**LACHINE.**

(Incorporated in 1872.)

A town on the River St Lawrence and Island of Montreal (parish of Les Saintes Anges), seigniorly of Montreal Island, county of Jacques Cartier, district of Montreal. It is the summer residence of many Montrealers, and has become famous by its annual regattas. Sportsmen meet there daily at the Lachine Boating club, and at the Bel-Air Mansion, Upper Lachine or Dorval. A wealthy company has undertaken to make the Bel-Air race course one of the best in America. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the Upper, and in by the Lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery, an extensive sawmill, and the works of the Dominion Bridge Co.; has good local business and extensive lumber trade. The Grand Trunk Railway use several trains a day to Montreal. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Great North-Western Telegraph Co. have offices here. Distant from Montreal 9 miles, fare 40c., 25c., and 12½c. Mail twice a day. Population about 4,500.

## LAPRAIRIE.

An extensive municipal village and parish of the south shore of the River St. Lawrence, between the Lachine rapids and Victoria bridge, district of Montreal, seigniory and county of the same name. Incorporated March 30, 1846. The parish was erected on the 17th November, 1870. A market is open every day. An aqueduct is constructed. The first railway in British North America was constructed from here to St. Johns in 1836. It was first worked with horses, afterwards by steam, but was discontinued, and the rails taken up a number of years ago. A steamboat maintains regular communication between Montreal and Laprairie. A branch of the Grand Trunk Railway, starting at Fort Covington, in the State of New York, to reach the Victoria bridge, now runs twice a day in close proximity to the village, with a good station and depot, and contributes materially to the future development of the locality, which is considered a very healthy and pleasant summer place. There is also a fire station, thoroughly supplied with new fire apparatus, such as a fire engine and hook and ladders. Fishing and hunting is also largely practised. A new billiard room has been organized. A permanent wharf has been erected, and will be much improved during the present summer. A new channel is also partly made up. The aqueduct is now giving a very good service to the village, and the work of putting up pipes it being done very rapidly in the different streets. The pressure of water in case of fire is also very powerful, as the water is drawn by steam and air pressure, which brings it at a distance of 1,350 feet, from the St. Lawrence river. The premiums upon insurances have also been greatly reduced on account of the recent ameliorations to the fire system apparatus. Great North-Western Telegraph Company has an office here. Distant from Montreal, 9 miles, fare 15 cts.; from St. Johns 18 miles. Mail daily. Population of village about 1,800; of parish 2,200.

## CITY OF ST. CUNEGONDE OF MONTREAL.

*Incorporated in 1876.*

A city adjoining the city limits of Montreal, district of Montreal. This municipality is governed by a mayor and corporation. A permanent fire and police force is maintained; it is lighted with incandescent electric light, and possesses first-class water works. The corporation purchased the old St. Jude's Church, which they have converted into a handsome town hall with commodious offices and court room, fire station and a large hall, for public meetings, as well as a private residence for the Chief of Police. The Jacques Cartier Bank has also opened a branch in the building, with Mr. G. N. Ducharme as manager. The Post office has been lately transported to the Hall. The city contains two churches: one Roman Catholic and one Protestant; two convents, one under the St Ann's sisters and one under the control of the school commissioners; an asylum under the supervision of the Grey Nuns; one college, and two schools—one Protestant and one Catholic. It possesses some extensive industries, the most important of which are the Montreal Rolling mills, the Mona Saw mills, Davidson's Stamping works, Luttrell's cracker factory, Fiddlay's foundry. ## TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the City limits of Montreal, and formed by the amalgamation of the former villages of Tannery West and Coteau St. Augustin. The Town

of St. Henry is situated in the seignior of Montreal, county of Hochelaga and district of Montreal. The Lachine canal passes on the south side, and signal stations of the Grand Trunk Railway are situated here at the junctions where the roads branch off east and west, and to Montreal and Lachine. The Grand Trunk Railway Co., with the aid of the Council of the Town, has erected a splendid station, at the curve, near the Notre Dame street bridge. The municipality of St. Henry is governed by a Mayor and Corporation, and a separate permanent Fire and Police force is maintained. The town contains a new Roman Catholic college and convent, church and presbytery, and several important industries, amongst others two extensive tanneries, boot and shoe factories, brick yards, the C. W. Williams Manufacturing Co., employing 600 hands, a cotton manufacturing Co., one of the finest in the Dominion, and a public Abattoir and stock yard Co. The Council has built a very fine Town Hall, Fire and Police station at the corner of Notre Dame and St James streets, at the cost of \$25,000. Building is being prosecuted briskly, and the town bids fair to rise into some importance, having Fire and Police system of alarm telegraph. The town is now lighted by gas and oil lamps. Distance from Bonaventure depot  $2\frac{1}{2}$  miles, from Lachine 6 miles. Population about 10,500.

REGISTRATION OF LETTERS.

