \$12.95 and Go-Carts at \$5.50.

SMOKY CITY CLEANER  
Thoroughly Cleans Wall-Paper  
IT SAVES MONEY.

FOR EASTER and ROSE BALL  
Blonde, Penny and Black Satin vie with Patent and the new Silver and Gold Brocade. Then Tan with Apricot Kid collar, perforations and trelis. Heels are Spanish Louis and full Louis.  
See high riding straps in Black Satin, leather heeled. See Blonde or Penny Step-in. Pumps with Apricot Kid in fanciful piping about the vamp top. See Blonde Satin Ties.  
Satin runs from \$4.50 to \$11.50. Beauties on either heel with cutouts and hidden gore that hugs neatly and surely, priced at \$6.75. Others with Mat Kid trim and daintiest gore, either heel and widths B. C. D., \$6.75.  
View the Blonde Satin with Lizard heel, also the Patent Gore Pump with quarter or real Alligator.  
Patent Tie Colonial with scalloped seaming and covered Louis heel, from \$5.50.  
Three eyelid Oxford Ties in widths from AA. In Mellowtone Calif. \$7.25 to \$8.50.

The Evening Times-Star

The Evening Times-Star printed at 23-27 Canterbury Street, every evening (Sunday excepted) by New Brunswick Publishing Co., Ltd., J. D. Wilkins, President.

SAINT JOHN, N. B., APRIL 9, 1925.

A REAL OPPORTUNITY.

We know the tourists have been leaving more and more money in New Brunswick year after year. Our system of good roads has been extended and as automobile traffic has greatly increased, but we do not yet realize what a vast income will come from tourists here when our attractions have been properly made known, and when hotel accommodation in many of our beauty spots throughout the province has been provided.

Let us illustrate. Ontario is a great mining province, and last year the products yielded by its mines were valued at \$74,000,000. But, according to an estimate of the Ontario Minister of Lands and Forests, tourists last year spent in Ontario \$90,000,000, a great deal more than the value extracted from the mines. Moreover, there is this difference, which is pointed out once more by the Ottawa Journal, that while mining and lumbering activities must decrease the natural resources, the tourists who spend \$90,000,000 carry away with them nothing but an impression of the scenery and the desire to come back.

For New Brunswick, as for Ontario and the other provinces and states which profit so greatly from tourist travel, the amount spent by such visitors is found money. We in New Brunswick, while we go on developing our natural resources, harnessing our streams and developing paper mills and other new enterprises, might just as well have an immense and wholly additional income from tourist travel. It is a vast and supplementary source of income which we have scarcely begun to tap.

TO BUILD UP CANADA.

The proposal of the Toronto Board of Trade to begin, with the assistance of other boards throughout the country, a campaign to secure agreement between the different provinces "on certain fundamentals connected with the economic life of this country" is commended by the Edmonton Journal, which, like a great many other Canadian newspapers to-day, is pleading for greater unity and co-operation. The idea behind this movement, as the Journal sees it, is that through wise concessions as between the provinces, unity might be established from Halifax to Vancouver, bringing in its train a greater measure of national prosperity. The Journal says:

"There is nothing utopian about the project. If we are to realize the opportunity which is open to us to build up a great nation out of our widely scattered and divergent elements and to bring the prosperity which our wealth of natural resources should give, it is essential that action along these lines be taken. Progress must be slow with different sectional interests pulling constantly in different directions. The principle of give and take, with the welfare of the whole country always uppermost, must be adopted if we are to have any hope of making a substantial and rapid advance. A get together spirit has been manifested in recent months to a quite exceptional degree and everything possible should be done to translate it into positive results."

A reading of Canadian newspapers from day to day shows that one aspect or another of this question of a more united and contented Canada is under consideration in many quarters. The Montreal Star gives editorial endorsement to an address delivered before the Knights of Columbus in that city by Mr. F. A. Covert, in which he urged the necessity for the people of Canada to abandon sectional thought, and to think as a nation, as one unit, not as a number of divisions. That speaker finds urgent need for a concerted national movement designed to develop a fuller national spirit. The Star agrees with Mr. Covert in saying that Canada-to-day is much too dispersed to think in sections and in advocating a movement towards a more complete Canadianism. "In this," it says, "the other provinces have an equal interest with ourselves. Already there are signs of an awakening to a sense of uneasiness at existing conditions, and addresses such as that delivered by Mr. Covert will do good if they serve to stir that sense and make it still more acute."

Behind all these speeches and articles there is that feeling, so prevalent in the Maritime Provinces to-day, that a getting together and a common understanding of the concessions and agreements vital to a more healthy national life are urgently necessary.

From far and near in Canada there come echoes of the mission announced by The Telegraph-Journal and The Times-Star, and the widespread discussion thus aroused has undoubtedly paved the way for action to meet the needs of the hour.

OCEAN RATES.

The parliamentary committee which is to hear evidence on ocean rates has finally been organized at Ottawa, with Mr. A. R. McMaster as chairman, and the brief preliminary session held yesterday, indicates clearly enough that the fight between opposing forces will be lively and prolonged. Representatives of the steamship companies are to be heard when the committee meets again, and the author of the Preston report will be one of the early witnesses. The first session of the committee showed that there is considerable opposition to the proposed changes in its composition, and both Mr. Preston and the steamship witnesses will evidently be subjected to rather searching cross-examination.

It is expected that considerable latitude will be given in introducing testimony either for or against the government's proposals, and it is well that the inquiry is to be wide open in this respect, inasmuch as the subject has proved to be highly controversial. After all, it should not be an exceptionally difficult matter to ascertain whether Canada's export and import traffic is suffering from grave discrimination at the hands of the steamship companies. One of the features of the hearing will be a detailed comparison of rates on the Canadian routes and rates on other routes. Among the definite charges which have been made is the statement that foreign traffic has been better treated in the matter of rates than Canadian freight and passengers.

The Ottawa despatches indicate that there is considerable opposition to the government's proposals involving heavy subsidies for a new line of ships, but feeling on that question will, or should, undoubtedly, depend very greatly upon the actual facts produced during the committee's inquiry. There has been evidence of considerable partisanship and prejudice in connection with this issue, and it is to be hoped that this may be dispelled to some extent by the production of facts the significance of which will be clear to all. Ocean traffic is a matter of such vital concern to every part of Canada that this inquiry will be followed with uncommon interest.

MOTOR CRASHES.

There were 20,781 motor vehicle accidents in Connecticut in 1924. The causes of these have been carefully tabulated and analyzed by the Highway Commissioner. A reading of his report and deductions is useful in the sense that the figures speak for themselves and the element of prejudice is absent. The report shows that of the 20,781 accidents no less than 14,550 were due to "recklessness of motorists." There were 292 fatalities and 7,128 people were injured. The property damage was estimated at \$1,818,000.

In subdividing the causes of accidents, the Commissioner finds that 4,228 were due to "inattention." By this is meant that one driver or the other was thinking about something else, or had allowed his attention to be diverted, until a crash was inevitable. Attempts to hog the road were a fruitful cause of mischief. Some 3,566 accidents are credited to failure to grant right of way, a habit for which it is difficult to find any excuse. It is astonishing to read in this report that 1,160 of these Connecticut accidents were due to driving on the wrong side of the road. Skidding is held responsible for 1,780 accidents of one sort or another, nearly all of which must be classed as avoidable by prudent drivers.

It is worth while recording some other causes of wrecks merely by way of warning. Hundreds of accidents were due to careless backing, inexperience, failure to signal a turn or a stop, following too closely, cutting in, intoxication, and cutting corners. Too much is left to "the other fellow." He is the chap who causes most of the trouble. Constant caution is the only safeguard against him. "The other fellow" is another name for all reckless drivers and for all pedestrians who do not show the care and vigilance demanded by modern traffic conditions and by due consideration for their own lives and the lives of others. The good driver escapes a lot of trouble and has a clear conscience.

Behind the Hindenburg movement in Germany, the New York Times says there lurks "the idea of a Monarchist restoration." The Nationalists do not officially advocate this, but it is in the thoughts of most of them. In this connection it cites the recent declaration of Prince Rupprecht of Bavaria that he looks for the return of a Hohenzollern after ten years or so.

Superfluous Detail. From a story—"Nell stirred his coffee with a steady brown hand and ran a casual eye down the columns of his newspaper." Presumably the color band we should expect him to have after having his coffee with it.

Odds and Ends

Why They Fell 1,000 Feet

(Chicago Journal of Commerce.) Although admiration has been evoked by the courage of the army aviators who jumped from their planes and let themselves fall great distances before dropping their parachutes, yet there have been many to protest that the risks taken by the aviators were not of all proportion to the practical value of the announced purpose of their deeds—namely, to test the truth of the belief that men falling great distances become unconscious from the fall.

Those making this objection have pointed out that if the theory of the loss of consciousness by falling had proved in the aviators would have become unconscious in the air and, being unable to open their parachutes, would have been killed. Surely, it is argued, the United States government should not spend \$200,000 on a test of a belief of no immediate practical value. But now it has been revealed that the test had another purpose—one of immediate practical importance. The test concerned the merit of parachutes as equipment for aviators.

In opposition to the use of parachutes, it has been argued that a burning or otherwise disabled airplane would fall as fast as, or faster than, an aviator holding on to a parachute, which would delay his speed; that thus the aviator would become entangled with the disabled plane; that he might as well stay in the plane and meet his death without making a futile attempt to escape. The parachute tests recently made were planned as a result of the foregoing objection. The aviators made an experienced aviator remain conscious while falling 8,000, 1,000 or 1,200 feet in order to get a satisfactory answer to his question: "What is falling in this direction?" For if he can remain conscious while falling, he can open his parachute and then pull the cord of his parachute and float down safely to earth.

The answer to the question is Yes. And the tests are now shown to have been no piece of dexterity, but a careful attempt to ascertain how to save the lives of aviators in disabled planes. That attempt has succeeded. Parachutes are valuable. The aviators made a personal vote for the minister, and to remember they could vote to go in to the United Church, but once in could not vote out as a congregation. He read the account of a sermon by Rev. Dr. S. D. Chown, in Centenary church, and took exception to statements concerning literature being published by the Anti-Union party, telling the people that the Methodist Church denied the Divinity of Christ. Dr. Corbet said he had never heard of such literature, and if any had printed it, he would like to see it. He asked them to inform him.

He wanted to know whether Unionists wanted the vote taken before June 10 as a means of exacting the "pound of flesh," or for ecclesiastical necessity, deployment of the pulpits as a "cavalry's castle" and saw an attempt to snatch civil liberty from the good strong Presbyterian Church in the joining of Methodist and Unionists in New Brunswick.

DR. DICKIE. Prolonged applause greeted Dr. Dickie who said he brought the greetings of "Presbyterian Presbyterians" in Quebec and Ontario, and said he had assurance there was going to be a change of opinion in the present Canada after Union was effected. He felt confident good was coming of this movement for Union. There were bound to be divisions in the Presbyterian Church because of its belief in the right of private judgment, and

ADDRESSES ARE GIVEN AGAINST CHURCH UNION

every time there had been a division of religious fervor and a revival of interest in religion. He believed there was evidence of that revival at the present time, and while he saw divisions must come he pleaded for only the best of goodwill in the process.

QUOTES CONFESSION.

He discussed some of the reasons that had been given for entering Union. There was the statement that loyalty to the Presbyterian church demanded it because the General Assembly had spoken. The church councils were not the church, Dr. Dickie maintained, and that was upheld by the words of the "Confession of Faith." "All synods may err and are, therefore, not to be taken as a rule of faith or practice, but merely as a help thereto." He held further that the General Assembly was not representative and never had been.

