

FARMERS AND DAIRYMEN MET IN CONVENTION

Helpful Criticism Offered—More Agricultural and Technical Teaching Needed—A farmer's Party Endorsed—Labor Representation Needed.

The 35th annual session of the N. B. Farmers' and Dairymen's Association opened in Fredericton on the 28th ult. Pres. S. B. Hatheway in the chair, and closed on the second instant.

The President's address advocated a more practical system of agricultural and technical training in our public schools, and deplored the backward condition of our agricultural industries. No provincial government had ever given agriculture serious consideration, which was largely due to the extremely few farmers in the Legislatures, past and present. The beef sold in the province was largely imported from the West. Fruit growing should receive more consideration. The St. John Dominion exhibition had been lacking in educational features.

In December last he had the honor and pleasure of representing this association, and along with another New Brunswicker, Mr. W. B. Fawcett of Sackville—the farmers of the province at the noted Farmers' Convention at Ottawa. He unhesitatingly, both at the convention and before the Premier, Sir Wilfrid Laurier, advocated the free interchange of farm products with the United States, and endorsed strongly all the other resolutions proposed.

He was not influenced by personal views in this matter, but by the overwhelming evidence he secured from prominent farmers and shippers throughout the province. Men with a thorough knowledge of our possibilities and advantages, who realized the seriousness of a restricted market and who believed that in advocating such a course New Brunswick would become "the land of opportunity." Moreover, men who were broad-minded enough not to consider for a moment that in proved trade conditions with the United States would influence or taint our Imperial sentiment, did not cast the shadow of doubt on our love for King and Empire.

If this tariff reform becomes a reality, both in Canada and the United States, it will stand as the greatest achievement and to the everlasting credit of Canadian statesmen.

Hon. D. V. Landry, Commissioner of Agriculture, expressed the opinion that there was a great future before agriculture in New Brunswick. Co-operation on the part of the farmers was what was needed. The number of agricultural societies had increased to a marked extent and the increase would continue. Expenditure by the government for agricultural purposes had been increased in the immediate past and he felt would be increased in the future.

Following the line of the President's address, Dr. Landry stated that it was quite possible that the educational system of the province might well be modified so as to give some instruction in agricultural subjects in the rural schools. Similar subjects might be taught in the Normal School. He could not see why every student of the institution could not be instructed to test milk and to judge the milk-producing qualities of the cow, and also to teach that knowledge to their pupils.

The speaker said he was sorry more New Brunswick students did not attend the agricultural colleges at Truro and Guelph. The old government he admitted, had inaugurated good system for the assistance of agricultural students, and the present government was

suitable education the farmers of New Brunswick would be equal to any in the world.

County Vice-President's reports were presented from Gloucester, Restigouche, Madawaska, Victoria, York, Carleton, Charlotte, Sunbury and Queens.

The North Shore reports were as follows:

RESTIGOUCHE COUNTY

Much attention had been given to the raising of small fruits and poultry. A good market for the latter had been discovered in Montreal. It had been found that wheat of good quality could be raised. Flour mills were needed however. The building of the International Railway had opened up a large tract of new land suitable for farming. The town of Campbellton was being rebuilt with the result that an improved local market is promised.

GLOUCESTER COUNTY

The season for seeding was favorable but the haying season was poor. Fruit and potatoes had a poor yield. Grains had a fair yield. There had been several importations of pure bred stock. A county "farmer's day," had been inaugurated and would be made an annual event. One new agricultural society had been formed.

On Wednesday the Committee on Dairying reported. Although Dr. Landry was favorable to their requests, the committee had been unable to secure what they desired from the Government. To sum up the whole matter they could therefore only report that while practically everyone interviewed was agreed that something should be done yet no one in authority was prepared to attempt to carry out the idea of granting a sum of money sufficient to reimburse the dairyman for the expense of carrying on the important work of weighing his product and testing his production.

Geo. Fisher thought the dairying industry was a waning industry and something should be done to improve it. The government should give more assistance to the industry in the way of a bonus. He would like to hear from the superintendents.

A. Jansen, Salmonhurst, thought the proposition of bonusing the dairy cow was absurd. He thought the dairymen would be alone most interested in this bonusing. Bonusing was not needed if the farmers would do their work right. He did not believe in asking the government for money assistance. Every one could not pull from the government. The farmers could work along the right lines and improve their own conditions.

Fred A. Dixon of Sackville thought bonusing or some other good policy should be adopted to get at the men who were careless and would not try to improve their conditions. The principle of bonusing cows was as good as that of bonusing the steel or any other industry. The government in bonusing would only be giving the farmer his own.

President Hatheway thought bonusing seemed to be the only practical way to get at the matter.

FARMERS THE MASTERS

I. F. Riley, of Westmoreland County, thought the farmers should have a larger representation in the Government. The farmers were the masters of governments and should demand what they want. He was a Liberal, but when the old Government did not do what was right they were turned out and the same could be done with the present government.

Town Council and Board of Trade

Hold Joint Meeting—Will Support Increased Provincial Subsidy for Ferry Boat.

The Newcastle Town Council at a special meeting on Wednesday afternoon, appointed a committee to assist the Newcastle Steamship Co. in the latter's endeavors to have the subsidy from the local government for the operation of the Newcastle—Chatham Head ferry service, increased from \$300 to \$2000. (Chatham is also asking for an increased subsidy for the operation of the Chatham ferry.)

Mayor McMurdo presided at the meeting. Others present were: Ald. Layton, Sargeant, Butler, Morrison, Clark, and Russell, with Town Clerk, J. E. T. Lindon.

The Board of Trade delegation comprised: Patrick Hennessy, President, E. A. McCurdy, secretary, James Falconer and Ald. Morrison.

Ald. Morrison speaking on behalf of the delegation, gave a synopsis of ferry matters since early last year. The company, he said, had lost \$1400 in the running of the Newcastle ferry last year and the decision of the company was that unless a sufficient subsidy could be acquired, the directors should sell the boats. He presented figures of returns of the Newcastle ferry, and argued that the ferry service was most satisfactory according to all the reports that he had heard. Ald. Morrison said the company's loss of \$1400 might possibly be duplicated and in order to offset it, an application would be made to the provincial government to increase the grant to \$2000.

It was proposed to advance the ferry rates to fifteen cents a team one way and thirty cents return.

The Mayor thought that as the ferry benefited the town, it was only reasonable to appoint a committee and seek a subsidy.

Ald. Clark thought the meeting should have information to back its argument.

Ald. Layton urged that the company secure the co-operation of Chief Commissioner Morrissy.

Ald. Butler spoke strongly in favor of the increased subsidy. He related personal experiences, where the ferry had been most satisfactory.

E. A. McCurdy, P. Hennessy, and James Falconer spoke along similar lines. Mr. McCurdy thought if any county deserved fair treatment it was Northumberland as it afforded the govern-

ment such a large revenue.

Mr. Hennessy said he was of the opinion that Hon. Mr. Morrissy would assist the representation.

Ald. Sargeant was pleased with the ferry and the Chatham persons with whom he had been in conversation favored it.

Ald. Clark moved, seconded by Ald. Layton, that the meeting appoint a committee to act with the delegation.

Ald. Clark, Russell and Layton were chosen as the representatives from the council. Ald. Butler was asked to serve but for business engagements he said it was impossible.

The Newcastle Board of Trade met in special session Friday night, Pres. P. Hennessy in the chair.

On motion of R. A. Murdoch and Ald. D. Morrison a committee to act in conjunction with committees from Newcastle and Chatham Town Councils, Chatham Board of Trade, and the directors of the Newcastle Steamboat Co. and the Miramichi Steam Navigation Co., was appointed to Fredericton to press upon the government the necessity of increasing the provincial subsidy to the Ferry boats.

Hennessy, E. A. McCurdy, Mayor P. McMurdo and R. A. Murdoch were appointed such committee.

Ald. Morrison said that this county wanted a square deal from the government. The credit of the province was to be pledged to provide railway accommodation for the St. John valley. The people of North Esk and South Esk parishes have been here as long as the St. John river people. They have no railway, therefore they should be given the very best facilities by water. On motion of Ald. Clark, it was decided to communicate the Board's action to Chatham Board of Trade.

The Committee were entrusted to also press upon the government the urgency of supplying a new wharf at Kedbank and at least one new wharf between here and Redbank, and the repair of several other wharves and the roads approaching them; also the lighting of the draw in the Northwest bridge for navigation purposes, etc.

Government if they did not do what the farmers demanded.

THE FARMER IN

LEGISLATURE

Fred A. Dixon presented figures to show that there was only one farmer in the present legislature. The farmers could not be proud of this. In the legislature there were, he said, 13 merchants, 12 lumbermen, 10 lawyers, 5 medical men, 3 of scattering occupations, and 1 farmer. The farmer paid the bills, but the other occupations had the representatives.

The judgement of the farmer, he believed, would compare favorably with that of men in any other occupation even though he might not be able to talk so much. There were only two divisions in a community, the wealth producing classes and the non-wealth producing classes. The farmer was a food and wealth producer. All business men were necessary, but they were not wealth producers like the farmers. He claimed the laboring men should be represented also.

Mr. Dixon moved the following resolution, seconded by J. F. Riley, of Westmoreland:

Whereas it appears that the farmers of this province are not represented in the Provincial Legis-

lature, nor in the Parliament of Canada by men of their own occupation; therefore,

Resolved, That a committee consisting of a chairman and one member from each county represented in the attendance at this association be appointed to draw up resolutions declaring the attitude of this association with respect to the representatives of the farmers in the Provincial and Dominion Parliaments, and that the report of the said committee be laid before the Thursday evening session for consideration.

