John Rorke.

We did intend to let the Clerk of the Peace rest in peace but he still continues to be impertinent. On Monday week just as the Grand Jury was returning into Court a Mrs. White happened to be there getting a poor order, and when she received it she said 10 to the Poor Commissioner in a very timid voice, "Where must I go with this, sir." When the Clerk broke in "go where you like," of course if she was not in the habit of been told where to go she would not enquire. Now it is an undeniable fact that people are told where to go with ork

Amongst the passen ers on the Lady Glover Saturday last, we noticed Mrs. M. Connell, and daughter, who just returned from Montreal, where she went for the purpose of seeing her son 2 who is there at College. From all we - can learn this young man is rapidly 56 progressing and will prove a credit to 5 his country as well as the order for 6 which he is studying.

Total 67 An esteemed correspondent, writing from Placentia on the 4.h inst says -"The gale of 29th June did a considerable amount of damage to nets and traps in this bay, especially to o those in the neighborhood of Burin, 5 Lawn and Cape St. Mary's. The 2 wind arose suddenly, so that "wes-2 tern boats" and other fishing craft anchored off the Cape had to slip and o cut their cables, leaving all their fishing gear behind them. Some of the boats had a narrow escape from des 26 struction, trying to beat off the lee Byes 4 shore, As yet we do not know of Wides I any boat missing. The sea ran very high for the two following days; so Total 31 that nothing could be done in securs ing gear &c.

"Very little fish was taken during the past week. Traps about Lawn, Burin and Oderin average but twenty We are pleased to notice quintuls each. Hook and line men at

have secured small catches." "The long continuance of strong to fishing operations. Wet and foggy weather has retarded the curing of fish, so that the prospect at present

Love Begets Love.

'It's all fancy, aunt Betha: Bruce Verney knew I ironed this gown myself, his signorship would never speak to me again.'

'That's all fancy, my dear: He too perfect a gentleman to despise lady because she is poor and has to help herself.'

' Now the dear little woman is cross because I can't find perfection in her big pet and favorite. Aunt Bertha, smile!' And the speaker, a pretty girl of about nineteen summers, knel down by Miss Heman's side, and leant her head caressingly against the old lady's shoulder. Miss Hemans did not smile however.

'Do not be cross, auntie.' · Cross? Noasense! Why should

be cross ?

Because I don't care for Brace Verney: But I don't, and I never shall; and I wish he hadn't been so foolish as to ask me to marry him It makes it all so stupid, grumbled the girl. 'There-now you are laughing, aunt Betha! What are you laughe ing at?'

"A passing thought, Giftie," 'Tell me,' said Gift, imperatively. Love begets love,' responded aunt Betha, concisely.

'It will not in this case, you wil see. I will not be made to do what! I do not like,' said Gift, trascibly

entering the room at this juncture. "The wind aunt Betha has been

raising,' answered she, with a saucy glance as him. 'We've had a storm in a tea-cup.' Pshaw! Come, Gift, get your hat!

and walk over to the Manor with me.' 'No, thank you; I would rather Verney.

"I thought," said Gift, "it was only women who ever asked for a reas n; however ___ ' Then, pausing suddenly, she turned to Miss Hemans. 'I Bee'st gwan to ge's the extra tan-

suppose I must, aunt Betha?' "I think you ought."

ed Paul, impatiently. 'I cannot go to the Manor again, 'No, my man.' Paul, because-well, this morning Mr. Verney asked me to marry him, and I refused.'

A long low whistle of astonishme t come from Paul, and then he said-'You are more silly than, I gave

you credit for.' 'Thank you,' returned Gift, with her hand was still in an objectionable head very erect and che ks affame. clasp. You appear very anxious to get rid . He wishes me to pay him twenty present then. Aunt Betha I of me-both of you. I will go away per cent profit on his labor when I get think a strike is inevitable. to-morrow to uncle Stanhope's, but only ten myself,' replied Mr Verney, I'll not make my life miserable by smiling down on her.

marrying one whom I do not love; and then the flame was quenched in a flood of tears, there was a pattering of hasty feet, the slamming of a door, and Gift har gone away to hide her feel-

'Is it really true?' asked Paul. 'Quite. I have seen it coming a long time, replied aunt Betha.

Paul. 'He is handsome enough for carelessly. anything, and rich, besides being the best fellow in the world. I cannot unkerstand it."

· I think I can, said Miss Hemans. One word before you go, Paul. It well down into his pockets. you have any influence with Bruce, advise him to go away for a few

heart grow fonder,' I thought,' rejoined Paul; with a light laugh. 'And fond, sometimes,' remarked

the old lady, archly. 'Oh-h-h! What a terrible match. maker you are, Miss Hemans! Adieu!

I really am quite afraid of you; and, litting his hands in mock horror, Paul hurried away. The sweet summer-time sped on, shoulders. but it was not quite gone yet, the sun

still shown in a sky of cloudless blue. chilly nights that made them shiver see.' and change color; the corn was all garnered for winter use; and the swals lows were preparing to migrate to warmer climes. Gift had not found ling. in just so smooth a groove as usual How can they, when I am with travelling Paul was cross; her aunt unlike her woudering in other lands.

Not that that made the slighest difference to Gift-oh, dear no ! Butwell; she liked things to go on smoothly-she did not care for change; be- plied Bruce amused at her look sides, Long Easton was such a dreary place that even indifferent people were missed a little. In the early autumn when the trees were all tinted red, brown, or yellow, a London cousin came on a visit to the farm she was a pretty bright maiden, who took their hearts by storm and threw herself enthusiastis cally into the simple pleasure of a country life.

'It is so delightful to have you. Minnie; it seems to me I have never ly. I'll not stop now. Tell spent such a wretched summer in a! my life before. But now, just as you are come, and there is a prospect of fue the morning.'. Bruce Verney must needs return to spoil it. I shall turn him over to your tender mercies if he strolls over here

I should not think he would, but aunt Betha makes such a fuss with im, you know. Oh, Minnie, what : pretty dress!' Minnie was uncacking. 'Yes-I'll put it on this evening

Shall I? Perhaps it will captivate this MrVerney of yours-Then he will be off your mind.'

Gift laughed, and said, 'What fun ! but it was a very cool little effort at amusement. Cousin Minnie Stanhope smiled to herself, and thought matchmaking aunt Betha's scheme stood in a fair way of prospering. Certainly one of love's confreres; the 'green-eyed

tea-time as a very good sign. Geft was presently in the kitchen cutting up cake, and putting various shake he was gone. fruits into glass dishes, in preparation for tea. A white dress, adorned with friends with more civility a full-blown crimson ros?, was her attire for the evening. Had Miss Stanhope felt any desiren to outshine What has rufled your feathers, her cousin, she must have relinquish- his seat at the table opposite dickey-bird?' inquired Paul Hemans, ed all hope when she saw the effect of his sister; 'and don't give your Gift's simple to let.

'Just as If there was not a front door to the house!' exclaimed Gift, freely.' sotto voce, a real angry flush mounting to her forehead. There was no time for he meditated escape-Paul entered he kitchen, closely followed by Mr

Bruce came quickly forward and 'Hush!' said aunt Betha. held out his hand; but, ere a word of firmly, and then, in a different Begs to intimate that he has recently greeting could be exchanged, a rough head was thrust round the door, and a surly voice demanded-
