We do not ask you to encourage
home industry,—we ask you to see
the quality of goods we manufacture
and get our quotations. Goods man-
ufactured by us are considered High
Grade in the leading cities of Canada.
Foreign woods imported direct from
the south.

MAIL ORDERS

We solicit out of town orders which
receive our personal attention. The
length of time taken to fill orders is
governed very largely by how busy we
are in the department of our factory
in which the particular goods are
made. While we have exceptional
facilities for promptly turning out
goods, it is important to place orders
as far ahead as possible. Orders are
filled by us in the rotation in which
they are received, and customers can
always depend on our doing everything
in reason to give prompt despatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SEP-
ARATE LINES INSURING PROMPT ATTENDANCE.
OFFICE HOURS—7 A. M. TO 6 P. M.

WEEKLY MEETING OF TOWN COUNCIL

Town to Purchase Lands at Lily
Lake to Conserve the Water
Property

The weekly meeting of the Town
Council was held in the Council Cham-
bers on Tuesday evening. His Wor-
ship Mayor Andrew presiding. There
were present Councillors Patterson,
Quinn, Goss, Alexander, MacLean and
Evans. The minutes of the previous
meeting were read and confirmed.

Communication from Archibald Mc-
Kenzie regarding the condition of the
bank on the street opposite his house
was referred to the Water and Sewer-
age Committee.

Communication from R. K. Shives
giving notice of the expiration of In-
surance on Electric Light Plant, dated
July 25th, was referred to the Finance
Committee.

Communication from Mrs. J. A.
McDonald, regarding house on Land-
downe Street, and asking for water
and sewerage privileges, was referred
to the Water and Sewerage Commit-
tee.

A petition was received from the
residents of Sugar Loaf St., south of
the I. N. R. track for electric lights,
and referred to the Electric Light
Committee.

The following reports of committees
were received and adopted:
Public Property and Streets \$177.19
41.70
Fire Protection 101.07
Water and Sewerage 363.26
Electric Light 203.38

The Electric Light Committee was
given extension of time, to receive
tenders for the removal of the old
electric light station.

In a discussion which ensued with
regard to extra street lights, it was
pointed out by the committee, that no
more lights could be installed on the
present equipment, and if any
further lights for the streets were
needed, a new street light equipment
would require to be purchased. The
committee were given authority to re-
move the old lights from the corner of
Central and Stanley streets, replacing
it with an incandescent light, and to
make any other changes necessary for
street lights.

In reply to a question, Councillor
Patterson stated that the agreement
with the I. C. R. regarding the
opening up the streets, had been taken
up by the Town Solicitor, and was
now in the hands of the I. C. R.
awaiting their approval and signature.

Councillor Patterson asked if there
was any by-law regarding the speed
of automobiles in the town, as many
complaints had been made to him, and
his own personal observation had led
him to ask that question. He was in-
formed by His Worship that this was
controlled by a provincial by-law and
Councillor Evans stated that he had
taken up this matter with the police
department.

The Electric Light Committee were
authorized to draw up an agreement
regarding the supply of power to the
C.N.W. Telegraph Co., and the Town
Solicitor, who was present, was in-
structed to have this prepared.

Councillor Alexander then brought
up the matter of opening up Land-
downe Street, and the Town Solicitor
read a draft deed given by the Jane
Gerrard Estate, with regard to lands
for street purposes. On motion, the
Town Solicitor was instructed to pre-
pare the deed including in it all the
lands used for street purposes on this
property, for which the town had no
deed.

On motion, it was resolved to pay
Mrs. Jane Gerrard the sum of \$70, as
a remuneration for the extra expense
incurred by being required to put in
water and sewerage connection, owing
to the opening up of Landdowne
Street, the said sum to be paid when
satisfactory releases were obtained.

A deed and plan was submitted by
the Town Solicitor, from the George
Duncan Estate, for a lane 23 feet wide
from Gerrard Street to Hillside Street,
East, and one to Sugar Loaf Street,
2 1/2 feet wide to be called Hillside
Street East.

The deed and plan were approved
by the Council, and the Town Solicitor
was instructed to execute same.

Councillor Alexander then brought
up the matter of the purchase of
lands on Smith's Lake. He stated
that options had been taken from
Neil and Patrick Smith open to the
first of July for lands surrounding the
present source of the water supply of
the town. He felt it was strongly ad-
visable for the Council to control these
lands, and submitted plans showing
the present holdings of the town and
the lands proposed to be purchased.
The Council discussed the matter fully
and it was the feeling that not only
these lands should be held by the
town, but that the Council should also
control all the lands from the source
of supply to the town reservoir. It
was then resolved to take up the op-
tions of these lands, the purchase
price for the Neil Smith property be-
ing \$320, and the Patrick Smith prop-
erty \$1000.

Councillor Alexander then brought
up the matter of water system on
Landdowne Street which is now being
opened. It was stated to the Council,

RESIDENT ENGINEER OF G. N. R. SUCCUMBS

Alexander Stewart Aged 60 Dies
at Minor Hospital, Seattle,
After Short Illness

The Post Intelligencer of Seattle, un-
der date of June 7th, has the fol-
lowing:—

Alexander Stewart, for twenty
years prominently identified as resi-
dent engineer with all the large con-
struction plans of the Great Northern
Railway on the West end, died at the
Menor Hospital, Saturday June 6th,
of hardening of the arteries, aged 60
years. He had been in failing health
from overwork, and two years ago
planned to take a rest, but business
problems held him to his desk, and he
postponed the rest till too late.

He resided with his family at Rich-
mond Beach, and is survived by a
widow, a daughter, Mrs. Helen Turner,
and four sons, George, Harold, Alex-
ander Jr., and Donald. Several broth-
ers and sisters reside in New Brun-
swick, his native province.

Funeral services were held on Mon-
day, June 8th, Rev. E. V. Shayler,
rector of St. Mark's Episcopal church
officiating, and the remains were
cremated.

Mr. Stewart was born at Dalhousie,
N. B., and his first position of impor-
tance was that of Provincial Surveyor
of Manitoba. Later he was appointed
Chief Engineer of the Duluth and
Winnipeg road, now the Great North-
ern, with headquarters at Winnipeg.

He remained in the company's service
until the spring of 1904, when he
went to the Great Northern, and was
later resident engineer at Havre Mont and Spokane.

He came to Seattle in 1904 as resident
engineer, and held this post up till six
weeks ago, when following a collapse,
he was appointed consulting engineer,
to be at hand on all important projects
not to share no in the details.

INDIAN KILLED BY
TRAIN AT NEW MILLS

William Green, or William Windsor,
an Indian residing at New Mills,
which is about twenty-five miles east
of Campbellton, was struck and fat-
ally injured by an I. C. R. freight
train some time Saturday night or
during the early hours of Sunday
morning. The injured man died in
Campbellton a few hours after being
found. How the Indian met with the
accident is not exactly known, and the
reports received by the press, were
conflicting. The first message was to
the effect that Green or Windsor, his
exact name not being known, was
found on the station platform about
twenty minutes after seven o'clock on
Sunday morning with his leg cut off
and suffering from internal injuries.

He was taken to Campbellton in A.
Hearn's special, where medical aid
was procured, but the man passed
away a few hours after reaching the
hospital. The report also stated that
the Indian had been drinking and was
a passenger on No. 40 from Campbel-
ton, that time that he was run over by
No. 40, and managed to crawl to the sta-
tion platform, where he was found.