Mr. Dixon was appointed chairman of the committee.

At Thursday's evening session the report of the committee regarding the representation of farmers in the Dominion and provincial parliaments presented a resolution in favor of forming an independent farmers' party, which carried.

J. E. Porter's resolution in favor of reciprocity was after much discussion withdrawn for peace sake.

G. E. Fisher read a paper on the social conditions of farm life.

ELECTION OF OFFICERS

The following officers were elected:

Pres.—Col. Montgomery-Campbell.

NEARLY A HUNDRED DEAD IN THEATRE FIRE

Terrible Panic Among Spectators When Picture Machine Exploded, Firing the House—Many of the Victims were Children.

St. Petersburg, March 6.—A moving picture machine in a small theatre at Bologic, in the Southern part of Novgorod province, exploded yesterday and instantly flames shot up, sweeping to all parts of the building. There was a terrible panic among the spectators and, according to the reports received here, nearly a hundred persons, many of them children, were burned to death. Half a hundred others were injured. Baron Taube, chief of the gendarmie corps at St. Petersburg, and two of his

children are reported to be among the missing.

The fire caught while the show was in progress and quickly enveloped the building, cutting off every way of escape. Futile attempts at rescue were made by those who happened to be close by the exits when the fire started and by others from the outside, but the fury of the flames drove them back before they could reach the shrieking victims, who in their efforts to get out of the building fought desperately among themselves.

WILL CELEBRATE IN NEWCASTLE

The Roman Catholic Societies of the North Shore Will Hold a Reunion Here on St. Patrick's Day.

The Catholic societies of Northumberland have decided to observe St. Patrick's Day, March 17th, and preparations are being formulated for a large demonstration in Newcastle. The movement is being launched by the Ancient Order of Hibernians. The various A. O. H. divisions in the county, with the C. M. B. A., Knights of Columbus and other societies, as well as the A. O. H. divisions of Restigouche and Gloucester, will walk in procession to St. Mary's church, accompanied by the Newcastle and Chatham bands. High Mass will be sung, and the sermon of the day

will be preached by Rev. John Carter, of Petit Rocher, Gloucester county. His Lordship Bishop Barry will be in the sanctuary. Rev. Dr. Rieve of Chatham, may address a meeting in the opera house in the afternoon. The following committee has charge of the arrangements, County President C. J. Morrissy; chairman T. H. Whalen, Newcastle; John A. Buckley, M. F. Haley, Chatham; James Ahern, Nelson; Thos. Barnett, Douglastown; Richard Gill, Barnaby River; Thomas Dunn, Blackville; James Hackett, St. Margarets.

HOME FROM F. & D. MEETING

Among the delegates to the Farmers and Dairymen's Association who returned Friday were Messrs. Geo. E. Fisher, Henry Gordon, Wm. M. Johnston, Jubal Watling, Jas. Ross, J. L. Stewart, Chatham; Wm. Gratton, Wm. Beatty, and Romain Savoy, Tabusintac; Jno. Betts, Dr. Wilson, Randolph Crocker, J. J. Clarke, Derby.

ROYAL Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

Royal Baking Powder is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food. In England, France, Germany and some sections of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and all physicians condemn baking powders containing it.

The label of alum baking powders must show the ingredients.

Will restore gray hair to its natural color. Stop Falling Hair, causes to grow on bald heads, cures Dandruff, itching and all Scalp Diseases. Contains no oily or greasy ingredients. Price 75c. - To introduce will mail first order for 30c. copy of postal note.
Address: The Mervin Co., Windsor, Ont., Can.

NEW CARLISLE.

Feb. 27.—Since the beginning of the year our village has lost a number of old inhabitants. On the 21st of February, Henry S. G. passed peacefully to his rest at the age of 74, respected by all who knew him. The interment which took place at the Wesleyan Church-yard, was attended by a large circle of friends. Rev. Mr. Tattrie, conducting the services.

Miss Martha Caldwell, aged 86, died at her home in the Presbyterian Rectory on February 10th. She was a woman who had lived a long and well, and was ever active in the church, she held office in the church, and held a record for her work in the Sabbath School, being over forty years. Rev. Mr. Tattrie conducted the funeral services at the church and spoke of her life. They felt in losing such a worker for the church.

On February 22nd, J. P. LeGaud of Paspébiac died, aged 65. He had been in poor health for several years, but was always able to get on his feet. It was not until he had used Lydia E. Pinkham's Vegetable Compound that he was cured. He writes: "I have used your medicine and it cured me of my complaint."

Skating seems to be the order of the day. We are beginning to think we have quite a swell place in New-Carlisle. We have two rinks (these come first), two banks, two hotels and a goodly number of important business places. There is also some talk of there being erected in the summer a Government Post Office building.

Mrs. F. G. Scott has been ill for the past few days, but is now improving. Mrs. John Hall Kelly is also recovering from her recent illness. Mrs. Wm. Moor of Moor Settlement was visiting here to attend the marriage of her son Mr. Joshua Chaffert, who was wedded to Miss Annabella Renouf of New Carlisle on the Feb. 23rd.

WHITES BROOK NOTES

We are beginning to think our correspondent has been sleeping for the winter. Let us try and wake up for the beautiful spring months. Since the middle of November there has been excellent sleighing and so far the lumbermen have had an unusually favourable season. At the present time every available team are in the woods rushing the hauling from the yards.

Mr. J. L. Wyers who has recently returned from North Carolina is visiting the lumber camps and finds the work progressing very rapidly. Mr. Robert B. Adams is operating for the Dalhousie Lumber Co., forty-seven miles from Campbellton on the International Railway. About thirty men are employed at present. The whole outfit is situated very comfortably and the bill of fare surpasses that of the large hotel.

Mrs. Wallace Adams accompanied by Miss Lottie Adams of Glen Levet were the guests of Mrs. R. B. Adams for a few days and enjoyed their visit immensely owing to the beautiful weather and courteous treatment of the cook and cookess.

Mr. Bruce McBeath government lumber scaler made a trip through here last week. He returned to Campbellton Tuesday night. Mr. Adolore Boudreau had the misfortune of having his foot crushed between the logs, but has improved so as to be able to resume his duties, again.

DALHOUSIE.

The Masonic Hall, Dalhousie, was very prettily decorated, and a most enjoyable evening was spent by all participating in the dance given there on Friday last the 24th February by the "Dalhousie Matrons", and the conduct of the dance is certainly a high tribute to the efficiency and taste of a committee which numbered as its members Mrs. H. A. Hilyard, Mrs. S. Lenwood T. Clifford, Mrs. J. E. Hume Storer, with Mrs. Frank Babarie as Hon. Sec'y. These ladies acted as chaperones, and about 30 couples took part in what might be called one of the most successful dances ever held in Dalhousie. The arrangements were well in hand, and the music as supplied by McLachlans Chamber orchestra was all that could be desired, keeping the dancers busy until midnight when lunch was served by the committee, after which dancing continued until 3:00 a. m. Several visitors from outside towns were welcomed and the gowns were all worthy of note.

Among some of them were the following—Mrs. Frank Matheson, brown silk; Mrs. Miles, white point d'esprit over silk; Mrs. G. Holland Lounsbury, white satin, pearl trimming; Miss L. Alexander, grey silk, sequin trimming, Miss White, very becoming gown of black net; Miss Ethel white, pink silk, lace trimming; Miss Bishop, green silk; Miss Bessie Stewart, pretty white lace, pale blue trimming; Mrs. H. Hilyard, white lace over yellow satin; Mrs. S. L. T. Clifford, white point d'esprit; Mrs. J. B. H. Storer, white satin, pearl trimming; Mrs. Barberie, yellow satin veiled in chiffon; Mrs. W. A. R. Cragg, white satin; Mrs. J. A. Potts, grey crepe de chine; Mrs. Pallen, pale blue silk; Mrs. H. Hocequard, gown of grey foulard; Miss Stewart, yellow muslin; Mrs. J. Val Magee, mauve muslin, lace trimming; Miss Edith Stewart, pale blue muslin.

Miss Edith Stewart had a skating party last Saturday. Mrs. Sheehan entertained a number of young people last Monday. Mr. H. Ferguson and Mr. Lemox of Campbellton being among the number.

Miss Mamie Graham of Campbellton, spent last Sunday here. The Misses White spent last Saturday with Miss O'Regan. Miss Bessie Stewart of Moncton spent a few days here on her way to Toronto. Mr. and Mrs. Holly Lounsbury were visiting Mrs. Lounsbury's parents, Mr. and Mrs. Lamkie. Miss St. Pierre was the guest of Mrs. Mercier for a few days. Mrs. Dr. Sproule and Miss Bishop were visiting Mrs. J. B. H. Storer. Mr. R. O'Brien, Mr. Ed. Shirley and Mr. Orelle Landry of Campbellton spent Saturday here.

ROBINSONVILLE NOTES

Mrs. James Boland was visiting her daughter Mrs. Thos. Chambers on Sunday. Mr. J. Borland is very ill with an attack of grippe. Miss Mary J. Archibald is spending a few days with Mrs. David Parker. Widow Harris was visiting friends on Monday. Mrs. James McNaughton and her daughter Margaret were calling on Mrs. Sanford Mann on Sunday. Mr. and Mrs. Roderick Thomas were visiting at Mrs. Thomas home in Dawsonville. Mrs. Etina Parker was the guest of Mrs. Dave Wyers. Mrs. Murdoch Firth called on her sister Mrs. F. Cormeau on Sunday. Mrs. James Bury is visiting friends in town. Mr. Russel Enman called on Mr. John Mann on Sunday. Mr. Murdoch Mann spent Saturday evening with Mr. John and Mr. Sanford Mann. Mr. Sanford Mann is visiting her sister Mrs. John R. Mann.

