## YORK COUNTY

ANNEXATION BYLAW WILL SOON BE VOTED ON

WEST TORONTO, Nov. 14.—(Special.)—The petition for annexation, submitted to the town council three weeks ago, was formally incorporated into a fully fledged bylaw by the members to-night, all of whom, with the exception of Councillor Pears, were in attendance.

The meeting partook rather of the nature of a round table conference, and by invitation and in accordance with an arrangement made at the time of its presentation, Messrs. H. H. Ball and Robert Ferguson were associated in the conference.

Chairman Lawrence presided and considering the sweeping nature of the conditions attached, it was marvelously well the several interests represented harmonized together. There were well defined differences or several points, but these were in a great measure moderated to meet each other's views.

The council went over the clauses one by one, giving each the most careful consideration. The clauses, seven in number, were in no case found to be very objectionable from a local standpoint, whatever the city may think of the proposals.

There have from time to time been numerous and are familiar to the ordinary citizen. They deal in brief with the extension of the city car system and one fare, the grouping of North Toronto and Deer Park into one ward, the retention of the present officials, the assumption of the present debt and the local improvement debt for water main, to be assumed by the city and become part of the general debt, and the use of the town water as long as possible. These with several other matters were successfully dealt with, and now all that remains is for the property owners of the town to vote on the matter.

It would be unfair to assume that all the members of council are predisposed in favor of the measure, but they dealt with it in a frank, manly manner and gave to it the most serious and careful consideration.

Following the annexation conference the sewage question was taken up and informally discussed. The report of T. Ald Murray, C.E., has been received and was dealt with briefly. The cost is placed approximately at \$250,000 and

## West Toronto North Toronto East Toronto

WEST TORONTO, Nov. 14.—(Special.)—Capt. Duncan McLean of the Keele-st. fire hall, has been presented with a gold-headed umbrella by his fellow firemen. The presentation was made by Capt. Lynch of No. 5 station, and was an acknowledgement of his sixteen years' service.

Lieut. Geo. Mason of fire station 21, has returned home from a hunting trip to Burks' Falls. With two others in the party, three fine deer were brought down, as well as innumerable partridges and rabbits.

P. C. Hess distinguished himself early this morning, when he stopped a bad runaway on Dundas-st. The horse belonged to Harry Wright of 156 Symington-ave., and had been left standing at the corner of Gilmour and Dundas-sts. A car passed at a good rate of speed, and the animal became frightened, dashing away with the weight and wagon behind him.

An important meeting of St. John's Y.P.A. was held to-night, when Miss Collette Harris, missionary from Egypt, addressed a large gathering of young people, Miss Harris gave an interesting account of her experiences in Egypt, and delighted her audience by the evangelistic work, which is to be carried on in the High Park Methodist Church during the coming month, was successfully started to-night, when Mr. Ridout of the Methodist Book Room addressed a large crowd.

A concert in support of St. Cecilia's Roman Catholic Church building fund will be held in St. Helen's Hall, Lansdowne and Dundas, on Wednesday night. Excellent program.

## More Deadly Than the Plague

The Common Cold is Held Responsible for a Multitude of Human Ills.

Colds kill more people than plague. When not avoided they can often be hurried from the system by keeping the filtering and excretory organs active.

Many write us that nothing helps them so quickly get rid of a cold as Dr. Chase's Kidney and Liver Pills. This is because these pills act directly on the liver, kidneys and bowels, and promptly arouse their activity.

The poisonous matter which collects with every cold is quickly removed from the system before it has time to cause trouble or give rise to other derangements.

If misfortune in the form of a cold should overtake you do not give it a chance to attack the lungs or to settle on the kidneys. Get rid of it quickly by using Dr. Chase's Kidney and Liver Pills.

Mr. J. H. Gibbard, Mission City, B. C. writes: "We have used Dr. Chase's Kidney and Liver Pills for the last year, and think they are just the thing as a family medicine. My wife had been sick for nearly two years with torpid liver and kidney complaint. Sometimes she was so bad she had to go to bed for two or three weeks at a time, and she suffered dreadfully."

