“ “ MR. JUSTICE KING.

“ “ MR. JUSTICE GIROUARD.

Five judges form a quorum.

OFFICERS :

JAMES O'REGAN, Caretaker of Library.

The Supreme Court has appellate Civil and Criminal jurisdiction within and throughout the Dominion of Canada.

The main requisites of jurisdiction are,

1. That the judgment should be a final judgment.
2. That a cause should originate in a Superior Court of original jurisdiction, and
3. That the appeal should come from the highest court of final resort.

To all these requisites there are many exceptions which could only be satisfactorily explained by referring at some length to the statutes regulating the jurisdiction. See R.S.C. ch. 135, especially secs. 24-30; 52 Vic. ch. 37 (D); 54-55 Vic. ch. 25 (D); 56 Vic. ch. 29 (D). Some of the important exceptions are as follows:

(a) By consent of parties or by order of the Supreme Court or a judge thereof, appeals may come per saltum from the court of original jurisdiction (see R. S. C. ch. 135, sec. 26). This exception does not apply to appeals from the Province of Quebec.

(b) There is a special exception in favor of appeals from the Court of Review of the Province of Quebec in cases in which there is no appeal to the Court of Appeal of the Province, but which are appealable to the Judicial Committee of the Privy Council. These may be brought in appeal to the Supreme Court. (See 54 and 55 Vic. ch. 25, sec. 3.)

(c) In appeals from the Province of Quebec, the matter in controversy must amount to \$2,000, or involve the question of validity of a statute of the Dominion or of the Province, or relate to some matter in which future rights might be bound.

The Supreme Court holds three sessions yearly, the first beginning on the third Tuesday in February, the second on the first Tuesday in May, and the third on the first Tuesday in October.

The case in appeal must be filed 20 clear days before the first day of the session at which the appeal is to be brought on for hearing.

The factums, or points for argument, must be filed 15 clear days before such day, and the appeal be inscribed 14 days before.

Solicitors practicing before the Supreme Court, and unable to attend personally, are expected to appoint agents to look after the various matters which may require attention in the course of an appeal.

LAWS OF THE PROVINCE OF ONTARIO.

Compiled by Messrs. Macdonald, Cartwright and Garvey,
of Osgoode Hall, Barristers-at-Law, Toronto.

Revised to January 1st, 1896.

Arrest for Debt, Absconding Debtors—When a creditor has a claim of \$100 or over, and can show to the satisfaction of the Judge that he has such claim and that there is reasonable and probable cause for believing that the debtor is about to leave the Province with intent to defraud his creditors, an order for arrest may be granted.

Assignments—Must be made to the Sheriff of the County where the debtor resides or carries on business, unless the majority of the creditors having claims of \$100 or over consent to the appointment of some other person. The assignment must be filed within five days after execution, and notice inserted in the *Ontario Gazette* in the issue next after five days after execution; for default there is a penalty of \$25 per day. The assignor may be examined on a resolution of the creditors or inspectors, without the procuring of a judgment.

Bankruptcy—There is no bankruptcy law in this Province, but a debtor may make an assignment for the benefit of creditors and ensure a ratable distribution of his assets. Assignment not under this Act does not require to be made to the Sheriff.

Bills of Exchange and Promissory Notes—These are practically subject to the commercial law in respect of days of grace, notice and protest. Notes only bear interest from the dates of maturity, and then at the legal rate, six per cent., unless the rate and time are expressly mentioned on the face. Loss of a bill or note does not prevent collection, but payee must be indemnified.

Bills of Sale and Chattel Mortgages—These must be registered within five days in the office of the County Court Clerk, otherwise they are void as against creditors, except bills of sale, where there is an actual and continued change of possession of the property. There are special regulations regarding chattel mortgages and bills of sale in the territorial and provisional districts, both as to place of filing and time of filing. Affidavits of execution must now show the date of the execution of the mortgage. Chattel mortgages must be renewed yearly.

Conditional Sales of Chattels—When there is a sale of manufactured goods and possession is given, but the intention is that the ownership thereto shall not pass, a subsequent purchaser or mortgagee without notice in good faith for valuable consideration is put on enquiry as to whether they have been fully paid for, if the name and address of the manufacturer or vendor is painted, printed, or otherwise plainly attached thereto, but is only valid as against such subsequent purchaser or mortgagee when evidenced in writing, signed by the original bailee or his agent. The above provision does not apply to household furniture, nor to cases where the bailor or vendor within ten days from the execution of any receipt note, time receipt, order or other instrument evidencing the bailment or conditional sale, file the same or a copy thereof with the Clerk of the County Court, but pianos, organs or other musical instruments are not included in the term household furniture.

Contracts—Contracts for sale of goods over \$40 require part performance or to be in writing, otherwise they are void. Contracts made on Sunday (with few exceptions), and contracts contrary to public policy or of an immoral character, are illegal.

Courts, Jurisdiction of—In money claims on contract the jurisdiction of the Division Court extends to \$200 in liquidated claims, *i.e.*, those settled by acts or signature of the parties, and \$100 in unliquidated claims, that of the County Court to \$400 and \$200 respectively, and that of the High Court claims beyond these amounts.

Commissions—When a witness resides out of the Province an order may be made to take his evidence on commission.

Execution—In the County Court and High Court execution may issue immediately upon entry of judgment, unless stayed by order of the Court or Judge. Executions must be renewed before the expiration of three years from the date of the issuing thereof. In the Division Court, where the judgment is recovered for \$40 or upwards, exclusive of costs, a writ of execution may issue directed to the Sheriff, and will bind the lands of the debtor in the same manner as executions issued from the higher courts. All executions issued in the County and High Courts are directed against both goods and lands. Lands cannot be sold for one year from the time the writ is delivered to the Sheriff, but debtors' lands are bound from date of delivery to the Sheriff.