HOPETOWN

The case of McRae vs. McRae will not come into the courts. The defendant, Duncan Alexander McRae, slandered the plaintiff, Herby W. McRae by stating that he had illused his wife by beating her, but the matter will go no further, the defendant having apologized, and settling the action by the payment of \$20. and costs.

SUNNYSIDE NOTES

It is some time since we have seen any notes from this locality, which is somewhat dull at this particular season. In common with others, we have had our share of cold weather although our roads were always quite passable owing to the number of portage horses which pass daily to and from the lumber camps, which are quite numerous this winter on the Jaquet River and its branches.

Quite a number of our young people had almost enjoyable outing on Saturday last the 25th at the camp of Harry Pond on the South Branch. This camp is the nearest to visit, being about five miles from the settlement, and certainly deserves its reputation of being the best camp on the river as well as the largest. At present the crowd is smaller consisting of about 50 men. Mr. Pond proved a very kind and genial host, and made his guests as comfortable as possible. He comes from Boistown, as does most of his crew. The cooks—Thomas Frioite of Jaquet River, and John Munroe of Kings Co. set up a most appetizing repast before their visitors, which needless to say was appreciated by all. The fare would certainly do credit to some of our hotels. Everything was perfect in its way, and the cleanliness of the dining room impressed us all quite as much as the palatable food, being rather unusual in the ordinary lumber camp. The cook, Mr. Wiseman, was in his element, as there were quite a number of young ladies in the party. It was rather hard to tell which was the favored one, as Mr. Wiseman seemed quite devoted to each one in succession. A couple of ladies carried their cameras with them and took a number of snapshots—a group in Mr. Pond's office, another outside the camp, and several of the loaded teams at the landing. Preston Duncan made himself very agreeable, and several young ladies were indebted to him for a number of nice magazines which they carried home as souvenirs of the occasion. Mr. McDonald arrived upon the scene just as the party were preparing for departure. We are sorry that he had not come sooner but hope to renew his acquaintance later. Mr. Lannigan, the scaler, was present also. His work in the office was interrupted by a visit from the party, but he did not mind it in the least, but made everyone feel quite at home. The day passed very quickly and it was only the approach of nightfall which reminded us that our visit had terminated and that we must make haste to reach the open before dark. So with good wishes all around and many thanks for the hospitality extended us, we departed, casting lingering glances backward until the hills shut out the view. This camp is one of a great many operated by the Louison Lumber Co.

John SickelSmith, Greensboro, Pa. has three children, and like most children they frequently take cold. "We had tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all dealers.

POLICE NEWS.

Graphic
George Hudson and Robert Lavigne were arrested last Friday on suspicion of theft. Before Police Judge Matheson they were charged with stealing a stove and other things, convicted and sentenced to pay a fine of \$15 or three months in jail. While awaiting removal to Dalhousie they broke out of the lockup during the temporary absence of the custodian, but were re-arrested last Monday evening and removed to Dalhousie. Hudson bears a bad record, and is said to have deserted from the Barque Monrovia a few days previous to the fire.

Edward Henry who was fined some time ago \$50 for contravention of the Liquor License Law paid the penalty imposed.

Amatite ROOFING

60,000 Feet of Amatite Roofing

The acceptance of Amatite Roofing at the St. Louis Exposition, after it had been tested with Amatite Roofing. Amatite was selected because it was inexpensive, easy to put on, required no care or attention to expense, and would give excellent durability. If ordinary smooth roof had been used, these roofs would require repainting every year or two at considerable expense and trouble. Amatite Roofing is a smooth surface which requires no painting. Use Amatite Roofing wherever you want to save expense. It is the most economical solution of the whole roofing problem.

Amatite Roofing requires no skilled labor to apply; it costs no more, (in fact much less) than other roofings; and the fact that it requires no painting makes the total expense far below that of any other type of roof covering. You can use Amatite for every kind of steep roofed building. We supply galvanized nails and liquid cement for the laps free of charge. Send for free sample and booklet. Address our nearest office.

THE CARRITE-PATERSON Manufacturing Co., Limited
ST. JOHN, N.B. HALIFAX, N.S.

CAMPBELLTON NEWS

Mrs. Geo. Myles is visiting in Moncton.

Mrs. E. H. Anderson has returned from Ottawa.

Mr. Thos. Wran has left for a trip to St. John.

Miss Erma Mowat spent last week end in Dalhousie.

Miss St. Pierre of Riviere du Loup spent Tuesday in town.

Mrs. Holly Loom-bury of Chatham spent Saturday in town.

Mrs. Dugald Stewart of Dalhousie is visiting Mrs. D. A. Stewart.

Mr. A. E. G. McKenzie returned from Montreal on Tuesday.

Miss Tess Lingley has returned from a three weeks visit to Dalhousie.

Mr. Jas. E. Wilson M. P. P., was in town in the early part of this week.

Mrs. Wm Mott of Dalhousie is visiting her daughter Mrs. S. H. Lingley.

Mr. Thos. Wran has returned from visiting in St. John and Moncton.

Miss Mina Mercier from Dalhousie is the guest of Miss Laura McIntyre.

Mr. F. E. Lockhart was in town this week, renewing old acquaintances.

Mr. G. E. Asker has returned to town after an extended stay in Sydney.

Mr. Jas. Fiotte has been transferred to the Bank of Nova Scotia, Vancouver.

Mrs. W. H. Sharpe and Miss Redden entertained a few friends last Monday evening.

The Misses Cameron have returned after spending a pleasant time in Montreal.

Miss Ethel Malcolm and her visitor Miss Myers were visiting in Bathurst last week.

Mr. and Mrs. James Paterson have returned from a pleasant visit to Boston friends.

Miss Lillian Astels of New Carlisle was in town on Saturday and Sunday visiting her sister.

We regret to hear that Dr. Mann has been unable to attend his practice for a few days back owing to illness.

Mr. W. Gillies of Montreal, was a welcome caller at the Graphic office on Thursday. Mr. Gillies represents Eddie Douglas Co. of Montreal for Terran's Flooring.

Miss Eva Wilson gave a linen shower on Tuesday evening to Miss Sadie Fawcett on the occasion of her approaching marriage. Rooms were nicely decorated and a pleasant evening was passed. Miss McLatchy read to the girls, and after a repast had been served Miss Dixon read an original piece of poetry written by, well we won't say, in which was shown the loss of Miss Fawcett to the sewing club and the hope expressed that many more of the girls would follow in her footsteps. A heart shaped box was then brought to Miss Fawcett on opening which she found many pretty and useful pieces of linen. Miss Fawcett thanked the girls in her usual nice manner. Among those present were Misses Greta Adams, Carter, Jessie Moore, McLatchy, Dixon, Bert Stewart, Anderson, Miller, Asker, Alice Mowat and Isa Cameron.

NAVAL SERVICE
The Recruiting officer reports that a fair number of applications have been received for the naval service, but so far only two have been accepted, Alberta H. Harwood, (21) and Frank E. Mellor, (18) possessing the necessary qualifications.

YOUNG LOCHINVAR
The age of romance has not yet passed into obscurity, one amorous swain of the town, with his lady love departing in the old approved way, despite the protestations of the lady's mother. It wasn't done underhand either, the parents knowing very well that the elopement was to come off.

ECHO
Some time ago there arose a great cry from Campbellton "Boy at Home." We notice in the reports of the churches that in two cases an architect has been chosen who is "not at home." Are the local men getting a chance of competing for these plans or is all this home buying mere self

INSTALLING WATER
The contractors are this week installing the water connections at the relief cottages.

NOTICE OF DEATH
On Wednesday the 15th Lillian May, the 12 year old daughter of Malcolm Cheslore. Funeral on Saturday 18th inst.

APPEAL AGAINST TOWN
We understand the Crockett case against the town will be heard on or about the 15th March in the Supreme Court at Ottawa.

MARRIED
At Campbellton, Feb. 11, William Charles Hamilton, of Dunbar, Rossignol Co. to Alice Grace McDonald, by Rev. Mr. Drummer.

WILL SOON BE READY
The Dredge St. Lawrence, which is being repaired under contract by the McLennan Co. of Campbellton will soon be ready for work again at Dalhousie.

MARRIED
At Campbellton, Feb. 27th, by Rev. Father Wallace, at the Church of Our Lady of the Snows, M. A. J. LeBlanc to Miss Emelia LeBlanc, both of Campbellton.

NO! NOT YET.
One warm day does not make Spring. Monday was a fine mild spring-like day but Tuesday-Phew it was as cold as ever.

STONE HAULING.
A large number of teams are employed hauling stone for building purposes. The town also have teams at the same job in preparation for the aying out of the street.

IMMIGRATION
A large train load of emigrants passed through here on Monday on their way to western points. The majority of them were brought out under the care of the Salvation Army.

The most common cause of insomnia is disorder of the stomach. Chamberlain's Stomach and Liver Tablets correct these disorders and enable you to sleep. For sale by all dealers.

TRAIN DELAYS
As a result of Monday night's heavy wind the Maritime Express was stalled near little Metis, owing to heavy snow drifts. The train did not arrive in Campbellton till well on Tuesday forenoon.

NEW ROUND HOUSE
Weldon Belyea, Ivan Carson and William Scur, apprentices in the electrical department of the I. C. R. at Moncton, have left there to assist in the wiring of the new round house at Campbellton.

