At each ordinary meeting of the Synod one-half of the whole number of lay members of the Board shall go out of office, but they or any of them shall be eligible for re-election; the new members, having been proposed, seconded and elected by ballot, shall be placed at the bottom of the list. No one shall be elected a member of the Board who is not an annual contributor to its funds of at least one dollar.

## Prayers

APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*

*(Board of Home Missions only.)*

O God, from Whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our missionary work. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

*(Board of Home Missions only.)*

O Lord Jesu Christ, Who at Thy first coming didst send Thy messenger to prepare Thy way before Thee, grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, Who livest and reignest with the Father and the Holy Spirit, ever one God, world without end. *Amen.*

*(Board of Foreign Missions only.)*

Almighty God, who, by Thy Son Jesus Christ, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature, grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health

among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thine harvest. Fit and prepare them by Thy grace for the work of their ministry ; give them the spirit of power, and of love and of a sound mind ; strengthen them to endure hardness ; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through Jesus Christ our Lord. *Amen.*

*(Board of Foreign Missions only.)*

O merciful God who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites and be made one fold under one Shepherd, Jesus Christ our Lord, Who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

Almighty God, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which our work has been thus far sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ ; to Whom, with Thee and the Holy Ghost, be all honour and glory, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy name ; Thy kingdom come ; Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for Thine is the Kingdom, the power and the glory, for ever and ever. *Amen.*

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. *Amen.*

9th. Upon payment of the first sum or premium the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

10th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void; but if he desires to have his claim to the pension renewed it shall be in the power of this Committee to re-admit him on such terms as they see fit.

11th. Removal of the clergyman from this Diocese, except in the case of any clergyman who shall become a missionary of the Board of Foreign Missions of this Diocese, or who undertakes work in Algoma while a Missionary Diocese, forfeits all claim to the pension. Seventy-five per cent. of the amount of premiums paid by the holder of the Certificate himself shall be returned to him upon the surrender of his Certificate.

12th. If any clergyman shall go beyond the limits of Europe, or of North America 35° North latitude, without the leave of the Committee, he shall forfeit all claim to the pension.

13th. The widow of every clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of \$100 per annum during widowhood.

14th. If at any time it is the opinion of the Committee that the state of the funds will safely warrant their so doing, they shall have power to increase the amount of the pensions.

15th. If the widow die or marry again, the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females; while those who are still under those respective ages will receive the full amount of the pension.

16th. If the wife die before the husband, his child or children shall at his death receive the pension, under the above limitation as to ages.

17th. The pension shall be payable half-yearly, on the 1st day of January and the 1st day of July in each year, and shall commence on the first of these days which shall happen after the decease of such person holding a Certificate, and terminate on the first of those days which shall happen after the death of the widow or child, or the happening of any other event by which, under these Rules, such pension is to cease.

18th. The Clergy of Prince Edward Island shall be entitled to participate in the benefit of this fund on equal terms with the Clergy of this Province.

19th. The Certificate to be granted shall be in the following form, under the seal of the Synod and the signature of the Secretary; and on the back thereof or annexed thereto shall be printed the above Rules.

20th. None of the above Rules or Regulations shall be altered except at a regular meeting of the Synod, after a full year's notice of the proposed change.

The Widows' and Orphans' Committee do not consider the Fund responsible for the payment of a larger pension than the \$100 named in the Certificate.

### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Committee were adopted May 17, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the Incumbent or resident Missionary for the time being of any Parish or Mission for which they are designed, the said Incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance of trust of such Endowment may be made either to the Society for the Propagation of the Gospel or to the Church Corporation of the Parish or to the Diocesan Synod.

III. When real property is purchased and conveyed for Endowment it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any Incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the churches in his Parish or Mission during the continuance of such suspension.

V. The Endowment Committee shall hold any sum contributed toward the endowment of any Parish or Mission in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the General Meeting of the Board, at their meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Committee for aid shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor in such Mission ; and shall state the nature, situation, value and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment ; all such applications to be made to the Secretary of the Board of Home Missions, who is, *ex officio*, Secretary of the Endowment Committee.

