The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Musée des Beaux-Arts du Canada,
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

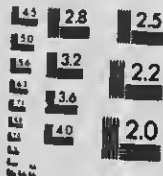

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Real Irish Lace is a genuine work of art, and while its vogue may vary with the years, it always retains a high intrinsic value, and often becomes an heirloom linking the generations each to each. Its popularity was never greater than this season, and as we are the Canadian Agents of The Irish Lace Industries' Association, of which the Countess of Aberdeen is president, it goes without saying that our store is the very best place in the Dominion to buy. Our collection of **Irish Lace** Collars, Collarettes, Capes, etc., is superb and deserves inspection by every lover of the beautiful

ETHEL SEATH, Star, Montreal

Miss Ethel Seath, the youngest black-and-white artist in Canada, has been engaged in newspaper illustration for some years. She began to study drawing under Miss Stone. Her first attempts at original work were restricted to conventional designs for wall paper, oil-cloth, rugs, etc. with Mrs. Simister. Later she studied drawing under Mr. Dyonnet, and lithographing under Mr. Harris, at the Council of Arts and Manufactures Montreal.

Miss Seath joined the staff of the Montreal *Witness* in her seventeenth year. Mr. A. G. Racey was then at the head of the Art Department, and to the young inexperienced girl his kind encouragement and guidance were extremely valuable.

In October, 1901, Miss Seath joined the art staff of the Montreal *Star* where she found herself in fortunate association with Mr. Julien, Mr. Racey, and Mr. Mathews. Her work rapidly improved, and her original illustrations are now a regular feature of the *Weekly Star*.

Miss Seath is a Canadian by birth, but of Scotch descent. She was born in Montreal, and has seen little of the world as yet, outside her native city. With larger opportunities for study and an acquaintance with the masters of art, much may be expected of her.

OWEN P. STAPLES, EVENING TELEGRAM, Toronto

Owen P. Staples, born at Stoke in 1867, near Ilminster, Somersetshire, Eng. Gives much promise for future development from the success he has already achieved. Since early boyhood he indulged his taste for drawing and color and has produced some works of high merit. His drawings and paintings from life are usually made out of doors when practicable, and hence are characterized with much boldness and freedom of execution.

Mr. Staples received his first instruction at the Rochester Art Club in 1882-3.

Returning to Toronto in 1885 he joined then the newly-organized Art Student's League. He spent the winter of 1887 and 1888 in Philadelphia at the Art Students' League, under Thomas Harkin. His association with Mr. G. A. Reid in his study during some years past, has had beneficial results. Mr. Staples' picture of the "Last Load" was chosen to represent Canadian Art at Chicago World's Fair. He also exhibited at the Pan. American at Buffalo.

He has been connected with the *Evening Telegram* of Toronto for over fifteen years, and was one of the pioneers of quick newspaper drawing and engraving in Toronto. There is every reason to expect that his talent will gain him honorable recognition in the future.

FERGUS KYLE, THE STAR, Toronto

Fergus Kyle has been making cartoons for *The Star*, Toronto, for a year and a half, after having put in a year on the reportorial staff. Before that was with the *Grip* Co. for a year, after a year's assisting in publishing the *Canadian Wheelman*. Before going to the *Wheelman* was a cub reporter on *The Star* and *News*, having gone into the news instead of going on with my studies for electrical engineering. Most of my study has been in the way of regular work, as I was drawing all of the time I have described, that being part of my duties in each case.

Latterly have done all classes of work, but although not yet tied up to any one line—look upon cartoon work and

caricature as my field. Always had a bend that way, as, of course, "school-boy sketches" will prove.

Born in Hamilton, 1876. School days in Mitchell Ont., 9 years. Toronto the rest. Son of Wm. Kyle, Manager of the Rolling Mills, Sunnyside, Toronto.
