VICKS IS THE THING FOR ASTHMA

Ontario Mother Tells of Stubborn Case Relieved.

Mrs. Wilbert E. Collier, of Bowery Street, Pictou, Ont., says: "My little girl had a terrible case of asthma. I read about Vicks and sent out for a sample. I rubbed my child's chest and throat with it and in a few days she was without Vicks VapoRub in the house."

A good way to get relief from Asthma is to rub Vicks over the spine from shoulders to hips; then melt a little Vicks in a spoon and inhale the vapors. Also insert some in the nostrils, snuffing well back. You will be delighted to see how it clears the head.

Vicks comes as a salve—the external direct treatment for all cold troubles—absorbed like a liniment and inhaled as a vapor.

Treatment with Vicks is especially desirable for children as it avoids so much internal dosing. Just as good, too, for cuts, burns, bruises, sores and skin itchings.

At all drug stores, 50c a jar. For free test size package, write Vicks Chemical Co., 514 St. Paul St., Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

ENDORSE TRAINING FOR MOTOR WORK

Automotive Branch of Retail Merchants Favor Vocational Education

Fletcher Peacock, director of Vocational Education in New Brunswick, spoke before the automotive section of the St. John Retail Merchants' Association in their rooms in Germain street last night and pointed out what might be accomplished in extending vocational education through co-operation with the Government Department.

A successful course of vocational training for garage workers is now being conducted in St. John by the automotive section of the Retail Merchants and is being maintained by the Vocational Education Department.

J. Royden Foley, chairman of the automotive section, presided at the meeting and Miss Frances Alward was the secretary.

SICKENING HEADACHES ENDED BY "FRUIT-A-TIVES"

Effect was splendid when she tried this Fruit Medicine

East Ship Harbour, N.S.

"For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me and I was almost discouraged. Then I tried "Fruit-a-tives" and the effect was splendid; and after taking one box, I can safely say I am well. I feel like a new person in every way and I am deeply thankful to have relief from those sickening headaches."

Mrs. MARTHA DE WOLFE.

"Fruit-a-tives" will always relieve Headaches due to Constipation because they act directly on the liver and cause the bowels to move regularly and naturally. This rids the system of impurities and keeps the blood pure and rich. "Fruit-a-tives" are made of fruit juices combined with tonics, and are pleasant to take and mild and gentle in action.

DOCTORS WANTED TO OPERATE

Mrs. Quillon Tells How Lydia E. Pinkham's Vegetable Compound Saved Her from an Operation

Muskegon, Michigan.—"After doctoring for eight or nine years with different physicians without any relief at all, they said that that medicine would not reach my case and I should have an operation. I had heard of Lydia E. Pinkham's Vegetable Compound and often saw it advertised in different papers where some women had suffered just as I did and got well and strong again by taking the Vegetable Compound. I decided to see what it would do for me, and before I had inhaled the fourth bottle I was much better, the weakness stopped and the severe pains in my sides left me. I am now much stronger and do my own work and work in the factory besides. I am still taking the Vegetable Compound and give it all the praise."—Mrs. NEILIA QUILLON, 17 Morris St., Muskegon, Mich.

Women should heed such warning symptoms as bearing-down pains and weakness, for they indicate some female trouble, and a persistent and faithful use of Lydia E. Pinkham's Vegetable Compound will seldom fail to help.

DODD'S KIDNEY PILLS

Gas On Stomach Pains After Meals

Many people suffer terribly from gas and pains on the stomach. It is not only a nuisance, but it is a sign of a weak and diseased system. For the past 45 years Burdock's Bitters has been bringing joy to thousands suffering from various forms of stomach trouble, helping them to eat three square meals a day, helping them to eat anything they wish, without having to suffer for it after.

Mr. Fred Nielson, Moose Jaw, Sask., writes:—"All last summer I was troubled with stomach trouble and indigestion, and also gas on the stomach. I could not eat anything except some light food and even then I would be bothered with pains after each meal. I could not work a whole day without being done out. I had tried everything I read about Burdock Blood Bitters. I took four bottles and it has nearly, if not completely, restored me to health again."

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyrth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Keep Kendall's always in the barn. A strained muscle, a sprung tendon, a joint ache and a knock demands immediate attention. A few hours' delay will result in a long lameness—perhaps in the loss of the horse. Kendall's Spavin Treatment has saved more horses than all the other known remedies. Under the name of Kendall's Spavin Cure, it is the forty-year-old stand-by of horsemen, farmers and veterinarians.

Stop them with GRAY'S SYRUP OF RED SPICE GUM

A Vegetable Preparation that gives quick results without drugging the system

For nearly three years I was very badly run down, had a weak heart, and was so nervous that sometimes I would almost faint away.

I heard of many people who had recovered their heart and nerve pills, and I decided to give them a trial. After I had used two boxes I found they had done me good, and after having taken five boxes I was completely relieved.

I cannot recommend your Pills enough, and I would advise anyone having a weak heart or troubled with nervousness to use them.

THE KIDNEYS ARE THE FILTERS OF YOUR BODY

THE kidneys are two bean-shaped organs situated in the lumbar region of the upper part of the abdomen. Through them flows all the blood in your body every three minutes. After being purified by the kidneys of all impurities and waste matter, the purified blood is then returned to the circulation.

If these most important organs of your body, the kidneys, become inflamed or congested, they are unable to function correctly. Then your blood circulates through your body heavy with poisons and waste matter, setting up conditions that will cause a serious, and perhaps fatal illness.

How are you to know the condition of your kidneys?

If you have constant headaches, pains in the back, a frequent desire to urinate, accompanied by a burning sensation, swelling of the joints or black specks floating before your eyes—any one of these symptoms is Nature's warning that you have kidney trouble. You must heed such warnings immediately.

There is no better remedy in the world for kidney troubles than Gin Pills. These pills remove the obstructions and heal the inflamed condition of the kidneys, restoring them to full activity. Gin Pills are the recognized specific for all kidney troubles. They positively restore the kidneys to a normal condition.

The Evening Times-Star

ST. JOHN, N. B., JANUARY 19, 1924

The St. John Evening Times is printed at 27 and 29 Canterbury street every evening (Sunday excepted) by New Brunswick Publishing Co., Ltd., J. D. McKenna, President.

A GREAT BRITISH PORT

One of the most attractive folders that has come to The Times office in a long time is sent out from the development agent's office, Cardiff, South Wales.

