## MEMORIAL.

*To the Honorable the Legislature, for the Province of Ontario in Parliament Assembled.*

THE MEMORIAL OF THE COUNCIL OF THE COUNTY OF WELLAND, IN COUNCIL ASSEMBLED, HUMBLY SHEWETH :

Whereas the County of Welland have established an Industrial Home for the care and support of their deserving poor ;

And whereas the Anatomy Act and amendments thereto would seem to indicate that the bodies of the persons being inmates of the Industrial Home at the time of their death should be delivered to an officer appointed under said act ;

And whereas to dispise of said bodies in the manner contemplated by the said act would have the effect of exciting a strong prejudice against that Institution in the minds of the indigent class, and tend to defeat the charitable purposes for which it was established ;

Your Memorialists therefore humbly pray that such further amendments to the said act may be made as will leave the disposal

of the bodies entirely in the hands of the particular county or counties interested.

And your Memorialists as in duty bound will ever pray.

## REPORT OF JAIL COMMITTEE.

*To the Warden and Councillors of the County of Welland, in Council Assembled—*

Your Jail Committee, to whom was referred the matter of meeting the Water-works Committee of the Town of Welland, for the purpose of trying to make arrangements in the taking of water from said Town, beg to report as follows :

Your Committee met the said Water-works Committee, and the following offer was made by them :

That the County do pay to the Town of Welland the sum of \$65 per year for the use of water for all purposes that they may require, in consideration that the County do not charge the Town more than \$10 yearly for use of lockup; the above water rates to continue for five years ;

Your Committee beg to recommend the consideration of the above offer by your honorable body.

## REPORT OF JAIL COMMITTEE.

*To the Warden and Councillors of the County of Welland, in Council Assembled—*

We, your Jail Committee, beg leave to submit this their report :

At a meeting of your Committee held on the 8th of April an examination of the roof of the Jail was made, when it was found to be in a very bad condition ;

Your Committee gave instruction to Mr. McMurray to repair the roof of the South wing, which work has been done at a cost of \$101.78 ; the balance of the work on the roof has been deferred for your consideration.

Your Committee submit herewith a plan for bath-room and water closets for use in Jail.

The necessity of a bath-room is apparent, and your Committee would recommend that the work of putting in the bath be proceeded with at once, provided satisfactory arrangements can be made with the Town of Welland for the supply of water.

The Sanitary condition of the Jail would be very much improved by having the closets put in also, but your committee cannot recommend the work to be done at the present time.

All of which is respectfully submitted.

WELLAND JAIL, June 21, 1891.

I visited this Jail on the 21st January, when it contained 51 prisoners, all males.

The general condition of the building was very satisfactory, the

beds and bedding, corridors, etc., were clean and tidy, and the dietary and discipline are observed in accordance with the Jail regulations.

Now that the Court House and the Jailer's residences are supplied with water from the Town Water-works, it is desirable that the Jail should be supplied from the same source for general purposes.

A bath-room is very much needed, and there is a small room over the Turnkey's room which could be fitted up for this purpose very well; water-closets could also be placed at the end of the corridors on the male and female sides of the Jail. If the water service were introduced these improvements would make the Jail very complete.

#### REPORT OF SPECIAL COMMITTEE *RE* DISPOSAL OF BODIES.

*The Warden and Council of Welland*

Your Committee to whom was referred the question of the disposal of the bodies of persons dying at the Industrial Home beg leave to report as follows:

That they have examined the Anatomy Act and amendments thereto, and beg leave to state their opinion that if the bodies of the persons being inmates of the Industrial Home at the time of

their death were disposed of in the manner contemplated by the said Act, it would have the effect of exciting a strong prejudice against that institution in the minds of the indigent class, and tend to defeat the charitable purposes for which it was established ;

Your Committee therefore recommend that the Warden and Clerk be instructed to memorialize the Ontario Legislative Assembly to amend the act in such a way as to exempt the said Institution and those of other counties from its operations, and that the Clerk do communicate a copy of this memorial to other Councils interested, asking their co-operation to the same.

REPORT OF SPECIAL COMMITTEE *RE* MARSH LANDS  
ACCOUNTS.

*To the Warden and Councillors of the County of Welland, in Council  
Assembled—*

Your Committee having examined the books in connection with Marsh Lands Accounts since 1873, beg leave to report as follows :

That in accordance with the instructions contained in a resolution passed on the 31st day of January, 1891, the County Clerk presented the statement annexed, marked A, B and C.

