The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Read Minutes of Meetings of the Executive Committee on March 6th, August 13th, and October 9th, 1838.

The Committee appointed to loan, at interest, on good personal security, the £200 reserved at the last General Meeting for Missionary Visits, reported that they had carried that Resolution into effect.

The Committee appointed to purchase Books to the amount of £50, and Books suitable for Sunday Schools to the amount of £50, reported that they had carried these Resolutions into effect only in part.

The Treasurer reported that the Grant of £20 to the Local Committee of the Parish of Fredericton, to assist in erecting a Chapel in New Maryland, had been paid on the Certificate of the Rev. J. M. Stirling, that the conditions of the Grant had been fulfilled.

The Archdeacon reported that he had addressed a letter to the Society for the Propagation of the Gospel in Foreign Parts, as he had been requested, to which he had received a favourable reply; and that he had communicated to the Society the Resolutions of the Executive Committee, declaring their acquiescence in the proposition of the Society; in reply to which he had received another letter, under date December 6, 1838, from which the following is an extract:—

“I have to express the satisfaction which the Society feels in the exertions made for the benefit of the Church in your Archdeaconry, especially in the establishment of a Church Society. You will perceive by the accompanying Circular, addressed to the Secretaries of our District Committees, that we are making active enquiry for men duly qualified for the service of the Colonial Church.”—(For extract from the Circular Letter, see Appendix.)

Read an Abstract of the Account of William J. Bedell, Esquire, Acting Treasurer.—(For the Account, see Appendix.)

Resolved, on motion of William End, Esquire, Whereas this General Meeting being convinced of the paramount importance of procuring a Travelling Missionary or Travelling Missionaries to supply the spiritual wants of the remote Settlements of the Province, and having already appropriated £200 of their funds towards the support of such Missionary or Missionaries, deem it their duty, immediately on being assembled, to testify their continued anxiety on this subject; therefore Resolved, as the unanimous opinion of this Meeting, that His Lordship the Bishop of Nova Scotia be earnestly requested to extend his valuable and zealous aid and influence to the attainment of this most desirable object.; and further Resolved, that a copy of this Resolution be forthwith communicated by the Secretary to His Lordship.

Resolved, on motion of the Rev. S. D. Lee Street, That in the event of His Lordship not being able to effect this object immediately, he be requested to authorize the Archdeacon to employ on that service one of the Missionaries at present in the employment of the Society for the Propagation of the Gospel in Foreign Parts, in this Province, who may be willing to be detached for a time from his present Mission.

Read Reports from the following Local Committees, viz :—

Kingsclear.—The Committee report that the Subscription in aid of the Society's funds amounts to £33 13s. 4d. which is placed at the disposal of the Society for General purposes ; and recommend the Parish Church lately erected in that Parish to the most favourable consideration of the Society, as being a Free Church, and unfinished.—(For letter from Rev. J. M. Stirling, enclosing the Report, see Appendix.)

Woodstock.—The Committee return their thanks to the Society for the appropriation at the last Meeting in favour of the Church at Jacksontown, and express their hope that the building will be begun in the Spring, and request a further grant to the same. They also return thanks for the appropriation of £8 in Books, and request an extension of it : and further, that the remote parts of their County may be especially attended to by the proposed travelling Missionary.—They report the Subscriptions as follows : Missionary Visits, £5 ; Books, 25s. ; Churches, 10s. ; General purposes £15 15s. Total, £22 10s.

Norton.—The Committee report the Subscriptions to amount to £7 7s. 6d. ; return thanks for the appropriation towards the enlarging of the Parish Church, for which they have already incurred an expense of about £100, and expect that what remains to be done will require a further expenditure of about £90, to meet which they request a further grant.

Westfield.—The Committee report the Subscription to amount to £6 5s., and recommend aid for a Lending Library.

Kingston.—The Committee report the Subscriptions to be £16 10s. 3d., and recommend that one third of it should be appropriated to repairing the Parish Church at Kingston ; one third to rebuilding the Parish Church at Greenwich ; and the remaining third to the General purposes of the Society.

