THE CANADIAN MANGLE,

—OR—

IRONING MACHINE

ENGLISH PATTERN.

For Ironing Clothes Without Heat in one-quarter of the time required by the Flat Iron. It Saves Fuel and Prevents Scorching of the Clothes and Burning the Hands.

AND IS VERY VALUABLE IN

HOTELS, LAUNDRIES, INSTITUTIONS, FAMILIES,&c.

It occupies but little more room than a Sewing Machine, and excels in rapidity of execution and perfection of work the cumbersome and laborious English Box Mangle. It is strongly constructed, having a strong and durable Frame, and very carefully prepared wooden Rolls (Metal Rolls are objectionable, by reason of their cutting the fabric). The pressure is obtained by an Elliptic Spring above the Rolls, and can be regulated at pleasure. **It gives Gloss and Brilliancy of Lustre to Linens.** Considerably more than half the week's wash can be put through the Mangle: for instance, **Bed Linens** (including blankets and quilts), **Table Linen, Stockings, and all Plain Articles,** leaving little to be done by the Flat Iron. It is not suitable for Shirts. **It gives to Laces of all kinds a Beautiful Finish.** It is a well established fact that clothes mangled are more healthy and last longer than when done by the hot Iron. **It will pay Every Family to have one of them.**

For some years past Companies have been in operation throughout Great Britain and the United States whose business it is to furnish various household commodities to their Certificate Holders at manufacturers' and importers' prices, thus saving to them large profits paid to agents and middle-men.

The Economic Direct Supply Co. (Ld.), of Toronto, has been formed, with a Head Office at Toronto, upon the same principle and with a similar object.

Certificate holders are not responsible for any debts or obligations of the Company—the entire financial responsibility resting on the directors and shareholders.

Any person, on payment of a small fee, is entitled to all the privileges and advantages offered by the Company, being furnished with a certificate, by which the Company guarantees that it will supply him in whatever quantities he may desire with pianos, organs, music, sewing machines, furniture, upholstered goods, mattresses, stoves, carpets, jewellery, silverware, rattan goods, baby carriages, tea, coffee, soap, spices, etc., at wholesale prices.

We shall be pleased to furnish full particulars to persons desiring to become members.

SWEETEST WORD ON EARTH

IS HOME.

Words by JOHN IMRIE, Toronto. Music by Prof. J. F. JOHNSTONE, Toronto.

3

The strongest love within man's breast
Is love of life and home;
Like fledglings hovering round their nest
Our thoughts encircle home;
Our years may reach farce score and ten,
And full of changes be,
Yet scenes of home will haunt us then
When life was pure and free.

4

Where love hath cast her golden spell
And kindest deeds are done,
Where loving hearts unite to dwell
'Tis heaven on earth begun;
Then cherish home with jealous care
And let not strife prevail;
Thus for our "heavenly home" prepare,
Secure within the vail.