The second report was to the effect
that the young man was found at New
Mills fatally injured, but nobody knew
what train ran over him. He was a
passenger on No. 40, which is a mixed
freight. No. 40 was in charge of Con-
ductor James Cormier, of Moncton.

The remains were conveyed to New
Mills Sunday evening. Whether or
not an inquest could be held could not
be learned.

that the requirements of this district
were a nine-inch main sewer on
Landdowne Street to Minto Street,
with a four-inch water main and a
fifteen-inch storm sewer on Land-
downe Street to Minto, and Minto
to connect with the Subway sewer.

As this was such a large order,
Councillor Alexander did not wish to
press this matter all at once but as the
nine-inch sewer would require to be
put down, it was at length agreed to
instruct the committee to lay the nine-
inch sewer, four-inch water main and
fifteen-inch storm sewer in the same
trench on Landdowne Street to Minto
Street.

In connection with the I. C. R. col-
lection of sewer payment of one dol-
lar per year from Mr. Geo. Sansom
for his laundry on Patterson Street, it
was pointed out that the town was
paying this amount, and therefore the
I. C. R. were being paid twice for the
same thing. The Clerk was instructed
to take the matter up with the author-
ities and report back.

In answer to a question regarding
the piling of lumber on Landdowne
Street, the Town Engineer stated that
this lumber was being removed from
there and the matter would be arrang-
ed very shortly. The Council then ad-
journed.

DEATH OF ARCHD. R. FRASER AT QUEBEC

Masonic Funeral Held Here on
Monday.—Interment Made
in Rural Cemetery

Death of Archd. R. Fraser.—The
Quebec Chronicle has the fol-
lowing:—

The passing of Mr. Archibald R.
Fraser, in Jellery Hale's Hospital, last
evening after only a few days' illness,
came as a painful surprise to his
many friends. Mr. Fraser has been a
resident of the city for several years
and occupied a most responsible posi-
tion with the firm of Messrs. M. P. &
J. T. Davis. Quiet and unassuming,
he never obtruded himself upon public
notice, but was much admired for his
many sterling qualities, and ever pro-
ved himself a kind and genial friend.

Mr. Fraser is survived by four
brothers: Messrs. Ferguson, Alfred
and Frederick, residing at Cross Point
Que., and George, a resident of Chat-
ham, N. B., also one sister, Mrs. Jel-
lette, to all of whom we extend our
sincere sympathy.

The funeral services were held on
Monday afternoon, Rev. T. P. Drumm
conducting service at the home of the
deceased's sister, Mrs. Jellitt, Cross
Point. The funeral was Masonic, the
deceased brother being a thirty sec-
ond degree Mason. Campbellton
Lodge No. 32 F. and A. M., and visit-
ing brethren met the cortege at the
Ferry wharf, and marched in proces-
sion to the Rural Cemetery, where in-
terment was made with Masonic rit-
ual. The pall-bearers were Bros. W.
F. Napier, J. S. Benson, F. F. Mathe-
son, A. McG. McDonald, J. R. Mc-
Kenzie and D. C. Firth. During the
passing of the procession along the
business sections of the town, many
of the business places had their blinds
drawn, and Shives Mill was closed
down.

The late Mr. Fraser, who was great-
ly esteemed in Masonic circles in Que-
bec, was a 32 degree mason, and a
chartered member of the Caledonian
Society of Resouche, and took a
great interest in all things pertaining
to Campbellton and the vicinity.

BUSINESS DEPRESSION
IS NOT FELT HERE

All Merchants Report Business
Ahead of Last Year.—Buy
at Home

While Montreal, Toronto and cities
and towns throughout Quebec and On-
tario are feeling the stress of the fi-
nancial stringency, Campbellton's busi-
ness, and the business of its business
people, keeps on increasing, and near-
ly all claim an increase over last
year's business. And this, notwith-
standing the very backward spring.

The "Buy at Home" campaign in-
augurated by the Campbellton mer-
chants is no doubt responsible for a
portion of this healthy growth, and it
is the hope that even after the con-
test closes, those who have been buy-
ing of these merchants, will continue
to do so.

The fifth count of votes takes place
next Wednesday, and it is the advan-
tage for a contestants to have their
votes in Tuesday evening.

VALUABLE FOX STOLEN
FRIDAY NIGHT

Silver Patch Female Taken
From the Miller Company's
Ranch

A valuable silver patch female fox
was stolen from the Miller Company's
fox ranch here, Friday night, and so
far no trace has been found of the
thief.

The Miller Company will pay fifty
dollars reward to any person giving
information, which will lead to the ar-
rest and conviction of the guilty party.

HORSE ARRIVES

The Dimock Creek Agricultural As-
sociation received a registered Clyde
Stallion from the Department of Ag-
ricultural, Ottawa, on Tuesday of this
week.

BASEBALL NOTES AND JOTTINGS

Only One Game Played This
Week Owing to the Rainy
Weather

After weary waiting for the weath-
er clerk to get on to himself and give
us some decent baseball weather, the
fans were allowed to view an encoun-
ter at the baw-lyard last evening, when
the Vics and I. C. R. tried out conclu-
sions. It was very disappointing to
miss two games owing to rain on Mon-
day and Friday last, but we can rest
assured that the executive will do all
in their power to arrange good weath-
er for the succeeding games, so that
the sweet young fair sex, will be able
to view the mortal combats from their
seats in the grand stand.

The worthy president, Dr. Price, has
donated a Gillette Safety Razor to be
presented to the player who has least
strike outs at the end of the season,
and Mr. W. S. Smith, our popular to-
baccanist, has donated a box of cigars
for the player making the first home
run.

The executive of the league are el-
ing all they can to make the series in-
teresting to the fans, and are receiv-
ing splendid support from the team
managers. Already arrangements are
under way for foreign games, to be
played here, and those who remember
the success which attended the Van
Buren series of last season, will be
delighted to hear that this is being
done. On July 1st, the first foreign
game will be played, and other games
throughout the season. Just now
Chatham, Moncton and a strong team
from Maine are probab' visitors.

Friday nights game will be between
the Vics and Mechanics, and the Vics
mean to reverse the verdict of last
week. Take a walk up to the ball
field tomorrow and show your appre-
ciation of the efforts of the league of-
ficials to give you good healthy en-
tertainment.

Vics vs. I. C. R.

Last night the above teams met for
their first time in this seasons league.
Speculation was rife as to the railway
battery, but that was forgotten when
the one and only Ingram took his
place in the old stand, and brought off
a great swimming catch. The attend-
ance was good and was augmented by
a sprinkling of the fair sex, suffrag-
ettes and game brides. During the
run of the game, Bourgeois displayed
considerable "pep", and had to be cau-
tioned by the gentlemanly ump, Mr. F.
C. Lutz. The errors were mercifully
withheld, due in some measure to the
state of the field, which was showing
the effects of the heavy rain.

DEATH AT CHATHAM

David, the sixteen-months old son
of Mr. and Mrs. Daniel Clancy, Chat-
ham, died Wednesday as a result of
eating lye on Tuesday. The child was
playing on the floor with his three-
year-old sister, who had ransacked a
closet, while Mrs. Clancy had gone to
a nearby store. Returning only five
minutes later, she found her baby
with its hands full of lye, and dis-
covered that he had eaten some. Dr.
Duffy was summoned immediately,
but the child's insides and mouth were
burned so badly that it was beyond
medical skill to save him.

MAKING GOOD
—WITH—
THE LITTLE FELLOW
—AND—
"DAD."

We're Men's and Boys'
Outfitters and good ones too.
Up-to-date always you'll find us.