WHY NOT INVITE THEM?

It is announced that Hiram Ricker, President of the Hiram Ricker Hotels at Poland Springs, Maine, will address the annual meeting of the Halifax Board of Trade next Tuesday evening.

We are told that Cardiff is the first port in the world for outward bound tonnage; the first as regards quantity and value of coal shipped, and for the import of pitwood, iron ore and potatoes.

Here are some other figures—Population in the city, 230,000; within 90 miles radius, 2,185,000; within 90 miles radius, 10,000,000; cold storage capacity, 1,152,000 cubic feet; timber ponds, 22 acres; lairage for 950 head store or 500 head of fat cattle, with slaughter-house and chill-room accommodation, and every facility for shipping live cattle to other points in Great Britain, and many other advantages for import trade.

It is pointed out that the 10,000,000 within a 90 miles radius are engaged principally in industrial pursuits, and rely largely for their sustenance on imported food-stuffs; and in the South Wales coal valleys the consumption of meat, butter, cheese, fruit, etc., is greater per individual than in any other part of the country.

At the moment, quite 80 per cent. of the imported food products consumed in this area is received through distant ports, entailing extra handling and haulage charges which are automatically passed on to the consumer, resulting in the purchase price being considerably higher; and in the case of highly perishable products deterioration of quality; whereas, if such Canadian foodstuffs are imported direct to Cardiff, the producer and consumer benefit materially, as such direct importation cuts out all extraneous charges. Cardiff coal is now reaching Canada in constantly increasing quantities. Cardiff is regularly receiving substantial cargoes of Canadian grain, Canadian agricultural produce. Cardiff is linked up with Canada by a fortnightly service operated by 8,000-ton steamers of the Canadian Government Merchant Marine from Montreal in the summer and St. John, Nova Scotia in the winter.

We are grateful to Mr. Smith for telling us where St. John is located, and will not judge the accuracy of his other statements by his knowledge of geography. The contents of the folder are of great interest, and any increase in trade between this Canadian national port and Cardiff will be heartily welcomed.

The lumber trade of British Columbia has made amazing progress in three or four years. One of the large exporters says that in 1918, the exports totalled 84,000,000 feet. In 1919 it was 108,000,000 feet; in 1920, 141,000,000 feet; in 1921, 189,000,000 feet; in 1922, 281,000,000 feet; in 1923, 480,000,000 feet. The Panama Canal has revolutionized the industry. Ten years ago B. C. shipped no lumber to the Atlantic seaboard, but in 1923 the exports totalled 200,000,000 feet. To the Orient ten years ago Vancouver shipped 5,000,000 feet and in 1923 the total was 10,000,000 feet. Australia received 9,500,000 feet ten years ago and last year 80,000,000 feet. Ten years ago California took 1,000,000 feet and last year 50,000,000 feet. The United Kingdom, ten years ago, received 7,000,000 feet and last year 14,000,000 feet.

Press Comment

A DIVIDED CANADA.

(Vancouver Sun.)

Economic injustice, says Colin H. Burnell, president of the United Farmers of Manitoba, is rapidly developing a sentiment towards the division of Canada into two national units, the Great Lakes. If such a sentiment exists it will not get very far. So long as the Atlantic coast trade properly ably with the Pacific coast via the Panama canal there is not much chance of a political union which would nullify much of the good effect of that painfully developed route.

TOURIST TRAVEL.

(Moncton Transcript.)

Twenty years ago Southern California had a small population and a very limited prosperity. Today she has a large permanent population and a tourist trade worth \$300,000,000 a year. Southern California has brought this change about by capitalizing her scenic and climatic and developing her roads and attractions. Her achievement is one of the best examples of how immigration follows tourist travel.

Last year, in spite of a cool season, the tourist travel to New Brunswick was worth about \$400,000, or nearly three times that of two years ago. But much more remains to be done here in the way of attracting tourists if we are to get anything like the share of the business our advantages warrant. The annual tourist revenue of British Columbia has reached the astonishing total of \$96,000,000, or a sum annual revenue in the annual mineral production of that province.

The Moncton Board of Trade is taking an active interest in the effort to bring tourists this way. That is encouraging and the movement should receive the support of all classes of people, because the revenue from tourists is widely distributed among all classes and helps to increase the prosperity of both town and country. Figures carefully worked out by publicity experts indicate that out of every dollar spent by the tourists approximately one-third goes for food and ultimately finds its way into the pockets of the people in the rural districts.

AWARDED \$800,000 N. B. BOND ISSUE

Provincial Bank and Boston Firm Are Successful Bidders

Fredriksen, Jan. 18.—An issue of \$800,000 province of New Brunswick 5 per cent. debentures for the permanent roads and bridges were sold today, the successful bidders being the Provincial Bank of Canada and White, Weld and Company, of Boston. Alternative bids were asked and the tender of the combination named for ten year bonds payable in Canada and the United States at 99.989 was the most favorable and its acceptance was recommended to the committee of the Provincial Government.

THE PUBLIGAN.

(Lodge 18, 12.—) And the publican standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying—God be merciful to me a sinner!

For and weak and full of sin, With every good deed marred By foolish thoughts within. My only hope is that to Thee, O Lord, I strive to cling.

The mountain path is rough and steep, A darkness falls, my footsteps creep, Yet still upon the highest peak The morning star shines gloriously bright.

And o'er my pathway sheds a beam of light. I struggle on, I smite upon my breast, O Lord, be merciful to me, A sinner poor and weak and sore oppressed; I may not boast of any deed of worth, For by my actions bare the stain of earth.

But mercy ever liveth, this I know, So onward press in spite of sin and woe, Yet faint would sing Thy praise, For thy firm hand and mercy given Purify all my ways.

The starlight shineth soft and clear, I know, I feel, that Thou art near, A gate of pearl now opens wide, I'm close! I touch! I am inside.

TALK ON LEARNING FRENCH.

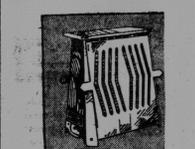

Practical methods of teaching French as a living language are to be the subject of a public address in the Natural History Society's rooms, on Wednesday evening, when Rev. F. J. LeRoy, of St. George, will be the speaker.

