## CELEBRATE GOLDEN WEDDING

On Thursday, May 20, Mr. and Mrs. Henry M. Stevens celebrated the 50th anniversary of their wedding at the residence of their son, Fred H. Stevens. In the evening the members of the Red Cross Society and their husbands filed into the house, taking the aging "young people" and the family by the most complete surprise imaginable.

After the first scare was over there was a merry celebration and an address was read by Mrs. Miller, to which Mr. and Mrs. Stevens replied in brief, broken words, made so by the absolutely unlooked for demonstration of esteem and kindly wishes. Other brief speeches were made and later a delightful repast of cakes, sandwiches and coffee, all brought by the guests, was served.

The address here given renders further report unnecessary.

Dear Mrs. Stevens: It is with pleasure that we assemble here tonight to wish you and Mr. Stevens a happy anniversary of this your wedding day.

Fifty years ago today you were a smiling bride entering the great drama of life, not knowing, not caring what it might bring to you. It is the lot of but a few married couples to complete the half century journey together, and we congratulate you both at this time. We came to express to the bride our appreciation of her character. All through life you have been a faithful wife and a devoted mother, and as such we esteem you highly.

Solomon says: "A virtuous woman is a crown to her husband, her price is far above rubies. The heart of her husband doth safely trust in her. She will do him good and not evil all the days of her life. We feel you have fulfilled the above commission.

We would like to express to you how much good you have done us by your uncomplaining way of doing your duty. Your smiling face has brightened many a weary day. We want to say some of the pretty things to you—while you are here among us. We believe many more people are injured for want of a few words of praise, than those who are hurt by overpraise.

As a symbol of our appreciation we have brought you a purse of gold and hope it may brighten your path. As the shades of night come on may the brightness of tonight and good wishes of your friends cling around you until you enter the portal of the "Great Beyond" where all will be golden and bright.

Mr. and Mrs. H. H. Hatfield, Mrs. Stetson, Mrs. George Boyer, Mr. and Mrs. J. W. Montgomery, Mr. and Mrs. J. T. G. Carr, Mr. and Mrs. H. D. Keswick, Mr. and Mrs. C. H. Taylor, Mr. and Mrs. R. B. Owens, Mr. and Mrs. R. J. Potts, Mr. and Mrs. H. N. Boyer, Mr. and Mrs. Sydney Hagerman, Mr. and Mrs. John Reid, Mr. and Mrs. Harvey Belyea, Mr. and Mrs. Geo. C. Watson, Mr. and Mrs. A. Plummer, Mr. and Mrs. S. S. Miller, Mr. and Mrs. Percy Graham, Mr. and Mrs. A. D. Kennedy, Mr. and Mrs. Harry Gillin, Mr. and Mrs. Horace Nixon, Mr. and Mrs. D. H. Nixon, Misses McCollom, Miss Annie Davis, Mrs. H. Large, Mrs. David Underhill, Mrs. T. T. Hammond, Mrs. Jack Keswick, Mrs. James Scott.

New spring samples of suitings and overcoatings are now being displayed at McLachlan's. Come in and look over the lot and see the latest style book. This will cost you nothing. A complete suit will cost you little more.

## ROMANCE OF AN AROOSTOOK GIRL

Miss Anna Louise Osborne, a bright young girl from Fort Fairfield, Me., was a visitor this month in St. John at her brother and sister-in-law's, Mr. and Mrs. C. L. Osborne.

Sergt. Wm. Pickup, a gallant young man from Winnipeg, in charge of the Postal service attached to the Army Service Corps, was also here, awaiting departure for Great Britain and the front.

Miss Osborne and Sergt. Pickup met and loved and wedded—but it has only now transpired that the marriage took place on the 26th of March, Rev. H. A. Cody officiating in St. James' church, Broad street. It was easy enough for the happy bridegroom to keep the secret, for five minutes after the ceremony he said good-bye to his bride, went across the ferry and boarded the Missanabie, bound for England and the front. The bride is still in St. John, as happy as she can be, under the circumstances, and looking forward to her husband's return from the war.—St. John Globe.

## EMPIRE DAY AT ROCKLAND

Probably in the history of the county of Carleton, outside of Woodstock, there has not for years been a demonstration of such proportions or at which there was so much enthusiasm and patriotic sentiment as that which occurred at Rockland on Empire Day, May 21. The affair took the form of a monster picnic under the management of R. B. Wilson, principal of the Rockland Combined Schools, and was carried out with a very great degree of success.

The grounds were prettily decorated with flags and bunting and everything possible was done to make the day a success.