AWKARD MISHAP
Some workmen had a narrow escape on Thursday while removing a vault door weighing 2 1/2 tons to the new Bank of New Brunswick. Contrary to the instructions of Mr. Hope the men endeavoured to take it by the back door instead of the front with the result that the sleigh dipped in a snow drift tipping the door off, and seriously damaging the mechanism. One man just got out of the way in time.

BOARD OF TRADE MEETING
At a meeting of the Board of Trade held on Wednesday evening a delegation was appointed to go to Ottawa to interview the Minister of Railways and Sugarloaf Street and I. C. R. improvement. The members of the deputation are His Worship Dr. Murray; Pres., John Harquail, A. E. G. Mackenzie, and Thos. Malcolm.

EVANS DIVORCE CASE IS NOT DEFENDED

Fredericton, Feb. 28.—The February term of the Divorce Court opened this morning Judge M. Keown presiding. The case of Maud Kathrine Evans vs. William Herbert Evans was first taken up. Mr. S. A. M. Skinner with Mr. M. G. Trott, K. C., who had filed an appearance announcing to the court that he had received instructions to withdraw from the case. Mrs. Evans, the first witness, a strikingly pretty woman, told of her marriage to the defendant and described her married life in detail, telling of her husband's frequent intoxication and acts of cruelty. Mr. Louis Garret private detective Montreal, occupied the stand up to time of adjournment. His evidence went to show improper conduct on behalf of the husband. The case is being continued this afternoon. The plaintiff formerly lived at Bathurst where she was married to the defendant who conducts a coal business at Montreal, where they resided until she left him and returned to Bathurst.

I. C. R. BOARD OF MANAGEMENT TO VISIT C'TON.

We learn from a reliable authority that the chairman of the Board of Management Mr. A. W. Campbell and others of the Board will pay a visit to Campbellton regarding the I. C. R. improvements. This rumour has been current in town and seems to have some foundation in fact. It is thought that the Board will be here within the next two or three weeks, but so far no statement of the expected conference has been given to the Press. To our member Mr. Reid we tender our hearty thanks for his labors, as this result is due to him acting on the Council's and Board of Trade's recommendations to bring the matter up, and arrange for such a conference. We may now rest assured that all misunderstandings will be swept away and we shall find the Government have had the good of Campbellton always before them.

True Household Economy

MOTHERS, we owe it as a duty to our husbands and families to take good care of them. We all want, of course, to have our loved ones cheerful and comfortable. Our dominant part is to give them the very best that we can make or bake. But sometimes we are tempted to save a few pennies in food and think that in so doing we are economising. But is it so? Is this the kind of economy that is wise and profitable? Is it doing our full duty to our loved ones?

Royal Household Flour

We wouldn't think of buying the lowest priced eggs in the market just for the sake of economy. We would feel that because they were cheap they would be good eggs to avoid. The low price would give us a suspicion of their freshness and quality. But when it comes to flour, for example, we may be tempted to buy the second best instead of the best because of the few pennies difference in price. We may think that economy in flour is different from economy in eggs. But it isn't. The principle is the same. The difference in cost between the best flour in the world and ordinary flour is so little that in justice to our responsibility as wives and mothers we can not afford to take chances. From every point of view Royal Household Flour is more economical than any other. It produces more loaves to the barrel. It is richest in food value. It is more uniform. It is best for Pastry as well as Bread and yields more baked product in either bread or pastry than any other flour. ROYAL HOUSEHOLD FLOUR furnishes more nourishment, more real food value per pound and per penny's worth than any other flour in the world.

Aggie's "Book for a Cent" will be sent free to the woman who asks for it and sends in the name of her dealer.

NATIONAL DRUG & CHEMICAL COMPANY OF CANADA, LIMITED, MONTREAL, 21

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be as fine and as fair as a girl. Why isn't it so? The general health of woman is so intimately associated with the local health of the essentially feminine organ: that there can be no red cheeks and round form where there is female weakness. Women who have suffered from the trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and recolors the cheeks. No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: Western Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N.Y.

FREE TRADE IN MONEY BUT NOT EGGS

One of the gentlemen who took a prominent stand in the city of Toronto the other day against free trade relations with the United States of America, is interested in a great banking institution. He holds that it will ruin the industries and commerce of Canada, if our farmers can sell their eggs and dairy and farm produce to the United States free of duty, or our consumers here can purchase the same free of duty from the United States of America, and yet Canadian banks take the savings of the Canadian people placed in their charge and invest the same in the financial markets of the United States.

If it is wrong and disloyal for the farmer to send his produce into the United States free of duty, it must be doubly wrong for the Canadian banking institutions to take the savings of the Canadian people and invest the same in short or long loans in the financial markets of the United States.

The loyalty argument advanced by such gentlemen is only a mask for extreme selfishness.

They want to deny to the farmer the same privilege of free access to the United States of America which they exercise for themselves.

Why should there be free trade in lending money between the United States of America and Canada, and no free trade in dairy produce or the produce of the field and forest?—Moncton Transcript.

"SICK AND ASHAMED."

Sir William Van Horne, who, it is stated, has "just returned from Cuba," says regarding the reciprocity agreement:—"I am sick and ashamed—too sick and too ashamed to say anything about the subject."

We do not wonder that Sir William is ashamed. He has been spending his time in Cuba, just like any other absentee landlord, and on his return home finds that the tenants on the old estate are getting out of hand. They have not yet reached the stage of insisting on wintering in Cuba, but they do insist on what is likely to prove the "farthest south" for most of them, an occasional trip to Buffalo or Detroit to dispose of a load of hogs or try their luck at swapping horses with some adventurer us Yankee.

And on whom must the blame be laid for this unholy desire to do business with the people to the south? Sir William recognizes himself as one of the culprits. He does well to be ashamed. He and Sir Edward Walker and Sir William Mackenzie have been making the path to the south straight and level for the farmer and the lumberman. Sir William some years ago took to Cuba a part of that ample fortune of his—"made in Canada"—and his splendid abilities as a railway administrator, and joining with him a number of United States capitalists whose fortunes had not been made in Canada, he built the Cuban railway, of which he is quite properly President and proud. A Canadian bank is treasurer of the railway and it is reasonably certain that a good deal of Canadian money followed Sir William Mackenzie. This broad Dominion is not broad enough to keep that doughty railway Knight on east and west lines. He has been a chief factor in the creation of the great railway, light, and power systems of Rio Janeiro and Sao Paulo in Brazil and of the City of Mexico. Thousands of Canadian investors have forgotten all about the east and west theory of development, and have followed him and E. R.

Wood and the rest of the new discoverers of South America.

Then there is Sir Edmund Walker. He is truly a sinner above all that dwell in Jerusalem. For he is the controlling spirit in a great bank that gathers the savings of tens of thousands of Canadian farmers and does business on north and south lines on a very large scale. It is generally understood that Sir Edmund's bank has a good deal to do with the moving of the cotton crop of the south in States and makes a good thing out of it for the Canadian stock holders in the bank. But it is tainted money, for no real patriot would use Canadian farmers' savings to move crops north and south instead of east and west.

Sir William Van Horne is right. The men who, forgetting the sanctity of boundary line, have used fortunes made in Canada and funds drawn from Canadian depositors to do business in Cuba and Brazil and Mexico and Porto Rico and the southern States, may well be ashamed of themselves. They have unwittingly aroused in the farmers of Canada the belief that they, too, might be able to do a little business south of the border without imperiling the future of their country.

Sir William Van Horne can show the true spirit of repentance by stopping his flirtation with Cuba. Sir Edmund Walker by closing all his branch banks in the United States, Sir William Mackenzie by withdrawing from his South American ventures. We have simply got to keep business flowing in east and west lines or go to everlasting smash.—Toronto Globe.

PROPERTY QUALIFICATION

The demand of fairminded men that all classes of the people should be allowed equality of opportunity in municipal elections by the abolition of all property qualification for candidates for municipal offices, which was a plank of the platform of H. H. Stuart in the Newcastle elections in 1909 and 1910, and was introduced into the Newcastle council this year by Ald. T. W. Butler but unceremoniously voted down by all of his colleagues present, has been endorsed by leading advocates of Government by Commission in St. John, a much bigger place than Newcastle. The idea steadily grows.

1000 CASES OF TYPHOID AT OTTAWA

A Son of Rev. G. F. Dawson of Chatham, N. B. Among the Number.

Ottawa, March 6.—There are over 1000 cases of typhoid in the city. As it is not now so certain that the Ottawa water supply is to blame for the thousand or more typhoid cases and twenty-five deaths, the milk supply will also be investigated.

On Saturday afternoon the medical health department was scored for its inactivity at a mass meeting addressed by Sir Charles Fitzpatrick, Prof. Adam Shortt, Dr. Montizambert and other prominent citizens.

In the evening a citizens' league was formed for the purpose of drilling the civic officials and aldermen into their duties and responsibilities in the matter of the people's health. A son of Rev. G. F. Dawson of Chatham, N. B., is among the strikers.

Canada's Open Door.

This is the second of the series of articles on Reciprocity republished from the Canadian Century to which reference was made in our issue of last week.

Canadian Fruit Farmers in Great Peril.

From The Canadian Century.