When you want the new
and trappy we can deliver
the goods.

Everything "Ferguson"
quality at "Ferguson"
price. 'Nuff sed!

This season the English
predominate. We are
showing models suffi-
ciently extreme to tickle
the fancy of Picadilly's most
fastidious pedestrian as
well as other more conser-
vative models. We take
your measure or clothe you
right off the rack. Fit
guaranteed.

For the Little Fellow.

We've got dozens of Sanford's Juvenile
Suits. Has anybody told you that Sanford's
were making the best boys' clothing on the
market today? Well, we strongly support that
statement with the clothes we are showing.
The proof of the pudding is in the eating.
Bring the little fellow in and become a Sanford
Juvenile clothes hanger.

ANOTHER ZEPPELIN WRECKED

AIRSHIP WRECKED

Diedenhofen, Germany, June 13.—Another of the Zeppelin airships of the German army, the "Z. L." was badly wrecked near here today. While trying to effect an emergency landing, the air cruiser broke at right angles behind the rear gondola. A lieutenant was injured.

The accident occurred during a flight from Cologne to Metz.

The "Z. L." with a military crew on board ran into a rain storm, and the commander decided to descend. When the air vessel was within a few yards of the ground a sudden vertical gust of wind forced it violently to earth, and it broke virtually in two. The airship will have to be entirely dismembered for repairs.

PUTS DR. GRANT

INTO NEW OFFICE

Will Share Superintendence of New Board of Home Missions

Woodstock, Ont., June 13.—At the invitation of the General Assembly, Rev. Dr. A. S. Grant—who a few days ago resigned from the chairmanship of the Presbyterian Home Mission Board and the Board of Finance—accepted the position of joint superintendent, with Rev. Dr. J. G. Shearer, of the newly organized board of Home Missions and Social Service of the Presbyterian Church in Canada.

WELCOMES ROOSEVELT

Times, in Editorial, Refers to Ex-President's Arrival

London, June 13.—The Times in an editorial today extends a hearty welcome to Col. Theodore Roosevelt, "because England knows and loves a man when she sees him." The Times proceeds to say that the welcome of the former American president will be all the warmer "because he reaches our shores the day after the American Senate has given proof of its justice and self-respect by voting for the repeal of the clause in the Panama Canal Tolls Act exempting American coastwise shipping from the payment of dues."

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquefy the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

ORGANIZE FOR GENERAL GOOD

Live Merchants' Association Needed by Communities.—Co-operation Necessary.

The community which does not organize for the general good of its citizens is in a precarious state, as organization accomplishes everything when it is perfect. It unites the community by one of the strongest of all ties—the desire of improving every citizen's condition.

Co-operation accomplishes everything when it is perfect. It satisfies desires, simplifies needs, foresees the wishes and becomes a constant source of benefit.

Men's hearts ought not to be set against one another, but set with one another and all against the community evil.

Unites by Strongest Tie.

Co-operation tends to wear off those prejudices which maintain destruction and animosity between business interests.

It softens and polishes the manners of men.

It disposes them to peace by establishing in their community an order of citizens bound by their interests to be the guardians of public welfare.

Live merchants' associations, live individual merchants with inventive minds, can do much toward regaining and holding the farmers' patronage now being sought and fought for by the aggressive mail order houses.

All of the merchants of a town or county co-operating as members of the right kind of an association can accomplish much to the general benefit of all concerned in the solution of the retail mail order problem.

Must Conserve All Interests.

Too many combinations or merchants fail because too often those organizing them lose sight of the law of mutual benefit and seek to advance the selfish interests of the merchants alone at the expense of their customers.

To be permanent and beneficial, it seems to me, a merchants' association should confine itself to devising ways and means of bettering trade generally in its own town. Efforts in that direction, of course, cannot be continually successful unless the interests of consumers are also conserved.

Law of Mutual Benefit.

But, starting with the fact that both farmer and townsman are interested in making the town and country prosperous, you would have the law of mutual benefit on which to build up an association that would be powerful in convincing all the people of the section that "it pays to keep your money at home."

Getting farmers to town, it seems to me also, is the most important field of a merchants' association.

And having "specials" or "bargains" for getting them into the stores is the field of the merchant's individual efforts within which he should retain every bit of his liberty to act.

Many Merchants Offer Prices

In many parts of the country the merchants' associations have established what they call "carnival day," or "county court day," or "fair day," or "market day," and on these days each merchant advertises that he will give prizes for the largest number of eggs brought to his store, or for the best roll of butter, or for the best bushel of potatoes.

There are many other legitimate schemes which may be used to create interest and draw the people to his store.

TORTURED WITH RHEUMATISM

Could Not Walk, Until "Fruit-a-tives" Completely Cured Him

CHATHAM, ONT., April 3rd, 1913. "I am a veteran of the Crimean War and the Indian Mutiny, volunteering from the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. I have had rheumatism and continual exposure, left me a great sufferer from Rheumatism, so much so that my legs swelled up, making it impossible for me to walk. My bowels were so constipated that I only had one passage a week until I got to using 'Fruit-a-tives'. They cured me of both the Rheumatism and Constipation. In my regular employment, I walk thirty miles a day and enjoy perfect health. No more Rheumatism or Constipation. You are at perfect liberty to publish this letter if it will be advantageous to 'Fruit-a-tives'."

GEORGE WALKER. Don't suffer with Rheumatism, Sciatica, Lumbago or Neuritis all this winter. Take 'Fruit-a-tives' now and be free of pain. 50c a box, 6 for \$2.50 or trial size, 6c. All dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Sometimes several merchants offer prizes of the same kind of produce, and this stimulates interest and results in sharper competition.

On these "special" days the merchants often arrange to have an expert auctioneer on hand to sell any kind of secondhand machinery or farm utensils, household goods, horses, cattle, etc., on a commission basis. If sales are made the auctioneer receives 5 per cent; if no sales are made there is no expense incurred.

Wonderfully Helpful.

Propositions of this character are wonderfully helpful in bringing people to town, and when they get to town it is a comparatively easy matter to interest them in something they need.

These "special" days, however, must be arranged to correspond with the periods of farm work.

For instance, it would be useless to arrange such days when the farmer is in the midst of planting or harvesting.

SHAMROCK OWNER FINED

Sir Thomas Lipton Caught Speeding Auto

Southampton, June 12.—Sir Thomas Lipton was fined \$50 here today for furious automobile driving. He caused much amusement by observing that he had been travelling so quickly on the Shamrock IV, lately, that he did not realize he was exceeding the speed limit.

PRINCE NOW 20 YEARS OLD

King's Eldest Son Enters Public Life Friday

London, June 12.—The Prince of Wales is now 20 years old and will enter public life today by the laying of the foundation stone of the church at Lambeth, which is upon his estate, as Duke of Cornwall. Next week the prince, who is still at Oxford University, will attend Ascot for the first time.

A REMARKABLE REMEDY

The most afflicted people on earth are those who suffer from rheumatism and about one fourth of our people are afflicted with this terrible, time-racking, bone-crushing disease. So many people neglect themselves and rheumatism follows in one form and then another until they are an example of the tortures of rheumatism. Rheumatism has gained the greatest reputation through being a quick and permanent cure for rheumatism in its many forms. Don't put off getting a bottle of Rheumo today, it means your health and happiness. Rheumo is sold in Campbellton only at Thos. Wren's drug store. \$1.00 a full size bottle.

