Young Men's Christian Association OF ACADIA.

Extends to you a hearty greeting. Standing on the threshold of a new session, all Acadia men, new and old, are given a most cordial welcome. In this issue of the Hand-Book we have tried to give such information regarding the University and its Societies as shall be of service in the present year. It is desired that every Student will take a personal and hearty interest in the Association and Christian Work of the University, and that, during the present year the tide of Christian life may rise higher than ever before.

Young Men's Christian Association.

During the last fifty years the need has been felt throughout the Christian Church for definite work for young men. This need is being filled by the Young Men's Christian Association. The first Association of the world was organized at London in 1844; in America, at Montreal, in 1850, and eight years after the first College Association was formed in the University of Michigan. The work has so spread that now in America every city and town of importance and every College has its Y. M. C. A. as a centre for organized Christian work for young men by young men. And it has spread beyond us until this year there are reported 1,448 Associations among 40 nations speaking 17 languages; the total amount of their property being \$18,189,300. In North America 520 Colleges have Associations; there are 108 among railroad men, 11 for Germans, 61 among Negroes, 33 for Indians, one for French and one for Japanese. The Lord is using this instrument to advance His Kingdom all over the world.

Acadia University Y. M. C. A.

The Acadia Association was organized in 1888. Its object has been to promote the growth in grace and Christian fellowship among its members.

The members are of two classes, Active and Associate. The first class is composed of members of Evangelical Churches. Students may be nominated for membership at any regular meeting of the Association. The annual fee is \$1.00 for both classes of members.

VOLUNTEER BAND.

President,	C. W. ROSE, 1898
Secretary,	LOUIE DUVAL

Band Meetings are held Sunday Evenings, after other public meetings, in the Study of the President.

Our Work.

During the year our Association has endeavored in all ways to keep in touch with the other Colleges and the International Committee.

Seven delegates attended the Convention of Maritime College Y. M. C. A.'s at Mount Allison University, and their zeal on return encouraged us greatly. This year it meets at Dalhousie.

Last year we prepared and furnished a much needed Y. M. C. A. Parlor in Chipman Hall. All old as well as new Students entering our Society are welcome to its privileges.

A systematic Course of Study has been carried on by the Volunteer Band on Sunday evenings, and by the body of Students on Tuesday evenings, in the various rooms of the Committee.

We have made our usual contribution to the Missionary Work and the International Committee this year.

Meetings led by delegated Students are held every Sunday Afternoon at the Mills, Morian Mountain, and the Poor House.

The various Committees desire the help of all the Students during the coming year in sympathy, work and money.