Persons posting letters containing value should be careful to require them to be registered, and to obtain from the postmaster a certificate of receipt for registration.

The charge for registration (use registration stamp), in addition to the postage, is, on all classes of matter, five cents.

Both the postage charge and registration fee must, in all cases, be prepaid by stamp.

Registered letter stamps have been issued of the denomination of 5 cents, which may be obtained at any Stamp Agency.

Registration stamps cannot be used in payment of postage.

Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced where an unregistered letter cannot, and the posting and delivery or non-delivery can be proven.

NEWSPAPERS AND PERIODICALS.

Newspapers and periodicals printed and pub-  
 lished in Canada, and issued not less frequently  
 than once a month from a known office of publi-  
 cation or news agency, and addressed and posted  
 to and from the same for transmission by mail to  
 regular subscribers or news agents in Canada, the  
 United States and Newfoundland, are sent free;  
 if addressed to Great Britain, they may be posted  
 by the same on prepayment of a rate of one cent  
 for each pound weight in bulk, or fraction of a  
 pound; and such newspapers and periodicals are  
 to be put up into packages delivered into the  
 Post Office, and the postage rate thereon prepaid  
 by the publisher or news agent, being the sender  
 thereof, under such regulations as the Postmaster-  
 General may from time to time make.

On all newspapers and periodicals posted in  
 Canada, other than those addressed to regular  
 subscribers or news agents, and home life speci-  
 men copies, from office of publication or news  
 agency, including all newspapers and periodicals  
 published less frequently than once a month, the  
 rate will be one cent per 4 oz., to be invariably  
 prepaid by postage stamp.

Newspapers and periodicals weighing less than  
 1 oz. each may be posted singly, if prepaid by  
 postage stamp  $\frac{1}{2}$  cent each.

The postage on specimen newspapers is one  
 cent per lb.

TRANSIENT NEWSPAPERS.

Transient newspapers and periodicals include  
 all newspapers and periodicals in Canada, other  
 than Canada newspapers sent from the office of  
 publication, and British newspapers posted by  
 news agents for regular subscribers in Canada.  
 When addressed to any place within the Domi-  
 nion, Newfoundland, or the United States, they  
 must be prepaid the following rates by postage  
 stamp:—

If weighing less than 1 oz., half a cent each.

If weighing over 1 oz., one cent per four oz.,  
 or fraction of four oz.

On transient newspapers addressed to the  
 United Kingdom the rate will be one cent per 2  
 oz.—to be prepaid by postage stamp. Canada  
 newspapers posted from the office of publication  
 to subscribers in the United Kingdom—if to be  
 sent in the mails forwarded via New York must

be prepaid by postage stamp at the transient  
 paper rate of one cent per 2 oz.; but if sent by  
 Canada Packet, such papers may pass, as now, on  
 repayment by the publisher, at the rate of one  
 cent per pound. All newspapers and periodicals  
 prepaid at the bulk rate of 1 cent per lb. must  
 be stamped "Prepaid by Publisher" at the Post  
 Office where the newspaper or periodical is mailed.  
 The English Post Office requires each new-paper  
 or periodical to be stamped. If sent in packages  
 the English Post Office declines to accept them.

PATTERNS AND SAMPLES WITHIN THE DOMINION.

Patterns and samples of merchandise and goods  
 for sale, not exceeding 21 oz. in weight, may be  
 posted, in Canada, to be forwarded to any place  
 within the Dominion, on prepayment by postage  
 stamp of a rate of 1 cent per 4 oz., under the  
 following regulations:

If such rate be not fully prepaid by the stamps  
 affixed, the packet to be rated with the deficient  
 postage, and a fine of 5 cents in addition.

Packages of samples and patterns, addressed  
 to any place in Canada, may be registered by  
 affixing thereto stamps to the value of a cent in  
 addition to the postage rate, and provided such  
 packet be handed into the Post Office for regis-  
 tration.

Patterns or samples must be sent in covers  
 open at the ends, so as to be easy of examination.  
 Samples, however, of seeds, drugs, etc., which  
 cannot be sent in open covers, may be enclosed  
 in bags of linen, or such like material, fastened  
 in such a manner that they may be readily  
 opened; or in bags entirely closed, provided that  
 they be transparent, so that the officers of the  
 Post Office may be able to satisfy themselves as  
 to the nature of the contents.

The packet may bear on the outside the  
 address of the sender, in addition to the address  
 of the person for whom it may be intended; and  
 also a trade mark or number, and the price of  
 the sample enclosed; inside, there must be no  
 enclosure but the samples or patterns themselves.  
 The particulars, however, of the trade marks,  
 numbers, and prices may be marked on the  
 articles themselves instead of on the outside of  
 the packet, at the option of the sender.

