GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm
tender little Stomach, Liver
and Bowels.

Look at the tongue, mother! If
black, your little one's stomach, liver
and bowels need cleansing at once.
When peevish, cross, listless, doesn't
sleep, eat or act naturally, or is feverish,
stomach sour, breath bad, has sore
throat, diarrhoea, full of cold, give a
teaspoonful of "California Syrup of
Figs" and in a few hours all the foul,
constipated waste, undigested food and
sour bile gently moves out of its little
bowels without grating, and you have a
well, playful child again. Ask your
druggist for a bottle of "California
Syrup of Figs," which contains full
directions for babies, children of all ages
and for grown-ups.

Any one wanting 4% potash
goods at the rate of \$79 per ton
should make application to Keith
& Plummer Ltd., at once. They
can furnish a limited quantity to
early buyers.

"CASOARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach,
Sluggish Liver and Bowels—
Take Casoarets tonight.

Furred Tongue, Bad Taste, Indiges-
tion, Sallow Skin and Miserable Head-
ache come from a torpid liver and
clogged bowels, which cause your stom-
ach to become filled with undigested
food, which sours and ferments like gar-
bage in a cask. That's the first
step to untold misery—indigestion, foul
gases, bad breath, yellow skin, mental
dreariness. A Casoarets to-night will
give your constipated bowels a thorough
cleaning and straighten you out by
morning. They work while you sleep—
a 10-cent box from your druggist will
keep you feeling good for months.

Good fences and gates are of
first importance on every farm.
H. N. Boyer is in a position to
supply them cheaper than the
present market price. Place your
order now and save your shekels.

Reported Still Alive

Lieutenant George B. Wootton,
of Andover, who was reported as
having died of blood poisoning
from wounds sustained in action,
is still alive in No. 8 General
Hospital in Rouen, according to
a late report.

How to Live Long

Many ailments find their be-
ginning in a torpid sluggish con-
dition of liver, kidneys and
bowels. As a matter of fact you
can add years to the length of
your life as well as comfort and
happiness by using Dr. Chase's
Kidney-Liver Pills to keep these
organs regular and active.

DR. M'INTOSH GOES TO FORT FAIRFIELD

After 14 Years as a Successful
Physician Here

One quite often hears the ex-
pression that Hartland and sur-
rounding country is greatly favor-
ed in having as medical prac-
titioners two such eminently suc-
cessful men as Drs. Curtis and
MacIntosh. Both have been
equally faithful in their work,
which takes them over a large
field outlying the town.

It is quite natural for men in
this profession to aspire to more
advanced work in their chosen
calling and not infrequently do
we see the country physician ex-
changing the arduous and ex-
acting work of a country field for
city or hospital practice. Such is
the case with Dr. MacIntosh. At
last the lure of more advanced
work and experience to be obtain-
ed only in hospital practice has
won out. To his more intimate
friends this comes as no great
surprise as it is only the culmi-
nation of an oft expressed ambi-
tion. This ambition, coupled
with the feeling that in 14 years
of country practice he has seen
enough of the "really strenuous,"
has led the doctor to close his
office here.

After negotiating for several
months with Dr. Small, who has
been anxious for some time to
have Dr. MacIntosh associated
with him, arrangements have
been completed whereby the well
known hospital at Fort Fairfield
will be under the joint manage-
ment of the two who will reside
in the building so that at all times
the institution will be under per-
sonal supervision. Dr. MacIntosh
came to Hartland in 1905 succeed-
ing Dr. A. S. Estey in practice
here and from the "getaway" has
been successful.

If he had not have chosen medi-
cine as a life work nature endowed
the doctor with the capabilities of
success in several other world
pursuits, possibly his "long suit"
being agriculture. He is never
so happy as when he can take a
run up to Clovernook and look
things over. Several years ago
he became interested in this farm
acquiring the old G. J. Nevers
property as a nucleus for the
large, productive and moderately
equipped farm where are now to
be found pure bred cattle, sheep,
swine and Clydesdale horses, all
of the best blood in the land.
Money was never spared in buy-
ing foundation stock for this en-
terprise and valuable contribu-
tions to the breeding stock of the
county has been one result. As
a farmer the doctor was never a
faddist in any sense, for he knows
the farm right down from the
horse to the hen.

