SENT BULLET INTO HIS HEAD

Parents of P. E. I. Girl Had Rejected Oaler

Charlotte, P. E. I., April 28—The body of William Oaler, aged 23, a farmer who came to the island three years ago from England was found at the roadside early this morning. He had shot himself through the right temple, with a revolver. He had been forbidden by the parents of a girl with whom he had been keeping company, again to visit her. A letter found alongside the body announced his intention of ending his life. He asked that all his letters at the house where he had been staying be destroyed and that news of his death be kept from relatives in England. He had written to his mother telling her he intended going west in a few days. Last night Oaler was heard walking along the road singing and apparently quite happy. A few hours later about four o'clock a shot was heard and no supposition had been made by his revolver.

RED SOX ARE AFTER CHASE FOR 2ND BASE

New York, April 28—Manager Stahl of the Boston American league team said today that he was trying to arrange a trade that would bring Hal Chase of the New York Yankees to Boston. Robert Kelly, manager of the Boston club, left for Boston simultaneously with Stahl's admission that he was trying to trade Chase. It is reported that President Farnsworth of the New Yorks would be given a choice of any one of the Boston catches, who that he might receive outfielder Henrichsen and infielders Janvin and Ball. Officers of the New York club refused to discuss the matter.

CONDENSED DESPATCHES

Montreal, April 29—The new civic loan for \$1,000,000 will contain a provision by which a certain amount will be offered to the Montreal public. Quebec, April 28—Mr. and Mrs. Archer, parents of Judge Archer of Montreal, celebrated their golden wedding yesterday. Montreal, April 29—At the annual meeting of the Canadian Club yesterday Lord Strathcona was elected honorary president and A. R. Dobbie, president. London, April 29—Great Britain denies a published report that she has sent an ultimatum to Guatemala. All she so far is to make a renewed presentation of Great Britain's urgent demand for the repayment of Guatemala's indebtedness, the bulk of which has been owing for twenty-five years.

APPOINTMENTS

John T. Murphy has been recommended for appointment to the vacancy in the Inland Revenue Department left vacant by the death of the late John R. McCloskey. It is understood that the appointment of J. Law, who has been recommended as the successor to J. Alfred Clark, deputy collector of inland revenue, will date from May 1. John McDonald, Jr., who has been appointed to the same department will also enter upon his new duties on Thursday.

OUR PEOPLE ABROAD

The members of the New Brunswick Association of British Columbia are this evening to hold a "grand social and dance" in the Orange Hall in Vancouver, which is expected to prove a very enjoyable time. Invitations have been extended to former New Brunswickers in that province to attend. The committee in charge is composed of J. A. Pollock, Dr. D. J. Bell, J. J. Appleby, W. O. Raymond, Clinton Gray, John Burpee, Wm. Everett, and H. J. Hipwell.

AFTER MANY YEARS

Cornelius Mahoney, of Cambridge, Mass., is paying a visit to the city after an absence of thirty-five years. He is at the Dufferin. Mr. Mahoney has been living in Boston since he left this city, and as done well as a contractor. Before leaving this city he had had a hand in the erection of some of St. John's larger buildings. He is receiving a hearty greeting from old friends.

SHAKE UP IN THE CABINET

Cochrane, Nantel and Roche to go, Says Report in Henri Bourassa's Paper

Montreal, April 29—Le Devoir, the newspaper owned and edited by Henri Bourassa, Nationalist leader, and which is usually well informed on political affairs, states that Hon. Bruno Nantel, minister of inland revenue, Hon. Frank Cochrane, minister of railways, and Hon. Dr. Roche, minister of the interior, will resign their portfolios in the Borden cabinet to assume other "important positions." Le Devoir says that Mr. Nantel will become a judge. None of these resignations will take place until the end of the session. L. T. Marchal of Montreal, may succeed Mr. Nantel in the inland revenue department. Le Devoir asserts that though Mr. Cochrane has administered his department well, he is not popular in the house nor among the Conservative members from the provinces through which the Intercolonial railway passes, and says he will be sent to Washington as the agent of the Canadian government. He is likely to be succeeded by Major Currie, member for Simcoe, Ont.

DEMANDS BANK INQUIRY

French Canadian M. P. Brings up The Matter of Bank of St. Hyacinthe

Ottawa, April 29—When the banking and commerce committee resumed this morning, Mr. Rainville, French Canadian member for Chambly-Verchere, informed the committee that he desired an investigation into the circumstances surrounding the failure of the Bank of St. Hyacinthe and into the actions of the Canadian Bankers' Association in relation thereto. He said that the association had virtually forced the bank to close its doors. He declared that the association had been guilty of an abuse of power and that there had been a conspiracy in connection with the failure. The bank, he said, had been solvent when its doors were closed. Mr. Rainville suggested that a committee of four or five members of the banking and commerce committee make an investigation. Hon. Mr. W. T. White informed Mr. Rainville that he had sent the written charge to President Wilkie of the Bankers' Association. Mr. Wilkie had replied that

AUSTRIA, SAYS VIENNA, MAY TAKE INDEPENDENT ACTION

(Canadian Press) Vienna, April 29—It is understood that the Austro-Hungarian government is dissatisfied with the failure of the conference of the ambassadors in London to initiate decisive action against Montenegro and is continuing its preparations for independent action. Exchanges of views are proceeding between Austria-Hungary, Germany and Italy. London, April 29—A rumor spread on the stock exchange here this afternoon that Austrian troops had entered Montenegro. No confirmation was obtainable. Cetinje, Montenegro, April 29—Crown Prince Danilo of Montenegro was received with an ovation upon his arrival here today to hand over to King Nicholas the Turkish fortress of Scutari. The members of the royal family afterward marched in procession to the cathedral, the queen and each of the ladies giving her arms to a wounded soldier. Cologne, Germany, April 29—An inspired Berlin despatch in the Cologne Gazette, denies the reports that Germany is not fully supporting Austria-Hungary with regard to the question of the disposition of the fortress of Scutari. The newspaper calls the statement, oral or written in Paris, that Germany had declared that military operations to compel Montenegro to evacuate Scutari, were inadmissible as a condition of peace. London, April 29—A Vienna despatch says that the Austrian government has demanded that Montenegro is making insulting demonstrations in front of the American legation. They decorated an imitation donkey with a dress coat, the breast of which was covered with fac similes of Austrian orders, and hung it outside the legation.

WOMEN'S AUXILIARY

Address By Bishop at Opening of Sessions—The Local Delegates

The attendance at the tenth annual meeting of the Federation Diocesan branch of the Women's Auxiliary of the Church of England, opening this morning in Trinity church school room, was very large, about 200 members being present. The chair was occupied by the vicar, Rev. G. F. Scoville, who gave a hearty address of welcome to the delegates. An interesting response was made by Mrs. Robert Mawhinney of Mace's Bay. Holy communion was celebrated at 9:30 o'clock, after which an able sermon was delivered by His Lordship Bishop Richardson, who based his discourse on the matter of service and limitations. He spoke on the valuable services rendered by the disciples who were bound by many limitations in this connection, one of the latter being the fact that they were allowed to do only what they were permitted to do to a certain extent. This morning he was addressing women and it was interesting to note that women, too, had rendered valuable services in the work of the church and the welfare of humanity, but they also were limited because of being restricted in the circles in which they could move. But it was just this restriction which made them a power for good in their communities and elevated the standard of morals in general. Women had accomplished much for the upliftment of their fellow beings, and the members of the Women's Auxiliary were to be congratulated upon the excellent work which they were doing in this respect.

DO AWAY WITH TIME LIMIT ON METHODIST PASTORATES

Toronto, April 29—The abolition of the present time limit of the pastoral term of Methodist ministers was recommended by the Toronto Methodist preachers yesterday and the general conference will be memorialized to that effect. This action went with the adoption of a report on the "down town problem," which said in so many as any thorough solution

Whole Business is Declared a Farce and a Travesty of Justice, With Public Weary of Spectacle

(Times Special Cable) London, April 29—Another operation performed this morning on the Duchesse of Connaught. The surgeons report that the operation was successful. The last attempt to remove the intestinal trouble from which the duchess has been suffering for some months, was made on April 10, at Clarence House, by William Arbuthnot Lane, surgeon to Guy Hospital. The operation was a severe one, but was borne well by the duchess who afterwards made rapid progress toward recovery, but on April 26 suffered a relapse owing to the abdominal obstruction returning. It was then decided by the surgeons to have recourse to another operation, which was performed this morning. A later bulletin says: "The operation performed on the Duchesse of Connaught was severe in character. It was carried out to relieve intestinal obstruction due to widespread adhesions of an inflammatory nature. The duchess is doing as well as can be expected."

