We lost that his unfortunate business will not end as peaceably as we would wish. The forty-two prisoners that were released were in all probability given up on the peremptory demand which was made by the late administration, and the release of the others, probably, as peremptority refused. If our demand for the whole of those prisoners has been refused, as there is every reason to believe, our relations with that Island or with the Government of Spain, cannot possibly remain unchanged. There may be, indeed, enough against the ten retained to put them upon a trial, according to Spanish law; but our government cannot look on and see the liberty or ives of our citizens not in je parely by a trial under laws to which they are strangers, conducted according to Spanish forms.

TURKISH BLACK SALVE. UNDER THE PATRONAGE OF THE HONORABLI THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original R. ceipt procured from a celebrated Turkis Hakim, (physician) of Smyrna, in Asia Mino and which has obtained an unprecedented celebrit in Great Britain and the East Indies, from the as tonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The Proprietors, prompted by the very flattering reception it has met with in the Metropolis, have determined on extending its usefulness to all other parts of Canada; and, for that purpose, have established Agencies in all the prin-cipal Cities. They flatter themselves that when its wonderful properties shall become more gene-rally known, they will meet with that encourage-ment which the introduction of such a valuable medicament into a country justly entitles them .-The contracted limits of an advertisement neces sarily precludes their entering into any adequate detail of its merits, but, for the information of the public, they intend to publish, from time to time, such statements of cures as have or may occur and for the present will content themselves with merely enumerating some of the complaints for which it has been used with the most complete success-Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steam boat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-si:ot Wounds, Bruises, Boils Frostbites, Wens, Chilblains, Ulcerated and Common Sore, Throats, and Bonions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains, in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the com-plaints that have been cured by the application of this Salve. It is very portable-will keep in any climate, and requires little or no care in its application, as it may be spread with a knife on any substance, such as chamois leather, linen, o brown paper.

SAVED FROM DEATH!!!

Testimony of Mr. NATHAN MATHEWS. a highly respectable and weathy citizen of Newark, N. J. Ds. G. W. Harse ve-I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I lad at the point of death, with Dropay, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this deadlat stustion, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great pellef; my body and limbs, which were greatly swollen, became sensitly reduced. Hopes of my recovery began, now to revive; and after continuing the use of your medicines for about a month, the Files and Asthma were completely cured. The Dropsy, with which my life was placed in such great darger, we also nearly gone. I have continued the use of your Medicines until the piceur time, and I now enjoy as perfect health as ever I did in my life, although I am mre than sixty years of age. I ascribe my recovery entirely to the use of your excellent Medicines. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my firends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedics; and, I doubt not, but what there are hundreds who are dissuaded from taking jour excellent Medicines, in consequence of the deception and inefficiency of many advertised, remedies put forth by apprincipled men, in Jaming advertisements. Would to God that every noor sufferer would avail himself of the same remedies I Yours, here.