"Reading of Dr. Chase's Kidney and Liver Pills, she decided to use them, and has been improving ever since. She is never sick a day now, so we believe the cure permanent. I have been greatly benefited myself by this treatment for kidney trouble."

Dr. A. W. Chase's Kidney and Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, are on the box.

## POLICEMAN STOPPED FROLIC

Charlie Trow's Initiation Ceremony Came to Untimely End.

An angel disguised in a greatcoat was P. C. Turner (109) last evening, when he ran young Charles Trow aged 22 into Court-street police station, the latter being in the act of entering a public house. The young gentleman didn't think so at the time.

Yesterday, it appears, was initiation day in the XIPI Phi medical fraternity of Toronto University, and Trow, who is a son of Albert E. Trow, clerk of process in the high court of justice, held the high court of justice, in the room of process in the high court of justice, living at 38 Earl-street, was one of the aspirants for the secret joys of membership. At about 9 p.m. he arrived, with two or three squallions, in the room of process in the high court of justice, living at 38 Earl-street, was one of the aspirants for the secret joys of membership. ## Her Face and Body Were Literally Covered With "BOILS."

Burdock Blood Bitters Cured Them.

Mrs. John H. King, Johnston, N.B., writes: "Last summer I was very much troubled with boils, and my face and body were literally covered with them. A friend advised me to take Burdock Blood Bitters. I got three bottles, and before I had taken all the first one my boils began to go away. I had just taken a few doses out of the last one when they all disappeared. My husband has also used Burdock Blood Bitters with much benefit."

Boils in themselves are not a danger, one trouble, but still, at the same time, are very painful. They are caused entirely by bad blood, and to get rid of them it is necessary to put the blood in good condition, and for this purpose there is nothing to equal that old and tried remedy, Burdock Blood Bitters.

Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

## Arrested for Purse Snatching

Phillip Martin, 59 Frederick-street, snatched a purse from Sarah Spence, 23 Sackville-street, in Front-street yesterday afternoon. William M. Forrest and Murdoch McLeod, brokers, charged by J. G. Newsome with conspiracy to defraud in the purchase and subsequent sale of some Little Nipissing stock, were discharged in police court yesterday.

## Why the Grand Trunk Commands the Montreal Trade and Remains the

It is the shortest route. It is the only double-track line. It is a fact that a double-track contributes to safety and comfort. It runs along the shores of Lake Ontario and River St. Lawrence, and thru the principal towns and cities. It has an unequalled road-bed, laid with 100-lb. rails. It operates Pullman "up-to-date" sleeping cars, with their great reputation. It runs handsome vestibuled modern coaches. It runs a "dining car and parlor car" service that cannot be surpassed. It has polite and attentive conductors and porters. It is the route of Canada's fastest and best train. The International Limited. Always in the lead it deserves your patronage. Four trains daily each way, the 9 a.m. and 10.30 p.m. (Business Man's Train) being the favorites. Send for booklet "International Limited," or "Trains 3 and 4" to J. D. McDonald, district passenger agent, Toronto.

## Beating Was Deserved

SAN FRANCISCO, Nov. 14.—Because his father made reflections upon his mother on the witness stand in police court here to-day, George Cameron attacked him, and gave him a terrible beating, before the court attaches succeeded in separating them. Judge Shortall said the beating was so well merited that he would not hold the young man for contempt, but he was ordered from the court room. The older Cameron was convicted on a charge of battery, preferred by his wife.

The G.T.R. have already purchased 19 residences, being 17 in Empress-crescent, one in Dunn-avenue and one in Jameson-avenue, which will have to be torn down to allow of the track depression. The houses are assessed for \$36,300, or perhaps half what the company paid.

## WESTON

WESTON, Nov. 14.—(Special.)—Independent Order of Odd Fellows' Lodge No. 200 held their regular weekly meeting in the Odd Fellows' Hall to-night.