Exemptions—The exemptions from seizure under execution and distress are enumerated in the Revised Statutes, Chap. 64, and consist generally of:

- (1) Bed, bedding and bedsteads in ordinary use.
- (2) Necessary and ordinary wearing apparel.
- (3) One cooking stove with pipes, 1 heating stove with pipes, sewing machine, 30 vols. books, all spinning wheels and weaving looms, and a large number of articles of furniture, cooking utensils, etc., in all not to exceed the value of \$150.
- (4) All necessary fuel, meat, fish, flour and vegetables not more than sufficient for ordinary consumption of debtor and family for 30 days, and not exceeding in value the sum of \$40.
- (5) One cow, 6 sheep, 4 hogs and 12 hens, in all not to exceed the value of \$75; also food for them for 30 days.
- (6) Tools and implements of, or chattels ordinarily used in the debtor's occupation, to the value of \$100.
- (7) Bees reared and kept in hives to the extent of fifteen hives.

On the death of the debtor these goods go to the widow and family.

Examination of Judgment Debtor—The judgment debtor may be examined as to his property at the time debt is incurred and his disposal of the same, and in the higher courts the transferee may also be examined; any person in possession of property of the execution debtor may also be examined under order. On examination in the Division Court the Judge may order the debtor to pay the debt in such a way as he deems proper, and in default may issue an order for committal.

Fraudulent Conveyances—Conveyances in fraud of creditors are void. Preferences by insolvents are void. Conveyances by debtors attacked within sixty days or made within sixty days before an assignment for the benefit of creditors are presumed to be made with intent to defraud or prefer.

PREVENTION OF ACCIDENT.

ADVICE GIVEN WITHOUT CHARGE TO THOSE INSURED WITH US.

LAWS OF THE PROVINCE OF QUEBEC.

Compiled by Messrs. Carter & Goldstein of the
Montreal Bar.

Revised to 1st January, 1896.

Arrest for Debt.—A debtor is liable to arrest by *capias ad respondendum* when the creditor's claim exceeds \$40, upon the creditor producing an affidavit setting forth one or more of the following facts: 1. That the debtor is about immediately to leave the Provinces of Quebec and Ontario with intent to defraud his creditors; 2. That he has secreted or made away with his property and effects, or is immediately about to do so with like intent. 3. That he is a trader, has failed to meet his payments and has refused to make a judicial abandonment of his property for the benefit of his creditors. 4. That he is in possession of immovable property and that he is deteriorating the value thereof so as to prevent an hypothecary creditor from recovering the whole or any part of his claim to the extent of \$40. *Capias* will not issue if the debt be contracted outside of the Provinces of Quebec or Ontario, nor does it lie against ministers, septuagenarians or females.

Assignments.—In the absence of an Insolvent Law our Code of Procedure enacts that a creditor holding an unsecured claim of \$200 and upwards may make a demand upon his insolvent debtor to file a judicial abandonment of his property for the benefit of his creditors, and in default of the debtor filing forthwith a written consent to abandon and making the abandonment within three days, he may be arrested, and the Court may appoint a provisional guardian to take possession of his estate. If the insolvent debtor has absconded the court may make a like order. Subsequently, upon the advice of the creditors, a curator is appointed by the court, who takes charge of the debtor's estate, subject to the supervision of the creditors and the order of the court. The curator realizes the estate and distributes the proceeds, the costs and privileged claims ranking first and afterwards the ordinary claims *pro rata*. The debtor is not discharged by this abandonment from the claims due by him; the law merely provides for the equitable distribution of the estate and the suspension of proceedings by individual creditors carrying costs against the estate. Judgment can be entered against an insolvent debtor notwithstanding the abandonment if the claim be not prescribed, but the assets do not rank against the estate. If the creditor making the demand of abandonment be a non-resident he must give a special power of attorney to somebody in the province to act on his behalf, and must at the same time file his sworn claim, supported by vouchers.

Attachments.—The property of a debtor can be attached before judgment as well in his own hands as in the possession of third parties when the amount claimed exceeds \$5, upon the production of an affidavit setting forth any of the charges which are referred to under the head of "Arrest for Debt." Attachment for rent requires no affidavit. Attachment after judgment in the hands of third parties is effected by the service upon them of a writ ordering them to retain whatever effects or monies they may hold belonging to the debtor or which they may hereafter owe him, and requiring them to appear and specify the same,

and upon their delivering over such effects or monies, as ordered by the court, they obtain a judicial discharge.

Bankruptcy.—See "Assignments."

Bills of Exchange and Promissory Notes.—Our law on these matters is governed by the Bills of Exchange Act of Canada, which applies to all the provinces.

Bills of Sale and Chattel Mortgages.—There is no chattel mortgage in this province. Bills of sale of movable effects may be made, but cannot be considered effective as against other creditors unless the debtor is dispossessed of the property and the same be taken over by the creditor.

Costs.—Including the fees of attorneys as fixed by tariff, are taxed against the losing party. These costs are taxed to the attorney of the successful party and not to the party himself. A non-resident plaintiff can be required to furnish security for the costs, which may be incurred by the defendant, and to produce a power of attorney authorizing his legal attorney or other resident to prosecute the action.

Courts, Jurisdiction of.—The province is divided into judicial districts, and a debtor must be summoned before the court of the district where (1) he has his domicile, (2) he is personally served, or (3) the right of action accrued.

The following are the principal Civil Courts of the province: *The Circuit Court*, which has jurisdiction in most cities to the extent of \$100, and elsewhere to the extent of \$200. There is no appeal from the judgment of this court when the amount claimed is under \$100. 2. *The Superior Court*, which has original jurisdiction in all civil matters of whatsoever nature and in suits involving an amount over the Circuit Court jurisdiction. The Appellate Courts are: 1. *The Superior Court sitting in Review*, which is presided over by three judges of the Superior Court, and which sits only in the cities of Montreal and Quebec. 2. *The Court of Queen's Bench (appeal side)*, which is presided over by five judges, and which also has its sittings only in the cities of Montreal and Quebec at specified times. When the amount involved is under \$2,000 the judgment of this court is final; when the amount exceeds this sum or the suit has reference to fees, etc., of the Crown, or future rights, an appeal lies to the *Supreme Court of Canada* sitting at Ottawa. If the amount involved exceeds £500 sterling, an appeal also lies to the *Privy Council* in England, whose decision, being consented to by Her Majesty, is final. An appeal also lies in certain cases direct from the Superior Court sitting in review to either the Supreme Court or the Privy Council.