MINISTERS AND LAYMEN SPEAK AT PYTHIAN CASTLE MEETING

BETWEEN 400 AND 500 PEOPLE THERE. Rev. R. W. Dickie of Montreal and Local Speakers Heard.

Between 400 and 500 people assembled in the Pythian Castle last night for the meeting held under the auspices of the New Brunswick branch of the Presbyterian Association which was addressed by Rev. R. W. Dickie, of Knox-Crescent church, Montreal, and was characterized by the warmth of the frequent applause and the vigor and fervency of the speeches. Dr. G. G. Corbet, president, was chairman, and other speakers were Charles Robinson, Rev. Moorhead Legate, Rev. E. A. Kerr, of St. George's, and Rev. J. W. Britton.

DR. CORBET SPEAKS. Dr. Corbet urged his hearers not to make their votes for or against union a personal vote for the minister, and to remember they could vote to go in to the United Church, but once in could not vote out as a congregation. ## DESERT SAND GIVES UP DEAD AFTER MONTHS

Skeletons of Two British Flying Officers Are Found

MEN WERE MISSING SINCE LAST JULY

Aeroplane Discovered, Little Damaged, But Sand Had Hidden Bodies.

LONDON, April 9. — One of the strangest mysteries in the history of flying is now puzzling the Air Ministry. It concerns two sun-bleached skeletons which have just been revealed by the shifting sands of the desert in Iraq. The skeletons have been identified as those of Flight-Lieut. W. J. Day and Pilot Officer D. R. Stewart, two members of the Royal Air Force who mysteriously disappeared while on a flight last July.

A remarkable fact is that, though their machine was found derelict by search parties in July, there was no trace of the two officers, though aeroplanes searching on the ground scoured the desert for five days.

Caught in Sand Storm. The aeroplane in which Flight-Lieut. Day and Pilot Officer Stewart set out on their last flight was discovered 18 miles south of the Basrah-Nasiriyah railway line. From the fact that it was still in good flying order, it is assumed that the officers were obliged to make a forced landing because of a desert sand storm. Minor damage to the machine was easily repaired, and it was flown back to the aerodrome at Shaibah from which Day and Stewart had set out. They belonged to Squadron No. 84,

which was stationed there. But there was no sign of the two men until the skeletons were found a long distance from where the aeroplane had been located, and six miles apart.

Tragedy Reconstructed. The theory is that Lieut. Day may have been injured in the landing during the sandstorm, and that after setting out on the long march he collapsed or lay down to die. Possibly Stewart then continued his journey, help for his comrade, and was himself overcome by the blazing heat, after he had gone six miles. Every storm alters the face of the desert, and the shifting sands had probably covered up the bodies before the first search party arrived. Then the sands shifted again and the desert gave up its dead, but not its grim secret of the way the tragedy happened.

CALGARY EDMONTON HALIFAX HAMILTON OTTAWA QUEBEC ST. JOHN, N.B. ST. JOHN'S, Nfld. TORONTO VANCOUVER VICTORIA WINNIPEG

## Can you answer "Yes"?

Does your body eliminate its wastes properly?  
Is it free from digestive and skin disorders?  
Has it the strength, the energy, you need?

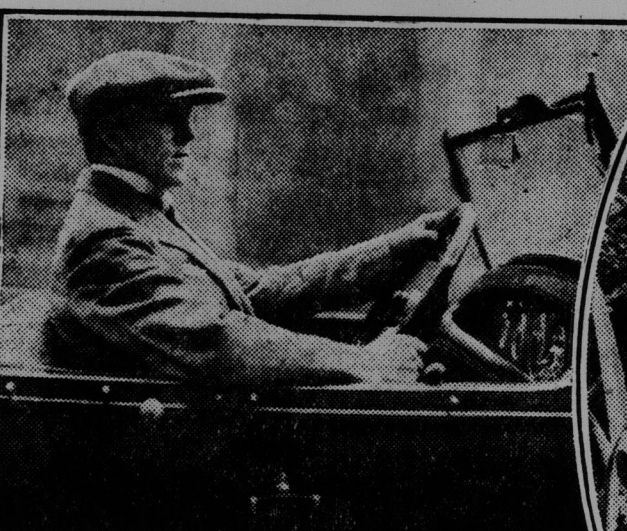

"WHEN I CAME HOME after exhausting months of study, I suffered from indigestion and my face was covered with ugly pimples. A doctor recommended Fleischmann's Yeast so highly that I consented to try it. The effect was marvelous. In three weeks my pimples were drying up. In two months I was cured—my color was like that of a school-girl, and my digestion was superb."  
(Miss Blanche Prochert, Sorel, Que.)

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food. The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy. Eat two or three cakes a day before meals: on crackers—in fruit juices or milk—or just plain. For constipation especially, dissolve one cake in hot water (not scalding) night and morning. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today! And let us send you a free copy of our latest booklet on Yeast for Health. Health Research Dept. 427, The Fleischmann Company, 205 Simcoe St., Toronto, Ont.

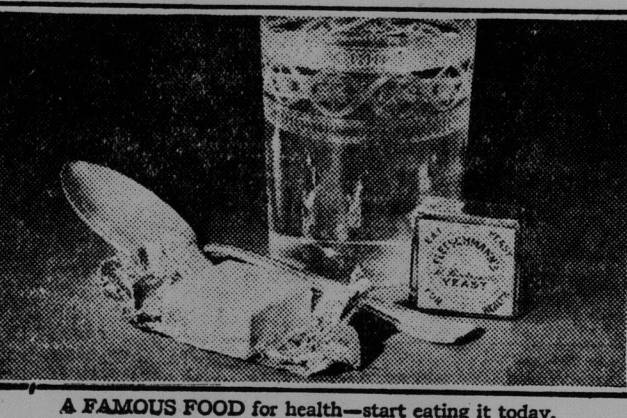

"I FELT BADLY for nine years. I was always tired in the morning—my food did not digest and I had fainting spells. Then I met a strong and healthy hotelier who told me to eat Fleischmann's Yeast. At last I tried it. Now I am entirely well. I am 49 years old, but feel as I did when thirty, and I do the hardest kind of work with pick and shovel every day."  
(M. B. Dolken, Denver, Colo.)

"I HAD BEEN suffering from constipation, stomach ills and headaches for about ten years. A well-known physician suggested that I eat Fleischmann's Yeast. I ate two cakes a day with results that amazed me. Fleischmann's Yeast put an end to headaches, stomach ills and constipation and restored my vitality. I eat it for several months each year to keep myself fit."  
(John B. Kinstler, Bellevue, Ky.)

"HAVING SOLE CHARGE of a little Mission on the top of the Blue Ridge, I did my own housework, taught the day school, gave Visiting Nurse work, and conducted a Clothing Bureau. . . . In March, 1924, we had deep snows and weeks of heavy clouds. I began to feel very ill. My spirits went down to zero. Then one day I opened the mail and found my order of Fleischmann's Yeast. The stories I had read flashed into my mind, and I began to eat those silver wrapped cakes. That day appetite and vigor began to return—I sincerely believe Fleischmann's Yeast saved me from a serious breakdown."  
(Miss Adah Prescott Knight, Upper Pocomo Mountain, Pa.)

A FAMOUS FOOD for health—start eating it today.

FLEISCHMANN'S YEAST IS MADE IN CANADA

"BEING A TEACHER of music, I have consequently suffered more or less from the ills which attend a life of physical inactivity. I was a 'doubting Thomas' about Fleischmann's Yeast, but finally I decided to give it a trial. I am enthusiastically converted. By its use I have overcome the dizziness, sick headaches and constipation that for years were a serious handicap to my health and work."  
(Miss Marie Crosby, Esmd, Okla.)

### INDIANS OWN MANY ACRES IN THE DOMINION

106,000 in Canada Own Large Track of Land Here

ENGAGED IN MANY OCCUPATIONS

Government Encourages Work Among Original Inhabitants of Country.

The total number of Indians in Canada is 106,000, of whom 30,000 are to be found in the prairie provinces—Manitoba, Saskatchewan and Alberta. The Indians own 3,600,000 acres of land and the amount of band funds held in trust for them is almost \$12,000,000. They own livestock worth \$65,000,000. There are 326 schools provided by the government for their education—day schools, boarding schools and industrial schools—and the average attendance at these is 18,000 pupils out of a possible 16,000 of school age. About 10,000 Indians still cling to their aboriginal beliefs, and of the remainder about half are Protestants and half Roman Catholics, says Industrial and Agricultural Progress of Canada.

While the Indians of Eastern Canada are engaged in a variety of occupations, being in extensive demand for hunting, guiding, bushwork, etc., the majority of those in the prairie provinces follow agriculture almost exclusively. In 1923 they had 68,486 acres of land under crop, an increase of 18,942 acres over 1922. On this they produced 1,276,379 bushels of grain, an increase of 531,669 bushels over the year before.

A very fine example of the intelli-

gent encouragement which is being given by the Canadian Government and the progressive work being accomplished through the active and enthusiastic co-operation of the Indian population is given in the case of the File Hills Indian Reserve in Saskatchewan, where wonderful results have been achieved. Under the Commissioner's policy a portion of the reserve was set aside for graduates of boarding and industrial schools, and this was surveyed into farms of eighty acres. Each pupil was given a grant of \$125 to buy lumber, etc., for his log shack, and a yoke of oxen, harness and plow to be paid for in four years.

This was in 1903, when three colonists enlisted under the plan. Despite hardships and discouragements of various kinds, their number was added to yearly and increased by marriage until in 1915 there were 36 farmers, 28 of whom were married, and the children of the colony numbered 96. In that year they had 8,016 acres in crop, but an anticipated crop of 100,000 bushels was reduced by hail to 20,000 bushels.

**GRUESOME CURIOS.**  
Some gruesome curios from New Hebrides have been added to the Natural History Society collection recently through the generosity of E. G. McAfee, who spent several years in that remote

part of the world engaged in missionary work among the natives. Cannibalism was practiced to a large extent in years gone by, and among the curios is the mummified head of a captive, painted a ghastly red, while another is the mummified head of a chief of the tribe.

**PORK PACKING PLANT.**  
A conference of members of the Provincial Government, New Brunswick pork packers and promoters of the proposed new packing plant at East St. John will be held in Fredericton on next Tuesday or Wednesday, according to a decision reached in Fredericton yesterday. On their return from the capital last night local packers said they had not objections to private enterprises in this direction, but they did object to government aid for a plant in competition with old-established companies here.

### It's Great for Motor Cars —and things

It's amazing how, with the help of Murphy Da-cote Enamel, you can make old things about the house look like new, and in such a short time.

You've probably been ashamed of your kitchen chairs for a long time. You needn't be. Da-cote will make them shine with pride. Or the baby carriage—or the porch furniture—or the garden tools—or the children's toys! It will spruce them all up so that you won't recognize them.

As a motor car enamel, Da-cote has become famous. More than 3,000,000 cars have been painted with it. For a couple of dollars you can give the shabbiest-looking old motor a fine finish.

Da-cote is popular because anyone can apply it and get good results. It dries overnight, giving a lustrous, PERMANENT surface that defies any weather.

Murphy Varnish Company of Canada, Limited Montreal (Formerly The Dougall Varnish Co. Limited)

**NEW YORK PRISON POPULATION IS HIGH**

Commissioner Says Daily Average Census in City Institutions is 5,000.