As statement C was manifestly incomplete, your committee were unable to ascertain whether the amount of money shown as having been received had been actually paid over to the Treasurer, the column in the statement for that purpose being left blank in most cases even where the money had been paid.

We have accordingly prepared three Schedules of account from the Day Book and Ledger, and carefully checked the same with the cash account and Auditors' reports for the several years.

Schedule No. 1 contains in the first column the amounts paid in in cash on Marsh Land account for the several years 1873 to 1890 inclusive, and in the second column such of the amounts as appear from the Auditors' Reports to have been paid to the Treasurer. The sums checked with red appear both in the Day Book and Ledger, those not so checked in the Ledger only, and the various amounts charged to Mr. D'Everardo are so noted in the margin.

Schedule No. 2 is a summary of amounts acknowledged to have been paid and which were necessary to close up the different accounts, but which do not appear from the Auditors' reports to have found their way into the County Treasury, and which represent a total apparent deficiency of \$5,959.27.

Schedule No. 3 is a statement of accounts still outstanding in the Marsh Land Ledger, from which it would appear that in the purchase by J. C. Page of Lot 3, Con. 4, Wainfleet, with interest

charged to Oct. 1st, 1884, being a total of \$295 on that date, has not been paid.

An account current with D. D'Everardo, balance due on County Dec. 24th, 1874, \$748.84.

Balance outstanding on D. D'Everardo's Bond account on July 5th, 1875, \$2,789.98.

Balance outstanding on Henry and John Aikens and Edward Henderson's joint note, per acct. rendered Nov. 1st, 1886, being amount then due to discharge William Hurst mortgage, \$68.97.

Amount outstanding on Geo. J. Duncan mortgage (interest charged to March 25th, 1885), \$71.05.

Amount outstanding on Albert E. Hilts mortgage on Nov. 1st, 1890, \$71.75.

We have found some Printer's errors in the Auditors' reports contained in the printed minutes upon comparing them with the originals, the only one of special importance being that Edward Lee is credited on Jan. 16th, 1883, with having paid \$1200 when the amount should have been \$200.

Your Committee are of the opinion that the Marsh Lands books should have been audited from year to year, and we regard it as being very unfortunate that they were not so audited, since in that event these deficiencies could not have passed undiscovered.

There appears to have been no regular method pursued in the keeping of the books, entries appearing in the Ledger which cannot be found in the Day Book, and as a consequence we were in some cases unable to compare credits in mortgage accounts with their corresponding debits. We have checked over a number of the largest closed mortgage accounts, and all so checked have been found correct.

Your Committee are of the opinion that the amounts noted as charged to D. D'Everardo should have been collected at the time

instead of being charged, and that some negligence has been shown in this particular.

The small figures to the right of column 2 in Schedule 1 indicate the year of Audit where such does not correspond with date of payment.

Some entries in Treasurer's accounts are credited as payments by J. C. Page, but to note all would interfere with the clearness of account, and we did not think it necessary to add to the length of this report by stating time several amounts were held over.

The payment by the Government of \$1225 in 1884 does not appear in this Audit, but the Treasurer got the money and has it credited in contingent account. We have examined contingent account all through the several years, but find no other credits therein which could possibly be Marsh Land monies. The present audit is one of cash or apparently cash payments, only no notice being taken of cross entries, etc., or even transfers of Debits from one account to another. The report is much reduced from the original draft, but we think contains all necessary information, and is substantially a correct statement of the Defalcation which must apparently have been carried on from year to year to the loss of the County. The original notes, etc., of your Auditors are open to the inspection of the Council.

All of which is respectfully submitted.

REPORT OF STANDING COMMITTEE *RE* NIAGARA  
FALLS ACCOUNTS.

*To the Warden and Councillors of the County of Welland, in Council  
Assembled—*

Your Standing Committee *re* Niagara Falls Accounts beg leave  
to report as follows :

On Feb. 19th your Committee met a Committee of the Town  
at Niagara Falls for the purpose of settling the account for the year  
1889. In the absence of Mr. Battle, the Warden acted as chairman  
of your committee. In accordance with your resolution of January  
last, your committee took off the item of Jailor's and Turnkey's resid-  
ences from the County account, and substituted interest thereon.  
This being the chief item in dispute, a settlement was arrived at by  
which the Town agreed to pay the County the sum of \$1,409.81 for  
the year 1889, with interest at 6% from Nov. 19th, 1890, until paid ;  
and on March 2nd the Town paid the County Treasurer the sum of  
\$1,433.73, which amount is correct. A full statement of the account  
for 1889, on which this settlement was arrived at, is hereunto an-  
nexed.

