The popularity of our Distance Card and Circular of Spring, 1881 which we compiled at great expense, advocating the construction of the Miramichi Valley Railroad and placing in the hands of the people of this County thousands of those papers, which, while advertising our business, tended also to evoke public opinion in favor of this desirable work, which will open

up the great resources of our beautiful River Valley, create an outlet for the products of the County, the merchandize we import, and the goods we manufacture.

Being large importers of BRITISH and FOREIGN DRY GOODS, and having control of large samples of Canadian and Home Manufactures which we have PER-SONALLY SELECTED and bought at B PROMPT CASH DISCOUNTS from the factories, we respectfully inform the public that our Stock is now complete, every

department being filled with the Latest, Most Stylish, Largest Variety, Newest Shaded, MOST NEATLY FINISHED