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations :—

“That while no restriction is made as to the sum which a Parish may withdraw from its ‘*Reserved Fourths*’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Board, and the interest be payable to the Incumbent.”

“With reference to the control of the Board over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the rights of the Parishes to manage their own property. They would merely, for the better security of this Fund for the support of the Clergy, recommend—That a rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same rules and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted ; the second is still under consideration.

## QUEBEC SCHEME.

### RULES AND REGULATIONS.

Clause 1.—Where there is no special condition, all grants shall be made for three years from the first of the month preceding or following the date ; yet the Board may, for what it considers good and sufficient reasons, discontinue a grant after six months' notice. In every case the grants shall cease at the expiration of the three years, unless renewed at least six months before their termination.

Clause 2.—All Parishes or Missions receiving aid from the Board shall, by their Wardens or other representatives, pay into the funds of the Board, through the Secretary, at least one month before the 31st March, 30th June, 30th September, and 30th December in each year, such amount as may by mutual consent be arranged between themselves and the Board ; provided always, that the Board, if in any case it is satisfied that half yearly payments would be more for the interests of all parties concerned than quarterly, may frame their agreement with the Parish accordingly.

Clause 3.—At the beginning of every quarter—to wit, on 1st April, 1st July, 1st October, 1st January—the Secretary shall accept the order of the Missionary for the preceding quarter's salary as agreed upon jointly by the two contracting parties. But where half-yearly payments have been allowed, the Secretary, at the expiration of the six months, if the amount due from the people has not been paid up, shall only accept the order for the amount of the Society's grant for that period.

Clause 4.—When a Parish or Mission fails to make its regular remittances when due, the Secretary shall at once make enquiries by letter, or, if thought necessary, shall visit in person, or a deputation may be sent to enquire into the cause of such default, and report to the Board. Should the amount due from the Parish not be paid within three months from the date at which it becomes due under the agreement with the Board the grant shall cease, and it shall be the duty of the Treasurer to make no further payments ; nor shall the grant be renewed until the arrears due at the time of the cessation be paid up.

Clause 5.—The aim of the Board is, and it should be that of the Missions themselves, to make the Missions as quickly as possible self-

Clause 6.—In furtherance of the objects of the Board it requires that each of its Missionaries shall take care that every eligible person within their respective Missions be solicited to contribute to the General Fund of the Board, and that quarterly returns of the amount of such contributions shall be made by the Missionary to the Secretary in Halifax.

Clause 7.—The Board, for reasons which it shall deem good, may allow a Parish or Mission to pay a certain specified amount of their Incumbent's salary in kind, at *cash* prices, and his receipt for the sum, in the form of a bill of items, shall be counted by the Wardens or Representatives towards making up the amount to be paid by the Parish or Mission; and may also allow the receipt of the clergyman for money given at the offertory to be received from the Wardens as part of the conditional payment required by the Board from the people.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no clergyman should, when building a Church, rely upon aid from the Board without first ascertaining whether it is in the power of the Board to grant any assistance.

All grants to Churches are made on the following terms, namely : That the first moiety be called for within one year, and the second within two years, from the date of the grant. The first moiety may be obtained when the exterior is finished and the second when the interior is finished. Grants to Parsonages are made on similar conditions.

The Endowment Committee receive and hold any money given in trust for Church purposes, and pay over the annual interest arising from the same when invested towards the furtherance of the special object for which it was given.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Board.

The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission* all the proceeds of whatever glebe lands may be in that Parish.

All subscription lists received before the 31st December in each year will appear in the next forthcoming Report, while those received after that date shall be omitted.

If the reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Board.

The attention of the Local Committees is particularly requested to the above regulations.

All applications for aid from this Board are proposed at one meeting of the Board and considered at the next.

No person shall be qualified to vote at any general meeting of the Board, nor to be elected a member, who has not been a subscriber for three months preceding the day of meeting.

