THE EVENING TELEGRAM, ST. JOHN'S. NEWFOUNDLAND, JUNE 7, 1924-8

psail Camp 24th of July.

WHAT lovely secrets of new, beauty are packed into these neat, clean cakes of SUNSET Dye!

Why, SUNSET-dyeing isn't work at all —it is a pleasure and an art—so simple and easy that success comes with your very first effort. No professional can produce colors more beautiful and var-ied than you can make in your own me with SUNSET.

Try dyeing an old pair of silk stockings or a handkerchief with SUNSET beyou buy your new summer clothes. This modern fast dye brings new economies as well as new beauties It saves for another season the faded blouses, scarves, stockings, lingerie, that you might otherwise cast aside.

SUNSET is different from all other dyes

SUNSET is fast. It does not stain hands or spoil utensils. It dyes all fabrics—silk, wool, cotton, linen, mixed goods. It cleans as it dyes. The whole SUNSET operation takes but 30 minutes. You can mix the SUNSET colors to get any fashionable shade—pink. beige, dahlia and the new

A Fine Distinction

Editor Evening Telegram.

Dear Sir .--- What had like to be a errible tragedy last evening happened on Atwill's Bridge, Freshwater Road. An express with two women were driving west, a car was going ast, and I suppose the horse became rightened and it started backing

The express with the two occupants went over into the river Fortunately the horse was swerved around the

embankment and kept on its legs Kelly, of the C.L.B. Band, who is at oman was badly cut. confined in the General Hosbruised and shaken, whilst the other was hadly frightened. This bridge has no rail. It is very narrow, there is a very narrow bend in this part of the to pass without a mishap. I think for the safety of the public this bridge should be attended to before something terrible happens.

I think the Govern er has to do with this secion should get a rail on this bridge fears ago when the witness was child there was a strong rail on this bridge. We had no cars then to rush long our country roads not caring much if they killed or scared. But I

1 .- Opening Chorus-"Lead Kindly must admit the driver of this car was very prompt in stopping his car and running to the rescue of these poor

Hoping you will agitate for a rail on this dangerous bridge and thanking you for this space, I remain, Yours respectfully,

A WITNESS.

MILKMAIL

and we wish to congratulate the thousands of children, who entered so heartily into the contest, on the general excellence of their writing, which reflects great credit on themselves, their teachers, and their parents.

The sentence which you have been writing:

MILKMAID MILK IS THE BEST MILK MADE

is not merely an empty sentence to be written in the hopes of winning a prize. It is a positive statement of a fact recognized all over the world, and we want you to remem-ber this always, so that whenever MILK is mentioned, you will at once think of

MILKMAID.

The names of the fortunate winners are as follows:

Children 10 years and under:---

1st	prize	\$10.00	Aloysius Molloy, Bay Bulls		8

many instances in the late sixtles and sarly seventies where members of the Opposition representing St. John's and the outports experienced no dif-ficulty in obtaining favour for them-selves and their friends from the government of the day. The sitting member, no matter on what side of the House his desk was placed, all ways had a recognized influence with the governments of those days, and merity considerations were rately all he governments of those days, and party considerations were rarely all owed to interfere with the reason able demands of members of the op-position. The old-time contests at el-otions were so bitter and the battl Sie Ostice aged with such determination aged with such determination of oth sides, that it would seem that al heir energies and ill-feeling were er ended, so that when the 'new As embles were convoked the member entries were convoluted the memory net each other with feelings of t aost cordial good-will, and seemed orget that a few, months previous g each other in nd only stopped

tines of merder and robber; is was now forgotten, and the mer-ar, who a few months ago, was q-ouncing the member opposite from the hustings as nothing short of this malfactor, was nov address

political man. carried out by men whose ages were The candidate's agent in the olden between twenty and twenty-five, and i committees, which were the natural outgrowths of that distinguished body. The season of canvassing was to "the man on the committee" a car-ligently discharged, which will be rival of pleasure and jollification, sufficient guarantee of the developwhile to the candidate himself it was ment and the future growth and a time of most distressing anxiety, as prosperity of our Island Home.

he had always before his mind the possible doubtful chance of his electhe exception, that after the battle was fought there was less vindictive-ness and malice as an after result than that which characterizes elec-tions of mose and the second se Our Dumb Animals. Report Of Chief Agent For Week End-ing June 6th, 1924.

ceived reports of four dogs which had ure my orders are to p

fifty sheep, one hundred and fifty pigs, five horses and some poulity, from the Canadian Sapper at the Funces Withy premises. One cow calved on the passage and was attended by Do-tor Bishop on landing. Another was so severally injured that it had to be removed on a slovan. A bull was also injured and had to be drawn away on a cart. Cattle in this condition should never be shipped unless separ-ated from the others. I humanaly put to death a dog for Mr. Knox, Princo's Street; another on Walsh's Square which has caused a lot of annoyance and which is claimed by no one, I put "I Can Now Do My Work.

ich is claimed by no one. I put Also, another dog on Black Road, which had made an ste report from of his horse rould like to can n the cats, for it is us to the horses. Sent in two