The scholars from the schools of outlying districts came in gayly decorated hayracks, a jolly, good-natured, healthy product of New Brunswick.

A program of speeches, songs, etc., was carried out during the day, the speakers being Rev. Geo. Kincaid of Hartland, Rev. G. A. Ross of Florenceville, Inspector Nixon, Principal Barnett of the Hartland school and others, whose remarks bristled with patriotism, humor and good advice.

Turning aside from the intellectual treat, the tables spread over the grounds and laden with the good things which Carleton county produces were a revelation of the cooking art which did the heart good to look at as well as furnishing sustenance for the body; but it could not but suggest a comparison between the lot of the people in this part of the empire and that of our soldier boys who are doing battle for their country's honor on the gory fields of Europe.

The band went out from Hartland in the afternoon and furnished a good program of music to the great delight of the large crowds. In the evening, assisted by scholars from different schools, the band gave a concert in the old Baptist church, which was too small to accommodate all, but those fortunate in gaining admittance were well pleased and went away with smiling, contented countenances.

Taken as a whole it was one of the most successful affairs of the kind that has taken place in the county for many moons and the management have every reason to feel elated over the success of their efforts.

## WHAT CATARRH IS

It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body, and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from any harmful drugs. Try it.

### ANOTHER PROTEST

The political whitewashing which the New Brunswick legislature in the dying hours of its last session gave J. K. Fleming, has called forth sharp criticism from independent and thinking people all over Canada and has aroused the ire of the better element of the Conservative press. For a body of public men to wink at wrongs committed by one of their number so flagrant and serious as the misdeeds of Mr. Fleming is considered an insult to public intelligence and something to be condemned promptly and forcibly.

In a column editorial on New Brunswick's ex-premier the Conservative Ottawa Citizen serves notice upon Sir Robert Borden that no matter where the money collected by Mr. Bery and others went, the Fleming standard should not be considered good enough for the Dominion parliament. Mr. Fleming's personal popularity, be it great or little, is no question for consideration at this time, says the Citizen, as the verdict of the royal commission to investigate the part he played in certain timber and railway scandals should make it impossible for Mr. Borden to have him as a colleague in the Dominion parliament. The Citizen then goes on to quote from the report of the royal commission which found Mr. Fleming guilty of "this act of compulsion which has been charged against him." And it further comments upon the Fleming disclosures as follows:

"The unfinished St. John Valley Railway, hanging like a millstone round the neck of New Brunswick, is a problem mainly for the sturdy people of that province to solve. But the continued efforts of reactionary interests to foist New Brunswick's discarded premier, Hon. J. K. Fleming, into the federal parliament is a matter concerning all the people of this Dominion.

"At the present time the usefulness of the Dominion parliament is largely destroyed because of the power and influence of political reactionaries sitting in treasury and opposition seats. Sir Robert is heavy enough handicapped as it is with a politically unscrupulous and disloyal element in the Conservative party. The main assets of the prime minister, political integrity and upright dealing, would seem to have been assailed more severely by the Tammany type of politician in the Conservative party than by any other influence in this country. Perhaps the hardest task of Sir Robert Borden, in steering the ship of state through the present trying times, is to defend himself and the country against the scuttling tactics of just such discredited politicians as ex-premier Fleming of New Brunswick."

The Citizen very properly concludes that at a time when the brave men of Canada are giving their lives and fighting side by side with British comrades for the defence of our rights across the seas, their interests at home

ought not to be given to the care of discredited politicians—St. John Telegraph.

## TO FORCE FLEMING OUT OF CONTEST?

Woodstock, N. B., May 24—There is a persistent report that J. K. Fleming will be forced to quit as the federal candidate for Carleton-Victoria. Considerable opposition has developed, and curiously enough much of it comes from the B. F. Smith camp, where they are circulating the report that it is utterly impossible to elect the ex-premier, and as a striking vindication of clean politics, Smith wants to enter the contest as the Tory candidate.

Smith arrived here yesterday after an interview with the Tory leaders in St. John and Fredericton. It is announced that Premier Borden will not be connected with the Fleming nomination, as he publicly denounced Foster and Garland for their connection with charges not so serious as brought out at the royal commission.

Fleming still has friends who are standing by him, including E. R. Teed, his timber fund treasurer. Some are saying that Smith is not a paragon of virtue and the revelations of the Tobique Indian reserve and the patriotic potato gift with which he has been connected, make him an impossible candidate, and the proposal is grotesque.

The shameful political farce is on and every effort will be made to oust the ex-premier. Announcement of his retirement may be made very soon if the Smith faction can win out. It looks like a studied and deliberate attempt to add to Fleming's humiliation whatever way it goes.