Mr. LeRoy is a native of France and has had wide experience in teaching languages in both England and Canada. His knowledge of English helps him to see the difficulties and pitfalls of those who study French. There are said to be few people in New Brunswick as fully qualified as Mr. LeRoy to suggest better methods of acquiring a speaking knowledge of French. Those who attend the lecture on Wednesday are assured of an interesting evening.

Two Important Exclusive Tire Improvements DOMINION Tire experiments and tests are made at the factory's expense, they are never tried out on the car owner. When a new improvement in Dominion Tires is announced you can know that back of that announcement have been years of experiment and actual road testing—absolute proof of the value of the improvement. Dominion Tires now offer two important improvements which make Dominion Tires more than even the premier tires of Canada. Those improvements are: WEB CORD PROCESS SPRAYED RUBBER WEB CORDS mean stronger cords, saturated in pure, natural rubber, just as it comes from the snow-white milky sap of the rubber tree, known as latex, with all its natural qualities of strength and elasticity unimpaired by curing processes. SPRAYED RUBBER, used to build the walls and treads, is exactly the same rubber as is used for webbing the cords, only it is extracted from the rubber latex by spraying it into an evaporating chamber where all the moisture in the latex is driven off, leaving only rubber in its natural purity and strength. These two improvements, Web Cords and Sprayed Rubber are the new thoroughly tested and proven features in Dominion Tires for 1924. They are exclusive in Dominion Tires. They add nothing to your cost of Dominion Tires but they add to their dependability and mileage. Dealers throughout Canada should anticipate a record demand for Dominion Cord Tires. ## DEATHS

**Charles Newnam.**  
The death occurred at Broadhemster, Devonshire, England, of Charles Newnam, Dec. 18, aged 73 years. Mr. Newnam took a prominent part in the public life of his community. In the recent Great War he served as captain of the ordnance department and also saw service in the Egyptian campaign. His service in the army extended over 30 years and he was decorated with the Order of the British Empire. Mr. Newnam's wife died about twelve years ago. There are no children, but two brothers survive, of whom Archdeacon Newnam, of St. Stephen, is one.

**Mrs. Mary Killam Black.**  
Many old friends in this city will learn with regret of the death of Mrs. Mary Killam Black, widow of William Black, who was connected with the shipping business in this city for many years. A long time ago he was

a member of the firm of Glasgow & Black. Mrs. Black, who as a daughter of Mrs. and Mrs. Samuel Killam, Yarmouth, N.S., died at the residence of her daughter, Mrs. Cron, Amsterdam, Holland, on Jan. 16, after a lingering illness. Besides her daughter she leaves one son, S. W. Black, of Milton, Ont., and three nieces, Miss Pauline Biederman, of this city; Miss Stephens, Somerville, Mass., and Miss Clara Cole, Yarmouth, to mourn.

**BEACON LIGHT CLASS MEETS.**  
The meeting of the Beacon Light class was held recently at the home of Mrs. W. M. Gray, West St. John, with the president, Mrs. W. E. Hamm in the chair. After the business of the evening a very pleasant entertainment was given, which included a duet by the Misses Edith Kierstead and Marguerite Henderson; a reading by Mrs. James Splane. Dainty refreshments were served by the hostesses. Among those present were Mrs. W. H. King, Mrs. S. J. Naves, Mrs. James Splane, Miss May Kierstead, Miss Edith Kierstead, Miss Marguerite Henderson, and a visitor, Mrs. A. K. Horton.

## NEW LAMP BURNS 94 AIR

Beats Electric or Gas

A new all lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent. air and 6 per cent. common kerosene (coal oil). The inventor, O. K. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

## BANQUETS OFFICERS OF SUNDAY SCHOOLS

### Baptist Superintendents Discuss Matters in Connection With Work

The Association of Baptist Sunday school superintendents met at the Charlotte street Baptist church last evening for a business session and a banquet. C. B. Lockhart was the host for the evening and the banquet was served by an able committee of ladies with Miss Olive Lockhart as convener. The tables were very attractively arranged with white narcissus and yellow daffodils for floral decoration and yellow candles in silver candlesticks. W. H. MacDonald, president of the association and superintendent of the Victoria street school, was in the chair. All of the Baptist Sunday schools, except two, were present. A very gratifying report of the New Year's rally was given and the sum of \$50 which was given in the collection at the rally was to be forwarded to the Protestant Orphanage building fund. Various matters in connection with Sunday school work were discussed and it was decided that the superintendents' meetings should be held monthly, the next meeting to take place in Fairville.

## FREE... mail coupon below to Ellen J. Buckland, Graduate Nurse NOW... A NEW WAY in solving woman's oldest hygienic problem

*Inmaculacy, charm, exquisiteness under circumstances which most women find exceedingly trying*

By ELLEN J. BUCKLAND, Graduate Nurse

MODERN science has discovered a new way in personal hygiene. A way immaculate, exquisite, safe. Discovered only a short while ago, it is today used by eight in every ten women in the better walks of life throughout America. The name is Kotex. And it offers you a best-free. Simply use the coupon.

**What Kotex does**  
Kotex is a delightfully soft, pure white absorbent of extremely rapid absorption. It takes up moisture instantly. And it absorbs 16 times its own weight! Made of Cellucotton, it is far more absorbent than ordinary cotton. Then it is easily disposed of—totally different from the method you now use—a point every woman will appreciate. I think every woman and every girl owes it to herself to try Kotex. Once you use it and feel the peace of mind and comfort it brings, plus 2 other secret advantages I cannot mention here, no other method will ever satisfy.

Every mother should acquaint her daughter with this hygienic method. In scores of schools, teachers are acquainting their girls with Kotex. Its use has become a universal hygienic movement.

**A trial without charge**  
Now I have asked the Kotex laboratory to permit me to offer women generally a trial of Kotex—free. And they have consented—for a short while, at least. Simply mail me the coupon. You will receive a packet in absolutely plain, unmarked wrapper, by return mail, postpaid. Clip it now, before you forget.

Note, too, that Kotex is obtainable at all drug and department stores. Two sizes: regular, containing 12 generous folds, and Kotex-Super size (extra thickness), containing 12 folds. Both nine inches long and folded in fine gauze with convenient tabs for easy pinning and turning. Also obtainable from Kotex cabinets in rest rooms.

LONDON HOUSE

EVENING TIMES-STAR MAGAZINE PAGE FOR THE HOME

After Midnight by W.L. George

BEGIN HERE TODAY.