NEW YORK, April 9.—The prison population of New York's Department of Correction is higher now than at any time since 1916, Frederick A. Wallis, Commissioner of the Department, asserted in an address at the Educational Alliance, East Broadway and Jefferson street. The daily average census of prisoners in New York institutions is 5,000, or almost one-third larger than usual, he said.

Nearly one-fourth of the census comprise boys under 16, two-thirds under 21 and three-fourths under 28. In the Tobin it is necessary to have two pri-

soners sleep in single cells and also in many cases at Welfare Island, which is against the law, but cannot be avoided, Commissioner Wallis said.

More than 47,000 prisoners are handled annually by the Department of Corrections, he stated, and the heavy prisoner census emphasized the need of more attention being paid to prison relief work. Commissioner Wallis announced he had appointed a Board of Trustees to take charge of the prison commissaries and the welfare work done with the proceeds of the commissaries. The yearly profits from the commissaries have grown to about \$150,000, he declared, and this money will be used for the assistance of discharged prisoners and for the relief of needy families of men sent to jail.

**KINGS COUNTY WILL CASE OF INTEREST**

Matter of Archibald Seely Estate Under Contest Before Judge Freeze.

An interesting will case was heard before Judge J. Arthur Freeze in the Kings County Probate Court in Hampton yesterday afternoon. In last November Archibald Seely, of Land's End, Kings County executed his will leaving all his property, with the exception of a small bequest to a niece, to his nephew John E. M. Seely of this city. After his death Messrs. Belyea and Gilbert filed, on behalf of certain next of kin, a caveat alleging that the will was improperly executed and undue influence was used in obtaining the execution.

At yesterday's hearing Francis Kerr and Alexander G. Day, the witnesses to the will and also the executors under it, testified in support of its validity. After argument of counsel the court reserved judgment which will be delivered on April 29. Should the court decide that the evidence adduced at the hearing was sufficient to establish prima facie the validity of the will, those opposing it will be required to furnish further evidence.

G. Earle Logan appeared for the executors in support of the will. J. Frank Frauley for next of kin also in support of the will, A. B. Gilbert for certain caveators opposing the will and D. King Hazen for other caveators. There are 40 next of kin scattered throughout the continent.

**Herriot Cabinet Was On Verge of Resignation**

PARIS, April 9.—Badly shaken by an onslaught of the opposition in the

Senate on a minor issue yesterday, the Herriot ministry virtually decided to resign but yielded to the remonstrances of the leaders of the group making up the majority and after lengthy discussion at a cabinet meeting which lasted until an early hour this morning, the government came to the conclusion that the circumstances of the vote in the Senate did not call for its resignation. In this vote the government received only a majority of two.

Hon. Fred Magee Advocates Provincial Plebiscite on Prohibition Issue

MAKES APPEAL IN HOUSE FOR N. B. MODERATION SYSTEM

Cites Swedish Plan as Good One That Might Be Imitated; Believes Majority of People Support His Contentions About Present Statute.

MINISTERS' FINANCIAL POLICY BACKED

Business Revival Seen in About One Year; This Section of Contentment Comes Best Through Post-War Depression, He Says; Telegraph-Journal and Times-Star Praised

By D. LEO DOLAN

Special Correspondent of The Times-Star

FREDERICTON, April 8.—Speaking in the budget debate in the House this afternoon, Hon. Fred Magee, member without portfolio in the government, declared it was futile to attempt to enforce the present prohibitory law and urged the New Brunswick Temperance Alliance to become educative and tolerant and thus obtain the support of thousands of moderates in this province who were anxious and sincere in their desire to build up a better citizenry in this country. A plebiscite on the liquor question was favored by Mr. Magee.

Hon. Mr. Magee declared he would be glad to contribute to a work that would bring about a policy of moderation, rather than prohibition in this country and said a continuance of the present policy of the New Brunswick Temperance Alliance could only result in that organization, composed of zealous and patriotic citizens, losing many friends and supporters.

FAVORS SWEDISH PLAN Mr. Magee claimed strongly in favor of the Swedish system of controlling the sale of intoxicating liquors and gave to the House some interesting details of this legislation, which limits the supply of liquor to Swedish citizens on the basis of the direction of a commission organization operated by the government.

PENALTIES CRITICIZED Mr. Magee claimed the penalties for violation of the present law were entirely too small and declared that in view of the desire of men to have alcoholic stimulant made it practically impossible to enforce this Act. "I believe I voice the sentiment of the majority of the people of this province when I say the present Act is impossible of enforcement," said Mr. Magee. His claim that men desire alcoholic stimulant was met with a determined "no" from A. F. Bentley, M. L. A. for Saint John County and one of the pronounced prohibitionists of the House.

VOTE ON ISSUE URGED Mr. Magee said the province needed today liquor legislation which allowed the decent citizen to secure a fair share of liquor without becoming a law-breaker. The same system, he felt, would arouse a stronger temperance sentiment than prohibition, he asserted with some emphasis. Mr. Magee also declared that a plebiscite should be taken in New Brunswick on the liquor question, adding that the vote could not come any too soon.

TRADE IN 1926 The speech of the president of the council was an exceptionally impressive one, delivered in that pleasing manner which always marks the utterances of Mr. Magee. He made an able defence of the government's record and declared that New Brunswick has come through the post-war depression period better than any other section of America. In this connection Mr. Magee said he did not anticipate any great business revival in Canada for at least a year.

PRAISES PAPERS' DRIVE Mr. Magee praised the campaign initiated by The Telegraph-Journal and Times-Star and said that Mr. Belding and Mr. McKenna were two men ably fitted to give to the rest of Canada concrete and concise information regarding the problems of the Maritimes.

FINANCES HELD BETTER. As to the financial position of the province, Hon. Mr. Magee said conditions today were better than ever before in the history of New Brunswick and claimed also that while the government had increased the revenues this increase had been brought about without inflicting any unnecessary burdens on the people of the province.

Mr. Magee praised the hydro policy of the administration and declared that the erection of a steam auxiliary at Musquash would enable that plant to provide a maximum production throughout the entire year.

J. W. Scovil, Charlotte, advocated setting up in New Brunswick a selling organization for the farmers and urged a commercial survey of the province in order to ascertain definitely our assets. In connection with his first suggestion, he pointed out that selling organizations had proved successful in California, Maine, Western Canada and New Zealand. The member for Charlotte was most outspoken in his criticism of annexation and secession talk which he admitted was heard in the province today. "This talk is not wor-

Asks Plebiscite

HON. FRED MAGEE, Minister without portfolio in the N. B. Cabinet, who yesterday, advocated vote on question of liquor distribution.

should be given a chance to decide on a change in the liquor legislation of this province.

CENSURES ROAD POLICY.

The last speaker was D. A. Stewart, M. L. A. for Restigouche, who in a lengthy speech assailed the various Government services and made some detailed criticism of the highways policy carried out in Restigouche county.

ASKS ABOUT BEER.

By Mr. Smith (Albert)—As to the quantity of beer supplied the Liquor Commission by the Oland and Ready breweries, together with the sales made to individual vendors and the names and addresses of the same.

TO AMEND GRANT.

Hon. Mr. Rand introduced a bill to amend the act authorizing a grant to the Provincial Rifle Association. He said that the object of the bill was to provide for the change of the name to the New Brunswick Rifle Association.

LAUDS COLONIZATION.

A. J. Doucet, M. L. A. for Gloucester, continuing the budget debate tonight, praised the Government for its new colonization policy and declared the time had arrived when greater encouragement should be given those people who intend to settle on the crown lands.

OPPOSES PROHIBITION.

Mr. Doucet said he was not a supporter of prohibition, and declared that people would drink liquor just as long as it was manufactured. It would require every effort to enforce the present law, so Mr. Doucet asserted, and further it was that the people

HUDSON URGES EXPANSION IN FOREIGN TRADE

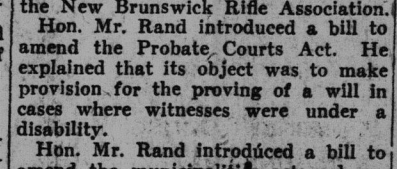

Winnipeg M. P. Proposes Enlargement of Department of Commerce

ADVOCATES MORE AND BETTER TRADE AGENTS

Three Parties Have Say in Budget Debate in Federal Parliament.

B. won the "finest bird contest" from 499 competitors on the strength of his fluency in French, English and Spanish. Inset is shown the Montroyal which will repeat the cruise next year.

ACUTE CRISIS IN KURDISTAN, SAYS PREMIER ISMET

Declares Situation More Serious Than Newspapers Have Indicated

DRIVE AGAINST REBELS BEGINS TO HAVE EFFECT

Ghendi is Captured by Turks and Insurgents Lose 1,000 Men Killed.

CONSTANTINOPLE, April 9.—General Ismet Pasha, the Premier, addressing the National Assembly at Angora, Tuesday, declared that because of the threatening aspect of the revolt in Kurdistan, and in view of the other dangers to which the country was exposed, it had been found necessary to order a complete mobilization.

REBELS REPULSED.

The Premier added that he feared the revolt would assume even greater proportions. The government's prompt military measures, however, had begun to be felt. The rebels had been driven back from urban centres into the mountains, but, nevertheless, they retained their organization and were continuing the struggle.

GHENDJ TAKEN.

LONDON, April 9.—A despatch to the Exchange Telegraph from Constantinople says the Turks have captured Ghendi in Kurdistan.

BLIND MAN WINS.

WICKHAM, Ireland, April 8.—William Modlin, a blind man, won a domino handicap here in which members of more than 80 clubs participated.

**BRITAIN TO HOLD ARMY MANOEUVRES**

First Since World War Scheduled For Time of Washington Conference.

LONDON, England, April 9.—The projected Washington arms conference is held in the autumn, it will coincide with the first army manoeuvres held in Britain since the world war.

Lessons learned by the British aerial and land forces in actual warfare against the Germans will then be put into practice for the first time.

The manoeuvres will be carried out in September in Hampshire and Wiltshire and in parts of Berkshire, Surrey, Sussex and Dorset. For days and weeks the Reds and the Blues will wage "mortal combat" over the hills, valleys, and farmlands of the district. The troops engaged will comprise

four regular infantry divisions, one territorial infantry brigade, one cavalry division, a force of tanks and dragons, and a number of squadrons of the Royal Air Force. These will be concentrated in the manoeuvre area about the end of August and beginning of September, and will engage in training until the time of the actual manoeuvres, at the end of September.

According to a War Office announcement, it is unlikely that funds will permit of annual manoeuvres on a similar scale. It has therefore appealed for co-operation on the part of farmers and landowners to help make the forthcoming drill as free from limitations as possible. There is, however, an Act of Parliament conferring on the troops powers of passage and use of water supply practically anywhere throughout the area.

A civil commission, representing both county and War Office interests, provides for restriction of damage and for compensation.

**CONCERT FOR PATIENTS.**  
Under the direction of E. Clyde Parsons, a fine concert programme was given last night in the Saint John County Hospital and greatly delighted the staff and the patients. Mr. Parsons was assisted by Miss Myrtle Fox, pianist; Mrs. H. McMichael, violinist; Cedric Flewelling, saxophonist; Miss Phyllis MacGowan, soprano; Max McCarthy, tenor, and Miss Doris Ryan, reader.

**RED ROSE COFFEE** "is good coffee"

The joy of life indoors lies in the satisfaction of a bright, cheery home.