STARVING ONES IN SCUTARI REDUCED TO EATING GRASS

Harrowing Tale Comes Out of Fortress After Six Months' Siege—Three Hundred Dead of Starvation

(Canadian Press) London, April 29—Alphonse Courlander, who entered Scutari with the Montenegrins, made a harrowing description of the condition of the inhabitants. "Faces of the children haunt me. They were starved and withered; they were faces of old men sitting in the dust watching the conquerors with uncomprehending eyes. Women in baggy Turkish trousers and with veiled faces followed the soldiers, as well as their weak limbs allowed them, towards the quay where great round loaves of bread were given them by the Montenegrins. The first bread they had eaten for months. "During the last week of the siege, bread was five shillings a pound and cheese brought any price. Bread made of sawdust, maize, rice and straw, was eaten towards the end. "The plight of the poorest people was fearful. Some ate grass, others any filthy rubbish so long as they could 'all their stomachs.' "The situation was desperate."

POLICE TRIAL TO RIVAL BECKER'S IS BEGUN IN NEW YORK

Indirect Craft Charge and Direct Charge of Conspiring to Obstruct Justice

New York, April 29—Four former police inspectors charged indirectly with graft, and directly with conspiracy to obstruct justice, prepared to face District Judge E. H. Tracy today in the most important police trial since the Becker case. The defendants—Dennis J. Buckley, James E. Hickey, James E. Thompson and John J. Murtha—were all indicted recently after the district attorney's office had uncovered a system of grafting against disorderly houses. All in connection, two former policemen, Hartigan and Robinson, have already been sent to Sing Sing. They were formerly attached to Sweeney's staff. Both went to prison on refusing to "squeal."

MASON STRICKEN AS HE WORKED ON BUILDING

Bellefleur, Ont., April 29—Joseph Woodley, a stone mason, died suddenly of heart trouble yesterday on a scaffold at a residence under course of construction. He was sixty years of age.

MANY OFFICERS OF ARMY ARRESTED IN LISBON

Lisbon, Portugal, April 29—Among those arrested during the anti-government disorders on Sunday were General Fausto Guedes, Captains Reis, Pontes and Serrojo and twenty other commissioned officers of various regiments, with numerous non-commissioned officers, many of whom have been placed in cells on board the Portuguese cruiser Almirante Reis.

Winnipeg, Man., April 29—Before the eyes of her mother, the twelve month old baby girl of Mr. and Mrs. Henry Stiche, was burned to death yesterday in a fire which consumed their house.

EMPEROR OF IRELAND

The steamer Empress of Ireland, which will sail from St. John for Liverpool on Thursday, making the first direct sailing with the mails from this port and marking the close of the winter sailings, will carry away 110 first, 100 second and 350 third class passengers. Sir Charles Tupper will be among the passengers.

SHOT DEAD BY THE GANGSTERS

New York Street is Scene Of Another Murder

JERRY THE LUNCHMAN SLAIN

Companions Believed He Was Communicating Secrets to District Attorney—Five Arrested and Revolvers Found in Garage Can

(Canadian Press) New York, April 29—Suspected of "squealing" to the district attorney, Jerry Maida, known as "Jerry the Lunchman," met his appointed death in Forty-first street, near Broadway, early today. He was shot down by gangsters who sent five bullets into his body. The shooting occurred only a couple of blocks away from the scene of the murder of Herman Rosenthal last July, but the gunman had less luck than the Rosenthal murder crew. Five policemen who were in the immediate vicinity heard the shots and pounced upon five men, who they accused of the killing. The police allege that the men they caught are members of the Paul Kelly band of gangsters, of which Jerry was an adherent. They say that Jerry had recently fallen under suspicion, however, and that he was thought to be revealing the gang's secrets to District Attorney Whitman. None of the men caught were armed, but witnesses said they saw them throw revolvers away and three of the guns were found in a garbage can nearby. James J. Leo, one of the prisoners, was severely beaten by the police who caught him. The police say that "Gunter Sam," another prisoner, was under arrest two years ago in connection with the murder of a man in the garage of the gang's "boss" under similar circumstances.

ENGINEER OF ROADS UNDER NEW AGENT

Appointment of Bridge Engineer Mathwinney Expected—New Wing For Normal School

The provincial government, which is meeting in Fredericton, is expected to announce the appointment of Bridge Engineer Mathwinney as engineer of roads under the new act, which combining the offices. It is also expected that they will call for tenders for the construction of a new wing to the normal school, which will be a substantial addition, giving much needed accommodation. G. Ernest Fairweather, architect, who has prepared the plans, left last evening for Fredericton to submit them to the government.

C. P. R. MEN TAKE TRIP OVER CENTRAL RAILWAY

Getting Ready to Take Over The Road—The Future

A party of C. P. R. officials left St. John this morning for a trip over the New Brunswick Coal & Railway Company's line in preparation for the inauguration of the new arrangements under which the road will be operated by the C. P. R. The party included William Downie, general superintendent of the division, W. Wetmore, divisional engineer, W. B. Bamford, general freight agent, C. R. Orr, master mechanic, and J. R. Stone, one of the commissioners of the road. Starting with May 1 the C. P. R. will assume the management and operation of the line but no marked changes are expected until after the completion of the Fredericton and Miramichi line which will form the connecting link between the N. B. C. & R. Co. line and the C. P. R. line. It is expected that the new road will be ready for operation late this year and when it is taken over by the C. P. R. they will be able to give through connection to Norton over their own system.

BABY MURDERED BY UNKNOWN PERSON

Inquest Held at Fredericton Junction—Believe Guilty One an Outsider

Fredricton, April 29—Coroner Perley held an inquest at Fredericton Junction last night over the death of an infant found in the woods of that place with a cord tied tightly around its neck. The verdict was that the infant had come to its death at the hands of some unknown person. Opinion seems to prevail at the Junction that the child was brought there from some outside point and that whoever committed the deed got away by the next train.

Paris, April 29—Professor Arsene D'Arsonval, of the College of France, has discovered a new explosive said to be ten times more powerful than dynamite. It is composed of a lamp black and liquid gas.

IN AIR RACE FOR \$1,500 CUP

Villacoublay, France, April 29—Marcel Georges Brindjone, Des Moulins, a French aviator, started this morning on his aeroplane for Copenhagen in an attempt to win the Pommeroy cup of \$1,500 for the longest flight in a straight line between sunrise and sunset. Edmond Audebert (Switzerland) and Pierre Davoutour (France), started yesterday morning in the same competition.

GERMAN ARMY BILL

Berlin, April 29—A bill was struck at the foundation of the new German military bills, providing for an immense increase the army, when representatives of the Clerical, Radical and Socialist parties yesterday during the debate on the first reading expressed doubts. It is whether the necessary number of abolished recruits could be obtained in Germany. Matthias Erbschler, the leader of the Clerical centre, said that no fewer than 43,000 men would be lacking to make up the number required. The representative of the Radical party questioned whether such enormous armies could be successfully handled, saying that his doubts were shared by many military men. The minister for war, General Josias Von Heeringen, denied strenuously that there was any difficulty in obtaining the full number of recruits. The Reichstag today passed the third reading of the budget and adjourned to May 27.

London, April 29—The Canadian Press was informed at Buckingham Palace today that no arrangements had been made for a visit of the king and queen to Canada last year.

LACK OF CARE WILL RUIN THE MOST BEAUTIFUL HAIR

Save It With Herpicide

Aside from combing it when they think necessary many people give no attention whatever to their hair. Then when the hair begins to fall out it never occurs to them that their trouble is the result of personal carelessness.

