

BOARD TURNS DOWN TERMINAL COMPANY

Refuses to Allow It to Lay Steam Pipes Under City Streets.

INCOME TAX PAYMENTS

Present System of Collecting Means a Big Loss, Says Finance Commissioner.

The Toronto Terminals Company sought permission yesterday from the board of control to lay steam pressure pipes from the Toronto Electric Light Company at the foot of Scott street along the Esplanade so as to furnish heat for the new Union Station. It was promptly and unanimously refused. It was explained by Mayor Church that the application had previously been made to the Toronto Hydro Commission, but that body would not guarantee to furnish steam without interruption as required by the Terminals company.

It looks like an attempt to freeze out the hydro, remarked the mayor. "If we are not satisfied with it there is nothing to hinder us from putting in our plant," said Mr. Williams. He read a letter from the manager of the local hydro, stating that it could not put in a steam plant for the benefit of the Toronto Terminals Company to supply a continuous service. Before the contract was signed they had endeavored to make arrangements with the hydro. By the time the contract expired he expected that the hydro would be able to supply the light, or after the viaduct was constructed, as it would be, and the T. E. L. plant removed. The city, moreover, might take over the T. E. L. plant.

No action was taken by the board in regard to the appointment of a fair price board under the order-in-council. The Retail Merchants Association sent in a resolution saying that they were ready to assist the authorities, but they wanted the men in touch with the retail business appointed and the order applied to other classes, including producers and professional men, so that it would not smack of class distinction and favoritism.

Property Commissioner Chisholm reported that coal was being produced in small quantities for families which had no coal.

Grant to Belgian Relief Fund of \$5000 was recommended by the board. The controllers consented to the use of vacant city lands by the vacant lots Cultivation Association next summer.

Finance Commissioner Bradshaw thinks the present way of collecting the business and income tax is causing the city considerable loss, and in a report to the controllers gave the losses thru non-collections as follows:

Table with 2 columns: Year, Amount. 1909 \$30,000, 1910 \$32,000, 1911 \$35,000, 1912 \$48,000, 1913 \$72,000, 1914 \$95,000, 1915 \$130,000, 1916 \$108,000.

Mr. Bradshaw thought that legislation should be sought so that the income tax might be levied immediately after the assessment had been made, which would mean that the tax would be collected fifteen months earlier than under the present system and the chances greatly improved of getting the money. Further consideration will be given to the commissioner's proposal.

NO TALK OF PEACE MUST INJURE LOAN

Canada Needs the Money, Even if War Ended Now.

DEMobilIZATION COST

Expenses of War Must Be Met Even to the Last Man's Return.

Subscriptions totaling \$500,000,000 are wanted for the second Victory Loan. The war is not yet over. Indeed the allies are today making greater military efforts than they ever did before. At no other time since the outbreak of war has fighting on the west front been so severe. From the Vosges to the North Sea it is a continuous line of fire. All this means a huge expenditure of money. Today the allies are spending more than ever.

EARLSCOURT HOMES OVERFLOW WITH "FLU"

Spanish influenza is taking its toll in North Earlscourt in the Fairbank district. A number of deaths having taken place the last few days. To the Rev. H. R. Young, rector of St. Hilary's, Earlscourt, said: "We are doing our best to fight the disease in this district, and are having the assistance of the Neighborhood Workers' Association in our efforts. We have an organized list of workers who are ready for all emergencies and we find a splendid spirit of cooperation in all classes of citizens. Out of fourteen homes that I visited yesterday I found but three without sickness; in some cases all the family down with the disease and no one to care for them. It is our church workers are found to be very useful."

RIVERDALE PARSONAGE TURNED INTO SOUP DEPOT

The prevailing epidemic is very severe in the district served by Rev. Dr. W. T. Graham, pastor Riverdale First Avenue Baptist Church. The parsonage has been turned into a soup kitchen, and Mrs. W. T. Graham is nursing the sick with many other women of the congregation. According to Rev. Dr. Graham the number of persons sick is so great that in many cases there is no one to attend to them.