Goods sent for sale or in execution of an order,  
 however small the quantity may be, or any  
 article sent by one private individual to another,  
 which are not actually trade patterns or samples,  
 are not admissible.

 oz., with a minimum prepayment of 2 cents  
 covering a weight of 4 oz.

 by Money Orders. Make complaints and in-  
 quiries in writing, and address the Postmaster-  
 General at Ottawa. Preserve, and request cor-  
 respondents to preserve, envelopes of mis-  
 sent or delayed letters. Send to the Postmaster-  
 General envelopes of letters about which you seek in-  
 formation or make complaint. In addressing letters  
 add the name of the county and province in  
 which the office addressed is located. Place  
 stamp on the right hand upper corner of the

address side. Put your own name and full address in or on letter, to insure return if it cannot be delivered.

PARCEL POST.

The charge on parcels by the Parcel Post to places within the Dominion is 6 cents for every 4 oz. or fraction thereof (with 5 cents additional if registered). No letter must be inclosed; if any discovered, the amount paid will be forfeited, and the parcel charged at unpaid letter rates. No parcel must exceed 5 lbs. in weight, and must be prepaid by stamps.

Eye-glasses and spectacles may be sent by mail when properly put up and prepaid by Parcel Post.

PARCEL POST WITH THE UNITED KINGDOM AND NEWFOUNDLAND.

An arrangement has been entered into with the Post Office of the United Kingdom and Newfoundland for a Parcel Post, under which closed parcels not exceeding 5 lbs. in weight may be posted in the United Kingdom and Newfoundland, when addressed for delivery at certain Post Offices in Canada, and may in like manner be posted at those Canadian Post Offices for destinations in the United Kingdom and Newfoundland.

The parcels exchanged with the United Kingdom will pass exclusively in the Weekly Mails conveyed by the Canadian Steamers to and from the St. Lawrence in summer and Halifax in winter, and such parcels cannot be sent via New York.

The Parcel Post with the United Kingdom and Newfoundland will be governed by the following regulations:—

1. A parcel must not exceed 5 lbs. in weight.
2. The dimensions of a parcel must not exceed 2 feet in length by 1 foot in width or depth.
3. A parcel must not contain any explosive, combustible or dangerous articles, nor any article of a perishable or fragile character, nor liquids or matters likely to injure other parcels or mail transmissions.
4. All parcels must be securely and substantially packed and closed.
5. Each parcel must be plainly directed and such direction must include the name and full address of the person for whom the parcel is intended.
6. For each parcel the sender must fill up a Customs Declaration. On this form the sender will supply an accurate statement of the contents and value of the parcel, also the address thereof, with signature, and place of abode of the sender. The Customs Declaration must be securely affixed by manila or paste to the parcel to which it relates.

Parcels from the United Kingdom will be liable to Canadian Custom duties, and under existing regulations must be examined for the purpose by an officer of the Customs in the presence of the persons addressed.

PARCEL POST CHARGE.

All the Dominion, except British Columbia, 25 cents per pound or fraction of a pound. British Columbia, 30 cents per pound or fraction of a pound.

Prepayment by postage stamp is required, but when a parcel is posted in the United Kingdom or Newfoundland, for British Columbia, and by inadvertence prepaid at a lower rate than that applicable to that Province, the parcel will come to Canada, liable to collection by the

Canada Post Office, on delivery, of the deficient postage, and it will moreover be optional with the Canada Post Office to impose a fine in addition.

FIFTH CLASS MATTER.

Postage rate one cent per ounce or fraction of an ounce, to be prepaid by postage stamp. Miscellaneous articles of merchandise, including seeds, bulbs, etc., to United States, and generally all matter permitted to pass by mail in Canada, which is of the nature of a letter, and therefore subject to letter rate of postage and not entitled to be posted at a lower rate than 5th class under one or the other classes, may pass as 5th class when addressed to any destination within the Dominion or United States. Fifth class matter must be so packed or put up as to be opened to examination of contents, and must not exceed 4 pounds in weight, nor 2 feet in length by one foot in width or depth. When passing between Canada and the United States it will be subject to Customs regulations if liable to duty. The registration charge on 5th class matter is 5 cents in addition to postage.

In sending money by mail it is always best to transmit by money order, if possible.

Donations or bequests may be made either through the treasurer, secretary, or through the bankers of the Institution, the City and District Savings Bank.

The total number of patients attended during the past year was 11,884. Average cost of each patient eleven cents.

All who desire to obtain better personal knowledge of the necessity for such institutions, their practical benefit to the sick poor, and their claims on the liberality of our citizens, are invited to visit the Dispensary during the Physicians' visiting hours on any day (except Sunday) and judge for themselves.

This institution furnishes medical and surgical aid and medicines to the sick poor of every nationality and religion in Montreal.

The attending physicians visit at their own homes those who are unable to come to the Dispensary and too poor to pay.

In restoring to health, it restores to many their only means of support, and thus prevents poverty, pauperism and crime.

It is dependent, chiefly, upon voluntary contributions for its support.