An occasional application of Newbro's Herpicide will not only prevent loss of hair but permits a luxuriant growth. Hair losses are attributable to dandruff and the germ that causes it. The results following the intelligent use of Herpicide are frequently a surprising nature. It removes the scale-like accumulations, leaving the scalp clean and free of dirt and thus allowing the hair to grow unhampered by dandruff.

Newbro's Herpicide in 50c. and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded. Applications may be obtained at good barber shops.

Send 10c. in postage for sample and booklet to The Herpicide Co., Dept. H., Detroit, Mich.

"BETTER BABIES" EXHIBIT

San Diego, Cal., April 29.—How many babies in Canada can qualify under the rules adopted for the "Better Babies" exhibit at The San Diego Exposition? Another question is "How many mothers and fathers will be willing to have their babies judged by the same standards applied to prize animals with the single purpose of adopting some system that will produce better babies?"

Eugenics has been a popular fad but in the end the term means simply "better babies" and this is the result sought by the proposed exhibit about which President D. C. Collier of The San Diego Exposition and Mrs. Gertrude B. Lane of New York are in correspondence. Mrs. Lane proposes to hold a "Better Babies" contest, and is holding them, in every state in the union. The San Diego Exposition has asked her to exhibit the results of these contests at San Diego, or to outline a plan whereby the exhibit can be made.

President Collier may decide to offer a big prize for the best baby less than three years old exhibited at the exposition during 1915, and is awaiting Mrs. Lane's suggestions with a good deal of interest.

SAGE TEA BEAUTIFULLY DARKENS THE HAIR WHEN FADED AND GRAY

Mixed With Sulphur Makes Hair Soft, Lustrous and Cures Dandruff

The use of Sage and Sulphur for restoring faded gray hair to its natural color dates back to grandmother's time. She kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect.

But brewing at home is messy and delicate. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product called "Wyeth's Sage and Sulphur Hair

Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, which is usually too sticky, so insist upon getting "Wyeth's" which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use. You simply dampen a sponge or soft brush with water and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. NANCY FELL IN LOVE WITH THE "WAR LORD'S" DUKE

And Now the Kaiser May Ask Her Dad to Leave Germany

MISS NANCY LEISHMAN

The Emperor of Germany is as mad as a crew of aroused hornets. Here has little Nancy Leishman gone and got one of his royal dukes to fall in love with her; and she is in love with him, and they are going to get married. This explains why Miss Nancy, daughter of John C. Leishman, United States ambassador to Germany, is in Paris with her mother, buying.

Miss Nancy is to marry the Duke of Crocy, against whom the only serious indictment is that he is a royal prince. The duke hails from Westphalia.

Official Washington is worried because Ambassador Leishman "permitted" his daughter to become engaged to the duke (as if he could help it), for the Kaiser threatens to ask for the recall of Leishman unless he induces Miss Nancy to change her mind, which, if he were really so smart as he wants us to believe, the Kaiser would know "can't be done!"

It annoys Wilhelm that the courtship should have reached the public betrothal stage before they told him.

No one believes for a moment that Ambassador Leishman will permit his daughter to make a morganatic marriage, so if the young people persist in their course, and indications are that they will, the Duke of Crocy will lose his royal privileges, such as his commission in the Garde Du Corps.

Miss Leishman has lived abroad since she was a child. The duke is twenty-four, and is immensely wealthy.

He said that he would return the next day or wire her funds with which to join him.

"That scandalous thing blithely went out of the hotel, paraded some of my daughter's jewelry, keeping the rest, and bought a ticket for Boston, showing up at the place where he lodged in East Somerville, only to find that the strong arm of the law had caught him. I found my daughter heartbroken in the hotel. She had been informed of Mapes' duplicity by a New York detective. She gladly and willingly came home with me."

MARRIED BY MAN WHO ALREADY HAD WIFE, IS HOME AGAIN

Somerville Father Finds Daughter in New York Hotel, Deserted

Boston, April 28.—"I found my daughter in a hotel in New York city, penniless and stripped of all her jewelry and deserted by this villain, Mapes," said Frank J. Thayer, father of Eva L. Thayer, the victim of a polygamous marriage entered into with Frank V. Mapes, at his home, Somerville Highlands.

He located the girl at Hotel Plymouth, New York, soon after her arrival in that city from Somerville. She had been informed of the perjury of the man who had entered into a marriage ceremony with her at the home of Rev. Dr. Charles L. Noyes, pastor of the Winter Hill Congregational church, on Sunday afternoon, April 20.

After Mr. Thayer left Somerville for New York yesterday afternoon, Chief of Police Kendall connected with the detective bureau in that city on the long-distance telephone, and at his request a detective was sent to Hotel Plymouth. The detective found the girl there, disclosed his identity, and made known to her the fact that Mapes already had a wife in Somerville.

She consented to wait until the arrival of her father. He met her at the hotel and there was an affecting scene. The girl was heart-broken. She was willing at last to believe Mapes was an entirely different man than she had believed, and was anxious to get back to her mother in Somerville.

Mr. Thayer, on arrival at his Somerville home with his daughter, found her mother weeping to clasp her in her arms, glad to have her under the family roof and sound.

The mother and father have nothing but forgiveness in their hearts for their daughter, but none will be more active than the father in prosecuting the charge of polygamy against Mapes, who is now at East

"The Kaiser" SILK Glove

The tips "outwear" the gloves

is the World's standard silk glove—all other silk gloves are measured by the "KAYSER" standard. The development of the "KAYSER" Silk Glove represents the attainment of an ideal, the achievement of which has not been hampered by restrictions of cost or time, nor influenced by a passing demand for features most aptly characterized as "talking points."

We could not afford to buy expensive advertising space "year after year," to tell the women of America that "KAYSER" Gloves are the best—in style, fit and finish—if it were not true.

"KAYSER" gloves "cost no more" than the ordinary kind—and are worth double in quality, fit and value.

Don't accept the "just as good" kind, there's a way to tell the genuine—"Look in the Hand"—if you find the name "KAYSER"—you have the kind that "don't wear out" at the finger ends.

HOW HERSEY CAME TO RAISE CHECK AND IS NOW IN JAIL

Letter From North Shore Man And The Lesson of His Experience

(Chatham World)

It is not the sinfulness of sin, but the foolishness of it, that is the lesson taught by the experience of Albert Hersey, now in jail for raising a check and getting what looked like easy money. He could have supplied the needs of himself and children if he had spent his wages on them instead of on himself. He tried what looked to him to be an easier way to get money, and now he is sorry. Read his letter.

Here is the letter

Newcastle, April 24.—My dear friends: As I wish to announce to you all, never have anything to do with any friends who have run about town, and never drink a drop of alcohol, as you see what a awful thing has happened to me, and leaves me in misery and leaves my poor little children and my little girl asked me to get a pair of shoes for her when I would start to work the next week, and my little boy asked me the same, and they asked me where I was. They told me they had no shoes for Sunday.

I told them I had no money, and I burst out crying, and they looked at me and asked me what was wrong, and I took my cap and left the house at once, and they began to cry for me, oh my God! what an awful thing for my wife and poor little children, and how it will dishonor my wife and family and my brothers and sister, and so I am asking the public for God's sake to furnish the wife's poor little children with food and clothing if I should be condemned to prison, for you will know, my dear friends, when the father is in prison, how hard it is for the poor little children and mother.

So surely some kind hearted friend will take up the matter and make help out the mother and poor little children for God's sake, for I feel heartily sorry for them and for having offended thee, my God.

SUFFERERS FROM PILES
Zam-Buk Has Cured These

Friction on the hemorrhoidal veins that are swollen, inflamed and gorged with blood, is what causes the terrible pain and itching and smarting of piles. Zam-Buk applied at night will be found to give ease before morning. Thousands of persons have proved this. Why not be guided by the experience of others?

Mr. Thomas Pearson, of Prince Albert, Sask., writes: "I must thank you for the benefit I have received from Zam-Buk. Last summer I suffered greatly from piles. I started to use Zam-Buk and found it gave me great relief. I continued to use it after using three or four boxes I am pleased to say it has effected a complete cure."