All of which is respectfully submitted.

## ACCOMMODATIONS.

In nearly all the schools the accommodations have generally been adequate, and they have been kept in a very good condition in regard to repairs and cleanliness.

During the year two new schools have been built, and improvements have been made in some others; and the schools, upon the whole, are improving in regard to school-rooms, furniture, equipments and out-door premises.

An excellent object lesson as to what the school room and its surroundings should be was afforded Trustees and Teachers by the public school at Niagara Falls South, when the last meeting of the County Teachers' Association was held, in regard to which the following resolution was adopted by the meeting: "That the thanks of this Association are due and are hereby tendered the Trustees and Teachers for the valuable object lesson their school affords to the Teachers and Trustees of the County."

## ORDER AND DISCIPLINE.

The importance of order and discipline, upon which the Teacher's efficiency and the pupil's progress in a great measure depend, can hardly be overestimated. The maintaining of proper order and discipline, however, is one of the most difficult duties the Teacher has to perform, and that young and inexperienced teachers should not in all points succeed so well as could be desired is only what might be expected. Owing to the circumstance that the school-room is, in the great majority of schools, the only place in which pupils can assemble, greater liberty is in danger of being taken in it, before or after school, or at recess, than might be considered in accordance with the best order and discipline. In the Teacher's presence at least, and that of visitors, boisterous play, whistling and noises of a

less musical character are out of place. I am glad, however, to be able to speak favorably of the order and discipline of the schools in general, and to note the respectful demeanor of the pupils.

#### STATE OF PROFICIENCY.

In regard to the state of proficiency, in our best schools it is *excellent* in the subject generally; other schools have attained to that distinction in some of the subjects, or to that *of good*; others show a middling state of proficiency; while in others there are classes in which it is *inferior*, but these are rather the exceptions.

#### REWARDS AND PUNISHMENTS.

The rewards usually employed are merit marks, merit cards, head marks, taking places in class, posting results of written examinations in the school-room, or publishing them, and prizes.

The usual punishments are standing on the floor, detention, misdemeanor marks, corporal punishment when deemed necessary, and, very rarely, suspension for a short time, or, in extreme cases, expulsion.

#### COUNTY MODEL SCHOOL.

The County Model School comprises four departments, and an additional department in a separate room for the principal during the Model School session, which lasts 15 weeks. During the last session there were 17 teachers in training, all of whom underwent an examination which was partly written and consisted partly in practical teaching before the County Board of Examiners. The results of this examination showed that the teachers in training had been under painstaking and efficient instruction, and all were deemed by the Board qualified to teach, and were accordingly awarded certificates.

#### PRIZE COMPETITION.

In addition to the prizes awarded by teachers to pupils for diligence, punctuality and good conduct, a Dominion Flag was offered for competition to all the public schools of the County by the *Empire* for the best essay on "The Patriotic Influence of Hoisting the Flag on the school-house," for which a number of the schools

competed. The successful competitor was the Chippawa Public School, by an essay which breathed a spirit that would do no discredit to the patriotism of our fathers who fought upon those plains, and upon which many of them fell; and there seems to be a peculiar fitness, in addition to the merit of having won it, in Chippawa's being the possessor of that flag.

Should your Council see its way to offering a similar prize to the schools of the County, it would contribute in a special manner to the education of the rising generation in loyalty and patriotism.

I have the honor to be, sir, your obedient servant,

[Sgd.]

JAS. H. BALL,

*County Inspector.*

THOROLD, June, 1891.

#### REPORT OF HOUSE OF INDUSTRY.

*To the Warden and Council of the County of Welland—*

Your Committee on House of Industry beg leave to submit the following report :

The number of inmates at present in the Institution is 38, and the following have left since the first of January, 1891:

Wm. Hobbins, absconded.

Geo. Overholt, absent without leave, overstayed his leave.

Harry Doyle, absconded.