Flat oil wall paints, beautiful and enduring, can be used to advantage in every room. Soap and water may be applied freely on walls so treated. Bedrooms with painted walls are both sanitary and attractive.

Canvas makes a good ground for painting when applied to walls in the same manner as paper, eliminating unsightly cracks. The final coat of paint seals the wall, leaving a smooth, permanent surface that may be cleaned or repainted as desired.

Painters or dealers will be glad to show you the results to be secured from the various methods of using flat oil wall paints. From these you may choose a finish that will blend with your surroundings and make your home beautiful.

THE BUILDING OF THE DOMINION

**The HIGHWAY EXTRAORDINARY**

**A**LONG the line of the transcontinental—at almost any station—is evidence of the revenue that is brought to Canada through the efforts of the Canadian Pacific abroad.

The long trains of human freight that cross and re-cross Canada in a never-ending stream, would be cut in half if only traffic originating in Canada were carried! Those huge trains transport passengers from foreign lands across the great Canadian land-link between the oceans—contributing enormously to the revenue of Canadian merchants

and trade generally. It is truly the Highway Extraordinary—for it is unique in the history of railroading.

In every city of importance throughout the world, the Canadian Pacific maintains offices or agents to direct traffic across Canada—thereby bringing profitable business to Canada, as well as insuring the success of the Railway—success from which all Canada benefits.

**DO YOU KNOW**

That the Canadian Pacific, one of the largest advertisers on the North American continent, has done more to make Canada known abroad than any other single agency; and that last year the Company distributed over 1,800,000 booklets, folders and posters, the greater proportion going abroad?

More, this activity of the Canadian Pacific abroad has been the greatest single factor in advertising Canada to the world.

**CANADIAN PACIFIC**  
It Spans the World

**"GUTTA PERCHA" BALLOON LOW PRESSURE TIRES**

Comparisons are forgotten—from the first day on

Everything in this world is relative to some other thing—hence, we have "good," "better," "best." Comparisons rule our judgment until we arrive at the summit of expectation and the end of our quest for the superlative.

This rule governs the car owners purchase of tires. There is the constant search, change, trial for that elusive "best." The value of a tire is in its wear-resistance and comfort. "Gutta Percha" Balloon Tires, Canadian built and sponsored, will help you to forget comparisons of service and satisfaction, because your dealer is equipped to demonstrate to you certain superiorities of material and design in refinements and advancements that will be a revelation to you in service—from the first day on.

Gutta Percha & Rubber, Limited

POOR DOCUMENT  
**MC 2035**

THE EVENING TIMES-STAR, SAINT JOHN, N. B., THURSDAY, APRIL 9, 1925

**CONCESSIONS AT BEATTY HOTEL ARE CONFIRMED**

**Names Given Out After Meeting of Board of Directors**

**LECTURE ON MOUNT ROYAL GIVEN HERE**

**Features of Big Sister in Montreal Told of by Engineer.**

Approval of the concessions contracts for the Admiral Beatty Hotel, as presented by H. A. Peters, general manager, was given by the board of directors of the hotel at a meeting yesterday afternoon in the office of Barnhill-Sanford & Harrison.

The concessions let are as follows: Barber shop, Thomas McGowan; cigar and news stand, A. F. deForest, Ltd.; shoe shine, Benjamin Cohen; valet service, A. R. Campbell & Sons; drug store, Glendon H. Allen; walking shop, Miss Jean Witter; taxi service and baggage, William Donahue.

Some idea of the service made possible to a guest in a modern hotel, and of the extent this depends on the mechanical equipment was explained last night to the Saint John branch of the Engineering Institute of Canada by Walter J. Armstrong, M.E.I.C., of Ross and Macdonald, Inc., architects of Montreal. The different features of the Mount Royal Hotel with its 1,050 guest rooms will also be installed on a smaller scale in Saint John's new

Admiral Beatty Hotel with its 184 guest rooms.

The many features of a hotel service taken for granted are the cause for serious study in the lay-out and design of the hotel, so that all parts may be brought together and function as a whole.

The ventilation system is only one example of an intricate system whereby the air is kept circulated so that the air in each room is changed from four to twenty times per hour; the air is also washed, humidified, treated with tractors, tumbler, flatwork, ironers, pending on the outside temperature.

**HEATING ARRANGEMENTS.**

In the matter of heating, a sudden change in temperature outside of the hotel will not be noticed in the hotel, as by means of thermometers electrically connected with the heating system the temperature of the room is automatically kept at a certain degree; in an unparalleled drop in temperature of 40 degrees within two hours in Montreal last winter additional heat was supplied within the building without any human agency.

G. G. Hare, M.E.I.C., acted as chair-

man of the meeting. A notice was read asking for co-operation in "Save the Forest" week of April 10 to 22, when the menace of forest fires again becomes serious.

A vote of thanks to Mr. Armstrong on behalf of the branch was moved by W. R. Pearce, M.E.I.C., and H. F. Morrissey, A.M.E.I.C.

OTTAWA, April 8.—A new record for a long distance telephone call from Canada, both in regard to distance and speed, was made here yesterday when Senator Cesar A. Barranco, Consul-General, Republic of Mexico in Canada, put in a call to Havana, Cuba, and was cut through in 15 minutes.

The call went from Ottawa to Montreal, through New York, Richmond, Va.; Jacksonville, Fla.; Key West, and thence some 90 miles under sea to Havana. It was the first time the line had been used since its installation in 1921, when Canadian Government officials exchanged greetings with President Menocal, of Cuba.

**REPORT ACTIVITY IN RELIEF WORK**

**Associated Charities Aided by Other Organizations in Helping Needy.**

The gift of \$56 as proceeds from the Elks' charity ball and a gift of \$12 from the girls of Netherwood School, Rothery, were gratefully acknowledged by the executive of the Associated Charities at its meeting yesterday afternoon in the Bible Society Rooms.

J. Hunter White presided, in the absence of W. Shives Fisher, who is absent from the city. There were several cases of need considered at the meeting and in many instances, all-

health or desertion were the contributory causes for the destitution. Arrangements were made for giving assistance. A gratifying co-operation with all the organizations doing charity

work has made the handling of relief in the city more efficient and effective. The report of the secretary, Miss Grace Robertson, showed that the month had been a busy one. Greater

activity at the port had helped in some respects to lessen the great need for giving assistance. The statistical report was as follows: Applications received, 163; requests for employment, 21; em-

ployment was found for 14; records given, 24; seeking relief, 67; relief was procured for 63; visits made, 103; clothing was given to 11; cases investigated, 14; asking for transportation, 9

## MARITIMES FAIL TO PROFIT BY SCHOOL GRANT

Fletcher Peacock Blames Governments for Loss of Vocational Quotas

PRaises ACTION OF SAINT JOHN BOARD

Predicts, Bright Industrial Future at Moncton; Urges Big Institution.

MONCTON, April 8.—Fletcher Peacock, of Fredericton, director of vocational education for New Brunswick, was one of the speakers at the closing exercises of the Moncton Vocational School in Edith Cavell School this evening. Mr. Peacock criticized the Maritime provincial governments for neglecting to take up the full quota of the Dominion vocational school subsidies.

"We are talking about getting our quota in the Maritime Provinces," he said, "yet not one of the Maritime Provinces has taken up the quota allotted to the province. This year New Brunswick will take up its full quota. We lost \$80,000 of the government grant because we were too slow."

"Did Ontario, Alberta and British

Columbia lose their share of the grants? No. Yet the Maritime Provinces failed to take all they might have had in connection with these allotments.

"During the past two months Canada manufactured more newspaper than the United States. We have a tremendous asset in our forests, yet we are importing skilled help from the United States and Sweden, highly skilled employees, while our boys and girls are hewing wood and drawing water for them, because they lack the proper training."

LAUDS NIGHT SCHOOL.

Mr. Peacock congratulated those

who had been carrying on the night school here, although they had been handicapped through lack of an adequate plant.

"If you are succeeding under these makeshift circumstances, what will you do when you get proper equipment?" he asked.

He referred to what is being done in the province to take advantage of the government assistance which will continue until June 30 of this year. Up to date the government gives 25 per cent of the cost of room required, 50 per cent of the cost of equipment and 60 per cent of the salaries of teachers.

In the last five years accommoda-

tions have been provided in the province for 1,500 day pupils, half as many as in the high schools after 50 years' development. These pupils are all in schools established along the Saint John river.

"As a native of Westmorland, I don't like to see that," said Mr. Peacock. "A north star, however, has appeared during the last two weeks in Campbellton, where it has been decided to establish a modern, composite high school providing accommodations for 250 more pupils."

Mr. Peacock spoke in appreciative

terms of Saint John's action in preparing to establish a large building for vocational education.

Mr. Peacock in conclusion predicted a bright industrial future for

Moncton and suggested the establishment of a large building to provide for future needs in connection with vocational training.

Short addresses were given also by Dr. Gulton, Mr. Amos and H. G. Adamson.

The work of the pupils in the

dressmaking department was exhibited under the direction of Miss M. Bartlett. H. S. Bell, chairman of the school board, presided.

## A Faultless Complexion

Only regular and proper care can keep your complexion clear, fresh and youthful.

A few drops of Hinds Honey and Almond Cream rubbed into the skin frequently during the day, refreshes and invigorates the complexion, and protects it from the damaging effects of raw Spring winds, keeping it soft and smooth at all times.

Sold at all drug and toilet counters.

If you would like a trial sample, send 5c. in stamps for mailing, to Steinhilber Limited, Sole Canadian Distributors, 35 St. Francois Xavier Street, Montreal.

It's the flavor—marvelous, indescribable—that makes Kellogg's Corn Flakes the leading seller among ready-to-eat cereals.

## Will Balloons Give the Mileage? Goodyears Will!

EVERYBODY concedes the comfort of balloon tires. But some people who have not used them are still doubtful of their mileage.

As far as Goodyear Balloons are concerned, the mileage question has been fully answered.

For a year we have kept a record of Goodyear Balloons in use on the cars of salesmen all over Canada—men who drove fifteen to twenty thousand miles last year. The mileage given by Goodyear Balloons averages fully as high as that of former sizes.

Wherever automobiles run—there you will find Goodyear Tires.

In other words, you sacrifice no mileage when you change to Goodyear Balloons.

Why?

Because Goodyear Balloons are built of a new material—a

remarkable cord fabric called Supertwist. It is more elastic. It yields to the bumps without breaking.

Supertwist is the direct result of Goodyear's enormous, world-wide business. World-wide business demands constant development to meet new conditions in every part of the globe. Enormous demand makes possible constant improvements.

Supertwist is an exclusive development of Goodyear's own fabric mills and is used only in Goodyear Tires.

Goodyear Balloons to fit your present wheels or to fit the new, smaller wheels can be quickly secured from your nearest Goodyear Selected Dealer.

Goodyear builds a complete line of tires to meet varying needs as to price and size and maintains a chain of branches across Canada so that no Goodyear Selected Dealer need wait for tires.

Goodyear means Good Wear

## Cycling Far Easier than Walking

FRANK Jones used to complain about his feet getting so hot and aching from his long walks to and from work on the hard roads and pavements.

One day when he felt more tired, and his feet hurt him worse than usual, he happened to see a man gliding by on a bicycle.

"Cycling is far easier than walking," said Frank to himself. And all day long while he was working that thought kept running through his mind.

That night, on the way home, he dropped into a C.C.M. dealer's and looked over the different C.C.M. models, choosing one that suited him in every way.