Mr. G. A. Dufresne, 12318 St. Joseph Street, St. Roch, Quebec, P. Q., writes: "I can highly recommend Zam-Buk to every one who suffers from piles."

Magistrate Stanford, of Weston, King's Co., N. S., says: "I suffered long from itching piles, but Zam-Buk has now cured me."

Mr. William Kenney, of Upper Nine Mile River, Hants Co., N. S., says: "I suffered terribly from piles, the pain at times being almost unbearable. I tried various ointments, but everything I tried failed to do me the slightest good. I was tired of trying various remedies, when I heard of Zam-Buk, and thought as a last resource I would give this balm a trial. After a very short time Zam-Buk effected a complete cure."

Zam-Buk is also a sure cure for skin injuries and diseases, eczema, ulcers, varicose veins, cuts, burns, chafes, chaps, cold sores, etc. 50c. box from all druggists and stores or post free from Zam-Buk Co., Toronto, for price. Beware harmful imitations.

THE ALBERT SHALES

(Moncton Transcript)

In the news columns of the local press appeared statements that the development of the shales in Albert county has been abandoned, and this story is being repeated more or less generally in the vicinity. Much of the report is said to have arisen from misconception of remarks by a New Brunswick employed in connection with the company.

So far as The Transcript can understand the situation, it is that the gentlemen who have been conducting borings in Albert county have completed their work. They represent only the preliminary investigation. They are connected with a firm experienced in such matters and have been conducting drilling operations throughout the field, taking data and submitting the same to a central office, where experts will work the details out, and determine exactly the value of the shale deposits.

Those who have completed the experimental borings were not the workmen who will construct a plant or proceed with the actual distillation. The gentlemen engaged had a specific work, which they have discharged. The result of their investigations, their drillings and their borings, together with the data obtained from the same, will be used by the company should make remarks which apparently knock the enterprise is inconceivable. It is not surprising in the light

THE REAL SECRET OF REJUVENATING THE FACE

(From The Clubwoman.)
She holds the true secret of facial rejuvenation who has learned how to remove the dead skin particles as fast as they appear. It's a secret anyone may possess. The aged, faded or discolored surface skin may be gradually absorbed, in an entirely safe and rational manner, by the nightly application of ordinary mercolized wax. Within a week or two the underlying skin, youthful and beautiful to behold, has taken the place of the discarded cuticle. So little of the old skin is absorbed each day there's no one suspects you are putting anything on your face. The mercolized wax, procurable at any drug store (or source is sufficient), is applied like cold cream. In the morning it is erased with soap and water. It's the best thing known for freckles, blackheads, pimples, moth patches, liver spots and fine surface wrinkles.

For the deeper wrinkles an excellent recipe is: Powdered exfolite, 1 oz., dissolved in 1-2 pt. witch hazel. Bathing the face in this mixture produces quick and wonderful results.

Germans Flock To Canada

Hamburg, April 28.—A big emigration boom has started and four extra steamers had to be put on. They took 2,940 emigrants to the United States and 2,100 to Canada. Many others are to sail.

ACCIDENTS

Simon Bradshaw, of Fairville, was quite seriously injured by being struck in the left side by an iron girder while working on the steamer Mount Temple. He was attended by Dr. F. H. Neve and later removed to his home. The full extent of his injuries could not be ascertained last night.

Three members of the crew of the steamer Mount Temple while proceeding up Rodney wharf last evening collided with a horse and wagon. The men were badly bruised.

Wm. Lacey, a laborer on the new elevator, was struck by a shunting engine in Union street last evening and received internal injuries.

George, young son of George Waring, superintendent of ferries, sustained a fracture of his right leg and thigh last evening by a fall from a flag pole in a neighbor's yard. Dr. Neve was called and had

U. N. B. ENCOENIA ON MAY 15, THE SPEAKERS

Fredericton, N. B., April 28.—The annual exercises at the U. N. B. will be held on May 15. Lieutenant Governor Wood will preside. The programme will include addresses by Professor Stephens, in praise of the founders; Dr. H. S. Bridges, alumni orator, and Judge Barry who will address the graduating class. Arthur N. Carter is valedictorian. The graduating class numbers forty.

TRIALS OF CHILDHOOD
The thing I wish more than anything else to see is a child's life. I wish that I had been born so I knew everything. And I'd like to have a study out of books at all.

SHARED HIS APPLE
A young man passed down a street lined with loaded wagons. He was eating a large apple with evident relish. He stopped momentarily in front of a big black horse attached to a dray. He noticed the wistful gaze the horse was casting at the apple. He could almost detect a smile of anticipation hovering around the horse's mouth.

YORK AND SUNBURY HEIRS WIN IN SUIT OVER WILL

(Fredericton Gleaser)
York and Sunbury county heirs of the late Mrs. M. A. Pease have won a suit over the will of the late Mrs. Pease. It was a matter of some importance as the will was a contested one. The heirs of the late Mrs. Pease, who had been named in the will, were the York and Sunbury county heirs. The will was proved by the executor, and the heirs of the late Mrs. Pease were named in the will. The York and Sunbury county heirs were named in the will. The York and Sunbury county heirs were named in the will.

THE LOG DRIVES COMING

Gleaser—The high water has caused a heavy run of logs into the locks, new logs running in in large quantities yesterday and again today. With indications pointing strongly to heavy, warm rains the lumbermen are much pleased with conditions for getting out the lumber on the headwaters of the St. John river. From the Miramichi reports come that good progress is being made in bringing out the drives. O'Brien's drive on Porterbrook is expected to be in the main river today or tomorrow and the drives on Trout Brook, Wises, on April 15. Mr. Ellis, however, abandoned the case when the time for hearing arrived and the executors are now in possession.

HAD A DREADFUL COUGH FOR OVER SIX MONTHS.

Thought it Would Turn into Consumption.
Miss Jane Dousette, Point a la Cardie, Que., writes—"Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough for over six months, and tried everything but in vain. I thought it was going to turn into consumption. My friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicine I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit. I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me. See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. Price, 25 and 60 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

TAKING GRIP ON HARBOR MATTER

Great Need of More Berths is Shown

PROMPT ACTION REQUIRED

Public Meeting Hears Case Forcefully Presented—Demands of Growth of Business Must Be Met—Committee to Urge Government to Act at Once

The pressing need for instant action to relieve the congestion of traffic at the west side docks and to prepare for the steadily increasing business, was forcibly presented at the public meeting held in Kett's Assembly room under the joint auspices of the board of trade and the city commissioners last evening. The attendance was not so large as the importance of the subject might have led one to expect, the gathering was a representative one and comprised those most prominent in the various interests affected by the situation.

The discussion of the problem seemed to indicate as the most important steps which should be taken the calling for tenders by the dominion government for the immediate construction of one or more additional berths and the erection of grain conveyors to supply berths No. 5, 6 and 7.

Commissioner Schofield reviewed the situation in a comprehensive manner and urged the need of calling for tenders for new wharves within the next fortnight if they are to be completed in time to be of any service next season. As other steps to relieve the congestion, he suggested the construction of grain conveyors to those berths of the new government pier at this old C. P. R. berth; the erection of a warehouse on the northern side of No. 7 to provide accommodation for the use of the berth on the northern side of that wharf; the straightening up No. 1 berth to enable it to accommodate large steamers and the removal of the ferry terminus to the foot of King street, and the construction of a long deep water berth on the present site of Rodney wharf.

William Downie said that the present facilities are already five years behind the development of the port. The statistics showing the large increase of both import and export business during the past five years, indicated that traffic would double in the next five years. He announced that the C. P. R. expects to have additional sidings in Union street, west end, to accommodate 250 cars, by next year.

Mayor Fink suggested that if there is no other way to provide the grain conveyers the city might put up the money and do the work. Another interesting suggestion which he made was that the city might tender for government contracts for wharf construction to make sure the work was done to their own satisfaction. He urged the desirability of calling for tenders for two new wharves instead of only one.

Captain Gillies advocated the closing of the western channel to protect the new wharves.

P. W. Thomson suggested the extension of No. 6 berth to the harbor line.

Senator Daniel spoke briefly and predicted that the final solution would be found in the government taking over all the harbor facilities.