At the General Meeting in 1869, the following resolution was adopted :

The Church property in any Parish which is actually occupied by the Incumbent of the said Parish shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his incumbency ; and the valuers shall be appointed as follows, viz.: one by the Parish, one by the Board of Home Missions, and another by those two.

PROSPECTUS

---

CHURCH ENDOWMENT FUND.

---

Forasmuch as the Committee appointed in 1858 to raise an Endowment Fund for the support of the Ministers of the Church of England in this Province have resigned, and the proposed scheme is now in abeyance, many members of the Church, deeply impressed with the necessity for immediate action, and believing that some of the obstacles encountered by the Committee have disappeared, have resolved (in compliance with the request of the Lord Bishop) to attempt to carry out this important work without further delay, availing themselves of a very liberal offer of James R. Mosse, Esq., to devote his time and attention for one year to the promotion of this object, as Secretary and Agent, without any remuneration.

It is proposed to raise a sum of money as an Endowment Fund for the Church of England in this Province, upon the basis of this Prospectus, and strictly in conformity with it; the money subscribed and paid to be held for the present, in trust, for that purpose, by the Hon. M. B. Almon, and Edward Binney, Esq., the Treasurer of the Fund—to the latter of whom subscriptions may be paid—and who will receive and hold the same as Trustees, provisionally, until the next annual meeting of the Diocesan Church Society of this Province, when all subscriptions, which shall have been received by them, shall be paid over to the said Society (provided it shall consent to receive the sum) which shall also receive all further subscriptions and contributions of this Fund, unless at any time hereafter it should be thought advisable to apply for an Act of Incorporation for said Fund.

All monies so collected to be held by the Diocesan Church Society in trust, so'ely and strictly for the objects, purposes, and designs, and under the rules, regulations, and provisions set forth in the present Prospectus. The future management and investment of the said trust funds to be vested in a Committee of the said Society, to be appointed at such annual meeting of the Society; but neither the Society nor such Committee to have any power to change, or in any respect to vary

from, or to control the objects, purposes and designs of such Fund, set forth in the said Prospectus, or any of its rules, regulations, and provisions whatever.

1. The proceeds and annual income arising from this Fund shall be appropriated solely and exclusively towards the support and maintenance of the Church of England within this Province in the following manner.

2. The annual deduction of £100 stg. which the Society for the Propagation of the Gospel intend to make from the amount of their present grant, (which has been transferred by them to a sub-committee of the Diocesan Church Society,) shall be made good out of the proceeds of this Fund, so that the said grant shall be kept up and maintained in its full integrity, at the sum which may be required, for the purpose of paying all the Rectors and Missionaries who shall be on the list of the Society for the Propagation of the Gospel, on the day when this Fund shall go into operation, the full amount of the salaries to which they may on that day be entitled from the said Society.

3. Whenever and as often as any of the Rectors or Missionaries on the said list on the day above-named shall die, or from any course shall cease to be entitled to receive the salaries to which they were at that time entitled, out of the said grant of the Society for the Propagation of the Gospel, then the said grant is no longer to be kept up at its former amount, by contribution from this Fund as will suffice for the payment to those Rectors and Missionaries still living, and entitled to receive the same salaries from this Fund. And every new Rector or Missionary, appointed in their places, shall be paid out of the annual proceeds of this Fund a yearly sum, according to the class and scale arranged for that purpose, and herein contained.

4. In like manner, whenever and as often as any of the present Rectors or Missionaries, now on the Government list and paid by it, shall die, or cease to be entitled to be so paid, then every new Rector or Missionary appointed in his place to any parish or mission shall be paid out of the annual proceeds of this Fund, according to the same class and scale; and whereas, there are some parishes and missions of which the incumbents are not paid either by the Government or by the S. P. G., the said incumbents and their successors shall be on an equality, in respect to their claims upon this Fund, with the successors of the Clergyman now upon the lists of the Government or of the S. P. G.,—it being understood that "parishes" shall have always the first claim upon this Fund, except on all questions under Clause No. 8,

which shall still be decided by seniority of appointment, as there provided.

