THE COURIER

THURSDAY, MAY 29, 1851.

Canadian Contributions to the World's Fair.

In spite of the evil augury of the captious and the discontented, the World's Fair, the first idea of which was given by Prince Albert...

We have to thank Mr. Deane, of the Burlington and Montreal Railroad, for Boston papers of Tuesday, from which we take the following summary of European news...

The present Session of Parliament promises to be quite as stormy as any of its predecessors. There is one additional element of discord added to it in the many person of the notorious William Lyon Mackenzie...

advised with all the illustrations appropriate with which they are usually adorned when corrupt Ministers delight to honor...

It is proved that the Rebellion Losses Bill will be again brought into Parliament and discussed this Session...

How much more lumber is being imported from Laprairie to St. John's Bay and elsewhere would be lost down a Canal from Coughlin's mill...