A committee was appointed to give effect to the sentiments expressed at the meeting and to forward a resolution to the dominion government.

In calling the meeting to order, the chairman, J. M. Robinson, president of the board of trade, drew attention to the congestion which had existed in the harbor, this winter, and which had grown worse as the season progressed. He predicted that with the growth of trade, the congestion would be much worse next year unless prompt steps were taken to remedy the matter.

A large number of pictures, taken at Sand Point within the last few weeks, showing the actual conditions, were then thrown upon the screen and were explained by Harold C. Schofield. The pictures

showed the slip with seven steamers crowded into it on several different occasions and several pictures of steamers double banked with two at each berth.

The chairman remarked that pictures showed better than he could tell the conditions which existed in the harbor. The city and the board of trade had been active in their efforts to secure more rapid progress in the extension of the facilities, but with little success. They were told that the government was hurrying the work, but the fact remained that it was not being done. He then called upon the city commissioner of harbors to address the meeting.

William Downie, general superintendent of the Atlantic division of the C. P. R., said that he could only verify what the commissioner had said regarding the congestion at West St. John. The worst period was for the six weeks at the end of the season. During the rest of the season the wharves were crowded but some accommodation could be found for the steamers.

The traffic had increased more than 30 per cent in the last five years and he believed that it would double in the next five years. Mr. Downie submitted a statement showing the recent increase as follows:

	Imports	Exports
1907-8	\$4,425,349.30	349,303
1908-9	\$9,799,358.10	358,100
1909-10	\$12,265,380.64	368,643
1910-11	\$15,049,365.37	375,373
1911-12	\$19,256,407.82	407,829

These figures showed an increase from 1907-8 to 1911-12 of 94,811 tons in the imports and 58,224 in the exports, a total increase of 153,035 tons. These figures are a half million.

covered only the railway traffic and do not include the local cargo originating at or destined to St. John.

Some additional pictures showing the congestion at West St. John were shown, and the chairman announced the appointment of a committee to draw up a report of the situation and to present it to the dominion government with recommendations regarding the necessary steps to cope with the situation. The committee named by Schofield representing the city, A. M. Belding and E. C. Elkin, for the citizens; William Downie and M. M. Gillies for the transportation interests, and Harold C. Schofield and Percy W. Thomson for the board of trade.

NOTHING SUCCEEDS LIKE SUCCESS

It is a good and proper thing to be the originator of a proved success. The article that has caught on to the public taste may be less than your finger nail, or bigger than your whole body—size doesn't count—nothing really counts but that: That you have worked your way to the discovery of a commodity that supplies a known and felt want; and that the great wide-eyed public have unhesitatingly taken up your new production and made it a success.

It has been exactly like that with H. P. P. The delicious relish, made by the Midland Vinegar Company, of England, the largest firm of malt vinegar brewers in the world, has been an unequalled success from the first day of its distribution until now.

H. P. P. is a thick, rich sauce, compounded solely of most delicious Oriental fruits and spices, and pure malt vinegar. Its makers claim for it that there isn't another sauce to compare with it for true fruity flavor, and judging from its already wide popularity, the general public have been quick to endorse the good opinion of the manufacturers.

CITY TAX RATE IS REDUCED TO \$1.91

It was announced at the meeting of the city commissioners yesterday afternoon that the assessors had decided upon the assessment for the year and that while the amount of the levy would be in excess of last year, still it had been possible to reduce the rate to \$1.91, which is five cents less than the rate of 1912. The levy has just jumped from \$869,729.22 to \$895,083.25.

The assessment shows that land values in the city have been increased by some thing more than \$1,000,000, and nearly half a million has been added to the value of buildings. Incomes had also been increased from which the best results are to be obtained.

THE BRIDE

By J. R. HAMILTON
Formerly Advertising Manager Wanamaker's, Philadelphia
(Copyrighted)

NEWSPAPERS are inadequate and news columns are often careless to the last extreme.

A News Report for example will say that "THE BRIDE WORE A SPRAY OF ORANGE BLOSSOMS." Which is certainly *Incomplete* and decidedly *libelous*.

We shall come now in a day or two to the month of roses—the month of brides. It may be merely a matter of curiosity to the public, what the bride is going to wear, but to the bride herself it is rather an important subject. And what she is going to wear is certainly not concluded by a spray of orange blossoms.

The bride has to wear a number of things, too intricate and too feminine for discussion and she has to buy all of those things somewhere.

Not only that, but her bridesmaids have to buy other things too numerous to mention, and all of these other things, have to be bought in harmony with what the bride wears.

One thing more—the bride's mother also has to have new things to wear; likewise the bride's sisters, and her small brothers.

(At this point the bride breaks down and weeps wildly; such outbreaks continuing spasmodically right up to the, Will-you-I-will at the church.)

And now we come to the nub of the discussion. If newspaper descriptions of what the bride is going to wear are inadequate we must have some complete source of information.

That complete source has come to be the columns of news, but the columns of advertising.

For, not only is the bride interested in colors, but she is deeply interested in prices per yard. So also are the bride's mother, and her sister and her bridesmaids.

So also is that paternal, pallid, pocketbook who sits there in the corner wondering whether the sun will ever shine again (you have to have been the father of a bride to know what real suffering is.)

If there is any time in the year when advertising comes as a real solace to suffering pocketbooks, it is at the beginning of this glorious month of roses, when, at the risk of paperizing an entire community, we begin our preparations to give away the blushing bride.

So turn to that advertising now and study it as if it were your last hope on earth.

	1912.	1913.	Increase.
Land	\$ 5,474,100	\$ 6,389,100	\$1,115,000
Buildings	11,340,300	11,720,200	409,900
Personal	9,425,300	9,967,700	542,400
Estate	4,384,900	4,885,200	510,400

The total assessment last year was \$30,624,600, while this year it amounts to \$35,559,200.

Health and Beauty Aids
BY MRS. MAE MARTYN

Bosie: I have constantly advised against the use of hair-bleaches and dyes.

Clara: I think you are foolish to worry about a few pounds of extra flesh, but if you fear that your waist line will disappear entirely, go to your druggist and get a ounce of parrot, take it home and dissolve in 1-1/2 pints of hot water. Take a tablespoonful 3 times a day, before meals. Parrot makes superfluous fat disappear.

Christina: If your hair is falling out and your scalp acety with dandruff, apply this home-made quinine hair-tonic once or twice a week and watch your hair grow in long and abundant. Dissolve in 12 pint of alcohol, 1 ounce of quinine and add 1 pint of cold water. Rub well until absorbed by the scalp and hair.

Miss Wood: Plenty of good lather is an essential to the success of any shampoo. Some soap that lather well make the hair brittle and hard. It is better to use plain castrol for shampooing purposes. Simply dissolve a teaspoonful of castrol in a cupful of hot water and stir well until it is all dissolved; then take your shampoo by pouring the mixture on the hair and rubbing in well. It will cleanse the scalp thoroughly, make the head feel good and keep your hair soft and fluffy.

Margie: Indeed, I am always glad to repeat a recipe. The wrinkle-remover for which your friend says she read in these columns and found absolute in its action is easily and cheaply made at home by mixing one ounce of almond with one half pint cold water and adding two teaspoonfuls glycerine. Stir and let stand for one day. To remove or prevent wrinkles apply this vegetable cream-jelly thickly and leave over night, then wash off and with more of the cream massage thoroughly. I have never found anything to equal almond jelly-cream to remove wrinkles and keep them away. It contains no oil or fatty substances which might promote the growth of hair. You will also notice by its use not only your wrinkles disappearing but the large pores of the entire face getting much smaller and the skin very soft and velvety.

Mrs. L. E.: No doubt glasses spoil your looks. Probably you would have no need

to wear glasses if you would use a good eye-tonic. Get an ounce of crystals from your druggist and dissolve it in a pint of water. Drop one or two drops in each eye once or twice a day. This is wonderfully strengthening to the eye and will not smart or burn, but makes dull-looking eyes bright and clear. It is just fine for dull, tired, inflamed or weak eyes and for gristled eyelids.

