It is these fields, never to mention the support now with laudable zeal, and good argu- for farmers. The land requires stimu- American fashion, at a lonely backwo. d. farmer unable to purchase guano, the near was the rhins of a tall square castle Razor Concaving crops are worthless almost. The necessity for buying artificial manure is a terrible necessity that American farmers know nothing of. I daresay the tenants expect too much in many instances, for the happy land flowing with milk and they are accustomed to be treated as honey, the key to which lies hidden in children in leading strings. The amount of dependence on this one and that one in superior stations is very wonderful, but their utter helplessness to take the first step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders by the last step toward better times is also wonders. The dark unfathomed caves of ocean ful. I have heard of men, by the last carved mouldings and stone work on

The great trouble however with the Adjunct is, he is elequent—that is he is an orator. When the Indians who sell their baskets and their butter tubs in the town hear the sound of his voice, they step and listen—and even a learned judge, to cap the climax, to bring the poor hollow youth up to the very burst—ing point, praised the young man's ele
for game, it is not permissible to cut heather for bedding, for stock or conveying for bouses. Breaking this prohibition even on land for which they pay rent and taxes is, they complain, punished with fines of from two and sixpence to seven and sixpence to get on here he must be able to buy manure. The group on a farm has to

There is some talk of the establishment of a spool factory, in or near Chatham. If the making of reels pay any—
where it cought to per hore med in —

There is some talk of the establishment of the is in the habit of carrying but not of opening, and refused to speak to anybody beyond merely existing. The more one looks at the want of the people, the dians with their baskets; and the young more one becomes bewildered with the nan remembered his superiority, and strutted a lord!

The young man now has bought \$10 right by the Land Bill or anything else. man remembered his superiority, and perplexities of the situation, and the

burial service was over the women, kneeling by the new made grave, among the rank wet grass, and the dripping ivy, raised the caoine. It was a most un-earthly sound, sweet like singing, sad like crying, rising up among the ruined towers,

She says it was a very windy day,

the deck of the little steamer while the wind blew in the teeth of the little boat and made her shiver and rock, and I en dured sharp neuralagia pain, and lost my vail, which was blown off and went sailing off into the lake because I would not miss seeing all Lough Corrib had to show. I saw the ivy plaided walls of Caislean na Caillach, and on a little island the remains of an old uncemented stone port, so old that antiquity has forgotten it. The scenery was very grand, the islands grassy and round, or waving white trees, the lake covered with white horses riding with tossing manes to the shore; the little boat with its broad

THE POPE.

Times at Rome says: "Cardinal Jacobini, the Papal Secretary of State, has sent a circular to the his last break Nuncios in regard to the recent ing had bee meeting in Rome to urge the abolition of the Papal guarantee, the purport of which may be judged from the fact that the Pope has openly said that he considers the speeches made at the meeting as a greater offence dying. against the Church than the disturbances at the removal of l'ius 1X., inasmuch as at the abolition iterranean v and with impunity, levelled at the living Pontiff, in his own person, as the head of the tholic religion, and as a sove- sleep. Cap reign guaranteed by Italian laws." Excited meeting the tossing against the Papal guarantees were held on Sunday at Geneoa and sienna. Much excitement has been caused in Berlin by an article in the Augsburg Allegemine Zeitung declaring that, by ratifying the appointment of ur. harumus, Catholic Bishop of Treves, the German Government have "gone to Canossa." Liberal papers agree that the Roman Curia has triumphed IV. of France over Prince Bismarck. Another despatch says. Relative to the article in the Augsburg Allegemaipe Zeitung, asserting that the German Government has most beauti yielded to the Vatican, the Kreuz When a par Zeitung declares the Govern ment will never sacrifice the rights of the State and the Emperor, or has approved the negotiations with the Vatican.