5. If from an unforeseen cause, the present grant of the Society for the Propagation of the Gospel, subject to the present reduction of one hundred pounds (£100) stg. a year, should fail, or if the present provision by Government for certain Missionaries should not be continued (neither of which contingencies it is fully believed will occur, and are only hereby provided for "ex abundantia cautela") then in such case, the annual proceeds of this fund shall, according to their means, be appropriated towards the payment of the old Rectors and Missionaries, whether on the Government list or on that of the Society for the Propagation of the Gospel, and of the other Rectors and Missionaries claiming under this Prospectus, rateably by an equal percentage deduction from the old salaries and new allowances, under Clauses Nos. 3 and 4, as the state of the Fund may require and will permit.

6. If the annual proceeds of this Fund, after providing for the payment of fifty-one claimants according to Clauses Nos. 3 and 4, should exceed the amount required for fully carrying out the proposed scheme, then, in the first place, the surplus shall be devoted to the payment of additional Clergymen, under the same classification and at the same rates, and preserving as nearly as may be the same proportionate numbers in each class as are herein prescribed. But if at any time the income of this Fund shall exceed what is necessary for the fifty-one payments now provided for, and such additional payment as may hereafter be agreed on, and there shall be no need nor opportunity of adding to the number of Clergymen to be paid out of this Fund by any further sub-division of parishes, then such surplus shall be applied to increase the allowance to each Clergyman, "pro rata."

7. The subjoined scale is that referred to in Clauses 3 and 4. It provides for fifty-one Clergymen, and is based upon carefully prepared calculations, so that reliance may be placed upon the capabilities of the Fund to supply the payments proposed for the respective classes.

The Clergymen are to be divided into three classes :

Class 1 will contain twenty-one Clergymen, who must have officiated in this Province more than fifteen years, who are to receive £75 Currency per annum.

Class 2

Class 2 will contain fifteen Clergymen, who must have officiated in this Province more than five years, who are to receive each £50 currency per annum.

Class 3 will contain fifteen Clergymen, who are to receive each £30 currency per annum.

8. All removals from one class to another must depend not only upon the standing of the individuals, but also on vacancies in the upper classes. If at any time there shall be more Clergymen holding appointments within the Province than the number for whom provision is made in clause 7, or by the Committee under the conditions of clause 6, then admission to class 3 must also depend upon vacancies in that class,—the seniority of original appointment in this Province deciding the question. The standing of any Clergyman who, after leaving this Diocese, except on account of ill health, shall return to it again, shall be reckoned from his appointment to a parish or mission on his return, and any previous service shall not be reckoned. If any clergyman officiating in this Province shall cease to hold any parochial or missionary appointment, but shall not leave the Diocese, and after an interval shall again be appointed to any parish or mission, he shall take his place upon the lists in the position in which he stood when he ceased to officiate, as soon as a vacancy shall occur in the class to which he belonged.

9. Every Clergyman applying for his salary under this scheme must furnish proof that provision has been made by those to whom he ministers for the payment to him of at least one hundred pounds (£100) currency for the past year, or at least fifty pounds (£50) currency for the past half year.

NOTE.—This amount may be made up from local endowments, from the subscriptions of his congregations, from pew rents, or from any other source (except from this Fund), and may include the fair estimated yearly value of the Glebe or Parsonage, if any. This estimate shall be settled by the Committee, and every care shall be taken to arrive at a just and equitable conclusion.

10. The application of the Clergymen shall be made annually or semi-annually to the Secretary of the Church Endowment Committee. It shall state the number of years' service in this Province of the party applying, and contain a solemn declaration, either by himself or by the Churchwardens, or by three members of the Vestry, that the amount guaranteed by the parish has been actually and "bona fide" subscribed.

Upon this application, with such statement and declaration, the Treasurer of the Fund shall be authorized by the Chairman to pay to the applicant the amount to which he is entitled by his length of service.