The largest deputation of farmers that ever waited on any Canadian Government was that of the fruit growers of Western Ontario, who went to Ottawa on February 10 to protest against the Reciprocity Agreement. The case they presented to the Government was a strong one. They showed that if the Reciprocity Agreement was endorsed by the Canadian Parliament and the United States Congress it would reduce the value of every orchard in Ontario and ruin thousands of small fruit farmers who had paid high prices for their little farms and spent time and money in planting trees. They showed that many large farms had been subdivided for fruit-growing purposes, and that new subdivisions were constantly being made. They said that a farm of one hundred acres which formerly supported only one family, being cut into ten small fruit farms, supported ten families. Among other memorials presented by this deputation was the following:

"We, the undersigned, the president and executive committee of the Old Country Association, composed entirely of men born and bred in the British Isles, and the great majority of whom are engaged in the fruit industry, respectfully and earnestly beg to draw the attention of the Dominion Government to the peculiar hardship which will be imposed upon us should this proposed tariff legislation come into effect.

"We have been induced to leave Great Britain and to come to this peninsula, and to invest our capital in the purchase, planting and general improvement of fruit lands in a large measure owing to the very wide distribution of official pamphlets and other literature emanating from Canada, and distributed throughout the British Isles, positively stating that 'the Ontario grower is protected in the home market by a high tariff against foreign grown fruit and vegetables and thus enjoys that market without serious competition from outside sources.

"The amount of customs tariffs on the various fruits is specifically stated in these pamphlets and literature; and in order that this particular advantage to the Canadian grower may be clearly understood by the Britisher this tariff scale is not only set forth in Canadian money but is also set forth in the coinage of Great Britain. Under the belief that these conditions would be stable we have not only sunk our own capital, but have been instrumental in bringing many of our countrymen here to invest in this growing industry, which, owing to the steady rise of recent years in the values of land, now requires a large amount of capital to purchase and equip even the small farms the majority of us own, and to provide for the maintenance of our families during the years it takes to bring an orchard into bearing."

Four days after these Ontario fruit farmers presented their case to the Government Mr. Martin Burrell, member of Parliament for the Yale-Cariboo, gave the House of Commons a remarkably clear and comprehensive statement of the position of the fruit growers in all the provinces of Canada, giving special attention, of course, to his own province of British Columbia, which has made wonderful progress in the planting of orchards during the last ten years. Mr. Burrell has devoted twenty eight years of his life to the practical work of fruit growing. No man in Canada has a better knowledge of the question.

In 1901 there were 567,000 fruit trees in British Columbia, according to the Dominion census. Now there are estimated to be five million fruit trees in that province, and the area devoted to fruit is rapidly increasing.

The grain grower of the prairie gets his big farm at low cost, sometimes as a free grant; the land is ready for cultivation; the Government subsidizes a railway to take the grain to market. The British Columbia fruit farm must first be cleared of enormous trees; the people of the East and of the prairie provinces can scarcely realize the immense size of British Columbia timber. After the land has been cleared at great expense and fruit trees planted the farmer must wait for years for his trees to grow and bear fruit. In many parts of the province he must pay his share of the cost of constructing irrigation works.

In the Okanagan Valley alone the amount of \$1,500,000 has been expended already in irrigation works for orchard purposes and vast outlays of the same kind are going on all over the province.

According to the Dominion census of 1901 there were in the whole of Canada 15,053,875 apple trees, 1,301,775 peach trees, 662,101 pear trees, 2,415,685 plum trees, 1,288,368 cherry trees and 179,125 other fruit trees; a total of over twenty one million fruit trees, besides 2,783,506 grape vines and large acreages of small fruits. Since 1901 there has been a very great increase in the number of trees. British Columbia farmers alone having planted about 4,500,000 trees within the ten years. Mr. Burrell estimates that there cannot be less than thirty million fruit trees in Canada now, and he thinks that \$150,000,000 is a low valuation to place on the orchards of Canada today. THE CANADIAN CENTURY some weeks ago published an article on the value of a tree. It was pointed out that a German railway company had been forced to pay six hundred dollars for one cherry tree which it destroyed, and the principle upon which the court decided the value of a fruit tree was explained. Mr. Burrell's estimate only allows five dollars as the average value of a Canadian fruit tree when he values the orchards of the Dominion at \$150,000,000. We believe that the real value is very much greater.

Now what would be said if the Government suddenly took away the tariff protection of a group of manufacturing industries in which \$150,000,000 of capital was invested?

We hear a great deal from the politicians about vested rights. Why should there be any more consideration for the vested rights of manufacturers than for the vested rights of farmers? Has not the small farmer a vested right in the fruit tree that has cost him money, labor, time and anxiety?

We do not believe that the prosperous grain growers of the prairie provinces of Canada will vote against their brothers in British Columbia and Ontario when they know the real facts. We appeal to those farmers of Canada who are not fruit growers to stand by their brother farmers in this time of peril.

World Competition For Canadianers

"Why should Canadian farmers lose every vestige of protection for their products while the tariff on manufactured goods remains almost untouched? If farm products from the United States, the Argentine Republic, Russia, Austria-Hungary, Denmark, Norway, Sweden, Spain, Japan, Australia, New Zealand, and other countries are to come into free competition with Canadian farm products in our own home market why should not manufactured products come in free from the same countries?"

These are the questions which farmers throughout Canada are asking each other now, and they will ask the politicians the same questions a little later on. Free trade in farm products and protection for manufactured products is a condition of things that cannot be permanent.

What Will American Farmers Say?

When the farmers of the United States learn that the same Reciprocity Compact that gives them free entrance to the Canadian market gives exactly the same privilege to almost every food-exporting country in the world they will be enraged. They will say: "With Russians, Japanese, Austrians, Argentines, Danes, Swedes, Norwegians, Spaniards, Australians, New Zealanders and a host of other food producers dumping their surplus products into the Canadian market what will there be left for us?" They will complain that Canadians will try to relieve their glutted markets by shipping some of this foreign stuff into the United States, and indeed it will be very difficult for the United States Government to prevent them doing so. How will United States customs officials be able to distinguish between Canadian farm products and the foreign food that will be dumped on the Canadian market? Dishonest men in both Canada and the United States will take advantage of the situation. On the other hand honest Canadian exporters will often be suspected of fraud. American customs officials will sometimes charge that

FIRST UNIVERSAL RACES CONGRESS

The Central Building of the University of London will witness this July (26th-29th) one of the most inspiring sights of history. Representatives of all the races in the world will meet as equals and in council to discuss how prejudices may be removed and friendly relations established between the Western nations and the other peoples of the earth. Never before has a meeting of this kind taken place, and it is to be hoped that it will be only the first of a series of such gatherings. The First Universal Races Congress will be truly inter-racial; for India, China, Japan, Turkey, Persia and Egypt, as well as the African and other races, will be represented by writers of their own kith and kin, Great Britain being represented by Sir Sydney Olivier, K. C. M. G., Sir Charles Bruce, G. C. M. G., and Sir Harry Johnston, G. C. M. G., among others.

No empire occupies such a vast area nor has its constituent parts so widely scattered as the British Empire, and accordingly no other empire has to face so constantly the grave problem of being fair and just to other races. For this reason it was only right that the First Universal Races Congress should take place in London, and that the support should mainly come from the Empire. No less than twelve Colonial Governors and eight Colonial Premiers are among the Hon. Vice-Presidents of the Congress, besides several Cabinet Ministers in England.

The Congress Executive issues herewith a hearty invitation to all friends of the cause of inter-racial friendship in the Colonies to make a very special effort to attend the Congress and convert it into an imposing demonstration in favour of good will between the peoples of European and those of Asiatic, African, and Australian descent. The Committee hopes that the Coronation of the King and the festivities and Exhibitions connected therewith will act as an additional incentive to Colonial sympathisers of the great Cause to undertake the long journey. It feels sure that those who attend will carry away with them precious memories, valuable knowledge, and a new hope for the near future.

Full details concerning the Congress may be obtained free of charge from G. Spiller, Hon. Organiser, 63 South Hill Park, Hampstead, London.

HAVE YOU ECZEMA?—Have you any skin disease or eruptions? Are you subject to chafing or scalding? Dr. Agnew's Ointment prevents and cures any and all of these, and cures Itching Bleeding and Blind Piles besides. One application brings relief in ten minutes, and cases cured in three to six nights. 35 cents. Sold by A. E. SHAW'S Pharmacy.—71

FARMERS AND DAIRY-MEN MET IN CONVENTION

CHANGE OF MANAGEMENT

At the annual meeting of The Advocate Publishing Company, Ltd., Saturday afternoon, Mr. W. N. Duchemin resigned the office of Manager, and Mr. H. B. Anslow, the principal stockholder, was elected President.

A SEVERE CASE OF NEURALGIA

Cured After Long Years of Suffering by Dr. Williams' Pink Pills.

There is an excellent reason why Dr. Williams' Pink Pills have cured the most severe cases of neuralgia, sciatica, and other complaints in the group that are known as disorders of the nerves. This group also includes St. Vitus dance and paralysis, and the common state of extreme nervousness and excitability. Each of these complaints exist because there is something the matter with the nervous system. If the nerves have tone—are strong and healthy, you will not have any of these complaints. The reason Dr. Williams' Pink Pills cure nervous disorders is that they restore weak, run-down nerves to their proper state of tone. They act both directly upon the nerves and on the blood supply. The highest medical authorities have noted that nervous troubles generally attack people who are bloodless and that the nerves are toned when the blood supply is renewed. It is thus seen that Dr. Williams' Pink Pills cure nervous disorders by curing the cause of the trouble.