Dora H.: Buy a small, original package of pyroxin and with forefinger put some on eyebrows, occasionally. This makes them grow thick and silky. Slightly straight eyelashes will come in long and early if pyroxin be applied at wash-rooms with thumb and forefinger. Use care so as not to get any where no hair is wanted.

Youngwife: Don't be discouraged. A dandruff paste will dissolve those hairs and leave the skin smooth and clear. Just get a small original package of dandruff from your druggist and make sufficient paste with the powder and water to cover the hair. Apply after 2 or 3 minutes remove and wash the skin. This is an unfailing remedy.

Florence E.: To prepare a complexion-beautifier that will make the skin soft, white and smooth, put 2 teaspoonfuls of glycerine and 4 ounces of spiritus in 12 pint of hot water or witch hazel and let stand until cold. Apply to the hands, forehead and face with the palm of the hand and continue rubbing the skin where applied until dry. Unlike powder, when on it seems part of the skin and does not rub off. Several of my friends have told me that this aprunax wash is particularly effective for sallowness, dark spots, etc. It is much less expensive than ready-manufactured face-washes.

Naomi: Don't worry about your complexion. Nearly every person needs a blood-tonic and liver-purifier in the spring. Prompt treatment will enable you to rid yourself of those yellow blotches and pimples. Get from your druggist 1 ounce of iodine and 12 pint of alcohol. To these add 1/2 teaspoonful of sugar and put into 1 1/2 pints of boiling water. This makes an excellent system-tonic that purifies the blood and arouses the liver to healthy action. Take 1 teaspoonful 5 minutes before each meal and before retiring.

Nervous Sufferers Often Look Well

While persons subject to disorders of the nerves are frequently thin and weak, such is not always the case by any means. Many are of pudgy and vigorous strength and so healthy in appearance that they receive little or no sympathy.

In such cases the symptoms indicate trouble in the head and spinal cord. Though strong in a momentary sense, the nerves are affected and spells of helplessness come over the sufferer. The condition is alarming, because the result to be expected is paralysis.

As in all forms of nervous exhaustion, Dr. Chase's Nerve Food is the treatment from which the best results are to be obtained.

You cannot sleep, and feel restless and irritable; you gain strength, and then a little extra excitement brings on a nervous collapse, and helplessness and discouragement come over you again.

It seems impossible to concentrate the mind and apply yourself to the duties of the day. Yet your appearance is such that people are inclined to think you are shamming.

Dr. Chase's Nerve Food will do wonders for you if you only give it a chance. Gradually and naturally it restores new vigor to the nerves and new hope and confidence to the mind.

FACTORY GIRL GIVES UP

Too Sick to Work—Doctor Advised Operation. Restored to Health by Lydia E. Pinkham's Compound.

Poughkeepsie, N. Y.—"I run a sewing machine in a large factory and got all run down. I had to give up work for I could not stand the pains in my back. The doctor said I needed an operation for female trouble but Lydia E. Pinkham's Vegetable Compound helped me more than the doctors did. I hope that every one who is suffering will get the Compound. My pains, nervousness and backache are gone and I have gained five pounds. I owe my thanks to your medicine for it is the working girls friend, and all women who suffer should write to you for special advice."—Miss TILLIE PLANNING, 3 Jay St., Poughkeepsie, N. Y.

When a remedy has lived for over thirty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their very lives to it, is it not reasonable to believe that it is an article of great merit?

We challenge anyone to show any other one remedy for a special class of disease which has attained such an enormous demand and maintained it for so many years as has Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

SPORT NEWS OF A DAY; HOME AND ABROAD

BOWLING

At Black's Alleys. Two games were played in the two-man tournament on Black's Alleys last evening. Ferguson and Belyea won from Masters and Peterson, 824 to 826. Masters had the best average, 80.23. Hurley and Cogrove defeated White and Beatty, 953 to 887. Hurley had an average of 82.25.

Two games will be played each night until schedule is completed. The matches scheduled for tonight are: Cogrove and Hurley vs. McLeod and Burton; Sullivan and Armstrong vs. Fosah and Howard.

The weekly roll in Black's last night was won by Thomas Cogrove with an average of 80.

On the Victoria Alleys. H. Norris won the weekly roll on the Victoria alleys last night with a score of 86. The prize was a valuable pipe.

BASEBALL

In Bangor. (Bangor Commercial) "We have rounded first base and are taking a strong lead for second," said F. J. Leonard, who is promoting the Bangor baseball team for the Maine-New Brunswick league when he was asked Monday how subscriptions were coming in towards the \$1,000 which must be raised towards securing the team. That was his way of expressing the fact that during the last two or three days more than 6000 have been subscribed.

Saturday was a hard day because a majority of the business men had about all they wanted to attend to, and I was unable to see many of them. I find a great deal of interest in the prospects of having a team here this season, and think that without question we will be able to raise the necessary amount.

"There is no question but a large number of men here want to see a good ball team, and are willing to subscribe to it. We have raised \$800 and over this far and will work harder this week to complete the team secured."

National League. At St. Louis—St. Louis, 7; Cincinnati, 0. Batteries—Sallee, Wingo and McLean; Powell, Worke, Smith, Paclard and Clarke.

At Chicago—Chicago, 8; Pittsburgh, 5. This game put Chicago into first place in the National League. Batteries—Tony, Cheney and Archer; Hendrix, Adams and Kelly.

Brooklyn vs New York, wet grounds. Boston vs Philadelphia, wet grounds.

American League. All games postponed on account of rain or wet grounds.

International League. At Baltimore—Baltimore, 7; Buffalo, 7. Game called in the tenth on account of darkness. Batteries—Danforth, Johnson, Roth and Egan; Holmes, Frill, Stephens and Lalange.

All other games postponed on account of rain or wet grounds.

Diamond Sparkles. George Stovall, first baseman and manager played his first game in the Big Show on July 4, 1904, covering first for Cleveland in a game with the Browns, the team he is now managing so successfully, and leaving the record: One run, one hit, seven put-outs, two assists and no errors.

Joe B. Tinker, for many years an important factor in the famous Tinker to Evers to Chance combination broke into the Big League on April 17, 1902. His record at short for the Cubs in a game against Cincinnati, which team he is managing this season, was as follows:—One run, one hit, two put-outs, two assists and no errors.

John J. Evers, now manager of the Chicago Cubs, broke in on September 1, 1902, covering short in a game against Philadelphia. He failed to make a hit off Guy Harris White, but accepted seven out of nine chances.

Charley Sweeney holds the individual strike-out record for a National League contest. The Californian struck out 19 of the Bostonians while pitching for Providence.

No Money on Dundee. Los Angeles, April 29.—Although the consensus of opinion among fight enthusiasts as to that the Kilbane-Dundee featherweight championship battle in Vernon arena tonight will go to the limit of twenty rounds there has been no betting so far. It is an unique situation precedent to a championship match and apparently the result of general confidence that Kilbane will successfully defend his title.

odds of 2 to 1 failed to bring out any Dundee money yesterday and the betting commission considered it doubtful if Dundee support could be developed by the expected ring-side odds of 10 to 4 or better.

News of the Boxers. Eddie McGearty, Oshkosh middleweight, has engaged a new manager, Rudie Unholz Boer lightweight, Unholz has agreed to take 10 per cent of Eddie's earnings.

George Alger, of Cambridge, and Young Brown, a New York lightweight, have been matched to box 10 rounds at the Irving A. C., Brooklyn, on May 3.

Johnny Kilbane vs Johnny Dundee, Vernon, Cal.

Dillon Won. Milwaukee, Wis., April 29.—Jack Dillon of Indianapolis, easily had the better of Bob Moha of Cleveland in their ten round boxing contest here last night.

A Knock-Out. Akron, Ohio, April 28.—Matt Brock, of Cleveland knocked out Eddy O'Keefe, of Philadelphia, in the fourth round of what was to have been a twelve round bout here tonight. The first two rounds were nearly even. In the fourth, after an exchange of blows at close quarters Brock sent a right uppercut to O'Keefe's jaw and finished the fight. The end was somewhat of a surprise as O'Keefe had twice met Kilbane, the featherweight champion, and displayed great skill against him.