Since then Frank's feet have had a much easier time and he's quit complaining. In fact, he's boasting now about how fine and fresh he feels since he started cycling.

He also tells how quickly and easily he cycles to work and home again—how he saves the shoe leather he used to

wear out on the hard cement walks—how he saves valuable time by cycling instead of walking.

If you gave Frank a chance he would tell you all about the C.C.M. Triplex Crank Hanger—the wonderful power plant that responds to the slightest pressure on the pedals and makes the C.C.M. run so smoothly, quietly and easily.

He would show you the strong, powerful frames of English Seamless Tubing—the bright silvery nickeling that won't rust because it is done over copper—the sparkling enamel that is baked on over a coat of anti-rust so it will stand rain, snow and all kinds of weather—the new Gibson Pedal with its rust-proof aluminum frame—and the C.C.M. Hercules Coaster Brake that coasts so easily, has such braking power, and is ounces lighter than the old-style arm type.

The C.C.M. dealer will, also, be glad to tell you all about the C.C.M. and to show you the new models—the Standard, the Special, the Curved Bar model.

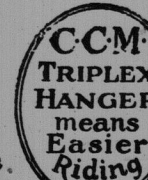

Prices have again been reduced. They're now \$20 to \$25 less than "peak" prices. Biggest values since pre-war days.

Does Spring Find You In Poor Health?

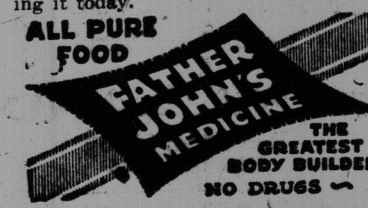

Many people find themselves in comparatively poor health at this season of the year. They lack vim and energy; they become easily wearied and fatigued.

This condition is caused by the winter's heavy drain on the vitality, rendering the blood sluggish and the body cells inactive.

Many people were not rugged enough or did not have high enough resisting power to meet this abnormal demand.

What they need now is a pure food tonic such as Father John's Medicine...

ALL PURE FOOD FATHER JOHN'S MEDICINE THE GREATEST BODY BUILDER NO DRUGS

All over this big broad land of ours thousands of weak, underweight men are putting on pounds of good healthy flesh with McCoy's Cod Liver Oil Compound Tablets.

The result is wonderful—never since I was gassed have I been so strong and felt so good. I have already gained 8 1/2 pounds.

Heinz Oven-Baked Beans Sold in Canada are Baked in Canada

The easy way - wash clothes with less rubbing

Mrs. Experience gives her method of getting clothes spotlessly white merely by soaking.

"It's so easy, really! There's no hard rubbing, so wearing on clothes—no boiling, no toiling over wash-tubs. Here's the way I do my weekly wash:

"I merely soap the clothes lightly with Sunlight Soap, roll them up tightly and put them to soak for 30 minutes or an hour. That's all. Sunlight dissolves all dirt and grease-spots, so that in rinsing, the dirt just runs away.

"For dishes and all housework, Sunlight is excellent and really economical, too, because every bit of it is pure, cleansing soap. And more good news—Sunlight keeps the hands soft and comfortable." Lever Brothers Limited, Toronto, make it.

Sunlight Soap

EASTER and The Man

### GARAGES TO LET

FINANCIAL MOTOR SHARES MOST ACTIVE IN WALL STREET

New Dodge Bros. Stock Moves Up After First Deal But Recedes.

MAXWELL A. GOES TO NEW RECORD LEVEL

Changes in Montreal Quotations Fractional and of Little Importance.

NEW YORK, April 9.—Stock prices again failed to develop a definite trend today's opening. Trading interest centered largely in the motor shares, most of which displayed a firm tone. The initial transaction in the new Dodge Brothers preference stock, took place at 100, with the issue subsequently moving up to 103 1/2, and then falling back to 102. Maxwell A. jumped 17 1/2 points to a new high of 92 1/2.

MONTEAL, April 9.—Price changes at the opening of today's stock markets were entirely fractional, and of little importance. Brazilian was the most active issue, and was up 3/4 to 90. Montreal Power came next in activity, being off a similar fraction, to 179 1/2. Another fairly active stock, was Atlantic Sugar, which after rising 3/4 to 28 1/2, lost the gain and sold the same at 28 1/2. Other leaders were unchanged.

Table with columns: NEW YORK MARKET, NEW YORK, April 9. Stocks to 12 noon. High, Low, Noon. Includes Am Waterworks, Allied Chem, Am Can, etc.

Socialists Acquire Plurality Over Centrists in New Belgian Chamber. BRUSSELS, April 9.—Final returns from the parliamentary elections held last Sunday give the chamber 59 Socialists, 76 Centrists, 22 Liberals, 6 Flemish party and two Communists.

MISERABLE AND ALWAYS IN PAIN

Lydia E. Pinkham's Vegetable Compound a Dependable Help to Mothers. Port Greville, N. S.—'I took your medicine for a terrible pain in my side and for weakness and headache. I seemed to float over, too, and my feet and hands were the worst. I am the mother of four children and I am nursing my baby—the first one of four I could nurse. I took Lydia E. Pinkham's Vegetable Compound before the baby's birth, so you can see how much it helped me. I cannot praise it too highly for what it has done for me. I took all kinds of medicine, but the Vegetable Compound is the only one that has helped me for any length of time. I recommend it to any one with troubles like mine and you may use my letter for a testimonial.' Mrs. ROBERT McCULLY, Port Greville, Nova Scotia.

RELIEVED HIS RUPTURE

I was badly ruptured many years ago. Doctors said my only hope was an operation. I tried it but it was no good. Finally I got hold of something that quickly and completely relieved me. Years have passed and my rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to say, but will give full information about how you may find a complete relief without operation, if you write to me, Eugene M. Pullen, Carpenter, 4681 Marcellus Avenue, Mansfield, N. J. Better cut out this notice and show it to any other who is ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

BAD BLOOD IS THE CAUSE OF PIMPLES AND BOILS

What you need when the blood gets out of order is a good tonic to get and build up the system and put the blood into proper shape. For this purpose there is nothing equal to BURDOCK BLOOD BITTERS.

BRITISH HOUSE TO ADJOURN AGAIN

Budget Due After Holidays—Speculation as to Income Tax Cut. LONDON, April 9.—Parliament adjourns today to the 28th of April. The session has been about the most uneventful imaginable. The first and most important matter on re-assembling will be the budget.

Boy Slayers Will Speak To Each Other Thursday

United Press. JOLIET, Ill., April 9.—Nathan S. Leopold, Jr., and Richard Loeb, six months after their entry into prison are to be given an opportunity Thursday to speak to each other for the first time since they arrived. The occasion will be the prison celebration of the Hebrew Feast of the Passover.

Let Tanlac restore your health

If your body is all fagged-out and run-down, if you are losing weight steadily, lack appetite, have a nervous energy—why not let Tanlac help you back to health and strength?

So many millions have been benefited by the Tanlac treatment, so many thousands have written to testify to that effect that it's sheer folly not to make the test.

Tanlac, you know, is a great natural tonic and builder, a compound, after the famous Tanlac formula, of roots, barks and herbs. It purges the blood stream, revitalizes the digestive organs and enables the sickly body to regain its vanished weight.

You don't need to wait long to get results. Tanlac goes right to the seat of trouble. In a day or so you note a vast difference in your condition. You have more appetite, sleep better at night and the color begins to creep back into your washed-out cheeks.

Don't put off taking Tanlac another world-famous tonic. That's the first precious day. Step into the nearest important step back to health and drug store and get a bottle of this vigor.

PROBATE COURT, SAINT JOHN. To the next of kin and creditors of Hannah Moran, late of the Parish of Saint Martin, in the County of the City and County of Saint John, in the Province of New Brunswick, widow, deceased, and of all others whom it may concern.

There will be sold at public auction at Clubb's Corner in the City of Saint John on Saturday, the 11th day of April next, at twelve o'clock noon, the following properties belonging to the estate of the late Honorable Daniel J. Purdy:

First—The lot of land on the western side of Bridge street, North End, in the City of Saint John, with wood dwelling house thereon, extending from Bridge street back towards the River Saint John to a point ten feet beyond the rear line of the lot now attached to said dwelling house and the right in common to the use of the alley on the southern side thereof.

Second—The Cunard wharf property so-called with right of way thereto from Bridge street, being the property lying between the rear line of the Bridge street property above referred to and the River Saint John.

Third—The leasehold lands and premises on the southern side of Metcalf street fronting twenty-five feet on Metcalf street and extending back one hundred feet with two-story two-roomed dwelling thereon, being Number 164 on said Metcalf street.

For further particulars apply to the undersigned solicitors. Dated the 31st day of March, 1925. BARNHILL, SANFORD & HARRISON, Solicitors.

JARVIS C. PURDY, ALEXANDER P. BARNHILL, CHARLES F. SANFORD, Trustees estate of Hon. Daniel J. Purdy. F. L. POTTS, Auctioneer.

ESTATE VALUABLE Leasehold Property No. 23 Garden St., Lot 30 x 150 ft. M. or L. BY AUCTION

I am instructed by H. A. Allison, Esq., Executor of the Estate of Mary S. B. Allison, to sell by Public Auction at Clubb's Corner on Saturday morning, April 11th, at 12 o'clock noon, that valuable self-contained dwelling No. 23 Garden street, house and 3 stories, all fine garden in rear, five bedrooms, den, bath and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful complexion.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots. There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots. Simply get an ounce of Othine—double strength—from any drug or department store and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful complexion.

Tenders for Dredging

Sealed Tenders, addressed to the undersigned and endorsed "tender for dredging, L'Archeveque", etc., as the case may be, will be received until 12 o'clock noon, Tuesday, April 14, 1925, for dredging required at L'Archeveque, N. B., Lunenburg, N. S., and Cape Tormentine, N. B.

Tenders will not be considered unless made on the forms supplied by the Department and according to the conditions set forth therein.

Combined specification and form of tender can be obtained on application to the undersigned, also at the offices of the District Engineers, Bellevue Building, Halifax, N. S., and Customs House Building, Saint John, N. B.

Tenders must include the towing of the plant to and from the work.

The dredges and other plant which are intended to be used on the work shall be obtained on application at the time of the filing of the tender and the Department, or shall have been built in Canada after the filing of the tender.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Minister of Public Works, for 5 per cent of the contract price, but no cheque to be for less than fifteen hundred dollars. Bonds of the Dominion of Canada and bonds of the Canadian National Railway Company will also be accepted as security, or bonds and a cheque if required to make up an odd amount. By order.

S. E. O'BRIEN, Secretary, Department of Public Works, Ottawa, April 9, 1925. 14900-4-11

PROBATE COURT, SAINT JOHN

To the next of kin and creditors of Hannah Moran, late of the Parish of Saint Martin, in the County of the City and County of Saint John, in the Province of New Brunswick, widow, deceased, and of all others whom it may concern.

The administrator of the above named deceased intestate, having filed his accounts in this court, and asked to have the same passed and allowed: You are hereby cited to attend, if you so desire, at the passing of same, at a Court of Probate to be held in and for the City and County of Saint John, at the Probate Court room, in the Pugsley building, in the City and County of Saint John, on Monday, the fourth day of May next, at the hour of eleven o'clock in the forenoon, (local time), when the said accounts will be passed upon.

Given under my hand, this twenty-sixth day of March, A. D. 1925. (Sgd.) H. O. McInerney, Judge of Probate.