A HEROIC SIGNALWOMAN

A medal of gold is to be conferred by the Government of France on Mme. Poullain, who left her husband dying from an assassin's bullet to do his signalman's work on the railway. Fuller details show that when she hurried to the points she was in her bare feet and clad only in her night-dress, yet for three hours she clung to her post, and did all the necessary pointman's work, even to entering up the official log. The railway management have sent her a gift of \$40.

TURCO-GREEK WAR

NOW FAST KINDLING

Tension Near Breaking Point, Says Greek Premier in House of Deputies.

London, June 12.—The Daily Telegraph's naval correspondent suggests that the real reason for the attitude of Greece against Turkey is a desire to secure mastery of the Aegean Sea before the new Turkish dreadnoughts building in England are ready for sea.

The Greek minister to Great Britain had an interview yesterday with Sir Edward Grey, the British foreign minister, to whom he explained the attitude of the Greek Government.

The Daily Telegraph's Athens correspondent says the Greek minister in Constantinople has been instructed to demand the cessation of persecution of Greeks in Asia Minor and the re-instatement in their homes and on their properties of 60,000 refugees who sought shelter from the Turks in Greek territory. A guarantee also is demanded, according to the correspondent, that these refugees be not again molested.

The reported attack by Turkish regulars and a force of Bashi-Bazouks on the town of Alvalik, Asia Minor, is denied. It is said that instructions from Constantinople to the Turkish troops arrived in time to prevent the attack.

Turkey has a 23,000-ton battleship ordered from Vickers, Sons & Maxim at Barrow-in-Furness, England, and a 25,500-ton ship which she bought from Brazil, which is being constructed in an English yard and which will be ready for commission at the end of the summer.

Greece has a battleship building in Germany, but it will take two years to complete it, and should she obtain the two old American battleships—the Idaho and Mississippi—they would be no match, it is believed, for Turkey's new dreadnoughts.

REBELS SHOOT FEDERALS

And Villa Ready to Fly to Carranza's Throne

El Paso, June 12.—Executions of federals have been resumed in the north and fifteen have been shot to death in Northern Mexico during the past week and one federal spy had a narrow escape from death in a running fight with the rebel river guards. At a small station on the Mexico Northwestern Railroad the rebels captured fifteen of Orozco's former followers and promptly stood them up against a wall and executed them. In Juarez Wednesday night, a spy who was tried by court martial and ordered executed was shot by a firing squad in the cemetery. Another alleged spy was shot by the rebels but made a run for it and fought his way to the river bank and escaped to the American side.

Fighting continues around Zacapetecas and San Luis, Potosi, according to reports received in Juarez, but Villa has not taken the field and Paniso Natera is directing the fight. The break between Carranza and Villa is becoming more acute and it is feared that Villa will not re-enter the field. The usurpation of all the powers by Carranza has caused Villa to remain inactive, and he has so far refused to return to the command of his troops. Conservative Constitutionalists here fear that an open break with Carranza may result from Villa's attitude, and they express openly the fear that Villa may fly at the first chief's throat at any time.

Not an Ordinary Husband

The Lady (to the aeroplane demonstrator)—I wish you wouldn't try to sell an airship to my husband. The Salesman—"And why not, madam?"

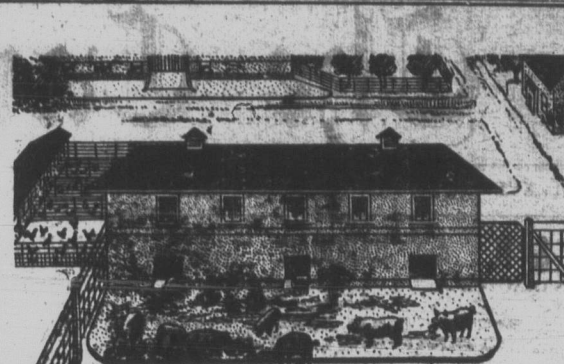

"Because he isn't to be trusted with it."

"But, madam, our new machines are all foolproof."

"Ordinarily perhaps. But you haven't met my husband."

Ayer's Hair Vigor

It is a little-known fact that the hair of the heavy hair woman is the most delicate and needs the most careful treatment. Ask your doctor.

Concrete Hog Houses and Feeding Floors

Enable you to raise bigger hogs and better pork without heavier feeding. A concrete feeding floor permits the animal to clean up all the feed without waste, and eliminates the possibility of your hogs contracting disease.

To see the Biggest Profits

Hog houses of concrete are sanitary, easily cleaned, maintain an even temperature and give plenty of light and air, which tend to better the quality of pork. Concrete will not rust or rot. Never needs repainting. It will outlast any other material for long seasons. Write for this beautifully illustrated free book "What the Farmer can do with Concrete." It shows how to build Hog Houses, Feeding Floors and many other things the farmer needs.

NEWSY ITEMS FROM NEARBY PLACES

Gathered by Graphic Correspondents.—Contributions to this Column are Solicited from every District of the Bay Chaleur.

BONAVENTURE

The schooners "Lucania" and Ann J. Trainer", and the steamer "Yarborough" are here loading from the mill of Edwards & McLeans. The "Lucania" is taking ties to Prince Edward Island, the "Ann J. Trainer" is taking a mixed cargo of lumber for New York City and the "Yarborough" is completing a cargo with deals for Glasgow.

Ben Bajold, the merchant, loaded out a schooner with ties on Saturday of last week.

Mr. Thomas C. LeBreton was seen on the boulevard last Sunday with his new carriage.

Herb MacKenzie has been in Bonaventure every other day this week. He insists on personally inspecting every ship which comes to port. This, of course, is part of Mr. MacKenzie's duties.

Jim Campbell of New Richmond is spending the week in Bonaventure. Messrs. Taylor and Bond entertained him at "The Lodge" on Monday night.

A very cordial welcome was extended to the Bishop of Rimouski on the occasion of his annual visit to the parish of Bonaventure last Wednesday and Thursday. The Bishop left on Thursday for Chandler.

Mr. Michael Power of Bathurst is in Bonaventure on business of the W. & J. Sharps Co. of Quebec.

Our attention has been drawn to some Bonaventure notes which were published in a recent edition of the "Graphic", a newspaper published in the Isle of Jersey, England. We were interested to learn that the "Graphic" has been quoted from in foreign lands. The Quebec & Montreal Ry. and the Atlantic & Western Ry. has recently issued a timetable similar to that issued by regular railroads. While the map which gives the location of our railroad is not a masterpiece, it will no doubt serve the purpose to the average man. The timetable also contains a rather flattering article descriptive of the country through which the road passes.

We understand that the westbound passenger train killed some livestock last week. We have no sympathy for an animal that cannot step aside when the "limb" passes.

The steamers "Gaspenian" and "Canada" have been carrying heavy freights from Montreal to Bonaventure since the season opened. Mr. Thomas LeBreton has been appointed agent for the steamship line in this town.

WE ARE WONDERING

In the International Good Roads Congress discussed the question of better roads in this village, at their recent meeting held in Montreal.

Mr. Tom Burns, the man from nowhere and known everywhere, is spending the summer months in our village.

Weak and run-down. Tired and sluggish. Eyes feel heavy. Headaches and feverish. Don't allow these symptoms to continue. Tonic yourself up. Get a bottle of VIGOROL, it will do it, and do it quickly. Every spring one needs a good tonic. VIGOROL acts as a general house-cleaner; it goes after every organ and cleanses it. Get it to-day at White's drug store.

PASPEBIAC

Mr. W. F. Hamon has been spending the week down the coast.