A quantity of carpenters' tools were stolen from the Roman Stone Works Saturday night. Some of the articles the thieves dropped in their hurry, and these are the only clues the county police have to work on.

A meeting of the Weston town council will be held to-morrow night, when a number of important matters will be discussed.

# Rugby Tigers Get New Coach

## Note and Comment

The shrewdest experts promise an improvement of 100 per cent. by Hamilton over Saturday's performance at Rosedale. Perhaps they are right. The Toronto team, coached by the late Captain DuMoulin, was a creditable opponent in a city championship contest with Varsity, if that were practicable after the 25th.

However, it is just possible that the Argonauts and the Tigers may play for this honor the day Varsity are bearing the Tigers. But here again we are getting ahead of the schedule, as the O.R.F.U. champions may go into the field in which case the students would be free to meet the scullers on the carrier date.

No, it will not be necessary for everyone to visit Hamilton. There is talk of a 50-cent admission as the lowest figure, and the students say they will not stand for that. However, there are a couple of new stands to be built, and someone must foot the bill. The "Tigers" Rugby Club? Oh, no. Can you fancy a suggestion being made by Hamilton that Varsity stand half the cost? Well, that's what they did. Any way, the student athletic association refused, and another way is for Hamilton to get the money thru a 50-cent general admission, instead of the regulation 25 cents that is always in vogue at Rosedale.

What does Hamilton want all the money for, anyway? This is amateur football, where salaries are unnecessary! And the Hamilton Alerts' victory over Parkdale Canoe Club only meant a temporary reprieve, as the teams will surely overcome those 12 points when the teams meet on Saturday at Varsity.

William J. Stark, the indefatigable secretary, has been named as the referee in the spring horse show. He is at New York this week, attending the Madison-Square Garden show.

Ben Simpson was the weak man behind the Tiger line Saturday, and one time contained all the important clubs, city and college, of the province, Osgoode Hall, Varsity, Queens and Ottawa College were all winners in their time. Likewise the Rough Riders, Tigers and the old Toronto club. The formation of the Intercollegiate and Interprovincial has taken away the cream of the teams, but still the O. R. F. U. has equal chance in the finals thru the Ontario Rugby Union, and last year Parkdale played the final with Varsity after the latter stowed away the Rough Riders.

The following gives a record of the final O.R.F.U. games since organization in 1887: 1887, Toronto beat Ottawa College; 1888, Toronto by default; 1889, Ottawa College beat Ottawa City; 1890, Ottawa College beat Hamilton; 1891, Ottawa College beat Hamilton; 1892, Ottawa College beat Queens; 1893, Hamilton beat Queens; 1894, Osgoode Hall beat Hamilton; 1895, Osgoode Hall beat Hamilton; 1896, Varsity beat Queens; 1897, Varsity beat Toronto; 1898, Osgoode Hall beat Toronto; 1899, Osgoode Hall beat Hamilton; 1900, Ottawa City beat Argonauts (Toronto); 1901, Argonauts beat Ottawa City; 1902, Ottawa City beat Argonauts; 1903, Hamilton Tigers won; 1904, Hamilton Tigers won from Toronto in the finals; 1905, Hamilton Tigers won; 1906, Hamilton Tigers won from Argonauts; 1907, Peterborough beat Westmount; 1908, Parkdale to A.A.C. of Peterboro; 1909, Parkdale to A.A.C. of Peterboro; 1910, Dundas to T.A.A.C. II.