E. Van Sickle, absconded, overstayed his leave.

M. Irving, absconded, overstayed his leave.

Jno. Brooks, " " " "

Five deaths have occurred during the same period.

Two of the most troublesome inmates, who have required con-

stant care and watching, have been removed to the Orillia asylum. There are two or three others who should be removed to the same or some other similar institution as soon as possible.

A woman, Sarah Allen, in an advanced state of pregnancy, was committed on the third day of March from the Town of Niagara Falls, being certified as a person duly entitled to be placed on the insane and destitute list. During her confinement it was found necessary to call in Dr. W. A. Smith to attend upon her, as there was not sufficient time to notify the regular physician.

Your Committee found a considerable quantity of tile purchased last year still unlaid, and directed the Keeper to have these put into the ground, which has been done at a total cost of about \$18.17. There yet remains a strip of ground which has been furrowed out and prepared for underdraining, but as there were no tile on hand to finish the same, and having regard to the expressed opinion of your Council in reference to further underdraining works, your Committee declined to authorize the purchase of any more tile to carry on the work.

John Ford, an inmate who absconded from the House of Industry last fall, was picked up in a nearly frozen condition near Grimsby and committed to the General and Marine Hospital at St. Catharines. An account for his care, amounting to \$28.70, was transmitted to and paid by your Committee, and he was returned to the House as soon as he was in a fit condition to be removed.

The cost of removing the inmates Clark and Ray to Orillia asylum amounted to \$40.80.

The expenditure outside of ordinary running expenses has been small, the only items worthy of mention being the purchase of a new lawn-mower, the one formerly used being entirely worn out, at a cost of \$6.50; one hand roller, \$14; post for grape vines, \$2.52; maple trees to replace those which had died, \$5, and a small quantity of plank to repair the sidewalk through Mr. Price's lot, which has proved a great convenience.

Dr. Emmett presented an account of \$46.50 for surgical instru-

ments purchased by him from J. Stevens & Co., and which he informed your Committee were needful for the use of the Institution. When this account was first presented the instruments apparently were not in the office at the House of Industry, and as they were purchased without the authority of the Committee, we beg to refer the amount to the Council for payment.

The policy for insurance on the buildings has been renewed at the reduced rate of sixty cents on the \$100, thereby effecting a saving of \$12.

Since the middle of April but one female servant has been employed, the other one having left at that time.

The total expenditure on all accounts for the five months ending 31st May appears to be as follows, in addition to the amounts already stated :

Bread .....	\$ 111 01
Meat .....	148 91

The Keeper has prepared a statement of expenditure, which, however, is incomplete, as certain accounts do not pass through his hands, and also a comparative statement, the increased cost of maintenance in 1890 over 1889, which we submit for your information. The total sum realized from stock and vegetables sold during the five months was \$245.48.

In reference to the resolution passed by the Council on the fourth day of the January session, instructing your committee to report why the cost of maintaining inmates is greater in this County than in others, your committee respectfully beg leave to be permitted to defer making such a report until they are in possession of fuller information.

All of which is respectfully submitted.

## APPENDIX D.

## COMMUNICATIONS.

FROM W. T. FISH *RE* FREDERICK RYCKMAN.

RECEIVED March 13, 1891.

*To D. J. McKinnon, Esq., Superintendent—*

I, Wm. T. Fish, Police Magistrate for the Town of Thorold, in the County of Welland, having satisfied myself upon enquiry that it is expedient for me to deal with Frederick Ryckman, of Town of Thorold, a child under the age of fourteen years, under the Industrial School Act, do therefore order the said Frederick Ryckman to be sent to the Victoria Industrial School at Mimico, in the Township of Etobicoke, in the County of York, the said School being the Industrial School Association of the City of Toronto, there to be detained for a period not exceeding thirty-six months.

I further certify that under the provisions of section 25 of the said Act, and the amendments thereto, the Municipality of the County of Welland is liable for the maintenance of the said Frederick Ryckman unless otherwise provided for.

Dated the sixth day of March, 1891.

*J. C. Page, Esq., County Clerk, Welland—*

DEAR SIR—I beg to acknowledge the receipt of an Extract from the proceedings of County Council dated January 29th, 1891, in relation to my resignation as County Solicitor, and to express to the Council my warm appreciation of the flattering manner in which I am spoken of in the Resolution accepting my resignation.