Heber S. Keith, Registrar of Probate. 14926-4-10

BAILEY SALE

## RUMOR DENIED WHEN YANKEES REACH CAPITAL

### King of Swat's Condition Not Considered As Serious

WASHINGTON, April 9.—Reports that George Herman "Babe" Ruth, baseball's premier batsman, had died en route from Asheville, N. C., to New York were dispelled early today, with the arrival here of the train on which he is traveling.

Those in charge of the train said that Ruth, who collapsed in Asheville, Tuesday, was still ill, but that his condition, so far as they knew, was not serious.

Originated in Canada.

Reports that the home run king had died en route to Washington started in the early morning hours, when his train was speeding through Southwestern Virginia. Originating apparently in Canada, it spread with almost incredible rapidity.

Even before the train reached Washington, newspaper offices here were kept busy answering inquiries, and train dispatchers along the route of the train were set to work checking up on the report.

Officials Board Train.

When the train pulled into the Union Station, a group of station officials and others immediately boarded it. They were told Ruth apparently was in better physical condition than when he was left in the North Carolina town where he was stricken after fight against influenza.

## PRESENT PRIZES AT CLOSING BANQUET

### Civic and Civil Bowling League Brings Season to Close—List of Winners.

The Civic and Civil Service Bowling League was brought to a fitting close last night with a very successful banquet held in the Dunlop Hotel. L. H. Yeomans, president of the league, was in the chair and nearly all the members of the different teams in the league were present with a few invited friends.

The toast to the King was responded to by the assembly singing the National Anthem. Postmaster Thompson proposed the toast to the City of Saint John which was responded to by G. N. Hatfield, road engineer.

The toast to the team was proposed by A. L. Hoyt and was responded to by President Yeomans. The toast to our President was responded to by G. N. Hatfield and responded to by President Yeomans. That to the Times brought a response from a representative of The Telegraph-Journal.

Prizes Presented.

The presentation of prizes were as follows: The championship cup was presented to the City Hall team by President Yeomans and received by Charles Emery. Post Office Inspector H. W. Woods presented the cup to the Post Office team as runner-up for the championship and this prize was received by Gordon Lawson. The prize for the high average of the league and high team average was presented by W. T. Earle and received by F. Thurston, of the City Hall team. The second high average prize was presented by A. G. Rainnie and received by Murray Clark for the Post Office team. The high strings and big team average was presented by T. Ballantyne of the Water and Sewerage team. The second high three and high team average was presented by Collector of Customs C. B. Lockhart and was received by L. Yeomans of the Customs team. The prize for the high single and second high single was received by H. Hatfield and William Abel and was presented by Roy Shanklin. The high team average prize was presented by Commissioner W. L. Harding to G. Hatfield of the Hydro team.

A consolation prize was received by G. Wilson of the Customs team having been presented by H. W. Wood.

During the evening vocal solos were rendered by the Stackhouse Brothers, John Armour and others, while William Davis rendered a piano solo and George Lanyon acted as accompanist.

## Rogers Hornsby Has Great Day At Bat

Hornsby, second baseman and pride of the St. Louis Nationals, had a great day at bat at San Antonio yesterday, against the Texas League club there. The Cardinals won 15 to 5. Hornsby got two homers, a double, and a walk, and scored four times.

## Along The Sport Trail

By RAY HANSEN

TWICE CHAMPIONS of Canada and runners-up for International honors is the remarkable achievement of the senior Hexathlon class of the Y. M. C. A. This is truly a wonderful showing and proves conclusively that the old Loyalist stock in Saint John can compare favorably with the best in America. Every citizen in Saint John should be proud of the boys who brought this signal honor to our city. While the work of some individuals outshone that of others they all share in this notable and praiseworthy performance. The Junior class excelled all their previous records this year and it would not be surprising if they are returned Canadian champions.

EVERETT SCOTT, the veteran shortstop of the Yankees, has established a record in the major leagues which may never be equalled let alone surpassed. Up to the end of last season he played 1291 consecutive games and this year hopes to bring the total up to 1300. When he accomplishes this he will take it easy and rest up when he is feeling unwell. On June 16, 1916, Scotty trotted out in Fenway Park, Boston, as the regular shortstop of the Red Sox. Since that time he never missed a game. He was traded to the Yankees in 1922 and has since been performing persistently and consistently. This is a record which brought him little glory but a great deal of hard work. It was a case of physical endurance as well as a spirit of competition which kept him in the game, often when he should have been in bed. There is one thing certain if anyone has earned a rest it is the hardy little shortstop.

THERE IS AN old saying that "experience is a great teacher," but it apparently does not follow that all people benefit from the knowledge thus received. It will be recalled that last spring Babe Ruth went to the Southern training camp of the Yankees and started in to actually tear many pounds of flesh from his enlarged "corporation." As a result he so weakened himself that he contracted the "flu." This year he hurried to Hot Springs weighing 245 pounds and decided to cut this down to 215 pounds in a few weeks. He nearly accomplished this feat, but is now paying the penalty. He is not only down with the "flu," but has apparently weakened his heart for he fell in a dead faint a couple of days ago in a station and had to be carried to a hotel. Ruth has a large frame and is prone to flesh, but instead of taking care of himself during the winter months he takes life easy and piles on many pounds of superfluous fat. He has been working hard to get in condition and unfortunately has again impaired his health. Close followers of athletics know that the only proper way to reduce is to follow simple exercises and stick to them. It is not necessary to stay on a diet for any great length of time, but those trying it should return gradually to their regular menu.

## Shots Off King Pin

Results of Candle Pin Bowling on Local Alleys.

Commercial League.

The James Pender Co. team clinched the championship of the Commercial League last night by winning the final game in the roll-off. Electric has won one game and the Pender team two games. The roll-off took place on Blackie's alleys. The scores were:

Team	Total	Avg.
Thurston	92 80 89 281 87	
Manning	86 88 105 279 88	
Yeoman	98 91 102 291 98	
Cunningham	108 108 95 311 103-3	
Henderson	101 121 91 313 104-3	

477 488 482 1447

James Pender—Total Avg.  
Burns ..... 93 92 106 291 97  
Givern ..... 108 93 83 284 98  
Gaines ..... 101 102 89 292 97 1-3  
Yeoman ..... 98 91 102 291 98  
Lennon ..... 85 108 104 297 99

485 486 486 1487

City League.

The Wanderers took three points from the Ramblers in the City League game on Blackie's alleys last night. Two games were rolled on the Victoria alleys last night in which the Times-Star team took three points and the Jobbers one in the first game and the Globe team took all four points from The Times-Star in the second.

## FAMOUS NOME RACE

Recalled When Seppala Defeats Ed. Rohn in Kennel Club Classic.

NOME, Alaska, April 8.—Leonard Seppala defeated Ed Rohn by twenty-five seconds in the annual Kennel Club loop race, which is run with dogs and sleds over a course of eight miles.

Seppala and Rohn figured prominently in running antitoxin to Nome from Nome with dogs last winter in a diphtheria epidemic and Seppala was undefeated in the old 42-mile classic, the All-Alaska Sweepstakes, which he won three times.

Rohn was the favorite before the loop race, as he is for the annual Cup race, the new classic to be run next Sunday. Rohn's lead dog, Laddie, was sick today.

Seppala's time was 33 minutes, 36 seconds.

The entry of the United States Coast Guard was third.

## WILL PLAY TROJANS

St. Georges of Halifax to Meet Locals For Basketball Championship.

HALIFAX, April 8.—St. Georges of Halifax won the Nova Scotia amateur basketball championship when they defeated Truro 37 to 23 in a rough game played here last night. The game was the second of a home and home series, Truro having won the former, 21 to 14. The total score for the series was, St. Georges, 51; Truro, 44. St. Georges will play home and home games with the Trojans of Saint John for the Maritime title.

## HARRY WILLS READY TO MEET CHARLIE WEINERT

NEW YORK, April 8.—Articles of agreement for a fifteen round bout between Harry Wills, negro heavyweight, and Charlie Weinert, New York, at the Polo Grounds on June 15, for the benefit of an Italian hospital fund, will be signed today.

## LAST RIFLE MATCH

The last match in the Canada Rifle League was fired by the Saint John Fusiliers last evening on the Army range, when they dropped four points from their previous high score. This was accounted for by the fact that many of the better shots did not put in an appearance.

## BOYS WHO WON SIGNAL HONORS FOR SAINT JOHN

### List of Point Winners In Y. M. C. A. Hexathlon Meet

The senior Hexathlon Class of the Y. M. C. A., which won the championship of Canada and were second for international honors, amassed a total of 4,008 points. The following list shows the competitors and their achievements in the various events:

60 Yards Potato Race.

Name	Time	Points
W. Pollard	14.4	80
W. E. Yeomans	14.4	80

A. Malcolm	9.3 1/2	79
K. Nelson	9.2	76
R. H. McCready	9.0 1/2	73
L. Niece	8.1 1/2	71

An All In For Homer.

A new and interesting light has been shed on the disputed authorship of the Homeric poems. An English schoolboy writes: "It is said that writing was invented when Homer composed his poems. He must therefore have lived before the entry of the United States Coast Guard was third."

## Testimonial Dinner For Rabbit Maranville

PITTSBURGH, April 8.—More than 300 friends of Rabbit Maranville have arranged a testimonial dinner for him at a local hotel on the night of April 22, when the Pirates open the season here, with Chicago. The injured star is the only big leaguer now making his home in this city.

## ONE MORE ADDED TO THE LONG LIST

QUEBEC MAN PRAISES DODD'S KIDNEY PILLS.

Mr. L. Thiboutot Used Them for Pains in His Kidneys and Found Them Very Satisfactory.

ST. PAMPHILE, Que., April 8.—(Special)—Mr. L. Thiboutot, a well-known and respected resident here is a sworn friend of Dodd's Kidney Pills. He has tried them and found them good.

"Your Dodd's Kidney Pills have given me complete satisfaction," Mr. Thiboutot states. "For three months I have taken them regularly. I am very pleased with them because the pain in my kidneys, from which I was suffering, have completely disappeared."

When the kidneys become clogged or from the kidneys is evidenced by the relief he got from Dodd's Kidney Pills. The impurities in the blood are cleared out of the blood and the result is a purer blood and a healthier body. The condition is not only disagreeable but dangerous as well. The impurities in the blood are the seeds of disease.

Guard against these diseases and get back your accustomed energy by using Dodd's Kidney Pills.

From Surgeons, The Cheaper Cuts.

English doctors say they find it hard to make a living. Punch implies that this is due to the fact that in these hard times people can only afford to go in for the cheaper complaints.

## BLACKHEADS

Don't squeeze blackheads—dissolve them. Use two ounces of store and rub with wet cloth briskly over the blackheads. They simply dissolve and disappear by this safe and sure method.

## SICANA

The Wonderful Pipe That Always Gives Satisfaction.

The only non-salivating and non-stopping pipe, always like new by cleaning its cartridge with a piece of paper.

JOS. COTE, LTD., 188 St. Paul street, Quebec, Importers.  
R. E. URGUHART, 50 Tupper street, Dartmouth, Representative for NOVA SCOTIA AND NEW BRUNSWICK.

## Made Up Suits and Top Coats

Ready to put on but custom built by the Triple C Tailors in between busy seasons, here are "quality prices" matched by none. You can easily understand why.

Tweeds, \$19.50  
Serge, \$25-\$27

Young and older men's Easter models with all-wool Serge linings. Summery Tweeds, \$19.50. Summery Brown, Gray or Blue, even herringbone Serge, \$25. Up to \$27 every new Worsted, striped, both light and dark, as well as the 19 1-4 ounce Serge so many get tailored to order.