Sussex.—The Committee return thanks for the appropriations made in their favour last year ; and report that there is every prospect of the Chapel at Studville being completed in the course of the next Summer, and that their Sunday School is in successful operation ; and solicit a donation of Books for the use of a number of Settlements in that part of the Province ; and recommend, that until a Travelling Missionary can be appointed, the Clergy of the different Missions in this Province should be requested to devote a few Sundays in the year to the destitute places next adjoining their own Parishes, the Society engaging to pay the actual travelling expenses incurred in the performance of such Missionary visits. They further recommend the employment of Lay Readers to conduct the Public Worship when the Clergyman is absent on such duty.

Butternut Ridge and Salisbury.—The Committee report a Subscription of £5 17s. 6d., and suggest the grant of a small sum to purchase Books for the use of the District, the inhabitants of which are extremely well affected.

Saint Andrews.—The Committee report a collection of £35 11s. viz : for Missionary Visits, £5 2s. 6d. ; for Sunday Schools, £11 18s. ; for General purposes, £18 10s. 6d. ; and request aid to their Sunday School, and an additional supply of Books and Tracts ; and express their earnest wish that the part of the country between the Waweig and the Digdeguash should be visited by the proposed Travelling Missionary.

Miramichi.—The Committee report a collection of £36 8s. 6d. viz : for Missionary Visits, £15 11s. 6d. ; for Divinity Scholarships, 4s. ; for Sunday Schools, £3 18s. 6d. ; for Books and Tracts, 16s. ; for Churches and Chapels, 4s. ; for General purposes, £16 4s. 6d. ; and recommend a small sum to purchase Sunday School Books recently imported to Miramichi.

Shediac.—The Committee report a collection of £5 0s. 6d., and request Books for distribution, and towards the formation of a Religious Lending Library.

Grand Lake.—The Committee report a Subscription of £7 19s. 6d., and request a supply of Books.

Resolved, That it be recommended to the Society to grant aid towards the establishment of a Lending Parochial Library in the Parishes of Hampton, Saint Andrews, Saint Patrick, and Campo Bello.

On motion of A. K. S. Wetmore, Esquire—

Resolved, That no one article of the Constitution of this Society shall be rescinded, altered or amended, except with the concurrence of two thirds of the Members present at a General Meeting; and that notice of any motion for this purpose shall be given at the General Meeting previous to the one at which such motion is to be made.

Resolved, on motion of Dr. Colin Allan, That the thanks of the Society be given to the Rev. Samuel Bacon for his excellent Sermon preached this day.

Resolved, on motion of Samuel Scovil, Esquire, That the thanks of the Society be given to the Rev. George S. Jarvis for his Sermon preached yesterday, and that he be requested to furnish the Archdeacon with a copy, that the same may be printed.

The following Resolutions were moved by Dr. Alley :—

Whereas several of the Church Missions in this Province are so extended, as to embrace more than one Parish; and several of the Parishes are in themselves so extensive, as to require more than one place of Worship, so that it is impossible for a single Minister to officiate, even in the ordinary services of worship and prayer, in all of them on the same days; and it is very desirable that these ordinary services should never be omitted on the Lord's days, and special Feasts and Fasts of the Church; therefore

Resolved, That the several Missionaries be requested to recommend, for every place of Public Worship, so many of the most pious and religious persons, being desirous and qualified to read the Service, to receive licences as lay readers, from the Bishop of the Diocese, or such other person as may be authorized to grant the same,—which lay readers shall be entirely subject to the direction of the Minister of the Mission, as to the part of the Liturgy and Prayers, and also as to the Homilies and Sermons, which they are to read from the Desk.

Resolved, That the several Missionaries be recommended to organize subsidiary Church Societies at each of the Stations, where a suitable place can be procured, for the orderly and decorous performance of Divine Service; and that he instruct the said lay readers in those parts of the Liturgy, according to the Rubrick, which are to be read on all occasions,—

as to the proper manner, time and place, of giving public and Parish notices,—and furnish them with Sermons and Hoinilies, pointing out to them the Sermons to be read;—and also to impress on these lay readers a strict adherence to the instructions which they may receive.