Commissions.—In the case of witnesses residing out of the province, commissions may issue to take the evidence of such witnesses upon interrogatories and cross-interrogatories which have been allowed by the court. Attached to the commission are instructions for its execution. An open commission can only issue by consent of the parties.

Execution.—In commercial matters and cases of a summary nature, execution can issue eight days after judgment against the debtor's property and effects. In other cases execution can only issue at the expiration of 15 days from date of judgment. It may issue before the above delays upon the filing of a special affidavit showing sufficient cause. (See "Attachments against Property.")

Exemptions.—The exemptions allowed a debtor are: 1. The bed, bedding and bedsteads in use by himself and family; 2, the ordinary and necessary wearing apparel of himself and his family; 3, household effects to the extent of \$50, 50 vols. books, family portraits,

sewing machine; 4, fuel and food sufficient for the debtor and his family for three months; 5, one span of plow horses, one yoke of oxen, one horse, one summer vehicle and one winter vehicle, and the harness used by a carter or driver for earning his livelihood; one cow, two pigs, four sheep, the wool from such sheep, the cloth manufactured from such wool, and the hay and other fodder intended for feeding the said animals, and further, the following agricultural tools and implements: One plow, one harrow, one working sleigh, one tumbrel, one hay cart, with its wheels and the harness necessary for farming purposes; 6, tools and implements or other chattels used in trade to the value of \$30; 7, bees to the extent of 15 hives.

Books of account, titles of debt and other papers in possession of the debtor are exempt from seizure; also: 1, Sacred vessels and things used for religious worship; 2, alimentary allowances granted by a court; 3, sums of money given or bequeathed upon the condition of their being exempt from seizure; 4, sums of money or pensions given as alimony; 5, wages and salary not yet due, pay and pensions of persons belonging to the army and navy, salaries of school teachers, contingent emoluments and fees due to ministers of worship by reason of their actual services and the income of their clerical endowment; 6, salaries of public officers to the extent of from $\frac{2}{3}$ to $\frac{1}{3}$, according to salary; wages of workmen and laborers to the extent of $\frac{1}{3}$.

Examination of Judgment Debtor—There is no procedure at present existing to permit of examination of a debtor, with the view of ascertaining his means and to procure an order from the Court to compel him to pay any fixed sum at specified times. The only means of satisfying a judgment are by way of execution and garnishment.

Fraudulent Conveyances—Creditors may in their own name impeach fraudulent conveyances made by their debtors. A gratuitous conveyance is deemed fraudulent, if the debtor be insolvent at the time of making it. An onerous contract made by a debtor with a person who knows him to be insolvent is deemed to be fraudulent. A payment made to a creditor knowing the insolvency is deemed to be fraudulent, and the creditor may be compelled to restore the amount or thing received, or the value thereof, for the benefit of the creditors generally. Suit to set aside a fraudulent conveyance must be brought within one year from the time of the creditor obtaining a knowledge thereof.

Garnishment.—See "Attachments."

Interest—The legal rate of interest in this province is six per cent., but any rate may be agreed upon between the parties. There are special laws restricting the rate of interest with regard to certain corporations. Interest is not allowed on open accounts unless specially agreed to.

Judgments in commercial cases, when the debtor makes default, can be secured in from five to ten days after service. If not appealed from within six months, judgments are final. Judgments are prescribed by thirty years, but as in other cases, prescription can be interrupted by certain proceedings. When registered against an immovable property judgments become an hypothecary claim, with rank from the date of such registration. Judgments rendered by the Courts of any other province of the Dominion in a suit in which the defendant was personally served in that province, or which he has contested, are binding in this province, but a new action must be taken, based upon such judgment, before the same can be rendered executory here. Judgments rendered out of the Dominion of Canada are of no avail in this province.

Limitation of Actions—Actions for slander, for libel, for wages where an employee is under engagement for less than a year, for

hotel and boarding house charges, and for bodily injuries, are prescribed by one year. Actions for seduction, for damages resulting from certain offences, for wages of workmen hired for a year or more, and for teachers' claims, are prescribed by two years. Actions on open contracts, for restitution to minors, by lesion, for rectification of tutors' accounts, promissory notes, professional fees, and commercial matters generally, are prescribed for five years. Actions for rescission of contracts, and upon architects' and contractors' warranty, are prescribed by ten years. Actions for all other matters are prescribed by thirty years. In certain cases short prescriptions of three and six months are specially fixed. These apply generally to actions for damages against municipalities, railway companies and certain public corporations.

Married Women.—Are either in community of property with their husbands, or they are separate as to property. Separation of property must be agreed on by ante-nuptial contract, or it may be ordered by judgment of the court upon cause shown. In the absence of separation of property the wife can hold no movable property in her own name, except what may be willed or bequeathed to her by a third party to be her own private property. The husband during his lifetime has the sole administration of the common property, but at his death, or the dissolution of the community when ordered, the wife takes one-half of the common property. The husband can only will his own half. Immovable property which may belong to the wife before marriage, or coming to her from her parents or other ancestors, does not fall into the community, but belongs to her; the rents of such immovable property only fall into the community; the wife when separate as to property has the administration thereof, but in the sale or realization she requires the authorization of her husband, or, in the event of his refusal, of a Judge. A married woman may be a trader, but she must register her intention of carrying on such trade, and unless she is separate as to property her effects in trade would be responsible for her husband's debts. Marriage contracts must be registered within 60 days. A wife cannot bind herself or become security for her husband.

Registry for Deeds and Wills.—All deeds or wills affecting immovable property must be registered in order to preserve the rights conveyed thereby, in the office of registration division within which the property is situated. Deeds of donation, marriage contracts and similar documents must be registered in the office of the registration division within which the donor or husband resides.

