OTTAWA, 2nd May, 1892.

To the Hon. George E. Foster, Minister of Finance.

SIR,—In accordance with the provisions of Act 53 Vic., chap. 31, sec. 88, I have the honour to present the first returns received from the several chartered banks of all dividends which have remained unpaid for more than five years, and also of all amounts or balances in respect to which no transactions have taken place or upon which no interest has been paid during the five years prior to the 31st December, 1891.

It will be observed that great diversity is shown by the different banks in rendering these returns, but in a first attempt to comply with the requirements of an Act of Parliament no doubt there would be different methods of interpreting its provisions. I propose before the next return is presented to take steps to obtain uniformity, and probably the publicity of a blue-book and the desire shown by the banks to have these past accounts settled will have the effect of causing the greater part of the amounts due to be paid off, and thereby greatly reduce the bulk of future returns.

The amounts standing on the 31st December last were as follows:—

A. 1892

Office of the Superintendent of Insurance, Ottawa, 9th July, 1892.

To the Honourable

George E. Foster,
Minister of Finance.

SIR,—I have the honour herewith to submit the statements in detail of Insurance Companies for the year 1891, together with such an abstract and analysis of them as appeared proper to exhibit the progress of the business and the condition of the companies.

# FIRE AND INLAND MARINE INSURANCE, 1891.

During the year 1891 the business of fire insurance in Canada was carried on by 38 active companies; of these 7 were Canadian, 23 British and 8 American. Inland Marine Insurance was also transacted by 5 of them (3 Canadian, 1 British and 1 American), and Ocean Marine by 2 of them (both Canadian). This list of companies differs from that of the previous year by the addition of 1 American company, the Queen Insurance Company of America, and the withdrawal of one British company, the Glasgow and London. The former has since the beginning of the present year reinsured the outstanding fire risks in Canada of the Queen of Liverpool. One British company (the British and Foreign Marine) carried on the business of inland marine insurance exclusively.

The following further additions and changes which have taken place since the beginning of the year 1892 may be noted, viz.: licenses to transact fire business have been granted to the Alliance, the United Fire, the Sun Fire Office and the Mercantile Fire, the last named being a company holding a provincial charter, with head office at Waterloo, Ontario. The Alliance, the Sun and the United Fire are all English companies; the head offices of the two former being in London, Eng., and the head office of the latter in Manchester.

The United Fire held a license for the transaction of fire re-insurance up to the time of the issue of the enlarged license for the carrying on of a general fire business, and since such issue the company has reinsured the Canadian business of the City of London Fire. The business of the Royal Canadian has been reinsured by the Alliance, and the fire business of the Citizens' has been reinsured by the Guardian, and the Phænix of Hartford.

## FIRE PREMIUMS AND LOSSES IN CANADA IN 1891.

The cash received for premiums during the year in Canada has amounted to \$6,168,716, being greater than that received in 1890 by \$332,645; and the amount paid for losses has been \$3,905,697, which is greater than that paid in 1890 by \$639,130. The ratio of losses paid to premiums received is shown in the following table:—

If we had excluded from these tables the year of the disastrous fire in St. John (1877), the average loss-rate would have come out 62-66.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 63.95 per cent, which is 5.70 per cent greater than the 58.25 of the previous year, and is 2.66 per cent greater than the average for the last fourteen years (61.29). #### PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premium charged on each \$1,000 of risks taken in 1891, is \$11.627, as against \$11.308, which was the corresponding rate in 1890. The individual rates for the different companies will be found in an annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year), have been at the average rate of \$5.33 per \$1,000 current risk. The corresponding rates for 1882-3-4-5-6-7-8-9-90 were \$5.68, \$5.56, \$5.37, \$4.54, \$5.48, \$5.70, \$4.70, \$4.19 and \$4.84 respectively.

The losses are, however, as usual, distributed very unevenly among the different companies, as appears from the following, computed on the above basis; where, for convenience of comparison, the corresponding rates for 1890 are appended within parentheses:—

London Mutual, \$1.75 (\$2.35); Agricultural of Watertown, \$2.92 (\$2.02); London Assurance, \$2.98 (\$3.49); Connecticut Fire, \$3.68 (\$3.98); Imperial, \$3.87 (\$4.24); London and Lancashire Fire, \$4.11 (\$5.64); Liverpool and London and Globe, \$4.25 (\$2.66); Norwich Union, \$4.44 (\$4.77); Queen of Liverpool, \$4.49 (\$4.53); Queen of America, \$4.68 (....); Royal, \$4.73 (\$3.74); Fire Insurance Association, \$4.74 (\$4.43); Northern, \$5.03 (\$6.56); Phenix of Brooklyn, \$5.07 (\$2.95); Citizens', \$5.24 (\$5.38); Phenix of London, \$5.37 (\$4.86); Scottish Union and National, \$5.42 (\$3.45); Western, \$5.44 (\$4.38); Commercial Union, \$5.52 (\$5.16); North British, \$5.56 (\$4.67); City of London, \$5.92 (\$6.84); Caledonian, \$6.45 (\$5.45); Lancashire, \$6.53 (\$4.98); British America, \$6.61 (\$5.41); Hartford, \$7.08 (\$8.90); Insurance Company of North America, \$7.17 (\$9.11); Guardian, \$7.24 (\$6.99); Royal Canadian, \$7.39 (\$6.01); Ætna Fire, \$7.47 (\$8.76); United Fire, \$7.59 (....); Atlas, \$7.61 (\$8.32); National of Ireland, \$7.92 (\$7.43); Quebec, \$8.15 (\$6.86); Eastern, \$8.20 (\$10.68); Employers' Liability, \$8.42 (\$9.11); Manchester Fire, \$9.57 (\$7.70); Phænix of Hartford, \$10.47 (\$7.32); Union Society, \$11.07 (\$30.27).

The annexed table gives the gross amounts of risks taken by the several companies during the year, and the premiums charged thereon, and also the distribution of losses, with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1890 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each company during the year.

## BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$4,189,171, being an increase of \$117,038, as compared with the previous year; the payments for losses were \$2,553,162, being \$323,606 greater than for 1890; while the general expenses amounted to \$1,165,995, being \$36,399 greater than in 1890, thus leaving a balance of \$470,014 in favour of the companies. In the previous year this balance was \$712,981.

Paid for losses	
Total	
Balance in favour	\$ 470,014

The following detail gives the balances for the different companies:-

Balances in favour.—City of London, \$28,869; Commercial Union, \$61,037; Employers' Liability, \$7,047; Fire Insurance Association, \$4,180; Imperial, \$55,860; Lancashire, \$8,583; Liverpool and London and Globe, \$38,745; London and Lancashire, \$55,170; London Assurance, \$24,906; Manchester, \$17,128; Northern, \$28,405; Norwich Union, \$3,387; Phænix of London, \$27,384; Queen of Liverpool, \$44,421; Royal, \$31,125; Scottish Union and National, \$18,361; Union Society, \$17,669; United Fire, \$51,774.—Total, \$524,051.

Adverse balances.—Atlas, \$6,304; Caledonian, \$9,555; Guardian, \$20,473; National of Ireland, \$10,162; North British, \$7,543.—Total, \$54,037.

Total balance in favour, \$470,014.

For every \$100 of premiums received there were spent, on the average, \$60.95 in payment of losses and \$27.83 for general expenses, leaving \$11.22 for the companies.

In 1890 the loss rate was \$54.75 and the general expenses \$27.74 for every \$100 of premiums received.

For the fire business the rate of premium was \$11.399 per \$1,000 of risks taken, as against \$11.108 in 1890.

Hence, these companies have done a less volume of business than in 1890, at a greater rate of premium, at a higher rate of expense, and at a greater rate of loss.

Collecting the results for the seventeen years, from 1875 to 1891, as regards the receipts for premiums and the expenditure of the British companies, we find:

Paid for losses (1875–91)do general expenses	\$34,360,480 12,314,797
Total payments	
Excess of receipts over payments	\$ 3,196,017

It will be seen, from an examination of the table given below, that an adverse balance was in existence from the year 1877 until the end of the year 1886, due to the exceptional circumstances of the conflagration at St. John in the first-mentioned year—when the losses paid by British companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favourable balance of \$341,398 was shown, and that this favourable balance has since increased from year to year, amounting, at the close of 1891, to \$3,196,017.

The reports of the general business of the British companies, which are appended to their several statements, are taken either from the published reports of the companies to their shareholders, or from the reports as furnished to the British Board of Trade. the accounts are made up in a form not readily understood, except by an expert, I have this year, as in previous years, made an approximate analysis of them, which will be found on page cv. Only two or three of these companies profess to make any special provision for liability under the head of "Unearned Premiums," but they set aside a certain sum under the title of "Fire Fund," which is held to meet future contingencies, and is charged against the company as a liability. I have taken 60 per cent of the annual revenue from premiums as a fair approximation to the exact pro rata of the premiums on unexpired risks, which forms the basis of the item in our returns for Can-Also, in cases where life insurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards the paid-up capital, less favourable to the companies.

#### AMERICAN FIRE COMPANIES.

The receipts for premiums were \$701,183; the payments for losses \$411,802; and the general expenses \$217,002. Hence, for every \$100 of premiums received there were spent on the average \$58.73 in payment of losses, and \$30.95 in general expenses, leaving \$10.32 for the companies.

The following detail gives the balances for the different companies:—

Balances in favour.—Ætna Fire, \$25,175; Hartford, \$7,337; Connecticut Fire, \$13,626; Insurance Company of North America, \$8,784; Phenix of Brooklyn, \$14,394; Phenix of Hartford, \$7,879; Queen of America, \$17,125. Total, \$94,320.

Adverse Balances.—Agricultural of Watertown, \$21,942.

#### CANADIAN FIRE COMPANIES.

In considering the Canadian companies, their whole fire insurance business, in Canada and elsewhere, as well as their whole marine business, must be taken into account, inasmuch as a separation of expenses between these branches has not been made.

The following table gives the distribution of their fire business between Canada and elsewhere, and, as in previous years, shows that the foreign business has been, on the whole, more favourable to the companies than the home business:—

The subjoined table gives the rate per cent of losses paid, as compared with premiums received, upon business done in Canada and other countries by Canadian companies, during the years 1878 to 1891, inclusive, a perusal of which will show that, taken over the whole period, the Canadian business has been more favourable to the companies than the business transacted in other countries:—

The assets of the seven Canadian companies doing fire business amounted, at the end of the year, to \$4,643,914, covering a total amount of insurance of all kinds of \$346,018,947, being at the rate of \$13.42 for every \$1,000 of insurance in force; they have also a reserve of subscribed capital not called up, amounting to \$2,130,108, making a total security of \$19.72 for every \$1,000 insured. The liabilities of the same companies amounted to \$2,754,540, made up as follows:—

Unsettled losses	372,863
Unearned premiums	2,176,047
Sundry	205,630
Total	2,754,540

The unearned premiums are here taken to be the pro rata proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and the whole premium in the case of a current Ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the reserve of subscribed capital not called up, amounts to \$1,889,374.04.

The capital stock of these companies, paid up or in course of payment, amounts to \$1,901,287, and the result shows an excess of liabilities, including this capital over, assets to the amount of \$11,913. At the end of 1890 there was a surplus of \$342,763.

The following table gives the condition at the end of 1891 of all the Canadian stock companies in reference to their surplus or impairment of paid-up capital.

^{*} This is on the whole business, including life. 

† As reduced by Act of Parliament.

A comparison of this with the corresponding table for the previous year shows the following results:—

Gain or improvement during 1891:—

London Mutual Fire, \$20,904.88.

Loss or deterioration during 1891:—

British America, \$136,486.80; Citizens', \$61,370.10; Eastern, \$20,486.27; Royal Canadian, \$61,848.61; Quebec, \$10,087.12; Western, \$85,301.67.

Including the whole business of the mixed companies, as well outside as within the Dominion, it appears that the Canadian companies have received during the

year 1891 a total cash income of \$3,733,481.15 (exclusive of \$139.25 received on account of capital stock), which is made up as follows:—

<u></u>	1891.	The same in 1890.	The same in 1889.	The same in 1888.
Premiums	\$ cts. 3,586,851 72 134,421 14 12,208 29	\$ cts. 3,603,151 65 135,874 52 14,287 16	\$ cts. 3,539,640 73 119,929 14 12,420 02	\$ cts. 3,348,045 64 119,815 97 16,567 79
Totals	3,733,481 15	3,753,313 33	3,671,989 89	3,484,429 40

In the same way the cash expenditure during 1891 has been \$3,932,958.03, distributed into:—

	1891.	The same in 1890.	The same in 1889.	The same in 1888.

Totals	3,932,958 03	3,505,028 69	3,608,363 56	3,487,326 54

Thus, it appears for every \$100 of income there has been spent \$105.34, namely, for losses, \$69.34; for general expenses, \$32.11; and for dividends to stockholders, \$3.89. Hence, also, for every \$100 of premiums received there has been paid out \$72.18 for losses, \$33.42 for expenses, and \$4.05 for dividends to stockholders.

The total cash income received by the Canadian Companies during the 17 years from 1875 to 1891, inclusive, is \$58,488,231.68. The respective amounts for the several years and the distribution thereof under proper headings are shown in the subjoined table:—

#### INLAND NAVIGATION AND OCEAN MARINE INSURANCE, 1891.

Including the Canadian inland marine business of the British and Foreign Marine, the London Assurance and the Ætna, and the whole inland marine and ocean business done by the three Canadian companies, the following are the results of the year:—

# Inland Navigation.

Premiums received, \$397,334; losses incurred, \$202,949, of which were paid \$179,952, leaving a balance of \$22,997 of them still unsettled. There was also paid during the year the sum of \$19,639 on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$199,591, while the total outstanding or unsettled losses at the end of the year were \$22,997.

## Ocean Marine.

Premiums received, \$199,128; losses incurred, \$271,155, of which were paid \$254,137, leaving a balance of \$17,018 of them still unsettled. There was also paid during the year \$36,640 on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$290,777, while the total outstanding or unsettled losses at the end of the year were \$20,518.

The inland marine business has been, on the whole, more favourable than the year previous. The losses incurred in the inland marine business amounted to 51 08 per cent of the premiums received, while last year the rate was 60 23.

In the ocean business the rate of losses incurred to premiums received was 136·17, while last year it was 94·19. The bulk of the ocean business is transacted by companies which are not required to be licensed, and do not report to this department.

An abstract of the inland marine business will be found on page civ, and details of this and the ocean business for the individual companies on pages cii and ciii.

# LIFE INSURANCE, 1891.

The business of life insurance has been transacted by 30 active companies, of which 11 are Canadian, 9 British and 10 American.

#### INSURANCES EFFECTED DURING THE YEAR.

The total amount of policies in Canada taken during the year 1891 was \$37,866,287, which is less than the amount taken in 1890 by \$2,657,169. The Canadian companies show a decrease in 1891 of \$1,637,102; the American companies have a decrease of \$576,341, while in 1890 they had a decrease of \$1,128,186, and the British companies have a decrease of \$443,726, whilst in 1890 they had a decrease of \$8,341, the total decrease in 1891 being \$2,657,169, as above stated.

The respective amounts effected are:-

Canadian co	ompani	 	\$21,904,302
British	$\mathbf{do}$	 	2,947,246
American	do	 	13.014.739

So that the amount taken by native companies exceeds that taken by the British and American together by nearly \$6,000,000. The details of the increase or decrease among the respective companies are given on pages cxx and cxxi.

#### Life Insurance in Force in 1891.

The total amount of insurance in force at the close of the statements was \$261,475,229, which shows the large increase of \$13,050,662 over that of the previous year, being distributed as follows:—

# Amount of Insurance terminated in 1891.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was, \$4,899,065, which is greater by \$608,085 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$19,630,168, being less than that in the previous year by \$1,070,427.

Relatively to the amounts at risk the amounts so terminated taken together are somewhat less than those of the previous year, giving for every \$1,000 of current risk \$18.33 terminated in natural course and \$73.42 by surrender and lapse, making a total of \$91.75. In the year 1890 these rates were \$17.01 and \$82.07, respectively, making a total of \$99.08, thus giving a difference of \$7.23 for each \$1,000 at risk.

The following table exhibits the rates for the last five years:-

## Canadian Policies in Force.

Omitting the industrial policies of the North American, London Life and Metropolitan, the following table gives the number of Canadian policies in force at the date of the statements:—

Canadian companies	84,342 15,794 45,161	\$ 142,176,154 32,407,937 84,266,843	\$ 1,686 2,052 1,866
Totals	145,297	258,850,934	1,782

The average amount of the *new* policies is, for Canadian Companies, \$1,624; for British Companies, \$1,857; and for American, \$1,970. The corresponding amounts last year were \$1,629, \$2,109 and \$2,219.

#### DEATH RATE.

In the calculation of the death rate this year, as in previous years, the mean number of policies in force and the number of policies terminated by death during the year have been admitted as approximations to the mean number of lives exposed to risk and the number of deaths during the year respectively, in the case of those companies which have not reported these items. It is believed that the results arrived at represent the actual mortality among insured lives in Canada as accurately as can be gathered from the returns of the companies.

The business of plate glass insurance was transacted by three incorporated companies, viz.: 1 Canadian, 1 British (combined with accident), and 1 American, and by one firm of individual underwriters, having their chief place of business in the city of Montreal.

The Dominion Plate Glass Insurance Company, and Messis. Mongenais, Boivin & Co., the individual underwriters above referred to, having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate glass insurance were \$38,686, being greater than the amount received the previous year by \$4,977, and the total losses incurred were \$14,050, being \$2,590 in excess of the amount incurred in 1890. An abstract will be found at page exxxviii.

#### SECTION 43 OF THE INSURANCE ACT.

The opinions, correspondence, &c., published under the above heading in last report having proved exceedingly useful the Superintendent believing it in the interest of those concerned that all such be continously kept in a form readily available, republishes the same below together with subsequent additions thereto from the same or similar sources.

#### THE ODDFELLOWS' FRATERNAL ACCIDENT ASSOCIATION.

Towards the close of the year 1888 the attention of the superintendent was directed to the fact that the Oddfellows' Accident Association had appointed agents who were canvassing for business in Canada, claiming that as the Association insured Oddfellows only, it was, by virtue of the 43rd section of the Insurance Act, entitled to do so without making any deposit with the Receiver-General and without a license. The question involved being an important one, the whole of the papers and correspondence relating thereto were submitted to the Department of Justice for an opinion. The facts in relation to the matter, and the questions submitted, will sufficiently appear from the opinion of the Deputy Minister of Justice, which is as follows:

"OTTAWA, 8th January, 1889.

"SIR,-I have the honour to acknowledge the receipt of your letter of the 27th ult., enclosing certain papers and requesting to be informed whether the Oddfellows' Fraternal Accident Association of America comes within the exceptions contained in section 43 of the Insurance Act.

"The company was incorporated on the 12th April, 1887, by the State of Massachusetts, for the purpose of 'rendering temporary aid and assistance to Oddfellows holding certificates of membership in this Association, in case of temporary or permanent disability resulting from accident, and rendering pecuniary aid and assistance to the widows, orphans, families and dependents of deceased Oddfellows, members of said Association, in case of death of said member from accident, or to their

heirs and assigns.

"The company is therefore * * * * an accident association, and on that ground is not within the exception. It seems to be contended on behalf of the company that as the company purports to insure the lives of members against accident it does the business of life insurance, and does not lose the benefit of the exception by doing other insurance business as well. I am to say, however, that this contention seems to involve too literal a construction of section 43. The companies which claim the benefit of those exceptions should be engaged in the business of life insurance only, and not in the business of accident and life or fire and life or marine and life. Any other construction would seem to be open to the danger of an evasion of the Act by companies really engaged in other lines of insurance, and, therefore, engaging in assurance as a business while getting the benefit of the exception mentioned in section 43 by holding themselves out as engaged in life insurance as well.

"The question arises also: Is this an association for the purpose of life insurance formed in connection with a society or organization. * * * * for fraternal, benevolent, industrial or religious

purposes' and 'exclusively from its members,' and which 'insures the lives of such members exclusively?' It does not appear to be so. So far as I can gather from the papers, seven gentlemen voluntarily formed themselves into an insurance company, and assumed the name above indicated, to do business only with Oddfellows. The charter was obtained without reference to, and without the authority of, and without connection with any Oddfellows' association, but with a view to obtaining the patronage of as many Oddfellows as possible. But this intention on their part, and anything they have done in connection with the institution, does not justify the allegation that the Association was formed 'in connection with' the order of Oddfellows.

"As I understand the statute, Parliament intended that any of the organizations mentioned in the section referred to might insure the lives of their members, or, if they thought fit, might organize an association of them for life insurance purposes; but it did not contemplate any schemes such as this, by which a company is formed to obtain patronage of members of a fraternal society. The papers show that is was not until after the incorporation of the company that the consent of the Grand Lodge of Massachusetts was obtained for the use of the Oddfellows' name. It further appears that certain lodges of Oddfellows have passed resolutions approving of this Association. This, however, does not show that the company was formed in connection with the Order of Oddfellows.

"W. FITZGERALD, Esq., "Superintendent of Insurance."

The effect of the foregoing opinion was at once communicated to the Association, who were also informed, in answer to inquiries made by them, that a license was considered necessary in the case of all companies coming under section 49 of the Insurance Act (the last named section being the one properly applicable to such Association); that upon the Association making a deposit with the Receiver-General of from \$20,000 to \$40,000, in the discretion of the Treasury Board, and in other respects complying with the provisions of the Insurance Act, a license might be granted to the Association, but that a deposit was indispensable. No deposit has been made by, and no license has been issued to, said Association.

#### COVENANT MUTUAL BENEFIT ASSOCIATION OF ILLINOIS.

The following copy of an opinion, given by the Deputy Minister of Justice, in relation to the above Association, sufficiently explains itself:—

" Оттаwа, 15th January, 1889.

"SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd inst., having reference to the claim of the Covenant Mutual Benefit Association of Illinois to be exempted from the provisions of the Insurance Act, and I have the honour, by direction, to state as follows:—

"I have first to call your attention to my letter to you of the 8th January, in respect to the Oddfellows' Accident Insurance Association of America, and to state that the views therein expressed apply with equal, if not greater, force to the present case. The papers in this case, and particularly the by-laws of the Association, show conclusively that this association is not one for fraternal, benevolent, industrial or religious purposes, but is a life insurance company, pure and simple.