A novelist, seeking nocturnal adventure, offers to give a girl a lift in a taxi. They go from Paddington Recreation Ground to a poor part of London. The girl informs him that her sister is sick in a hospital and that she is on her way to fetch her sister's baby from her sister's home. The seeker of adventure takes the girl and the baby to Elgin Avenue and, as the girl alights, he notices a coat-of-arms worked on the baby's coat. Slowly following the girl he loses track of her. He returns to the place where the girl went for the baby and finds it a rear entrance to a nursing home. He tells the matron that a baby has been kidnapped. "Kidnaped!" repeated the black silk colossus in a tone of horror. "Unthinkable!" "But I'm afraid it's happened."

"Unthinkable! You are evidently unaware of our system. None of our night nurses may for one moment leave the lady mother and her infant. Every infant is registered. At birth the infant is attributed a reference card with counterfoil. No person may remove the infant without producing the counterfoil."

"I jumped up, furious: 'I can assure you that my little friend Rhoda didn't wait to hand in the counterfoil. I tell you, she's got one of your babies. She wasn't the sort of girl to be entitled to a baby with a coronet on its clothes.' 'Ah! Oh! A coronet.' 'Yes. Haven't you got a lady of title in the home?' The night matron raised her eyebrows. 'We have, I think, three

THE OLD HOME TOWN

"I did not propose to report anything for the moment." Excitement invaded me. Something had happened, then. "How do you mean?" said the matron, acdly. "You know quite well you are supposed to report anything that happens." "Yes, in due course." "Now look here, Sister," said the matron, standing up, "no complaint has ever been made against you, and I do not want to make one now, but there are limits to what you may keep to yourself. There are limits to the initiative which you are allowed to show. This gentleman suggests that the Duchess of Farnshire's baby has been kidnapped. You know something about it. You will please report it, and forthwith." Evidently the matron had a strong character, for the Scotch woman was forced to talk. "About twenty-five minutes to one, last night," she began in an even monotone, "I was engaged on my last round upon the first floor. In so doing I entered the bathroom. The blind having been pulled the Sister, it was able to notice, across the well, that a light was burning in the dressing room. "Go on," said the matron, please. "I asked for an explanation," said the Sister. "The young person first attempted to run out of the room, but I stopped that. That person gave her the baby. She took his clothes off, put him back in his coat, and caused the young person to dress up the baby she had brought in his lordship's clothes. Then she took him away." "What?" shouted the matron. "You gave her his lordship's?" "Yes, I did. I told you I saw the girl meet somebody. That person gave her the baby." The matron looked at me with raser contempt. "Possibly you are right. Please go on, Sister. What did you do?" "I considered the situation. It is necessary to act in a hurry. So I locked them into the room while I went out into the corridor to think. However, I retained possession of his lordship. He was fortunately asleep. Then, deciding upon my course, I went into the room and obtained from the young person a complete confession. Her sister is very undesirable, and had proposed to send her own child to a baby farm to be done away with, as usual. It seems, however, that she did not have the heart to do so on this. So she entered into a plot with the young person and with Nurse Marton, since they were sisters. The intention was to substitute the other baby for his lordship, and to send his lordship to the baby farm. I felt a lump in my throat as she recited this story. It was tragic to think of the poor young mother, unable to keep her child, and resorting to a desperate expedient to give it a

chance in life. The Sister went on pitilessly. After a while the matron stopped her. "Very well, Sister, I see. But tell me what happened at last." "I brought his lordship back into the room, took his clothes off, put him back in his coat, and caused the young person to dress up the baby she had brought in his lordship's clothes. Then she took him away." "What?" shouted the matron. "You gave her his lordship's?" "Yes, I did. I told you I saw the girl meet somebody. That person gave her the baby." By BLOSSER

"I don't understand," said the matron. "Don't you see," said the Sister, "that with my evidence, and with the fact that the young person carried away the baby in his lordship's clothes, the case is complete. I asked the young person where she lived. Of course, she lied, but being excited, her imagination was not working very well," she said Hamstead. "As I happen to know that Nurse Marton's parents live near Elgin Avenue, I was certain that the young person would return there with the baby. I therefore telephoned the police, who were waiting for the young person when she reached her doorstep. She was arrested at five minutes past one." After Rhoda had been sentenced to twelve months' imprisonment, a citizen, who would have preferred that I should dismiss the young person and her baby, and say no more about it. But, as you always know, my grace the Duchess is not only young and popular, but very fond of social advertisement. I felt that she would be very grateful to the home if we could procure for her an opportunity of figuring in the newspapers, if in the witness box as the heroine of a sensational case."

The proper time to become fully interested in life expectancy is not when the undertaker is looking for you, but when one's life title is still clear and unmortgaged and there is blue sky overhead. Man is an animal of highest type, fleet of foot, strong and agile, supple and enduring. By careless, sedentary habits and wrong ideas of life's battle, he has become puny, rheumatic, short of wind and diseased. Alco-meter Service

is something new in all leading garages and service stations, giving "Maple Leaf" Non-freeze protection.

After you have had a mixture of "Maple Leaf" denatured Alcohol and water in your radiator for a while and you wish to know how strong the mixture is, just stop at any garage or service station displaying the "Maple Leaf" denatured Alcohol sign, and they will test the mixture with an "Alco-Meter," and tell you the exact Freezing Point.

THAT'S "ALCO-METER" SERVICE

Only mixtures of "Maple Leaf" denatured Alcohol and water can be tested in this way. The exact freezing resistance of other mixtures become unknown after a time, and expose your car to the risks of freezing.

A mixture of "Maple Leaf" denatured Alcohol and water gives better satisfaction at less cost.

Correct Winter Driving preparations when "Maple Leaf" denatured Alcohol is used, are as follows:

- Empty and flush the radiator and cooling system and see that there are no leaks. Tighten or renew the hose connections. Tighten the gaquets. Put fan and belt in good order and renew belt if necessary.

SISTER Mary's KITCHEN

(Unless otherwise specified, these recipes are planned for four persons.) CANNED CORN. Canned vegetables soon lose their appeal if served too often "as nature". There are many made vegetable dishes that are delicious and nourishing for avoid weather.

One pint can of corn, 1 small can (minutina), 1 tablespoon cream, 1 table spoon butter, 2 table spoons canned tomatoes, 1/2 teaspoon minced onion, 2 eggs, 1/2 teaspoon salt, 1/2 teaspoon sugar, few grains pepper.