I am, however, glad to say that the resignation did not arise from ill-health, or from any inability to perform the duties of the office, as I am very grateful to be able to state.

Yours truly,

WELLAND, ONT., May 20, 1891.

*J. S. Collard, Esq., Southend, Ont—*

DEAR SIR—You received a cheque on County Treasurer dated May 13th for \$57.17, being 25% increase over amount required by law to be paid for High School by the County. I find there is no authority to pay this except for the year 1886, and all paid since has been paid illegally. I have refused payment to the other High Schools. You will kindly return the amount, \$57.17, to the County Treasurer and oblige,

Yours truly,

SOUTHEND, May 22, 1891.

*Mr. Macklem—*

DEAR SIR—Yours of the 20th to hand. With regard to the matter, the cheque was for the last half year of 1890. I have disposed of the cheque, and I think it would be better to let the matter stand until the meeting of the Council, which takes place early in June, and then, if necessary, the money can be refunded.

Very respectfully yours,

[Sgd.]

JAMES S. COLLARD.

## RE ST. CATHARINES G. &amp; M. HOSPITAL.

ST. CATHARINES, ONT., June 5, 1891.

DEAR MR. WARDEN—I beg to acknowledge the receipt of your

letter of the 4th inst., enclosing a copy of your Finance Committee's report recommending an annual grant of \$300 in aid of the St. C. G. & M. Hospital, conditional that Indigent Patients from the County of Welland be admitted thereto and treated free of charge. I will call a meeting of our Board forthwith, and lay the report before them, when I am sure they will pass the necessary resolution. I will forward a certified copy to your Clerk. In the meantime permit me to thank you and your Council not only for your generous offer, but also for the uniform kindness extended to myself and co-delegates when we had the honor to address you in your Chambers on the 3rd inst.

Yours, etc.,

DEAR SIR—I am directed by the Minister of Education to state that the following note was made by your County Auditors on one of the Audited School accounts, lately sent to this office :

“There is nothing on file in County Clerk's office checking the balance on hand at the last Audit, and so we have to make our report assuming that amount to be correct, etc.”

Will you please see that such a record is left by the Auditors of any year that their successors will not need to make a complaint of this kind in future.

TREASURER'S OFFICE, WELLAND, June 3, 1891.

*To H. G. Macklem, Esq., Warden of the County of Welland—*

SIR—I have to inform you that in consequence of failing eyesight I am no longer able to perform the duties of this office ;

I therefore with deep regret tender to you my resignation, the same to take effect immediately, or if this is not convenient in the interest of the County, at any other period in the near future.

“Now that the Court House and the Gaoler's residence are supplied with water from the Town Water Works, it is desirable that

the Gaol should be supplied from the same source for general purposes.

"A bath-room is very much needed, and there is a small room over the Turnkey's room which could be fitted up for this purpose very well; water closets could also be placed at the ends of the corridors on the male and female sides of the Gaol if the water service were introduced. These improvements would make the Gaol very complete."

*To Sir Alexander Campbell, K. C. M. G., Lieutenant-Governor of  
the Province of Ontario—*

The Memorial of the Council of the County of Welland :

HUMBLY SHEWETH—Whereas the Town of Niagara Falls, then the Town of Clifton in the County of Welland, withdrew from the jurisdiction of the said County on the first day of July, A.D. 1881, for the term of five years, and such withdrawal was confirmed by proclamation of the then Lieutenant-Governor of Ontario ;

And whereas an Arbitration was held between the said County and Town to determine the compensation to be paid by the said Town to the said County on account of such withdrawal, and an award was made which continued in force from the first day of July, 1881, to the first day of July, 1886 ;

And whereas on the 26th day of January, A.D. 1887, his honour the Lieutenant-Governor did approve of a certain order in Council made, declaring that the then existing award should cease ;

And whereas an Arbitration was held between the said Town and County, and an award made on the 21st day of March, A.D. 1887, fixing the amount to be paid by the said Town to the said County as compensation on account of said withdrawal, and providing that said award should be and continue in force from the first day of July, 1886, to the first day of July, 1891 ;

And whereas the said Council have expended, since the said last mentioned award was entered into, in the erection of residences for the officials of the County Gaol, the sum of or about the sum of five thousand dollars, under the direction of the Inspector of Gaols and Prisons for Ontario ;

And whereas the assessed value of real and personal property has greatly increased in the said Town of Niagara Falls, and the in-

crease has been much greater proportionately than in the remainder of the said County ;

Your Memorialists therefore humbly pray that you may be pleased to direct that the amount of the compensation determined in the above mentioned award, dated the twenty-first day of March, A.D. 1887, be reconsidered, and that the existing arrangement shall cease on and after the first day of July, A.D. 1891, being the termination of the five years mentioned in said award.