### Mothers of Little Ones

No mother of young children should be without a box of Baby's Own Tablets. The Tablets are mothers best friend and are as good as a doctor in the house. Concerning them Mrs. F. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### Only Daughter of F. B. Carvell, M.P., Weds Dr. Arthur Fisher

A wedding of great interest in the county took place at the home of the bride's parents at Woodstock on Monday when Miss Mildred B. Carvell, only daughter of Frank B. Carvell, M. P., and Mrs. Carvell, was united in marriage to Dr. Arthur Maxwell Fisher, son of Mrs. William Fisher.

The ceremony was performed by the Rev. Richard Opie, pastor of the Methodist church. The bride was becomingly attired in her traveling dress of Belgian blue, with sand colored trimmings and hat to match. She carried a bouquet of bride's roses and lilies of the valley. The bridal couple were unattended. An informal reception was held after the ceremony at which upwards of 150 guests were present. The happy couple left on the evening train for Montreal.

The house had been beautifully decorated for the occasion by the young friends of the bride, with smilax, carnations and cherry blossoms, the color scheme being pink and white.

Dr. Fisher, who has spent the past year at the Royal Victoria Hospital, has been appointed to the Imperial Army Medical Corps, and expects to sail in a few days for England. Mrs. Fisher will join her husband in the early summer.

A cow moose, in rather poor condition, wandered into the village on Sunday morning. After a brief look around it loped back over the hill.

## NEW PRICES ON BUTTER PAPER

The vegetable parchment used in making butter wrappers is a German product and none has been imported since the outbreak of the war. The old stock is now gone, what little that remains being held at a high premium. Montreal importer has written us as follows: "In regard to vegetable parchment we are sorry that the best we can offer you is American stock at 100% per year. This is very much in excess of what you last paid, but as we are unable to get a supply from Germany there is no standard in value of parchment today. It is just how much one can get, not how much one can pay."

All the available stock is that made in the United States. It is a good article but costs more than the European make and on it we have to pay a duty of 32%.

In view of this all published prices are hereby cancelled and we quote the following new prices:

Wraps for pound prints, printed "Dairy Butter," and with name and address of the maker—

1000 for	\$2.65
500 for	1.65
250 for	1.05
100 for	.55

The price includes postage, which will be deducted on orders delivered directly from The Observer office.

The law compels the use of printed butter wraps and recommends that the name and address also should appear on the wrap. Written wrappers do not comply with the law at all.

We can send printed butter wraps having only the words "Choice Dairy Butter" at the rate of 25 cents per 100.

### Smith-Glenn

A quiet wedding was celebrated on May 24 at Florenceville when Elizabeth A. Glenn was united in marriage to Leo Smith of Greenfield. The bride is the eldest daughter of Ernest Glenn of this place. The ceremony was performed by Rev. Geo. A. Ross in presence of the immediate friends of the young couple. For the present they will reside at Florenceville and all their friends wish them a happy life together.

SHALL WE CELEBRATE DOMINION DAY?

It has been suggested to The Observer that Hartland should prepare to celebrate Dominion Day in right royal and loyal fashion. The suggestion was made on Victoria Day when the village was almost deserted. It is many years since Hartland had a big celebration. Young people of 15 or 20 cannot remember that it ever had. Older ones remember the glorious, palmy days of Foresters' picnics, Orange celebrations, and the greatest of all, the day Hartland bridge was opened. Those were the days when all roads led to Hartland.

Nowadays a holiday is welcomed as an opportunity to get away from Hartland, all roads lead away, and those who cannot go by road take the open field for it. Hartland never saw a Sabbath so peaceful and quiet as was Monday last.

The merchants and business men of Hartland are too selfish to keep their people home and to keep their trade home. They have so little public spirit that leave it to the women to light the streets of the town. "Civic pride" is the keynote of other towns' progress. There seems none in Hartland.

We have just penned a severe knock to The Observer's staunch business supporters. It is done with a real pang—the feeling a loving daddy has when he is compelled to wallop his first-born; it is done to see if what we say is true.

Is it true? If a celebration is going to draw a big crowd to Hartland on Dominion Day we must get busy NOW. The time is short, but it can be done. GO TO IT!

Wendell Holmes First Carleton Co. Boy to Give His Life for Empire

Last week news was received of the death on the battle field of Wendell Holmes, a Carleton county boy, and the first to shed his life blood for his country in this terrible conflict.

Mr. Holmes was the son of the late Hupert Holmes and, born at Bristol 28 years ago, he spent most of his life at Middle Simonds, growing up there with the boys of his age. Some time ago he went to the west and when the war broke out enlisted in the "Princess Pats," Canada's crack regiment. Particulars of how he fell are not yet to hand. It is only known he died to avenge Belgium and uphold his country's honor.