## SEP. DU MOULIN IN TO COACH TIGERS FOR FINAL GAME

### Old Hamilton Captain Criticizes Saturday's Play—Rugby News and Gossip.

HAMILTON, Nov. 14.—Sep. DuMoulin, the former captain of the Hamilton Tigers, is in Hamilton on a two weeks' vacation, and will be here until after the final game for the Canadian championship. He has been invited to take charge, and coach the Hamilton players for the next two weeks, and has practically consented to do so. In a short review of Saturday's game at Toronto, the old Tiger leader says:

"The game clearly demonstrated that very little progress has been made since the last year's season. The opportunities of developing the game have not been taken advantage of, and the half-backs were not working in variety of plays. The teams were only fairly well handled by their respective captains, glaring examples of misjudgment and rashness were seen in the line, and two instances of this in the latter part of the game. The defence was not in all probability cost Hamilton the game. The half-backs were a great disappointment. Their handling of punts was absolutely inexcusable, and in many cases the ball was allowed to drop on the ground, and an attempt made to catch it on the bound, which is against all established rules of back play, and shows lack of coaching. There were enough fumbles made by the backs to lose three ordinary games. Had the Argonauts been a first-class team and taken advantage of those errors, the score would have been very one-sided. The line was impregnable, and gave the half-backs perfect protection, and was in no way responsible for the loss of the game. Their defence was grand, but on the offence they lack win and dash. The Tigers were a credit to the name of the club. The material is excellent. Coaching and drilling are needed badly."

### Winnipeg Cricketers Will Affiliate With The Canadian Ass'n

WINNIPEG, Nov. 14.—At a meeting held in Winnipeg last week it is believed that the Western Canada Cricket Association will vote for an affiliation with the Canadian Cricket Association with its headquarters at Toronto. The secretary, A. R. Morrison, has received a letter from President Dean of Toronto outlining what will probably prove satisfactory basis of the union. A governing body would thus be formed, and the same in the Dominion and which could select representative eleven to play in the United States.

### Varsity Hockey Club Will Only Return to Intercollegiate on Latter's Advances.

At the annual meeting of the University of Toronto Hockey Club, held last night in the gym., it was decided to enter a senior team this season in the O. H. A. On account of the unpleasantness last year between McGill, Queens and Varsity, the latter withdrew from the Intercollegiate Hockey Union, and are still determined to remain outside, unless concessions are granted by the other teams in the union.

The athletic directorate last night decided that no further advances towards a reconciliation should be made by Varsity. If anything is done, it will have to be brought about by the Intercollegiate Hockey Union. From some remarks that passed between Varsity and Queens officials at the Rugby game on Saturday, it is believed that Queens is very anxious that Varsity should re-join the Intercollegiate Hockey Union this season. It was finally decided at the meeting last night to let the executive deal with the question of resuming negotiations with the other teams in the Intercollegiate.

The Toronto Electric Light Co. must expect to deal with the city in a businesslike way, especially since it rejected the overtures of two years ago.

According to the costs that the city has figured in its recent expenditures, the plant of the Toronto Electric Light Co. could be replaced with a better plant, modern in every respect, and far more economical in use, for a million dollars.

The agreement with the Electrical Development Co. need be no bugbear to the city.

It has been proposed to pay \$135 for the 40,000 shares of the company, or \$5,400,000.

The city, at the outside, could afford to pay \$2,500,000 for the plant and goodwill.

SECOND WARD CITIZENS ENDORSE THE VIADUCTS

Largely Attended Meeting Shows Its Sympathy With the Bloor-Danforth Proposal.

Two meetings last night, one over the Don in the First Ward, and one in the Second Ward on the Bloor-street viaduct, together for a combined viaduct by-law, giving the main viaduct on Bloor-Danforth and a projection south to Parliament-street.

The meeting in the Second Ward in Prospect Hall was large and enthusiastic.

The city was occupied by Ald. Rowland, who outlined various plans brought before the city council to open up the northeast section of the city over the Don.

"If what The Globe says is true," said W. F. Maclean, "that I am working in this project, with a personal interest in view and in order that I may make myself rich by the increased value of my property, which is five miles away, how much more to your advantage would it be to you, who are in the immediate vicinity? But I am not promoting this public benefit with any such selfish idea. I have studied the situation, and am firmly of the opinion that wherever you bridge the Don you are bringing success."