And your Memorialists as in duty bound will ever pray.

Passed in Council this 31st day of January, A.D. 1891.

D. McCONACHIE, APPLICATION FOR TREASURERSHIP  
AND CLERKSHIP.

*To the Warden and Municipal Council of the County of Welland—*

SIR AND GENTLEMEN—Having been assisting your Worthy County Treasurer for some time, I am aware that he, on account of an unfortunate infirmity of impaired eyesight, intends to offer his resignation of that office at your present session, and I beg leave respectfully to apply to your honorable body to be appointed to the office of County Treasurer when so made vacant.

Being also aware, from the published minutes of your proceedings in January last, that the office of County Clerk may likewise become vacant, I also respectfully make application for appointment to that office.

In this connection, however, I beg respectfully to call the attention of your Honorable Body to the important fact that in several very important counties in the province, Peterboro, Prescott, Bruce, Victoria and Waterloo, the same individual holds both of said offices, and that the incumbent is thus enabled to devote the whole of his time to the County service, thereby greatly increasing the efficiency of the work performed, while multiplying the conveniences of the County Council and the general community, and at the same time considerably reducing the expense of said offices to the County.

If these latter considerations are favorably entertained by your Honorable Body, I will accept said offices combined at and for the annual salary of nine hundred dollars (\$900).

I shall be able to furnish such reasonable security for the due performance of said positions as to your honorable body may seem meet.

I have the honor to be, sir and gentlemen, your obedient servant,

*J. C. Page, Esq., County Clerk, Welland, Ont—*

SIR—I have the honor to enclose a copy of an order in Council approved by his Excellency the Governor-General on the 10th ultimo, granting to the Municipal Council of the County of Welland, in the Province of Ontario, the tract of Ordnance land formerly occupied by the Buffalo and Brantford Railway, extending in a South-westerly direction from the West boundary of the Village of Fort Erie to Helena street, in the Township of Bertie, comprising an area of six acres and two-thirds of an acre, as shown colored yellow on the copy of the plan by Geo. Ross, P.L.S., annexed to the said Order in Council. The land so granted to be used as a public highway, and the Municipal Council of the County of Welland to execute, according to agreement, a conveyance to the Crown of the portion of Leopold Street (colored blue on plan) extending from the east side of Albert street to the west boundary of the Village of Fort Erie.

I have to request that you will be good enough to bring this matter before the notice of your Council at once, in order that the necessary conveyance to the Crown may be made, and the grant to the Municipality be fully completed.

*Certified Copy of a Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor-General in Council on the 10th Feb., 1891.*

On a Report dated 9th February, 1891, from the Minister of

the Interior, stating that in the month of April, 1889, the Memorial attached hereto was submitted by the Municipal Council of the County of Welland, in the Province of Ontario, showing that a certain tract of Ordnance land extending south-westerly from the point of junction of the Garrison Road and Lake Shore Road in the Village of Fort Erie to Helena street in the Township of Bertie, formerly occupied by the Buffalo and Brantford Railway Company, has been abandoned by the said Company and has reverted to the Crown; that the land has been occupied as a public road since the year 1873, and kept in repair by the Municipalities of Fort Erie and Bertie, and and that its use as a public road is of great benefit to the residents of the locality;

The Minister further states that the Memorialists ask that the Municipalities of Bertie and Fort Erie may be confirmed in the possession of the tract of land, to be used as a public highway, and in the event of the grant being made to them they agree to execute a conveyance to the Crown of that portion of Leopold Street extending in an Easterly direction from the east side of Albert Street to Mary Street, as shown colored blue on the copy of a plan prepared by Geo. Ross, P.L.S., dated Welland, 6th July, 1889, annexed hereto.