Mr. P. C. LeGallais and Mr. L. L. Dawson of the Bank of Nova Scotia, spent Sunday up the coast.

Miss Mary McPherson spent the week end with friends in Paspébiac.

Mr. J. Edmond Levesque returned on Saturday from a motor trip up the coast as far as Dalhousie. His many friends were glad to know that he got back safely.

Messrs. MacKenzie, Annette and F. Myhrall were in town on Friday.

Miss F. E. Robinson spent the week end with her parents at Shigawake.

Mrs. and Miss Bouillon left on Saturday for an extended visit to Montreal.

Mrs. Evelyn LeGallais, who has been in very poor health lately, left on Saturday with her husband for Montreal, where she intends to receive advice. We all hope the change will be beneficial for her health.

Mr. and Mrs. C. Alexander, (nee Maud Monroe) and Alexander, are visiting her relations in Paspébiac West.

Mr. Philip Sweetman of Port Daniel was here on the 15th.

We regret the departure of the Rev. and Mrs. Wilson with their two children, who left on Tuesday the 9th for home. They will both be greatly missed in the parish.

BATHURST

(From the Gloucester Northern Light) Mr. Harry Sweeney left last week for Cochrane, Ont., where he has secured a position on the Transcontinental Railway.

Misses Emma and Josephine Power were in Chatham for a few days during the week, attending the consecration of Bishop O'Leary.

Mr. and Mrs. Wm. Killam and Mrs. Ramsay of Campbellton were in town last Wednesday attending the McIntosh-Shirley wedding.

Judge E. L. O'Brien spent a few days of last week in Charlottetown at the Knights of Columbus Convention, and on Thursday was in Chatham at the consecration of Bishop O'Leary.

Messrs. Henry White, B. C. Mullins, E. J. Goulet and Mayor Burns were among the Bathurst visitors at the consecration of Bishop Louis O'Leary in Chatham last Thursday.

Mr. J. P. Byrne returned on Monday from a professional trip to Fredericton.

Mr. Stanislas Dumas, Secretary of the Grand Anse Agricultural Society, was in town on Saturday, and visited the "Better Farming Special."

Congratulations to Mr. and Mrs. Percy Wilbur, Jr., on the arrival of a bouncing boy at their home last Friday morning.

Rev. John Casey of Manchester, N. H., was in town over Sunday, the guest of Rev. Father Wheten, and preached a very interesting sermon at the 10 o'clock Mass. Father Casey also took part in the Corpus Christi procession at Petit Rocher on Sunday afternoon, and left for his home on Monday.

Mr. and Mrs. J. P. Doucette left last Wednesday for Boston on a visit to their daughters, Mrs. Adolph Casavant and Mrs. J. O. Johnson, and expect to be absent for a couple of months.

Sheriff Doucet spent last Thursday and Friday in Caraquet.

DR. DE VAN'S FRENCH PILLS A reliable, regulating pill for women. 25c a box or three for \$1.00. Sold at all Drug Stores, or mailed to address on receipt of price. THE SCOTT BROS. CO., ST. CATHERINE, ONTARIO.

PHOSPHONOL FOR MEN Restores vitality for Nerve and Brain; increases "Flow" in Tonic—will build you up, 25c a box or two for \$1.00 at drug stores, or by mail on receipt of price. THE SCOTT BROS. CO., ST. CATHERINE, ONTARIO.

Sold by White Drug Co.

WHEN BUYING YEAST INSIST ON HAVING THIS PACKAGE

DECLINE SUBSTITUTES

PORT DANIEL
While the weather is still somewhat unsettled, the crops are coming on nicely, and the hitherto lengthy faces of the farmers are assuming their normal aspect.

The salmon fishers have replaced most of the tackle lost in the recent storm. Rumor has it that fortune is smiling on them in the shape of an increased catch. Cod fishing is also very good.

Busy days there at the Model School. A number of pupils from various parts of the coast are here, taking the exams.

P. O. Viall Lumber Co's mill is now in operation.

Mr. Robert Horie has returned from British Columbia, after thirteen years absence.

Port Daniel Lodge, I. O. G. T., continues to prosper. At a recent session, two new members were proposed, and many others are expected. Preparations are now being made to receive the members of Shigawake Lodge, who are to pay this Lodge a fraternal visit on June 17.

END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diaphepsin" makes Sick, Sour, Gassy Stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-headache, you can get blessed relief in five minutes. Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diaphepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. It's the quickest, surest stomach doctor in the world. It's wonderful.

ANOTHER QUESTION

There is another point which seems to be worrying a number of the citizens here, and truth to tell, when they propounded the question here, we were as much at a loss as they were. "Who allowed Haid Petros out from jail?"

This man was sentenced to four months imprisonment for selling liquor, and after about two months in-carceration, he appeared on the streets the same as ever. As far as we can learn, no Habeas Corpus proceedings were taken, and no legal light can be thrown on the matter.

Petros' own statement is said to be that he was released by a member of the government, but that may be only streets rumors. The fact remains, however, that he was freed before he served his sentence, and no one seems to know by whom or for what reason.

There seems to be some trouble down at the wharf these days, as owing to some damage done to the track last Friday, no freight is being moved at the sheds. The railway people say repairs could be made in two hours, and the wharf authorities say two months, and in the meantime nothing is being done, as there you are. Where are you?

Owing to the standard rules coming into effect shortly, there promises to be a boom in the watchmaking business among the railway employees. From present indications, there may also be a kick coming from them, and interesting developments are looked for.

McGILL EXAMINA- TIONS HELD HERE

The examinations in music in connection with McGill University of Montreal, were held in the Grammar School last Thursday, Dr. Sanders being the examiner. Three candidates presented themselves: Miss Laura Alfred of Tide Head, Miss Ethel Hogen of Campbellton and Mr. Guy Lutz of Campbellton, who were successful in passing in their respective grades.

Later Dr. Sanders addressed the pupils of the school, and strongly advised the teachers and other musical instructors to urge upon their pupils to take these examinations which will be held periodically.

INSPECTION OF LOCAL CADET CORPS

The inspection of the local Cadet Corps was held last Thursday, Major Snow of Fredericton being the inspecting officer. The Corps, which is under the command of Instructor Archer, made a splendid appearance, the inspecting officer speaking very highly of the discipline and equipment of the Corps and complimented them as being one of the best in the province. The Cadets, who have an enrollment of about sixty-five, will go to Camp this year from July 15, Col. Mersereau being in command of all the units. Our local Corps made a good showing in the shooting matches last year, and shooting practice is now being freely indulged in, so that the boys should make even a better showing this year than they did last.

GOOD PROGRAM TO BE HEARD MONDAY

Seldom is it the good fortune of our town to have an opportunity of hearing a musical programme such as will be given in the Opera House here on Monday evening next, June twenty-second, when Miss DeCorrevont of this town and Miss Ferguson of Dalhousie will be heard in joint recital.

Miss DeCorrevont has a voice of unusual range and sweetness, and her singing during the past year has delighted a large number of people who are eager to hear her again.

Miss Ferguson, daughter of Dr. Ferguson, Dalhousie, is a brilliant pianist, and a violinist of merit, having played in orchestras both in Ottawa and Montreal.

Both these young ladies have been particularly successful with their studies in McGill University Conservatory of Music, Montreal.

Monday night will be the first joint appearance of these young artists, and interpretation of several classic selections as well as ballad music or folk song, which has endeared itself to the hearts of the people will be given.

Tickets will be on sale at Box Office, Saturday evening at popular prices. Children 25c, adults, 35c, and reserve seats 50c.