11. On the expiration of eighteen months from the commencement of his incumbency or mission, and at the end of each half year thereafter, the application of the Clergyman shall be accompanied by a certificate that the whole of the subscription for the year preceding the last six months has been "bona fide" paid. And if such certificate be not furnished, he shall nevertheless be paid the amount then due from this Fund, but he shall not be entitled to any further payment so long as he shall remain in the same cure until he be again enabled to, and do, certify that the payments due under the agreement with his people are not more than six months in arrear.

12. It is proposed that the sum of forty thousand pounds (£40,000) currency shall be raised, but if this amount be not realized, then the payment of each class of Missionaries will be reduced "pro rata"; and this scheme is not to go into operation until at least twenty thousand pounds (£20,000) shall have been subscribed and paid into the hands of the Treasurer. It is hoped, however, not only that the sum of £40,000 will be subscribed, but that by judicious management it will soon accumulate as to secure a provision for the increases of parishes, missions and missionaries in this Province.

13. As this Fund is raised with a view to the support of the Ministry in places where a sufficient provision for the clergyman cannot be procured without assistance, it is to be understood that no Clergyman receiving an income of two hundred and fifty pounds (£250) currency and upwards per annum, from any of the sources mentioned in the note to clause 9, shall be entitled to any payment from this Fund.

14. No Missionary receiving any portion of this stipend from any Society in England, at the time when this Fund goes into operation, shall receive any payment from this Fund, except such as is secured to him under clauses 2, 3, 4 and 5, so long as he continues to receive the payment from such Society in England.

The foregoing Prospectus was accepted and adopted at the Annual General Meeting of the Diocesan Church Society, at Halifax, on the 12th day of October, 1860; and the following gentlemen were appointed the Committee to carry the Church Endowment Fund into effect:—Hon. **REPORT**  
OF THE  
**BOARD OF FOREIGN MISSIONS.**

---

The Board of Foreign Missions beg to submit the following Report :

The action of the Provincial Synod in establishing the Central Board of Foreign and Domestic Missions will seriously affect the Diocesan Board as at present constituted. To this the Board would call the attention of the Synod. The Board would recommend that this Board should become the Corresponding Committee of the Central Board from this Diocese, and that it be clearly understood that the B. F. M. is not to be merged into the Central Board.

The Secretary's and Treasurer's statements are herewith submitted.

The portion of the Bishop of Algoma's salary assumed by this Diocese has been paid.

Two vacancies are to be filled up in the place of Col. Poyntz, incapacitated by illness, and Rev. H. L. Owen, deceased.

It may be mentioned, in addition to this, that the prospects for the present year are much improved, a very large amount (over \$700) having been subscribed in answer to the Ascensiontide appeal of the Bishops.

**REPORT**  
OF THE  
**Widows' and Orphans' Committee**  
TO THE BOARD OF HOME MISSIONS.

Your Committee are happy in being able to report a decided improvement in the number of Parishes contributing to the Fund the past year. Forty-three (among which are two from P. E. Island) have responded this year, to thirty last year, and thirty-nine the year before. While it is gratifying to note the increase, it is yet with much regret that the Committee have to call attention to the fact that quite one-third of the Parishes and Missions continue to do nothing to add to the Fund, notwithstanding the Regulation of Synod which requires them to do so. Owing to this neglect, your Committee were compelled to reduce the amount of the Pensions for the last half of the year 1883 to \$75. They trust that the knowledge of this, and of the still greater needs of the Fund, may lead to an increased number of contributing Parishes, and consequently, to a larger Income the coming year.

By the death of the venerated Dr. Moody, of Yarmouth, another widow has been added to the list; and as there have been no deaths among the Beneficiaries their number has now increased to fourteen.

The available funds for 1883 were \$3079.41, derived from the following sources:—

By the addition of Mr. Morris' name, the list of Clergy would have been increased to 58 ; but the removal of the Rev. A. D. Jamison, the withdrawal of the Rev. A. Osborne, and the death of Dr. Moody, reduces the number of Clergymen holding certificates to 55, of whom 12 reside out of the Diocese.

\*NOTE.—An apparent decrease in the amount of Investments, etc., is explained by the fact that \$1000 of Stock included in last year's statement was paid this year.