Heat to melt butter and add yolks of eggs beaten until thick and lemon colored. Beat whites of eggs until stiff and dry and fold into mixture. Turn into well-buttered custard cups of 6 inches and set in a pan of hot water. Cover with buttered paper and bake 25 or 30 minutes in a hot oven. The minutina should be firm to the touch when done. Turn out of the cups onto a hot platter and garnish with parsley.

Eight thin slices bacon, 1 pint can of corn, 1 1/2 tablespoons milk, 1 1/2 teaspoon pepper, 1-4 teaspoon salt, 4 eggs. Cut each slice of bacon into four or six pieces and fry until slightly brown and crisp. Add corn, salt and pepper and milk if the corn was solid in very hot add the eggs and stir rapidly with a fork. When the eggs are "set" pour over hot buttered toast and serve immediately.

This makes a good Sunday night supper dish. Serve with brown bread and butter, pickles, radishes or olives. Corn Croquettes.

One pint can of corn, 2 table spoons buttered, 4 table spoons cream, 1/2 cup salt, 1-8 teaspoon pepper, 2 eggs, fine dried bread or cracker crumbs.

Add butter and cream to corn. Mix flour, sugar, salt and pepper and sift into first mixture. Add one egg, slightly beaten, and cook, stirring constantly until thick. Spread on a buttered platter and let stand until cool. When cold gently mold into small balls or cylinders, dip in crumbs, then in egg slightly beaten with one table spoon milk, roll again in crumbs and drop into deep hot fat. Drain on brown paper and serve very hot. The fat should be hot enough to brown an inch cube of bread from the soft part in the last 40 seconds.

ADDED TO EXECUTIVE. The officers and members of the executive of the St. John branch of the G. W. V. A. met yesterday afternoon in the association rooms to select three additional members of the executive, as the constitution requires. The members selected were Philip K. Captain A. A. Dodge and Dr. Robert Pendrigh. Bridge was played at four tables.

Doctor Prescribes Bon-Opto For the Eyes of Motorists. Says Bon-Opto Strengthens Eyesight, Sharpens Vision and Preserves the Eyes.

Philadelphia, Penn.—After every ride in an automobile, use Bon-Opto, advises Dr. Lewis. If you want to take good care of your eyes and avoid eye troubles, Humana eyes were not made by nature for the high speeds we attain in auto travel and the increased wind pressure dries the natural flow of tearful tears, leaving the eyes feeling dry, strained and uncomfortable. Bon-Opto quickly overcomes this condition and makes the eyes feel fine and fresh. Dr. Lewis further says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they have had their eyes restored by the well known Bon-Opto method which strengthens eyesight fifty per cent. in one week's time in many instances. Those suffering with poor sight, weak, watery feeling, burning, aching eyes will often find instant relief by the use of Bon-Opto. One man says after trying it: "I was almost blind; could not see to read at all. Now I can read anything without any glasses and my eyes do not water any more. At night they would pain me dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can read even fine print without glasses." Eye troubles of many descriptions may be wonderfully benefited by following these simple rules: Go to any active drug store and get a bottle of Bon-Opto tablets, dissolve one Bon-Opto tablet in a fourth of a glass of water and with this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Note: Physicians and eye specialists prescribe Bon-Opto as a safe home remedy in the treatment of eye troubles and to strengthen eyesight. Ask the man who has used Bon-Opto for his eyes, or ask your druggist. Sold under money-refund guarantee by all druggists.

Rev. T. T. Shields Says Action Another Proof of Modernist Trend.

Rev. T. T. Shields, pastor of Jarvis street Baptist church, Toronto, whom McMaster senate, in a resolution, de-

clared "hostile" to the work of the university, has issued the following statement: "At an early date, probably next week, I will invite the Baptists of Toronto and of Ontario and Quebec, so far as it may be possible, to hear one or two public addresses which I shall give in Jarvis street church. I have held my peace with respect to many things which I felt should be exposed to the view of the denomination, hoping against hope that the element in the senate of McMaster University which has so long been endeavoring to convert the university into an instrument of modernism would yet give us some ground to believe in the sincerity of their more recent professions of orthodoxy. The action of the

senate in the matter of Dr. Faunce shows that such hope is vain. "The resolution of the senate was strongly opposed by one member, and I believe some others refrained from voting. The resolution was moved by Mr. E. C. Fox and was seconded in a very bitter speech by Dr. John MacNeill, of Walmer road church. The member who opposed the resolution exhorted the senate not to pass it, but I expressed the hope that the body would not be too much influenced by his kindly speech, as I believed that as such bitterness as breathed in the resolution, in the speeches supporting it, manifestly possessed some members of the senate, it was well that the whole denomination should know it. "The action of the senate is only one more attempt on the part of the Modernist group to whom I have referred to damage the man who has opposed their attempt to make the university a channel of Modernism. They attempted it at the Ottawa convention in 1919 and were overwhelmingly defeated. Then through a few unscrupulous young men they stirred up strife in Jarvis street church, but again failed to silence the opponent they so bitterly hated. Again at the Walmer road convention in October, 1922, they sought to eliminate the pastor of Jarvis street from the denomination by taking a strictly orthodox position, and representing their opponent as having misrepresented them. Their action in honoring a man

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Prepared, and served about St. John.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficulty breathing, or if your child wakes up during the night with cough and you want quick help try this reliable old home-made cough remedy. Any drug store can supply you with 1/2 ounce of Pinex. Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief. You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and eases the irritated membranes that line the throat and bronchial tubes with every breath you take and certainly that it is really astonishing. Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "25¢ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute relief. Money promptly refunded. The Pinex Co., Toronto, Ont.