"Neither is it an Association for the purpose of life assurance in connection with any such asso-

ciation or organization.

"In answer to your further question, I have to state that the Association, as at present organized is not entitled under any circumstances to transact business in Canada without being duly licensed under Canadian law.

"Your obedient servant,
"ROBT. SEDGEWICK,

" Deputy Minister of Justice.

"To the Superintendent of Insurance."

It is only necessary to add that the Covenant Mutual Benefit Association, having made the necessary deposit and in other respects complied with the provisions of the Insurance Act, a license was, on the 20th day of September, 1890, issued to said association.

NORTH-WESTERN MASONIC AID ASSOCIATION,
"Office of the Superintendent of Insurance,
"Ottawa, 29th July, 1890.

"E. C. DAVIES, Esq.,

"Re North-Western Masonic Aid Association.

"Dear Sir, -- I am favoured with your letter of 28th, enclosing a copy of the by-laws of the above Association. I presume you are doing business in Canada upon the assumption that section 43 of the Insurance Act is applicable to your Association. This, however, is not the case. That section is applicable to an association of persons 'for fraternel, benevolent, religious or industrial purposes, among which purposes is the insurance of the lives of the members thereof exclusively; or to any association for the purposes of life insurance, formed in connection with such society or organization and exclusively from its members, and which insures the lives of such members exclusively.'

sively.'

"Section I, Article IV, of your by-laws is as follows:—'Applicants for membership in this Association must be master masons in good standing not more than fifty-five years of age; Provided that the Board of Trustees may in its discretion admit to membership such men (not master masons) between the ages of twenty-one and forty-five, inclusive, as shall be recommended in each case by at

least two master masons, members of the association.'

"This latter proviso clearly deprives your Association of the benefit of the provisions of section 43 above quoted. You are not aided by the fact that, as you say, your membership in Canada is confined to masons. Your by-laws providing that non-masons may be accepted is conclusive upon the point. Moreover, I believe that the Association accepts men who are not masons, in the United States. There is nothing in the articles or certificate of incorporation which limits your membership to masons, and the by-laws, as already pointed out, show that persons other than masons may be accepted. The opinion of Mr. Sedgewick, Deputy Minister of Justice, given in relation to the Oddfellows Fraternal Accident Association (copy enclosed) seems to be applicable to this Association. I refer to the last two clauses of the opinion.

"It follows, therefore, that the association cannot legally do business in Canada. I have, therefore, the honour to request that no further business be transacted in the Dominion until you have complied with the provisions of the Insurance Act, by making the necessary deposit with the

Receiver General and in other respects fulfilling the requirements of the said Act.

"I have the honour to be, Sir,

"Your obedient servant,
"W. FITZGERALD."

Re North-Western Masonic Aid Association of Chicago.

The Minister of Justice is of opinion that the view which you have taken, as expressed in your letter of 29th July last to Mr. Davies, namely, that the Association cannot legally, for the reasons stated in that letter, having regard to the provisions of the Insurance Act, transact business in Canada without making the usual deposit and in other respect complying with the terms of the Act and procuring a license thereunder, is correct.

PREFERRED MASONIC MUTUAL ACCIDENT ASSOCIATION OF AMERICA. DEPARTMENT OF JUSTICE, OTTAWA, 19th May, 1891.

SIR,-I have the honour to acknowledge the receipt of your letter of the 13th instant, relating to the above Association, and in reply thereto I am, by direction, to state that this Association, so far as the question of its exemption from the provisions of the Insurance Act is concerned, appears to be in precisely the same position as the Oddfellows Fraternal Accident Association of America, and I need only refer you to my letter of the 8th of January, 1889, relating to the latter Association, in order to acquaint you with the opinion of the Minister of Justice upon the question submitted in your

The Association, to which the circular enclosed by you refers, is excluded from the exemption provided for by Section 43 of the Act, not only because it does an Accident Insurance business, but because, for the reasons explained in my letter above referred to, it cannot be held to have been "formed in connection with" a society or organization for fraternal, benevolent, industrial or religious purposes.

I return the circular.

United States Masonic Benevolent Association of Council Bluffs, Iowa. DEPARTMENT OF JUSTICE, OTTAWA, 19th May, 1891.

"SIR,-I have the honour to return herewith the by-laws and articles of incorporation of this Association which were enclosed with your letter of the 16th instant, and I am, by direction, to state that any claim on the part of this Association to be exempted under section 43 of the Insurance Act, from the provisions of the Act which require any company or person to procure a license before transacting any business of insurance in Canada, would seem to be open to the objection pointed out in my letter of the 8th January, 1889, relating to the Oddfellows' Fraternal Accident Association of America.

"The remarks in that letter with reference to the question whether the latter Association had been formed in connection with a society or organization for fraternal, &c., purposes, seem to be equally applicable to the circumstances of this association.

"I have the honour to be, Sir,

"Your obedient servant,

See also judgments in the case of Queen vs. Stapleton on page xlii.

From the foregoing it will be seen that the several associations above named. and all others of a like character, cannot legally transact business in Canada without first complying in all respects with the provisions of the Insurance Act, and procuring the necessary license or certificate of registration thereunder. As already mentioned the Covenant Mutual has procured such license. The Oddfellows Accident Insurance Association, the North Western Masonic Aid Association, the Preferred Masonic Mutual Accident Association, and the Unit ed States Masonic Benevolent Association of Council Bluffs, Iowa, have not applied for the issue of licenses to them.

# RULES AND REGULATIONS REGARDING THE ACCEPTANCE OF SECU-RITIES OFFERED FOR DEPOSIT BY INSURANCE COM-PANIES, ISSUE OF LICENSES, ETC. ,ETC.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c., (almost all of which have been previously published), are here collected for convenience of reference:

Municipal Securities .-- "The Board recommend that municipal bonds, when accepted, may be taken at 90 per cent., and that Montreal Harbour bonds be placed on the same footing." (O. C., lst April, 1876.)

Particulars of Securities offered for Deposit.—" All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for

"Date, date of maturity, place of payment of principal, rate of interest, how payable, i. e., yearly or half-yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date

of such purchase. "Also, as regards municipalities whose bonds or debentures are offered:

"The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

"The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration." (T. B., Nov. 9, 1888.)

Railway Debentures.—"The Board are of opinion that they cannot accept as a deposit, the bonds of any railway company unless guaranteed directly or indirectly by the Canadian Government." (T. B., Oct. 27, 1890.)

Loan Companies' Bonds.—The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies' Association of the Province of Ontario to have the debentures of loan companies accepted by the Government as deposits on behalf of insurance companies, in which he reports that the said Association is composed of incorporated loan companies or societies authorized to lend money on real estate in the Province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said Association may be divided into the following

I. Companies incorporated under the provisions of the Statute of the Province of Canada, 9 Victoria, cap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, now included in chapter 169 of the last Revised Statutes of Ontario (1887), and commonly known as the

Building Societies' Act;

II. Companies incorporated under the "Canada Joint Stock Companies' Act, 1877," now known as the "Companies' Act," being chapter 119 of the Revised Statutes of Canada (1886).

III. Companies incorporated under special Acts of the Legislature of the Province of Canada or

of the Parliament of the Dominion of Canada.

IV. Companies incorporated under the "Ontario Joint Stock Companies' Letters Patent Act,

1874," being chapter 150 of the former and chapter 15/ of the last revised Grands.

V. Companies incorporated under the English Companies' Act, and licensed to transact business

All being chapter 195 of the Revised Statutes of Canada.

in Canada under 37 Victoria, chap. 49, being chapter 125 of the Revised Statutes of Canada.

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, and having regard to the fact that the companies mentioned in Classes I and II, viz., those incorporated under the "Building Societies' Act" and the "Companies' Act," possess only limited power of borrowing and are restricted to investments that are usually considered the safest that can be had, direct that the debentures and debenture stock of such companies, belonging to these two classes, as meet the requirements hereinafter set forth, may be accepted as deposits on behalf of insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz., 90 per cent of the next value thereof when the market value is at least equal to such may value or 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value, when the market value is less than the par value.

The requirements above referred to are as follows:—

- 1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.
  - 2. It shall have a paid up capital of at least \$500,000.
  - 3. It shall have been in successful operation as a loan company for not less than ten years. 4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.

5. Its stock shall have a market value of not less than 25 per cent premium.

The Board also direct that the debentures of such companies, coming under Class III above mentioned, viz., those incorporated under private Acts, as fulfil the foregoing requirements, and whose borrowing powers and powers of investment are not greater than those of companies coming under Classes I and II, may be also accepted upon the terms above indicated.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debenture or debenture stock as herein above provided, shall form the subject of a special reference to the Treasury Board, and that the company shall supply all necessary particulars (properly verified if required) for the information of the Board." (T. B., 19th June, 1889.)

No Assurance of acceptance of Bonds by the Treasury Board.—"The superintendent asks the

decision of the Board upon the following question, viz :

'Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?'

"The Board, after deliberation, are of opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased." (T. B.,

Deposit Receipts.—"The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company." (T. B., 25th January, 1888.)

Bank Stock, &c.—"Bank stock or shares in any private company will not be accepted." (O. C.

17th January, 1876.)

Combination of Life with other Classes of Insurance Business .- "The Board having had under consideration an application from some English companies for a license to transact accident insurance business in combination with life insurance, and having considered the report of the Superintendent of Insurance thereupon, are of opinion that it would not be in the interests of the public, or consistent with the policy indicated by the Parliament of the Dominion, by refusing charters of this nature, that the business of life insurance should be combined with any other class of insurance, and would recommend to Council: (1) That in future no license be issued to a company which desires to transact business of life insurance for the purpose of transacting any other business of insurance in combination therewith. (2) That this minute is not intended to interfere with the transaction of combined business by companies already in operation and licensed under the Act of 1868, and that in the cases of combined life and accident companies licensed under that statute no special deposit on account of their accident business need be made." (O.C. 24th July, 1882.)

Charter Powers of Foreign Companies.—"The Board recommend that it should be laid down as

a general rule that a license will not be granted to a foreign company whose corporate powers are in excess of the powers which would be granted to a company by the Dominion Parliament." (O.C. 21st

"Provided, however, that any company, regardless of its charter powers, which has a paid up capital of at least \$500,000, wholly unimpaired and in addition thereto holds over and above all liabities estimated according to the Government standard, a rest or surplus fund equal to at least 30 per cent of such paid up capital and the market value of whose stock is at a premiun of at least 30 per cent, and which has carried on successfully for a period of at least ten years the business for which a license is sought, being only one class of insurance or if more than one then such classes as may be properly combined, shall he deemed eligible for and entitled to such license upon agreeing to keep and maintain assets in Canada, as defined by the Insurance Act over and above and in excess of the amount required by sections 9 and 10 thereof (said sections to be deemed applicable to such company) to such an amount as the Governor in Council, on the report of the Treasury Board, shall fix and determine, not, however, exceeding the sum of \$200,000; such excess to be looked upon as the Company's Canadian Capital and such agreement to be deemed a condition precedent to the issue of such

And provided further, that the application for a license of any company not in all respects complying with the requirements of the foregoing proviso, yet not materially falling short in any of the essential particulars thereof, may form the subject of a special reference to be dealt with on its

merits." (O. C. 30th January, 1892.)

Registered Bonds as Deposits.—When registered bonds are received as deposits they must be registered in the name of the Receiver General. Bonds registered in the name of a company, accompanied by an assignment in favour of the Receiver General, will not be accepted. When registered bonds are intended to be used as a deposit they should, before being forwarded to this department, be registered thus, in the name of "The Receiver General of Canada in trust for (giving the name of the company), being part of the deposit made by the company with said Receiver General in pursuance of the Statutes of Canada in that behalf." (T.B., 13th July, 1891.)

CONNECTICUT MUTUAL LIFE INSURANCE COMPANY. DEPARTMENT OF JUSTICE, OTTAWA, 17th December, 1891.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd instant, with which was enclosed Treasury Board case No. 14136, being a memorandum from the Superintendent of Insurance in reference to the registration of securities for deposit with the Receiver General by the Connecticut Mutual Life Insurance Company, and also the correspondence on the subject between the company and the superintendent.

You ask my opinion as to whether the contention of the Connecticut Mutual Life Insurance Company, as set forth in the letter of the president of the company, is well founded, and whether under all the circumstances the bonds in question should be registered in the manner suggested by

It appears that the Treasury Board has ruled that these securities must be registered in the name of the Receiver General in trust for the company, in pursuance of the Statutes of Canada in that behalf. The president of the company, on the other hand, contends that his company having been, as a mutual company, permitted, under the provisions of section 22 of the Insurance Act of 1868,—31 Victoria, chapter 48—to make its first deposit for the general benefit of all its members and not for the security of policy holders resident in Canada, he is entitled to deposit these securities which he proposes to substitute for those now held by the Receiver General, upon the same terms, and he cites in support of this contention section 17 of the Act of 1877, which provided in effect that the deposits of companies withdrawing from business in Canada (as his company did) should be dealt with as if that Act had not been passed, and the corresponding provision of the present Insurance Act, section 32, Revised Statutes, chapter 124.

He also points out that the securities now forming his company's deposit, and which were substituted in 1881 for those originally deposited, were, in the instrument of transfer, expressed to be assigned to the then Minister of Finance "in trust for the said company subject to the provisions of the Insurance Act of the Dominion, being a deposit made under the Act 31 Victoria, chapter 48, entitled, etc.," and he claims that these securities are now held for the general benefit of the mem-

bers of the company.

It is not necessary that I should express an opinion as to the trusts upon which the present deposit is held, but with regard to any securities proposed to be substituted for it, I am of opinion that the Treasury Board should not depart from the decision already arrived at, that they must be registered in the name of the Receiver General "in trust for the company in pursuance of the registered in the name of the Receiver General in this too in company in pursuance of the Statutes of Canada in that behalf." In this connection, I beg to refer the Board to an opinion given by Mr. Lash, then Deputy Minister of Justice, in a report dated 24th August, 1881, made to yourself as Deputy Minister of Finance, upon a precisely similar question which arose in connection with the North-Western Mutual Life Insurance Company. I agree with the conclusion arrived at by Mr, Lash, that under none of the Insurance Acts which had up to that time been passed, except the Act of 1868, could the Minister of Finance properly receive a deposit from an insurance company and agree to hold it for the general benefit of all its policy holders or members, and I am of opinion that he cannot do so under the Act now in force.

The form of registration insisted upon by the Board is not one to which the company need seriously object, even if its contention is well founded. There is, as is pointed out by the superintendent in his memorandum of the 20th ultimo, nothing in the form and manner of registration as prescribed by the Board, which could in any wise prejudice the company's position." The words "the Statutes of Canada in that behalf" will, of course, be taken to mean the Statutes, whichever they may be, that, as a matter of fact and of law, are applicable to the company's deposit.

I have the honour to be, Sir, Your Obedient Servant,

> JNO. S. D. THOMPSON, Minister of Justice.

The Secretary of the Treasury Board, Ottawa.

# LEGAL DECISIONS.

Under the above heading was given in last report the judgment of the trial judge, Mr. Justice Street, in the case of McGeachie vs. The North American Life Assurance Company. The learned judge found in favour of the company and dismissed the plaintiff's action. From this judgment the plaintiff appealed to the Queen's Bench Divisional Court, where the judgment below was reversed. The material facts of the case, together with the judgment of the appellate court, which was given by Mr. Justice Armour (taken from xxi, Ont. R.), are as follows:

# McGeachie vs. North American Life Assurance Company.

The plaintiff by her statement alleged-

(1.) That she was a widow and resided at St. Catharines, and the defendants were an insurance corporation and had their head office at the city of Toronto in the County of York. (2.) That the defendants on or about the 6th day of December, A.D. 1889, through their agent at the said city of St. Catharines issued their policy 7710, upon the plan known as the Semi-Tontine Dividend plan upon the life of one Robert McGeachiethe husband of the above named plaintiff, whereby the said defendants, amongst other things, promised to pay to the said plaintiff in case of the death of the said Robert McGeachie within the Tontine period 1909 the sum of one thousand dollars. (3.) That the said Robert McGeachie departed this life on or about the 6th day of November last (1890) and during the continuance of the said policy. (4.) That the said defendants had received proper proof of the death of the said Robert McGeachie in accordance with the terms and conditions of said policy. (5.) That all conditions had been fulfilled, all things had happened and all times had elapsed necessary to entitle the said plaintiff to be paid the said sum of one thousand dollars, but the said defendants had refused

to pay the same.

The defendants by their statement of defence alleged: (1.) That the policy referred to in the second paragraph of the statement of claim and the covenants therein made on the part of the defendants were on the face of the said policy expressed to be in consideration of the payment of the annual premium of \$31.10 to be paid in advance to the company at its head office in the city of Toronto.

(2.) That the premium of \$31.10 in the said policy referred to had never been paid. (3.) That in the application for the said policy, which application was signed by the said Robert McGeachie, it was provided that if a note, cheque, draft or other obligation should be given for the first or a subsequent premium or any part thereof, and if the same should not be paid at maturity, it was agreed that any insurance or policy made on that application should thereupon become null and void, but the note, cheque, draft or other obligation must nevertheless be paid.

(4.) That the said application was by the terms of the said policy made a part of the said policy.

(5.) That the said policy contained a provision that the same was issued and accepted upon certain special provisions therein printed and written and also upon the conditions on the back thereof, all of which latter conditions were by the said policy incorporated therein and made part thereof. That the said conditions endorsed upon the back of the said policy contained among others the following: "If any premium note, cheque or other obligation given on account of a premium be not paid when due, the policy shall be void and all payments made upon it shall be forfeited to the company." (7.) That the said Robert McGeachie being unable to pay the premium upon the said policy, the company agreed to accept a promissory note for the amount of the same. (8.) That the said promissory note was not paid at the maturity thereof and had never yet been paid. That the said note was renewed but the renewal thereof had not been paid and remained in the hands of the defendants overdue and unpaid.

The plaintiff joined issue upon the said statement of defence and for a reply thereto said. That the one month of grace allowed for the payment of premiums upon said policy had not expired at the death of the said Robert McGeachie and that before the expiration thereof the said plaintiff offered to pay the said note but the defendants refused and still refused to accept the same. And further said, (3.) That if the said company had any right to cancel the said policy when said renewal note became due before the expiration of said one month, which the plaintiff did not admit but denied, that the said company expressly waived their rights under said policy and only sought to exercise such rights, if any, when they learned of the death of said Robert McGeachie and with the object of preventing the plaintiff if possible from recovering upon the said policy. And the plaintiff said that in any event the conditions upon said policy and to which the defendants referred in their statement of defence were unreasonable and unjust and should not be enforced against the

plaintiff.

The cause was tried by Street J. at the last spring sittings of this Court at St. Catharines.

The application for the policy sued on, signed by Robert McGeachie was put in evidence, which contained the following provisions:-"'It is hereby declared and agreed that all hereinbefore contained with the accompanying reports and agreement and this declaration and agreement constitute an application to the North American Life Assurance Company for the insurance proposed; that a policy, if issued in the company's usual form and delivered, shall be the only acceptance of this application; that any person having or claiming any interest under such policy adopts as his or her own each and all of the statements in said application, all of which statements hereby declared to be material to the contract, whether written by his or her own hand or not, and declares the same to be full, complete and true as facts and that such statements are the only statements upon which the policy, if issued will be founded; that such policy will be accepted when presented subject to the

terms in and upon the said policy set forth.

"That the entire contract shall consist only of said application and policy and shall be construed and interpreted as a whole and in each of its parts and obligations according only to the terms thereof; that no part of the application or policy will be varied by any usage or custom whatever; that the place of contract for all purposes shall be the head office of the company in Toronto, and all

rights, claims and remedies not based on such contract are hereby waived.

"That no agent of the company (whether called general or otherwise) has power to bind the company in any way; nor is any agent authorized to receive any payment due to the company except when provided with a receipt therefor signed by the President or Managing Director in

accordance with the terms of such receipt, every such payment being then not overdue.
"That no information or statement not contained in said application, no notice of any facts touching said application or said policy however made, given, received or acquired shall affect the company unless forthwith communicated in writing by the insured to its President or Managing Director at his head office and assented to by him in writing for the company; that no agent of the company or any other person except the President or Vice-President or the Managing Director under the direction of the Board of Directors has power to make, alter, revive or renew any contract of insurance, grant permits or waive forfeiture or any condition of such policy.

"It is hereby further agreed that should the company upon any occasion consent to renew or waive a policy after the same has become null and void every such renewal or revival shall always be understood as in no wise creating any precedent for waiving or as a waiver of any condition or agree-

ment in the policy or application.

"That under no circumstansces shall the policy be held to be inforce until the actual payment to and acceptance of the first premium due thereon by an authorized agent of the company and the delivery to the insured of the necessary receipt signed by the managing director, the life of the person proposed for insurance being at the time of such payment in the same condition of health as stated in this application, and that if any fraudulent or materially incorrect averment has been made or any material information has been withheld by the insured all sums which shall have been paid to the company upon account of the insurance made in consequence hereof shall be forfeited and the insurance be absolutely null and void; that no presumption of death shall arise from disappearance.

"That if a note, cheque, draft or other obligation be given for the first or a subsequent premium or any part thereof if the same be not paid at maturity, it is agreed that any insurance or policy made on this application shall thereupon become null and void, but the note, cheque, draft or other

obligation must nevertheless be paid.

"That I have read or heard read and understood the said application and this agreement part thereof, and assent to all therein contained, and I agree to accept the policy when issued on the terms mentioned herein and pay the company the premium thereon in consideration of their acceptance of this application.

The following receipt was put in: "North American Life Assurance Company; Head office, Toronto, Ontario; first premium \$31.10; sum insured \$1.000. Received this sixth day of December, 1889, note for thirty-one 100 dollars for the first premium on policy number 7710 on the life of R. McGeachie, Esquire, subject to all the provisions of the said policy and those on the back thereof hereby incorporated herein.

WM. McCabe, Managing Director."

hereby incorporated herein.

