## REMARKS ON COURSE OF STUDY.

### PENMANSHIP.

Daily exercises in Penmanship are required until good execution is attained.

### READING AND SPELLING.

Particular attention is given to perfecting Students in these branches.

### COMPOSITION.

Composition is made a speciality, and will be required throughout the entire course in forms varying with the advancement of the student. At a proper stage it will be connected with the principles and practice of literary criticism.

### MUSIC.

Prominence is given to *Vocal Music*, in which all the Students receive instruction.

It is designed to afford the best facilities in the department both of Vocal and Instrumental Music. The selection of Music will be under constant supervision, and only that will be allowed which is conducive to the cultivation of the most pure and elevated taste, as well as the most rapid progress of the pupil in the acquisition of this delightful accomplishment.

Beyond this general training, those who desire it are instructed in select classes, and in private lessons.

Select musical and literary Soirees will be given at suitable intervals.

### WAX FRUIT AND FLOWERS.

An accomplished Teacher will instruct in this beautiful art, if required.

### DRAWING AND PAINTING.

The course of study in this art is systematic, comprehensive and artistic, laying a foundation in the laws of perspective, and proceeding so progressively as to lead the Student pleasantly on from elementary pencilling from models to original sketching, and coloring in Oil in Water, or in Pastel.

## MISCELLANY.

## LECTURES.

Frequent informal Lectures will be given upon topics connected with health, manners, &c.

Courses of Lectures will be delivered on Chemistry, Natural Philosophy, History and Æsthetics.

## LIBRARY.

The Institution is furnished with a Library of nearly 500 newly selected Volumes for general reading and for reference, also a Reading Room.

A Cabinet of Geological and Botanical Specimens, and of historical and general Curiosities and Illustrations of Natural History has been commenced and will be carried on as rapidly as circumstances will allow. More than a thousand Geological Specimens are in the Cabinet, containing an assortment of the Fossils of all the strata, both of this Continent and of Europe. There is not a week but additions are being made to this collection under the supervision of Prof. Wright. Contributions and exchanges are invited.

## APPARATUS, MAPS, &amp;c.

The Institution is furnished with a fine set of Maps, Globes, Physiological Charts, a Microscope and Philosophical and Chemical Apparatus.

## SOCIETIES.

A Literary Society has been formed among the Students, styled the Society of "Reapers." It is presided over by a member of the Faculty. Its object is improvement in Composition, &c. Its paper is styled the "Sheaf," published orally once a term before a select audience.

## MERIT ROLL.

A record of Standings, literary and moral, is daily kept, always open to inspection, from which copies will be transmitted from time to time as requested by parents and guardians.

## HONORS OF THE INSTITUTION.

Two courses of study have been established, a Classical and an English; and Diplomas will be given to those who have satisfactorily completed either of them. The title of M. L. A., or Mistress of Liberal Arts, is given for the former, and M. E. L., or Mistress of English Literature, for the latter. Certificates may be had by those who have passed examinations in a partial course.

A good moral standing is necessary in order to obtain either Certificate or Diploma.

## BOARDING, &amp;c.

The Institution, as a home, is designed to be the abode of comfort and pleasant associations.

Rooms are carpeted and furnished throughout, so that the pupil requires nothing in addition.

The provision for the table is wholesome and abundant.

## GOVERNMENT.

It is intended that the government of the Institution shall be firm without being arbitrary; that it shall be founded upon confidence in the pupils, and its tendency shall be to teach them self-control, obedience to principles, and a conscientious regard for the right.

No young lady will be allowed to retain her connection with the School whose example tends to encourage indolence or insubordination, or whose influence is in other respects injurious.

## PRINCIPLES.

Truthfulness in opposition to pretence in anything, patriotism, love of home, devotion to parents, simplicity, inartificiality, avoidance of *heartlessness* and *display*.

## PHYSICAL DEVELOPEMENT.

The laws of hygiene are insisted upon in respect to dress and exercise.

Every Student is required to bring a loose dress to be worn during the exercise in the Gymnasium.

## DRESS, &amp;c.

Every young lady must be provided with umbrella and overshoes.

School-room dresses should be simple and inexpensive, with high necks and long sleeves.

Very little jewelry and spending money should be at their disposal.

Carelessness and the possibility of dishonesty in servants, &c., make it proper that all funds should be deposited with the officer appointed for that purpose.

## SESSION HOURS.

Morning Session for study, one hour, from six to seven o'clock.

For recitation and study, from nine to twelve, A. M., with a recess, and from two to four, P. M. Evening study from seven to nine.

It is understood to be necessary that Day Students should spend at least two hours in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves but is injurious to classes, and tends to general disorder.

## VISITING AND RECEIVING VISITS.

PRINCIPAL'S RECEPTION DAYS.—Monday and Wednesday, between the hours of two and four o'clock, P. M.

STUDENTS' RECEPTION DAY.—Saturday afternoon.

OFFICE HOURS OF GOVERNOR.—From 10 to 12, A. M., and 3 to 5, P. M.

All persons except immediate relatives wishing to visit Students are expected to present a letter from parents or guardians, or to be otherwise suitably introduced.

Visits without this preliminary must be declined.

Students are allowed at proper times to visit such families as the parents or guardians may name to the Governor or Principal; but not to remain out over night or over the Sabbath, except at the house of some near relative. Friends who are visited will please call for the young ladies and return with them.

Young ladies are not allowed to receive invitations until they have been submitted to the Principal or Governor.

It is hoped that Friends entitled to call upon students, will endeavor to adapt themselves to the hours of the institution. Officers would not like to disoblige, but must refuse Students to see their friends at such times, except in special cases.

## SHOPPING.

It is desired that Students should be supplied, if possible, with all necessary things before leaving home. To provide, however, for necessities that may occur, Students will be permitted to do shopping once a quarter, always accompanied by a Teacher.

## RELIGIOUS INSTRUCTION.

Bible Class every Sunday afternoon, under the care of the Governor, in addition to family worship and the usual religious exercises at the daily opening and close of the School.

Earnest efforts will be made to produce a strong conviction of the paramount importance of personal religion.

## ATTENDING DIFFERENT CHURCHES.

The Students attend those Churches selected for them by their parents and guardians, and all the Students are required to attend twice on each Sabbath, unless excused.

The religious opinions of Students will be carefully guarded.

## CALENDAR.

The Collegiate year consisting of four terms of ten weeks each, commences on the First Wednesday in September, and ends on the Fourth Wednesday in June.

There will be one Term and a half, making 15 weeks, before the Christmas Holidays, which commence on the Thursday before Christmas and continue two weeks. The School re-opens on the Wednesday after New Year, leaving two Terms and a half to the end of the Collegiate year.

## EXPENSES.

## ADMISSION TO STUDENTS.

Pupils are admitted at any time, and are charged for board in proportion to the time of their connection with the school, except at the close of the Session. It is so important that they should be present at that time, that no deduction is made for absence during the last two weeks. It is earnestly desired that students should be present at the organization of the school, both at the beginning of the year, and after the Christmas holidays. No change in the classes can be made to accommodate those who are tardy in their return after the Holidays. Tuition is received only for the term or half-term. Pupils from a distance are required to board in the Institution except in the case of those who have near relatives in town.

## LEAVING THE COLLEGE.

It is requested that definite and particular arrangements be made by parents and guardians, and indicated to the Governor of the Institution, respecting the leaving of Students at the close of a term—the time of their leaving and the company with whom they shall leave.

All payments of money due the College, must be made before the Students leave.

Notice of one month must be given to the Governor before the removal of a Boarder.