Mrs. J. C. Adams, Norris Lake, Man., says: "I am writing you on my husband's request to let you know the great benefit Dr. Williams' Pink Pills have been to him. He is a river driver and therefore much exposed to all kinds of weather and wetting. As a result he had an attack of rheumatism, and then to add to his misery a severe type of neuralgia set in, locating on the left side of the face, and causing him such terrible pain that it would drive him almost wild. He was treated by several doctors, and finally went to Winnipeg, where they blistered his head and applied hot plasters which really only added more to his misery, and he returned home still un cured. In this way he suffered for nearly six years, trying all sorts of medicine, but never finding a cure. One day while he was suffering I went to a store to get a piniment, but they did not have the kind I wanted, and the storekeeper asked me what I wanted it for. I told him about my husband and how he suffered and he placed a box of Dr. Williams' Pink Pills on the counter saying, "Take my advice, this is what your husband should take." I took the pills home with me and my husband started taking them. I am not sure how many boxes he took, but one thing

HELP THE OVERWORKED HEART

Is the great engine which pumps life through your system hard pressed, overtaxed, groaning under its load because disease has clogged its nature's lubricator and cleanser, and daily demonstrates to heart sufferers that it is the safest, surest and most speedy remedy that medical science knows.—Sold by A. E. SHAW'S Pharmacy.—67

MRS. EVANS GRANTED DIVORCE

At Fredericton, Friday, Judge McKeown delivered judgment today in the case of Maud C. Evans vs. William H. Evans. He dissolved the marriage and granted the plaintiff permission to resume her maiden name and ordered the defendant to pay her \$75 a month so long as she remains single.

NELSON CARNIVAL

The Nelson Rink presented a gay appearance on Tuesday evening when some thirty or forty couples attended the Carnival in fancy costume. The carnival was a distinct success, the number in costume being larger than ever before. Although the weather had been soft on Monday, the ice was in excellent condition. The prize winners were: Best ladies—Miss Esther C. Toole; Best gents—Harvey Thompson.

FENELON O'BRIEN

A pretty wedding took place at St. Mary's church on Thursday morning, when Miss Katherine O'Brien was united in marriage to William Fenelon, both of Newcastle. The bride was becomingly attired in a pretty suit of grey with black hat and was attended by her sister Miss Nellie. The groom was supported by Mr. James O'Brien brother of the bride. Rev. P. W. Dixon officiated. After the ceremony the happy couple drove to the home of the bride, where a dainty wedding dinner was served, only near relatives of the contracting parties being present. The bride received many useful presents.

SMALLPOX

Doctor Fisher, secretary of the provincial board of health, was in Rexton the other day to look into the smallpox situation among the Indians at Big Cove. There are still about four cases at the reserve, all the inhabitants are under quarantine since the disease started and are being supplied with provisions by the government. R. A. Irving, Indian commissioner, and Dr. Fisher are considering the best means of removing the quarantine from those who are better of the disease, in order to reduce the expense.

ST. PATRICK'S CONCERT

Again, this year, as usual, St. Mary's Church Choir will give their eagerly-looked-for concert on the 16th and 17th inst. at the Opera House here. This time they will present the thrilling drama—"John Renaud's Triumph," which will be found keenly interesting from start to finish, full of stirring and surprising incidents, and staged by well-trained and enthusiastic players. Besides the drama proper, there will be several selections from well-known vocalists, and St. Mary's Band will be in attendance. All lovers of good music and good acting will, judging from our personal knowledge of the concerts we have attended in the past, will hear and see an entertainment that will amply repay their attendance. A special train will run between Blackville and Newcastle and intervening stations at excursion rates, returning after the concert. Tickets—Reserved, 50c; entrance 25c; children, 15c; on sale at Durick's Drug Store and at the door. Children are admitted on the 16th only. Doors open at 7.15; concert at 8 p. m.

is certain, they completely cured him, and he has never since had a touch of those torturing pains. You can tell how much he suffered when I say that the hair on the side of his head in which the pain was located turned grey. It looks odd, but he says it does not matter since the pain is gone. I believe he would not have been living now had Dr. Williams' Pink Pills not cured those terrible pains, and you may be sure we gratefully recommend them to all our friends and all suffering ones.

Sold by all dealers or by mail at 50 cents a box or 6 boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

INGESTION THAT MENACE TO HUMAN HAPPINESS

patience in its assault, and no respecter of person, has met its conqueror in South America Nervine. This great stomach and nerve remedy stimulates digestion, tones the nerves, aids circulation, drives out impurities, dispels constipation, and brings back the glow of perfect health. Cures hundreds of "chronics" that have baffled physicians. Sold by A. E. SHAW'S Pharmacy.—68

TEACHERS PENSIONS

Sixteen retired teachers are now receiving pensions: They are Charlotte M. Caswell, Milltown; Thos. Stothart, Rexton; J. Boudreau, Petit Rocher; Mrs. Elizabeth Cupples, Woodstock; Alfred S. Baxter, Norton; Alfred MacDonald, MacDonald's Point; Olivia J. Moore, Hopewell; Susie S. Gerrard, Campbellton; Mrs. Margaret S. Cox, Elgin; James Sagnie, St. John; Hypolite LeBlanc, Shediac; Peter Girdwood, Prince William; Wm. Barnes, De Bert Station; Sarah A. Alger, St. Andrews and Wm. C. Simpson, St. John.

JUNIOR HOCKEY

The 'Harkins Academy term defeat the 3rd miramichis on Wednesday evening in Newcastle rink by a score of 2-1. The first half ended 1-0 in favor of Newcastle.

Mitchell, Stevens and Macmurray were the bright stars for Newcastle, while Condon, MacEachren, Troy and Mills showed up well for Chatham.

The line up was

Newcastle	Goal	Chatham
McMurray	Point	Jardine
Willison	Centre	McArthur
Sullivan	C Point	W Troy
Mitchell	Rover	MacEachren
Stevens	Centre	L Troy
Lawlor	R Wing	Condon
Creaghan	L Wing	Mills

NO MONOPOLIES FOR AUSTRALIA

Melbourne, March 1.—The Socialist Premier of the Common wealth, Andrew Fisher, in opening the campaign yesterday in support of the proposed changes in the constitution, said it was essential to obtain adequate powers to deal with monopolies, which he added, "can skin the consumers alive if they choose."

The Premier, therefore, proposed to nationalize certain lines of business wherever necessary to the public interest. He cited the United States as a warning to Australia, saying that there 1 percent of the people owned 50 percent of the wealth, and 50 percent of the people owned nothing.

TEMPERANCE REVIVAL

A meeting to reorganize Northumberland Division, No. 37, S. of T., was held in Chatham Monday night in Temperance Hall, Grand Worthy Patriarch E. S. Hennigar in the chair. Brief addresses were made by the G. W. P. and Geo. Stothart, District W. A. Harold C. Stothart of Perry Road and District Scribe H. H. Stuart of Newcastle, and members of Douglastown and Loggieville Division were present and assisted the G. W. P. Seventeen new members were initiated, which with three old members present, gave the Division a start with 20 members. Election of officers resulted as follows:

Worthy Patriarch—Guyon A. Mersereau.

W. Associate—Wm. Stothart.

Rec. Sec.—R. Alvan Walls.

A. R. S.—Miss Ethel Dower.

Fin. Sec.—Shepherd A. Frost.

Treas.—Alex. MacKinnon.

Chap.—Rev. Geo. F. Dawson.

Conductor—Alex. Watling.

Assist. Cond.—Miss Rae Archibald.

Inside Sentinel—John W. Forrest.

Outside Sentinel—Bervel Watling.

P. W. P.—J. W. Mersereau.

D. G. W. P.—Geo. Stothart.

Division meets next Friday evening to decide upon regular night of meeting.

Tomorrow (Wednesday) Mr. Hennigar will hold a meeting at Whitneyville with a good prospect of reorganizing the dormant Division there. There is a widespread Temperance revival in the province.

Mr. Hennigar speaks at Blackville Thursday night and at Doaktown Friday evening.

BLACKVILLE

The carnival held at College Hill Rink, Blackville, on Tuesday evening Feb. 28th drew the largest crowd of any social event of the season, and everybody enjoyed it. It is estimated there were over 100 people present. The costumes were varied and well thought out, and the judges who were P. Hogan and Dr. J. D. McMillan of Newcastle, and Mrs. David Morehouse of Morehouse, had no sin-cure in making their decision. They announced as prize winners:

Ladies—Mrs. S. Y. Jardine, Easter; Miss Ethel Scofield—Mexican girl, Gentleman—Mr. Thos. A. Belmore, Uncle Sam.

M. Kane—Clown.

Following is a complete list of those in costume.

Inez Arbeau, Shamrock; Eddie Vye, Sunflower; Ethel Scofield, Mexican girl; Myrtle Scofield, Great Britain; Verna Harris, Queen of the Harp; Florence Lyons, Gypsy; Bertha Ferguson, Starlight; Katie McKenzie and Janie Schaffer, two little girls in blue; Hilda Beau, Red Riding Hood; Lydia Beau, Snowflake; Maggie Scofield, Summer girl; Ela Gradie, Western girl; Ethel Underwood, Dutch girl; Birdie Barry, Red Cross Nurse; Lena Layton, night; Mrs. Justus Underhill, night; Mrs. S. V. Jardine, Easter; Mrs. Wilbur Connors, Canada.