His grief-stricken mother, a widow, and a daughter of Elder Hiram Raymond of Richmond, resides in Worcester, Mass., with his sister, Miss Florence. Another sister, Miss Daisy, formerly a well known school teacher in this county, resides in Ann Arbor. The dead hero leaves many relatives in this county.

Green-Lunn

An event of more than ordinary interest took place at Summerfield on May 12, when Harvey D'Arcy Green and Alice Ruth Lunn were united in marriage by Rev. A. G. Ross. The ceremony was performed at the residence of Duncan Lunn, the bride's father. The event was of a semi-private nature, only the immediate friends of the young couple being invited. The bride and groom were unattended. Mr. and Mrs. Green will reside in Summerfield. In church and social circles they both are popular and they have the best wishes of their numerous friends.

## A COMPLETE WRECK

From the After Effects of Pneumonia Followed by Diphtheria

Frequently the after effects of illness are more serious than the original trouble. This was the case with Mrs. James B. Moir, Mutans, Sask. Mrs. Moir says: "Some years ago, while we were still living in Nova Scotia, I was taken down with a severe attack of pneumonia. I had sufficiently recovered to be around, but had not been able to go out when I was attacked with diphtheria. In my weakened state it took a terrible hold on me, and neither my friends nor neighbors thought I would recover. I did, however, pull through, but was a physical wreck. The muscles of my throat were paralyzed, so that even a sup of water would flow back through my nostrils unless they were held closed. My voice was almost inaudible, and my eyes so badly affected that I feared I was going to lose my eyesight. I could only walk with assistance and it looked as though I would be a helpless cripple. Medicine after medicine was used, but it did not help me. Then a neighbor advised Dr. Williams' Pink Pills. I began taking them but had the utmost difficulty in swallowing them owing to the condition of my throat. However, after a couple of boxes had been used I found it easier to take them, which was a sign they were helping me, and I felt greatly cheered. I do not know how many boxes I took but I continued their use until I was, as well as ever, much to the surprise of all who knew me, as all thought I would not get better. Since then I have several times taken the Pills when run down and have been greatly benefited by them."

For the after effect of fevers and all wasting diseases there is no medicine can equal Dr. Williams' Pink Pills. They enrich the blood, build up the nerves, store the appetite and bring back complete health and strength. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## McCORMICK

### Lowdown Manure Spreader

McCormick Lowdown Manure Spreader has a score of good features in its construction. Each one is the result of careful field experiment.

A McCormick Spreader is low enough for easy loading, yet it has plenty of clearance underneath. The rear axle is well under the load, rear wheels have wide rims and Z-shaped lugs, insuring good traction under all conditions. Frame, wheels and the driving parts are of steel. Apron tension is adjusted by a simple device. Winding of beater is prevented by large diameter and beater teeth are strong, square and chisel-pointed.

The McCormick Manure Spreader is built in several sizes, suitable for large or small farms. Examination will show sturdiness of construction in every detail. Repairs, if ever needed, may be had of the local dealers.

## A Great Blessing to be Freed of Indigestion

For Years He Suffered After Almost Every Meal—Attained Complete Cure to Use of Dr. Chase's Kidney-Liver Pills.

The experience of many people who suffer from indigestion is like that of the writer of this letter. Stomach medicine may bring some relief, but chronic indigestion is almost invariably the result of derangement of the liver, kidneys and bowels, and cannot be actually cured until these organs are set right.

With the liver sluggish, there is constipation, and the food ferments in the bowels instead of being digested. This is the source of pain and suffering, and the cause of such dread diseases as appendicitis, peritonitis

and kidney disease. It is much better to be on the safe side and prevent such ailments by the timely use of Dr. Chase's Kidney-Liver Pills.

Mr. J. D. S. Barrett, Nelson, B.C., and formerly of Twillingate, Nfld., writes:—"For several years I was a great sufferer from indigestion. The least bit of food caused me considerable trouble, and often I could scarcely eat a meal a day. The many remedies I tried proved futile until I began the use of Dr. Chase's Kidney-Liver Pills, and after using about eight boxes I was completely cured."

"Since that time I have not been troubled with indigestion, which I consider a great blessing. I feel grateful for this cure, and shall gladly answer any inquiries from persons suffering as I did."

Dr. Chase's Kidney-Liver Pills, 25¢ a box, 5 for \$1.00, all dealers, or Edmanston, Bates & Co., Limited, Toronto.

MR. BARRETT.
