The Big Celebration

Everything Will be Ready for Labor Day, Which Will be the Greatest Event in the History of Bridgetown

In an interview with Mr. C. B. Longmire, the bustling secretary of the celebration committee, who deserves a lot of credit for the manner in which he has handled the thousand and one things which are connected with an event of this kind, the MONITOR has obtained the following synopsis of the day's programme:

Flying machine will arrive at about 9 a. m. and will fly over the town before landing.

10.30 a. m. Base ball, Digby vs Bridgetown league game.

12 to 1.30 p. m. meals served in big tent on the Athletic grounds. This tent seats four hundred people at the tables.

1.45 p. m. after arrival of east bound express the big sreet parade starts from the D. A. R. station. Everyone should see this as this parade promises to be one of the best ever presented in our town.

The Annapolis Royal Band, of twenty pieces, under the direction of Mr. Paul Yates, will head the big parade. The Lawrencetown and Bridgetown bands will also line up in the parade. There will be another band—watch for it—known as the celebrated "Susie's" band which will render some classic selections. There will be many amusing calthumpian rigs in the parade as well as a number of "very funny" clowns.

2.30 p. m. on athletic grounds under the direction of Sgt. Major Gill 120 boys and girls all carefully trained, will take part in a grand march. Don't miss this event.

There will be exciting Tug of War and Hose Couplings, also all kinds of amusements including shooting gallery, African dodger and many other events and side shows going on full swing all the afternoon.

4.30 p. m. base ball, Middleton vs Annapolis. These are both league teams and promises to be the best game of the season.

The "Owl" train will run through to Digby leaving Bridgetown at 8.43 p. m. A special train will leave Bridgetown at 10.00 p. m. for Berwick.

LABOR DAY NOTES

It is hoped that every business house, every auto owner and many of our citizens will take part in the Labor Day parade. The prizes will be \$10.00 for the best float, \$10.00 for best decorated auto and \$10.00 for best float to enter the parade are requested to notify Mr. Fred R. Beck with not later than Saturday noon.

Mr. C. B. Longmire, secy of the Labor Day celebration, informs us that the night express from Halifax, known as the "Owl", will run as far west as Digby Labor Day, and that a special will leave here at 10 p. m. for Berwick.

Several exciting base ball matches are scheduled for the day. At 10.30 Digby will play a regular league game with Bridgetown. This was formerly arranged for Sept. 5th. At 4.30 Middleton plays Annapolis at Bridgetown.

We have been handed the following for publication which we publish verbatim.

At a public meeting Thursday evening the following ladies were appointed:

Commercial Cars Have Publicity Value

"The advertising value of owning a commercial car is important," says the Colonial Motor Co., local dealers in Chevrolet passenger cars and trucks.

"The use of a truck or a light delivery car adds to the prestige of any house. It reflects progressive policies and up to date methods. It places the owner as one of the 'leading merchants.

"In addition it is constantly carrying the merchant's name to all sections of the community. It is a constant reminder, making a definite impression on those he wants as new customers. Wherever it goes, and its territory is unlimited, it heralds the individual personality of the house it represents. It as truly reveals business character as the show window, but reaches more people. Not only in appearance does the commercial car indicate character. Its efficiency and economical utility and its capacity for improved service to customers are common knowledge, and the merchant who avails himself of these advantages commands popular respect.

"In addition his motor delivery system represents to all who see it a substantial investment in support of his ideas. This is the courage of conviction best understood and appreciated by the business and financial men in his community.

"And such a demonstration of his ambition to keep in the front rank of progress is an indication not only of his constructive vision, but of his readiness at all times to adopt and capitalize still other progressive projects. The commercial car is a tangible asset, therefore, over and above its own intrinsic value and the value of its utility. It may be regarded as a sort of business rating, seen and respected everywhere as a hall mark of modern business efficiency.

I heard about 'Fruit-a-lives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it.

Some Reasons Why You Should Patronize the Merchant at Home, who sells for Cash

- FIRST: You do not have to make up his losses in bad accounts for he has none.
 - SECOND: The profits he makes are spent at home and directly or indirectly find their way back to you again.
 - THIRD: Having sold for cash, he can buy for cash and thus buy cheaper.
 - FOURTH: The more you increase his sales, the more he can decrease his profits and you get the benefit.
- My aim is to place before you the best goods I can get, at the lowest possible price. Call and inspect my stock.