The Minister, taking into consideration the number of years the Municipal Council and people of the County of Welland have been in undisturbed possession of the land, and the benefits accrued and accruing to the public from the construction and use of the road, recommends that the tract of land applied for, extending in a south-westerly direction from the West boundary of the Village of Fort Erie to Helena Street in the Township of Bertie, comprising an area of six acres and two thirds of an acre, as shown colored yellow on the copy of the plan by Geo. Ross, P.L.S., hereinbefore referred to, be granted to the said Corporation in exchange for that portion of Leopold Street extending from the east side of Albert Street to the boundary of the Village of Fort Erie, with regard to the disposal of which it is proposed to allow the several parties who have already bought lots immediately fronting on Leopold Street to acquire the

SECRETARY'S BRANCH,  
OTTAWA, May 20th, 1891.

*J. C. Page, Esq., County Clerk, Welland, Ont.—*

SIR—Adverting to my letter of the 31st of March last, respecting the conveyance of the portion of Leopold street situated within the limits of the Municipality of the County of Welland to the Crown, in exchange for the portion of the Ordnance Lands formerly occupied by the main track of the Buffalo and Brantford railway, lying within the limits of the said Municipality, I am directed to inform you that before taking any further steps in this matter the title of the Municipality of the County of Welland to the tract of land proposed to be conveyed to the Crown must be investigated, and that it will probably be found necessary, since this tract now forms a portion of a public highway, that a By-Law shall be passed by the Council of the said Municipality giving authority for the closing up of the highway, and for carrying out the proposed exchange.

With a view to having the necessary investigation carried out, the matter has been placed in the hands of the Department of Justice, and it is expected that the cost of the said investigation will be borne by the Municipal Councils of Welland and Fort Erie jointly.

I am, sir, your obedient servant,

## REPORT OF GRAND JURORS.

*To His Lordship Justice Armour—*

We, the Grand Jurors of our Sovereign Lady the Queen, are pleased at the small amount of Criminal cases that have come before us at this court.

Your Grand Jurors, having examined the Jail and County buildings, beg to report to your Lordship the very good and cleanly condition in which they are kept. Here we would beg to congratulate the County Jailer, Mr. Coulson, and County Sheriff, Mr. Smith, for the general appearance of our County buildings.

Your Grand Jury would, however, recommend that water from the Town Water-Works be used in the Jail; also that closets be placed in the corridors; also a bath-room is needed, as the present condition of the bath-room renders it unfit for use.

## AUDITORS' REPORT, 1890.

---

*To the Warden and Councillors of the County of Welland—*

GENTLEMEN—

We, your Auditors for the year ending Dec. 31st, 1890, beg leave to report that we have examined the books of the County Treasurer, and compared the receipts and expenditures therein with the vouchers, and find them correct. We also enclose with this report a copy of said books and a statement of the liabilities and assets of the County for the year ending Dec. 31st, 1890, and a sheet of sundry items from contingent and committee report account, which we consider should have been classified as we have classified them in said sheet. We also enclose a statement of outstanding cheques for 1889, which were paid in 1890 and which were not shown as a liability in last audit; also a statement of outstanding cheques for 1890 which had not been presented for payment before the close of year, the total amount of which will be found among the liabilities of that year. We would also suggest a change in the system of keeping the accounts, as we find that, while there is an efficient check on the disbursements, there is not sufficient details as to some of the receipts, and in some instances the books of the County do not furnish a sufficient check on said receipts, and auditors have to look to outside sources to verify them.

All of which is respectfully submitted.

INDUSTRIAL HOME.

---

*To the Warden and Councillors of the County of Welland:—*

GENTLEMEN:—

We, your Auditors for the year 1890, beg leave to report that we have examined the books of the Industrial Home for that year, and find that they contain a correct statement of the business of that Institution for said year. The expenditure, with the exception of the sum of \$603.20 of Keeper's cash, has been paid entirely by cheques on the County Treasurer passed by the Home Committee. We have gone carefully over the Keeper's Cash Account, and find vouchers for all payments, with the exception of sundry small items amounting in all to the sum of \$17.60, a list of which we herewith enclose, and which we understand have been accepted by the Home Committee.

We enclose also a statement of the amounts paid to different parties for services rendered and material and supplies furnished the Home for that year, with a statement of the assets and liabilities of that institution Dec. 31st, 1890.

All of which is respectfully submitted.

[Sgd.] T. E. GRENVILLE, }  
[Sgd.] CHAS E. HENDERSON, } Auditors.

WELLAND, May 12th, 1891.