LOCAL AUTHOR'S READINGS DELIGHT

Rev. H. A. Cody appeared in a new and delightful role last night when he gave readings from his own writings before the Teachers' Association meeting in the Natural History Society's rooms. W. T. Deham, the president, was in the chair and the meeting was largely attended. The teachers enjoyed every minute of Mr. Cody's recital and had many hearty laughs at the amusing incidents of the sketches which he read in a splendidly graceful manner. The first sketch was entitled, "The Trick of It," and told of the elusive something which was the secret of success. The second sketch had a special interest to a St. John audience as it recalled the auction of a pumpkin in the Queen's rink during the war and recalled that event in an imitatively humorous fashion as it had appeared to a countryman. "The Patriotic Pumpkin" was the title of this sketch. A Kinodrome poem was the next of Mr. Cody's readings and its title was "The Pay Streak." The audience was kept up to a point of intense interest by this dramatic and amusing reading and not much merriment out of the amusing climax. "The Art Critic" was reminiscent of the exhibition of War Memorial Pictures in St. John and was an irresistible bit of rustic humor. "Tom Spumkins on Education" Mr. Cody had written especially for that evening and it dealt in satirical fashion with the great disgust of the student. Mr. Cody's program also received a 25 school tax notice. Musical numbers during the evening were remarkably good and consisted of songs by Mrs. Edna Moore and Miss Jessie Jamieson. Tributes to Late Inspector. In a short business session feeling reference was made to the death of Inspector W. M. MacLean. W. J. B. Myles related to his personal recollections of Inspector MacLean who had been first his teacher, then his associate in the profession and finally an inspector of the district. Mr. Myles recalled how Inspector MacLean had been interested in the formation of the Teachers' Association 20 years ago and said also that during his term as inspector he had always been the teachers' friend, never having sent a teacher discharged by his visit. The meeting appointed Mr. Myles and Mrs. Lawrence to send a letter of condolence to the bereaved and to draw up a suitable resolution of appreciation to place upon the minutes. Arrangements were made for sending a wreath for the funeral in Fredericton. RECEIVE GIFTS ON 25TH ANNIVERSARY The officers and teachers of the Fairville Baptist Sunday school and members of the church and their friends met last night at the home of Rev. G. T. Clark to extend congratulations and good wishes to Mr. and Mrs. Walter C. Ross on the occasion of the twenty-fifth anniversary of their wedding. Mr. Clark, on behalf of those present, read a nicely worded address and presented Mr. Ross a handsome silver case clock. Mrs. Joseph Maxwell, also on behalf of the assembly presented Mrs. Ross a beautiful bouquet of bridal roses. Mr. and Mrs. Ross replied suitably. As it was also the birthday of Miss Mildred Black, a teacher in the Sunday school, her fellow members on the Sunday school staff presented her a large basket of choicest. This presentation was made by C. B. Black. The evening was pleasantly spent with music and games and delicious refreshments were served. Minard's Linctant for Dandruff. Cold Completely Removed With Two Bottles Most colds are the result of a weakened condition of the system. Nothing will undermine your health so quickly as a cold. More consumption results from neglected colds than any other source. When you notice a cold developing build up your system. The most effective way to do this is to take a spoonful of Carnol. Mr. Henry Heller of Regina, got rid of a cold of two months' standing by taking Carnol. Read what he says: "After having used two bottles of your Carnol, I find that it has completely removed my cold from which I have suffered since the first week of December last. All other remedies have been failures and I strongly recommend to others who have been suffering from a similar ailment to try a bottle of your Carnol and I am sure they will not regret such a purchase."—Harry Heller, 2125 Broad St., Regina, Sask. Mr. Heller suggests trying a bottle, but to get the full benefit of this wonderful preparation, you should take a course of Carnol. Carnol is sold by all good druggists everywhere.

Health and Comfort

As age advances our wants are not many and with reasonably good health we can enjoy the peaceful period of life in comfort and happiness. But unfortunately there are certain ills which conspire to destroy the pleasure of this time in life and are usually of a decidedly painful nature. The kidneys are often the first of the bodily organs to fail. Then the poisonous acids which should be eliminated by the kidneys circulate in the blood and cause backache, rheumatism, lumbago and the many ailments which make life so miserable. There has, perhaps, never been a medicine so well suited for people of advancing years as Dr. Chase's Kidney-Liver Pills. This statement is founded on the many thousands of cases reported to us from time to time. The success of Dr. Chase's Kidney-Liver pills is due to their direct and specific action on the liver, kidneys and bowels whereby the accumulating poisons are quickly swept from the system and the cause of pains and aches promptly removed. Dr. Chase's Kidney-Liver Pills do not lose their effect on the system as do so many medicines but can be depended on absolutely to bring about the desired results. Used one pill a dose at bedtime as often as is necessary to keep the bowels regular, they relieve indigestion, biliousness and constipation and keep the system in healthful condition. You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly. Likewise the price of Dr. Chase's Nerve Food is now 60 cents a box of 60 pills instead of 50 cents for 50 pills. Edmanston Bates & Co., Ltd., Toronto.

SEWING CIRCLE MEETS.

The Busy Bee Sewing Circle of Baxter Lodge, L. O. B. A., met at the home of Mrs. Samuel Wilson, Harding street, Thursday night and spent the evening pleasantly in sewing. Refreshments were served by the hostesses. Those present were Mrs. Edward Duff, Mrs. C. Stinson, Mrs. Joseph Cochrane, Mrs. John Ewart, Mrs. Alonzo Craig, Mrs. Arthur Fleet and Mrs. J. Chessman. The next meeting of the Sewing Circle will be held at the home of Mrs. G. C. Lawrence, Manawagonish road.

GIVE PATIENTS CONCERT.

The choir of the Douglas Avenue Christian Church, under the leadership of R. C. Cruikshank, gave a concert for the patients in the East St. John Hospital last night and greatly delighted its audience. The choir had given the same programme on the previous week for the pleasure of the patients on the lower floor and last night it entertained the patients on the second floor, who are less often favored with visiting entertainment. The choir was heartily thanked for its excellent programme and its kindness.

DENTIST GIVES SERVICES.

Dr. F. C. Thomas is one of the dentists who have given their services to carry on the dental clinic at the St. John Health Centre.

### SEEKING PAY ROLL, THIEVES BREAK INTO LUMBER OFFICE

Get Only \$10 After Smashing Randolph & Baker Safe Open.

A daring robbery, which would have netted big results to the thieves, had they not miscalculated just a little, was perpetrated during last night in the office of Randolph and Baker, lumbermen, at Randolph, near Fairville, last night.

A strange and rather disconcerting sight met the eyes of George Downie, son, accountant for the firm, when he entered the office shortly before nine o'clock this morning. The cash drawer that met his views was the gaping door of the safe which was situated directly opposite the entrance to the office. Scattered around the floor in great confusion evidently by the thieves, in their mad search for more money and securities. On examining the safe more closely Mr. Donaldson found that the lock had been chopped or hacked off, and thus the break made. The entrance to the building was effected evidently through the cellar.