And in order that the said lay readers, and the congregations whose service of prayer, praise and thanks, they are entrusted thus (provisionally) to conduct, may ever be kept in mind that such services of the said laymen are but a temporary provision, until regularly ordained Ministers can be provided; be it also

Resolved, That the Venerable the Archdeacon be requested to compose a prayer to be offered up, by and with the Bishop's concurrence, to Almighty God, in such part of the service as he may please to direct, by every lay reader, to the effect that our Lord, in his Providence, may graciously vouchsafe, in his good time, to provide for them ordained Ministers of his Church, who may rightly instruct them in his word, and duly administer his holy Sacraments.

Resolved, That the subordinate Church Societies or corporations being duly organized under the presidency of the Missionary, arrangements may then be made for the establishment of Sunday Schools at each place, where the children and youth of both sexes may be instructed in the Church Catechism and Liturgy,—the part the congregation is to take in the reading of the Psalms by alternate verses,—the customary responses, and in singing praises; and that the best qualified females be invited to take part in such services of instruction.

Resolved, That such arrangements would very much extend the sphere of usefulness of the present Missionaries, and thus the regular course of ordinary services would be never interrupted, whether he be sick or absent; and that the Missionary may so arrange his visitations, that all communicants may have the comfort of the Sacrament duly and regularly administered; and that thus the cords of the Church would be lengthened, and her stakes strengthened.

Whereupon, *Resolved*, That Dr. Alley's foregoing motions be entered on the Minutes, and referred to a Committee (to be appointed by the Archdeacon) to report thereon to the Archdeacon, who will communicate on the subject with the Bishop of the Diocese.

(Signed)

REPORT.

Fredericton, February 7th, 1839.

REVEREND SIR,

I have the honor to acquaint you, for the information of the General Committee of the Church Society of the Archdeaconry of New Brunswick, that since the last Annual Meeting, the sum appropriated by the Society to aid in building a Chapel at New Maryland, in the Parish of Fredericton, has been drawn from the hands of the Treasurer, the inhabitants of that place having erected the building, and complied with the conditions of the Society.

The Committee will, no doubt, be gratified to learn that owing to their timely assistance, the people of this Settlement who have long endeavoured, but in vain, to rear a house of prayer, for themselves and their children, have now the satisfaction of worshipping in a building dedicated exclusively to the service of the Almighty.

The Chapel is a plain structure, sufficiently large to accommodate the congregation for some years to come, and when painted, will be fully completed and ready for consecration.

The efforts made in the neighbouring Parish of Kingsclear to advance the cause of our holy religion will not be viewed with indifference by the Committee. A few individuals there, by great exertions and at considerable expense, (aided by the

contributions of their fellow Churchmen elsewhere) have succeeded in erecting and in nearly finishing a neat and faithfully built Church, large enough to contain two hundred and fifty hearers.

As the seats in it are free, and it is considered expedient that for a time they should continue to be so, and as the expenses thus necessarily become burdensome to the Churchmen in the Parish, the local Committee, when contributing their mite to the funds of the Society, have ventured to recommend their Church to its most favourable consideration, and I doubt not that the Committee will give that attention to their recommendation, which their zeal in the good cause so well deserves.

It were almost invidious, where many have done well, to mention the name of any individual in particular, but I cannot permit the present opportunity to pass, without expressing the opinion, that to the indefatigable industry and perseverance of Charles Lee, Esquire, the Parishioners of Kingsclear are mainly indebted for the creditable edifice, in which they now assemble to worship the God of their fathers on the Sabbath day.

I have the honor to be, Reverend Sir,
Your most obedient servant,
J. M. STIRLING.

The Parish Church of Kingsclear is forty feet in length and twenty eight in breadth ; it has already cost three hundred and twenty pounds; and when finished, the expenses will probably amount to nearly four hundred pounds.

The Chapel at Maryland is large enough to accommodate seventy persons—and has cost seventy five pounds.