Wm. McCabe, Managing Director."

"The policy is not valid or operative unless this receipt is countersigned by the agent of the company on the actual date of payment within thirty days of the issue of the policy, the life insured being then as stated in the application for the policy.

"WM. H. HEWSON, Agent at St. Catharines.

" Especial attention is called to the back of this receipt."

And on the back of this receipt was endorsed the following: "Provisions for payment of premiums; all premiums are due at the head office of the company in the city of Toronto, Province of Ontario at the date named in the policy, but at the pleasure of the company suitable persons may be authorized to receive at other places such payments, but only on the production of the company's receipt therefor signed by the President or Managing Director. No payment of a premium however made except in exchange for such receipt will be recognized by the company or be deemed by either party as valid payment. The revival of a policy must be understood not to constitute in any case whatever any obligation on the part of the company to waive the payment of a future premium when due."

"Commencement of insurance year and balance of year's premium—all premiums are payable annually in advance—when the premium is made payable in semi-annual or quarterly instalments, that part of the year's premium, if any, which remains unpaid at the maturity of this contract shall be regarded as an indebtedness to the company on account of the policy and shall be deducted from the amount of the claim, and if any premium or obligation for a premium be not paid on or before the day it is due, the company shall from that day be released from all liability under the policy except as modified by the non-forfeiting terms thereof, if the policy is then entitled to the benefits thereof, and no credit for surplus accumulated upon the policy shall be deemed applicable to the payment of any premium unless the previous consent of the company be obtained in writing."

"N. B.—Agents are not authorized to make any change whatever in receipts for premium or to

waive torfeiture or any condition of a policy or premium receipt; that can be done only by writing signed by the President or Managing Director under the direction of the Directors."

The policy under the seal of the defendants was put in, which provided that the defendant company, in consideration of the application for this policy and of the statements and agreements therein contained hereby made a part of this contract and of the annual premium of thirty one dollars and ten cents to be paid in advance to the company at its head office, in the city of Toronto on the delivery of this policy and thereafter on the fifth day of December in every year during the term of mineteen years, insures the life of Robert McGeachie of St. Catharines, in the county of Lincoln and Province of Ontario, and promises to pay to his wife, Emma Jane McGeachie, should his death occur within the tontine period hereof, otherwise to himself, his executors, administrators, or assigns the sum of one thousand dollars, first deducting therefrom the balance of the current year's premium, if

any, and all loans on account of this policy, upon satisfactory proof at its head office of the death of the insured during the continuance of this policy and its surrender with the last renewal receipt thereof." And that "this policy is issued and accepted under the Company's semi-tontine dividend plan upon the following special provisions printed and written and also those on the back hereof, all of which are hereby incorporated herein and made part hereof."

"Provision G.—A grace of one month will be allowed in payment of premiums on policies in this class, at the expiration of which time if said premiums remain unpaid, this policy shall thereupon become void. But a re-instatement will be permitted if application therefor be made in writing to the company at its head office within two months after the expiration of the month of grace, accompanied with a certificate of good health from a medical examiner of this company on the company's form number 24, subject to its approval; provided always that whenever advantage is taken of this grace or of the privilege of re-instatement, interest shall be paid to the company at the rate of seven per cent per annum for the time deferred." And that no provisions of this contract can be changed waived, or modified, or permit granted, except by a written agreement signed by the President or Vice President or the Managing Director of the company."

And on the back of said policy there was endorsed the following: "This policy is issued and also accepted by the insured and assured upon the following additional provisions and agreements therein made a part thereof." Among which provisions so endorsed were the following: "If any premium note, cheque, or other obligation given on account of a premium be not paid when due, this policy shall be void and all payments made upon it shall be forfeited to the company." "That under no circumstances shall this policy be held to be in force until the actual payment to and acceptance of the first premium due thereon by an authorized agent of the company, and the delivery to the insured of the necessary receipt signed by the Managing Director, the life of the person proposed for insurance being at the time of such payment and delivery in the same condition of health as stated in the application for this policy." "Should the company upon any occasion consent to renew or revive a policy after the same has become null and void, every such renewal or revival shall always be understood as in no wise creating any precedent for waiving and not as a waiver of any condition or agreement in the policy or application."

The note mentioned in the said receipt was not produced but it appeared to have been dated

December 4th, 1889, at six months, and to have borne interest at the rate of seven per cent, per

On the 27th of May, 1890, the defendants by their Managing Director, wrote to Robert McGeachie as follows: "We beg to remind you that your note, amount \$31.10, and interest, \$1.10, becomes due here at the head office on the 7th day of June, 1890. Your prompt attention will oblige."

This note was not paid when due, and a new note was taken for \$32.20 covering the amount of it and interest dated the 7th day of June, 1890, payable in thirty days with interest at seven per cent per annum. A similar notice to that given by the defendants to McGeachie on the 27th May, 1890, was given by them to him in respect of the last mentioned note. On July 2nd, 1890, McGeachie wrote to the defendants as follows: "That note of mine held by you \$32.20 I am unable to pay. I am sorry that I undertook it under my present circumstances. About a year ago I had to make an assignment and settled by giving notes and I find it all I can do to get along—the note will be due on July 10th, that will be seven months' insurance, or suppose it was changed from endowment to ordinary life without profits, how much would it be for me to pay? Please answer soon and oblige."

On the 4th July, 1890, the defendants, by their Managing Director, replied as follows: "re policy 7710—We have yours of the 2nd instant. Evidently you knew just as well when you accepted the note whether you would be able to meet the same at maturity as you do now, and therefore your request that we cancel the policy is unreasonable. Had you died during the currency of the note, your wife would certainly have expected this company to pay the full amount of the policy and very properly so too. We therefore shall expect you to pay your note. If you remit us one half the amount we shall have no objection to extend the time for the balance for two months, and will send you a note for your signature for the same. No change in the present policy could be considered by our committee until the note has been paid."

The secondly above mentioned note was not paid when it fell due, and a new note was taken, dated 10th July, 1890, at two months for \$22.40 with interest at the rate of seven per cent per annum, McGeachie having paid \$10 on account in cash. A similar notice to that given by the defendants to McGeachie on the 27th May, 1890, was given by them to him on the 2nd September, 1890, in respect of the last mentioned note. The last mentioned note was not paid when it fell due, and the defendants to the second of the last mentioned note was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid when it fell due, and the defendance was not paid w dants took from McGeachie a new note dated 13th September, 1890, at one month for \$22.80. On the 15th September, 1890, the defendants, by their Managing Director, wrote to McGeachie as follows: "We have your favour enclosing renewal note in place of that due on the 13th instant. We now return to you herewith your old note duly cancelled, and note that you will remit for the one which we received to day before its maturity." A similar notice to that given by the defendants to McGeachie on the 27th May, 1890, was given by the defendants to McGeachie on the 3rd October, 1890. The last mentioned note was not paid when it fell due, and on the 5th day of November, 1890, the defendants, by their Managing Director, wrote to McGeachie as follows: "7710; we fully expected to have heard from you ere this with a remittance for your note which matured on the 16th ult. Kindly give the matter your immediate attention." This letter was mailed at Toronto on the 5th November, 1890, and bore the St. Catharines post mark of the 6th of November, 1890, on the morning of which latter day McGeachie died. The amount of the note and interest was tendered to the defendants and they refused to accept it. Proofs of death were duly given on the 30th December, The learned judge Mr. Justice Street gave judgment as reported at page xxxii of last report.

On the 17th November, 1891, Aylesworth, Q.C., moved to set aside the said judgment and to enter judgment for the plaintiff for the full amount claimed, with interest and costs, or for a new trial or for such other order as might seem meet, on the following grounds: (1) That the said judgment was against the evidence and the weight of evidence. (2) That the said judgment was bad in law. (3) That the learned judge should have found that the said company, by accepting the premium note, and renewing the same from time to time, were estopped from setting up the defence that the said policy was avoided by non-payment of the last renewal note. (4) That the learned judge should have found that provision G of the said policy, which provided that a grace of one month would be allowed on payment of premium, was applicable to the note given for said premium and the renewals thereof, and that the amount of the last renewal note having been tendered to the said company within thirty days from its due date, the said company had no right to cancel or avoid said policy for non-payment of said note, and the plaintiff was therefore entitled to recover upon said policy. (5) That the learned judge, in any event, should have found as a fact that the company, by requesting payment of the last note, in their letter of the 5th November, consented to waive any rights, if any they had, as to avoiding and cancelling the said policy for non-payment of said note. (6) That the learned judge should have found upon the evidence that the company were willing to accept the money in accordance with the terms of the letter of the 5th November, and that if the same had been paid no cancellation or avoidance of the policy would have been claimed or urged by the defendants.

(7) That the evidence of the manager of the company showed that no steps were taken by the said company to forfeit or cancel the policy.

W. Macdonald showed case.

Armour, C.J.—This case appears to me to be a very clear one, and to depend entirely upon the question whether the policy was in force at the time of the death of the insured, for if it was, no subsequent action of the defendants could affect the plaintiff's claim.

Olmstead v. The Farmers' Mutual, 50 Mich. 200.

Upon the giving of the note for the premium and the issuing of the policy the risk attached subject to the avoidance of the policy for the non-performance by the insured of the condition subsequent—the payment of the note when it fell due.

The law applicable to the forfeiture of leases, for non-performance of condition is equally applicable to the forfeiture of a policy, such as the one in question for the non-performance of condition

subsequent therein contained.

This policy was voidable upon default being made in the payment of the note taken for the premium, but only at the election of the insurers; Wing v. Harvey 5 De G. M & G. 265; Armstrong v. Pierspond 9 Ir C. L. 325; Mackie v. European Co. 21 L. T. N. S. 102.

Upon default being made in the payment of the note the insurers might have elected to forfeit the policy or they might have elected not to forfeit it but to continue and upon the evidence before

us I think it clear that they elected not to forfeit it, but to continue it.

There is not from first to last in the correspondence or in the conduct of the insurers any intimation or suggestion that they had elected to forfeit the policy, but the contrary; nor is there therein any intimation or suggestion that while electing to forfeit the policy they were nevertheless insisting on the payment of the notes, but the contrary.

The correspondence and conduct of the insurers when default was made in the payment of the first note, shews clearly that they were not electing to forfeit the policy, but to continue it, and were not while electing to forfeit the policy nevertheless insisting upon payment of the note, and affords evidence of a like election on their part down to the death of the insured.

They took for the amount of the first note and interest, a new note with interest at seven per cent per annum at thirty days, and when during the currency of this note the insured wrote to them asking them what they would let him out with by cancelling the policy on July 10th, they answered him on July 4th that his request that they should cancel the policy was unreasonable. They were then notwithstanding the default that had been made in the payment of the first note not only showing that they had not elected to forfeit the policy and that they were not while electing to forfeit the policy insisting on payment of the note but were also showing that they had elected to continue the policy, and where treating it as then subsisting.

There is nothing to show that their course of conduct in respect of this policy as thus made

manifest was in any way altered up to the time of the death of the insured.

They took for the amount of the last mentioned note a cash payment of \$10 and a new note for \$22.40 with interest at seven per cent per annum at two months from the 10th July, 1890, and at its due date they took for the amount of it and interest a new note for \$22.80 at one month and after default was made in its payment they wrote to the insured on the fifth day of November, 1890; "7710, We fully expected to have heard from you ere this with a remittance for your note which matured on the 16th ult. Kindly give the matter your immediate attention" and before this letter reached the insured on the following day the insured was dead. Surely this letter must be taken in the light of the previous correspondence and conduct of the insurers as treating the policy as still subsisting and repelling the idea of any election to forfeit.

It was argued that because the insurers had the right while electing to forfeit to nevertheless insist upon payment of the note referred to therein, the letter must be taken to mean that they were by it merely insisting on the payment of the note, having exercised their election of forfeiting the policy; but the refusal of the insurers to receive the amount of the note and interest when tendered shows clearly that no such meaning can be extracted from the letter. The letter was written treating and intending to treat the policy as still subsisting and asking the kind and immediate attention of

the insured to the payment of the note.

Supposing the insured had paid the note on the 6th of November, and had died on the 7th of November, would there be any defence to this claim? I think clearly not; and neither in my opinion is there any defence to it under the circumstances which occurred.

The plaintiff is in my opinion entitled to recover the sum insured with interest from the first January, 1891, less the amount of the promissory note of the insured with interest thereon at the

rate of seven per cent. per annum and her costs of suit.

It is understood, that the case is being further appealed by the defendants to the Court of Appeal for Ontario. The question involved is a most important one and fully warrants this action on the part of the defendants.

# QUEEN VS. STAPLETON.

Since the enactment of the Insurance Act there have been but few prosecutions thereunder. This must not, however, be taken as evidence that its provisions have not been violated. There have, doubtless, been many instances in which both the letter and the spirit of the statute have been disregarded, more particularly by associations and societies professing to be fraternal in their character and practices and assuming the right to operate in Canada by virtue of the exception contained in section 43 of the Act. Of this class is the International Fraternal Alliance mentioned in the judgment in this case set out below. The defendant one Charles Stapleton was prosecuted before, and convicted and fined by, the Police Magistrate at Oshawa, in the county of Ontario, by whom the following judgment, clearly setting forth the facts and evidence submitted, was delivered on the 18th December, 1891.

Dominion of Canada. Province of Ontario. In the Police Court of the Town of Oshawa, Dec. 2nd, 9th, 10th and 11th, 1891. County of Ontario.

To Wit:

THE QUEEN, on the information and complaint of Alonzo Ruttan, of the town of Oshawa, in the county of Ontario.

#### AGAINST.

CHARLES STAPLETON, of the said town of Oshawa, charging him that he did in or about the Life, Fire or Inland Marine Insurance, that is to say the business of Accident Insurance on behalf of "The International Fraternal Alliance," an insurance company within the meaning of section 2, chapter 124 of the Revised Statutes of Canada, without the license required by law in that behalf. month of November, at the town of Oshawa, unlawfully carry on other than the business of

This information is laid before me under the provisions of the 49th section of the Statute chapter

124 above mentioned which gives me jurisdiction.

The prosecution was conducted by J. E. Farewell, Q.C., County Crown Attorney, and the defence by Charles Lount, Q.C., of the firm of Lount, Marsh, Lindsey and Lindsey, Toronto.

The evidence for the prosecution was voluminous and was obtained from eight persons, who, with one exception, had been solicited by the defendent to become members of a branch of the "International Fraternal Alliance," about to be formed in Oshawa.

They all agree that the defendant explained to them the benefits to be derived from joining the Alliance the \$7 per week in case of sickness or accident, and the \$700 at the end of seven years.

Alliance, the \$7 per week in case of sickness or accident, and the \$700 at the end of seven years, besides others, such as in certain circumstances a payment of \$200 in three years, another payment of \$200 in five years, and a further and final payment of \$300 in seven years, that the Alliance gave better returns for less money than other insurance companies with several of which he compared it, Several of the witnesses use the words "policy" and "insurance" as their understanding of what they were doing, and the Association is referred to by others as a benefit association. They had all joined, and four of these had paid \$5 each as entrance fee, three had not the money as yet.

At the conclusion of the evidence for the prosecution, Mr. Farewell puts in a letter from Mr. Fitzgerald, Superintendent of Insurance, at Ottawa, stating that no license or permit of any kind had been granted or issued to the International Fraternal Alliance by the Government of the Dominion of Canada, or by the Minister of Finance, or by any one acting on his behalf in pursuance of the requirements of the Act, chapter 124 Revised Statutes of Canada; also a list which was enclosed in said letter, being the official list of the insurance companies doing business under the Insurance Act; also Canada Gazette, Exhibit "B" of 28th November, 1891.

Prosecution also puts in Exhibit "A," a small printed leaflet of the Order of International Fraternal Alliance, also Exhibit "C," membership receipt; Exhibit "D," leaflet of Order, Exhibit "B," membership receipt, also Exhibit "I," same as Exhibit "A"; Exhibit "J," Letter of Mr. Fitzgerald, Exhibit "H," same as Exhibits "E" and "C." This closed the case for the prosecu-

For the defence, one witness, Doctor T. F. Pennington, of Baltimore, a member of the Order is called. He puts in Exhibit "F," the constitution and general laws of the Order, Exhibit "G," the ritual of the Order, Exhibit "K," the charter. He is a member of the Order, of the city of Baltimore, Md. He also affirmed that Charles Stapleton the Defendant, was acting as a Deputy President whose duty it is to organize assemblies of our Order and has been duly authorized to organize a branch at this place, namely at Oshawa. He also affirmed that the Society of which he is a member has no license to carry on accident or life insurance business of any kind in Canada, that no license was necessary to enable them to do so. This closed the case for the defence with the exception of numerous objections to the admission of points of evidence which do not, in my opinion, affect the case on either side.

The case having been fully and ably argued before me, is now left for judgment.

Upon a close reading of the evidence and the various papers submitted to me, I found little difficulty in coming to a conclusion as to what my judgment must be in the case, but I felt that in a matter being ventilated in a court for the first time, which I was informed by counsel was of great importance, of wide-spreading and general interest to multitudes of people, it would not be improper

for me to place before the public the premises upon which I base that judgment.

The International Fraternal Alliance of Baltimore, Maryland. U.S.A., claims to be a benevolent association within the meaning of section 43 of the Statute, chapter 124, R.S.C., which says, "Nothing in this Act contained shall apply to any society or association of persons for fraternal, benevolent, industrial or religious purposes." To ascertain the applicability of this section to the case in point we must consult its charter, its constitution, its declarations, its rules of precedure and practice. The opening sentences of its constitution are admirable, they are as follows:-

## Object of the Order.

Without reference to creed, faith or politics this Order shall endeavour to benefit its members morally, intellectually and financially, by congregating good honourable men and women in its assemblies and endeavouring at all times to minister to and promote their interests, well-being and general prosperity.

## Fraternal Duty.

It is the duty of all assemblies to look after the interests of each member thereof, in sickness or oppression, and to assist, encourage and protect them in a true, knightly spirit of fraternity.

Of the members thereof to patronize each other in trade, to make good reports of and assist each

other by any fair means which may be presented in business or other circles.

To deal with each other truthfully and with scrupulous honesty and fairness, as the greatest crime in this Order is the taking advantage of, or treating unfairly, any brother or sister, by other members thereof, who would therefore be liable to suspension or expulsion in the promptest manner.

To protect the name, fame or credit of each or of any brother or sister of the Order, and in all

cases to see that no injustice of any character is practised against them.

#### Our Motto.

# "Love thy neighbour as thyself."

Section 4 of the same chapter (chapter number one) declares that one of the purposes of the Order shall be the establishment of a benefit fund for the relief of its members in sickness or accident or dis-Then follows chapter two, bodies governing the Order, senators and representatives. Senators shall consist of all members of the Order who have contributed moneys to its advancement for the purpose of establishing it on a permanent basis without reference to the payments made upon their benefit certificates, and who have been identified with the Order for a period that renders their experience of great value to the Order." The first penal notice we come to is on page 14, chapter 9, section 1, entitled "Penalty for not protecting good name of Order," a general declaration of punishment by instant suspension without trial. Page 17 of the constitution provides that failure on the part of the treasurer of an Assembly or Lodge to make any of the reports hereto stipulated shall suspend the said Assembly and every member thereof from further interest in the Order," and re-instatement appears to me to be attended with great difficulty in every case in which it occurs. Chapter 12, of the constitution, pages 22 and 23, refers in particular to payment of monthly dues by the members and its provisions in that respect are very strict. I quote sections 5 and 6, page 24,

"Should any member fail to make any required payment on or before the last day of the month falling due, or be suspended for any other cause, or be a member of a suspended Assembly, then, in either event all benefits under his (or her) said certificate shall at once terminate, and all payments made to said Order be forfeited thereto, and until re-instated in accordance with those laws shall remain null and void, and in no case shall any sick benefits accrue unless the sickness occurs after.

thirty days from the date of the re-instatement by the Cabinet.

"Any member of this Order may be expelled for dishonesty, bad faith or immoral practices by being duly summoned and tried. In such event all further benefits of any nature terminate. Said member may appeal as prescribed by these laws. In event of failure to pay any sums due within the proper time, he or she shall be out of benefit and stand only as a social member so long as such rules are complied with. Notice to this effect is not required by the laws of the Order to be given any member, but every one shall immediately stand suspended of their own volition, who fails to pay any sums due within the required time according to the specifications of the notice to pay, mailed him or her, and failure to receive such notice shall be no excuse for any non-payment."

These quotations form in my opinion an index to the real nature of the operations of this Alliance

more particularly those portions which go to show the promptness and expedition with which lapses are made, and the constitution of the Senate which to me seems to convey the idea that there is an interior unchangeable governing body, whose acts and objects may differ widely from anything that

is published.

I turn now to the leaflet Exhibit "A", circulated by the defendant in the business of procuring members to join the Alliance of which he was the duly accredited agent. It starts with these words, "Unsurpassed in the soundness of its plans, the methods of its working, its originality, its benefit features, its low costs, its sure results." It goes on to say, "The system it operates on is that of all large established and successful Fraternal Benefit Orders. The past twenty years has demonstrated that for plain life insurance the Fraternal stands to the front rank for security and more especially for its startlingly low prices or costs." Again on page 3, "The benefits of this Order are two-fold:—

1. The social features. 2. The pecuniary.

The first you secure through pleasant intercourse with your associates, and the second as illustrated in the benefit tables following, in all of which the word "policy" occurs as often as it would in any insurance leaflet. In all these declarations we seek in vain for that fine strain of exalted benevolence which section 2, chapter 1 of the constitution declares shall be the ruling practice of the organization. Pleasant intercourse, prompt decapitation and forfeiture of payments, seem to be all that is offered in its stead. But if there were any possible doubt as to the nature of the business of this Fraternal Alliance and the objects sought, this extract from exhibit "A" before referred to should speedily remove it.

# · "Lapses as a source of profit."

The common idea that lapses are only a source of profit according to the amount of money payable They pay persisting members two ways:

1. By the funds paid in.
2. By losses of accrued profits to them from the increase and lapses before them.

Thus Jones had paid in \$27 and lapsed. Of course the Order (members) was that much better off. But (2) it also gained all that Jones lost by his losing his place in the order of maturity, and consequently his proportion of the gains which (had he remained) would stand to his credit because of the lapses and increase of membership since he joined, which he fails to receive if he retires before his maturity.