GENTLEMEN

Gordon Scofield, Ghost; Burton Scofield, Trapper; Herman Scofield, Indian; Freeman Walls, Rainbow; Aloysius Layton, Cowboy; Mark Sutherland, Clown; A. E. McPhail, Clown; Roy McLagan, Cow Boy; Everett Curtis, Nigger Coachman; I. A. Belmore, Uncle Sam; M. Kane, Clown; Don McKendrick, Fat Baby; W. Underhill, Highland Boy; Harry Underhill, Jack Johnson; Victor Walls; Pete; Chester Walls, Buckley Hat; Russell Underhill, Fisherman; Frank Quinn, Baseball; Sylvester Burns, Sailor; Howard Sturgeon, Umbrella fixer; Roy Underhill, Happy Hooligan; Herm Underhill, Blue Beard; Leslie Elett, Clown; Walter Lyon, Guy Fawkes; Howard Bryanton, Barlow Bill; Robt. Gillespie, Tennis player; S. Y. Jardine, Mr. Dooley; N. Maloney, Clown; Al. Ayer, Scotts Emulsion; Guy McEachren, Prince Jack; Walter Peterson, Court Jester; John Davidson, S. W. Poiot; A slight misunderstanding arose over the awarding of the prizes, but on investigation it was found to be without foundation, the prizes having been awarded as directed by the Judges

NEW BRUNSWICK LEGISLATURE HAS OPENED

Speech From the Throne Promises Cheaper School Books and Some Minor Changes in Provincial Laws.

The New Brunswick Legislature was opened on March 2nd.

The guard of honor was taken from the 71st regiment and the Woodstock Field Battery.

The speech from the throne, among many historical references, noted the increase in number of Agricultural Societies, recent importations of pure bred stock, increased interest in fruit growing, the addition of a poultry expert to the agricultural department, the coming of a fair number of immigrants to the province, aid to

INTERCOLONIAL RAILWAY

TENDER

Sealed Tenders addressed to the undersigned and marked on the side "Tender for Station at Campbellton," will be received up to and including SATURDAY, MARCH 25th, 1911 for the construction and erection of a BRICK and STONE PASSENGER STATION at Campbellton, N. B.

Plans and specification may be seen at the Station Master's Office, Campbellton, N. B., at the Office of the Chief Engineer, Moncton, N. B., and at the Office of the Secretary of the Department of Railways and Canals Ottawa, Ont., where forms of tender may be obtained.

All the conditions of the specification must be complied with.

A. W. CAMPBELL, Chairman Government Railways Managing Board.

Ottawa, Ont., February 28th, 1911. March 7-3

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems come weakened, impaired and broken down through countless generations, remedies are needed to aid Nature in correcting our inherited and acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from natural medicinal roots—sold for over forty years with great satisfaction to all men. For Weak Stomach, Biliousness, Liver Complaint, Pains in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

'St. Patrick's Day' Concert, MARCH 16 & 17th.

The St. Mary's Church Choir will give its Annual Concert on Thursday and Friday Evenings, March 16th and 17th, at the Opera House, Newcastle.

The Choir Will Stage that Thrilling Drama "John Renaud's Triumph"

Which from beginning to end, by reason of its stirring incidents and surprises, keeps enthralled the audience. A favorable reception has been everywhere the result.

In addition to the Drama proper, several well known vocalists have volunteered their services, so that patrons will have an opportunity of spending a most enjoyable evening.

A special train will run between Blackville, Newcastle and intervening stations, at excursion rates, returning after the concert. St. Mary's Band will be in attendance.

Reserved Seats 50c. Entrance 25c Children 15c.

Tickets for sale at Durick's Drugstore and at Hall on entering.

Children will not be admitted on the evening of the 17th. Doors open at 7 15 p. m. Concert commences at 8 p. m. BY ORDER OF COMMITTEE.

SEALED TENDERS

addressed to the undersigned, and endorsed "Tender for Extension to Wharf, Approach and Dredging, Richibucto," will be received at this office until 4:00 P. M., on Tuesday, March 28, 1911, for the construction of an extension to Public Wharf, an Approach and Dredging at Richibucto, Kent County, N. B.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department, at the offices of E. T. P. Shen, Esq., District Engineer, St. John, N. B., Geoffrey Stead, Esq., District Engineer, Chatham, N. B., and on application to the Postmaster at Richibucto, N. B.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, including dredging, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tenderer has not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By Order,
R. C. DESROCHERS, Secretary,
Department of Public Works,
Ottawa, February 28, 1911.
March 7-2

UNITED BAPTIST CHURCH

The re-opening services of the above church have been definitely fixed for March 17th, Friday, in the afternoon at 3 o'clock. Amongst the visitors expected to be present are His Hon. Lieut. Governor Todd and the Hon. H. R. Emmerson, P. In addition to these there will be ministers from various parts of the province. The service in the afternoon will be by invitation but the meeting in the evening will be for the general public and will commence at 7:30. Fuller particulars will appear in our next issue.

FOR 25 YEARS HE SUFFERED

Well Known Merchant Of Sarnia Cured by "Fruit-a-tives"

SARNIA, ONT., Feb. 5th, 1910. "I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever. Finally I read an advertisement of "Fruit-a-tives". I decided to give "Fruit-a-tives" a trial and found they did exactly what was claimed for them. I have now taken "Fruit-a-tives" for some months and find that they are the only remedy that does me good. I have recommended "Fruit-a-tives" to a great many of my friends and I cannot praise these fruit tablets too highly."

PAUL J. JONES

Thousands now use "Fruit-a-tives." Thousands more will try "Fruit-a-tives" after reading the above letter. It proves beyond the shadow of a doubt, that at last there is a cure for Constipation and Stomach Troubles. "Fruit-a-tives" is Nature's cure for these diseases, being made of fruit juices and vegetable tonics. 50c. a box, 6 for \$2.50, trial size, 25c. At dealers, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

MOUNT ALLISON HAS PLEASANT TERM

The second term commenced in Mount Allison University on January 9th, with 140 students in the Residence.

The students learned with regret that Dr. Andrews, professor of Chemistry and Biology was leaving for Regina, where he will be principal of the Wesleyan College there. His departure is a great loss to the institution. He has been connected with the college for twenty years. The students join in wishing him success in his new work.

A most enjoyable recital was given on the 20th of January in Fawcett Hall by Miss Lucia Fydel, teacher of vocal culture in the Conservatory of Music. Miss Fydel sang, besides encores, sixteen pieces, of which four were from the German, four from the French, four from Italian and four from the English language.

The Junior Skating party held on the night of the 27th was one of the greatest events of the season a special train ran from Amherst and a great many town people were present. The rink was crowded with one of the largest attendance on record. The Sackville band furnished an excellent programme of music. Every one present thoroughly enjoyed themselves and the juniors deserve great praise for the excellent entertainment.

The election for the Mock Parliament took place on the 28th. The candidates were, for the liberals Mr. F. Peacock, for the conservatives Mr. G. McDougall, and for the Socialists, Mr. A. J. Gould. The election resulted in the return of the liberals to power; the poll stood Conservatives 50; Liberals 57; socialists eleven. The first session of the parliament was opened in Fawcett Hall by Governor General Sir Ernest Baines R. C. P. O. K. R., on February 4th. The officers of the senate were Hon. F. T. Meek, S. U. P. S., speaker; C. C. Thompson, usher of the black rod; F. F. Bond, aide de camp. The officers of the house were Hon. C. H. Cochrane, speaker; W. H. Outerbridge clerk; R. S. Machum clerk ass't., R. J. H. Smith, sergeant at arms. The Kings guards were on duty but in spite of the most careful guarding an anarchist got in and a bomb was thrown. The bomb was rendered harmless by the efforts of a courageous member, and the anarchist was captured by detectives. After a great deal of discussion which lasted through two nights the budget was passed. The chief part of it was the question relating to a bill to provide for the coronation of King George in Fawcett Hall.

Miss Knight assisted by the Mount Allison septette held her graduation recital in Bethoven Hall Friday the 17th. Miss Knight showed to a delighted audience that she was a master of the violin.

On Thursday night February 16th, Mt. Allison hockey team defeated Acadia at Sackville after thirty minutes overtime play by a score of 3-2. The game is second in length only to the U. N. B. Acadia game at Wolfville. The game was extremely exciting throughout; it was one of the fastest ever played in Sackville. The visitors were entertained at the Bakery by the Mt. Allison team after the game.

On February 18th Mt. Allison defeated St. Joseph at Sackville by a score of 5-1. The visitors put up a hard game but were outclassed in every respect by Mt. Allison.

On the afternoon of February 21st, Mt. Allison defeated Kings College by a score of 10-1. The game was in Mount Allison's hands all through although the King's men were good sports and worked hard.

Do you know that of all the minor ailments cold sore by far the most dangerous? It is not the cold itself that you need to fear, but the serious disease that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by all dealers.

HOME "NEWS" FROM ABROAD

The Montreal Star learns from a Montreal correspondent that "it is generally believed" Hon. C. W. Robinson will retire from the leadership of the provincial opposition to become Lieutenant Governor, and that he will be succeeded by Hon. Mr. Tweedie, the present Governor. The correspondent...

NOMINATION DAY FOR CAMPBELLTON TOWN COUNCIL

Tuesday the 11th of April has been set apart as nomination day for Mayor and Town Council of Campbellton and the polling will take place the following Tuesday.

As the Mayor and councillors all retire at this time it would be well for the ratepayers to get together and arrange their plan of campaign. So far no names have been mentioned for nomination, and it would not be unwise to approach the present councilors to hear their views as to the probability of their standing again. The retiring members of the council are, His Worship Dr. Murray; Councilors, McDonald and Richards, Ward I; Councilors Mowat and Moores, Ward II; Councilors White and McLennan, Ward III, and Councilors Miller and Alexander for the Town.

HOW'S THIS?

CHURCH NOTES AND NEWS

Graphic.

Owing to the illness of the pastor the social planned by the ladies of the Methodist church for Monday last, has been postponed until Monday next 6th March. A hearty invitation to be present is extended to all members of the congregation and friends.

Last Sunday the Methodist church was closed owing to Rev. Mr. Morris' indisposition. The numbers worshipped with their Presbyterian brethren, and large numbers turned out morning and evening.