EPIDEMIC ABATES IN MILITARY CIRCLES

Assurance was given that the influenza epidemic which has been steadily abating. This is the announcement made yesterday by Col. L. E. W. Irwin, D.S.O., director of medical services for Toronto military district. He reported that during the past 24 hours six soldiers had died in Toronto district of influenza or its complications. Four of these deaths occurred at the military base hospital.

HIGHLANDER DIES OF "FLU"

Pneumonia carried off another victim from Riverdale G.W.V.A. yesterday when Private John Cleland Brown, late of the 92nd Highlanders, died at his residence, 400 Jones ave. He had been ill only a week. His widow, Margaret, survives him. His funeral will be held at the end of the week to Prospect Cemetery. Mr. Brown was a Scotchman, and had been severely wounded at Vimy Ridge. He received his discharge last March.

SUNDAY SERVICE TO START DRIVE 30,000 People in Queen's Park Will Inaugurate Campaign. To fittingly inaugurate the 1918 Victory Loan drive a monster mass meeting will be held on Sunday afternoon in Queen's Park. This meeting is being planned on a scale commensurate with the national importance of the campaign, and combined with its uniqueness will be immensely impressive. All the troops in the Toronto garrison, including the overseas units, Royal Air Force and the active militia regiments, as well as all military bands in the city, five platforms will be provided for the speakers, who it is expected will be Sir Robert Borden, Sir Thomas White, Sir William Hearst, Hon. N. W. Rowell and Hon. T. W. McGarry. The prohibition against holding indoor meetings will enable this gathering to be conducted on a much larger scale than could otherwise be provided, and the five rostrums will allow more people to participate. Those in charge of the arrangements are making plans for a combined audience of 30,000 people. GIVES MAN LUQUOR AND THEN ROBS HIM Thomas Keenan appeared in yesterday morning's police court to answer a charge of robbing William Allen of \$135, who was under the influence of liquor which had been given him by Keenan. He pleaded guilty, and received a sentence of two years in the penitentiary. Charged with stealing \$10,000 from M. B. Tudhope, Dwight J. Turner, former secretary of the Logwood Pickling Co. and without plea or election was remanded for one week on \$10,000 bail. Charles Landigan, a former employe of the T. Eaton Co. secured admittance to the company's premises after hours and stole three club bags and several gold watches valued at \$800. He was sentenced to six months at the jail farm. Arthur Drury was charged with beating his wife. On promising to treat her well in future he was remanded for sentence. OPEN HUNTING SEASON IN THE HIGHLANDS NEAR, AND PROSPECTS GOOD. MUST NOT FAIL TO LEND MONEY

Need for Financial Strength
is at the Dawn of
Victory.

MEETING OF BANKERS
Points of Loan Campaign
Explained at Big
Gathering.

Canada's heroes have placed their country's name on such a footing and have given it such prominence among the nations of the world by their sacrifice, their initiative, their ability to smash the German line and their undaunted spirit of victory that those at home must measure up and in the coming Victory Loan campaign lend money to the limit, to the utmost, to the point where prudence ceases.

The nearer the dawn of victory the greater the need for military and financial strength in order to maintain the magnitude of the power behind the allies may absolutely stagger the enemy, and with blow on blow heavier with each repetition break the enemy morale and compel him to seek any terms he may get, glad to give in with unconditional surrender.

This was the note struck at an enthusiastic the serious meeting of the branch bank managers of Toronto when they met to hear addresses on the organization of the Victory Loan campaign and to join in a discussion of its various problems following dinner at the King Edward Hotel last evening. Those who spoke were Sir Edmund Walker, Dennison Miller, the guest of honor, who is governor of the Bank of the Commonwealth of Australia; J.G. Mitchell, chairman Toronto executive, and H. V. F. Jones, chairman of the advisory committee for Ontario.

New Circumstances.

It was one of the most interesting meetings conducted in any campaign since the war began, and there was a peculiar feeling of responsibility which seemed to prevail constantly. The war of the 1915 loan was sold in convincing sentences by Sir Edmund. Its coming was not a surprise to the bankers, nor would future loans be cause for surprise, but while they knew a year ago that Britain and her allies would win the war, the circumstances were tremendously different this year.

"We know now that victory is within our grasp," he said. "We might have had a kind of victory had we so desired ere this, but we have backing enough now, with the United States in the war, to demand unconditional surrender."