#### A shining example.

The "Knights of Honour" has paid about \$28,000,000 in death claims, and of course all this amount was derived from the members in assessments during the past fourteen years. Recently, an examination of their books revealed the startling fact that of the \$28,000,000, the members then actually in force had paid but \$9,000,000. Now the only explanation and cause of this is that those not in force (lapsed) had paid the balance of \$19,000,000. Surely this is something to consider and is

indeed a startling fact.

This is indeed a startling fact if true, \$19,000,000, drawn in fourteen years, from the pockets of the poor, the unfortunate, from the poor men temporarily out of work, from any one from a moment of forgetfulness, and yet this is the course this Alliance is adopting, and following this course, claim to be a benevolent organization within the meaning of the 43rd section of the Statute, receiving money for which it gives no value whatever, it legislates with an ingenuity which cannot be surpassed to accomplish the forfeiture of the payments made and deals in the most rigorous manner with defaulters, all the while acting under "our motto" so flauntingly set forth in the first page of the constitution: "Love thy neighbour as thyself."

I am of opinion that the International Fraternal Alliance is not an association or society within

the meaning of the 3rd section of Statute, chapter 124, R.S.C.

I am of opinion that the International Fraternal Alliance is a Company within the meaning of

the 2nd section, subsection (c), of the said Act.

I am of opinion that the International Fraternal Alliance does carry on the business of insurance against accident as charged, and the defence declaring under oath that the International Fraternal Alliance had or has no license or permission from the Minister of Finance of the Government of the Dominion of Canada in pursuance of the requirements of section 49 of said Statute and without which it cannot legally do business in Canada.

I am of opinion that the said Charles Stapleton has incurred the penalties provided by the 49th

section of the said Statute for such infraction.

The judgment of the Court is that you, Charles Stapleton, are guilty of the offense with which you stand charged.

The sentence of the Court is that you pay a fine of thirty dollars and costs as hereunder written, and it is ordered that said fine and costs shall be paid forthwith, and if not so paid that you shall be imprisoned in the common goal of the County of Ontario for a period of thirty days at hard labour, unless said costs and fine and the costs of conveying you to gool be sooner paid, and as the Statute directs that one-half of said penalty shall belong to Her Majesty when recovered, and the other half hereof to the informer, I do hereby so order.

It has not been thought necessary to publish the exhibits referred to in the above By way of appeal from the Police Magistrate, the defendant Stapleton applied to the Court of Common Pleas at Toronto for a rule to quash the above conviction, and after full argument the rule was refused, the judgment of the Court refusing the same being in the following terms:-

#### C.P.D.—REGINA v. STAPLETON.

This was a motion for order nisi to quash a conviction under sec. 49, c. 124, R. S. C., which prohibits the issuing of a policy other than a life, fire or inland marine insurance policy or the receiving

bits the issuing of a policy other than a life, fire or inland marine insurance policy or the receiving of any premium in respect thereof without permission obtained from the Minister of Finance.

It appears from the evidence that the defendant did receive \$5 which I think upon the evidence was a premium within the meaning of sec. 49 s.s. 3. I do not see any ground upon which the order nisi should be granted. I have carefully gone over the evidence and it seems to me abundantly clear that there was evidence to support the finding of the magistrate that the scheme was one of accident insurance and would come expressly within the words "No company or person shall issue any policy other than a life," etc., and I am also of the opinion that sec. 43 does not in any wise assist the defendant, such section merely excepting from the operations of the Act, "Any society or association of persons for fraternal, benevolent, industrial or religious purposes among which purposes is the insurance of lives of the members thereof exclusively." This scheme was not one of "insurance of the lives of the members exclusively," but was a scheme of accident insurance. Even if the evidence justified the finding that this society or association was for "fraternal, benevolent, industrial or religious purposes," which I very much doubt, I should not quarrel with the finding that this was a scheme for contriving to avoid the provisions of the statute. It is not necessary, however, to form any definite opinion upon such question, as I do not think it possible to yield to Mr. Lounts argument any definite opinion upon such question, as I do not think it possible to yield to Mr. Lounts argument that the business of accident insurance is covered by the words "fraternal, benevolent, industrial or religious purposes." If the association desire to carry on an accident insurance business it must religious purposes." If the association desire to carry on an accident insurance business it must take the steps pointed out by the statute and obtain permission from the requisite authority.

In my opinion the order must be refused.

The conviction of the defendant, therefore, stood confirmed and the fine imposed was subsequently paid by him.

## THE CANADA AGRICULTURAL INSURANCE COMPANY.

By 41 Vic., cap. 38, assented to 10th May, 1878, this Company was in effect declared to be insolvent, and Philip S. Ross, William T. Fish and George H. Dumesnil were appointed assignees. Statements made by the assignees were, from year to year, published in the reports issued from this office up to and including the year 1886. No statement having been subsequently received, the Superintendent in September, 1891, wrote to Mr. Ross the letter given below, viz.:—

7th September, 1891.

Philip S. Ross, Esq.,
One of the Joint Assignees of the Canada Agricultural
Insurance Company, Montreal.

Dear Sir,—In your letter of the 6th April, 1888, you stated, in answer to a communication from this department, asking for the customary report required by statute, that no change had taken place since the making of your then last report (31st December, 1886), owing to a petition in March, 1887, of the shareholders to the court to stay proceedings. Will you be good enough to furnish me with statement showing the proceedings which have taken place since your last report, and the report required by statute showing the present condition of the insolvent company's affairs.

Your obedient servant,

W. FITZGERALD, Superintendent of Insurance. And received the following reply thereto:-

MONTREAL, 10th September, 1891.

# W. FITZGERALD, Esq.

DEAR SIR,—Yours of 7th inst., is to hand and I beg to say in reply :-

1st. In March, 1887, the shareholders whom the assignees of the Canada Agricultural Insurance Company were suing to pay up their stock petitioned Court to stay proceedings.

- 2nd. A meeting was called and that meeting asked the assignees to resign.

  3rd. I gave in a resignation for myself alone.

  4th. The creditors called another meeting, requested me to withdraw that resignation, expressing confidence in the assignees.
- 5th. The shareholders then presented a petition for the dismissal of the assignees and the appointment of one Thomas Darling.
  6th. The Court decided that Darling be appointed.
  7th. The creditors opposed this and went to appeal.

8th. The Court of Queen's Bench affirmed the judgment of the Court below.

9th. Meantime Darling died.

10th. The Court ordered a meeting of creditors and shareholders for a new appointment.

11th. Meantime Mr. Dumesnil, one of the old assignees, died, and Mr. Fish is completely prostrated and could not act. I refused to act. 12th. The meeting of shareholders and creditors therefore nominated one J. M. M. Duff, which

the judge confirmed.

I am now handing over all the books, papers, &c., to Mr. Duff.

13th. No transactions have taken place since March, 1887; at all events of no importance.

14th. When Mr. Duff is fairly installed in office, no doubt a report will be made to you by him and me conjointly up to date.

I am, your obedient servant,

PHILIP S. ROSS,

One of the late liquidators of the C. A. I. Co..

No report such as that indicated in the 14th clause of Mr. Ross' letter has been received by the Superintendent. A circular, however, issued by Mr. Duff, dated 15th February, 1892, shows the present position of the Company's affairs. The circular referred to is in these terms:—

Montreal, 15th February, 1892.

#### Re THE CANADA AGRICULTURAL INSURANCE COMPANY,

Insolvent.

DEAR SIR. - You are hereby notified that, by judgment of the Superior Court at Montreal, on 28th August, 1891, I was appointed assignee of the Canada Agricultural Insurance Company, insolvent.

As you are aware, the Company has been in insolvency since May, 1878, or nearly fourteen years. Messrs. Ross, Fish and Dumesnil were the first assignees, but after they had carried on the work for several years, a number of the shareholders and creditors became dissatisfied with them, and commenced proceedings for their removal, which proceedings were only terminated a few months

Since my appointment I have examined the affairs of the Company, with the assistance of the Inspectors, Messrs. J. O. Dupuis and Alex. Ramsay, and we find the only available assets are the liabilities of the shareholders for such portions of their shares of the capital stock as have not been fully paid up. Many of the shareholders have paid up largely and cannot pay any more, many have failed, others have become very much reduced in circumstances, still others have gone away from their former residences, while not a few have been permanently removed by death, leaving little or no property behind them. I have communicated with all who are in arrears and have had replies from many, and, after all, I feel that it is useless to expect to recover sufficient to pay anything more

than a very small percentage upon the claims.

If the creditors generally would agree to accept a composition of ten per cent upon their claims, on condition of being paid within six months, I think they will get that; but it will be next to impossible to raise more just now.

If a settlement on this basis cannot be arranged, then it will be necessary to re-open the very large number of suits which were begun long ago; and, as there appears to be a very general determination among such of the shareholders as are able to pay to resist all efforts to force payment of their liability, years may elapse before the end is reached, very heavy costs would be incurred, and the financial result would be very doubtful.

Will you be kind enough, therefore, to date and sign the enclosed post-card, and return it to me

at once, if you are willing to accept such a settlement?

It is of the utmost importance that, whatever is to be done, should be done promptly, consequently I shall be obliged if you will attend to this matter immediately, so that no time may be Your obedient servant, J. M. M. DUFF,

Assumee.

We concur fully in the foregoing.

J. O. DUPUIS, ALEX. RAMSAY, Inspectors.

## LEGISLATION.

A charter was obtained from Parliament by the Victoria Life Insurance Company, and an Act was passed amending the charter of the Boiler Inspection and Insurance Company of Canada, and increasing its powers.

A Bill was introduced at the past Session of Parliament by Mr. White, M.P., the text of which, as proposed to be amended in the Committee on Banking and Commerce to which it was referred, is as follows:—

## AN ACT FURTHER TO AMEND "THE INSURANCE ACT."

Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:

1. Section twenty-six of The Insurance Act, chapter one hundred and twenty-four of the Revised Statutes, is hereby amended by striking out the words "twenty-seven" in the first line thereof, and substituting therefor the words "twenty-six A."

2. The said Act is hereby further amended by adding the following sections thereto immediately

after section twenty-six :-

26A. No company shall, in respect of any policy issued, or agreed to be issued, make any discrimination between persons assured on the same plan, who have the same expectation of life, and are equally eligible, either in the amount of premium charged, in the return of premium dividends, in the payment of bonuses, in bonus additions, or otherwise.

26s. No agent, sub-agent, broker or other person acting for, or soliciting or procuring business for any company, shall make any contract of insurance, or agreement as to any contract of insurance, other than that which is expressed in the policy issued or to be issued therefor; nor shall any company or agent, sub-agent, broker or other person, pay or allow, or offer to pay or allow, as an inducement, directly or indirectly, to any person to insure, any rebate of premium or any special favour or advantage, other than is specified in the policy issued or to be issued.

26c. No person not being a director, manager, secretary, actuary or other principal officer of a company shall act as agent, sub-agent or broker, or under any other designation or in any other capacity, in the solicitation or procurement of any application of insurance for any company, nor shall any such person solicit or procure any application for a policy of insurance, without having first obtained an agent's license from the Superintendent: Provided, that similar agents' licenses issued in pursuance of an Act of the legislature of any Province now forming part of Canada, to persons residing and carrying on their business as such agents within such Province may be endorsed by the Superintendent as valid under this Act:

"2. All licenses issued under the provisions of this section shall expire on the thirty-first day

of December in each year, but shall be renewable from year to year:

"3. There shall be payable, on the issue or renewal of any such license, to the Minister of Finance and Receiver General, the fee of two dollars, to be applied towards the expenses of the

office of the Superintendent:

"4. The Superintendent shall cause to be published quarterly in the Canada Gazette a list of the persons licensed by him under this section, giving in full their names and addresses; and if any agent is licensed, or the license of any agent is suspended, revived or revoked, in the interval between two such quarterly statements, the Superintendent shall publish a notice thereof in the Canada Gazette.

26D. The license referred to in the next preceding section shall issue only to such persons as furnish, to the satisfaction of the Superintendent, a recommendation from the manager or other principal officer of the company for which he purposes doing business, if a Canadian company, or from the chief agent in Canada, or in any Province thereof, if a company other than a Canadian company; but a person once having obtained a license, may do business for another company instead of for such company, without renewing his license then unexpired: Provided, that the Superinten-

dent may, if he sees sufficient reason therefor, issue a license without such recommendation.

26E. If any person holding an agent's license is convicted of a violation of any of the provisions of this Act, it shall be the duty of the Superintendent upon proof of such conviction to revoke (or pending an appeal from the conviction, to suspend, and if the conviction is affirmed on appeal, then

to revoke) the license of the person convicted; and the person so convicted shall not be re-licensed by the Superintendent for the term of three years from the date of such conviction.

26r. No company, or official or employee of any company, or person canvassing or soliciting for life insurance, shall accept any application for insurance from any person whose license has been

revoked, after publication of the notice of the revocation of such license hereinbefore provided for, or from anyone not a licensee as herein provided; but this section shall not be held to prohibit the acceptance of an application from an unlicensed person for insurance upon his own life.

26a. Any person who offends against any of the provisions of sections twenty-six A to twenty-six G, both inclusive, shall be liable for each offence to a penalty of fifty dollars; and if any policy of insurance is obtained or accepted in violation of the provisions of this Act, the offender shall be liable to an additional penalty of an amount equal to one-half of the first full year's premium payable under the relief of the recent of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of the provisions of t

under the policy so obtained or accepted.

26H. The penalties and forfeitures imposed by the next preceding section shall be recoverable and enforceable by summary proceedings before any two justices of the peace, or any magistrate having the power of two justices of the peace: and in default of payment the offender shall be liable to imprisonment with or without hard labour, for a term of not less than three months and not more than six months; and one half of any such penalty when recovered shall belong to Her Majesty and the other half thereof to the informer. and the other half thereof to the informer.

261. The six sections next preceding shall come into torce on the first day of January, one

thousand eight hundred and ninety-three.

The Bill was rejected by the committee on the ground, as stated in their report to Parliament, that "the provisions contained therein do not appear to be in the interest of the insuring public." The committee seemed to be pretty evenly divided, the majority against the Bill being small. Its rejection, due largely to a want of a thorough appreciation of its object and of the extent of the evil which it was intended to remedy. the Superintendent regards as a matter to be regretted. It is, however, understood that it will be again introduced next session and it is to be hoped that it will share a better fate.

At the last session of the Ontario Legislature, provisions similar to those contained in Mr. White's Bill applicable to the Province of Ontario were enacted, the text of which will be found at page ly of the appendix.

# PROVINCIAL ENACTMENTS.

In the appendix, pages xlix to lxxxviii, inclusive, will be found the principal Provincial statutory enactments affecting, or purporting to affect, amongst others, companies operating under Dominion licenses, their contracts, rights and obligations. Concerning the subjects dealt with, the intention has been to give full and complete copies of all such Provincial enactments above indicated, as stand at the present time unrepealed, and whilst it is believed that those appended are substantially complete and accurate, it is still possible that omissions may exist, and that additions, changes or amendments effected by subsequent legislation have been overlooked.

I have the honour to be, Sir,

Your obedient servant,

W. FITZGERALD.

Superintendent of Insurance

#### CHAPTER 167.

An Act respecting Insurance Companies.

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacta as follows :-

The provisions of this Act shall not apply:—

- (1.) To a company licensed by the Dominion of Canada, except as to sections 114 to 120 inclusive, which shall apply to all fire insurance companies transacting business in Ontario.
- 114. The conditions set forth in this section shall, as against the insurers, be deemed to be part of every contract, whether sealed, written or oral, of fire insurance hereafter entered into or renewed or otherwise in force in Ontario with respect to any property therein or in transit therefrom or thereto, and shall be printed on every such policy with the heading Statutory Conditions; and no stipulation to the contrary, or providing for any variation, addition or omission, shall be binding on the assured unless evidenced in the manner prescribed by sections 115 and 116.

#### Statutory Conditions.

1. If any person or persons insures his or their buildings or goods, and causes the same to be described otherwise than as they really are, to the prejudice of the Company, or misrepresents or omits to communicate any circumstance which is material to be made known to the Company, in order to enable it to judge of the risk it undertakes, such insurance shall be of no force in respect to the property in regard to which the misrepresentation or omission is made.

2. After application for insurance, it shall be deemed that any policy sent to the assured is intended to be in accordance with the terms of the application, unless the Company points out, in writing, the particulars wherein the policy differs from the application.

3. Any change material to the risk, and within the control or knowledge of the assured, shall avoid the policy as to the part affected thereby unless the change is promptly notified in writing to the Company or its local agent; and the Company when so notified may return the premium for the unexpired period and cancel the policy, or may demand in writing an additional premium, which the assured shall, if he desires the continuance of the policy, forthwith pay to the Company; and if he neglects to make such payment forthwith after receiving such demand, the policy shall be no longer

4. If the property insured is assigned without a written permission endorsed hereon by an agent of the Company duly authorized for such purpose, the policy shall thereby become void; but this condition does not apply to change of title by succession, or by the operation of the law, or by reason

of death.

5. When property insured is only partially damaged, no abandonment of the same will be allowed unless by the consent of the Company or its agent; and in case of the removal of property to escape conflagration, the Company will contribute to the loss and expenses attending such act of salvage, proportionately to the respective interests of the company or companies and the assure l.

Plate, plate-glass, plated ware, jewellery, medals, paintings, sculptures, curiosities, scientific and musical instruments, bullion, works of art, articles of vertu, frescoes, clocks, watches, trinkets,

and mirrors, are not insured unless mentioned in the policy.

- 8. The Company is not liable for loss if there is any prior insurance in any other Company, unless the Company's assent thereto appears herein or is endorsed hereon, nor if any subsequent insurance is effected in any other Company, unless and until the Company assents thereto or unless the Company does not dissent in writing within two weeks after receving written notice of the intention or desire to effect the subsequent insurance, or does not dissent in writing after that time and before the subsequent or further insurance is effected.
- 9. In the event of any other insurance on the property herein described having been assented to as aforesaid then this Company shall, if such other insurance remains in force, on the happening of any loss or damage, only be liable for the payment of a rateable proportion of such loss or damage

without reference to the dates of the different policies.

10. The Company is not liable for the losses following, that is to say:—

- (b) For loss caused by invasion, insurrection, riot, civil commotion, military or usurped power; (c) Where the insurance is upon buildings or their contents—for loss caused by the want of good and substantial brick or stone chimneys; or by ashes or embers being deposited, with the knowledge and consent of the assured, in wooden vessels; or by stoves or stove pipes being, to the knowledge of the assured, in an unsafe condition or improperly secured;

(d) For loss or damage to goods destroyed or damaged while undergoing any process in or by which the application of fire heat is necessar

(e) For loss or damage occurring to buildings or their contents while the buildings are being repaired by carpenters, joiners, plasterers or other workmen, and in consequence thereof, unless permission to execute such repairs had been previously granted in writing, signed by a duly authorized agent of the Company. But in dwelling-houses, fifteen days are allowed in each year for incidental

repairs, without such permission; (1) For loss or damage occurring while petroleum, rock, earth or coal oil, camphine, gasoline burning fluid, benzine, naphtha or any liquid products thereof, or any of their constituent parts (refined coal oil for lighting purposes only, not exceeding five gallons in quantity, or lubricating oil not being crude petroleum nor oil of less specific gravity than required by law for illuminating purposes, not exceeding five gallons in quantity, excepted), or more than twenty-five pounds weight of

gunpowder, is or are stored or kept in the building insured or containing the property insured, unless permission is given in writing by the company.

11. The company will make good loss caused by the explosion of coal gas in a building not forming part of gas works, and loss by fire caused by any other explosion or by lightning.

12. Proof of loss must be made by the assured, although the loss be payable to a third party.

13. Any person entitled to make a claim under this policy is to observe the following directions:

(a) He is forthwith after loss to give notice in writing to the company;
(b) He is to deliver, as soon afterwards as practicable, as particular an account of the loss as the nature of the case permits;

(c) He is also to furnish therewith a statutory declaration declaring,

(1) That the said account is just and true

(2) When and how the fire originated, so far as the declarant knows or believes;

(3) That the fire was not caused through his wilful act or neglect, procurement means or contrivance;

(e) He is to produce, if required, a certificate under the hand of a magistrate, notary public, commissioner for taking affidavits, or municipal clerk residing in the vicinity in which the fire happened, and not concerned in the loss or related to the assured or sufferers, stating that he has examined the circumstances attending the fire, loss or damage alleged, that he is acquainted with the character and circumstances of the assured or claiment, and that he verily believes that the assured has by misfortune and without fraud or evil practice sustained loss and damage on the subject assured, to the amount certified.

14. The above proofs of loss may be made by the agent of the assured, in case of the absence or inability of the assured himself to make the same, such absence or inability being satisfactorily

accounted for.

15. Any fraud or false statement in a statutory declaration, in relation to any of the above par-

ticulars, shall vitiate the claim.

16. If any difference arises as to the value of the property insured, of the property saved, or amount of the loss, such value and amount, and the proportion thereof (if any) to be paid by the company, shall, whether the right to recover on the policy is disputed or not, and independently of all other questions, be submitted to the arbitration of some person to be chosen by both parties, or if they cannot agree on one person, then to two persons, one to be chosen by the party insured and the other by the company, and a third to be appointed by the persons so chosen, or on their failing to agree then by the county judge of the county wherein the loss has happened; and such reference shall be subject to the provisions of the laws applicable to references in actions; and the award shall, if the company is in other respects liable, be conclusive as to the amount of the loss and proportion to be paid by the company: where the full amount of the claim is awarded the costs shall follow the event; and in other cases all questions of costs shall be in the discretion of the arbitrators.

18 The Company, instead of making payment, may repair, rebuild or replace, within a reasonable time, the property damaged or lost, giving notice of their intention within fifteen days after receipt

of the proofs herein required.