THE JOY OF MOTHERHOOD

Came to this Woman after Taking Lydia E. Pinkham's Vegetable Compound to Restore Her Health

Ellensburg, Wash.—"After I was married I was not well for a long time and a good deal of the time was not able to get about. Our greatest desire was to have a child in our home and one day my husband came back from town with a bottle of Lydia E. Pinkham's Vegetable Compound and wanted me to try it. It brought relief from my troubles. I improved in health so I could do my household work; we now have a little one, all of which I owe to Lydia E. Pinkham's Vegetable Compound."—Mrs. O. S. JOHNSON, R. No. 3, Ellensburg, Wash.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound. Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years experience is at your service.

Granville Centre
The Granville Centre hall was again taxed to its utmost on the evening of the 31st, when the many friends of Rev. I. Brindley met to share with him in welcoming the return from overseas of his son Sergt Thos. L. Brindley. On the platform with them were Rev.'s Patterson and Penny, of Granville Ferry, Rev. Dr. King, of Worcester, Mass., and Rev. Lew. Wallace, who with his wife is doing evangelist work among the Baptist churches of N. S. and P. E. I., and who to the delight of his many friends here was able to present on this occasion and occupied the chair for the evening. Several choruses, quorette, song by Miss Hilda Allen, Yarmouth; reading by Mrs. Harry Reed, of Granville Ferry, addresses by the clergymen present, formed the program for the evening, closing with an earnest address by our returned soldiers. At a late hour refreshments were served, closing with the National Anthem.

There passed away from his late residence on Aug 4th, one of Granville Centre's most highly respected citizens in the person of Burton Chase Eaton at the age of 71 years. Two years and a half ago Mr. Eaton suffered a stroke of apoplexy, from which he never fully recovered, although he was able to be around until four weeks previous to his death. Deceased was the second youngest son of the late Woodworth Eaton, and lived his entire life on the homestead farm where he was born. A quiet an unassuming manner, combined with a most generous nature and his liberality in religious and philanthropic work has left a vacancy not easily filled. But it is the home that has sustained the irreparable loss, for from that home there was pushed out a most kind, loving, and indulgent parent, who since the death of his wife fifteen years ago has been both father and mother, to the children who remain to cherish his memory, viz: V. Arnold Eaton, Granville Centre; Miss Annie W. Eaton, Revelstoke, B. C.; Mrs. C. W. Cook, Parrsboro, N. S.; Misses Estelle, Vera and Leta at home. His eldest daughter, Miss Ethel, died in Revelstoke, seven years ago, while teaching there, a son Judson W. gave his life for country in June 1915. His eldest son Francis Eugene died in infancy. The consciousness of duty well done, and that he awaits them on a brighter shore is a comfort to the bereaved hearts. The funeral was held on the afternoon of the 6th inst. Rev. I. Brindley, pastor of the U. B. Church of which the deceased had been a member for over thirty years, spoke words of assurance and comfort from the text "He giveth his beloved sleep". The casket was completely covered with the most beautiful floral offerings from the following: Spray, Estelle and Annie; Wreath, Arnold and Charlotte; Spray, Vera and Leta; Pillow, Gladys and Clarence; Spray, Mr. Harry Bent; Cross, Mr. and Mrs. Philip Inglis; Wreath, Mr. and Mrs. H. E. Bent; Wreath, Mr. and Mrs. F. H. Willett; Cut Flowers, Mrs. T. McCormick; Cut Flowers, Mrs. J. McCormick, Cut Flowers, Master Grant Eaton.

GUARD BABY'S HEALTH IN THE SUMMER
The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont. . .

Capt. F. S. Patty, Ex-Passenger Agent Northern Pacific, Discusses Former Troubles

Nearly everybody in Knoxville, Tenn., especially railroad people, know Captain F. S. Patty, for twelve years district passenger agent for the Northern Pacific railroad, with local offices in Chattanooga and general offices in St. Paul, Minn.