Canada had faced many great problems since the war began and had surmounted them all things that were considered impossible five years ago had been accomplished in all lines of activity. Nothing in history could ever efface the glory of Canada's volunteer army, and while Sir Edmund did not attempt a discussion of the Conscriptio Bill, he held that Canada's volunteer force had outshined all other accomplishments.

Borrowed at First.

In the beginning Great Britain placed a credit here of \$5,000,000 a month. As the war progressed, conditions changed until today Canada was lending money to Great Britain, and the situation was reversed. Sir Edmund dwelt upon technical points in regard to the questions of finance, and reminded his audience that the bankers would do much to educate the people along these lines. "But," he said, "when we say Canada must lend the money, we mean she must, and we have learned that when a Canadian is told a thing once, that is enough. The man who does not lend his money at the call of his country has no right to enjoy its privileges. The greatest danger is that of slackening at the last moment, ever increasing the crease in its scope until the actual moment of peace is secured. There must be the maximum of dynamic force."

He stated that altho bankers were asked to do the opposite to their usual practice and encourage depositors to put their savings in bonds, it was a fact that following last year's loan campaign there was now more money in the banks on deposit than there had ever been before. "This country would be no use to the banks and the banks no use to the customers if we did not win this war," he said with emphasis, "and we can only win by doing the most we can not the least. The man take \$1,000 is fooling himself. He is not prudent."

Sir Edmund spoke with sincere feeling of the bravery of the Canadians in the front trenches, and paid tribute to the Anzacs for the brilliant part they were playing, but said that the meanness, as well as the loftiest significance of the sacrifices was not the mere winning of the war, but the glorious halo about the name Canada that would attract the best immunities grants after the war to settle here. During the year Ontario had contributed \$20,000,000 to war charities, and this was but another indication of the country's patriotism.

Loans in Australia.

Mr. Miller, who was on his way to Australia after visiting England and France, said there had been seven loans in Australia, each of which had been substantially oversubscribed. There were only two things that counted, men and money, and nothing else mattered but to win the war. He said every man and woman in England was at war work, and in France the various branches of military activity were going ahead wonderfully. He told of the devastation of the battlefields and what the Germans had done in leveling cities for the sake of destruction only. "It makes one feel that it is not just the war, it is the duty that should be the pleasure of every person to subscribe to the fullest extent, and in Australia we advised them to put all the money they had into bonds and to borrow more and put that in bonds too."

Purpose of Meeting.

Mr. Mitchell explained the purpose of the meeting, said that the minister of finance expected Toronto to do better than last year, when \$78,000,000 was raised. The minimum this year is to be \$30,000,000, and this amount should be exceeded substantially. He spoke of the honor flags which would be donated by the gov-

ernor-general to every municipality that exceeded its quota.

What might appear strange advice from the assistant general manager of the Canadian Bank of Commerce was given by Mr. Jones, when he said that bank managers should encourage depositors to draw their money for Victory Bonds. He too, referred to the fact that deposits now in Canada were larger than they had ever been, and prophesied that the same would be the case after the present campaign.

Following the speeches, the meeting was thrown open for general discussion, when matters of detail were taken up, and all kinds of perplexing questions answered. A feature of the meeting was the rousing singing by Frank Oldfield, accompanied by Charles Musgrave at the piano. Mr. Oldfield was introduced as the official soloist of this and all other Victory Loan campaigns.

Among those at the head table were J. W. Mitchell, Dennison Miller, Sir Edmund Walker, E. R. Wood, G. S. Forbes, G. H. Bogart, H. H. Tudhope, C. A. Ross, D. M. Neave, D. A. Cameron, G. F. Laing, G. G. Adam, A. E. Ames, W. K. Pearce, E. P. Gower, J. H. Gundy, T. Bradshaw, J. S. Skene, H. V. F. Jones, A. E. Calvert, W. Mason, G. D. Boulton, R. H. Harvey, W. S. Hodgins, F. G. Oaler, E. J. Coombs, G. G. LeMeaurier.

EPIDEMIC REVEALS COMMUNITY SPIRIT

Postmen Render Valuable Assistance Distributing Cards.