Yes, he is letter perfect on the
hen and can tell you all there is
to tell about any hen or brood of
hens that ever happened. At
one time he had a lot of money

invested in prize stock and was
a great benefactor to the poultry
industry in this county.

Possessing also a keen busi-
ness instinct and a natural gift
for company promoting and in-
vestment, it is nothing strange
that he was ever ready to assist
financially any promising busi-
ness proposition. One of his
many ventures is the Hartland
Cement Block Co., one local en-
terprise that is meeting with a
fair degree of success. This
spirit of promotion and advance-
ment naturally led him into the
ranks of the more active citizens
who early began to agitate for
town incorporation, better streets
and better roads.

To his unceasing interest in all
public improvements, is due, no
doubt, the fact that on the town
becoming incorporated he was
chosen on the first board of Alder-
men.

Aside from his years of practice
here Dr. MacIntosh served with
the C. A. M. C. at the front and
saw considerable hospital and
field service in France, Egypt, the
Balkans and the Dardanelles.

Before recrossing to Canada he
also took a course in surgery at
Glasgow.

Many will hear with a degree
of regret the decision of the doctor
to leave his practice here, and
aside from his professional work
there are those who will miss an
ever genial friend and progressive
citizen.

On March 3 Dr. MacIntosh will
take up his new duties at the
Fort Fairfield Hospital and his
many friends can only wish him
all possible success. Just what
success will mean the writer dare
not say, but knowing the man and
of his oft expressed ambitions, if
it were not for the possibility of
creating a false impression, we
would suggest that success might
mean that in the not too distant
future a neatly equipped hospital
in Hartland town with Dr. L.
DeC. MacIntosh as owner and
physician in charge might reason-
ably be among the possibilities.—

B. B. Rockwell Dies in the West

Last week James M. McLeod
of Wilmet received news of the
death of his son-in-law, Bartho-
lomew B. Rockwell, who died
suddenly at his home in Clyvale,
Alberta. Mr. Rockwell was feel-
ing unwell during the night and
took what he supposed was a
dose of Epsom salts but what
proved gopher poisoning. All
efforts to save his life were of no
avail. He is survived by his
wife who is the only daughter of
Mr. and Mrs. McLeod, and a
four-year-old son; also by his
widowed mother, a brother,
Coley Rockwell, and a sister,
Mrs. Dibblee Smith, who reside
at Jackson, Ont.

He went west eight years ago
and was the owner of 480 acres
besides which he worked with 640
acres under lease. He maintain-
ed on his farm 40 head of cattle

PROGRESSIVE TOWN IS CENTREVILLE

To Have a Dollar Day on Wednes-
day, March 12

The next village to merge it-
self into a full-blown town is
likely to be Centreville which is
rapidly making a most important
place on the map. The people
there seem to possess in marked
degree that all too rare quality,
"the community spirit." This
was evidenced by the accord with
which the business men accepted
and gave support to the Centre-
ville Observer. This, if nothing
else, shows that they know a live
thing when they see it.

For a long time Centreville
has been without a hotel. The
business men and minded farm-
ers have got together and organ-
ized a joint stock company and
have purchased an existing hotel
property. This they intend to
put in first class shape and have
it conducted in such a way which
as will add to the renown the
village already enjoys. The
scheme is not one in which the
promoters look for large divi-
dends but the people realize that
one of the essentials of a pro-
gressive town is good hotel ac-
commodation.

For years Centreville has had
an annual exhibition—one of the
best county fairs held in the
province. Already plans are laid
for the fair next September and
the people in the wide territory
covered by the Observer are not
going to be permitted to forget
the dates and the importance at-
taching to them.

The latest, the most immediate,
and altogether up-to-date scheme
for attracting people to the town
is one of the popular Dollar Days.

The date for this is Mar. 12
and The Observer next week will
tell some interesting facts in con-
nection with it.

All hail to Centreville prosper-
ity and progressiveness!

The History of Gin as a Curative Agent

Before Gin Pills were available, gin seemed to be the popular remedy for backache, pains in the groin, swelling of the joints, rashes, hives, sciatica and other troubles arising from deranged kidney action; but when Gin Pills were placed on the market containing the curative agent of gin—without the alcohol, people realized that the benefits of the old remedy were purely temporary and that permanent relief would be found only by using the new.