Taxes.—Every commercial corporation carrying on business in this province is obliged to pay a Local Government Tax according to the amount of capital paid up, and the business carried on, and an additional tax for each office. The succession tax applies to estates exceeding \$3,000, and ranges from one-half to ten per cent, according to the value of the estates and the relationship of the person who inherits. A General tax of one per cent. is exigible on all sales of transfers of real estate.

These taxes are in addition to the ordinary municipal assessments.

Wills.—Persons of the full age of majority (21 years), and of sound intellect only can make wills, in one of the following forms: 1. **NOTARIAL**—Before two notaries, or one notary and two witnesses. This will remains in the custody of the Notary, who grants copies which are authentic. 2. **HOLOGRAPH**—Wholly written and signed by the testator, no witnesses being necessary. 3. **ENGLISH FORM**—Which requires to be signed in the presence of two witnesses. The two latter wills must be filed in court and probate thereof secured.

In the event of intestacy, the heirs, whenever there is property belonging to the estate without the limits of the Province, can obtain from the Court letters of verification.

SYNOPSIS OF THE LAWS OF NOVA SCOTIA

Compiled by Messrs. Harrington & Chisholm,
Barristers, Halifax, N.S.

Revised to January 1st, 1896.

Arrest—In causes of action in the Supreme Court for \$80 or more, whether for debt or damage, but before final judgment, where the creditor can prove to the satisfaction of a Judge or Commissioner such cause of action, and that the defendant, is about to leave the Province an order for arrest can be obtained. After final judgment the debtor cannot be arrested except where the judgment is for a fine or penalty or imprisonment, and for taxes. In the County Courts the procedure is similar, but jurisdiction is limited to \$400.

Bankruptcy—An assignment by an insolvent trader or debtor may be made to any person in trust for creditors. There is no provision by Statute regulating assignments or requiring the distribution of insolvent estates to be ratable. The debtor may prefer his creditors in his assignment in the order he desires. Like other transfers of property, it must be either recorded or filed or both, according as the property may be real or personal, or including both.

Barristers—A barrister or attorney of any court in Her Majesty's colonies, or in Great Britain or Ireland, shall be entitled to be admitted to practice in the Supreme Court of Nova Scotia on producing certificates of their admission, and of good moral character.

Bills of Sale and Chattel Mortgages—It is necessary that the original or a copy shall be filed in the Registry of Deeds, and shall be accompanied by an affidavit of the party giving the same, or his agent or attorney, setting forth the *bona fides* of the transaction, and that the debt is justly and honestly owing, otherwise it shall be void as against assignee for creditors, purchasers and execution creditors who have seized.

Conditional Sales—Every agreement for the sale of goods and chattels, and a hiring or lease accompanied by immediate delivery and change of possession, whereby it is agreed that the property in the goods and chattels, or a lien thereon for the price or value thereof, shall remain in the hirer, lessor or bargainor until payment, must be in writing and signed by the parties and accompanied by an affidavit setting forth the contract, and must be registered as a Bill of Sale or Chattel Mortgage, otherwise it shall be void as against the parties mentioned that a Chattel Mortgage would be if not registered.

Courts, and Jurisdiction of—The Supreme Court has jurisdiction in all actions for damages and in debt for \$50 and upwards, and has all the powers of the Court of Chancery in England. The County Courts have jurisdiction in all actions for debt where the amount is at least \$20 but not exceeding \$400, and in all actions for damages not exceeding \$400.

The Court for Divorce and Matrimonial Causes has jurisdiction relating to prohibited marriages and divorce.

Execution—May issue on the entry of a judgment in the Supreme and County Courts, unless pending an appeal, an order for a stay has been granted. When delivered into the hands of the Sheriff it binds the goods of the judgment debtor against all persons except a *bona fide* purchaser. The lands of the judgment debtor are not bound by the issue of an execution, but are by the recording in the Registry of Deeds of a certificate of the docket of judgment, and may be sold by virtue of the execution after one year from the date of the recording of such certificate.

Imprisonment for Debt under execution has been abolished. A creditor who has a judgment can however examine his debtor as to his means and ability to pay the debt before a Judge or a Commissioner, and the debtor may be ordered to pay the debt by instalments, and if he makes default he may be committed. The following property is exempt from execution; The necessary wearing apparel, beds, bedding and bedsteads of the debtor and his family. Certain house furniture and utensils for domestic use, ten volumes of religious books and fishing nets, the value of which is not to exceed twenty dollars. All necessary fuel, meat, fish, flour and vegetables actually provided for family use, not more than sufficient for the ordinary consumption of the debtor and his family for thirty days, and not exceeding in value the sum of forty dollars. One cow, two sheep, and one hog, and food therefor for thirty days; tools and implements of, or chattels ordinarily used in the debtor's occupation, to the value of thirty dollars.

Garnishment—Debts due a judgment debtor may be attached or garnished. Beside the exemptions at Common Law from this process our statutes enact that the wages of a servant, laborer or workman shall not be subject to attachment unless the debt amounts to or exceeds forty dollars, and if the debt exceeds forty dollars it shall be bound only as to the excess.

Interest—The laws of Canada regulate this. Interest is recoverable on all written agreements to pay a specific sum at a specific time, and also on accounts current where in the course of dealing between the parties interest has been paid, or where there is an express oral agreement to pay interest.

Judgments—In actions to which the defendant does not appear, judgment may be entered in ten days after the service of the writ where the cause of action is a liquidated debt or a money claim. In all other cases, in default of appearance, an order of a Judge for judgment must be obtained. A defendant may by his warrant of attorney authorize a judgment to be entered up against him on the issuing of the writ.

Limitation of Actions—Trespass for assault, battery, wounding or imprisonment, actions on the case for words and prosecutions for taking illegal interest, must be brought within one year; actions for trespass to lands, assumpsit, detinue, trover, replevin, debt grounded upon any lending or contract without specialty, for rent, account or upon the case within six years. Actions for the recovery of lands, moneys secured by any mortgage, judgment or lien or otherwise chargeable upon any land or rent or any legacy, and actions upon any deed, covenant or instrument under seal, shall be brought within twenty years. Part payment or acknowledgment in writing will extend the period of limitation.