SOCIAL DOINGS AT THE SHIRETOWN

The Banquet given at the Queen Hotel on Thursday evening last, in honor of Mr. F. G. Burr, was a most enjoyable function. Great praise has been given Mr. E. R. Gaidet, the proprietor of the Queen, for excellent bill

ANDREW'S CLOTHING STORE.

of fare served at the dinner. The Mayor of the town, W. S. Montgomery Esq. presided and Mr. E. Rene Richard was the toast maker. Mr. Montgomery in well chosen words spoke of Mr. Burr's great geniality and the great interest he had taken in the future of the town boys in promoting all kinds of sports and concluded by presenting him with a most valuable peerchaum pipe. Hon. C. H. LaBelle spoke about the great changes in Banking during recent years. He had been brought up by the man who opened the first branch bank in the Bay of Chaleur, the late John Mcagher, who for years conducted at Carleton, Bonaventure Co., P. Q., a branch of La Banque Nationale, of Quebec. To-day, we had banks near at hand, and so far the managers had been a great addition to the social and business conditions of each place. He wanted to see our two agents occupy stone buildings in the near future. He said that Mr. Burr would always receive a hearty welcome in Dalhousie. Mr. W. F. Gaidet spoke at length of the great life Mr. Burr had put into the Dalhousie athletic association, the results of which could be easily detected among the young men of the place. Mr. Burr thanked his friends for their great kindness to him and spoke at length about the sociability that existed in Restigouche Co. Mr. W. A. R. Craig, Manager of the Royal Bank of Canada, spoke of the personal friendship that existed between Mr. Burr and himself, notwithstanding that they were conducting banks in opposition to each other. Mr. Walter H. Wood, the new manager of the Bank of Nova Scotia here, spoke briefly. Mr. Wood is no stranger to this part of the country, and is very frequently impressed with conditions so far. Mr. E. Rene Richard proposed the toast to the late agent's eloquent speech, and brief remarks in reply were made by Mr. John Midgley, Mr. O. Clinton Johnson and Mr. C. D. Hicks. Among the twenty five guests who sat at the banquet, men representing nearly every business in the town were represented.

Miss Stella Anker, Campbellton, was in town on Sunday a guest of J. S. Duncan.

Newsy Notes of Town
by G.

INSPECTOR HERE
Dr. Coulthart and Superintendent Gross of the Railroad Mail Service were in town on Wednesday on inspection tour.

READ
Rosenhek's adv. on pages 70 and 71. Every word of it.

BAZAAR AT ATHOL
The ladies of St. Aloysius Church, Athol, propose holding a bazaar, in aid of the new parish on Dominion Day, July 1st.

RECITAL
A recital will be given in the Assembly Hall of the Grammar School, tomorrow (Friday) evening at 8 o'clock for the benefit of the Library Fund. Admission 50c.

SALMON COMING
Some salmon are being caught in the river, and reports from do-boys points, state that a heavy salmon and trout are on the way. So far the salmon season has been exceedingly poor.

BIG SALMON CATCH
Dalhousie, N. B., June 17. Heavy catches of salmon were last week by net fishermen from house going east on the Quai of the Bay Chaleur. The fish scarce on the New Brunswick.

Be sure to examine Gold goods, and get prices before anywhere else.

PROFESSIONAL
Alexander Spencer, Prof. of Will accept a few more singing and Piano. Will give pupils for Concert singing and Apply personally or by letter to Hotel. Will visit Dalhousie a week, if enough pupils forward.

NOW RUSHING
Rosenhek's great annual sale at full swing. Bargains for body. Water Street, Campbellton.

MAIL BOXES WERE NOT

A report was current that box at the depot had been recently and the letters opened for Gross of the Railway Mail Service in town Wednesday, an thorough examination into it and it was concluded that the box opened in the lavatory station, must have been dropped by the mail clerk, and be up by some dishonest person. There was nothing of the letters opened.

The box on Gerrard street broken open was not broken box lock is out of repair.

INSPECTOR HERE
Dr. Coulthart and Superintendent Gross of the Railroad Mail service were in town on Wednesday on an inspection tour.

READ
Rosenhek's adv. on pages four and five. Every word of it.

BASAAR AT ATHOL
The ladies of St. Aloysius church, Athol, propose holding a grand bazaar, in aid of the new presbytery, on Dominion Day, July 1st.

RECITAL
A recital will be given in the Assembly Hall of the Grammar School, tomorrow (Friday) evening at 8 p.m., proceeds for the benefit of the school library fund. Admission 25 cents.

SALMON COMING
Some salmon are being caught in the river, and reports from down the key points, state that a heavy run of salmon and trout are on the way up. So far the salmon season has been exceedingly poor.

BIG SALMON CATCHES
Dalhousie, N. B., June 15—Very heavy catches of salmon were made last week by net fishermen from Dalhousie going east on the Quebec side of the Bay Chaleur. The fish are scarce on the New Brunswick coast.

Be sure to examine Goldenberg's goods, and get prices before buying anywhere else.

PROFESSIONAL
Alexander Spencer, Prof. of Music, will accept a few more pupils in singing and Piano. Will prepare pupils for Concert singing and Oratoria. Apply personally or by letter, Waverly Hotel. Will visit Dalhousie twice a week, if enough pupils will come forward.

NOW RUSHING
Rosenhek's great annual sale is now at full swing. Bargains for everybody. Water Street, Campbellton.

MAIL BOXES WERE NOT ROBBED
A report was current that the mail box at the depot had been robbed recently and the letters opened. Inspector Gross of the Railway Mail Service was in town Wednesday, and made a thorough examination into the matter, and it was concluded that the letters found opened in the lavatory of the station, must have been dropped when the letters were being taken from the box by the mail clerk, and been picked up by some dishonest person and opened. There was nothing of value in the letters opened.
The box on Gerrard street, reported broken open was not broken, but the box lock is out of repair.

BOUGHT A CAR
During a recent visit to Montreal, Mr. Wm. Ferguson, of Ferguson Bros., bought an auto.

MOOSE IN RIVER
A moose, frightened from the woods at the north boom, went into the river and swam down river, landing below Cross Point. It was a long swim.

NEW ORCHESTRA
Mr. Spencer, Pianist at the Opera House has organized an orchestra of seven pieces, consisting of local talent. They will make their first appearance at the Opera House to-night.

PROFESSIONAL
Dr. A. Pierce Crockett, eye, ear, nose and throat specialist, of St. John, will be at the Waverly Hotel, Campbellton, FRIDAY, JUNE 19TH, where he may be consulted professionally. June 11-2 p.m.

LOOK OUT
For the big cotton sign on Water Street, which says Rosenhek Bros., Cheap Sale. That is the place where to get the bargain.

RECITAL
Miss F. DeCorvont will give a recital in the Opera House on Monday, 22nd inst., assisted by Miss Ferguson of Dalhousie.

Reliable goods and genuine bargains at Goldenberg's Sale.

PLEASANT TRIP
Messrs. F. G. Kerr and Cameron Adams went to the mouth of Kedgewick last week, and ran down to Mata. Although the salmon were scarce, they landed a few and had a very pleasant trip.

RIFLE CLUB
The Restigouche Rifle Association will hold a practice shoot at the range tomorrow, Friday afternoon at 1:30 p.m. Last week's shoot was productive of good marksmanship. Mr. Roy Campbell, late of Moncton leading the score sheet with a total of 99 points.