SEVENTH ANNUAL REPORT  
OF THE  
BOARD OF HOME MISSIONS.

---

The Board of Home Missions, in presenting its Seventh Annual Report, desires to express its deep thankfulness to Almighty God for the large increase in the amount of subscriptions received during the year, the largest for many years. It has, consequently been able to meet its engagements; and it hopefully anticipates that the Parishes now vacant will soon be filled, and that other places asking for the Services of the Church may have their wants supplied. To give the ministrations of the Church where they are needed throughout the diocese will, however, require a further increase in the yearly income, but this increase, it is believed, will soon be forthcoming, so that progress may be made and the growth of the Church promoted. This is a matter, the Board feels, which concerns every member of the Church, for it would indeed be a disgrace to us, as Churchmen, if the religious instruction of the Church's members were to be left in the hands of other Christian bodies.

The subject of increasing the incomes of the Clergy, which has long engaged the attention of the Board, demands the serious consideration of the laity. The Board has endeavored, as far as lay in their power, to improve the condition of the more poorly paid clergy, and want of means alone has prevented greater progress being made in that direction. Unless the laity are prepared to see Parishes vacant, or an inferior class of men in the ministry, the present salaries in many cases will have to be made larger. Not less than \$800, with a house, will enable a man with a family, who has to keep a horse, to live in moderate comfort; and \$700 is the lowest on which an unmarried man, keeping a horse, can support himself.

There are Parishes, however, which the Board feels should be self-sustaining; and to repeat its remarks of last year, "the Board trusts that the clergy will not hesitate frequently to remind their people of this, and will do all in their power to hasten so desirable a step."

The Report of the Widows' and Orphans' Committee will be found appended, and also the Treasurer's Statements of the several Funds, which have been duly audited and found correct.

**Albion Mines**—Total \$73.35 ; Increase \$37.35.

Since the return of the Missionary from England, this Parish has once more occupied its old positicn. The decrease of last year has been redeemed; and it is hoped that next year will see the amounts of former years regained.

**Amherst**—\$75.

**Annapolis**—Total \$78.49. Decrease \$43.21. This Parish raises \$600, unaided, for salary of an assistant minister.

**Antigonishe**—Total \$68.36. Increase \$5.34.

**Arichat**—Total \$22.82. Increase \$6.82.

**Aylesford**—Total \$47.50. Increase \$2.33

**Baddeck**—Total \$39.10. Increase \$31.23.

This Mission shews already the resumption of his pastoral work by the Incumbent; and will, no doubt, do more next year.

**Beaver Harbor**—Total \$52.10. Decrease \$18.00.

Mr. Smith writes: "I have no excuse to offer for the smallness of the sum, only that times are very dull in this Parish, and have been since last August."

**Blandford**—No returns.

**Bridgetown**—Total \$63.60 Increase \$3.90.

Mr. Wilkins writes: "I am both surprised and rejoiced to find that the amount enclosed is in excess of that subscribed last year, as I had reason to suppose it would be less; owing to the almost total failure of the apple crop last year, money is unusually scarce in this part of the Province. The Missionary Boxes prove a great source of revenue in this Parish, nearly half the amount sent in this year being from them. I feel more convinced every year that if that system could be thoroughly carried about among the Church children of the Diocese, the income of the B. H. M. would be doubled. It requires a little trouble on the part of the clergymen to keep up the childrens' interest in these boxes, but it will amply reward him."

We cordially endorse these remarks of Mr. Wilkins, and commend them to the consideration of the clergy.

**Bridgewater**—Total \$60.00. Increase .26.

**Chester**—Total \$65.36. Increase \$4.41.

Mr. Butler says: "I was afraid that our contributions might have fallen short this year, as Mr Ruggles was round canvassing for the College just before we got the lists out, and received subscriptions for about \$360, but am glad to be able to send you an advance on last year."