19. The insurance may be terminated by the company, by giving notice to that effect, and if on the cash plan, by tendering therewith a rateable proportion of the premium for the unexpired term, calculated from the termination of the notice: in the case of personal service of the notice, five days notice, excluding Sunday, shall be given. Notice may be given by any company having an agency in Ontario by registered letter addressed to the assured at his last post office address notified to the company, and where no address notified, then to the post office of the agency from which application was received, and where such notice is by letter, then seven days from the arrival at any post office in Ontario, shall be deemed good notice. And the policy shall cease after such tender and notice aforesaid and the expiration of the five or seven days as the case may be.

PROVINCE OF ONTARIO.

(a) The insurance, if for cash, may also be terminated by the assured by giving written notice to that effect to the company or its authorized agent, in which case the company may retain the customary short rate for the time the insurance has been in force, and shall repay to the assured the balance of the premium paid.

20. No condition of the policy, either in whole or in part, shall be deemed to have been waived by the company, unless the waiver is clearly expressed in writing, signed by an agent of the com-

pany.

21. Any officer or agent of the company, who assumes on behalf of the company to enter into any written agreement relating to any matter connected with the insurance, shall be deemed prima facie to be the agent of the company for the purpose.

22. Every action or proceeding against the company for the recovery of any claim under or by virtue of this policy, shall be absolutely barred, unless commenced within the term of one year next

after the loss or damage occurs.

23. Any written notice to a company for any purpose of the statutory conditions, where the mode thereof is not expressly provided, may be by letter delivered at the head office of the company in Ontario, or by registered post letter addressed to the company, its manager or agent, at such head office, or by such written notice given in any other manner to an authorized agent of the company.

115. If a company or other insurer desires to vary the said conditions, or to omit any of them, or to add new conditions, there shall be added on the instrument of contract containing the printed statutory conditions words to the following effect, printed in conspicuous type, and in ink of different

#### " Variations in Conditions.

"This policy is issued on the above statutory conditions, with the following variations and "additions :-

"These variations (or as the case may be) are, by virtue of the Ontario statute in that behalf, in "force so far as, by the court or judge before whom a question is tried relating thereto, they shall be

"held to be just and reasonable to be exacted by the company.

116. No such variation, addition or omission shall, unless the same is distinctly indicated and set forth in the manner or to the effect aforesaid, be legal and binding on the assured; and no question shall be considered as to whether any such variation, addition or omission is, under the circumstances, just and reasonable, but, on the contrary, the policy shall, as against the insurers, be subject to the statutory conditions only, unless the variations, additions or omissions are distinctly indicated and set forth in the manner or to the effect aforesaid.

117. In case a policy is entered into or renewed containing or including any condition other than or different from the conditions set forth in section 114, if the said condition so contained or included is held, by the court or judge before whom a question relating thereto is tried, to be not just and

reasonable, such condition shall be null and void.

118. Where, by reason of necessity, accident or mistake, the conditions of any contract of fire insurance on property in this Province as to the proof to be given to the insurance company after the occurrence of a fire have not been strictly complied with: or where, after a statement or proof of loss has been given in good faith by or on behalf of the assured, in pursuance of any proviso or condition of such contract. the company through its agent or otherwise, objects to the loss upon other grounds than for imperfect compliance with such conditions, or does not within a reasonable time after receiving such statement or proof notify the assured in writing that such statement or proof is objected to, and what are the particulars in which the same is alleged to be defective, and so from time to time; or, where for any other reason, the court or judge before whom a question relating to such insurance is tried or inquired into, considers it inequitable that the insurance should be deemed void or forfeited by reason of imperfect compliance with such conditions—no objection to the sufficiency of such statement or proof or amended or supplemental statement or proof (as the case may be) shall, in any of such cases, be allowed as a discharge of the liability of the company on such contract of insurance wherever entered into.

119. A decision of a court or judge under this Act shall be subject to review or appeal to the

same extent as a decision by such court or judge in other cases.

120. (1) Any justice of the peace, or any one having lawful authority to administer an oath or affirmation in any legal proceeding, may examine on oath or solemn affirmation any party, or person who comes before him to give evidence touching any loss by fire in which any fire insurance company is interested, and may administer any oath or affirmation required under this Act.

(2) On receiving a written request from any officer or agent of any insurance company with security for the expenses of an investigation, any justice of the peace may at once proceed to hold an investigation as to the origin or cause of any fire that has happened within his county or district, and

as to the persons, if any, profiting thereby.

(3) The justice of the peace shall have power to send for persons and papers, and to examine all Persons that appear before him on oath or solemn affirmation; and he shall keep a record of all such Proceedings and of the evidence given before him.

137.—(1) Where under a policy of life insurance issued by an insurance company whose lead office is in this Province, the money is payable to the representatives of a person who at the time of his death was domiciled or resident in any part of the Dominion of Canada other than Ontario and Quebec, or in the Province of Newfoundland, and no person has become his personal representative PROVINCE OF ONTARIO. in this Province, the money may, after the expiration of two months after such death, be paid to the personal representative appointed by the court of the Province in which the deceased was resident or domiciled at the time of his death; provided it appears upon the probate or letters of administration, or other like document of such court, or by a certificate of the judge under the seal of the court, that it has been shown to the satisfaction of the court that the deceased at the time of his death was domiciled or resident at some place within the jurisdiction of such court.

(a.) Where the policy provides that the insurance money may be paid to the personal representative appointed by the court of the Province in which the deceased was resident or domiciled at the time of his death, the money may be paid to such representative accordingly at any time after the

death aforesaid, or according to the terms of the policy.

(b.) Where under a contract of life insurance made in this Province, the insurance money is payable to the representatives of a person who, at the time of his death, was domiciled in the Province of Quebec, and died intestate, the money may-after the expiration of three months after such death, if no person has become his personal representative in this Province—be paid to the person or persons entitled, according to the laws of the Province of Quebec, to receive the money and give a discharge for the same if such money were by the terms of the contract payable in Quebec.

(c.) Where in the case of a contract such as in subdivision (b) mentioned, the deceased disposes of the money payable under the contract by a will, valid according to the laws of the Province of Quebec, then such money may be paid at any time after death, or according to the terms of the contract in that behalf, to the person or persons entitled under such will to receive and give a valid

discharge for money payable in Quebec.

2. This section applies to policies heretofore issued as well as to policies to be issued hereafter, and whether the death has occurred before the passing of this Act or not. (As amended by 51 Vic., c. 25, and by 52 Vic., c. 32.)

# REVISED STATUTES OF ONTARIO, CHAPTER 136.

An Act to secure to Wives and Children the benefit of Life Insurance.

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province

of Ontario, enacts as follows :-

1. The provisions of this Act shall apply to every lawful contract of insurance in writing now in force or hereafter effected, which is based on the expectation of human life, and shall include life insurance on the endowment plan as well as every other, and shall also extend to the said contracts of insurance where any declaration indorsed thereon or attached thereto, though made before the 25th day of March, 1884, would have been or be within the operation and provisions of this Act, if the same had been made subsequent to the said date. (As amended by 53 Vic., c. 39, sec. 1.)

2. It is hereby declared to have been lawful for any person on or before the 18th day of Septem-

ber, 1866, to endorse upon or attach to any policy of insurance on his life effected and issued before the 18th day of September, 1865, whether the policy was issued before or after marriage, a written declaration that the insurance was for the benefit of his wife, or of his wife and children, or of his wife and some or one of his children, or of his children only, or of some or one of them, and to apportion the amount of the insurance money, as he deemed proper where the insurance was declared to be for the benefit of more than one.

3. Any person may insure his life for the whole term thereof, or for any definite period, for the benefit of his wife, or of his wife and children, or of his wife and some or one of his children, or of his children only or of some or one of them, and, where the insurance is effected for the benefit of more than one, he may apportion the amount of the insurance money as he may deem proper.

4. The insurance may be effected either in the name of the person whose life is insured, or in the

name of his wife, or of any other person (with the assent of such other person) as trustee.

5. (1.) In case a policy of insurance effected by a man on his life is expressed upon the face of it to be for the benefit of his wife or of his wife and children or any of them, or in case he has heretofore endorsed, or may hereafter endorse, or by any writing identifying the policy by its number or otherwise, has made or may hereafter make a declaration that the policy is for the benefit of his wife, or of his wife and children or any of them, such policy shall enure, and be deemed a trust for the benefit of his wife for her separate use, and of his children, or any of them, according to the intent so expressed or declared, and so long as any object of the trust remains the money payable under the policy shall not be subject to the control of the husband or his creditors, or form part of his estate when the sum secured by the policy becomes payable; but this shall not be held to interfere with any pledge of the policy to any person prior to such declaration.

(2.) In the case of a policy or written contract of life insurance effected before marriage, a declaration under this section shall be, and shall be deemed to have been, as valid and effectual as if such

policy or contract had been effected after marriage, but nothing herein contained shall affect any action or proceeding now pending. (As amended by 53 Vic., chap. 39, sec. 2).

6.—(1) The insured may by an instrument in writing attached to or endorsed on, or identifying the policy by its number or otherwise, vary a policy, or a declaration, or an apportionment previously made so as to restrict or extend, transfer or limit the benefits to the policy to the wife alone or the children, or to one or more of them, although the policy is expressed or declared to be for the benefit of the wife and children or for the wife alone, or for the child or children alone, or for the benefit of the wife for life, and of the children after her death or for the benefit of the wife, PROVINCE OF ONTARIO.

and in case of her death during the life of the insured, then for the child or children, or any of them, or although a prior declaration was so restricted; and he may also apportion the insurance money among the persons intended to be benefited; and may, from time to time, by an instrument in writing attached to or endorsed on the policy, or referring to the same, alter the apportionment as he deems proper; he may also, by his will, make or alter the apportionment of the insurance money; and an apportionment made by his will shall prevail over any other made before the date of the will, except so far as such other apportionment has been acted on before notice of the apportionment by the will.

(2) This section applies to policies heretofore issued, as well as to future policies. (As amended

by 51 Vic., c. 22, and by 53 Vic., c. 39.)
7,—(1) Where no apportionment is made, all persons entitled to be benefited by the insurance shall be held to share equally in the same; and where it is stated in the policy or declaration that the insurance is for the benefit of the wife and children generally, or of the children generally, without specifying the names of the children, the word "children" shall be held to mean all the children of the insured living at the maturity of the policy, whether by his then or any former wife, and the wife to benefit by the policy shall be the wife living at the maturity thereof:

(2) Any such policy may be surrendered or assigned,
(a) Where the policy is for the benefit of children only, and the children surviving, are all of the full age of twenty-one years, if the person insured and all such surviving children agree to so surrender or assign; or

children living, if the person person insured and his then wife agree to so surrender or assign.

8. Where an apportionment, as in sections 2, 3 and 6 provided for, has been made, if one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may, by an instrument in writing, attached to or endorsed on or otherwise referring to and identifying the policy of insurance, declare that the share formerly apportioned to the person so dying shall be for the benefit of such other person or persons as he may name in that behalf, not being other than the wife and children of the insured or one or more of them; and in default of any such declaration, the share of the person so dying shall be the property of the insured, and may be dealt with and disposed of by him as he may see fit, and shall at his death form part of his estate.

9. Where no apportionment as in sections 2, 3 and 6 provided for has been made, if one or more

of the persons entitled to the benefit of the insurance die in the lifetime of the insured, and no apportionment is subsequently made by the insured, the insurance shall be for the benefit of the survivor, or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured, the policy and the insurance money shall form part of the estate of the insured; or after the death of all the persons entitled to such benefit, the insured may by an instrument executed as aforesaid make a declaration that the policy shall be for the benefit

of his then or future wife or children, or some or one of them.

10. (1.) When the insurance money becomes due and payable, it shall be paid according to the terms of the policy or of any declaration or instrument as aforesaid, as the case may be, free from the

claims of any creditors of the insured, except as herein provided.

(2.) Where the insurance money or part thereof is for the benefit, in whole or in part, of the children of the insured, and the children are mentioned as a class and not by their individual names, the money shall not be payable to the children until reasonable proof is furnished to the company of

number, names and ages of the children entitled.

11. The insured may, by the policy or by his will or by any writing under his hand, appoint a trustee or trustees of the money payable under the policy, and may, from time to time, revoke such appointement in like manner, and appoint a new trustee or new trustees, and make provision for the appointment of a new trustee or new trustees, and for the investment of the moneys payable under

Payment made to such trustee or trustees shall discharge the company.

12. If no trustee is named in the policy, or appointed as mentioned in section 11, to receive the shares to which infants are entitled, their shares may be paid to the executors of the last will and testament of the insured, or to a guardian of the infants duly appointed by one of the Surrogate Courts of this province or by the High Court, or to a trustee, appointed by the last named Court, upon the application of the wife, or of the infants or their guardian; and such payment shall be a

good discharge to the insurance company.

13. Any trustee named as provided for in the last preceding two sections, and any executor or guardian may invest the money received in government securities or municipal debentures or in mortgages of real estate, or in any other manner authorized by the will of the insured, or by section 30 of The Act respecting Trustees and Executors and the Administration of Estates, and may from time to time alter, vary and transpose the investments, and apply all or any part of the annual income arising from the share or presumptive share of each of the children, in or towards his or her maintenance and education, in such manner as the trustee, executor or guardian thinks fit, and may also advance to and for any of the children, notwithstanding his or her minority, the whole or any part of the share of the child of and in the money, for the advancement or preferment in the world, or on the marriage, of such child

14. A guardian appointed under section 12 shall give security to the satisfaction of the court or judge for the faithful performance of his duty as guardian, and for the proper application of the money which he may receive. Where the amount of the insurance money payable to a guardian of infants does not exceed \$400, and probate is sought in respect of a will for the sole purpose of obtaining insurance money to an amount not exceeding \$400, the fees payable on the appointment of such guardian or executor shall be \$4 and no more, and such fees shall be regulated in the manner prescribed by section 69 of The Surroyate Courts Act.

15. (1) If there is no trustee, executor or guardian competent to receive the share of any infant in the insurance money, and the insurance company admit the claim or any part thereof, the company at any time after the expiration of two months from the date of their admission of the claim, or part thereof, may obtain an order from the High Court for the payment of the share of the infant into court; and in such case the cost of the application shall be paid out of the share (unless the court otherwise directs), and the residue shall be paid into court pursuant to the order; and such payment shall be a sufficient discharge to the company for the money paid and the money shall

be dealt with as the Court may direct.

(2.) If the company does not within four months from the time the claim is admitted, either pay the same to some person competent to receive the money under this Act, or pay the same into the High Court, the said Court may upon application made by some one competent to receive the said money, or by some other person, on behalf of the infant, order the insurance money, or any part thereof, to be paid to any trustee, executor or guardian competent to receive the same, or to be paid into court to be dealt with as the court may direct, and any such payment shall be a good discharge to the company.

(3.) The Court may order the costs of the application, and any costs incidental to establishing the authority of the party applying for the order, to be paid out of such moneys, or by the company, or otherwise, as may seem just; and the Court may also order the costs of, and incidental to, obtaining out of court moneys voluntarily paid in by a company, to be paid out of such moneys.

16. If a person who has heretofore effected, or who hereafter effects, an insurance for the purposes contemplated by this Act, whether the purpose appears by the terms of the policy or by endorsement thereon, or by an instrument referring to and identifying the policy, finds himself unable to continue to meet the premiums, he may surrender the policy to the company, and accept in lien thereof a paid up policy for such sum as the premiums paid would represent, payable at death or at the endowment age or otherwise (as the case may be), in the same manner as the money insured by the original policy if not surrendered would have been payable; and the company may accept the surrender and grant the paid up policy, notwithstanding any declaration or direction in favour of the wife and children, or any or either of them.

17. The person insured may from time to time, borrow from the company insuring, or from any other company or person, on the security of the policy, such sums as may be necessary and shall be applied to keep the policy in force, and on such terms and conditions as may be agreed on; and the sums so borrowed, together with such lawful interest thereon as may be agreed, shall so long as the policy remains in force, be a first lien on the policy and on all moneys payable thereunder, notwithstanding any declaration or direction in favour of the wife and children, or any or either

of them.

18. Any person insured under the provisions of this Act, may, in writing, require the insurance company to pay the bonuses or profits accruing under a policy, or portions of the same, to the insured; or to apply the same in reduction of the annual premiums payable by the insured, in such way as he may direct, or to add the said bonuses or profits to the policy; and the company shall pay or apply such bonuses or profits as the insured directs and according to the rates and rules established by the company; provided always, that the company shall not be obliged to pay or apply such bonuses or profits in any other manner than stipulated in the policy or the application therefor. 19. In case of several actions being brought for insurance money, the court is to consolidate or otherwise deal therewith so that there shall be but one action for and in respect of the shares of all the persons entitled under a policy. If an action is brought for the share of one or more infants entitled, all the other infants entitled, or the trustees, executors or guardians entitled to receive payment of the shares of such other infants, shall be made parties to the action, and the rights of all the infants shall be dealt with and determined in one action. The persons entitled to receive the shares of the infants may join with any adult persons claiming shares in the policy. In all actions where several persons are interested in the money, the court or judge shall apportion among the parties entitled any sum directed to be paid, and shall give all necessary directions and relief.

20. The provisions of sections 12, 15 and 19 of this Act shall extend, and are hereby declared to have been intended to extend, and apply to cases where the insured died before the 25th day of

March, 1884, as well as to cases arising subsequent thereto.

21. No declaration or apportionment affecting the insurance money, or any portion thereof, nor any appointment or revocation of a trustee made after the 25th day of March, 1884, shall be of any force or effect as respects the company, until the instrument or a duplicate or copy thereof is deposited with the company. Where a declaration or endorsation has been heretofore made and notice has not been given, the company may, until they receive notice thereof, deal with the insured or his executors, administrators or assigns, in respect of the policy, in the same manner and with the like effect as if the declaration or endorsation had not been made.

PROVINCE OF ONTARIO.

22. If the policy was effected and premiums paid by the insured with intent to defraud his creditors, the creditors shall be entitled to receive out of the sum secured an amount equal to the premiums so paid.

23. Nothing contained in this Act shall be held or construed to restrict or interfere with the right of any person to effect or assign a policy for the benefit of his wife or children or some or one

of them, in any other mode allowed by law.

24. Where all the persons entitled to be benefited, whether by original insurance, by written declaration or instrument of variation or apportionment, under any policy are of full age, they and the person insured may surrender the policy, or assign the same, either absolutely or by way of security, (as amended by 51 Vic., chap. 22, s. 4, and 53 Vic., chap. 39, s. 8.)

25. (1.) Where any policy of insurance or the declaration endorsed upon or attached to or identifying by its number or otherwise any policy of insurance to which this Act applies, whether such declaration has heretofore been or shall hereafter be made, provides that the policy shall be for the benefit of a person, and in the event of the death of such person for the benefit of another person, such first mentioned person shall, if living, be deemed for the purposes of section 24 of this Act, the person entitled to be benefited under such policy.

(2.) This section shall apply to policies heretofore issued, as well as to future policies. (As

amended by 53 Vic., chap. 39, sec. 7.)

Provided that such presentation may be dispensed with on the registry officer receiving from the proper officer of the Dominion of Canada notice that such license or document of authority has in fact issued to the corporation named in the notice and authorizes the transaction of insurance of the

kind and for the term specified in the notice.

(2.) The suspension or cancellation or non-renewal of such document of authority issued under The Insurance Act of Canada, shall in the respective cases operate ipso facto as a suspension or cancellation of registry under this Act, without notice from the registry officer; but registry so suspended may be revived as provided in section 6 of this Act.

21. Upon proof that a corporation has by accident or unavoidable cause been prevented from fully complying with the provisions of this Act within the time herein prescribed, and upon payment of the fee hereinafter enacted, the registry officer may by writing, under his hand and the seal of his office, grant for a time limited therein an interim certificate of registry, or may by such writing extend for a limited time the duration of a subsisting certificate of registry; but in default in either case of renewal of registry before the expiry of the time so limited the corporation shall be deemed to be unregistered.

different name except upon proof that such new or different name is authorized by law.

25.-(1.) Upon proof that any registry or certificate of registry has been obtained by fraud or mistake, or that a corporation exists for an illegal purpose, or has, in terms of section 44, made default of payment, or has wilfully, and after notice from the Registrar, contravened any of the provisions of this Act, or has ceased to exist, the registry of the corporation may be suspended or cancelled by the Registrar; but such suspension or cancellation shall be appealable as hereinafter provided.

(2.) On the suspension or cancellation of the registry of any corporation, except as herein otherwise enacted, the registry officer shall, by registered post or otherwise, cause notice thereof in writing under his hand to be delivered to the head office or chief agency of the corporation in Ontario; and from the date of such delivery the corporation shall be deemed to be unregistered, but, in the case of suspension of registry, only whilst such suspension lasts; and from and after such delivery the corporation shall withdraw every offer to undertake contracts, and shall absolutely cease to undertake contracts, but without prejudice to any liability actually incurred by such corporation which may be enforced against the same as if such suspension or cancellation had not taken place.

26.—(1.) The registry officer shall cause to be published in the Ontario Gazette, in February and

July of each year, respectively, a list of the corporations which stand registered at the date of the list; also, if, in the interval between two such lists of registered corporations, a new corporation is registered, or the registry of any corporation is suspended or cancelled, or if a suspended registry is

revived, he shall cause notice thereof to be published in the Ontario Gazette.

(2) A list or notice published in the Ontario Gazette over the name of the registry officer shall, without further proof, be received in any court and before all justices of the peace and others as

prima facie evidence of the facts set forth in such published list or notice.

(3) All copies of returns, reports or other official publications of the registry officer purporting to be printed by the Printer to the Crown, or the Printer to the Legislative Assembly, or to be printed by order of the Legislative Assembly, shall, without further proof, be admitted as evidence of such publication and printing and as true copies of the original documents so printed and published.

(4) The seal or signature of the registry officer shall be admissible in evidence without proof of

its authenticity or of the official character of the person signing.

(5) A certificate under the hand of the registry officer and the seal of his office, that on a stated day the corporation or person mentioned therein stood registered or did not stand registered within the meaning of this Act, or that the registry of any corporation or person was originally granted, or was renewed, or was suspended, or was revived, or was revoked, or was cancelled on a stated day, shall be prima facie evidence in any court or elsewhere of the facts alleged in the certificate.