Topcoats of strong Gray Tweed on the free and easy Guards model, \$22. Fine Wool Twills in Fawn with or without faint overcheck, same low price.

Triple C Tailors  
Open Tonight at N. B. Power Bldg.

## Dates Announced For Big Tourney

THE Maritime Provinces and Eastern Maine bowling championship tournament will be held in Eastport on April 21 and 22, according to word received by Humphrey Sheehan, secretary of the executive of the championship association.

Mr. Brown notified Mr. Sheehan that his team is ready to defend the silver trophy, emblematic of the championship, and that he expects a good entry list. This tournament is looked upon as the bowling classic in these parts, and keen rivalry exists among the clubs for possession of the Brunswick-Balke-Collender trophy. If the games cannot be rolled in two days it will be extended to April 23.

## LOSSES NO-HIT GAME

Cornell's Veteran Southpaw Has Hard Luck in Thrilling Baseball Game.

CHARLOTTESVILLE, Va., April 8.—Milligan, Cornell's veteran southpaw, in his season's debut, twirled a no-hit game against Virginia recently, yet the Southwestern won, 1 to 0. The Cavaliers registered their lone run in the sixth when Milligan passed two men in succession. Both advanced on passed ball, one counting on a long fly to left field. Both teams fielded almost faultlessly.

## GUY SPEAR HOME

Young Race Horse Brought to City by S. E. Rice and Ira Scott.

Silas E. Rice and Ira Scott returned to the city yesterday from Wickham, where they went to get their three-year-old race horse, Guy Spear, which had been under the care of T. M. Carpenter. They claim the horse is apparently in perfect condition and they are confident he will make a good showing on the New Brunswick and Maine circuit this year. Guy Spear is by Axworthy and is as yet unmarked.

## ONE MORE ADDED TO THE LONG LIST

QUEBEC MAN PRAISES DODD'S KIDNEY PILLS.

Mr. L. Thiboutot Used Them for Pains in His Kidneys and Found Them Very Satisfactory.

ST. PAMPHILE, Que., April 8.—(Special)—Mr. L. Thiboutot, a well-known and respected resident here is a sworn friend of Dodd's Kidney Pills. He has tried them and found them good.

"Your Dodd's Kidney Pills have given me complete satisfaction," Mr. Thiboutot states. "For three months I have taken them regularly. I am very pleased with them because the pain in my kidneys, from which I was suffering, have completely disappeared."

When the kidneys become clogged or from the kidneys is evidenced by the relief he got from Dodd's Kidney Pills. The impurities in the blood are cleared out of the blood and the result is a purer blood and a healthier body. The condition is not only disagreeable but dangerous as well. The impurities in the blood are the seeds of disease.

Guard against these diseases and get back your accustomed energy by using Dodd's Kidney Pills.

From Surgeons, The Cheaper Cuts.

English doctors say they find it hard to make a living. Punch implies that this is due to the fact that in these hard times people can only afford to go in for the cheaper complaints.

## President Coolidge Made Recipient of Valuable Present by National League.

WASHINGTON, April 8.—President Coolidge put aside business and relieved his mind of affairs of state long enough to talk with John A. Heydler, president of the National League. The latter called for the purpose of presenting to the President a 1925 National League pass in the form of a small half baseball made of gold and inscribed with No. 1 and the President's name on the flat side. He also invited the Executive to the celebration to be held in Boston May 8, marking the golden anniversary of the league.

## TUNNEY SEEKS CAMP

May Select Atlantic City to Train For His Bout With Gibbons.

NEW YORK, April 9.—Ridiculing the prediction of Eddie Kane that Tom Gibbons would knock out Gene Tunney within six rounds in their bout scheduled for June 12 at the Polo Grounds, Billy Gibson, manager of Tunney, yesterday devoted his attention to arrangements for local training quarters for the Greenwich Village idol. According to Gibson, Chambers of Commerce and Boards of Trade from various cities in the metropolitan area within easy reach of the city have submitted propositions calculated to induce Tunney to establish training quarters in the city from which the individual offer comes.

It is altogether probable, however, that Tunney will select Atlantic City as his training ground. The American light-heavyweight champion has received a flattering offer from the New Jersey coast city and is expected to accept.

## GUY SPEAR HOME

Young Race Horse Brought to City by S. E. Rice and Ira Scott.

Silas E. Rice and Ira Scott returned to the city yesterday from Wickham, where they went to get their three-year-old race horse, Guy Spear, which had been under the care of T. M. Carpenter. They claim the horse is apparently in perfect condition and they are confident he will make a good showing on the New Brunswick and Maine circuit this year. Guy Spear is by Axworthy and is as yet unmarked.

## GIVEN GOLD PASS

President Coolidge Made Recipient of Valuable Present by National League.

WASHINGTON, April 8.—President Coolidge put aside business and relieved his mind of affairs of state long enough to talk with John A. Heydler, president of the National League. The latter called for the purpose of presenting to the President a 1925 National League pass in the form of a small half baseball made of gold and inscribed with No. 1 and the President's name on the flat side. He also invited the Executive to the celebration to be held in Boston May 8, marking the golden anniversary of the league.

## JOHNNY DUNDEE MAY BE MATCHED WITH KAPLAN

NEW YORK, April 8.—Johnny Dundee, who some months ago, announced his retirement as featherweight boxing champion, and departed for Europe, may meet the man who acquired his throne before another month has passed.

## A Tiny Star

BETTY NORTON. Meet Miss Betty Norton, juvenile swimming star. Though only a little over two years old, Betty can swim 50 yards with ease and is also a clever diver. She hopes to emulate her older sisters as a water nymph some day. Her parents are Mr. and Mrs. Fay Norton of Los Angeles, Calif.

## BASKETBALL

Rovers and Moncton Girls Meet Tonight in Provincial Title Series.

The Rovers and Moncton will be the big attraction in basketball tonight when they meet in the first of a three-game series for the provincial championship. The game will be played in the Y. W. C. A. and, according to the advance sale of tickets, the local girls will have a great many supporters. The Rovers will line up as follows: Forwards, Norwood and Stewart; centre, Fowler; guards, Johnston and Keohany; substitutes, Blair and Parkinson. R. W. Shaw will referee.

As a preliminary to the girls' game the Trojans Intermediates and the Harriers will stage an exhibition game. The first game will start at 8:30 and the Rovers-Moncton game at 9:15. The visiting players will be entertained in an informal way at the recreation centre.

## GRANVILLE WILL BE UNABLE TO RACE IN LONDON

### Former Manager Denounces Action of Authorities

HAMILTON, Ont., April 9.—Thomas H. Crompton, former manager of Phil Granville, Canadian champion walker, in a statement issued by him, declares that the suspension of Granville is an injustice to sport, and an insult to the president of the American Walkers' Association.

Lived in Y. M. C. A.

Crompton claims that during Granville's stay in New York he was quartered at the Y. M. C. A. and his living has been of the plainest kind. Mr. Crompton says he considers it an outrage to suspend Granville at the present time, when he is making new world's marks, and it will also prevent him from competing in the London to Brighton walk in the Old Country this summer. It was Granville's intention to work his way over to take part, but his suspension will prevent him from starting.

## MERMAID TO TOUR

Daughter of Former Swedish Champion Will Give Exhibitions in Native Land.

WHITE SULPHUR SPRINGS, W. Va., April 9.—Miss Martha Norrellius, spectacular young Olympic champion mermaid, will sail for an exhibition tour of Sweden on May 1. It was announced here today by her father, Charles Norrellius, swimming instructor at the White Sulphur pool, who was the Swedish national swimming champion in 1903, 1904 and 1905 at all distances up to and including one mile. Miss Norrellius will be accompanied by her mother abroad. They expect to be in England to see Helen Wainwright when the latter attempts to swim the English Channel this summer.

IT'S THE CUT OF YOUR CLOTHES THAT COUNTS

## Society Brand Clothes

Always look for the label in the inside pocket.

### A Fabric that Always Appeals

#### SALT'S MAJESTIC SERGE

A well-cut blue serge suit is always smart, always correct, ever popular. Salt's Majestic Serge—guaranteed dye—is made by one of England's historic mills exclusively for Society Brand in Canada. Quality and wear are woven into it. Society Brand assures smartness and style by correct cut and matchless tailoring.

KING STREET GERMAIN STREET MARKET SQUARE

**SCOUTS AND GUIDES GATHER AT SERVICE**

**Presentation of Badges at St. Paul's Follows—Scout Events of Next Few Days.**

The St. Paul's Troop of Boy Scouts and Company of Girl Guides and the Scouts of Mission Church attended the special service in St. Paul's church last night, which is held annually for Scouts and Guides. The service was conducted by Ven. Archbishop A. H. Crowfoot. They paraded to the service and afterwards marched to the Sunday school where the presentation of badges for St. Paul's Guides took place. Mrs. Crowfoot made the presentations. Games were played afterwards. The leaders present included Miss Althea Eason, of St. Paul's Guides; Miss Irene Barber,

of Mission Church Guides; F. Choppin, assistant district commissioner for Boy Scouts; Clarence G. Hoyt, Scoutmaster of the Mission Church Troop; L. L. Johnson, district secretary; William Anderson of Mission Park; D. W. Colwell, St. George's Troop; and W. L. Pincorne, Victoria Street Baptist Troop.

There are some important events in the Scout programme for the next few days. The district troop meeting will be held on Saturday night at the Armory and a fine programme has been prepared for the meeting. On Monday night there will be a meeting for all Scout and Cub leaders in the Scout Office to discuss arrangements for the annual church parade and following the leaders' meetings the Rover's troop will assemble. This troop has been inactive for a short while during the first aid practice. A practical night for Cub leaders will be another special event of the near future.

**FIVE HOME RUNS**

**Yankees Crash Ball Over Centrefield Fence and Defeat Dodgers.**

NEW YORK, April 8.—Aaron Ward, second baseman of the Yankees, took his turn in masquerading as Babe Ruth yesterday, and sent two balls hurtling over the centrefield fence at Greenville, S. C. The Yankees captured an easy victory over the Dodgers, 16 to 4, and took the lead in the pre-season series by two games. Five home runs came out of the first three innings, two for Ward, one for Earl Coombs, one for Deberry and another for Milton Stock.

**N. S. Committee Approves 75 Per Cent. of Outlay**

HALIFAX, April 8.—A resolution authorizing the immediate use of 75 per cent. of the total amount of the estimated expenditure for 1925, was passed in committee of supply in the Legislative Assembly this afternoon, the motion resulting in a recurrence of the debate in the Legislature on \$20,000 authorized for relief work and passed on a division of the House 20 to 8.

**FIREMEN SAVE WEST SIDE FISH PACKING PLANT**

**Connors Firm Boiler Room and Machine Shop Go in Early Blaze**

**5 HORSES SAVED AS BARN DESTROYED**

**Start of Operations at Plant Will Be Delayed About Month.**

The boiler room and machine shop connected with the fish packing plant of Lewis Connors & Sons, Ltd., at West Saint John, and a barn owned by J. M. Driscoll, wood worker, were destroyed by fire this morning and it was only through the fine work of the West Side fire department that the big fish packing plant was saved from total destruction.