Atlet Wins. Baltimore, Md., April 28.—Abel Atlet of New York, was given the decision over George Cheney of Baltimore, at the end of their 15-round bout here tonight. They met at 124 pounds. Only a down body blow was struck, both men exchanging a succession of blows to the face.

Ten Fast Rounds. Cincinnati, Ohio, April 28.—Phil Brock, of Cleveland and Young Saylor of Indiana fought ten fast rounds here tonight with no decision. In the early rounds Brock had all the better of the contest and the bell saved Saylor from a knockout in the second. After that the Indiana boy recovered and at the close both were going fast with no apparent advantage either way.

No Money on Dundee. Los Angeles, April 29.—Although the consensus of opinion among fight enthusiasts as to that the Kilbane-Dundee featherweight championship battle in Vernon arena tonight will go to the limit of twenty rounds there has been no betting so far. McGraw's Review of the Big Leagues

By JOHN J. MCGRAW Manager of the Champion Giants

(Continued from Monday.) Tinker has got away to a poor start, but I do not believe he will miss the first division with his club. The pitching staff does not appear to be in any too good condition, and that will handicap him for a time. But there is no doubt he has the players and he should wind them into a machine. The Cincinnati club resembles a dangerous one to me, and I believe it will develop much strength in time. "Doc" has already laid a lot of games by one run, which does not mean bad baseball so much as an unpolished machine. Fans generally regard it as hard luck when a club loses a game after a lead by the slight margin of one run. Baseball men consider it lack of fitness. The only comfort to a manager who is losing games by a small score is that he realizes the playing ability is there and that it is only necessary for him to whip it into shape.

Tell Him How to Run Club. The Giants were winning a lot of games by one run two years ago.

will meet Fred McKey of Winnipeg at the Fairmont A. C., New York, tonight.

Welsh Beats Ketchel. Bridgeport, Conn., April 28.—In a ten-round bout here tonight Freddie Welsh, lightweight champion of England, easily outpointed Al Ketchel of this city. At no time did Ketchel have an advantage over opponent.

Huggins, the new National League manager in St. Louis is up against a tough proposition, and I get an idea how he is going to make a very brilliant showing with the material at hand. When the owners of the Cardinals let Bruce Broun, one of the best catchers in the league, go for nothing, they passed up a grand opportunity to gather in some players who would have strengthened the club.

Almost any team in the league would have been glad to get Broun, but he possesses the possession of Broun.

The St. Louis infield does not look bad, but the pitching staff is not what the outfield is not impressive. The catching department has also been greatly reduced in efficiency through the passing along of pitchers, who was a great error on the part of the club.

The fourth and last of the new managers in the National League is Stallings of Boston, and any one who knows anything about the game knows that Stallings is up against. As I said last week, when the Giants' first serial argument with the Braves was on, I consider Stallings a high class manager, one who will get the best possible results out of his material. But, "Aye, there's the rub," for the present at least.

The Giants. With the Giants to date, I am satisfied. In many ante-season articles, I read that my pitching staff would be weak. It is stronger than last year. Demaree has

MADE A NEW MAN OF LUKE BENOIT

ANOTHER SPLENDID CURE BY DODD'S KIDNEY PILLS

Newfoundland Man Tells How He Found Quick Relief and Permanent Cure After Two Years' Suffering

Stephenville, Nfld., April 28.—(Special)—Lord in his praise of Dodd's Kidney Pills in Mr. Luke Benoit, a well-known and highly respected resident of this place. And there's a reason. For two years he suffered from the pains and aches of kidney disease, today he is a new man, and six boxes of Dodd's Kidney Pills effected the transformation.

"I cannot praise Dodd's Kidney Pills too highly," Mr. Benoit says in an interview. "I suffered for two years from headache and pains in my back. My sleep was broken and my appetite failing, and I thought the trouble must be in my kidneys.

"I sent to Thomas McMurdo, St. John's, Nfld., for six boxes of Dodd's Kidney Pills. They helped me almost from the start, and now I am a new person.

"I recommend Dodd's Kidney Pills to all my friends if they should suffer from pains and aches as I did."

That Mr. Benoit suffered from kidney

disease is shown by his symptoms. Any two of these symptoms are proof that your kidneys are diseased. For diseased kidneys there is only one cure that never fails—Dodd's Kidney Pills.

MILITARY EVENT

A grand military event is anticipated next Monday night when under the patronage of Lieut. Col. B. R. Armstrong, and officers of the Artillery Regiment, the band of the regiment will give a high class concert in the Opera House. In addition to the officers of this regiment, non-coms and men of the regiment are invited to be present in uniform, as well as the officers and men of the other militia corps in the city.

The Artillery Band was never more capable of rendering a concert of the most difficult numbers as they are at the present time, and it is the result of many faithful rehearsals. The advance sale of tickets is large and a bumper house is expected.

A NEW IDEA. "What makes you carry that horrible shriek machine for an automobile signal?" "For humane reasons," replied Mr. Chuggins. "If I can paralyze a person with fear he will keep still and I can run to one side of him."—Washington Star.

The incensing machines at Government headquarters in Washington destroy 85,500,000 daily.

British Atlantic Authorities Worked Up Over Loss of Coaches

By TOM ANDREWS

"British rowing enthusiasts are very much perturbed just now about the conduct of famous coaches who have entered into contracts to train foreign crews. Last week Tom Sullivan accepted a very lucrative arrangement with the Berliner Ruder club, to coach a crew for the Olympic games of 1916. This is the first time that Sullivan has coached for the celebrated German club, and his success with the boys at the last games has emboldened the club to engage him permanently.

In a short chat yesterday, Sullivan appeared very optimistic about the abilities of German oarsmen and told me that if he is given a free hand in selecting his crew he will be able to put Germany in the position of winning all the rowing events at the next games.

"His chief difficulty hitherto has been in getting heavy men for the boats, but he is sanguine that within a year he will have got together a good crowd of big fellows with their hearts set on the sport. The Berliner Ruder club has a splendid club house at Wannsee, near Berlin, which was erected at a cost of \$125,000. Its members are mostly drawn from the student classes.

In the event of their departure comes the intelligence that Harcourt Gold and A. G. Kirley have been named to coach the Yale crew for the inter-varsity race against Harvard this year. It is also said that G. S. MacLagan is the secretary and controller of our amateur rowing association. According to present arrangements the party will leave early in May and will coach the Yale crew during the last portion of their training.

"Harcourt Gold is the greatest rowing coach we have ever turned out and has for several years looked after the Oxford crews in their annual eight-shell race against Cambridge university. He was also responsible for the British crews at the Stockholm Olympic regatta and has been in the forefront of British amateur rowing since 1893 when he stroked the Oxford university eight-shell to victory at Royal Henley regatta. It is many years since so renowned a coach as Mr. Gold has gone to America on such a mission and the result of his work will be watched with considerable interest."

KYLIE WEDNESDAY NIGHT Professor Kylie of Toronto, who was unable to lecture last evening on account of the lateness of the train, will deliver his lecture on Canada, East and West, before the members of the Canadian Club and the Women's Canadian Club in Keith's Assembly rooms tomorrow night at 8 o'clock.

FORESTALLING CHARGE. In the police court this morning, Christopher Kane, charged with forestalling, pleaded not guilty and asked that the case be taken up this afternoon. The hearing was therefore adjourned until 2:30 o'clock. The charge is that Mr. Kane purchased four crosses of steel from Charles I. Keith before they had been exposed for the time required.

LIBERALS 36; AND CONSERVATIVES 16

The Manitoba Results to Date—Premier Leaves For England

Edmonton, Alb., April 29.—Counting of ballots yesterday in the recent Alberta election, which were in doubt, resulted in Conservatives getting five of the seats. Two others, Medicine Hat and Clearwater, have not yet been heard from. Results up to last night gave Liberals 38 seats, and Conservatives 16 with two still to hear from and two deferred elections. Premier Sifton left last night for England in connection with the flotation of a \$5,000,000 loan authorized at the last session of the legislature, for telephones and roads.

MARTELLO HOTEL PROPERTY OFFERED BUT IS WITHDRAWN

The government property fronting on St. John, St. George's and Lancaster streets, West St. John with the buildings formerly known as the Martello Hotel and occupied formerly as an immigration detention hospital was offered at auction at Chubb's corner at noon today by F. L. Pettit. There were few bidders and the property was finally withdrawn at \$11,000.