FARMING SPECIAL
The Better Farming Special was in town here on Monday, the 15th inst. The train which consisted of three cars, was visited by a goodly number of people, the teachers especially interested. It was much interesting to the people, that the agricultural classes, for whose benefit the train is sent throughout the country, were conspicuous by their absence. It seems a pity that our farmers are not more interested in this, but perhaps owing to the late season, were unable to leave their farms, and perhaps when the special comes again, they may have more time to take it in.

LECTURE
The Rev. R. P. McKim, M. A., rector of St. Luke's church, St. John, may be expected to give an illustrated lecture next Monday evening at 8 o'clock, in St. Mary's Hall. Subject: "Missions of the Canadian Church in Japan, China and India." Welcome extended to all.

WEDDING
A quiet wedding was solemnized in Campbellton on June 1st, 1914, when Clifford W. Scott of Pasphebas, Que., and May Connors of Bass River, N. B., were united in marriage. The Rev. J. E. Purdie, Rector of Christ Church performed the ceremony. Mr. and Mrs. Scott will reside in Pasphebas. Goldenberg's Sale is still on.

SHIPPING NOTES
The S. S. Irvington cleared from here on Sunday morning with cargo of lumber for the United Kingdom. While at the wharf here, the vessel took a decided list to starboard, at one time, the watchers thinking she was going right over, but she was righted and started safely on her voyage. The S. S. Hardanger of Glasgow is leading deals at the wharf for the British market, and two vessels are loading at Champoux wharf.

OBITUARY
Mrs. John Wafer died at her home in Upper Miguasha on Sunday 14th inst., at the advanced age of 73, after a brief illness. She is survived by her husband, one daughter, Mrs. Wm. Irving, Matapedia; and four sons, Peter of Escuminac; William, Upper Miguasha and Sam and Henry at home. Mrs. Wafer, who was formerly Miss Eliza Harper, was an aunt of Rev. Sister LaBillette of the Hotel Dieu Hospital, Chatham, N. B. She was of a very retired disposition; but was a very hospitable person and the kindest of mothers. Her funeral took place on Wednesday, at the Roman Catholic cemetery at St. John Evangeliste, Bonaventure Co., P. Q.

PRaise FOR N. B. GIRLS
Halifax Echo: The third graduation recital at the Halifax Conservatory of Music was held last evening and the standard was well maintained. Miss Lillian Mowat of Campbellton, N. B., and Miss Jean Connelly, of Salmon River, N. B., were the debutantes and both acquitted themselves remarkably well, displaying many excellent qualities in their playing, and giving ample evidence of painstaking study and excellent methods. They were assisted by Miss Margaret Murray, of Wolfville, N. S., whose soprano voice gives much promise, and J. Morris, who has improved a great deal in his violin playing. Miss Lydia Heckman and Miss Dora Coburn were the accompanists.

DRILL
It is important that every N. C. O. and man of "C" Coy., 73rd Reg't., be at drill on Friday evening, beginning at 7:30 p.m.
A. T. LeBLANC, Capt.

CONGREGATIONAL MEETING
A meeting of St. Andrew's Congregation will be held on Monday evening, 22nd inst., to deal with the matter of the call to Moncton of Rev. T. P. Drumm. The rev. gentleman will give his announcement at the meeting of the presbytery, which will be held in New Mills on Tuesday.

DEATH AT RICHARDSVILLE
The death occurred at Richardsville of David, son of the late John Murray. The deceased, who was but 25 years of age, had been ill for a long time and was lately treated in the hospital in Moncton, from which institution he returned only last Friday. He leaves beside a widowed mother, one sister and five brothers, who have the sympathy of a large circle of friends. The interment was made in the Catholic cemetery on Monday, the 15th inst.

PIANO TUNING

I am now in Campbellton, prepared to attend to all work in my line. During the past two weeks, I have tuned the pianos for FIVE CONVENTS along the North Shore, this being the fourth year that I have done this work, and if I can please the music teachers of these institutions, I can surely please you, so send in your order to-day before you forget, for it pays to have THE BEST. Orders may be left with D. F. Graham, The Lonsbury Co., A. C. Belle-fale or E. Sullivan. Out of town business attended to.
W. C. DAY,
Graduate Tuner and Repairer of Pianos and Organs. Headquarters at Newcastle, N. B.

IN THE STUD-SEASON OF 1914 THE MAGNIFICENTLY BRED STALLION BONESTEEL 59086

Son of MOKO 24557

Will Stand For Season of 1914 at \$15.

BONESTEEL is a handsome brown stallion and will weigh 1975 pounds at maturity; foaled 1911. Bred by Walnut Hill Farm, Donerly, Ky. Individually he is a horse of grand finish and plenty of substance, with a fine disposition, with deep strong shoulders, stout back, very strong legs and stifles, strong bone with good feet and legs.

As his tabulated pedigree shows his breeding is absolutely unsurpassed, being by Moko 24457, the best son of Baron Wilkes, and the sire of Brenda 2:05 1/2, Fereno 2:05 1/2, Tenara 2:05 1/2, Native Belle (8) 2:06 1/2, Maurice (8) 2:07 1/2, and 100 others, and dams of 46, including The Harvester 2:01, the champion trotting occur.

station of the world. That he will beget speed and grand road qualities there is no doubt, as he not only inherits but possesses these qualities in a marked degree.

Even common mares bred to a horse of this class cannot fail to produce foals that will find a ready market as carriage horses or roadsters as well as general all-purpose horses.

He will make the season of 1914 at Campbellton at \$15.00, payable at time of service, \$5.00 cash, \$10.00 in form of note, payable April 1st, 1915. If the mare does not prove to be with foal this note will be returned.

The best of care taken of mares sent him, but will not be responsible for accidents or escapes, should any occur.

Represented by E. A. LeGALLAIS.

HON. CHARLES MARCIL SEEKING INFORMATION

Pressing Matters in Reference to Quebec-Oriental Railway in Commons.

Mr. MARCIL: As the minister knows, the new railway from New Carlisle to Gaspé is in first-class condition, equal to the Intercolonial railway. Unfortunately, a part of the road from New Carlisle to Matapédia is not in good condition. Last year the minister sent a commissioner down to the county of Bonaventure to hold meetings in the various parishes of the county for the purpose of taking up claims against those railways. The commissioner has reported to the Governor in Council that \$82,000 should be paid in satisfaction of those claims. The acting Minister of Railways and Canals referred that report to the Justice Department and the Justice Department has decided that the commissioner exceeded his powers; that he went far beyond the powers conferred upon him by his appointment and reported upon claims with which he had no business to deal. The people down there want to know whether they have been fooled again or whether any part of the money for the payment of their claims is to come out of this vote.

Mr. REID: The matter has been submitted to the Justice Department, and, not having had a final report from the Justice Department as to what action should be taken, I am not able to give the hon. member any information.

Mr. MARCIL: The minister is aware that Mr. Newcombe has submitted his report and it has been brought down to the House in a return. Mr. Newcombe declares that there is no liability whatever on the part of the government or of Parliament in the matter of these claims; that the sole liability rests with the Quebec Oriental railway, which acquired the Atlantic and Lake Superior railway under an Act of Parliament passed some eight years ago. I managed to introduce into that Act an amendment providing that when the Quebec Oriental railway acquired this road it would become liable for claims for labor, board and material. Mr. Newcombe de-

WILSON'S FLY PAD POISON

DON'T SWAT THAT FLY and leave the disease germs to be scattered through your house. USE WILSON'S FLY PADS and kill both the flies and germs. Sold by all Druggists and Grocers all over Canada.

clares that the sole liability of Parliament is towards the people of Bonaventure, who built this railway. I should like to know whether the Government intends going beyond the report of the Deputy Minister of Justice and paying the other claims which have been reported upon by the commissioner.