There is not one man in a thousand, who is opposing this proposition, that knows that Bloor and Danforth constituted the original concession line," said Mr. Maclean. "I have always been a strong supporter of the hydro-electric policy, and the two papers that raised the strongest objection to that movement are the two papers that are back of all the opposition that is being raised against this Bloor-street viaduct."

A great manufacturing centre had developed on Toronto in late years and the city itself been expanding rapidly. In view that it might be allowed to grow still further, he believed that such an outlet as the viaduct would provide should be located at this place. In the next ten years Bloor-street would be the centre of the city, and there would be as many business firms as in the immediate vicinity of Bloor-street on Queen-street.

The ratpayers of the ward had in the past assumed the debt of the city for the building of both the Queen and King-street viaducts, and had also taken up the burdens of West Toronto and Yorkville, without getting the same return. The way to go about setting this much needed improvement was to lay the situation fairly before their friends in the west end of the city.

Mr. Maclean recalled his efforts in getting Sunday cars for Toronto, and how it had only been after three elections that the end had been achieved.

The Toronto Electric Light Co. must expect to deal with the city in a businesslike way, especially since it rejected the overtures of two years ago.

According to the costs that the city has figured in its recent expenditures, the plant of the Toronto Electric Light Co. could be replaced with a better plant, modern in every respect, and far more economical in use, for a million dollars.

The agreement with the Electrical Development Co. need be no bugbear to the city.

It has been proposed to pay \$135 for the 40,000 shares of the company, or \$5,400,000.

The city, at the outside, could afford to pay \$2,500,000 for the plant and goodwill.

Mr. Maclean recalled his efforts in getting Sunday cars for Toronto, and how it had only been after three elections that the end had been achieved.

### Chances to Make Home More Attractive

The sentiment that home is home, be it ever so homely, is one that is not becoming more popular as it grows older. At any rate, a more useful sentiment for present uses is, the more you do for your home the more it will mean to you. Look at these chances for to-morrow:

#### 200 ONLY ENGLISH AXMINSTER RUGS

Will be sold on Wednesday at a price that will put an Axminster Rug within reach of every household. They are woven in one piece throughout, and the designs are perfectly good, including self-tone greens, self-tone reds, self-tone rose, brown florals, Turkey Orientals and green Orientals, also cream medallions and green and rose medallions.

We will make two piles of this clearing of Room Rugs for quick selling on Wednesday:

(1) Sizes 10.6 x 13.6 and 10.6 x 12.0. Regular price \$40.00 and \$45.00 each. Wednesday, \$36.48 each.

No phone orders.

(2) Sizes 9 x 12 and 9 x 10.6. Regular price \$30.00 and \$35.00 each. Wednesday, \$26.48 each.

No phone orders.

#### IRISH POINT CURTAINS ATTRACTIVE-LY PRICED.

Have you been waiting the opportunity to furnish your windows with dainty curtains at the least possible cost? If so, your chance has come Wednesday, when we offer \$5.00 Point Curtains at \$3.48. Remember, these are not old patterns, but the most recent productions of the maker. Bought below their worth, we let you share the benefit.

The patterns are all good, and come in conventional, floral, insertion, lattice, scroll and colonial designs; some plain centres, some embossed effects, well finished edges, good wearing net; colors white and ecru two-toned; 50 inches wide, 3 1/2 yards long. Worth up to \$5.00. Selling Wednesday, per pair, \$3.48.

### Good Pictures at the Lowest Cost

By purchasing ten thousand frames, we were able to secure them at a fraction of the regular cost prices. The pictures put on sale to-morrow are the first of an interesting series of picture sales that have been made possible by this great purchase. The glass and cost of fitting alone would in most cases exceed our Wednesday price for pastel, etching or photograph; frames of gilt and burnish, oak, etc., to suit any room.

Please note that to prevent dealers securing these pictures at much less than factory prices, we reserve the right to limit the number sold to any one customer or address.

No phone or mail orders. See Window. (Top Floor.)