**Clements**—Total \$26.46. Decrease \$40.26.

Mr. McCully writes—"I sincerely regret that I am not able to send more this year, but it really cannot be helped. The people have been taxed to the utmost with Church furnishing, repairing, &c. The moving of the Church from Smith's Cove to Clement West was a heavy burden, and then it had to be entirely renovated in the interior, and completely furnished. The number of Church people is small in the Parish, and still there has been raised during the past year, including the money for B. H. M., very nearly one thousand dollars for Church purposes. I trust, however, that another year we may be able to send more."

**Cornwallis**—\$36.65. Decrease \$23 85.

**Cumberland Mines**—Total \$31.87.

**Dartmouth**—Total \$21.00.

**Digby**—Total \$99.08. Increase \$8.11.

Mr. Ambrose says—"We would fain do more. But we are few in number, with no rich people; and until the debt on our new Church, with interest at 7 per cent is paid off, we cannot do what we would. We suffer much here from emigration. Within the last few years, we have lost many good and liberal subscribers from this cause, and by death. I am constantly keeping the duty of unselfish missionary exertion before our people, being firmly persuaded that there can be no spiritual growth or blessing without it. Our Sunday School children sent during the year \$10 towards the support of the Shingwauk Home."

**Eastern Passage**—Total \$14.12.

**Falkland**—Total \$28.55. Increase \$5 83.

**Glace Bay**—Total \$43.40.

This is an improvement upon the last remittance, and it is to be hoped that this Mission, under its new and energetic Missionary will steadily increase the amount.

**Granville**—Total \$60.45. Decrease \$5.35.

**Halifax**—ST. LUKE'S—Total \$772.12. Decrease \$410.79.

This Parish again sends in a handsome amount, which, though less than last year, is still larger by far than that of any other Parish in the Diocese. An exceptional effort was made last year, which could hardly be expected to be kept up.

**BISHOP'S CHAPEL**—Total \$353.69. Decrease \$103.59.

The decrease of the present year is accounted for by the fact that large sums were specially given last year.

**ST. MARK'S and ST. JOHN'S**—Total \$161.23. Increase \$58.81.

**ST. PAUL'S**—Total

**ST. GEORGE'S**—Total \$150.00. Increase \$62.31.

**Hubbard's Cove**—Total \$104.34. Decrease \$3.31.

Mr. Stamer writes—"Although this is somewhat less than what it was ont h previous year, yet it is more than I expected, as a great many of the inhabitants hae

**Liverpool**—Total \$325.26.

**Liverpool Road**—Total \$35.62. Increase \$10.62.

It is pleasing to find a poor struggling Mission increasing its contributions to B. H. M. each year. Mr. DeBlois writes—"Our aim is, if possible, to visibly increase our subscriptions year by year, so that our interest in the Society's welfare may be fully sustained, and this is the more creditable since the Mission has been, and is still struggling hard to maintain a Missionary in its midst with but little extraneous aid, the amount, so far, being only \$100. In addition to all this, the people have this year contributed very largely to the building of a new Church at Pleasant River, which was opened for Divine Service on Advent Sunday. Knowing, however, how sore is their own struggle, they have not been unmindful of their still poorer brethren, and have done their utmost to increase your funds. It is not they who give the most, but they who give with the greatest self denial, whose giving shall be more abundantly blessed. Many of the new names on the list are those of children, whose offerings are the accumulated hoardings of the year, and earned by ways and means that your wealthier patrons would hardly dream of, and all that they might have wherewith to cast in their mite to the treasury of the Lord—while the whole has been given with such willingness and zeal as may lead us to suppose, that if thus your Society be the chief object of their earliest exertions, it will also be the subject of their latest love."

**Lockeport**—Total \$41.13.

**Londonderry Mines**—Total \$66.30. Increase \$15.70.

It is good to know, that in spite of the depression in business at the Acadia Mines, the amount sent in this year shews a decided increase. This new Parish makes a very creditable shewing.

