Yesterday afternoon Mr. and Mrs. Hiram Holmes, whose ages are 72 and 71 respectively, were visited by a number of their friends. The visit was a surprise to the old couple, and the reunion was very pleasant to all who took part in it. The friends brought valuable presents, which were given to Mr. Holmes, who will water, Gibbard and treasure them as mementoes of the occasion. Mr. and Mrs. Holmes are both remarkably hale and hearty, and Hiram himself bids fair to live to as great an age as his father, Richard Holmes.

The members of the Oddfellows Lodge will assemble in their lodge room on Sunday morning, and from thence will march to St. Paul's Church, at which the anniversary service will be held, commencing at half-past ten o'clock. The pastor will preach a sermon bearing special reference to the occasion. Following is the program of music for the service:—Opening voluntary, by Chas. D. Blake, (organ solo with trombone solo); psalm 92; anthem, Psalm 134; closing voluntary, 11th doxology (organ and trombone).

We return our sincere thanks to those of our subscribers who send their friends at a distance copies of the Reporter after they have looked it over. We are in receipt of letters nearly every week from parties who first got the paper in this way, and after perusing its columns receive the all powerful dollar to pay for a year's subscription. Friday we received a letter from a stranger, in Michigan, saying that some friend had sent him a copy of the Reporter, which he had shown to some of his neighbors, who were from Leeds Co., and conveying the pleasing information that they would forward a large club list from that town in a few days.

A series of religious meetings will be held here this week, the object of which is to interest young men and women in christian work, with special reference to missions. The first meeting will be held in the lecture room of the high school Thursday afternoon, at four o'clock. On Thursday, Friday, Saturday and Sunday evenings the meetings will be held in the Methodist Church. The meetings will be conducted by Messrs. W. J. Hall and J. E. Bolton, students of the New York medical missionary college, and Messrs. Geo. Hartwell and Omer Kilborn, students of Queen's University. All these young men are natives of this county, have attended the Farmersville high school, and are well known and popular. We predict, therefore, that the meetings will be largely attended.

The Farmersville brass band has been reorganized, under the leadership of Mr. H. Kincaid, and the following list of players:—H. Kincaid, solo Eb cornet; C. S. Slack, first Eb cornet; Sherriff Yates, Eb cornet; Harry Hillie, Eb cornet; Jas. Judson, Eb cornet; R. Middleton, Eb alto; Geo. Box, tenor; A. R. Kelson, Eb tenor; Ackland and W. The members of the band have commenced regular practice, and under Mr. Kincaid's efficient training the new hands are making rapid progress, so that in a short time we may expect a public appearance of the new organization. Mr. Kincaid deserves great praise for his efforts in reorganizing the band, as well as for his painstaking and skillful efforts to bring it to a state of efficiency. Experience has shown him to be especially fitted by education and inclination, for the task he is engaged in. Success to the band and its plucky leader.

As illustrating the benefits to be derived from judicious advertising, we mention the fact that a Farmersville property owner who experienced difficulty in securing a tenant for a vacant house, advertised in the Reporter. Immediately after the advertisement appeared he began to receive applications, and in a few days was able to select a good tenant from among the applicants. Another case in point is that of W. L. Maley, Brockville, who spares not printer's ink in making known the fact that he will give away the annual directory for the year, if he is opposed to having his name made public through the agency of the press, is careful not to advertise the fact that he too will give away a valuable article. An advertisement of the kind we have yet to learn of any boom in his business.

### OUR ORDER.

Addressed to the Brothers of the Newly Organized Delta Lodge, I. O. O. F.

BY BRO. GRAVE'S BLACK.

Hail! brethren of the true and mystic tie, whose bonds are stronger than the steel, and whose hearts are united in a common bond. We greet you in the name of the Father, the Son, and the Holy Ghost, and in the name of our glorious Mother, the Goddess of Liberty. We greet you in the name of the Goddess of Liberty, who has given us the right to live as we please, and to follow our own path. We greet you in the name of the Goddess of Liberty, who has given us the right to live as we please, and to follow our own path.

Let Friendship, Love and Truth forever sway; And every petty wrong forget away. And every petty wrong forget away.

By ye as follows: love the worthiest; love the noble; love the kind; love the true; love the just; love the brave; love the honest; love the pure; love the good; love the great; love the wise; love the just; love the brave; love the honest; love the pure; love the good; love the great; love the wise.

And thus we bought to us a spotless name. Of it has cheered one on a rugged path;— We shall do deeds which shall stand out. This is in true Oddfellowship we have an earnest business with a shoddy award.

By ye as children of one household band; Draw close together in the shade of our shield. We shall do deeds which shall stand out. This is in true Oddfellowship we have an earnest business with a shoddy award.

At the close of the evening, we were here no one, but ye were not far, but one, from the best of us. And suffering is erased when love is won.

A St. Lawrence county correspondent writes of the second marriage of a man who is the father of nine children, on the Saturday following the Monday on which his first wife died. The bride is only 17 years of age.—Waterbury Times.

### STANDARD TROTTER STALLION.

Lovers of horse flesh in Farmersville have greatly admired the standard-bred trotting horse, Star, behind which its driver, W. Riley, takes daily spins through our streets. Star is a beautiful animal, and attracts much attention wherever seen.

By breeding and record, this horse is a trotter. His ancestry are among the famous trotters of the continent. Star (2347), was sired by Mambrino Pilot (20) from dam Gipsy, both being from celebrated stock. Pilot's coils have wonderful records for speed. Star's dam was Lady Fashion, sired by the noted Black Hawk. Lady Fashion was dam of Walker Jones (2344), Chestnut Hill, Jr. (2314) and George B (2343). Star's official time is 2:30; but he has covered the measured mile in 2:25, and repeated it, and has even made 2:23. His mile record is 1:3, and he has trotted a quarter at a 2:10 gait. Last fall he trotted over the Farmersville track which was very heavy at the time, in 2:30. Mr. Irwin, of Ogdensburg, drove him, and in holding title lines in fact, doing so that he could have made it in 2:25. Mr. Irwin says that if Star had proper training this summer he could trot in 2:20, or better. Mr. N. W. Brown, one of the best drivers in the United States, says Star is a fine horse and if he could not drive him in 2:25, or better, he would eat him raw.

In color Star is black, with two white hind ankles. He stands 15.3 for action and is a very powerful animal. His legs and feet, and his method of using them, are simply perfection, his step being very firm and elastic, and speed being made with almost apparent effort. Altogether, he is a magnificent specimen of horse flesh, and his owner, Mr. J. B. Hill, is to be congratulated upon possessing so fine a looking beast.

Star was bred at the Rydick farm, which fact in itself should be a sufficient guarantee of excellence. With reference to this farm, the Ogdensburg Journal, of the 13th inst., publishes the following:—

Star is a black horse, and has been awarded the \$5000 carriage given at New York city last week for the best horse in the state, and receiving the largest amount of money for any horse in the state, owned by one person.