SET OUT FORTY ELMS IN MAIN PARK ENTRANCE

The Horticultural Association is having trees planted on the east side of Tilley Park from Gilbert's Lane to Rockwood Park from Gilbert's Lane. The trees have been procured from Herbert E. Gould, arboriculturist, who, having inspected the land, decided that as the ground is low and swampy, elms would probably be the only variety which would thrive there. Accordingly some forty old, thriving young elms have been brought from the Sussex nursery and are now being planted in position by the park hands. The stream from Lily Lake passes in places so near the eastern side of the avenue as to prevent the trees being regularly set out on that side, but it is hoped in time to straighten out some of the stream's meanderings so as to permit of the regular planting of the trees on that as well as on the other side.

PROF. FALCONER GUEST AT WINNIPEG BANQUET

Winnipeg, Man., April 29.—The Winnipeg graduates of Toronto University last night tendered a complimentary banquet to Doctor Falconer at the Royal Alexandra. Professor Falconer reviewed the recent advancement made at the Queen's City institution and concluded with a tribute to the care for the interests for higher education displayed by the government of the three western provinces.

BORDEN GIRL FOUND

Boston, April 29.—O. C. Kyle, who says he represents Mr. Borden, millionaire milk dealer of New York, announces that Miss Borden has been found. Kyle said Miss Borden was a nervous wreck and was now in the care of friends. One of the women who is alleged to have been with the girl he said has left the city. Kyle said that Miss Borden was found by detectives at a private residence in Back Bay. With the girl were two other girls who are said to have been traveling with her. Miss Borden was taken by her father to the home of a friend of his. Mr. Borden, it was said by Kyle, had decided to drop any legal proceedings that he might have contemplated. Kyle said the woman with the girls left them sometime between Friday night and Saturday morning.

MONCTON POLICE RECORD

Moncton, N. B., April 29.—There were eighty-three persons before Magistrate Steeves this month, forty arrested and forty-three summoned. Twenty-four were arrested for drunkenness as against sixteen in April last year, and five for theft. Eighteen were charged with violating the C. T. A. Nineteen residents were summoned to court for allowing hens to run at large.

JOIN CANADIAN MOTOR CLUBS IN FEDERATION

Toronto, April 29.—The initiative has been taken by the Ontario Motor League for a national automobile association, a federation of all the clubs throughout the dominion, and the matter now rests in the hands of the smaller motor clubs, who are considering the project. The idea is to organize so as to exert more influence in the interests of Canadian motorists, and also to have a voice in the International Automobile Association. It is proposed to hold the first meeting in Toronto at the time of the annual meeting of the Canadian Highway Association this summer here.

DRAFT OF MEMORIAL TO GOVERNMENT TO BE PREPARED BY MAYOR

Committee on West St. John Matters Had Meeting This Morning

The committee on West St. John matters met in the mayor's office at eleven o'clock this morning, and discussed the question of the memorial to the government setting forth the facts and asking for government action to relieve the congestion before next winter. While the completion of the wharf now under construction, and the partial completion of another to protect vessels berthed there, is urgently needed, some relief would be given by making a berth for steamers of moderate length available at the outer end of berth No. 6, and by constructing grain conveyors for berths No. 5 and 6, so that steamers would not be compelled to move for grain. The whole subject was carefully considered, including possible ways of providing other accommodation for small steamers, and Mayor Prink will this afternoon draft a memorial which will be submitted to the committee at another meeting tomorrow morning. There was some talk of a delegation to Ottawa, but consideration of that suggestion was deferred. A clear and strong expression of the case will be made in the memorial, pointing out that the rapid growth of traffic has produced exceptional conditions, fully justifying the government in taking steps to afford relief.

McFARLANE IS SENT TO HIGHER COURT

Dr. Anglin, Meanwhile, Will Examine Man Suspected of Setting Fires

Hearing was resumed this morning in the police court in the case against William P. McFarlane, arrested on suspicion of setting several fires. Willard Gregory was the only witness. He said: "I was in the Dufferin Hotel on April 14 and saw the prisoner leaving the hotel. Soon afterwards I was talking to the clerk when he noticed smoke in the lavatory. The first I saw of the prisoner was coming from the back of the office where he situated the lavatory, bar and barber shop. This concluded the case for the prosecution. Mr. Baxter asked that the prisoner be committed for trial on the ground that the evidence showed that he was seen in the vicinity of the places where the fires were discovered. When asked if he had any statement to make, McFarlane said, 'Not guilty.' The magistrate committed him for trial. Mr. Coulton made application for bail, and on suggestion of Mr. Baxter, McFarlane was remanded for three days. In the meantime an examination of the prisoner as to his mental condition will be made by Dr. J. V. Anglin.

LIQUOR CASE TAKEN UP

Charge Against James Flood—Fine For Resisting Constable

James Flood appeared to answer a charge of selling liquor to James Brookings and Albert Fox, on Saturday last while they were under the influence of liquor. He pleaded not guilty. Brookings and Fox both gave evidence and the matter was adjourned until Friday morning at 10 o'clock. Brookings said he came to town on Saturday and met Fox on the Marsh Bridge and they went out the Marsh road. He said Flood's before noon. He could not say if he was in any other saloon or not that day. He was in Flood's about half an hour, but did not remember if he bought a bottle in Flood's. Both Fox and he were arrested on Saturday evening.

Mr. Henderson—Did you tell the policeman yesterday that you bought the bottle of liquor in Flood's?

Witness—Yes.

Mr. Henderson—Then did you actually buy a bottle in Flood's on Saturday?

Witness—Yes, I bought a square-face of gin.

The witness continued, "Fox was not with me when I bought the liquor. I met him at Ryan's shed, but he was not drunk. I then bought the liquor and Fox and I went out Marsh road and came in the Westmorland road, where we were arrested."

Questioned by the defendant, the witness said he was not drunk when in the defendant's bar. "We drank out of the bottle back of the burning ground. I do not think that the bottle which you gave me made me drunk. I had another bottle in the morning containing about a gill of gin."

Fox said that he and Brookings were arrested between 6 and 6 o'clock in Westmorland road. "I did not buy any liquor that afternoon. I was in Flood's barroom between 12 and 1 o'clock Saturday morning and had a glass of ale. I do not remember being in any other saloon that day. I did not make any statement to a police officer yesterday."

"I have no recollection of where I met Brookings last Saturday. I was under the influence of liquor." The witness' memory was a blank from this time until being arrested. The case was adjourned until Friday at 10 o'clock.

Albert Alberts, colored, was fined \$20 or two months in jail today for resisting Constable Heffer while the latter was arresting him on an execution for debt. The constable told of the resistance.

Henry Gratto was fined \$8 or two months in jail for drunkenness. He was also charged with breaking a window in the restaurant of Charlie Kee, in Mill street. Kee said the defendant was under the influence of liquor and when he was put out he fell against the door and broke one of the windows. The magistrate said that the evidence did not show that the offence was willful but told the prisoner that he would have to pay for the damage.

Four men, charged with drunkenness, were fined \$4 or 10 days in jail and one was fined \$8 or 20 days for a like offence.

TO BE WELL DRESSED

is not a matter of money, never was and never will be.

It is a matter of taste plus judgment; taste in the selection of styles, fabrics and fashions; judgment in selection of a clothing store.

Usually, however, the man of clothing taste is also a man of clothing judgment, and in nine cases out of ten the man who knows fashions, knows values, although the man who knows values does not always know fashions.

Our Men's Clothing Store is ready for men who know both fashions and values.

It is a pleasure to show merchandise that is away above the need for all the oldtime gush and glorification borrowed from the auction room. Maybe you think our own judgment of these suits unavoiably biased. We would like to have yours. The stocks are full and fine today. You are welcome to come in and look them over, even for curiosity, keeping in mind the things we have been saying about them.

PRICES \$6.00 to \$30.00

You will notice the unusual variety between the \$15 and \$25, in Worsteds, Cheviots and Serges, and in styles going from the extreme of fashion to the extreme of conservatism.