On account of generally failing health Capt. Patty was forced to discontinue active work and for the past few years has been making his home in Knoxville, where he numbers his friends by his acquaintances. He is a kind, genial gentleman of the old school and is beloved by all who know him. The following interesting statement was made by him in person to the *Tanlac* representative:

I am 69 years old and always enjoyed good health up to about six years ago, when I suffered a nervous breakdown and my general health gradually failed me. My principal trouble was indigestion and catarrh, but my whole system seemed to be out of shape. My condition finally got so bad I couldn't sleep at night and suffer so from indigestion I would burn that I felt just like there was a coal of fire in my stomach. My hearing and vision were also affected. I consulted several doctors here in Knoxville and other cities and they helped me considerably and I finally got so I could go around, but somehow I just couldn't feel right and

could not sleep at night, which made me awfully nervous and nothing I would eat seemed to agree with me.

I began reading about this *Tanlac* when you first came here, but did not decide to try the medicine until I talked with a friend of mine who had actually used it. He said it was the best thing he had ever taken, and that was sufficient proof for me.

I have just finished the first bottle and came here this morning, not only to buy the second bottle, but to tell you just what it has done for me. I began enjoying my meals from the first few drops. My nervousness is gone and I can sleep like a child and always wake up in the morning ready for breakfast and feeling refreshed. I am very fond of onions, but was almost afraid to eat them, because they always disagreed with me so; I could taste them for hours afterwards. I ate one for dinner the other day and it agreed with me perfectly and I felt no bad after effects whatsoever. I tell you I am beginning to feel like a different man and am always going to keep this *Tanlac* on hand. It has done me more good than anything else in the medicine line I have ever taken. I certainly do recommend it to my friends. It is really remarkable.

Tanlac is sold in Bridgetown by S. N. Wear, in Middleton by Clifford A. Mumford, and in Bear River by L. V. Harris.

Rural Deanery and Forward Movement

The clergy of Annapolis Rural Deanery met in chapter at Granville Ferry Monday and Tuesday Aug 11th and 12th. Rev. Dr. Driffield, Rural Dean, presided and all the clergy of the Deanery were present except the Rev. A. W. L. Smith, who was unavoidably detained. His Grace the Archbishop of Nova Scotia, the Venerable Archdeacon Vroom and the Rev. E. B. Spurr were very welcome visitors.

After the opening prayers a chapter of the Greek Testament was read and translated and the Rev. Canon Morris instructed the chapter by another of his thoughtful papers on the passage.

Other papers were read as follows: by the Rural Dean on "The Resuscitation of the Russian Church" and by the Rev. M. Taylor on "A Forward Step towards Reunion." The latter called forth an especially interesting and general discussion.

The annual routine business was transacted, including arrangements for the next meeting, which will probably be held at Clementsport at the beginning of December. Resolutions were passed regretting the removal from the deanery of Rev. Dr. Ball and congratulating the Rev. W. S. H. Morris on his elevation to a Canon in all Saints Cathedral. A vote of thanks was presented to the Rector and Mrs. Penney, and the parishioners who extended kind hospitality.

Even song was said in Holy Trinity Church, the Archbishop being the preacher.

The official Deanery service took place on Tuesday morning when the Holy Communion was celebrated by the Archbishop, assisted by the Rural Dean and the Rev. R. A. Penney, Rector of the parish. The Ven. Archdeacon Vroom preached the sermon ad clerum.

On Tuesday evening a well attended meeting was held in St. Lukes Hall, Annapolis Royal, in the interests of the Anglican Forward Movement, representatives of almost all parts of the Deanery being present. The Rural Dean presided, and the meeting was addressed by Archbishop Worrell, Archdeacon Vroom and the Rev. E. B. Spurr. A resolution concerning the Forward Movement was moved by Mr. F. C. Whitman, seconded by Capt. Geo. Corbett and carried unanimously.

The addresses were interesting and instructive and the meeting was a most satisfactory one. On Wednesday morning the general Rector of Granville packed most of the visiting clergy into his trusty "Ford," and took them for a drive which was noteworthy both for the beauty of the scenery and also for the number of times the C. N. R. tracks were crossed. After a most enjoyable gathering the visitors departed by ferry boat and train to their homes.