Married Woman—A married woman may contract to carry on business, sue and be sued, in the same manner as if unmarried. To carry on a separate trade she must file the written consent or license of her husband, and register a certificate or declaration specifying her intended business and the place where she proposes to carry it on. The husband must be joined in all actions brought by or against her. She has the right of dower in her husband's real estate, and can dispose of her property by will without her husband's consent.

Registry—Deeds executed in the province must be executed in the presence of a witness who shall make oath of its execution before a barrister or J. P., or a Notary Public, or the party making the deed may acknowledge its execution under oath before any of the said functionaries. Deeds may be proved out of the province as well in foreign countries as in the British Dominions by the oath of a subscribing

witness, to be administered by a Commissioner appointed to take affidavits out of the province by a Judge of a Court of Record, by a Mayor of any city, a Justice of the Peace or a Notary Public who shall certify to the attestation. When the certificate is made by a Justice of the Peace it must be authenticated by a Notary Public. When the deed is proved in a foreign country any Public Minister, Ambassador or Consul or Vice-Consul from the Court of Great Britain may administer such oath.

To bind lands all deeds, judgments and attachments shall be registered in the office of the County or District in which the lands lie, and unregistered deeds or mortgages shall be void against any subsequent purchaser or mortgagee for valuable consideration, who shall first register his deed or mortgage.

Grants from the Crown must also be recorded.

Wills—No person under the age of 21 years can make a will. A married woman without her husband's consent can make a will. No will is valid unless in writing, signed at the foot by the testator or by some person in his presence and by his direction. The execution must be acknowledged in the presence of two or more witnesses who shall attest and subscribe in the presence of the testator. Change of domicile will not revoke the will. Marriage will except where the will is made in exercise of a Power of Appointment. Property situate within the Province disposed of by will or other instrument, intending to take effect after death of the value of \$5000, after payment of all debts and expenses, is subject to a succession duty, if testator has not certain relatives. This duty is also chargeable upon intestate estates the value whereof exceeds \$5000, in the absence of certain relatives.

LAWS OF THE PROVINCE OF MANITOBA

Compiled by **G. G. Mills, Esq., Barrister-at-Law, of the Ontario and Manitoba Bar.**

Arrest—IN QUEEN'S BENCH—A *Capias ad Respondendum* may issue on affidavit showing a cause of action or damages for \$100, or upwards, and that defendant is about to abscond with intent to defraud, etc.

A *Capias ad Satisfaciendum* issues after judgment on judge's order as of course, if proceedings had been instituted by *Ca. Re.*; otherwise must issue on similar grounds to *Ca. Re.* If a judgment debtor refuses to be examined as to assets, or on examination discloses fraudulent disposition of property, he may be imprisoned. Married women are exempt from such arrest.

IN COUNTY COURT—The defendant may be summoned to attend for examination as a judgment debtor, and if he refuse to attend or to be sworn, or to answer, or if it appear by his own or other evidence that he obtained credit or incurred the debt by false pretences, or by fraud or breach of trust, or that he contracted the debt without reasonable expectation of being able to pay it, or that he has fraudulently disposed of his property, or if it appear that the party, when summoned, or since the judgment was obtained, had sufficient means or ability to pay the debt all at once or by instalments which the Court has ordered to be paid, and the debtor has neglected or refused to pay at the time and in the manner ordered, the judge may imprison the debtor for any period not exceeding forty days with or without hard labor, but this shall not discharge the debt.

Attachment—Can issue in case of a debtor who has departed from the province with intent to defraud his creditors, or those having causes of action against him, or to avoid being arrested or served with process, or who keeps himself concealed with the like intent; or in the case of a non-resident debtor when he is legally liable to a resident creditor on a contract or obligation to be performed in the province, or liable to be compensated for in damages; or when the debtor, whether resident or non-resident, is about to transfer or remove any of his property from the province, or has already done so, with intent to delay, defeat or defraud his creditors, or those who have causes of action against him.

The Writ of Attachment on delivery to the sheriff binds all the chattel property to the defendant which is not exempt from seizure under execution, and takes priority over any chattel mortgage, bill of sale, or assignment for benefit of creditors, executed by the defendant, or taking effect after receipt of writ by the Sheriff; but does not take priority over a *bona fide* sale by defendant of any of his chattels followed by actual and continued change of possession without actual notice to the purchaser that the writ is in the Sheriff's hands. The Court issues certificates of the attachment, which on being registered bind the defendant's lands in like manner. Notice in writing by the Sheriff of the writ to debtors of the defendant binds the debt in their hands. If there are several attaching creditors the proceeds are divided ratably. If process is served in an ordinary action before issue of attachment and execution obtained in that action before being obtained in the attachment action, such execution takes priority over the attachment.

Bankruptcy—Assignments for benefit of creditors are provided for by statute, and a debtor may assign to a trustee all his property, real and personal, credits and effects which may be seized or sold under execution, and the assignment takes priority over executions and attachments delivered to the sheriff after the execution of the assignment.

The trustee realizes the estate and after payment of expenses distributes the proceeds *pro rata* amongst all the creditors of the debtor. The same statute provides that fraudulent and preferential conveyances, gifts, transfers, or delivery of any kind of property, are void as against creditors; and provision is also made for the recovery of the proceeds of effects illegally assigned, from the person to whom the debtor has so illegally assigned same.

Bills of Sale and Chattel Mortgages—Sales and mortgages of personal property not accompanied by an immediate delivery and followed by an actual and continued change of possession, are absolutely void as against creditors of vendor and mortgagor, and subsequent purchasers or mortgagees in good faith for value without actual notice, unless a bill of sale or mortgage or a true copy of the mortgage be filed with the clerk of the County Court in the Judicial Division where the goods and chattels are situate, accompanied by an affidavit of execution, and an affidavit of the vendee or mortgagee showing the good faith of the transaction. Such mortgage must be renewed within 30 days preceding the expiration of two years from date of filing, by filing a true copy and a statement exhibiting the interest of the mortgagee in the property, and showing the amount due and payments made, and that mortgage is not kept on foot for any fraudulent purpose, otherwise it will cease to be valid as against creditors and subsequent purchasers and mortgagees in good faith for valuable consideration. A chattel mortgage may comprise growing crops and crops to be grown within a year from date of mortgage.