(6) Every certificate of registry granted under this Act shall specify the first day, and also the

last day, of the term for which the corporation or person is registered; and the corporation or per-

son so registered shall be deemed to be registered from the commencement of the first day to the end of the last day so specified.

(7) Copies of or extracts from any book, record, instrument or document in the office of the registry officer certified by him to be true copies or extracts and sealed with the seal of his office, shall be prima facie evidence of the same legal effect as the original in any court or elsewhere.

27.-(1) After the 31st day of December, 1892, no person or persons, or body corporate or unincorporated, other than a corporation standing registered under this Act and persons duly authorized by such registered corporation to act in its behalf, shall undertake or effect, or offer to

undertake or effect, any contract of insurance.

(2) If any promoter, organizer, office-bearer, manager, director, officer, collector, agent, employee, or person whatsoever, other than as enacted in the next preceding sub-section, undertakes or effects, or agrees or offers to undertake or effect any contract of insurance, he shall be guilty of an offence, and upon summary conviction thereof before any police magistrate or justice of the peace having jurisdiction where the offence was committed, shall be liable to a penalty not exceeding \$200 and costs, and not less than \$20 and costs; and in default of payment the offender shall be imprisoned with or without hard labour for a term not exceeding three months and not less than one month; and on a second or any subsequent conviction he shall be imprisoned with hard labour for a term not exceeding twelve months and not less than three months.

"Provided also that nothing in sub-sections 1, 2 and 3 of this section contained shall be deemed to impair the effect of the provisions contained in sections 114 to 118 inclusive of The Ontario Insurance Act, or the effect of the provisions contained in section 56 of an Act passed in the fifty-second year of Her Majesty and chaptered 33."

(2) No contract of Insurance made or renewed after the commencement of this Act shall contain, or have endorsed upon it, or be made subject to any term, condition, stipulation, warranty or proviso, providing that such contract shall be avoided by reason of any statement in the application therefor, or inducing the entering into of the contract by the corporation, unless such term, condition, stipulation, warranty or proviso is limited to cases in which such statement is material to the contract, and no contract within the intent of section 2 of this Act shall be avoided by reason of the inaccuracy of any such statement unless it be material to the contract.

sufficient to make an appraisement or particular estimate of the loss or damage:

Provided that at any time after the loss or damage the insurer and the assured may under a term of the contract of insurance or by special agreement, make a joint survey, examination. estimate, or appraisement of the loss or damage, in which case the insurer shall be deemed to have waived all right to make a separate survey, examination, estimate, or appraisement thereof.

- 34—(1) Where the age of a person is material to any contract within the intent of section 2, and such age is given erroneously in any statement or warranty made for purposes of the contract, such contract shall not be avoided by reason only of the age being other than as stated or warranted, if it shall appear that such statement or warranty was made in good faith and without any intention to deceive; but the person entitled to recover on such contract shall not be entitled to recover more than an amount which bears the same ratio to the sum that such person would otherwise be entitled to recover as the premium proper to the stated age of such person bears to the premium proper to the actual age of such person, -the said stated age and the actual age being both taken as at the date of the contract.
- "Provided that in no case shall the amount receivable exceed the amount stated or indicated in the contract.'
- (2) For purposes of the next preceding sub-section the word "premium" shall mean the net annual premium as shewn in the HM. Table of the Institute of Actuaries of Great Britain, the rate of interest being taken 4½ per cent per annum.

be wholly disregarded in the computation.

(4) When, by the terms and for the purposes of the contract, the age of the person in respect of whose age the contract is made is taken to be greater than the actual age of such person, the number of years added to such age shall, for purposes of the calculation provided for by this section, be added to the true age of such person.

"(5) Where any error is discovered in respect of any contract of life insurance, or of the premium or premiums paid or to be paid upon such contract, nothing herein contained shall be construed in any way to prevent at any time before the maturity of the contract an adjustment between the insurer and the assured of the amount or amounts payable in respect of any insurance effected,

or of the premium or premiums paid or to be paid."

35.—(1) In this section the word "life" includes accident, sickness, infirmity, casualty and disability; and the expression "life insurance" includes any contract of insurance having for its

the person effecting the insurance has a pecuniary interest in the life of the assured."

(4) Where the age of the assured is, at the date of such contract, less than ten years, and the insuring corporation has knowingly, or without sufficient inquiry entered into any contract prohibited by the next preceding sub-section, the premiums paid thereunder shall be recoverable from the corporation by the person or persons paying the same, together with legal interest thereon.

(5) Every corporation undertaking or effecting insurances on the lives of children under ten years of age shall print sub-sections 1, 2, 3, 4 and 5 of this section in conspicuous type upon every circular soliciting, and upon every application for, and every instrument of contract of, such insurance and any contravention of this sub-section shall be punishable as for an offence against section 27, all the provisions of which section shall equally apply to an offence committed against this sub-section.

6) In respect of insurances heretofore or hereafter effected on the lives of persons under twentyone years of age, where such insurance has been effected by a parent upon the life of his child, such insurance shall not be deemed to be invalid by reason only of the parent's want of pecuniary interest

in the life of the child.

(13) Any person who contravenes any of the provisions of this section shall be guilty of an offence and, upon summary conviction thereof before any police magistrate or justice of the peace having jurisdiction where the offence was committed, shall be liable as for an offence committed against section 27 of this Act, and all the provisions of the said 27th section shall equally apply in the case of an offence committed against this section.

Provided, that when, by virtue of reciprocal legislation, any other Legislature in Canada accepts as valid within its jurisdiction the insurance agents' licenses of Ontario, the registry officer shall have authority to indorse as valid for Ontario the like licenses of such Legislature.

(14) This section shall take effect as to sub-sections 1, 2 and 3 on and from the passing thereof;

- and as to sub-sections 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13 on and from the 1st day of January, 1893.

  41. ## Province of Quebec.

## CIVIL CODE OF LOWER CANADA.—TITLE FIFTH.

Of Insurance.—Chapter First.

GENERAL PROVISIONS.

#### SECTION L.

2468. Insurance is a contract whereby one party, called the insurer or underwriter, undertakes, for a valuable consideration, to indemnify the other, called the insured, or his representatives, against loss or liability from certain risks or perils to which the object of the insurance may be exposed, or from the happening of a certain event.

2469. The consideration or price which the insured obliges himself to pay for the insurance is called the premium. It does not belong to the insurer until the risk begins, whether he has received

it or not.

2470. Marine insurance is always a commercial contract; other insurances are not by their nature commercial, but they are so when made for a premium by persons carrying on the business of of insurers; subject to the exception contained in the next following article.

2471. Mutual insurance is not commercial. It is governed by special statutes, and by the general rules contained in this title, in so far as they are applicable and not inconsistent with such statutes

2472. All persons capable of contracting may insure objects in which they have an interest, and which are subject to risk.

2473. Incorporeal things, as well as corporeal, and also human life and health, may be the object

of insurance.

2474. A person has an insurable interest in the object insured whenever he may suffer direct and immediate loss by the destruction or injury of it.

2475. The interest insured must exist at the time of the loss unless the policy contains the stipulation of lost or not lost.

This rule is subject to certain exceptions in life insurance.

2476. Insurance may be made against all losses by inevitable accident, or irresistable force, or by events over which the insured has no control; subject to the general rules relating to illegal and immoral contracts.

2477. The insurer may effect a re-insurance, and the insured may insure the solvency of the

first insurer.

2478. In case of loss the insured must, with reasonable diligence, give notice thereof to the insurer; and he must conform to such special requirements as may be contained in the policy with respect to notice and preliminary proof of his claim unless they are waived by the insurer.

If it be impossible for the insured to give notice or to make the preliminary proof, within the delay specified in the policy, he is entitled to a reasonable extension of time.

2479. Insurance is divided with respect to its objects and the nature of the risks, into three principal kinds:-

1. Marine insurance;

2. Fire insurance:

3. Life insurance.

2480. The contract of insurance is usually witnessed by an instrument called a policy of

The policy either declares the value of the thing insured and is then called a valued policy, or it contains no declaration of value, and is then called an open policy.

Wager or gaining policies, in the object of which the insured has no insurable interest, are

2481. The acceptance of an application for insurance constitutes a valid agreement to insure, unless the insurer is required by law to contract in another form exclusively.

2482. Policies of insurance may be transferred by indorsement and delivery, or by delivery alone, subject to the conditions contained in them. But marine policies and fire policies can be transferred only to persons having an insurable interest in the object of the policy.

2483. In the absence of consent or privity on the part of the insurer, the simple transfer of the

thing insured does not transfer the policy.

The insurance is thereby terminated, subject to the provisions contained in article 2576.

2484. The announcements and clauses which are essential or usual in policies of insurance, are declared in articles hereinafter contained relating respectively to the different kinds of insurance.

#### SECTION II.

2485. The insured is obliged to represent the insurer fully and fairly every fact which shows the nature and extent of the risk, and which may prevent the undertaking of it, or effect the rate of premium.

lxiv PROVINCE OF QUEBEC.

2486. The insured is not obliged to represent facts known to the insurer, or which from their public character and notoriety he is presumed to know; nor is he obliged to declare facts covered by

warranty express or implied, except in answer to inquiries made by the insurer.

2487. Misrepresentation or concealment either by error or design, of a fact of a nature to diminish the appreciation of the risk or change the object of it, is a cause of nullity. The contract may in such case be annulled although the loss has not in any degree arisen from the fact misrepresented or concealed.

2488. Fraudulent misrepresentation or concealment on the part either of the insurer or of the

insured is in all cases a cause of nullity of the contract in favor of the innocent party.

2489. The obligation of the insured with respect to representation is satisfied when the fact is substantially as represented and there is no material concealment.

#### SECTION III.

2490. Warranties and conditions are a part of the contract and must be true if affirmative, and if promissory must be complied with; otherwise the contract may be annulled, notwithstanding the good faith of the insured. They are either express or implied.

2491. An express warranty is a stipulation or condition expressed in the policy, or so referred to in it as to make part of the policy. Implied warranties will be designated in the following chapters relating to different kinds of insurance:

### CHAPTER II. OF MARINE INSURANCE.

#### SECTION I.

2492. The policy of marine insurance contains:

The name of the insured or of his agent;

A description of the object insured, of the voyage, of the commencement and termination of the risk, and of the perils insured against;

The name of the ship and master, except when the insurance is on a ship or ships generally;

The premium;

The amount insured;

The subscription of the insurer, with its date.

It also contains such other clauses and announcements as the parties may agree upon.

2493. Insurance may be made on ships, on goods, on freight, on bottomry and respondentia loans, on profits and commissions, on premiums of insurance, and on all other things appreciable in money and exposed to the risks of navigation, with the exception of seamen's wages, upon which insurance cannot be legally made, and subject to the general rules relating to unlawful and immoral contracts.

2494. Insurance may be made for any kind of voyage or transport by sea, river or canal navigation, and either for the whole voyage or for a limited time.

2495. The risk of loss or damage of the thing insured by perils of the sea is essential to the con-

tract of marine insurance.

The risks usually specified in the policy are tempest and shipwreck, stranding, collision, unavoidable change of the ship's course, or of her voyage, or of the ship itself, fire, jettison, plunder, piracy, capture, reprisal and other casualties of war, detention by order of a sovereign power, barratry of the master and mariners, and generally all other perils and chances of navigation by which loss or damage may arise. The parties may limit or extend the risks by special agreement.

2496. If the time of the commencement and termination of the risk be not specified in the policy,

it is regulated according to article 2598.

2497. Marine policies in cases of doubtful meaning are construed by the established and known usage of the trade to which the policy relates; such usage is held to be a part of the policy when it

is not otherwise expressly provided.

2498. An insurance made after the loss or the arrival of the object of it, is null, if at the time of insuring, the insured had a knowledge of the loss, or the insurer of the arrival. Such knowledge is presumed where information might have been received in the usual course and at the usual rate of transmission.

2499. The principal obligations of the insured relate:

To the premium;

To representation, and concealment;

To warranties and conditions;

To abandonment, which is treated in the fifth section.

2500. The insured is obliged to pay the amount or rate of premium agreed upon, according to the terns of the contract.

If the time of payment be not specified, it is payable without delay.

2501. In the following cases the premium is not due, and if it have been paid it may be recovered

back, the contract being void.

1. When the risk insured against does not occur, either by reason of the entire breaking up of the voyage before the departure of the ship, or for other causes, even those arising without fraud from the act of the insured;

2. When there is a want of insurable interest, or any other course of nullity, without fraud on

the part of the insured.

The insurer in these cases is entitled to one half per cent on the sum insured, for his indemnification, unless the policy is illegal, or rendered well by fraud, misrepresentation or concealment on his

If the policy be illegal there is no right of action for the premium, and none to recover it back if

it have been paid.

2502. The preceding article applies when the risk occurs for part only of the value insured for the non-payment or return of a proportional part of the premium, according to circumstances and the discretion of the court.

2503. The rules concerning representation, and the effect of misrepresentation or concealment are

declared in chapter one, section two.

2504. The general rules relating to warranties are contained in chapter one, section three.

2505. It is an implied warranty in every contract of marine insurance that the ship shall be seaworthy at the time of sailing. She is sea-worthy when she is in a fit state, as to repairs, equipments, crew, and in all other respects, to undertake the voyage.

2506. In insurance for a ship-owner it is an implied unwarranty that the ship shall be properly documented and conducted according to the laws and treaties of the country to which she belongs,

and to the law of nations.

#### SECTION III.

2507. The principal obligation of the insurer is to pay to the insured all losses suffered by him by reason of any of the risks insured against, according to the terms of the contract. His liability is subject to the rules contained in the foregoing section and to the rules and conditions hereinafter declared.

2508. The insurer is not liable for losses suffered after a deviation or change of the risk made without his consent, by changing, contrary to the established usage, the ship's course or the voyage, or the ship itself, by the order of the insured, unless the deviation or change is of necessity, or for the purpose of saving human life. The insurer is nevertheless entitled to the premium if the risk has commenced.

2509. The insurer is not liable for loss or damage arising from intrinsic defect in the thing, or

caused by the culpable act or gross negligence of the insured.

2510. The insurer is not liable for loss by barratry of the master or mariners unless there is an agreement to the contrary.

2511. Barratry is any act of wilful misconduct by the master or mariners whereby loss is caused to the owners or freighters.

2512. The insurer is not liable for the ordinary charges known as petty averages, such as pilotage,

towage, tounage, anchorage, clearance, or duties imposed upon the ship or cargo.

2513. The limitation of the insurer's liability, for particular average under a certain amount and

for the loss or damage of certain articles enumerated in the common memorandum of warranty to be free from average, is regulated by the terms of such memorandum contained in the policy. If there be no memorandum of warranty, the general rules declared in this title apply.

2514. A contract of insurance made fraudulently on the part of the insured for a sum exceeding the value of the object of it, may be anulled by the insurer who in such case is entitled to one half

per cent upon the amount insured.

2515. If in the case specified in the last preceding article there be no fraud, the contract is valid

to the amount of the value of the object insured.

The insurer is not entitled to the full premium upon the amount insured in excess of the value,

but to one-half per cent only.

2516. If there be several contracts of insurance effected without fraud upon the same object, and against the same risks and the first contract insures the full value of the object, it alone can be enforced. The subsequent insurers are free from liability and are bound to return the premium, reserving a half per cent.

Subject nevertheless to such special agreements and conditions as may be continued in the poli-

2517. When in the case specified in the last preceding article the total value of the object is not insured by the first contract, the subsequent insurers are liable for the surplus according to the date of their respective contracts; subject to the same restriction.

2518. If the subsequent insurance be fraudulent on the part of the insured, he is obliged to pay

the whole premium on such insurance, but is not entitled to recover anything upon it.

2519. When there is a partial loss of an object insured by several insurances to an amount not exceeding its full value, the insurers are liable for it, rateably in proportion to the sums for which

they have respectively insured.

2520. When the insurance is made separately upon goods to be laden in different ships, if all the goods be placed in one of the ships or in any number of them less than the whole, the insurer is liable only for the sum insured on the goods, which under the contract were to be placed in such ship or ships, although all the ships specified in the contract be lost. He is entitled nevertheless to onehalf per cent of premium upon the remainder of the total amount insured.

#### SECTION IV.

2521. Loss for which the insurer is liable is either total or partial.

2522. Total loss may be either absolute or constructive. It is absolute when the thing insured is wholly destroyed or lost. It is constructive when by reason of any event insured against, the thing though not wholly destroyed or lost becomes of little or no value to the insured, or the voyage and adventure are lost or rendered not worth pursuing.

Before the insured can claim for a constructive total loss he must make an abondonment as

declared in the following section.

2523. All losses not included within the meaning of the last preceding article are partial losses. 2524. When a loss by collision occurs by a fortuitous event without either party being in fault, it falls upon the injured ship without recourse against the other, and is a loss by the perils of the sea for which the insurer is liable under the general terms of the policy.

2525. When the collision is caused by the fault of the master or mariners of one of the ships, the party in fault is liable to the other, and if the insured ship be the one injured by the fault of the master or mariners of the other, the insurer is liable under the general clause, but if the injury be caused by the fault of the master or mariners of the insured ship, the insurer is not liable. If the fault amounts to barratry it is subject, in so far as the insurer is concerned, to the provision contained in article 2510.

2526. If the cause of the collision be unknown or it be impossible to determine by whose fault it was caused, the damages are borne in equal portions by both ships; the insurer is liable in such cause

under the general clause.

2527. Extraordinary expenses necessarily incurred for the sole benefit of some particular interest as for the ship alone or for the cargo alone, and damages sustained by the ship alone or the cargo alone, and not voluntarily suffered for the common safety, are particular average losses for which the insurer is liable to the insured under the general terms of the policy, when these losses are caused by the perils of the sea.

2528. Loss by salvage is a loss by the perils of the sea for which the insurer is liable under the general terms of the policy. Special rules relating to salvage are contained in the Merchant Shipping Act, 1854.

2529. The rules concerning loss by average contribution are contained in the sixth section of this

chapter.

2530. When in the course of the voyage the ship becomes disabled from completing it, the master is bound to procure another vessel for conveying the cargo to the place of destination, if it can be done with advantage to the parties interested; and in such case the liability of the insurer continues after the cargo is transhipped for that purpose.

2531. The insurer is also liable in the case provided in the last preceding article for damages, expenses of discharging, storage, reshipment, supplies, freight and all other costs not exceeding the

amount insured.

2532. If in the case provided in article 2530 the master be unable to procure another vessel within a reasonable time for conveying the cargo to its destination, the insured may make an abandonment of it.

2533. In insurance by an open policy the value of the ship is held to be that which she bears at the port where the voyage begins, including whatever adds to her permanent value or is necessary to prepare her for the voyage, and also the costs of insurance.

2534. The value of the goods insured by open policy is established by the invoice, or if that cannot be done is estimated according to their market price at the time of landing; all charges and expenses incurred up to that time, together with the premium of insurance, are included.

2535. The amount for which the insurer is liable on a partial loss is ascertained by comparing the gross produce of the damaged sales with the gross produce of the sound sales, and applying the percentage of difference to the value of the goods as specified in the policy, or established in the manner provided by the last preceding article.

2536. The insured is bound when he makes claim for any loss, to declare, if thereunto required; all other insurances effected by him on the thing insured and also the loans taken by him on bottomry

and respondentia.

He cannot claim payment for the loss until such declaration is made, when so required, and if

the declaration be false and fraudulent he loses his right to recover.

The insured is bound to do in good faith all in his power between the time of loss and the abandonment to save the effects insured. His acts and those of his agents done for that purpose are for the benefit of the insurer and at his expense and risk.

#### SECTION V.

2538. The insured may make an abandonment to the insurer of the thing insured in all cases of its constructive loss, and may thereupon recover as for a total loss. Without abandonment he is entitled in such cases to recover as for a partial loss only

It extends, however, only to the 2539. An abandonment cannot be partial or conditional.

Property actually at risk at the time of the loss.

2540. If different things or classes of things be insured by the same policy and separately valued, the right to abandon may exist in respect to a part separately valued, as well as in respect to all.

PROVINCE OF QUEBEC. lxvii

2541. The abandonment must be made within a reasonable time after the insured has received

intelligence of the loss.

If from the uncertainty of the intelligence or the nature of the loss further inquiry and investigation be required to enable the insured to determine whether he will abandon or not, reasonable delay for that purpose is allowed according to circumstances.

2542. If the insured fail to abandon within a reasonable time, as provided in the last preceding

article, he is held to have waived the right to do so and can only recover as for a partial loss.

2543. The abandonment is made by a notice given by the insured to the insurer of the loss, and that he abandons to the latter all his interest in the thing insured.

2544. The notice of abandonment must be explicit and must contain a statement of the grounds

of abandonment. These grounds must exist and be sufficient at the time of the notice. 2545. Abandonment on the ground of the ship being disabled by stranding cannot be made if she

can be raised and put in a condition to continue her voyage to the place of destination. In such case the insured has his resource against the insurer for the expense and loss occasioned

by the stranding.

2546. If a ship has not been heard of within a reasonable time after sailing, or after the reception of the last intelligence of her, she is presumed to have foundered at sea, and the insured may make an abandonment and recover for a constructive total loss. The time necessary for raising such presumption is determined by the court according to the circumstances of the case.

2547. Abandonment made and accepted is equivalent to transfer, and the thing abandoned with

the rights pertaining to it becomes from the time of abandonment the property of the insurer.

The acceptance may be either express or implied.

2548. [On an accepted abandonment of the ship, the freight earned after the loss belongs to the insurer of the ship; that earned previously to the loss belongs to the ship-owner or to the insurer on freight to whom it is abandoned.]

2549. Abandonment made upon sufficient ground and accepted, is binding on both parties. It

cannot be defeated by any subsequent event, or revoked otherwise than by mutual consent.

2550. If the insurer refuse to accept a valid abandonment, he is liable as for an absolute total loss, deducting from the amount any proceeds of the thing abandoned which have been applied to the benefit of the insured.

#### SECTION VI.

2551. In the absence of special agreement between the parties, average contributions are regulated by the following articles of this section, and, when these do not apply, by the usage of trade.

The insurer is bound to reimburse the insured the amount of his contribution not exceeding the

sum insured.