Pretty Wedding at Outram

BEARDSLEY—MARSHALL

On Wednesday Aug 13th, a very pretty wedding was solemnized at the home of Mr. and Mrs. Bayard Marshall, Outram when their daughter Miss Edna May was united in the bonds of matrimony with Mr. Wilbur F. Beardsley, also of this place.

The officiating minister was the Rev. Maynard W. Brown, the ring service being used.

The ceremony was conducted outdoors under a very pretty arch, and it was one of the prettiest weddings seen in this district.

To the strains of the wedding march followed by Miss Alma Slacum, the minister followed by the groom and his best man, took up their places. The bride, who was given away by her father, followed leaning on the arm of her father and accompanied by her bridesmaid, Miss Pearl Beardsley, a sister of the groom, both the bride and bridesmaid carrying bouquets of sweet peas with maiden hair fern.

The bride looked charming, dressed in white satin, trimmed with embroidered georgette and ball fringe, with a veil of embroidered silk net with orange blossoms, while her bridesmaid looked pretty in grey silk crepe de chine. Mr. Harry Bray, a friend of the groom, ably filled the position of best man.

After the ceremony and the usual congratulations were over, a generous wedding breakfast was served.

The bride then changed into her travelling suit of navy blue serge grey hat, with white ostrich boa.

The happy couple left for Middleton, being conveyed there by Mr. Chas. Healy in his auto, from which place they left for P. E. I. to spend their honeymoon.

The couple were the recipients of many useful and beautiful presents consisting of cut glass silverware, linen, and many household utensils also a large sum of money. The groom's gift to the bride was a beautiful gold watch, and to the best man a tie pin, with brooches to the bridesmaid and organist.

The bride, who is a graduate of Annapolis Ladies' Seminary is presented by all who know her as also in the groom. The well wishes of the whole community follow them.

It is understood that they will in future reside in Halifax.

THE MAN WHO WINS

Is Always Full of Life and Energy—Failures are Weak and Bloodless

Some men seem to have all the luck. If there are any good things going these men seem to get them. They make other people do their will—they are leaders. If they are business men they are successful. If they are workmen they get the foreman's job. They have the power of influencing people.

The same thing is true of women. Some have the charm that makes men seek them out; others are always neglected. But this is not luck. It is due to a personal gift—vitality. Men and women of this sort are never weak, puny invalids. They may not be big, but they are full of life and energy. The whole thing is a matter of good blood, good nerves and good health. Everyone would wish to be like this and the qualities that make for vitality and energy are purely a matter of health.

By building up the blood and nerves sleeplessness, want of energy, weakness of the back, stooping shoulders, headaches and the ineffectual sort of presence which really comes from weakness can all be got rid of. Dr. Williams' Pink Pills have made many weak, tired men, vigorous and healthy and many pale, dejected girls and women plump, rosy and attractive, by improving their blood and toning up their nerves. If you are weak, ailing, low spirited or unhealthy, begin to cure yourself by the use of Dr. Williams' Pink Pills.

You can get these Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

MOTORING

(By Walt Mason.)

I leave the city's noise behind, its stone and brick built sectors, forsake awhile the beastly grind, and all the bill collectors. I climb on high the verdant hills, the azure leavens over me, forgetting my car and their bills and all the things that bore me. It is a pleasant thing to go away from toil and knitting; my car is working like a joy, its cylinders all hitting. Oh, Scott may sing of Loch-naveir, whose charger was a hammer; but give to me the modern car, and long, long days of summer. I chug along by wood and glade and by the babbling waters, salute the farmer with his spade, and gossip with his daughter. At intervals my car I stop, some quaint old signboard reading; and now and then a rural cop would run me in for speeding. I loaf along, eight miles an hour, the motor working nifty, and then, to show I have the power, I shove her up to fifty. Through dale and dell, on dune and down, I throw the dust behind me; and tired collectors scound the town with bills, and cannot find me. I look around in silent glee upon the landscape's splendor, until I run against a tree and bust a wheel and fender. Then, I go limping back to town, my kind of luck berating; and find the bailiffs all cramped down in stern and watchful waiting.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freeze costs but a few cents at any drug store. Apply a few drops on the corns and calluses and "hard skin" on bottom of feet, then lift them off.

When Freeze is removed from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.