Every request that has been made in Toronto for assistance of any kind in connection with the present emergency has been met with open arms. Evidence of this is furnished by the experience of the Rotary Club during the past few days.

At a meeting of the Rotary committee on federation for community service, held at the King Edward Hotel Tuesday afternoon, steps were considered for securing more complete information as to the number of influenza and pneumonia patients in the city, who are in need of help. It was decided to make a complete survey of the city and to this end the postmen and postal authorities were approached for co-operation. The quick response was "anything in our power." Authority to render this assistance was required from Ottawa and had been secured by 11 o'clock on Tuesday night. The Rotary Club thereupon proceeded with the printing of the necessary cards and the making of other arrangements.

Yesterday morning 10,000 cards were placed in the hands of the postmen, to be filled in on their first trip. The chief points of information asked for on these cards cover the number of adults and children in the family, how many are ill, and asking if any help is required. In many districts these cards are being filled out by the postmen; in others, they are left for collection on the following trip. This takes up a great deal of time and means much additional work for the postmen. The spirit in which they have undertaken and are doing the work is indeed highly commendable. Another 20,000 cards will be put into circulation this morning (Thursday).

Twelve Ill in One Home.

The first case reported under this system was at—Kingston road. Here there were twelve people in the house, four adults and eight children, all sick with influenza and with no one to help them. Within one hour after this information was received the Neighborhood Workers' Association, a unit of the Federation for Community Service, had delivered soup and other food to this home, made arrangements to have this done at regular intervals, and had furnished other necessary aid.

If a card is left at your home and you are in real need of help, fill it out and hand it to your postman, or give him the information direct when he calls.

On the other hand, if you are not in need, but are in a position to render assistance, telephone the Federation ofices, Main 3374 or Main 3375.

To the Thousand and One Applicants Who Have Been Refused Telco Service

Dear Sirs:---

During the last three months we have been unable to supply you with electric service.

You naturally have a feeling that you have been discriminated against, and that a Public Utility should be compelled to supply all applicants.

We are in business to serve all customers on our lines, and have spared neither money nor engineering ability to make our service superior and indispensable to you, and have provided for our customers ample reserves in power capacity. Steam and battery plants as insurance of continuity and for additional demands were provided.

On the Order of the Federal Authorities made last November, however, these carefully planned reserves have been diverted from our customers' use and placed at the disposal of our business competitor, the Hydro Electric Commission.

We have been assured that all of this 28,500 horsepower supplied under these Orders is required to supply Hydro deficiencies on munition contracts. We hope it is so used.

For the above reason we were prevented from taking any additional contracts, consequently were unable to accept your business.

CONDITIONS MIGHT INCREASE DANGERS

Opinion of Dr. Hastings
Regarding the Base
Hospital.

That the Base Hospital had been inspected more than two years ago as to its possibilities as a barracks and that the military authorities had used it for two battalions, and that the present accommodation of more than 800 patients would be conducive to greater mortality than would be the case with 400 patients in the same building, which was really capable of accommodating only 250 patients, was the expert opinion given last night by Dr. Chas. J. O. Hastings, M.O.H., at the resumed inquest over the remains of Cadet Davidson, who died there October 13 from the effects of Spanish influenza. The M.O.H. agreed with Crown Attorney Greer that the building was obsolete in structure, with a mass of faults and few virtues. He stated that the late Dr. Bruce-Smith had condemned the building, which had been abandoned by the trustees. Lieutenant-Colonel MacDonald, advocate for the military authorities, endeavored to show that the M.O.H. could have exercised control over the Base Hospital if he had so desired. "Would you interfere if you knew that the authorities were not dealing properly, say with diphtheria patients," asked Col. MacDonald. "Not unless I knew also that they were also affecting the health of the citizens of the city," replied the M.O.H. "The military hospitals are conducted under federal control and Colonel McCullough has been placed in charge of all such hospitals in this province. I have every faith in his ability."

Capt. William H. Butler, M.O. at Long Branch Camp, warmly repudiated the advice of Mayor Clough to grant the well-members of the force at the camp leave of absence during the epidemic. "In my opinion, to do so," said the witness in reply to L. F. Fairry, assistant city solicitor, "would only tend to increase the possibilities of infection. We isolate our men and all traces of an epidemic have now disappeared."