2552. Contribution by the ship and freight and by the goods whether saved or lost, rateably and according to their respective values, is made for damages voluntarily sustained and extraordinary expenses incurred, for the common safety of the ship and cargo.

These are called general or gross average losses, and are as follows:--

1. Money or other things given as a compensation to pirates to ransom the ship and cargo, or as salvage to recaptors;
2. Loss by jettison;

3. Masts, cables, anchors, or other furniture of the ship, cut away, destroyed or abandoned;

4. Damages caused by jettison to the goods which remain in the ship or to the ship itself;5. The wages and maintenance of seamen, during the detention of the ship in the course of her voyage, by a sovereign power, and during the necessary repairs of injuries of a nature to give rise to average contribution;

6. The expense of unlading, to lighten the ship and enable her to enter a port of refuge or

river, when she is compelled to do so by storm or by the pursuit of an enemy;

7. Loss and expenses arising from the voluntary stranding of the ship for the purpose of escaping

And in general all damages voluntarily suffered and extraordinary expenses incurred for the common safety of the ship and cargo, from the time of loading and departure of the ship to the time of her arrival and discharge at the port of destination.

2553. Jettison gives rise to contribution only when it is made in imminent peril and is necessary

for the preservation of the ship and cargo.

It may be of the cargo, or of the provisions, tackle or furniture of the ship.

2554. Jettison must be first made of things the least necessary, the most weighty and of the least value

2555. The ship's warlike stores and provisions, and the clothes of the crew, do not contribute, but the value of those lost by jettison is paid by contribution upon other effects generally.

The baggage of passengers does not contribute. If lost it is paid by contribution in which it

shares. 2556. Goods for which there is no bill of lading or acknowledgment by the master, or which are put on board contrary to the charter-party, are not paid for by contribution if lost by jettison. They contribute if saved.

2557. Goods carried on deck, which are lost or damaged by jettison, are not paid for by contribution, unless they were so carried in conformity with an established usage and course of trade. They contribute if saved.

lxviii PROVINCE OF QUEBEC.

lxix

2558. In cases of average contribution the ship and freight are estimated at their value at the port of discharge.

The goods lost as well as those saved are estimated in like manner, deducting freight, duties and

other charges.

2559. Notwithstanding the rule of valuation contained in the last preceding article, the amount which the insurer is liable to reimburse to the insured for his contribution is regulated by the value which the ship or goods bear according to articles 2533 and 2534, or by the sum specified in the valued policy and not by their contribution value.

2560. No contribution is made for particular average losses. They are borne by the owner of the thing which has suffered the damage or occasioned the expense; saving his recourse against the

insurer as declared in article 2527.

2561. If the ship be not saved by the jettison, no contribution takes place, and the goods saved are not held to contribute for those lost or damaged thereby.

2562. If the ship be saved by the jettison and continue her voyage, but be afterwards lost, the

goods saved are subject to contribution at their actual value, deducting the costs of salvage.

2563. The goods jettisoned do not in any case contribute to the payment of losses happening afterwards to the goods saved. The cargo does not contribute to the payment of the ship when lost

or rendered unfit for navigation.

2564. In case of the loss of goods put into lighters to enable the ship to enter into a port or river, the ship and her whole cargo are subject to contribution, but if the ship be lost with the goods remaining on board, the goods in the lighters are not subject to contribution, although they arrive safely in port.

2565. It is the duty of the master on his arrival at the first port to make his declaration and protests in the customary form, and also together with some of his crew to make oath that the loss or expense sustained was for the safety of the ship and crew. The neglect to do so does not, however,

affect the rights of the parties interested.

2566. The owner and masters have a privilege and right of retention upon the goods on board

the ship or their price for the amount of contribution for which these are liable.

2567. If after the contribution the goods jettisoned be recovered by the owner, he is bound to repay to the master and other interested parties, the amount of the contribution received by him, deducting therefrom the amount of damage suffered by the goods and the costs of salvage.

#### CHAPTER THIRD.

#### Of Fire Insurance.

2568. Insurance against loss by fire is regulated by the provisions contained in the first chapter of this title, and is subject also to the rules contained in the second chapter, when these can be made to apply and are not inconsistent with the articles contained in this chapter.

2569. A fire policy contains the name of the party in whose favour it is made;

A description or sufficient designation of the object of the insurance and of the nature of the interest of the insured; a declaration of the amount covered by the insurance, of the amount or rate of the premium, and of the nature, commencement and duration of the risk;

The subscription of the insurer with its date;

Such other announcements and conditions as the parties may lawfully agree upon.

2570. Representations not contained in the policy or made a part of it, are not admitted to

control its construction or effect.

2571. The interest of an insurer against loss by fire may be that of an owner, or of a creditor, or any other interest appreciable in money in the thing insured; but the nature of the interest must be specified.

2572. It is an implied warranty on the part of the insured that his description of the object of the insurance shall be such as to shew truly under what class of risks it falls according to the pro-

posals and conditions of the policy.

2573. An insurance upon effects indeterminately as being in a certain place is not limited to the particular effects which are there at the time of insuring, but attaches to all those falling within the description contained in the policy which are in the place at the time of the loss; unless a different intention is indicated in the policy.

2574. Any alteration in the use or condition of the thing insured from those to which it is limited by the policy, made without the consent of the insurer, by means within the control of the

insured and which increases the risk, is a cause of nullity of the policy

If the alteration do not increase the risk, the policy is not affected by it. 2575. The sum insured does not constitute any proof of the value of the object of the insurance; such value must be established in the manner required by the conditions of the policy and the general rules of proof, unless there is a special valuation in the policy.

2576. The insurance is rendered void by the transfer of interest in the object of it from the

insured to a third person, unless such transer is with the consent or privity of the insurer.

The insured has in all cases a right to assign the policy with the thing insured, subject to the conditions therein contained (as amended by article 6271, R. S., Quebec, 1888).

2577. A transfer of interest by one to another of several partners or owners of undivided

property who are jointly insured, does not avoid the policy.
PROVINCE OF QUEBEC.

2578. The insurer is liable for losses caused by the insured otherwise than by fraud or gross negligence.
2579. The insurer is also liable for losses caused by the fault of the servants of the insured com-

2580. The insurer is liable for all losses which are the immediate consequence of fire or burning from whatever cause it may arise, including damage to the things insured suffered in their removal or by the means used for extinguishing the fire; subject to the special exceptions contained in the

Ž581. The insurer is not liable for losses caused merely by excessive heat in a furnace, stove or other usual means of communicating warmth when there is no actual burning or ignition of the thing

insured.

2582. In case of loss by fire the insurer is liable for the whole amount of the loss not exceeding

the sum insured, without deduction or average.

2683. When by the terms of the policy a delay is given for the payment of the renewed premium, the insurance continues, and if a loss occur within the delay, the insurer is liable, deducting the amount of the premium due.

2584. The insurer on paying the loss is entitled to a transfer of the rights of the insured against the persons by whose fault the fire or loss was caused.

#### CHAPTER FOURTH.

## Of Life Insurance.

2585. Life insurance is regulated by the provisions contained in the first chapter of this title, and is subject also to the rules contained in the second chapter when these can be made to apply and are not inconsistent with the articles contained in this chapter.

Articles 2570 and 2583 apply to contracts of life insurance. 2586. Life insurance is subject also to the rules contained in articles 1902, 1903, 1904, 1905, 1906, relating to the persons upon whose life it may be effected.

The articles above referred to are as follows:-

1902. The rent may be upon the life of the person who constitutes it, or who receives it, or upon the life of a third person who has no right to the enjoyment of it.

1903. It may be constituted upon one life or upon several lives. But if it be for more than ninety-nine years or three successive lives, and affect real estate, it becomes extinct thereafter as provided in article 390.

Article 390 is as follows :-

It is nevertheless competent for the parties to stipulate, in the title creating these rents, that they shall only be redeemed at a certain time agreed upon, which cannot exceed thirty years; every stipulation extending this term being null with regard to the excess.]

1904. It may be constituted for the benefit of a person other than the one who gives the con-

sideration.

1905. A life-rent constituted upon the life of a person who is dead at the time of the contract

produces no effect, and the consideration paid for it may be recovered back.

1906. [The rule declared in the last preceding article applies equally when the person upon whose life the rent is constituted is, without the knowledge of the parties, dangerously ill of a malady of which he dies within twenty days after the date of the contract.]

2587. A life policy contains:—The name or sufficient designation of the party in whose favour

it is made, and of the person whose life is insured;

A declaration of the amount of the insurance, of the amount or rate of premium, and of the commencement and duration of the risk;

The subscription of the insurer, with its date;

Such other announcements and conditions as the parties may lawfully agree upon.

2588. The declaration in the policy of the age and condition of health of the person upon whose life the insurance is made, constitutes a warranty upon the correctness of which the contract depends.

Nevertheless in the absence of fraud the warranty that the person is in good health is to be con-

strued liberally and not as meaning that he is free from all infirmity or disorder.

2589. In life insurance the sum insured may be made payable upon the death of the person upon whose life it is effected, or upon his surviving a specified period, or periodically so long as he shall live, or otherwise contingent upon the continuance or determination of life.

2590. The insured must have an insurable interest in the life upon which the insurance is effected.

He has an insurable interest in the life:

Of himself;

2. Of any person upon whom he depends wholly or in part for support or education;

3. Of any person under legal obligation to him for the payment of money, or respecting property or services which death or illness might defeat or prevent the performance of;

4. Of any person upon whose life any estate or interest vested in the insured depends.

2591. A policy of insurance on life or health may pass by transfer, will, or succession, to any person, whether he has an insurable interest or not in the life of the person insured.

2592. The measure of the interest insured is the sum fixed in the policy, except in cases of insurance by creditors or in other like cases in which the interest is susceptible of exact pecuniary measurement.

In these cases the sum fixed is reduced to the actual interest.

2593. Insurance effected by a person on his own life is void if he die by the hands of justice, by duelling, or by suicide.

2. All actions for the recovery of such taxes shall be brought in the judicial district in which they are payable, either before the Circuit Court or the Superior Court, according to the competence of the Court with reference to the amount claimed.

3. Costs shall not be adjudged against the collector of provincial revenue in any action instituted by him under this section; but, on the recommendation of the Court, the Provincial Treasurer may, in his discretion, pay to the commercial corporation, in favour of which judgment has been rendered, the costs to which he may deem it equitably entitled.

#### TITLE XI.—CHAPTER III.—SECTION XIX.

Payment of Dividends by Certain Insurance Companies.

5376. If the managers, directors or trustees of any fire, life, marine or other insurance company, incorporated by the Legislature of Canada, or of this province, knowingly and wilfully declare and pay any dividend or bonus out of the paid-up capital of the company, when the company is insolvent, or which would render it insolvent, or which would diminish the amount of its capital stock, such managers, directors or trustees, who are present when such dividend or bonus is declared and which is afterwards paid, shall be jointly and severally liable for all the debts of the company then existing, and for all thereafter contracted while such managers, directors or trustees respectively continue in office; but if any of them object to the declaration of such dividend or bonus, or to the payment of the same, and at any time before the time fixed for the payment thereof, file a written statement of such objection in the office of the company, and also in the registry office of the division or county where the company is situate, such managers, directors or trustees shall be exempt from such liability. C.S.C., c. 69, s. 1.

# REVISED STATUTES OF QUEBEC, 1888.

TITLE XII.—PART I.—CHAPTER I.—Section IX.

Of marriage covenants and of the effect of marriage upon the property of the consorts. (Article 1265.)

# Life Insurance by Husbands and Parents.

5580. Nothing contained in this section shall be held or construed to restrict or interfere with any right otherwise allowed by law to any person to effect or transfer a policy for the benefit of a wife or children, nor shall it apply to insurance made in favour of or transferred to any wife under her marriage contract.

5581. It is lawful for any husband:

(a) To insure his life; or
(b) To appropriate any policy of insurance held by himself on his life: for the benefit of his wife; or for the benefit of his wife and their children generally; or for the benefit of his wife and his, her and their children generally; or for the benefit of his wife and his or her children generally; or for the benefit of his wife and one or more of his, her or their children;

2. And for any father or any mother:

(a) To insure his or her life; or
(b) To appropriate any policy of insurance held by himself on his life, or by herself on her life, for the benefit of his or of her children, or of one or more of them.

5582. The insurance mentioned in the preceding article may be effected either for the whole term of the life of the person whose life is insured, or for any definite period; and the sum insured may be made payable upon the death of such person or upon his or her surviving a specified period not less

than ten years.

5583. The premium for such insurance may be payable during the whole life of the person whose life is insured, or during any period, not less than ten years; and the same may be paid by yearly,

half yearly, quarterly or monthly payments.

5584. The appropriation of the policy mentioned in article 5581 is made by a declaration in writing endorsed upon, or referring and attached to the policy appropriated.

A duplicate of the declaration must be filed with the company which issued the policy, and a note of the filing of such duplicate must be endorsed by the company on the policy or on the declar-

5585. Such insurance may be effected and such declaration of appropriation may be made by a

married woman without the authorization of her husband.

5586. When the insurance is effected or the appropriation is made for the benefit of more than one person, the husband, father or mother whose life is insured may, in the application and policy, or in the declaration of appropriation, apportion the amount of the insurance money as he or she may deem proper.

5587. When no apportionment is made, the parties interested share in the insurance as follows:-

1. If the insurance is for the benefit of a wife and the children issue of her marriage with the person whose life is insured, one half for her and the other half for their children, who subdivide-

equally; PROVINCE OF QUEBEC. ]xxii

2. If for the benefit of a wife and her children, one half for the wife and the other half for her children (whether issue of the same or of different marriages), who subdivide equally

3. If for the benefit of a wife and her husband's children, one half for the wife and the other half for the children of her husband (whether issue of the same or of different marriages), who subdivide

4. If for the benefit of a wife and her husband's and her own children, one half for the wife and the other half for his children and for her children (whether issue of their or of other marriages), such children subdividing equally:

5. If for the benefit of a wife and one or more children specified by name, one half for the wife

and the other half for such child, or for such children who subdivide equally;

6. If for the benefit of children only generally, equally between the children of the parent whose life was insured (whether issue of the same or different marriages);

7. If for the benefit of several children specified by name, equally between them.

5588. When any child, specified by name or included generally, predeceases the person whose life is insured, the descendants of such predeceased child take his or her share by representation.

5589. When the insurance is effected or the appropriation is made without apportionment in favour of several children, whether it be jointly with a wife or in favour of children alone, if any of such children predecease the person whose life is insured, without issue, accretion takes place in favour of the surviving children.

When the insurance effected or appropriation made without apportionment is in favour of a wife and a child or children, if the wife predeceases her husband, accretion takes place in favour of the child or children; and if the child or all the children predecease the husband, accretion takes place

in favour of the wife.

5590. It shall be lawful for any party who has effected an insurance, or who has appropriated a policy of insurance, for the benefit of a wife or of a wife and child or children, or of a child or children, at any time and from time to time thereafter, to revoke the benefit conferred by such insurance or appropriation, either as to one or more or as to all of the persons intended to be benefited, and to declare in the revocation that the policy shall be for the benefit only of the persons not excluded by the revocation, or for the benefit of such persons not excluded, jointly with another or others, or entirely for the benefit of another or others not originally named or benefited.

Such other or others must be a person or persons for whose benefit an insurance may be effected

or appropriated under these provisions.

5591. Such revocation may be made either by an instrument to be attached to the policy, and of which a duplicate must be filed with the company which issued the policy, and a note of the filing of such duplicate must be endorsed by the company on the policy, or on the instrument retained, or by will, of which, after the party's death, an authentic copy must be signified upon the company.

In default of such duplicate being filed or of such copy being signified, the company will be

validly discharged by paying the insurance money according to the terms and directions of the policy, or of the declaration or of a previous revocation.

5592. The policy reverts to the insured:

1. When the child for whose benefit it was effected or appropriated or the surviving child for whose benefit solely it exists, dies without issue, before the person insured.

2. When the wife for whose sole benefit it exists either by the policy, appropriation or revoca-

tion, or by accretion, predeceases her husband with or without issue.

The benefit of any share in an apportionment likewise reverts to the insured when the child to whom it was apportioned, dies without issue before the insured parent, or when the wife to whom it

was apportioned, predeceases her husband with or without issue.

5593. When a policy reverts to the insured, in whole or in part, the insured may deal therewith in so far as it so reverts as if the insurance had been effected and had always held for his own

5594. The insurance effected in the cases mentioned in the preceding articles may be made payable by the application and policy or by the declaration of apportionment or by a revocation, either

to the parties benefited or to any other persons as trustees for the parties benefited.

5595. When no trustees are appointed by the application, policy, or by the declaration of appropriation or by revocation, it shall be lawful for any person whose life is insured, by an instrument to be attached to the policy, and of which a duplicate must be filed with the company which issued the policy and its filing be noted by the company upon the instrument retained or by will, of which (after the testator's death) an authentic copy must be signified upon the company, to appoint a person as trustee for the parties benefited or for any of them.

5596. When the person whose life is insured dies without having appointed trustees for any minor children benefited or for any benefited persons disqualified from exercising their rights, the payment of the insurance money coming to such minor children or disqualified persons shall be made to the testamentary executors of such insured person, who shall be the trustees of such disqualified

persons.

In case the trustees or the executors refuse to accept, or in case the person whose life is insured die intestate, the payment is made to the tutor of the minor children or to the curator of the disqualified persons.

In case the trustees of persons in the exercise of their rights should refuse to accept, the payment

shall be made to such benefited persons themselves.

5597. The payment made to any benefited persons not disqualified from exercising their rights, to any trustees, to any executors, or to any tutor or curator, shall be a valid and sufficient discharge to the insurance company for the insurance money so paid.

The company shall not be bound to see to the investment of the money, or be liable for the subse-

quent misapplication thereof by any trustees, executors, tutors, or curators.

5598. The trustees shall pay over the insurance money received for persons in the exercise of their rights to such persons at once, if no conditions have been imposed as to such payment, by the insured, by the policy itself, by the declaration of appropriation or by the terms contained in a deed

If conditions have been imposed, the trustees shall carry out the trust and administer and pay

over the insurance money in accordance with its provisions.

The insurance money received by any trustees, executors, tutors or curators for minors or persons disqualified from exercising their rights, shall be invested by the parties receiving it in Dominion or Provincial debentures, municipal debentures or on first privilege or hypothec upon real estate, with power, however, to such trustees, testamentary executors, tutors or curators, from time to time, to alter, vary and transpose the investments held.

5599. All or any part of the annual income arising from the investment of the insurance money may be applied towards the maintenance and education of the minor children, or towards the maintenance of the persons disqualified, for any other reason than that of minority, from exercising their

rights, as the trustees, testamentary executors, tutors or curators may think fit.

When all the annual income is not so applied, the surplus shall be capitalized and invested in the same manner as the insurance money received.

5600. Unless stipulations or conditions have been imposed, which must be carried out, the investment shall be transferred by the trustees, testamentary executors, or tutors or curators:

 In the case of a minor, to himself when he attains majority;
 In the case of a person disqualified for any other reason than that of minority, from exercising his rights, to himself when he regains their exercise, or to his heirs when he dies without regaining their exercise.

It shall, nevertheless, be lawful, should the trustees, testamentary executors or tutors think fit, to advance the insurance money, or to dispose of the investments and advance the proceeds to any minor child during his minority for the establishment, advancement or preferment in the world, or for the

settlement in marriage, of such child.

5601. If a person who has effected or appropriated an insurance for the benefit of a wife or of a wife and child or children, or of a child and children only, find shimself unable to continue to meet the premiums, it shall be lawful for him to surrender the policy to the company which granted the same, and to accept, in lieu thereof, a paid-up policy for such sum as the premiums paid may represent, and for the company to accept such surrender and grant such paid-up policy, payable at the time, in the manner and for the benefit of the persons mentioned in the original policy; and the share of each person, when more than one are benefited, will be proportionately reduced.

5602. Any person having effected an insurance with profits may either receive the same for his own benefit, or may, from time to time, either apply the same in payment or reduction of premiums, or direct them to be added to the insurance money; and the share of each person, when more than

one are benefited, will, in the last case, be proportionately increased.

Profits accruing after a policy has been paid up, may be received by the insured for his own benefit, or may be added to the insurance money; and the share of each person, when more than one

are benefited, will then also be proportionately increased.

5603. Any person who has effected or appropriated an insurance for the benefit of a wife, or of a wife and child or children, or of a child or children only, and who finds himself unable to continue to meet the premiums, may from time to time borrow, on the security of the policy, such sum as may be necessary to keep the policy in force.

The loans shall be evidenced by a writing of which a duplicate must be filed with the company

which issued the policy and noted by the company on the duplicate retained by the lender.

Such loans shall be secured by privilege on the policy, and the company shall retain a sufficient amount to pay them from the insurance money.

If such loans be paid before the death of the insured, the acquittance shall be filed with the

5604. Policies effected or appropriated under this section are exempt from attachment for debts due either by the insured or by persons benefited, and shall also be unassignable by either of such

The insurance money, while in the hands of the company, shall be free from and be unattachable for the debts either of the insured or of the persons benefited, and shall be paid according to the terms of such policies, or of any declaration of appropriation, or of any revocation relating to the

same. Such exemption shall not apply to any policy, or to part thereof, which may have reverted to

and be held by the insured.

5605. The insurance money shall not be deemed to be derived from the succession of or community of property with, the person whose life was insured, and its receipt by any person benefited shall not constitute an acceptance of the succession of such person or of any community of property which existed with such person.

5606. If, however, it shall be proved that all or any of the premiums were paid, at a time when the person whose life was insured was insolvent, in fraud of the rights of creditors, such creditors shall be entitled to recover and to receive out of the insurance money, an amount equal to the premiums so paid; and in such case, the share of each person, when more than one are benefited, will be proportionately reduced.

policy, or of the declaration, or of a previous revocation

14. The benefit of the policy shall revert to the insured when the child for whose benefit it was effected or appropriated, or the surviving child for whose benefit solely it exists, dies without issue before him or her; or when the wife for whose benefit solely it exists, whether by the policy, appropriation or revocation or by accretion, predeceases her husband with or without issue; and the benefit of any share in an apportionment shall likewise revert to the insured when the child to whom it was apportioned dies without issue before the insured parent, or when the wife to whom it was apportioned predeceases her husband with or without issue.

