Trinity University.

TRINITY University was constituted by a Royal Charter bearing date 15th July, 1852, and was thereby endowed with all such powers of conferring degrees in the various Faculties as are enjoyed by the Universities of Great Britain.

The fundamental object of the University is to supply to the people of the Province an academic education of the highest kind, in which secular instruction shall not be dissociated from religious teaching. The University is under the control of the Church of England, but open to all who desire to avail themselves of its advantages.

GOVERNMENT OF THE UNIVERSITY.

By the provisions of the Royal Charter, the government of the University is vested in the Corporation, which body, by an Act of the Legislature of the Province of Canada (15 Vic. ch. 32), is composed of: 1. The Bishops of the five dioceses into which the original Diocese of Toronto has been divided; 2. The Trustees (three in number); 3. The Council.

The Council is made up of the following classes of members:

EX OFFICIO MEMBERS.

The Chancellor and Ex-Chancellors of the University, the Provost and Professors in Arts and Divinity in Trinity College.

MEMBERS NOMINATED.

By the Bishops of Toronto, Huron, Ontario, and Niagara, four members each, representing their respective dioceses.

By each Medical, Musical, or Theological College affiliated to the University, one member.

TRINITY UNIVERSITY.

MEMBERS ELECTED.

By the Graduates in Arts and Divinity who are members of Convocation (see below), eight members, to hold office for four years, two retiring annually.

By the Graduates in Law, two members, to hold office for two years, one retiring annually.

By the Graduates in Medicine who are members of Convocation, two members, to hold office for two years, one retiring annually.

By the Associate Members of Convocation (see below), two members, to hold office for two years, one retiring annually.

By the whole Corporation, seven members, elected for life.

CONVOCAATION.

By the provisions of the Royal Charter, and in accordance with the practice of the English Universities, the Convocation of the University consists of (in addition to the Chancellor, the Provost, and Professors of Trinity College), all Graduates in Divinity, Law, or Medicine, and all Graduates in Arts of the standing of M.A., who from the time of their admission to these degrees have paid annually the sum of five dollars towards the funds of the University.

All degrees must be passed by Convocation before they can be granted by the University, and the Supplicats for each degree must have been previously approved by a Committee of Convocation called the Caput.

Convocation has also been placed by the Corporation in the position of a Standing Committee of that body, so that its members are in this way enabled, through their representatives, to formally lay their resolutions before the governing body of the University. Convocation is represented by fourteen members on the Corporation. (See above.)

An annual meeting for the transaction of business and granting degrees is held every year in the October Term. Other meetings for granting degrees are held : for Degrees in Medicine and Dentistry, in April ; for degrees in all Faculties, in June.

Graduates not qualified as above to become members of Convocation, and other friends of the University, may become Associate Members of Convocation by the same annual payment of five dollars. All candidates for associate membership must be approved by the Executive Committee of Convocation.

Associates have the right of speaking, but not of voting, at meetings of Convocation. They also elect annually a member of the Corporation. (See above.)

Local Associations of Convocation have been formed in the chief centres of Ontario. Members and Associates have equal privileges in the government of the Local Associations. Each Local Association elects one member to represent it upon the Executive Committee of Convocation.

There are at present about 500 members and associates of Convocation.

The Chancellor of the University is elected for a period of five years by the members of Convocation in good standing.

The Vice-Chancellor of the University is the Provost of Trinity College.

The Caput consists of the Vice-Chancellor and four members of Convocation, to be elected by Convocation at the annual June meeting for conferring degrees.

The Degrees of the University are open to all persons without any religious test, except in case of Degrees in Divinity, candidates for which degrees are required to subscribe to a declaration of membership in the Church of England, and to the three Articles of the XXXVIth Canon.

TRINITY UNIVERSITY.

Subjects of Her Majesty are required to make a declaration of allegiance before proceeding to their degrees.

Boards of Study in the different Faculties, consisting of *ex officio* and elected members, advise the Corporation, through the Executive Committee, as to the nomination of Examiners, changes in the Curriculum, etc., in their respective departments.

Benefactions.

The original Endowment of this University was collected by the indefatigable exertions of its founder, the Right Rev. John Strachan, D.D., the first Bishop of Toronto, and those whom his Lordship associated with himself in this work.

Amongst these the Venerable A. N. Bethune, D.D., Archdeacon of York, afterwards Bishop of Toronto; the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, and afterwards Archdeacon of Niagara; the Rev. T. B. Fuller, D.D., afterwards Bishop of Niagara; and the Rev. Saltern Givens, are worthy of special and grateful mention.

In addition to the offerings of Canadian Churchmen, amounting to over \$100,000, most liberal assistance, exceeding \$50,000, was obtained from England, including the following donations:

The Society for the Propagation of the Gospel in Foreign Parts, £2,000 and seven and a-half acres of land in the City of Toronto.

The Society for Promoting Christian Knowledge, £3,000.

The University of Oxford, £500.

From members of the Sister Church in the United States, \$10,000, collected by the Ven. Archdeacon McMurray, D.C.L.

The following Benefactions have been subsequently given:

1853.—Dr Burnside, \$24,000.

1864.—Collected in England by Archdeacon McMurray, \$20,000, and by Rev. W. S. Darling, \$2,500.

1865.—Hon. James Gordon, \$2,000.

1866.—Enoch Turner, Esq., Toronto, \$8,000.

1871.—Thomas Clark Street, Esq., \$4,000.

1876.—Family of the late James Henderson, Esq., \$4,000.