Courts and Jurisdiction—QUEEN'S BENCH is a Court of record of original and appellate jurisdiction, and possesses all the jurisdiction powers and authorities in all matters civil and criminal whatsoever, which, by the laws of England, were on the 15th of July, 1870, possessed and exercised or incident to the Court of Chancery in England, and by Superior Courts of Common Law at Westminster, and by the Court of Chancery at Lincoln's Inn, and by the Court of Probate and by any Court in England having cognizance of property and civil and of crimes and offences; and holds plea in all and all manner of actions and decides all matters of controversy relative to property and civil rights.

Procedure and rules of evidence are regulated by the rules of evidence and modes of practice and procedure as they existed in England on the 15th July, 1870, except as altered by Provincial statute and rules of Court. The Court is composed of a Chief Justice and three Puisne Judges, three of whom sit as a Court of Appeal four times a year, which is the highest Court of Appeal in the Province, and appeals therefrom may be had to the Supreme Court of Canada.

County Court—Has jurisdiction in all actions of tort where the damages claimed do not exceed \$250, and in replevin where the value of the goods do not exceed \$250, and in all personal actions for claims and demands of debt account, breach of contract, covenant or money demands to the extent of \$250; but have no jurisdiction in actions for gambling debts, or for price of liquor drunk in a hotel; or where the title to land is called in question, or the validity of any will is called in question, or in any action for malicious prosecution, libel, slander, etc., or actions against Justices of the Peace. The procedure is simple and inexpensive, and debtors may be ordered to pay the debt at a stated time or times, and in default be committed to gaol as for contempt (see arrest).

Evidence—All parties can testify upon oath (or affirmation, if oath objected to); husband and wife also, except in criminal cases. In suits against personal representatives, evidence as to matters prior to death must be corroborated.

Execution—IN QUEEN'S BENCH—Execution issues on judgment by default after 8 days from last day of appearance to writ, in case of debt. In case of promissory notes and bills of exchange, defendant has

to obtain leave of Court before allowed to defend, and if leave not so obtained, judgment may be signed and execution issued 12 days after service.

IN COUNTY COURT—Issues 6 days after judgment, or immediately on Judge's order.

PRIORITY—Executions take priority according to date of delivery to Sheriff and bind the defendants, chattel property from delivery to Sheriff and take priority over chattel mortgage, bill of sale and assignment for benefit of creditors executed or taking effect after delivery of the execution to the Sheriff; but do not take priority over a *bona fide* sale by the judgment debtor, followed by an actual and continued change of position of any of his goods and chattels without actual notice that the writ is in the Sheriff's hands.

Exemptions—Following property is exempt from seizure under executions:—

(a) Bed and bedding, household furniture and effects in use of debtor and his family to value of \$500.

(b) Ordinary clothing of debtor and his family.

(c) Twelve volumes of books, the books of a professional man, an axe, saw, gun and six traps.

(d) Necessary food for debtor and his family for 60 days.

(e) Two cows, 3 oxen or horses, or mules (if used in earning his living), 4 sheep, 2 pigs, 12 fowls and food for same for 60 days.

(f) Tools, agricultural implements and necessaries used by debtor in practice of his trade, profession or occupation to the value of \$500.

(g) Articles of furniture necessary to performance of religious service.

(h) The land upon which the debtor or his family actually reside and which he cultivates or uses for grazing or other purposes to the extent of 160 acres.

(i) The house, stables, barns and fences on the debtor's farm.

(j) All necessary seeds or roots for the seeding and cultivation of 30 acres.

(k) The actual residence or home of any person other than a farmer to the value of \$1,500.

Garnishment—In both Queen's Bench and County Court, plaintiff may in all actions (as well damages as actions of debt, etc.), at any stage of the action, garnish all debts, obligations and liabilities due, owing and payable or accruing due. Provided that the wages or salary of a mechanic, laborer, servant, clerk or employee to the extent of \$25 are exempt from garnishment and only the excess over \$25 can be garnished.

Interest—Legal rate, six per cent. Any rate can be agreed upon and collected.

Limitation of Actions—Actions must be brought within six years on open account, promissory notes, simple contracts, etc.; within ten years on judgments and on mortgages and on money charged in any way on land; or within the like time in either case from the last payment on account or acknowledgment in writing signed by the party chargeable, or his duly authorized agent.

Married Women—May hold and enjoy property free from the debts and control of their husbands in as full and ample a manner as if unmarried, and may contract with respect to their separate property, and may also trade and carry on business as if unmarried.

THERE IS NO DOWER, but the wife takes the same right in land of her deceased husband as if it were personal property; that is, if he dies intestate leaving issue, she takes one-third of his whole estate, real and personal, absolutely, and the children the other two-thirds in equal shares; if the husband leaves no issue then the wife takes the whole of his property.

Registration—Registry laws are in force and the title to all

lands may be registered, and if so registered documents take priority over unregistered unless there is actual notice of the prior unregistered instrument of title.

Affidavits of execution for the purpose of registration may be made before the following persons:

- (a) If made in Manitoba it may be made before—
 - (1) Any person authorized to take affidavits in the Province; or before—
 - (2) The Registrar or deputy-registrar of the district in which the lands lie; or before—
 - (3) Any Justice of the Peace for the Province.
 - (b) If made in any of the other Provinces of the Dominion or in Great Britain or Ireland, it may be made before—
 - (1) A Judge of any of the Superior Courts of law or equity therein; or before—
 - (2) A Judge of any of the County Courts within his district; or before—
 - (3) The Mayor or chief magistrate of any city or borough or town corporate therein, certified under the common seal of such city, borough or town corporate; or before—
 - (4) Any Notary Public, certified under his official seal; or before—
 - (5) A Commissioner for taking affidavits outside the Province to be used in the Province.
 - (c) If made in the North-West Territories of the Dominion of Canada or in the District of Keewatin, it may be made before—
 - (1) A Judge of any Court or police magistrate; or before—
 - (2) A Commissioner authorized to take affidavits for use in said territories or district, or for use in this Province; or before—
 - (3) Any Notary Public under his official seal, or any Justice of the Peace.
 - (d) If made in British Possessions in India, it may be made before any magistrate or collector, certified to have been such under the hand of the Governor of such Possession.
 - (e) If made in any other British colony or possession, it may be made before—
 - (1) A Judge of a Court of Record, or of any Court of supreme jurisdiction therein; or before—
 - (2) The Mayor of any city, borough or town corporate, and under the common seal of such city, borough or town; or before—
 - (3) Any Notary Public certified under his official seal.
 - (f) If made in any foreign country, it may be made before—
 - (1) The Mayor of any city, borough or town corporate of such country, and under the common seal of such city, borough or town corporate; or before—
 - (2) Any consul or vice-consul of Her Majesty resident therein; or before—
 - (3) A Judge of a Court of Record or a Notary Public, under his official seal.

What is commonly known as "The Torrens System" of titles is also in force and all lands may be bought under the system. On the title being investigated and found good a certificate of title is issued which is absolute and indefeasible and cannot be questioned except for fraud.

Wills—All persons of sound mind and of the age of 21 years may dispose of every kind of property and of every interest therein by will, which must be in writing signed at the foot or end thereof by the testator or by some other person in his presence and by his direction and the signature shall be made or acknowledged in the presence of two or more witnesses present at the same time, and the witnesses must attest and subscribe the will in the presence of the testator, except a holograph will, wholly written and signed by the testator himself, which is not subject to any particular form and does not require any attesting witnesses.

LAWS OF THE PROVINCE OF BRITISH COLUMBIA

Compiled by Messrs. Forin & Forin, Barristers, Van-
couver, B.C., of the British Columbia and Ontario Bar

Absconding Debtor.—If any person resident in British Columbia, indebted to any other person to an amount exceeding \$100, departs from the province, with the intent to defraud his creditors, his goods are liable to seizure under a writ of attachment.

When a plaintiff has such a claim and can show that the debtor has left the province to avoid being arrested or served with process, or to defraud the plaintiff, any Judge of the Supreme or County Court, according to jurisdiction, may direct a writ of attachment to issue, and may appoint in the order a time for the defendant to put in special bail, having due regard to the distance of the place where the absconding debtor is supposed to have gone.

Arrest—1 and 2 Vict., chap. 110, respecting arrest of the defendant, in certain cases, is still in force; where the plaintiff shows to the satisfaction of the Judge that he has a cause of action against the defendant and that he is about to leave the province, the Judge will direct that the defendant be arrested and held to special bail, on a writ of *capias ad respondendum*, for such sum (\$100 or upwards), as may be shown due; after judgment a writ of *capias ad satisfaciendum* will issue under like circumstances. Maintenance money of \$3.50 a week must be paid in advance to the sheriff on his executing the writs of Ca. Re., Ca. Sa., and *ne exeat regno*.

The County Court has the same powers of arrest as the Supreme Court, within its jurisdiction.

Assignments.—An assignment may be made of all real and personal property to any person, for the purpose of rateably satisfying creditors; it takes effect when deposited in the Land Registry Office in the District in which the debtor resides, to be recorded; it must also be recorded in each of the Land Registry offices of the province; it is also necessary that notice of the assignment should be published in the *British Columbia Gazette* and in a daily newspaper for one month.

The assignee may be removed by any Judge of the Superior Court on the application of a creditor, on petition supported by an affidavit. All questions arising at creditors' meetings are decided by a majority of votes given by the Act on a sliding scale, according to the amounts of the claims.

Bills of Sale and Chattel Mortgages.—Must be filed with the District Land Registrar, or other person appointed by the Act, within 21 days after the making thereof. A statutory affidavit of execution is required. Chattel mortgages must be renewed quinquennially. If the Bill of Sale is subject to any defeasance or condition or declaration of trust it must be written therein before filing, otherwise it is practically void against all but the mortgagee or vendee. There are provisions for filing in any part of the province when not within a Land Registry district.

Companies' Law.—This subject may be divided into four parts: 1st. "The Companies Act, 1862" (Imperial) has the force of law with a few minor changes as to registration. 2nd. "The Companies Act,

1878" (Provincial). This is an epitome of composite American company law, which was passed to avoid the more intricate English law; this again was simplified in 1890, by the statute of that year. 3rd. Any foreign company permitted by its charter to operate in British Columbia, may register itself and the members thereof. A foreign company under this part includes a company incorporated outside of the province, in any of the other provinces as well as in any other country. 4th. "The Companies' Act, 1890," which was passed to simplify the law relating to joint stock companies, provides generally:—That any three or more persons can by making and signing, as provided in the statute, a memorandum of association, in duplicate, stating the corporate name, the objects of the company, the amount of its capital stock and into how many shares divided, the time of its existence (not to exceed 50 years), the number of trustees and their names, who shall manage the concerns of the company for the first three months, and the name of the place in which the principal place of business is to be located, receive a certificate of incorporation. The memorandum may also state that a certain number of shares is allotted as preference stock. The powers of the company are set out and are generally co-extensive with individual powers, except, of course, that they must be exercised through the trustees for the time being, in the manner specified. The principal Act has been amended, in minor details, at every session of the Legislature since it was passed.

Conditional Sale of Chattels.—After the 1st January, 1893, every receipt note, hire receipt or order for chattels, given by any bailee of chattels, where the condition of the bailment is such that the possession of the chattel should pass without any ownership therein being acquired by the bailee until the payment of the purchase money, or some stipulated part thereof, shall be void as against any subsequent purchaser or mortgagee, unless a true copy of such note or receipt be filed with the official appointed for that purpose within 21 days from the bailment. Any vendor shall on application by a proposed purchaser or other interested person, within five days furnish full information respecting the amount due on any chattel.

Courts.—The Courts in British Columbia are the Supreme and County. The Supreme Court has five Judges, who preside over the several District Courts, and who sit *en banc* in the Divisional and Appeal Courts. The province is now divided into seven judicial districts. This Court has jurisdiction in all cases, except such as are reserved for the Federal Courts.