The success of Gin Pills is the best testimony to the value of this medicine, but for those who prefer more direct testimony we have hundreds of letters on file from people who owe their return to health entirely to taking Gin Pills. The function of the kidneys is to remove the impurities and poisons gathered by the blood. When the kidneys fail to act, these poisons remain in the blood stream, and are circulated through the system until they settle in muscles and joints and there set up infection. You can readily understand, then, the danger of allowing the kidneys to become deranged, and how important it is to keep them in good shape always.

Do not let your kidneys get into bad to worse. At the first sign of trouble, go to your nearest dealer and buy Gin Pills—50¢ a box.

Or if you prefer, a free sample of Gin Pills will be mailed upon request to the National Drug & Chemical Co., 400 Ontario Street, Toronto, Ont. Residents should write to New-Dee Co., Inc., 282 Main St., Buffalo, N.Y.

Had Piles For Ten Years

And Tried Nearly Everything Except a Surgical Operation With-out Obtaining Relief — Tells How Complete Cure Was Effected.

There are reported here three cures of chronic cases of piles. In all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment is about the only real cure for this distressing ailment.

Mrs. A. Oates, 25 Gilkinson street, Bradford, Ont., writes: "I have used Dr. Chase's Ointment as a household remedy for over so long, and am particularly indebted to it for a cure from Piles. I had suffered from this annoying trouble for ten years, and tried nearly everything I heard of. After using Dr. Chase's Ointment a short while I was completely cured."

Mrs. Wm. Shantz, 155 Albert street, Kitchener, Ont., writes: "For several years I was troubled with bleeding piles. I tried different remedies for relief without success. I read in Dr. Chase's Almanac of the benefits other people were receiving from Dr. Chase's Ointment, so I sent to your office for a sample box. I found it gave me much relief that I went to a drug store and purchased a full-sized box. I have used several boxes since, and have derived more benefit from its use than any remedy I have ever used."

Mrs. F. Gussone, Victoria street, Ingersoll, Ont., writes: "About two years and a half ago I was suffering from Piles. I had tried many different remedies for this distressing trouble, but nothing helped me. Finally I got a box of Dr. Chase's Ointment, and after using it found that I was completely cured and have not been bothered in this way since. I can cheerfully recommend Dr. Chase's Ointment to anyone suffering as I did."

Grand Falls Happenings

Mrs. J. R. Graham of Grand Falls, has just received word of the death of her nephew, Private Douglas Livingston Kay, of pneumonia, in France.

When the United States entered into war against Germany, Private Kay, then only nineteen and a splendid physical type of manhood, standing six feet and weighing nearly two hundred, enlisted. After about three months training in a military camp in New York state he sailed for France where he actively served until overtaken by death. His mother was before marriage Miss Winifred DeWolfe of Halifax, coming from there to Carleton Place, where she lived with her parents a number of years before going to New York, where she has made her home since leaving New Brunswick. Her husband died some years ago, and Douglas was her only child. "Never morning wore to evening, but some heart did break."

Mitchell, Ind. — "Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, each day I suffered with nervousness so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of nervousness. I had gained in strength and was able to go around and do all my household work. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine to me so much good." — Mrs. FRANK MONAHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.

The community was shocked and saddened to hear of the sudden passing away of Miss Leola Craig, on Thursday at 7 o'clock, following a few days illness of pleurisy and pneumonia. Miss Craig was the only child of the late Manzer Craig and Mrs. D. W. Appleby, her age being 31 years. The funeral took place from her late home on Friday afternoon at 2.30 o'clock, to the Larlee Creek church, where a large number of sympathizing friends and relatives gathered to pay their last tribute of respect to the dead. Rev. A. Hatfield spoke words of comfort to the mourners, taking for his text, John 11:25, "I am the resurrection and the life. He that believeth in me, though he were dead, yet shall he live." The Baptist choir, with Mrs. George McLaughlin as organist, sang sweet and appropriate selections.

The floral offerings were very beautiful among them being a broken circle of roses, Mrs. Appleby, Mrs. S. Winchester, and Mrs. Whitfield Craig, bouquet jonquils and ferns; Mrs. E. W. Larlee, Mrs. John McNair, and Mrs. Nellie Anderson two flat bouquets, pink and white carnations and others. The pall bearers were Arthur Craig, Urban Grant, cousins of deceased, Wetmore Davidson and John Roland, a returned soldier. The remains were laid to rest in the family lot adjoining the church.