15. When a policy reverts to the insured in whole or for a share or shares, the insured may deal with such policy, or share or shares, as if the insurance had been effected and been always held for

his or her own benefit.

16. The insurance effected or appropriated for the benefit of a wife, or of a wife and child or children, or of a child or children only, may be made payable by the application or policy, or by the declaration of appropriation, or by revocation, either to trustees, or to the party or parties benefited.

17. When no trustee or trustees is or are appointed by the application and policy, or by the

18. When the person whose life is insured shall die without having appointed a trustee or trustees for any minor child or children benefited, or for any person or persons benefited otherwise incapable of exercising his, her or their rights, the payment of the insurance money coming to such minor child or children, or person or persons otherwise incapable of exercising his, her or their rights, shall be made to the executor or executors of such insured person, who shall be the trustee or trustees of such minor child or children, or person or persons otherwise incapable of exercising his, her or their rights. In case of no trustee or trustees or of the executor or executors refusing to accept, or in case the person whose life is insured should die intestate, the payment shall be made to the guardian of such minor child or children, or the curator of such persons otherwise incapable of exercising his, her or their rights. shall be a valid and sufficient discharge to the insurance company for the insurance money so paid: and the company shall not be bound to see to the investment of the money, or be liable for the subsequent misapplication thereof by any trustee or trustees, executor or executors, guardian or curator.

20. The trustee or trustees shall pay over the insurance money received for persons in the exercise of their rights to such persons at once, if no conditions have been imposed by the insured in and by the policy itself, by the declaration of appropriation or by the terms contained in a deed of revocation; if conditions have been imposed, the trustee or trustees shall carry out the trust and administer and pay over the insurance money in accordance with its provisions. The insurance money received by any trustee or trustees, executor or executors, guardian or curator for persons in minority or otherwise incapable of exercising their rights, shall be invested by the party or parties receiving it in Dominion or Provincial stock or debentures, or in municipal stock or debentures, or on first privilege or mortgage upon real estate, with power, however, to such trustee or trustees, executor or executors, guardian or curator, from time to time, to alter, vary and transpose the investments held, within the authority given herein, according to the nature of the securities or investments.

21. All or any part of the annual income arising from the investments of the insurance money may be applied towards the maintenance and education of such minor child or children, or towards the maintenance of such person or persons otherwise incapable of exercising his, her or their rights, as the trustee or trustees, executor or executors, guardian or curator, may think fit; and when all the said annual income is not so applied the surplus shall be capitalized and invested in the same

manner as the insurance money received.

22. The investment shall be transferred by the trustee or trustees, executor or executors, guardian or curator, in the case of a minor, to himself or herself when he or she attains maturity unless conditions have been imposed, in which case the investment shall only be transferred in accordance with such conditions, and, in the case of a person otherwise incapable of exercising his or her rights, to himself or herself when he or she regains their exercise, or to his or her heirs when he or she dies without regaining their exercise, unless conditions have been imposed, in which case they shall be carried out. It shall, nevertheless, be lawful, should the trustee or trustees, executor or executors, guardian or curator think fit, to advance the insurance money, or to dispose of the investment and advance the proceeds, to any minor child during his or her minority, for the establishment, advancement or preferment in the world, or for the settlement in marriage, of such child, except in so far as they have been restricted by any instrument, or by any order or authority, under which they may have been appointed.

23. If a person who has effected or appropriated an insurance for the benefit of a wife, or of a wife and child or children, or of a child or children only, shall find himself or herself unable to meet the premiums, it shall be lawful for him or her to surrender the policy to the company which granted the same, and to accept in lieu therefor a paid up policy for such sum as the premiums paid up may represent, and for the company to accept such surrender and grant such paid up policy, payable at the time and in the manner and for the benefit of the person or persons mentioned in the original policy; and the share of each person, when more than one are benefited, will then be proportionately

reduced.

24. Any person having effected the insurance with profits may receive the profits for his own benefit, or may from time to time, either apply the same in payment or reduction of premiums or direct them to be added to the insurance money; and the share of each person, when more than one is benefited, will in the last case be proportionately increased. Profits accruing after a policy has been paid up may be received by the insured for his own benefit, or may be added to the insurance money; and the share of each person, when more than one are benefited, will then also be proportionately increased.

25. It shall be lawful for any person who has effected or appropriated an insurance for the benefit of a wife and child or children, or of a child or children only, and who finds himself or herself unable to continue to meet the premiums, from time to time to borrow, on the security of the policy, such sums as may be necessary to keep the policy in force; and the loans shall be evidenced by a writing, of which a duplicate must be filed with the company which issued the policy and such filing be noted by the company on the duplicate retained by the lender. Such loans shall be secured by privilege on the policy, and the company shall retain a sufficient amount to pay them from the insurance money. If such loans be paid before the death of the issuer, the acquittance shall be filed with the company.

26. Policies effected or appropriated for the benefit of a wife and child or children, or of a child or children only, shall be exempt from attachment for debts due either by the insured or by the persons benefited, and shall be unassignable by either of such parties, and the insurance money, while in the hands of the company, shall be free from and be unattachable for the debts either of the insured or of the person or persons benefited, and shall be paid according to the terms of such policies, or of any declaration of appropriation, or of any revocation relating to the same. Such exception shall not apply to any policy or to any share or shares of a policy, which may have reverted

to and been held by the insured.

27. The insurance money shall not be deemed to form part of the ordinary estate of the person whose life was insured, and its receipts by any person benefited shall not render him responsible for the liabilities of the estate of such person.

28. Nothing contained in this Act shall be held or construed to restrict or interfere with any right otherwise allowed by law to any person to effect or transfer a policy for the benefit of a wife or children, nor shall apply to insurance made in favour of, or transferred to, any wife under her marriage agreement.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

(Abstracted from Directors, Report, Liverpool, 29th January, 1892.)

In accordance with the agreement 17,000 shares, £4 paid, have been allotted to the shareholders of the Universal Company, thus increasing the capital by £68,000. The balance of the amount received from them after providing for capital account and payment of all expenses, is £229,193 9s. 11d., which amount the directors have transferred to reserve fund. The directors have further transferred £9,458 6s. 1d. from profit and loss to reserve fund, making that fund £600,000.

The underwriting account for 1890 has resulted in a profit of £5,708 16s. 11d. To this sum must be added the interest account for the year 1891, and profit on investments sold, amounting to £45,727 19s. 7d. and £20,000 transferred from the accumulated profit of the special reinsurance account. These sums with £156,788 3s. 10d. brought forward from 1890, less £9,458 6s. 1d., transferred as above, leave,

to the credit of profit and loss account, £218,766 14s. 3d.

An ad-interim dividend of 8s. per share was paid on the 1st of July last, and the directors now propose to pay a further dividend of 8s. per share, and a bonus of 6s. per share, both free of income tax, making a distribution of 22s. per share or 271 per cent for the year. The directors recommend that after providing for income tax, the balance of £143,752 16s. 9d. be carried to next account.

The premiums taken for the year 1891 amount to £553,624 3s. 6d. and the claims settled to £236,550 3s. 1d. leaving a net balance, after deducting expenses,

of £271,599 17s. 11d. at the credit of underwriting account.

The net amount insured was £97,392,567 of which £8,441,147 remained at risk on the 31st December, 1891.

### CALEDONIAN—Concluded.

The directors recommend that from the above sum a dividend be declared of £1 3s. per share, payable, free of income tax, in two equal portions of 11s. 6d. per share, on 16th May and 11th November next. This will require £24,725, leaving

£13,703 6s, to be carried forward.

The company in common with the majority of offices, has had an unfavourable year in the fire department. On the United States portion of the business the loss ratio, although high, is below that experienced there by many other offices during the past year, and is almost identical with the ratio on the remainder of the company's business; but the expenses in the United States have been above what was anticipated. Since the close of the year a deputation from the Board of Directors has visited New York and Philadelphia; and, as the result of that visit, important arrangements are now in progress which, the directors hope, will materially improve the position of the company in the United States. The losses of 1890 having been exceptionally light, and a large balance having been carried forward from that year to 1891, the directors have been able to recommend the continuance of the rate of dividend which has been paid for several years past.

The issue of additional share capital as referred to in last report was carried out, but the directors restricted the number of new shares to 3500, It will be seen that the premium received on the issue, with the exception of an odd sum of £49 10s., has been carried to guarantee fund. The subscribed capital now amounts to £537,-500, in 21,500 shares of £25, on each of which the sum of £5 has been paid up.

### CITY OF LONDON—Continued.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

(Abstracted from Directors' Report, London, 9th March, 1892.)

The balance of the special account is £16,919 17s. 8d., which should be more than sufficient to provide for losses which may probably arise from liabilities chargeable to the account. The amount of premiums received on relinquished business during the year has been brought, as before, into this account, as also the losses and the proportion of commission and expenses thereon.

The fire insurance account of 1890 is now closed, and shows a balance, being realized profit, of £2,192 9s. 1d., which is carried to the credit of profit and loss.

The fire insurance account of 1891 shows a credit balance of £51,582 15s. 0d. The loss percentage on this account is, thus far, excessive, and is mainly attributable to the unfavourable results of the Boston branch, in the United States, and some portion of the continental business. In consequence, your directors decided to discontinue the former, and to eliminate such portion of the latter as had shown itself unremunerative. Notice was accordingly given to carry out this decision as and from 31st December last.

The profit and loss account shows an actual profit balance of £13,397 10s. 8d., but in view of the amount of the recently relinquished business, and of the credit balance of the fire insurance account of 1891 not being so large as is considered necessary to meet the possible losses on unexpired risks, it is recommended that the whole of this balance be carried forward.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST MARCH, 1892.

(Abstracted from the Directors' Report, London, Eng., 1892.)

In pursuance of the policy indicated in the report of 1889 and approved by the shareholders, the directors have closed by re-assurance the fire business of the corporation as from the 1st July, 1891. This has involved charges of £13,469, which have been met out of the fire reserves and the provision for current fire policies included in the balance of last year's account.

The premiums of the year were £248,643 against £287.562 in the previous account, a reduction due mainly to the discontinuance of the fire business. The

total losses paid and outstanding amounted to £142,995.

In accordance with the special resolutions of the shareholders £50,000 capital was called up with £25,000 premium thereon, which premium has been carried to

the general reserve fund and is kept separate from other reserves.

£139,028 9 5

and to facilitate a comparison, the balance of last year's account, brought into the revenue account, is divided in the same manner.

J. KENNEDY,

Manager for Canada.

(Received 4th March, 1892.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

(Abstracted from Directors' Report, London, England, 22nd March, 1892.)

The net premiums for the year amounted to £89,502, as against £87,385 for the previous year, while the losses, paid and outstanding, amounted to £55,009, against £56,001.

The general expenses of management are almost identical with those of the previous year, but, owing to the increase in the premium revenue, there is a small reduction in the ratio. Including commissions, the expense ratio for last year was 36.2 per cent compared with 36.5 in 1890, and 38.7 in 1889.

It will thus be seen that steady progress is being made, and although the net result is not so great as the directors could desire, they think there is room for satisfaction in view of the fact that the year just closed has been a most unfavourable one for the Fire Insurance Companies generally

#### FIRE DEPARTMENT.

The fire premiums, after deducting reinsurances, amounted to £579,283 19s. 4d., being an increase of £72,667 11s. 5d. over last year, and the losses to £331,800 18s. 4d., being 57.28 per cent of the premiums. The profit from the premium account, after making an addition of £36,100 to the premium revenue fund to cover the unexpired liability upon the increased business, amounts to £19,182 12s., which is increased by interest received and profit from an investment realized to £46,103 6s. 7d. Against this has to be debited £8,258 4s. 10d. for special expenditure in extending foreign agencies, and £8,000 carried to the fire general reserve fund, leaving a balance of £29,845 1s. 9d., which the directors recommend should be transferred to the proprietors' account. The premium reserve fund to cover unexpired policies amounts to £292,700 and the fire general reserve fund to £390,000, making the total fire fund £682,700, as compared with £638,600 in the previous year.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st DECEMBER, 1891. (Abstracted from the Directors' Report, Liverpool, England, 17th May, 1892.)

#### FIRE DEPARTMENT.

The Fire Premium income for the year, after deducting the sums paid for reinsuring surplus risks, amounts to £1,479,783. The losses, inclusive of full provision for all claims that had arisen up to the close of the year, amount to £989,605. The account, after providing for expenses, shows, without the addition of interest, a surplus of £29,309; of which £23,000 has been left in the Fire Account to increase the Fire Re-insurance Fund, which now amounts to £670,000 in addition to the General Reserve of £1,300,000. The balance has been carried to Profit and Loss Account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

(Abstracted from Directors' Report, Liverpool, England, 4th May, 1892.)

The accounts connected with the taking over and liquidation of the late London and Provincial Fire Insurance Company have been closed, and the whole cost of acquiring that business is included in the annexed statements.

In accordance with the resolution passed at the extraordinary general meeting held on the 15th May, 1891, the directors issued to the shareholders in July last 7,737 additional shares at a premium of £15 per share. The whole of these were taken up, and resulted in adding a sum of £116,055 to the General Fund, and also increasing the paid up capital of the company to £212,750.

The net premiums of the year, after deduction of those paid to other offices in reduction of the company's liabilities, amounted to £801,615 18s. 11d., against

£702,346 12s. in the previous year.

### LONDON AND LANCASHIRE FIRE—Continued.

The net fire losses, including full estimates for such as were not adjusted at the

closing of the books, amounted to £448,425 12s. 3d.

After deduction of all commissions and expenses, bad debts, depreciations and other charges, and including interest on investments, &c., a balance of £116.054 5s. 5d. results to the credit of the company on the year's transactions. The addition of this amount, and also the sum of £116,055 referred to above, to the balance of £172,025 14s. 2d. brought forward from previous account, makes a total sum to be dealt with on the present occasion of £404,134 19s. 7d., less £11,604 9s., being the interim dividend of 3s. per share paid in November last.

The directors propose to increase the Reserve and Reinsurance Fund from £450,000 to £600,000, by transferring £150,000 to that account; to pay on the 12th proximo a further dividend, free of income tax, of 7s. per share on the old paid up capital, making, with the interim dividend, 20 per cent on the year; also a dividend of 3s. 6d. per share on the new paid-up capital. In future the whole of the aforesaid capital will rank equally for dividends. The dividends now proposed to be paid will absorb £28,431 0s. 6d., leaving a balance of £214,099 10s. 1d. to be carried forward to next account. The financial position of the company will then be as follows:

Capital fully subscribed       £2,127,500         Of which is paid up       212,750	0	0

(Abstracted from Directors' Report, Aberdeen, Scotland, 12th June, 1891.)

### FIRE DEPARTMENT.

The premiums received last year amounted to £671,464 8s. 0d., showing an increase of £45,135 11s. 8d. over those of the previous year. The losses amounted to £395,188 12s. 3d., or 58.9 per cent of the premiums, a ratio which happens to represent also the experience of the company from the beginning. The expenses of management (including commission to agents and charges of every kind) came to £220,003 12s. 6d., or 32.8 per cent of the premiums. This is 8 per cent lower than the ratio of the year before. The result is that, after reserving the usual 33½ per cent of premiums to cover liabilities under current policies, a profit was earned of £41,226 19s. 4d., which sum has been transferred to the credit of the profit and loss account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1890.

(Abstracted from Directors' Report, Norwich, England, 2nd June, 1891.)

The net premium income for the year ending 31st December, 1889, ....£ 677,641 amounted to.... The net premium income for 1890 amounted to, ................... 748,347 0 Showing an increase on the previous year of ......£ 0

After setting aside one-third of the premiums (£249,449) as a reserve against liabilities on policies not run off, the balance at the credit of profit and loss account, including the unappropriated balance, £159,908, brought forward from the previous year, is £197,643, out of which an interim dividend of £2 per share was paid in January last, and a further dividend of £2 per share has been declared by the board. and will be payable on the 4th of June.

The board have decided to again declare a bonus of 10s. per share.

### NORWICH UNION—Concluded.

The losses for the year have been heavy, but with the exception of the conflagration at Salonica, none were abnormally large.

The United States business has been very satisfactory.

The reduction in the market value of securities at the close of the year, and the amount reserved on account of the considerable increase in the premiums, necessarily affect the disposable balance.

The undivided balance carried over to next year's credit is £137,143, and

£10,000 is added to the reserve fund.

The percentage of losses on premiums is 62.59 as against 63.03 in 1889, and 53.61 in 1888. The working expenses, allowing for the amount credited on account of the New York branch in 1889, are about the same rate per cent.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

(Abstracted from the Directors' Report, London, March, 1892.)

### FIRE DEPARTMENT.

The fire premiums received during the year amounted to £235,266 12s. 4d., being an increase of £92,019 8s. 0d., or 64 per cent over those of the previous year.

The losses by fire paid and outstanding amounted to £143,709 6s. 6d., being 61.08 per cent of the premium income, and the commission and expenses paid away were £78,567 5s. 11d., being 33.4 per cent of the premiums.

After payment of the above there remained a surplus of £12,989 19s. 11d. to be

carried to the profit and loss account.

As compared with last year the losses showed a slight diminution in the percentage on the premium income, and the expenses showed a decrease of rather more than 3 per cent. The directors confidently hope that by the further development of the fire business the ratio of the expenses may be still further reduced.

(Received, 1st March, 1892.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1891.

[Abstracted from Directors' Report, Manchester, Eng., 4th April, 1892.]

The net premiums received during the year amounted to £357,426, being £91,811 more than in 1890, but this increase being largely in the early part of the year, the liabilities thereunder have proportionately run off.

The losses by fire were £247,756, being an increase of £71,389, the ratio being

 $69\frac{8}{10}$ , as compared with  $66\frac{4}{10}$  for 1890.

The commission and working expenses ratio was 31,60.

As the shareholders are probably aware, the company has an extensive business in the United States of America, where the results last year have been very unfavourable to this and most other offices concerned.

A general increase of rates, where necessary, is now taking place in that coun-

try which, it is expected, will admit of a fair profit hereafter.

The balance at the credit of profit and loss is £16,510, including £7,002, the surplus on the year, and the Board recommend a dividend at the rate of 15 per cent per annum for the six months ending 31st December last.

An interim dividend at the rate of 5 per cent per annum was paid in October

last for the first half of the year.

The dividends for the year will accordingly average 10 per cent, the same as paid in 1890.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st MARCH, 1891.

(Abstracted from the Directors' Report, Edinburgh, Scotland, 7th July, 1891.)

1,140 Policies were issued, assuring a total sum of £001,854, whereof £40,068 was re-assured with other offices. The premiums on those new policies amounted to £27,168, including £5,501 by single payments. The premiums on the above amount re-assured were £2,988, including £1,092 by single payments.

The net amount of new assurances retained at the company's own risk was £561,786, yielding in new premiums £24,180, of which £4,409 was by single payments. These figures show an increase on the net new business of the preceding

year.

48 annuities were purchased, amounting to £2,005 3s. 5d. per annum. The purchase-money received was £21,984 0s. 3d.

12 annuitants died, relieving the company of £547 0s. 4d. per annum.

The premium income of the year, after deducting re-assurance premiums, was £228,911 18s. 4d., being £7,211 17s. 2d. more than in the preceding year.

The interest and dividends on the invested funds amounted to £102,379 12s. 5d. The total income was £331,897 15s. 9d, exclusive of annuity purchase-money and of £797 5s. 3d. realized as profit on investments.

The claims by death and survivance amounted to £192,433 16s. 6d., which nearly

corresponds with the sum provided for by the tables.

The sum of £13,699 12s. was paid for the surrender of policies and in commutation of bonus additions.

As the result of the year's operations, the directors were enabled to add the sum of £87,902 5s. 7d. to the assurance and annuity fund, which now stands at £2,436,743 6s. 8d.

The accumulated funds in hand, exclusive of sums held to meet outstanding liabilities, amounted, at the close of the year, to £2,537,933 8s. 8d.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 5TH APRIL, 1891.

(Abstracted from the Directors' Report, Edinburgh, Scotland, 21st July, 1891.)

The total new business, completed and paid for, amounted to £1,004,340, under 1,781 policies, and yielding, in new premiums, £28,705, 18s. This is the largest amount of new business completed during any year in the Association's history, and is £81,457 more than the amount of new assurances reported last year.

It is with satisfaction that the directors are able to report that, notwithstanding the large increase in the volume of new business, the expenses have again shown a still further reduction, being considerably less in actual amount than for some years past.

New life annuities were purchased at the price of £39,292, for the annual

amount of £4,921.

The total revenue from premiums and interest (exclusive of the purchase-money for annuities) amounted to £507,828, as against £501,404 in the previous year, or an increase of £6,424.

The claims by death have been 583, as against 642 expected and provided for. The sums assured under the policies emerged by death amounted to £251,240. Under endowment assurances, 48 policies for £12,025 matured by survivance of the lives to the fixed periods. Among the annuities 26 deaths occurred, relieving the Association of the yearly payment of £1,087.

The funds of the Association have during the year increased by £177,160, notwithstanding that the large sum of £34,031 has, in course of the year been paid to

policy-holders in the form of bonuses in cash.

The revenue account and balance sheet appended to this report give further details.

†The above assets include a sum of \$100,000 in mortages and other securities advanced by certain of the Directors of the Company under an instrument dated 19th December, 1889, executed by said Directors and by a large proportion of the shareholders, wherein, after reciting that the Company has incurred large outlays and expended a large amount of its assets whereby a portion of the capital thereof has been invested in a manner which, though advantageous to the Company and its policy-holders and stockholders, unavoidably appears in the Company's books as an impairment of capital, it is declared and agreed that the amount so advanced shall not be directly or indirectly a liability of the Company but a payment by such Directors on their personal account to cover the above mentioned outlays, so that the same shall not be deemed to have been made out of the assets of the Company. Under this agreement the amount so advanced is to stand as security to the policy-holders of the Company as distinguished from said shareholders in the event of the Company discontinuing its business, and to that extent is to be treated as eapital.