**Lunenburg**—Total \$161.09. Decrease \$77.91.

This Parish last year sent in so very much larger an amount than in former years, that it was hardly to be thought it would increase the sum this year. But it would have done so, had not local claims been very pressing. We quote from a letter of the late lamented Dr. Owen—"Our remittances for all Missionary purposes amount this year to about \$219. This is in addition to \$700 for King's College. We have also opened a subscription list for a new Sunday School house, to cost \$1600. Considering all this, we have fairly well exceeded our usual average, though not quite up to our year of extraordinary effort, 1883."

**Louisburg**—Total \$99.20.

This is the first subscription for B. H. M. in this Parish for some years. Mr. Draper says—"The people here are poor, and their income fluctuates with the success or failure of the fishing. Yet in not one instance was I refused a subscription. I visited every family myself, and what could be afforded was given me readily and cheerfully."

**Mahone Bay**—Total \$43.46. Decrease 40.40.

Mr. Snyder says—"I am sorry that our contributions should be so much less than last year; but the absence of the Curate at the time when collections and subscriptions are taken prevented a canvass of those out-stations more immediately under his charge. In addition to which Mr. Ruggles' visit and the Curate's salary, which had to be collected at the end of the year, together with the efforts that are being made to build the new Parish Church, very naturally interfered with our collection for B. H. M."

**Maitland**—Total \$113.76. Increase 26.76.

This is the largest amount ever sent from this Parish, and considering that many families have left the place during the past two years, the large remittance speaks volumes for the church people of the place. We re-echo Mr. Martell's wish. "Next year, God helping us, we hope to increase the amount."

**Manchester**—Total \$4.60. Increase .41.

**Newport**—Total \$38.94. Decrease 21.95.

**New Ross**—Total \$49.20. Increase 2.46.

**Parrsboro'**—Total \$29.88. Increase 4.18.

This Parish shows an increase this year. We hope this may be improved still further another year.

**Petite Riviere**—Total \$24.00. Same as last year.

**Pictou**—Total

**Port Medway**—

**Pugwash**—

**Rawdon**—Total \$46.74. Increase 2.40.

Mr. Ancient writes—"I am thankful to say that we have made a small, though very small advance upon last year. But when you remember that the Board last year reduced our grant fifty dollars, and that we have, in our addition to our B. H. M. subscription, raised \$12 for Algoma, I think we may fairly claim to have done well.

**River John**—Total \$38.40. Increase 7.63.

We quote from Mr. Downing's report—"I could that the amount had been larger, but it represents a great deal of self-denial on the part of those who have given, being an increase of \$7.63 over last year. All gave cheerfully, the only regret being that they were unable to give more."

This Parish has been fruitful in good works during the past year, especially in Church building and repairing, and it is gratifying to note that in their own needs they are not unmindful of the wants of others.

**Sackville**—Total \$62.00. Increase 13.14.

This Parish again sends in a large increase, having last year nearly doubled the contributions of former years. We congratulate the zealous Missionary and his fellow-helpers on the evidence of their faithful work.

Sydney once more contributes an increase. It is steadily advancing in its interest for the cause of B. H. M.

**North Sydney & Sydney Mines**—Total \$97.08. Increase 11.02.

These two Parishes are again shewing their zeal and liberality and the energy of the Missionary by a considerable increase.

**St. Margaret's Bay**—Total \$46.88. Increase 13.21.

A thorough canvas appears to have been made throughout this Mission, and the result is seen in a large advance on last year. We congratulate this Parish on once more coming into line.

**Ship Harbour**—Total \$26.28.

This Parish shews already the work of the Curate, and forwards a list which we hope will soon emulate that of former years.

**Tangier**—Total \$90.65. Increase 18.10.

The energy and perseverance of Mr. Ball have yielded good results again in a large advance.

**Truro**—\$135. Decrease 20.07.

The following Resolution, passed at  
the Annual Meeting, speaks for itself:

Moved by REV. E. H. BALL, seconded by REV. P.  
H. BROWN,

“That a conspicuous notice be printed in the Report  
of the current year, stating the discouragement which  
Halifax subscribers find, even inducing them thereby  
to lessen their subscriptions, in the fact that the country  
subscribers are so backward in contributing to funds  
from which they alone derive benefit.”

Carried.