Miss Craig was of a very pleasing personality, of a bright, amiable disposition, and made many friends. Her early demise has cast a deep gloom over all. She leaves to mourn her loss, a heart-broken mother, step-

father and a large number of other relatives and friends who have the sincere sympathy of all in their great sorrow.

Mr. and Mrs. John McNair and Mrs. E. W. Larlee were called here on Thursday on account of the sudden death of their niece, Miss Craig.

Mrs. Emeline Craig, one of our oldest and most highly respected residents, entered into rest at 4.30 a.m. on Sunday after a long illness, at the age of 82 years, having suffered from a paralytic stroke about two years ago. She was in bed most of the time. During her long tedious illness, she has been tenderly cared for by her oldest daughter, Mrs. Jessie Pelton, who came from her home in the far West to remain with her mother till the end. The deceased was the widow of the late Aaron Craig who died many years ago. She was formerly a Miss Armstrong, a daughter of the late Sutton Armstrong. Three sisters survive, Mrs. David Curry, Mrs. Frances Donaghey and Mrs. Justice Wright. Mrs. Craig had lived here all her life. Eight children were born to her—four daughters and four sons, four of whom survive. Daniel, in the west, Mrs. Amanda McFarlane, San Francisco, Mrs. Jessie Pelton and Mrs. C. F. Grant, one little girl was killed by a train many years ago. Manzer died several years ago, Thomas, a C.P.R. conductor was killed by a train about four years ago and Charles died about two years ago. Besides these she leaves several grandchildren and a great many other relatives and kind friends and neighbors. Mrs. Craig was noted for her hospitality in her younger days. Nobody was ever turned away from her door in need or in trouble. She was always kind and sympathetic, a fond loving mother, good friend and her memory will long be cherished. The funeral took place on Tuesday afternoon at the Larlee Creek church.

The family have the sympathy of all, in their loss of a kind mother.

TESTIMONIES FROM PASTORS

Last Spring Mrs. McKinstry gave her course of lectures, "The World's Great Empires," in the Baptist Church at Wolcott, N. Y. At the close, and before a large audience, the pastor, Rev. F. W. Kneeland, gave the following commendation:

"During the past more than thirty years, I have been a student of history, part of the time by choice, and part of the time by compulsion, and I am compelled to say that I have never heard as complete a resume of the history of the world's movements as these lectures which Mrs. McKinstry has given. Not only are they of very great value as lectures on history, but they are of even greater value to all because they show the splendid and comforting truth conclusively that God's Book can be trusted; that it is true." Rev. Mrs. McKinstry will deliver a course of nine lectures in Hartland, commencing Mar. 16.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brookville, Ont.

FERTILIZER

OUR first advertisement calling the attention of the farmers and dealers to the necessity of ordering their fertilizer early, and having it shipped early appeared in this paper four weeks ago. Since that time we have had such a large number of our old customers ask for fertilizer to be shipped at once, and we have had many enquiries and orders from new customers. The time when fertilizer will be used is approaching and the indications point to an early spring. There will be undoubtedly a heavy call for fertilizer, and it will not do to put off too long.

Notwithstanding the short of fertilizer for the past several years, particularly the spring of a year ago, we had a good supply and were in a position to take care not only of our trade but of many customers who were disappointed not being able to get their fertilizer. This condition may repeat itself this year and it will surely do so if you do not make your arrangements early for the spring supply. It is certain that unless orders are placed the manufacturers will not take the risk of carrying over to next year material bought on the present market when the prices are at the highest, and the tendency on the contrary will be not to carry even the slightest surplus with the possibility of having it on hand at the end of the season.

Instrumental music of all kinds, of the world's best singers make records both sacred and comic for the Edison Amberola. Let us put one in your house on free trial or better still, come and see them for yourself. Terms right and you are all welcome. I appreciate very much the way people remembered me and sent work to me this winter. I try my best to get around and see folk the way I used to do but am not well at all, so fail to do what I would like. But am still framing pictures. Have a good stock of frames, both square and oval, glass, mouldings, mirrors and patriotic paintings; run into the adjoining room. Send it to me, or better still, bring it yourself and hear some music at the same time, as we have both the Brunswick Disc and Edison Cylinder Phonographs here, just a little way out of town.