Mr. REID: The matter is now before the Justice Department for opinion upon the question as to whether we should take any further action. In the matter or as to whether the parties themselves should proceed against the railway. We are awaiting advice from the department along that line.

Mr. MARCIL: At Matapédia a new gravitation water service has been introduced. A hydrant has been placed between the station and the Restigouche club for the protection of the station and the new freight shed. I would like to remind the minister that this small village which is huddled close to the station has been destroyed by fire twice within the last ten years. Should another fire break out and the wind be in a certain direction, the village would again be wiped out because the people would not cope with the fire with the appliances they now have. I would like to ask the minister if it would not be possible to have a long hose kept in the station so that in case of fire it could be used to protect the adjoining premises as well as the Intercolonial railway. I understand the minister intends to enlarge the freight shed, and this will bring it quite close to the village. The minister knows that the buildings are all in a bunch and lying in the bottom of a valley, and if fire would break out under present conditions nothing could save the Restigouche Club house and the other buildings. There is another matter which I would like to draw to the minister's attention. As you emerge from the snow-shed you come to one of the most dangerous crossings on the Intercolonial railway. When trains are stalled people are often held up for an hour at a time. The proposal has been made by some people that a tunnel should be built underneath the crossing. Has any report been made in regard to that?

Mr. REID: So far as better fire protection in Matapédia is concerned, I suppose the Intercolonial railway have just sufficient hose at present to protect their own property; but it is certainly a reasonable request that a few more hundred feet should be provided for the protection of the whole village. I have always thought it good policy to have a double quantity of hose in case of breakage. I will give instructions to the general manager to order a sufficient quantity of hose to protect the whole village. In regard to the other matter, there is no item in the Estimates for a subway at Matapédia. This is the first time the matter has been brought to my attention, and I am unable to say whether a report has been made. I will make inquiries, and if we have a report in the department I shall be glad to mail it to hon. member.

Mr. MARCIL: If no report has been made, the minister might have the matter looked into, because Matapédia is one of the most important stations in that district. The traffic is very important and constantly growing.

Mr. REID: If there is no report in the department I will write the general manager to have a report made so that it will be available at the next session of Parliament.

REDISTRIBUTION BILL BEFORE THE HOUSE

New Brunswick's Representation is Cut From 13 to 11.—The Changes

Ottawa, June 10.—The redistribution bill introduced in the common this afternoon by Hon. Robert Rogers, after consideration for the past three months, by the special commons committee will, it is expected be passed through the house before prorogation, at the end of this week with but comparatively little discussion.

There are only four or five cases where there is any marked divisor of opinion between the two parties in regard to the compromise reached by the committee. In the maritime provinces the only point in dispute is in regard to the elimination of the constituency of Richmond, N. S., which is to be merged with South Cape Breton and two members elected at large for the joint constituency. The Liberal members objecting to the wiping out of the Richmond seat entirely.

NEW BRUNSWICK CHANGES

In New Brunswick the total representation is reduced to eleven instead of thirteen members as at present. This is done by uniting the constituencies of Restigouche and Madawaska into one riding, while the constituencies of Kings-Albert and Queens-Sunbury are broken up. Kings and Queens are united into one riding. Sunbury is added to York, and Albert is merged with the city and county of St. John. For this latter constituency two members are to be elected.

All the other ridings remain unchanged.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

Mr. MARCIL: I would like to point out to the minister, although this is a matter under the control of the Minister of Public Works, that the approach to the interprovincial bridge at Matapédia has never been completed. Perhaps the minister will ask his officials to look into that.

Mr. LEMIEUX: I just wish to say a word or two in reference to what my hon. friend has said about the future railway running from Matapédia to Gaspé basin—part of which is in good purchase of the Gaspé railway condition and part of which is not. I discussed this matter in the House some time ago, and I understand that my right hon. friend was going to consider the matter of the Government acquiring this branch line. I simply want to remind him that forty years ago it was a branch line of the Intercolonial and the first twenty miles were built, but the idea was abandoned and now the line is owned by a private concern. I think Government under the present conditions could acquire the road on very fair terms, and I hope my hon. friend will give this matter his earnest consideration because the people of the whole peninsula are eagerly looking forward to the day when the Government will operate the road.

Mr. REID: I have not forgotten the request of the hon. member and will give it my consideration.

60 Years Old Today

Feels as young as ever

PROPER who are able to talk like this cannot possibly have impure blood—they just feel fit—no headaches, dyspepsia or bilious disorders.

These diseases can be cured by

WOMAN IN TERRIBLE STATE

Finds Help in Lydia E. Pinkham's Vegetable Compound.

Cape Wolfe, Canada.—"Last March I was a complete wreck. I had given up all hope of getting better or living any length of time, as I was such a sufferer from female troubles. But I took Lydia E. Pinkham's Vegetable Compound, and today I am in good health and have a pair of twin boys two months old and growing finely. I surprised doctors and neighbors for they all know what a wreck I was.

"Now I am healthy, happy and hearty, and owe it all to Lydia E. Pinkham's remedies. You may publish this letter if you like. I think if more women used your remedies they would have better health."—Mrs. J. T. COOK, Lot No. 7, Cape Wolfe, P.E.I., Canada.

Because your case is a difficult one, and doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of women—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

SIR A. CONAN DOYLE WILL FIND IN JASPER PARK MANY NATURAL WONDERS

Sir Arthur Conan Doyle reached Winnipeg Monday, after an enjoyable trip across Lakes Huron and Superior. He journeyed from Samia to Fort William in the Steamer "Hamonic", thus following the Grand Trunk's rail and water route between the East and the West. Sir Arthur and party will proceed to Edmonton and Jasper Park, where he will be the guest of Col. Maynard S. Rogers, Superintendent of this great national reserve. Sir Arthur will remain in Jasper Park from June 11th to 21st, returning East by the same route.

HAVE PRETTY HAIR

Thick, Soft, Fluffy and no Dandruff—Use Parisian Sage

If your hair is losing its natural color, coming out and splitting, or lacks that enviable softness, gloss and beauty, do not despair—pretty hair is largely a matter of care. If it is to thin make it grow. If it is harsh and brittle soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off. Freshen up the scalp with Parisian Sage—all dandruff disappears, falling hair and itching head cease, your hair is doubly beautiful.

Parisian Sage, sold by Thos. Wran and at all drug counters, is just what you need—a large bottle costs but 50 cents. It surely makes the hair lustrous and seem twice as abundant. You cannot be disappointed in Parisian Sage.

A correspondent writes: "Please have the necessary laws passed so as to allow only just so many marriages in June. Five of my friends have considered it appropriate to send me invitations to the weddings, all of which occur within the next ten days, and the corporation that I work for, on appeal decides that they can make no increase in the number of pay days this month.

The Dean of Belfast says that Ulster's prayers caused the Fanny to successfully elude the blockade and land her cargo of arms. Prayers as efficacious as that ought to render the use of arms unnecessary.

Uncle Sam will always agree to any compromise that gives him all he wants. Those who think otherwise are obstructionists.

Do not tamper with the audible eater. For laughing at a man who took his soup after the vacuum cleaner manner, two St. Louisans recently were shot. They were conventionally proper, but indiscreet.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

To some minds every town in Mexico sounds like a brand of chewing gum.