These last two amounts were appropriated towards the erection of Convocation Hall, opened in 1877.

1882.—Supplemental Endowment Fund, raised by the Provost and Rev. R. H. Starr, D.D., partly in England, amounting to \$110,000.

In this sum is included a donation of \$10,000 from the Henderson family, specially appropriated to the erection of the College Chapel; a sum of £5,000, promised by an anonymous donor, a member of the University of Oxford, towards the Endowment of a Chair in Divinity and a Chair in Science, and a grant of £3,000 from the Society for Promoting Christian Knowledge, who required a further sum of £6,000 to be raised to meet it as follows:—

£1,500 towards the Endowment of three Fellowships, to meet £3,000 to be otherwise raised for the same purpose.

£1,000 for an additional building to accommodate twenty Students, on condition that £1,500 more was raised.

£500 to endow a Lectureship in History, on condition that £1,500 more was raised.

These grants have now been paid. The new building was opened in Michaelmas Term, 1890, and Fellowships in Theology, Classics, and Natural Science, as well as the Lectureship in History, have been founded, the last by the aid of Convocation having been raised to a Professorship.

In 1890 the Rev. Algernon Boys, Professor of Classics, left his estate of the value of \$6,400 to the Corporation subject to the payment of four per cent. per annum during the lives of certain relatives.

The following Benefactions have been made specially appropriated to Scholarships or Exhibitions:

1852.—Two Scholarships, founded by the first Duke of Wellington.

Fees for Tuition and Board.

Although residence within the College buildings for Students in Arts is not in all cases compulsory, it is strongly recommended. The common Collegiate life, after the pattern of the English Universities, is in itself a training of great importance. A new residence containing two lecture rooms, and accommodation for two Professors and twenty Students, was opened in October, 1894, the accommodation previously existing being found altogether inadequate.

Students in Arts are ordinarily required to reside in College, but those whose parents live in Toronto are exempted from such residence, and the same privilege is granted by the Executive Committee in other cases on sufficient cause being shown. See page 81, second paragraph.

The Tuition Fees are \$65 per annum.

The charge for board of Resident Students in Arts is \$130 per annum, and for Students in Divinity \$100 per annum.

These fees are payable for Art Students in three instalments, and for Divinity Students in two instalments, terminally, in advance, and on payment being made during the first fortnight of terms a discount of 10 per cent. is allowed. The rent of College rooms varies from \$5 to \$18 per term.

The Steward's account for fuel and extras averages \$15 per annum. Students have to provide their own bedding, carpets, etc.; the heavy furniture being supplied by the College. They will also require a cap and gown and a surplice for use in Chapel.

The rooms in Collego will be assigned to Resident Students on the first day of Michaelmas Term, beginning at 9 a.m. Letters received by the Dean after September 20th will be taken into consideration, but it is recommended that Students should be present on October 10th, to look after their own interests.

Matriculation.

The Examination in July will be that conducted by the Education Department for the Universities. The Pass Examination will be held at Trinity College, Toronto, and at the various Collegiate Institutes and High Schools of the Province, beginning on July 7th. The Honour papers will be set at Trinity College, and at certain of the more important Collegiate Institutes selected by the Education Department, beginning on July 9th. Candidates for this Examination, if they propose to write at a High School or Collegiate Institute, must notify the Inspector and pay him the fee before May 24th, and should at the same time send notice to the University Registrar, on a form which will be supplied on application. College, must send a copy of the marks obtained in the July Examination, certified by the Head Master of the school where he wrote, on a form which will be provided by the Registrar. In July the fee is \$5, except when not more than two departments are taken, in which case the fee is \$2. In October the fee is \$5 if one department is taken, and \$10 if more than one department is taken. The Candidate for Matriculation must have entered on his sixteenth year.

GENERAL REGULATIONS.

Candidates holding Second Class Teachers' Certificates will be required to take only Latin and Greek or its equivalents.

Candidates in the July Examination who fail in not more than three departments* may be permitted by the Examiners to present themselves for examination in these departments only at the Supplemental Examination in the October following, or in the next July Examination.

The same privileges shall be allowed in the same circumstances, in the succeeding July Examination to candidates who have presented themselves for the first time in October, or taken the complete Examination in October.

A Candidate for Matriculation who has failed in the July Examination for Second Class Teachers' Certificates, but reckoning the subjects in which he has satisfied the Departmental Examiners, does not require more than three departments to complete the Matriculation Examination, will be allowed to take these subjects at the succeeding October Examination.

Women may present themselves for Examination in one department only, and on passing will be furnished with a certificate to that effect, but if they desire to matriculate they must complete the Examination within the year.

The standard for honours in any department is 66 per cent. for First Class and 50 per cent. for Second Class.

* A failure in one paper of a department causes the loss of the department, *e.g.*, a failure in Euclid requires the department of Mathematics to be taken again.

REGULATIONS FOR 1896-8.

All Candidates for Matriculation shall take the following subjects :—Latin, English, History, Mathematics, French, or German, and either (1) Greek or (2) the second Modern Language with Physical Science (Physics and Chemistry).

Arithmetic and Mensuration, English Grammar and Rhetoric, Physics, and the History of Great Britain and Canada ; (II.) Greek, Latin, French, German, English Composition, English Literature, Ancient History, Algebra, Geometry, and Chemistry.

The percentage for Pass shall be thirty-three and one-third per cent. on each paper of the Examination taken by the Candidate.

The marks for sight-work on each of the "Authors" papers shall constitute at least thirty-three and one-third per cent. of the whole of the marks for the paper.