The County Court has general jurisdiction in all personal actions where the debt or damages claimed do not exceed \$1,000, but usually the actions in this Court are for much smaller sums. It also has large equitable jurisdiction, extending to \$2,500, which is very seldom invoked. The Judges of the County Courts are local Judges of the Supreme Court within their own districts.

The Small Debts Court is a statutory Court of the session of 1895, giving Provincial Magistrates certain civil jurisdiction, and is now *sub judice* as to being *ultra vires* of the Provincial Legislature.

Execution.—In the Supreme Court execution may issue forthwith after judgment, against goods, unless otherwise ordered; and against lands after a return of the execution against goods if returned unsatisfied; but *Fi. Fa.* lands will not issue within seven days after judgment, nor can the lands be sold within one month after the writ is delivered to the sheriff.

A judgment for the recovery of any property other than lands or money may be enforced by writs for the delivery of the property, of attachment or sequestration. A writ of execution need not be renewed.

In the County Court, execution may issue forthwith after judgment against goods, and against lands thereafter, by special order, as if in the Supreme Court.

Exemptions.—There is no exemption from distress for rent, except a limit of three months rent against goods sold conditionally to the tenant; lodgers' goods are also exempt.

Against seizure under execution there is an exemption of goods to the value of \$500; this to be demanded by the execution debtor within two days after the seizure; but no goods are exempt when the debt is contracted in respect to them. Land to the value of \$2,500 can be brought within the "Homestead Act," and it is then exempt to that extent.

Examination of Judgment Debtor.—In the Supreme Court the judgment debtor can be examined; this is done under the head of discovery in aid of execution; an order can be obtained for the examination of the judgment debtor or any other person, if it can be shown that it will assist in realizing the judgment.

In the County Court the judgment debtor may be examined under a judgment summons as to his property and income, and the Judge may direct the judgment to be paid in such manner as he deems fit, and in default may commit the debtor.

Garnishment.—Debts due to the debtor may be attached to the County Court, at the time of the issue of the summons; the Judge may, however, allow sufficient to the judgment debtor to maintain him and family, but this not to exceed \$40 a month.

In the Supreme Court debts due to the judgment debtor can only be attached after judgment, upon an order of the court issued upon affidavit.

Interest.—These laws are, of course, those set out in the statutes of the Dominion, and if in any case the Dominion statutes do not cover the case, the English law and colonial law as before Confederation controls, *i.e.*, before 1871, when B.C. joined the Dominion.

Laws.—The civil laws of England, as the same existed on the 19th day of November, 1858, except so far as the same do not apply from local circumstances, shall be in force in all parts of British Columbia. Such laws are held to be modified by all provincial legislation.

Judgments.—In the Supreme Court, where the writ of summons is endorsed for a liquidated demand, and the defendant fails to appear within eight days thereto, the plain iff may enter final judgment for any sum not exceeding the sum indorsed on the writ, together with interest at the rate specified, or if no rate be specified, at the rate allowed by law, to the date of judgment. Speedy judgment can also be obtained where a proper case can be made out that the defendant is only attempting to delay by his appearance, and has no good defence.

Judgment in the County Court can be signed, in default, after eight days from the service of the summons, if for a liquidated demand, and speedy judgment obtained as in the Supreme Court.

After judgments are signed, a certificate of judgment may be obtained, and when filed in the Land Registry becomes a charge on lands of the judgment debtor.

Limitation of Actions.—This law comprises the body of English law on the subject, too diversified to detail, but generally all actions of account, simple contracts, etc., must be commenced within six years after the cause of action arose, or an acknowledgment was given. And all actions brought for the recovery of land or things real must be commenced within 20 years.

Provided the claimant labors under no disability.

Married Women.—May now contract, ho'd and enjoy property, real and personal, in the same manner as if unmarried; and may also sue and be sued with reference to such separate estate. They have no right of dower, except in the case of the husband dying intestate.

Mining Law.—These are comprised in Legislative enactments, too numerous to de ail in a short space.

Generally. — Any person may become a free miner and prospect and locate mining claims.

Claims upon which mineral has been found can be located by a free miner. The size of the claim, 1,500 feet in length by 1,500 feet in breadth, in as nearly as possible a rectangular form; marked by two posts 1,500 feet apart, as near on the vein or ledge as possible; upon which shall be written the name of the claim, the name of the locator and the date of location; also on No. 1 post the approximate compass bearing of No. 2 post, and a statement of the number of feet lying to the right and left of the line between the posts.

It is necessary to do \$500 worth of work on the claim or pay \$500 to the Provincial Government before a Crown grant issues.

Leases of land for hydraulic and placer mining are also issued.

Mining companies can be formed with limited liability.

Coal prospecting licenses are issued; but coal now goes to the grantee of land, subject to a royalty.

Registration of Deeds.—The Land Registry Act provides, among other things:—

That a description according to an official survey shall be contained in the deed.

That a statutory form of affidavit of witness or maker, attorney or secretary of a corporation, shall be annexed; such affidavit to be made before, if without the province, and in British dominions,

To any Judge of a Court, or Clerk or Registrar of any Court having a seal; to any Notary Public, or any Magistrate of any town or district having a seal of office, or to any person commissioned in that behalf by the Lieutenant-Governor-in-Council.

And if acknowledged or proved without the British dominions, may be made,

To any British Ambassador, Charge d'Affaires, or Minister, Consul, or Consular Agent appointed to reside in the country where such is made;

Or, to any Judge of any Court of Record having a seal;

Or, to any Notary Public practising in such country, duly certified to be a Notary Public by some British Ambassador, Charge d'Affaires, Minister, Consul or Consular Agent, or Governor of the State, Province, or Territory.

A certificate of title is issued, which has to be produced when a transfer is registered. A fee of $\frac{1}{2}$ of one per cent. is charged on the declared value of the land transferred, and $\frac{1}{10}$ of one per cent. on a charge such as a mortgage; but the certificate is only prima facie evidence of title.