The St. Andrews Club last Friday had a musical night. Rev. Mr. Drumm took charge and put through a most enjoyable impromptu programme.

At the business meeting of St. Andrews church held last Monday, plans for the proposed new church were discussed but the schemes submitted were not accepted. The building committee were instructed as to the requirements of the congregation and at a later meeting of the joint board of Elders and Trustees, Mr. H. A. Mott of St. John N. B. was appointed architect.

The Methodist church had a meeting that same evening and instructed their committee to accept a plan as prepared by Mr. H. A. Mott, to cost inclusive of organ not more than \$15,000.

We are glad to hear that Rev. Mr. Morris has recovered from his recent indisposition and will occupy his pulpit on Sunday first.

St. Andrews church choir purpose holding the first of a series of concerts on behalf of the organ fund about the 21th of March. Fuller particulars will be given later.

Presbyterian Church, Rev. J. P. Drumm, Sunday services at 11 a. m. and 7 p. m. Sabbath school and Bible class at 2.30 p. m. St. Andrew's Club, Friday at 8 p. m.

Methodist Church, Rev. G. Morris, Sunday 11 a. m. and 7 p. m. Sabbath School and Bible class at 2.30 p. m.

Baptist Church, Rev. Mr. Schurman, Sunday 11 a. m. and 7 p. m. Sabbath Schools and Bible classes

PERSONAL

Mrs. Bulmer of Moncton is the guest of the Misses Williamson.

Senator Farrell of Nova Scotia is spending a day or so in town with friends.

Miss Olive Williamson has returned from a very pleasant visit to Moncton.

The Misses Clarke of Millerton, entertained pleasantly at Bridge, Tuesday evening.

Mrs. Isaac Leighton was visiting her daughter, Mrs. C. C. Crocker, Millerton, a few days ago.

Miss Johnston, of Loggieville, who has been the guest of Miss Greta Rundle, has returned home.

Joseph Manderson, who has been spending the winter in Bangor, Me., returned home Wednesday.

Miss Carrie Moss, of Amherst, who has been the guest of Mr. and Mrs. Howard Waliston, has returned to her home.

Miss Jean Robinson returned last week from a visit to New York, where she had been the guest of Mr. and Mrs. Geo. Pratt.

Mrs. Geo. Cassidy arrived home from Bangor, Me., Wednesday, owing to the serious illness of her mother, Mrs. John Cassidy.

Miss Maggie Adair, who has been in town visiting her parents, Mr. and Mrs. Wm. Adair, left on Tuesday of last week for Winthrop, Maine.

William E. Fish, C. E., who was at the Hotel Dieu, Chatham, is around again and his many friends will be pleased to hear that he has recovered.

Mrs. David Dinan went to Moncton last week to undergo an operation in the city hospital. She was accompanied by her sister, Mrs. Brown, of In-diantown, and Mr. Dinan went down Wednesday to remain a few days.

Ernest A. Mullin, who is representing a large undertaking concern in Three Rivers, was in town last week. Mr. Mullin will have the provinces as his territory.

Mr. Hector McQuarrie, who has been spending a vacation with his parents, Mr. and Mrs. Daniel McQuarrie, returned to his duties in Calgary, last week.

Miss Alice Burchill has gone to Fredericton as the guest of Mrs. Weaver. She will afterwards proceed to New York, to take a course in nursing at the Y. W. C. A.

Mr. and Mrs. Don S. Grimmer returned home last week from a very pleasant visit to the former's parents, the Hon. Surveyor General and Mrs. Grimmer, at St. Stephen.

The many friends of Miss Minnie Ingram will be pleased to know she has successfully passed her probation in the Toronto General Hospital and entered on her duties as student nurse on March 1st.

SPECIALISTS ON THE CASE.—In the ordinary run of medical practice a greater number than this have treated cases of chronic dyspepsia and have failed to cure—but Dr. Von Stan's Pineapple Tablets (60 in a box at 35 cents cost) have made the cure, giving relief in one day. These little "specialists" have proven their real merit. Sold by A. E. SHAW'S Pharmacy.—72

REDBANK NOTES.

Miss Regina Burns, who has been ill is recovering.

Mr. Davie Whitney and his sister Mary passed through here on Sunday.

Miss Mollie Powers, who has been spending a few weeks with her mother, left to resume her work again.

Mr. John Hamilton passed through here one day last week.

Miss Mollie Powers was the guest of Miss B. Ring on Sunday.

We are sorry to hear that Mrs. Andrew Hickey is seriously ill. The young people of this place have been enjoying an open air rink for the past few weeks.

VETO BILL PASSES SECOND READING

British Government Still Able to Muster Majority of 121 or More.

London, March 2—Four days of debate given to a measure involving a great constitutional reform came to a conclusion tonight, when the second reading of the veto bill was passed by a majority of 125, the vote being 368 to 243. Prior to this the house divided on Austen Chamberlain's amendment with a majority of 121 against it. The figures on the veto bill were greeted with prolonged cheers, after which the bill on the premier's motion was sent to the committee of the whole house. This stage is likely to be deferred for some time to enable the government to dispose of financial business. The opposition leaders are drafting an elaborate series of amendments.

AN INVALUABLE MEDICINE FOR ALL BABIES

Mrs. R. McEwen, Thornloe, Ont., writes:—"I think Baby's Own Tablets an invaluable medicine for little ones. I used them for my own child when he was small and last summer when I had a baby visitor whose food did not agree with him, I sent for another box of the Tablets and they quickly helped him." It is testimonials such as this that have made Baby's Own Tablets popular—that have shown them to be an invaluable medicine for little ones. The Tablets always do good—they can never do harm. Once a mother has tried them for her little one she will have nothing else. For with the Tablets she feels safe. They are sold under the guarantee of a government analyst to contain no harmful drugs. Baby's Own Tablets may be had at medicine dealers or at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THOMAS ROBISON M. P. OF YORK DIED SUNDAY

Harvey Station, March 5—Thomas Robison, M. P. P., died this evening at 7:40, after an illness of nine days. He was taken with what seemed to be a bilious attack a week ago Saturday, and seemed to be recovering, but on Wednesday he became much worse. This afternoon he began to sink. He was fifty-four years of age and leaves his wife, five sons and five daughters, all of whom were with him when he died, except a son and a daughter, who reside in British Columbia.

CANADIAN NORTHERN WANTS I. C. R.

Halifax, N. S., March 1—At a banquet tonight in his honor, Sir Wm. Mackenzie spoke eulogistically of the post of Halifax and of the great need it has to be linked up with one of the transcontinental lines. He expressed the opinion that it would join hands with the Canadian Northern and that his road wanted to do this by obtaining possession of the intercolonial.

20 YEARS OF VILE CATARRH.—Chas. O. Brown, journalist, of Duluth, Minn., writes: "I have been a sufferer from Throat and Nasal Catarrh for over 20 years, during which time my head has been stopped up and my condition truly miserable. Within 15 minutes after using Dr. Agnew's Catarrhal Powder I obtained relief. Three bottles have almost, if not entirely, cured me." Sold by A. E. SHAW'S Pharmacy.—73.

TWO GOOD CURLING MATCHES

Nettle Curlers Lose to Campbellton and Chatham Saturday and Monday Last.

The curling matches at the Newcastle rink Saturday afternoon and evening, and at Chatham Monday afternoon and evening, were exceedingly interesting games, and many spectators were present. The home rinks were outplayed by the visitors in the four rinks and Campbellton curlers went home feeling better than when they arrived in Newcastle as Chatham succeeded in giving them a bad beating.

The rinks and scores were as follows:—

Campbellton	Newcastle
E. Mowatt	J. F. Morrissey
M. Mooney	J. M. Falconer
J. Mowatt	R. Galloway

CHATHAM DOWNED

CAMPBELLTON

The Campbellton men were entertained to supper, when speech, story and songs were the use shots, at the close of the match with Chatham on Friday. The score was:—

Chatham	Campbellton
McKendry 25	Andrew 5
Ruddock 14	Mott 9
Heckbert 15	Shives 5
Hildebrand 8	O'Keefe 17
63	36

SYDNEY STATION BURNED

Sydney, Mar. 1—At Sydney this afternoon the new I. C. R. station building was completely gutted by fire, and it is estimated that the loss will reach \$50,000. The Dominion Steel Company were the heaviest losers including many valuable papers beside office furniture, etc. So far as can be learned, there was no one in the upper office when the place caught fire. The theory rumored around the scene today was that the fire caught from a lighted cigar or cigarette. It is likely there will be an investigation into the cause. The steel company are arranging for temporary offices in the Cape Breton Electric Company's general office building on the Esplanade. No serious loss of inconvenience will be caused to the steel company. Practically everything was saved.

ACRY FOR HELP.—A paid in the back is a cry of the kidneys for help. South America Kidney Cure is the only cure that hasn't a failure written against it in cases of Bright's diseases, inflammation of the bladder, gravel and other kidney ailments. Don't neglect the apparently insignificant "signs." This powerful liquid specific prevents and cures. Sold by A. E. SHAW'S Pharmacy.—70

HOME RULE BILL COMING.

London, Mar. 4—Augustine Birrell, Chief Secretary for Ireland, speaking at Oxford last night, indicated that the government's Home Rule measure, subject to modifications that time has shown will be workable and rational. He said that the gov't is now engaged in an inquiry into the fiscal position of Ireland, preparatory to presenting a bill.

GOLDIE'S CHOICE BLEND FLOUR

A correct blend of Ontario and Manitoba wheats—a perfect family flour. Use STAR for pastry, cakes and bread. STAR has fed two generations of Canadians, and will feed many more—

Just because
