The Directors have also resolved to extend to British North America the advantages afforded the Hall FCREDIT RATES OF PREMIUM. British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM by the HALF CREDIT RATES of FRE-MIOM which have been so highly approved, and are so generally adopted by Folicy Holders in the United Kingdom. These, as well as all common purgatives, pass off without truching the bile, leaving the bowele contive and like stomach in as had condition as before. Let Halsey's Forest Fills act on the gall ducts, and earry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They set directly on these vital organs of the Stomach, Liver, Eidneys, &c., which secrets the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleaned and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping, nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the side and affiliated by a induced thousands to
