J. L. STEWART, EDITOR: SATURDAY EVENG, APRIL 12, 1878

The United States Government is evilently preparing for offensive operations in some quarter. The naval expedition the struggling Cubans. The civil war the fullest investigation, in justice to itself, its friends and the country, the effect will be to strengthen the confidence mate triumph of the rebels is regarded which already exists at home and abroad in the ability and determination of the Maple Candy and as certain, and the interests of common humanity require interference. Spain cannot govern herself, and President Grant will do her a deed of kindness by

islands free and leave them to apply for admission to the Union. The Case of the Brigt Ottawa. It is rumored that the Attorney Genbert be seized on her return. One of our reporters interviewed the Newsroom lawyers this morning, and was advised on all hands that the capture of the brigantine was perfectly legal, that the owners of the Albert have nothing to fear, and that the Wreck Commiscial or the brigantine was perfectly legal, that the owners of the Albert have nothing to fear, and that the Wreck Commiscial or the surple of the ballot law is a thin, cadaverous Frenchman, hollow-cheeked with a ventriloquial voice e the parties who will suffer if to fear, and that the Wreck Commisperfect right to take peaceable possession of their property wherever found. The act constituting the Commissioners (Rev. Stat., Vol. 1, chap. 24, title 3)

relieving her of the Government of the

other person interested therein, shall take charge thereof for the owner.

There is no authority whatever for their course in taking and holding the Ottawa, and they may think themselves lucky if they escape a suit for damages.

The brave fellows who rescued the brigantine from the nee are to be pitied for having fallen among evil-advisors in St. John. They were offered \$1,500, regulate rates of charges, and induce the construction of a better class of vessels, craft of \$250 tons shall be exempt from pilotage. There is to be no increase in the present rate of charges. The bill seems to be a compromise between the commercial interest on one hand and the pilotage interests on the other. Of course, it will not fully meet the demands of either, but seeks rather to deal out even handed justice to both, always having in view the development of our trade and commerce.

There was a very sman authence at the Academy of Music Thursday evening to the Seamen's Mission Concert.

DUKE STREET CHAPEL.—Preaching by Edder Garraty to-morrow at 11 o'clock. Theme, "Relative duties," Evening, Our Lord's Valedictory Prayer. Seats all free.

The Rev. A. Pollok, of New Glasgow, N. S., and Rev. Prof. Cavan, of Torontc, both of the Presbyterian Union Committee, will not fully meet the demands of either, but seeks rather to deal out evening dustice to both, always having in view the development of our trade and commerce.

And still the Fredericton Act Factory is in running order, although we were the commerce.

The even a very sman authence at the Academy of Music Thursday evening to the Seamen's Mission Concert.

DUKE STREET CHAPEL.—Preaching by Clerk Garraty to-morrow at 11 o'clock.

The even in qualification, to the Seamen's Mission Concert.

DUKE STREET CHAPEL.—Preaching by Clerk Garraty to-morrow at 11 o'clock.

The Rev. A. Pollok, of New Glasgow, N. S., and Rev. Prof. Cavan, of Torontc, both of the Presbyterian Union Committee, will not fully meet the demands of either to deal out evening to the very large of the very large of the v

s in running order, although we were romised that it should shut down last hursday. So long as bills are allowed to be brought in at all stages of the session we shall have long sessions. New bills would be introduced every day if the House should remain in ses-

they hastily gathered up their papers and gum shoes. Why didn't one of them kick him down stairs?

The Ottawa Citizen is weary of hearng Grit orators in Parliament repeat Globe editorials, and suggests that the and mar gentlemen merely refer the House to the ssue of the paper that contains the article they intend to repeat in a diluted

The School Casket for April is an excelent number. Its contents are "Hope in of "Marie's Story," a long "Roll of Merit," "The Terminal Examinations, "The Lamp-post's Story," "The Foun-"A Woodland Ramble," "Springtime," "The Fairy Hyacinth," "The Dying Child's View," "Learning to Think," puzzles, etc. It is for sale at the book

NOTES AND NEWS.

advantage to advertise in the DAILY

MEN AND THINGS AT OTTAWA. FROM OUR OWN CORRESPONDENT. OTTAWA, April 7.

THE PACIFIC RAILWAY QUESTION.