To Solve Canada's Employment Problem

EVERYONE in Canada should understand just what the Government is doing to solve the unemployment problems that may arise through the demobilization of our fighting forces.

(1) Employment Offices.

So that everyone—male or female, soldier or civilian—can get quickly such jobs as are available the Government is co-operating with the Provinces in establishing a chain of Public Employment Offices. Employers are being urged to make use of these offices to secure any help they need. Farmers, for example, who need hired men should apply to the nearest office. There will be a Public Employment Office in every town of 10,000 people—and wherever the need for one exists. There will be 60 different offices in all—one-half are already in operation.

(2) Employment Opportunities.

The war held up much work that will now be carried on at once. Public works, shipbuilding, roadbuilding, railway work—construction of bridges, improvement of road-bed, making of new equipment—these will provide new opportunities for employment. In addition, the Government has sent a Trade Mission overseas to secure for Canada a share in the business of providing materials and products required for reconstruction work in Europe. It has also set aside the large sum of

\$25,000,000 to be loaned through the Provinces to encourage the building of workmen's houses. This will mean much new work in the spring.

(3) Land and Loans for Soldiers

To help soldiers become farmers the Government has developed a programme that includes the providing of land, the granting of loans, and the training and supervision of those inexperienced in farming. At present, the soldier is granted, free, in addition to his ordinary homestead right, one quarter-section of Dominion lands. He also receives a loan up to the maximum of \$2,500.

These original plans are now being broadened. If Parliament passes the new proposals during this session, the Soldier Settlement Board will be able to buy suitable land and re-sell it to the soldier at cost.

Land up to the value of \$5,000 may be bought by this plan—the money to be repaid in 20 years. The low interest rate of 5 per cent. will be charged. These new proposals will also permit the Soldier Settlement Board to loan the soldier-farmer up to \$2,500 for purchasing equipment, etc., in addition to \$5,000 loan on his farm.

WOMEN'S RIGHT TO GOOD HEALTH

Most Troubles Afflicting Women Are Due to Weak, Watery Blood

To every woman belongs the right to enjoy a healthy, active, happy life, yet nine out of every ten suffers years of agony, usually from some form of bloodlessness. That is why one sees on every side pale, thin cheeks, dull eyes and drooping figures—sure signs of headaches, weak backs, aching limbs and uncertain health. All weak, suffering women should win the right to be well by refreshing their weary bodies with the new, rich, red blood that promptly transforms them into healthy, attractive women. This new, rich, red blood is supplied in abundance by Dr. Williams' Pink Pills, which reaches every organ and every nerve in the body. Through the use of these pills thousands of women have found a prompt cure when suffering from anaemia, indigestion, heart palpitation, rheumatism, general weakness, and those ailments from which women alone suffer. There is no part of this broad Dominion in which you will not find some former sufferer who has regained health and strength through the use of Dr. Williams' Pink Pills. Among the thousands of women who bear testimony to the value of Dr. Williams' Pink Pills is Mrs. Ferguson, Plattsburgh, Ont., who says: "After the birth of my second baby I was left very weak, and was steadily growing thinner and more bloodless. At times went on I became so run down that my friends thought I was in a decline. I tried different medicines, but none helped me until I was advised to take Dr. Williams' Pink Pills. I began taking them and was not long in finding that they were helping me, and by the time I had taken a half a dozen boxes I felt like a new person. I had increased in weight, my color returned and I was again enjoying my old-time health. You may be sure when opportunity offers I will gladly recommend Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Former Florenceville Man Married

The home of Mr. and Mrs. H. W. Merkle, San Diego, Mexico, was the scene of a delightfully simple and attractive home wedding says the San Diego Union, when Rev. W. E. Crabtree read the impressive service that united J. Arthur Jewett and Miss Isahell Mitchell Dundas.

The couple are old friends of Mr. and Mrs. Merkle, having

met six years ago in Vancouver. The bride wore a tailored dress of apricot tricolored with picture hat of the same shade in georgette crepe, trimmed with a touch of turquoise blue, her only ornament being a string of pearls. Miss Myrtle Dundas, sister of the bride, was the only attendant, having come to San Diego for the occasion. A wedding supper was served for the bridal party at the Grant Hotel. Mr. Jewett has had a responsible position in the traffic department of the C.P.R. at Vancouver for the past nine years. Mrs. Jewett was a popular Red Cross nurse at an army hospital in San Francisco. The couple are residing at the Hotel Vancouver for the present.