Got Only \$10.

In speaking with a Times reporter this morning Mr. Donaldson said that the total sum missing amounted to only \$10.40, which was all the money that had been left in the cash drawer at the close of yesterday's business. This was very fortunate, he said, that the company was not in the habit of doing what the thieves had evidently thought was their custom.

Today is payday for the many employees of the Randolph and Baker firm, he said, and presumably the thieves thought that the pay roll, which would amount to a considerable figure, would be kept in cash in the safe the night previous, and thus facilitate the paying off of the men today. They were mistaken in this, however, as the payroll was not kept in the safe, and thus the company was saved a considerable loss.

The city, county and provincial police were notified, and visited the scene of the break this morning.

Detective Patrick Biddiscombe said that the entrance had been made through the cellar door. The thieves had then pried open the pipe from the furnace which supplied the office with hot air, and went up through the register. They had evidently attacked the safe, he said, which was an antique iron type, with an axe, chopping off the combination dial, and then with a large file pushed in the combination lock thus enabling them to open the safe. The job was the work of amateurs, he said.

Provincial Constable Robert Crawford and Officers Tower and Stinson of Lancaster are working on the case, and will receive help from the city police and detective forces.

### LOCAL NEWS

**CHOSEN AS "MISS CHATHAM"**

Miss Hazel Dower was selected by the citizens of Chatham last night as "Miss Chatham," at a grand carnival held in the Exhibition Rink. She is daughter of Mr. and Mrs. Peter Dower and one of the most popular young ladies of the town.

**GAVE SKATING PARTY.**

Miss Margaret Napier gave a greatly enjoyed skating party for about 20 of her friends last night. A pleasant time was spent on the South end rink and the party then returned to Miss Napier's home, 136 Broad street, where refreshments were enjoyed. The hostess served refreshments.

**CHILDREN'S MASS**

There was a very large attendance of the children of the Cathedral parish this morning at 9 o'clock at a special mass celebrated by Rev. M. D. Duke, involving a blessing on the little ones during the new year. The number of boys and girls receiving Holy Communion was very large and included were the orphan girls from St. Vincent's, who received at the Cathedral altar instead of in the St. Vincent's chapel as is customary.

**RECEIVES GIFT OF RING.**

Mrs. Machum's class of the "Main Street Baptist Sunday school" met at the home of Mrs. A. Sprague, Victoria street last evening. Games and music were much enjoyed. On behalf of the class Miss Fern Sprague presented to Miss Kathleen Speight an onyx ring, with an expression of the high esteem she was held and the regards of the class, of which Miss Speight was secretary, at her leaving for New York where she will train in Flushing Hospital.

**WALTER C. MOTT DEAD.**

The death of Walter C. Mott, son of the late Mr. and Mrs. R. M. Mott, Montserrat at Liverpool after an excellent voyage.

The St. John skater was to proceed to France as soon as possible as there are none too many days ahead for training work, etc. before the great races will be begun. Also on the same ship will be the members of the Olympic hockey team, who played in this city en route. Another passenger was John Scott, managing editor of the Montreal Gazette.

"Fine trip and all in excellent condition," was the bulletin on the arrival of the Montserrat at 7 o'clock this morning.

**HAD PARTY AT LAKE.**

About thirty employees of T. McAvity & Sons, Ltd., greatly enjoyed a skating party on the lake at Lily Lake last evening. The early part of the evening was spent on the blades, following which the party repaired to the club house and there enjoyed dancing and music. Delicious refreshments were served and the party enjoyed a royal good time. The arrangements were under the capable direction of a committee composed of Queens county, occurred here yesterday at the home of Mrs. H. MacLoom. Those present were Mrs. George Price, Mrs. W. R. Sanderson, Mrs. A. K. Horton, Mrs. G. B. Brown, Mrs. J. E. Allingham, Mrs. M. D. H. Roxborough, Mrs. Wm. Gray and Mrs. Laura Cheeseman.

**A PLEASANT EVENING**

Members of the Good Cheer Circle of the King's Daughters and their friends visited the Old Ladies' Home last evening and entertained the ladies with a programme of vocal and instrumental music. After the concert, refreshments were served by members of the circle. Miss Alice G. Ring was heard in a delightful piano solo; very pleasing vocal solos were given by Miss Edna Earle, Miss Vida Waterbury and Miss Perry; excellent readings were delivered by Miss Vera Roberts and Mrs. Blanche Sprague, and the old ladies joined energetically in the singing of some old time choruses. Auld Lang Syne, followed by the National Anthem, brought a pleasant evening to a close.

**HOSPITAL IS CROWDED.**

There were 183 patients in the General Public Hospital yesterday morning, a hospital population that pretty well taxed the accommodation. In the men's surgical ward every bed was taken and had there been accident cases to care for there would have been need to make use of the recovery room, reserved for patients who have come from the operating room. The children's ward was filled also and one small room which holds four beds was sleeping quarters for six infants. The infants were malnutrition cases chiefly. Miss Gertrude Belyea, Eva Wright, Maude Keeble, Muriel Ellis, Evelyn Brown, Pearl Howard, May Hepburn, Marion Layton, Mildred Hayward and Maud Reed. The enjoyment of the soldiers was judged by the loud cheers and happy faces. In reporting the re-peat staging of the play for the soldiers, the young ladies said that they wanted to know how much it was appreciated so that others would have the same pleasure they had last evening in making the soldiers happy.

**HERE IN WORK OF GIRL GUIDES**

Miss Wolton Arrives From England—Will Tour the Dominion.

Among the passengers who arrived here today on the Canadian Pacific steamship Montserrat was Miss J. E. Wolton, who is going to make a tour of Canada on behalf of Lady Baden-Powell, and give special instructions to "guides." In conversation with the Times, she said she will hold classes for the leaders of the girl guides in this city from January 28 until February 2 and will then visit the camps in New Brunswick, Nova Scotia and Prince Edward Island. She will then go to upper Canada and later to the west. Miss Wolton will remain in Canada about six months during which time she will assist in organizing girl guides as well as instructing the "guides." With reference to her trip she said it was rough at first, but was most enjoyable the last three days. One of the most pleasing features, however, she said was the sight of members of the local guides awaiting her as the ship docked.