Since the vote of Wednesday last, matters have been comparatively quiet, and see Auction column. business has proceeded more rapidly. The followers of the Government seem in better spirits than at any time since the beginning of the session, and their adnow fitting out at New Orleans is not miration of Sir John's abilities as a leadintended for Mexico, as has been assert- er is boundless. He dare not admit of intended for Mexico, as has been asserted by correspondents, but for Cuba. The United States is not particularly anxious, just now, to take another slice of Mexican territory, and a naval expedition would not be required for a raid on the distracted republic. Public opinion in the United States does not call for a matters contained in the allegations of the more properties. He dare not admit of even the possibility of Huntington's charges being true, by consenting to the motion; but having shown that he had the confidence of the house and country, he showed that the Government were not admit of a confidence of the house and country, he showed that the Government were not admit of a confidence of the house and country, he showed that the Government were not admit of a confidence of the house and country, he showed that the Government were not admit of a confidence of the house and country, he showed that the Government were not affect the confidence of the house and country, as a confidence of the house and country, he showed that the Government were not affect to the motion; but having shown that he had the confidence of the house and country, as a confidence of the house and country. move in that direction, nor has the President shows any desire to extend his authority over the turbulent Mexicans. On the other hand, President Grant stringsly desires to plant the stars and stripes in the West Indies, and the press and people have been long calling upon him to interfere for the liberation of the struggling Calena, The sixt real to the member for Shefford. Had Hunting ton's motion been carried, the success of the Pacific Railway project would have received a deadly blow, for so soon as Smoked Meat— Shorp & Co Canadian House of Commons had assented to such an astounding charge, Sir Hugh Allan would not have been able to raise a dollar, and might pack his trunk; but when the Government itself invites the fullest investigation, in justice to

Government to carry out the great Rail-way Scheme successfully and in good faith. was vigorously discussed on Thursday, Antilles. He will probably set the and the indications are that the principle of the measure will be approved of by the House. Strange to say the Nova Scotians, as many of them as have spoken, are opposed to it. I think all the New Bruns wickers, except Costigan, will support it eral has ordered that the steamer Al- The strongest opposition to the system

legal measures are resorted to. It is held that the Commissioners unlawfully held the brigannine, and may be prosecuted for so doing, and that the owners had a perfect right to take peaceable posses-PILOTAGE.

Friday was one of the busiest days of several bills introduced by the Minister of Marine. The most important of these The Commissioners shall immediately on information of a shipwreck, or of wrecked property above the value of twenty-five pounds, repair to the place, and if not in the lawful custody of any person, or if required by the owner or other person interested therein, shall take charge thereof for the owner.

The evening session was spent in discussing and passing several items of supply. While the analysis of opposition gentlemen and their criticism of the accounts were keen, the proceedings were free from that acrimony which is generally prominent upon such occasions.

Outside the House just now, the theme of discussion, ranking next in interest to politics, is the The reporters of the morning papers GRAND GIFT CONCERT omplain that Harry Beckwith, the to be held in St. John in aid of the Aca

out of the gallery, swearing at them as ous type, flame from every vacant fence in the city, while all the papers have arti-cles upon the subject. The sale of tickets is something unusual. I know one man in the Civil Service who immediately pur chased \$100 worth of tickets, and it is said their sale in Montreal is something startling; so with your Better Terms and mammoth concerts, you are occupying your full share of public attention.

Mr. Pete Lee is in town perfecting arangements for opening Lee's Opera House for the season. The hall has been refitted and made more attractive than ever. Mr. Lee has had a great many years experience in the show business, and knows all the people in the business who are worth knowing. He has already enday that the train was passing through United states, and will have new stars Great Works village about nine o'clock at least every two weeks during the sea-

on the evening stated some person un- son. Mr. Lee positively announces that known fired a gun at the Pullman sleep- he does not intend buying a house in ing car, probably taking aim at one of the lights. The bullet passed through one of the thick window panes, but spending its force did not penetrate the paying the best artists in America. He inner pane.

A gentleman sitting at the window was intends doing business on the square giving a good show for the entrance feeexploit. No clue has been obtained to the perpetrator of this wanton outrage.

Most probably some one who has a grudge against the railway company or some train employee was the offender. A few plights since some person in Yeazie fired play-goers, is agent. The season will be opened with one of the finest variety troupes that has ever visited our city.

The fellowing are the names: Edward Chrissie, dialect comedian and vocalist; At Lincoln, Me., there was a serious Niles and Evans, dialogue and character fire Thursday night, which at one time sketch artists; George Austin, banjo so threatened to destroy the entire village, loist and negro comedian; Frank Austin, stove in the rear of the building of L. R. clog dancer and bone soloist; J. B. Litlays the shore ends of the cables, and the Great Eastern will come out and lay the rest of the cable.

Stove in the rear of the building of L. R. clog dancer and bone soloist; J. B. Little, amusing specialties; Sam Collins, and household goods is about \$3,000; insured \$500. This is the third time he has Ethiopian comedian and burlesque actor; Mr. John S. McLean, of Halifax, so fa-been burned out in different places. Miss M'lle Marie Poiner, prima donna; Miss work of Y M. C. Associations, gave an Weatherbee, milliner, in the same building, lost about \$200. O. R. Cheśley's new medienne; Miss Julia Norwood, characwork of Y M. C. Associations, gave an ing, lost about \$200. O. R. Chesley's new store was damaged about \$125 or \$150. M. Keef's tailor shop was torn down by order of the selectmen to prevent the spread of the flames. Loss about \$350. John Hurd; injured by a falling rafter, is all right with the exception of a sore head and the loss of a few teeth. The citizens increase their practice, sell property or rent houses, will find it greatly to their rent houses, will find it greatly to their ladder company was organized Friday day afternoon at half-past 2 o'clock.