Mr. Jewett's former home was at Florenceville.

Tired and Discouraged

Mrs. Warren Randles, Rothesay Kings County, N. B., writes, "I have three small children and

had to stay in the house all winter. So when spring came I was all run down doing all my work and looking after the children. I felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food, and the results were most satisfactory. I feel fine now and am recommending the Nerve Food to others."

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour-bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

LOW Price has never been a consideration in designing and building the Gray-Dort. Our engineering department and our purchasing department have but one aim—to produce the finest light car.

That the price is reasonable is due to factory efficiency and large production.

Especially if you have owned or driven another light car, you will appreciate the refinements in the Gray-Dort—the smoothness, power and pick-up of its motor; the standard equipment; the comfort of riding and driving; the unblemished beauty of line and finish.

The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment—is \$1355 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

Death at Bath

Minor Buckley, son of the late Squire Buckley of Maplehurst, passed peacefully away to the better land at the home of Mrs. Bramley of Bath, where he resided for the last year and ten months. LOCAL AND PERSONAL ITEMS

On Thursday evening the Ladies Aid Society of the United Baptist church observed Gratitude Day by a pleasant "At Home" and an appropriate program at the home of Mr. and Mrs. Norris DeLong. Upwards of seventy-five of those interested in the movement assembled. The program consisted of: Scriptural Reading and Prayer; Duet, Mrs. S. Johnson and Miss Laura Burpee; Reading, Leah Cronin; Duet, Mrs. Johnson and Miss Vera Sloan; Reading, Eleanor Hawkins; Reading, Mildred DeLong; Solo, Miss Daisy Cody Burt; Reading, Mary Harold; Duet, Mrs. Bonnie Campbell and Mrs. B. R. Field. A comprehensive report of the work was read by Mrs. Ward B. Webb. The next hour was spent in a flow of song by a chorus of voices in which all present did their bit. Refreshments were then served a la buffet and as they each took their several ways, the composite opinion bespoke a good time. The collection for the evening netted \$14.50.

A number of the younger gentlemen and ladies of the town drove to Bridgewater, to attend the ball held in the town hall there on Friday evening.

Don Scholey who has been spending a fortnight's vacation with his parents here has resumed his duties at Mars Hill.

Willard Bruce, manager of the local branch of the B.N.S., here received notice of transfer last week to Fredericton, N.S. Patrons of the Bank have endeavored to have the transfer recalled, and are hoping that the head office will deem it wise to leave Mr. Bruce as efficient manager here.

The members of Centre Lodge I.O.O.F., have a cordial invitation from their brothers of Brunswick Lodge, Florenceville, to pay them a fraternal visit on Wednesday evening, March 5, and exemplify the second degree.

The young Ladies Club were entertained on Friday evening by the Misses Dorothy and Phyllis Clark at their home here. Had Peeping Tom been abroad he would have thought that the merry party was composed of those nasty boys. A burlesque marriage was arranged and carried out for the pleasure of those present. The girls do give great credit for their daring initiative, especially at this time when good men are scarce. We haven't heard of any arrests having been made among the masqueraders. Terrible Topsy and Sinful Sam both swore they'd never be taken alive.

Shepherd Burt spent the weekend at Millinocket, with his son David who is working there in the employ of the Great Northern Pulp and Paper Co.

Mr. and Mrs. M. A. Burt of Bridgewater, were guests on Sunday of Mr. and Mrs. S. W. Burt.

The death of Miss Beatrice Graham, daughter of Mr. and Mrs. Thomas Graham of Royalton, occurred on Thursday following an illness of typhoid fever. Interment was made in the family lot in the Baptist cemetery at Tracey Mills. Rev. W. J. Hurlow officiating. The sympathy of a wide circle of friends is extended to the bereaved relatives.

The United Farmers held a meeting of the shareholders in the Opera House on Saturday evening.

New Wallpapers

There will be no better time than now for the selection of your Spring Wallpapers, the range is larger now, and I am sure you will be pleased with the line we are showing. The patterns are neat and attractive, and best of all they are new—something different than what has been shown in former years. The entire line is ready trimmed, this feature is greatly appreciated as it saves a lot of labor. (We control this feature for this vicinity.)

We hope to have the pleasure of showing our line to you.