Estate Notices.

NOTICE TO CREDITORS—IN THE Estate of Thomas O'Brien, Deceased, Late of the City of Toronto, in the County of York.

TAKE notice that all parties having claims against the estate of the said deceased are required to file same with The Toronto General Trusts Corporation, 55 Bay Street, Toronto, executors of the estate of the said deceased, dated and verified by statutory declaration, on or before the thirty-first day of October, 1918, after which date the executors will proceed to distribute the assets of the said estate, having reference only to such assets as shall have been properly filed pursuant to this notice.

DATED at Toronto this second day of October, 1918.

MERCER, BRADFORD & CAMPBELL, Solicitors for Toronto General Trusts Corporation, Executors.

Both Captain Butler and Dr. Hastings expressed this opinion and also stated that they believed that camp life under proper conditions might work for the better health of the soldier.

Major Reilly, C.A.M.C., senior medical officer for the R.A.F. in military district No. 2, stated that, to date, he had sent 1500 cases to the base hospital out of a total of 1608, the remainder being sent out to various camp hospitals. There had been no differential treatment of officers as against the general treatment of the men, he said, in response to a query from the coroner, Dr. McCollum. Altogether there had been 82 deaths from Spanish influenza at the camp which held 12,000 men.

There was quite a tiff between Col. MacDonald and the mayor when the latter attempted to have an anonymous letter read out to the jury. "Do you wish to know who wrote that?" asked the mayor.

"I am speaking, sir, to the coroner," snapped out the military advocate.

It was finally decided to leave the letter alone, and to subpoena any witnesses who might be able to throw light upon its contents. The inquest was adjourned until tomorrow evening.

FUNERAL POSTPONED.

The funeral of Mrs. Harold Watson will be postponed from Friday at 2:30 to Saturday at 2:30, as W. G. Watson, father of Harold Watson, will be unable to reach Toronto from the west until Saturday.

Estate Notices.

NOTICE TO CREDITORS—IN THE Matter of the Estate of Aaron N. Young, Late of the City of Evanston, in the State of Illinois.

NOTICE is hereby given that all persons having any claims or demands against the estate of the late Aaron N. Young, who died on or about the 5th day of January, 1918, at Evanston, in the State of Illinois, are required to send on or before the 17th day of November, 1918, by prepaid post, or to deliver, to the undersigned or their Solicitors, the Administrators, with the will annexed of the said Aaron N. Young, deceased, their names and addresses, and full particulars in writing of their claims, and statements of their accounts, and the nature of the securities (if any) held by them.

And take notice that after the 17th day of November, 1918, the said Administrators will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims of which they shall then have had notice; and that the said Administrators will not be liable for the assets of the said estate, or any part thereof, so distributed, to any person of whose claims they shall not then have received notice.

Dated at Toronto, the 16th day of October, 1918.

THE ROYAL TRUST COMPANY, 59 Yonge Street, Toronto. By their Solicitors.

CROMBIE, WORRELL & GYNNNE, 76 Adelaide St. West, Toronto.

Get Your Victrola at Simpson's

Complete Variety of Models---\$34.00 to \$340.00---Sixth Floor.

Victrola Music Runs the Whole Gamut of Comedy and Tragedy, Giving Full Expression to the Whole Range of Human Emotions and Passions

The Simpson Victrola department is ideally planned to afford every advantage in seeing and hearing the wonderful Victrola. Separate, sound-proof rooms permit the playing of Victor records in an atmosphere congenial and quiet. Thus you may accurately judge the quality and volume of different models and reproductions. And depend upon it, the Victrola will play as well in your home as it plays in our department.

One of the glories of music is that the piece which stirs your imagination need by no means be familiar. Music you never heard before may hold in its blended harmonies the seeds of a new delight. Who has not at some time "discovered" a record---a discovery that brings a tingling thrill as definite and invigorating as the nip of an autumn breeze? The field of music is so vast that most musicians content themselves with one branch: the voice to the singer, to the violinist the violin; but the Victrola knows no limits.

Come and hear your favorite record played on any Victor model. Buy your Victrola through the HOME-LOVERS' CLUB if you prefer. No extra charge for the convenience of deferred payments.