**MANY PRESENT AT HAMPTON CARNIVAL**

More than 300 skaters, most of them attired in attractive and novel costumes, gathered on the Hampton Consolidated School open air rink at Hampton Station last evening for a carnival which was greatly enjoyed. The judges had great difficulty in awarding the prizes, but the final result was announced as follows—

Ladies—Mrs. Howard Campbell, as a butterfly.

Combination—William Fraser and Miss King, as Gallagher and Shean.

Men—Edward (Pat) Conway, as Happy Hooligan.

The judges were Mrs. F. M. Sprout, G. M. Wilson, H. L. Warden, Mrs. F. Wedderburn and Mrs. Guy Humphrey.

**EPWORTH LEAGUE ENJOYS EVENING**

Miss Gertrude Hasper, who is in charge of the missionary department of the Portland Methodist Epworth League, led the monthly missionary service last evening in the Y. P. A. Hall. Mrs. John Howe gave a fine essay on the subject of the evening. Miss Doris Bromfield sang a solo sweetly with Mrs. George Hartshorn as accompanist. Miss Emma Chown gave a reading with excellent expression and diction. The pastor of the church, Rev. H. A. Goodwin, B.A., complicated Miss Hasper upon her systematic arrangement of the successful evening. A missionary exercise was given by ten members—Misses, Marie Tower, Audrey Breen, Elsie Wilson, Violet McLaughlin, Alice Love, Emma Bissett, Etta McInerney, Helen Bowley, Mrs. B. L. Kirkpatrick and Frank Merrill. A dialogue was given by Misses Mary Kirk, Nan MacDougal, Dorrie Bromfield and Marie Tower.

**WHAT INCREASE WILL MEAN.**

The schedule presented by the Civic Service Employees' Union, calling for an increase of wages for the permanent employees of each department will, if accepted, it is estimated, add between \$80,000 and \$400,000 to the appropriations for the various departments. The increase amounts to about \$80 a man a year.

### WILL BE BURIED IN MEDFORD SUNDAY

Clarence M. Coughle Well Remembered in Drug Business Here.

The funeral of Clarence M. Coughle, son of Mr. and Mrs. John S. Coughle, St. James street, West St. John, will take place in Medford, Mass., tomorrow afternoon. Because of the serious illness of his aged father it will not be possible for any of the immediate family to be present. The ex-St. John man's widow, formerly Edith Cunningham, also of this city, has several sisters and other relatives in Boston and vicinity who are with her in her sudden sorrow.

Mr. Coughle, who left here 18 years ago, following a long time as a chemist in the employ of his uncle, F. Wade, Wall street, was stricken with acute Bright's disease, complicated with pneumonia, less than a week ago. He rushed to a hospital and every modern resource applied to save his life, efforts were unavailing. Mr. Coughle's death was a severe shock to both immediate families, his parents, home in West St. John, at present greatly perturbed over the precarious condition of the father, and Mrs. Coughle's sister's home, that of Joseph Smith, King street east.

Mr. Coughle leaves, besides his wife, his parents here; also two sisters, Miss H. Coughle, chiropodist in King street and Mrs. Stewart, widow of Robert Stewart, formerly harbor warden of Montserrat, with her son Bruce, making her home with her people in this city. The late Mr. Stewart was son of the much-respected and well-known Stewart, so well remembered as one of the "fathers" of St. John as a winter-port when the first steamers came here.

### GORMAN IS IN ENGLAND TODAY

St. John Skater Arrives at Liverpool on Way to Olympics.

Charlie Gorman is in England on his way to the Olympic skating meet in France. A cable received today announced the arrival of the steamship Montserrat at Liverpool after an excellent voyage.

The St. John skater was to proceed to France as soon as possible as there are none too many days ahead for training work, etc. before the great races will be begun. Also on the same ship will be the members of the Olympic hockey team, who played in this city en route. Another passenger was John Scott, managing editor of the Montreal Gazette.

"Fine trip and all in excellent condition," was the bulletin on the arrival of the Montserrat at 7 o'clock this morning.

### PAY A VISIT TO FAIRVILLE LODGE

Grand Lodge Officers of I. O. G. T. Deliver Addresses

The Grand Lodge officers of the I. O. G. T. paid a fraternal visit to No. 10 Fairville Lodge in Fairville Thursday night when there was a large attendance of members. Representatives of the Dominion, Thorne and District lodges were also in attendance. John Magee, deputy of No. 10 Fairville Lodge, was the chairman and welcomed the Grand Lodge officers.

James McEachern, Grand Chief Templar, took the chair after the opening proceedings and there was a pleasing programme. Speeches were given by the following Grand Lodge officers: James McEachern, George Kelly, Mrs. T. B. Browne, M. A. Thorne and Herbert Gardiner. A solo was nicely sung by John Fitzgerald and recitations given by Miss Alva Chapman, of Dominion Lodge; Mrs. Charles McEachern and Miss Helen Long. Addresses were given by John Magee, Thomas Owens, chief templar of Thorne Lodge; Mr. Beasley, chief templar of Dominion Lodge; Alexander Brown, of Thorne Lodge, and William Waters. Some choruses were heartily sung. The organist for the evening was Miss Genevieve Irvin.

The ladies of No. 10 Fairville Lodge served refreshments and an enjoyable social hour was spent.

**THE S. P. C. AGENT.**

S. M. Wetmore, representing the S. P. C., is back again in his old quarters in the ferry building, and may be reached by telephone, Main 282.

### As Hiram Sees It

"Any social events in the Settlement this week?" The Times reporter asked of Mr. Hiram Hornbeam.

"Birdie McWhat had an A. H. Honey yesterday afternoon," said Hiram.

"Ah! indeed!" said the reporter.

"Lot o' folks there," said Hiram, "all dressed up to kill. Birdie served 'em with onion sandwiches an' Labrador tea an' they had a great time. As far as I kin find out everybody was raked over the coals from their great g'at' (faded down to the ones that got in jail. It was what they call a reel sashley getherin'—yes, sir. I heard they was gonzo her one to Sile Jones's next week. Sile has a notion o' rummin' fer hog-reef. They aint nothin' that makes fer reel sociability like onion sandwiches an' Labrador tea. They do say Birdie's pa went in an got some crumbs in his whiskers—but that aint nothin' noo fer him. Birdie said she was mortified—but that aint nothin' noo fer her—nuther. Great weather—aint it?"