**HORSES RESCUED.**

The fire was first seen about 2 o'clock by John Beers, a member of the crew of one of the ships in port. He sent in an alarm from Box 58. About the same time Police Constables McCavour and Blackwell saw the flames and hastened to the scene of the fire and were able to rescue five horses from the Driscoll barn before it was consumed. Bernard Connors said this morning that the fish packing plant was about ready to start operations, but the fire would set the work back for a month. He said he believed the fire loss would be completely covered by insurance. He thought that the reconstruction of the boiler room would be commenced as soon as the insurance was adjusted. Mr. Driscoll said his lost work was about \$800 and was covered by insurance.

**DID GOOD WORK.**

The flames from the boiler house worked into the side of the big factory, but the West Side firemen worked valiantly and headed off the flames to get a real grip on the structure. The water was in good supply and the well-directed attack headed off the fire and confined it to the immediate vicinity of the boiler house and the Driscoll barn.

However, the goods in the factory and part of the machinery were damaged by the water, but Mr. Connors said this morning that the loss would not be nearly so heavy as had been expected when the fire was first discovered.

Acting Chief Oliver Thomson with the chemical engine from the Charlotte street station, District Engineer Carson and District Engineer Charles Clarke were present at the fire and helped in the directing of the fight against the flames.

The fire was out a little after 5 o'clock.

**WANT SIDEWALK OUT THE RED HEAD ROAD**

**Petition for Walk From Kane's to End of Car Line is Being Signed.**

Councillor J. C. Dalsell has prepared a petition, addressed to Hon. P. J. Veniot, Minister of Public Works for the province, asking that a sidewalk be constructed along the Red Head road from Kane's Corner to the end of the street car line. Many people have signed the petition, and it has been placed in the store of Alick Taylor & Son for further signatures. It was said yesterday that with the increased traffic along the Red Head road, there was need of provision for pedestrians so that the chances of accidents would be decreased.

**WILL SPEAK HERE**

**King's College President Has Several Engagements For Addresses.**

Rev. A. H. Moore, M. A., president of the University of King's College, Halifax, is due in the city this afternoon from Halifax and will remain here until late next week. He will be the guest of Rev. C. Gordon Lawrence, rector of Trinity, at the Clifton House. Tomorrow, Rev. Mr. Moore will conduct the three-hour service in Trinity church, commencing at noon. He will be the principal speaker at the Rotary Club luncheon on Monday noon, while on Tuesday evening he will address the Men's Club of Trinity church. On Wednesday evening, Rev. Mr. Moore will address the Canadian Club here.

**PRESS FOR ACTION**

**West Side Progressive Association Take up Matter of Coal Dust at Ferry.**

The West Side Progressive Association has taken up the matter of the coal dust on the ferry floats and has sent a letter of protest to the City Council and also to Commissioner Harding, asking that steps be taken. At the last meeting of the association the following resolution was adopted: "Resolved, that in the opinion of this association the present coal dust nuisance, as existing at the West Side ferry floats, is intolerable and every effort should be made to remedy it. The communication will probably come before the council at its meeting on Tuesday afternoon.

**Local News**

**BANK CLEARINGS**  
Saint John bank clearings this week were \$2,468,272; last year \$2,438,417; in 1923 \$2,794,674. In Halifax clearings this week were \$2,165,956. In Moncton the figures were \$783,269.

**HERE FROM LENNOXVILLE**  
Rev. R. Rockborough Smith, dean and vice principal of Bishop's College, Lennoxville, arrived in the city at noon today. He will assist the rector of the Mission Church, Saint John Baptist, tomorrow and on Easter Sunday.

**CAPITAL \$49,000.**  
The authorized capital stock of the Maritime Sanatorium Company, for which letters of incorporation have been granted is \$49,000 not \$19,000 as appeared. The head office will be in this city. Those incorporated are E. Arthur Westrup, John Burgoyne and George Dickson, all of this city.

**SCHOOL HOLIDAYS.**  
This afternoon the city schools closed for the Easter holidays and will re-open again on Wednesday morning at 9 o'clock. The 8,000 and more school children of the city have been eagerly looking forward to this short respite from lessons and are prepared to enjoy it to the full.

**FINED \$50**  
William O'Dell was fined \$50 by Magistrate Henderson in the Police court this morning, being found guilty of being drunk and also having liquor in his possession other than his private dwelling. Policeman Quinn gave evidence. Another man, charged with drunkenness was fined \$8 or two months.

**TAXI CASE APPEAL**  
Next Tuesday morning has been set by Judge Barry of the County Court for hearing of the appeal in the matter of fines imposed on Cecil and Thomas Wiggin for operating a taxi without a city license. Start Fall appearing for the appellants and Arthur N. Carter for the city.

**BAPTISM ON SUNDAY**  
Interest in the evangelistic mission at the Methodist Baptist church continues and last evening there was a large congregation. An invitation was given for those who desired to offer for baptism and 19 persons responded. They, with others, will be baptized on Easter Sunday. It is expected the ordinance will be administered at both morning and evening services.

**PAID TODAY.**  
Today was the fortnightly pay day at city hall. The sum of \$9,980.84 was paid out to city workmen. Friday is usually the day on which they are paid, but as tomorrow is a holiday they received their cash today. The amounts paid out for several departments were as follows: Public works, \$3,973.86; water and sewerage, \$3,325.88; harbor, \$1,837.21; ferry, \$468.90.

**RECOVERS BOY'S CART**  
At the request of a resident of Sydney about yesterday, Policeman Alexander Chisholm investigated the loss of a small express wagon and recovered it Tuesday afternoon. The wagon had been taken by a small boy. As the owner did not wish to prosecute the matter, the wagon was returned to the policeman had given a warning.

**HEALTH MUCH IMPROVED**  
Friends have received the pleasing news that Charles McDonald, managing director of the Saint John Iron Works is on his way home from New York much improved in health. Mr. McDonald was operated on there about a month ago. He and his wife, Donald are in Boston now and are expected to be home on Saturday.

**MARRIED 60 YEARS**  
On Thursday, April 27, Mr. and Mrs. Cornelius Chamberlain of Collierville, Kings county, N. B., celebrated their 60th wedding anniversary. There was a large gathering of friends and relatives. Numerous telegrams were received from various parts of the province, and Mr. and Mrs. Chamberlain received a number of gifts. These are the best wishes of all for many more happy years.

**UNTIL AFTER EASTER**  
Classes at the Y. W. C. A. Recreation Centre will not meet until the Tuesday after Easter, when all the work will be resumed as usual. St. Vincent's gymnasium will also be closed until Easter Tuesday. The children who are preparing for their annual spring exhibition will meet with Miss Mary Campbell in the gymnasium for rehearsal as arranged for.

**NON-SUPPORT CHARGED**  
James A. Springer, arrested yesterday on a warrant charging non-support of his wife, appeared before Magistrate Henderson in the Police Court yesterday afternoon and he was found guilty and fined \$100 or three months in jail. On condition that the accused pay a certain amount to his wife every week, His Honor said he would allow the fine to stand. The defendant agreed to do this and was allowed to go.

**KNOCKED DOWN BY DOG.**  
"The master of dogs running at large in the city thoughtless is becoming a menace, as well as a nuisance," said a lady who was knocked about by a large canine last evening in Princess street. The dog was chasing a cat. "I am only thankful that I was not knocked completely over, and with a broken arm as the result of the experience," was her parting remark to a gentleman who stopped to inquire if she was badly hurt.

**HOME FROM FREDERICTON.**  
Commissioners Frink and Harding returned last evening from Fredericton, where they had been in connection with legislation from the City Council before the municipalities committee. Neither had much to say about the reception accorded the Saint John bills or would forecast what was likely to happen to the legislation which had been opposed—the bill for a tax on insurance companies, that to give the Civic Power Commission the right to sell current in the Parishes of Lancaster and Simonds, and the gasoline tax bill.

**CONVEYOR DONE WITHIN FEW WEEKS**

**Equipment Being Installed and Painters at Work—is 1,109 Feet Long.**

The new grain conveyor to carry grain from the West Side elevators to No. 16 dock is about completed, and the workmen are now engaged putting the equipment in place. The painters are busy on the outside of the conveyors and it is expected that the whole work will be done within a few weeks.

The conveyor runs across the head of the slip from the old tower to the new, a distance of 376 feet, and then extends down the wharf 733 feet with provision made for 16 shoots along the face of the wharf.

85 Feet High.  
The new tower is 24 feet by 20 feet and its top is 85 feet above the wharf. It is a three storey structure above the wharf. The grain is to come in the top and from the second floor will be distributed to No. 16 conveyor. The lower floor will be used at some future time when other wharves are to be served.

The conveyor between towers is about 75 feet above the wharf. The portion of the conveyor on the pier itself has its roof about 77 feet above the top of the wharf, which leaves it 107 feet above the low tide mark.

The new conveyor on No. 16 berth has a capacity of 16,000 bushels of grain an hour when running under normal conditions and this may be substantially increased with the best of grain.

Boone and McDonald are the general contractors for the work of construction.

**F. B. McCurdy Talks Of Maritime's Case**

A thorough diagnosis of the conditions in the Maritime Provinces, with the collection of full details of the opportunities here, should be the first steps toward the solution of the problems of the eastern part of Canada, according to F. B. McCurdy of Halifax, formerly Federal Minister of Public Works, who passed through the city today at noon on his way home from Montreal.

Mr. McCurdy said there were many questions that should be answered and that a definite statement of what was needed should be made.

**Post Office Opened At Kane's Corner**

A new post office has been established in the store of Alick Taylor & Son at Kane's Corner, with Alick Taylor as postmaster. The office was opened on Tuesday by Alexander Thompson, city postmaster. Its official designation is Saint John Sub-Post Office No. 4.

**HOME FROM WASHINGTON**

A. C. D. Blanchard, hydraulic engineer of the New Brunswick Electric Power Commission, who was in Washington to attend a meeting of the International Joint Commission in connection with the application for permission to create storage in international waters, returned home at noon today. Mr. Blanchard said the International Commission had heard with the several parties interested in the Grand Falls development had to say and then fixed a date for the hearing in Montreal on May 15.

**AT THE SYNAGOGUE**

Rabbi O. Mendelblatt conducted services last evening at this morning at the Hebrew synagogue. There was no sermon preached, but it is expected that Rabbi A. Babb will give an address this evening. Tomorrow morning the chief service of the Passover season will be given.

**REPAIRS NEEDED**

The police reported that the sidewalk in Queen street, near Carmarthen, is in bad condition and the public works department is now effecting repairs. The Quinn Sills, at the southerly end of Germain street, also has been reported to the department for repairs.

**HARDWARE MEETING**

J. A. Tilton, of W. H. Thorne and Co.; W. G. Stratton, of T. McAvity and Sons; and W. Emerson, of Emerson and Fisher; members of the executive of the Maritime Hardware Association, left last evening for Halifax to attend a meeting of the executive.

**As Hiram Sees It**

"I see," said Mr. Hiram Hornbeam to The Times reporter, "President Coolidge says he ain't agin short skirts."

"You astonish me," said the reporter, "When did Cal make that momentous announcement?"

"When he was talking in' to the cotton manufacturers this week," said Hiram.

"How fortunate," said the reporter, "that the reporters were there. The world might have been left in ignorance of the President's views on this question of international importance."

"Yes, sir," said Hiram. "I'll sort of ease the public mind—won't it? I been feelin' a lot better since I heard it. When the President shows he keeps his eye on the underpinnin' of the nation the country orto be safe."

"And how fortunate," said the reporter, "that his golden words are not to be lost to the world."

"Jist so," said Hiram. "Ho'ary for the reporters."
