Wolfville Tennis Players

Reach Final Round in Provincial Tournament

The Nova Scotia Tennis Tournament came to a close at New Glasgow on Wednesday. The Wolfville players made a fine showing and reached the semi-finals in two events and the finals in one. R. W. Tufts lost to A. C. Wiswell in the semi-finals of the Men's singles. Wiswell won in the finals but afterwards lost to W. N. Rice, last year's champion.

In the Men's Doubles both Wolfville teams, Dr. deWitt and R. W. Tufts and A. Chute and O'Brien, reached the semi-finals where they came together. DeWitt and Tufts won the match and lost in the finals to J. W. Allen and W. Kirkpatrick, of Halifax, who in turn lost to last year's champions, E. Foster and J. Butler, of Bedford.

The matches in which the Wolfville players took part since Thursday resulted as follows:

Friday's Play

Dr. deWitt and R. Tufts defeated A. K. Voight and E. N. Kent, North Sydney, 6-3, 6-4.

A. Chute and F. G. O'Brien defeated B. Reid and H. Dawson, Truro, 6-2, 6-2.

R. W. Tufts and Mrs. R. F. Fay defeated R. F. Ferguson and Miss G. Bryce, Truro, 6-2, 6-1.

Saturday's Play

R. W. Tufts defeated A. McCurdy, New Glasgow, 6-3, 6-3.

A. C. Wiswell, Halifax, defeated R. W. Tufts, 6-3, 6-4.

A. Chute and F. G. O'Brien defeated E. P. Wainwright and John Dwyer, South End (Halifax), 0-6, 6-4, 6-4.

A. Chute and F. G. O'Brien defeated W. N. and B. R. Rice, North Sydney, 0-6, 8-6, 6-3.

Dr. deWitt and R. W. Tufts defeated A. M. Dimock and R. H. Gass, Alexandria, 6-3, 6-2.

Jas. Butler and Miss Smith, Bedford, defeated R. W. Tufts and Mrs. Fay, 10-8, 6-4.

W. N. Rice and Miss N. Wilkins, North Sydney, defeated Dr. deWitt and Miss Keirstead, 6-3, 6-2.

E. Foster and Miss M. Roy, Bedford, defeated A. Chute and Miss Chute, 6-3, 6-2.

Mrs. J. W. Allen and Miss Dora Davison, Waegwatic (Halifax) defeated Miss M. Chute and Miss F. Keirstead, 6-0, 6-3.

Monday's Play

Dr. deWitt and R. W. Tufts defeated A. Chute and F. G. O'Brien, 6-1, 6-1, (Semi-finals).

Tuesday's Play

J. W. Allen and W. Kirkpatrick, South End, defeated Dr. deWitt and R. W. Tufts, 6-3, 3-6, 4-6, 6-4, 6-2 (Finals)

DEATH AT MELANSON

The death of Edward J. Stevens took place at his late home at Melanson last Saturday afternoon, after an illness of about two months. Early in July the deceased underwent a serious operation at Westwood Hospital and since then little hope of his recovering was entertained. His splendid constitution strongly resisted the invasion of disease and although those waiting upon him have daily expected his passing it was only after weeks of suffering that the end finally came.

Mr. Stevens was a native of New Brunswick and came here to reside about thirteen years ago. He married a daughter of the late Albert Martin and settled on the old homestead where he has since resided. By a former marriage he had five sons, one of whom, Dr. Stevens, died here a few years ago, and another, Miner, resides at home.

The deceased was a good citizen and made many warm friends in the community, where he was ever ready to lend a helping hand when needed. He was a good husband and father and will be greatly missed from the home and community.

The funeral was held on Tuesday afternoon, when friends and neighbors gathered to pay the last token of respect to one universally held in high esteem. The service at the home was conducted by Rev. Dr. Bennett, of Gaspereau, who spoke in high terms of the deceased and gave very practical truths to those assembled. An appropriate vocal selection was well rendered by Mr. John Gertride. Beautiful and numerous were the floral offerings which bespoke the high regard felt for the deceased and sorrowing family. Members of St. George's Lodge, A. F. and A. M., of which the deceased was a popular and faithful member, attended and assisted in the service at the home and conducted the exercises at the grave. The interment was in the Gaspereau cemetery.

The ACADIAN extends sincere sympathy.

Mr. H. A. Welton, of Port Williams, has recently purchased a new Ford Touring Car.

Women's Institutes

Held Enjoyable Picnic at Experimental Station

The members of the Grand Pre Women's Institute with their husbands and invited friends held their annual picnic at the Government Experimental Farm, Kentville, on Tuesday, the 16th inst. Invitations had been sent a few days before to the other Institutes of the county to join Grand Pre at the Farm. Port Williams, Gaspereau, Sheffield Mills, Lakeville and Habitant sent a good representation. The day was ideal for a picnic. At 1 p.m. the company surrounded the tables and did justice to the great variety and abundance of good things spread thereon, having first voiced their thanksgiving to the Giver of all good things.

After luncheon the gathering was called to order and Miss Stuart, of Grand Pre was appointed chairman. Miss MacDougall, of Truro, Supt. of Women's Institutes for Nova Scotia was present and held the close attention of all as she outlined the work in Canada and Great Britain of the Women's Institutes. She referred to the recent school of instruction at the Agricultural College, Truro, where young women from different parts of the province were in session for ten days. Classes were held under competent instructors in dress-making, millinery, cooking and other branches essential to the up-building of ideal homes. The profit and the enjoyment derived from the course were far in excess of the moderate expense entailed.

Miss MacDougall read extracts from a lengthy communication received from the Supt. of Education in connection with the resolutions passed by the Convention of Women's Institutes in session at Truro the first week in July. This communication will be forwarded to each Institute and will be discussed at the September meetings. The Superintendent of Education expressed his appreciation of the interest manifested by the Women's Institutes in the educational welfare of the young people of the province, and assured them that their co-operation would at all times be welcomed.

Prof. Blair also addressed the gathering and gave the Institutes a hearty welcome and a cordial invitation to come again. He paid a high tribute to the work accomplished by the Women's Institute since its organization in Canada, eight years ago. It has held true to its motto "For Home and Country", and Canada and Canadian homes are already profiting by its influence.

Votes of thanks were enthusiastically passed and presented to Miss MacDougall and Prof. Blair, to both of whom was due in no small measure the success of the picnic.

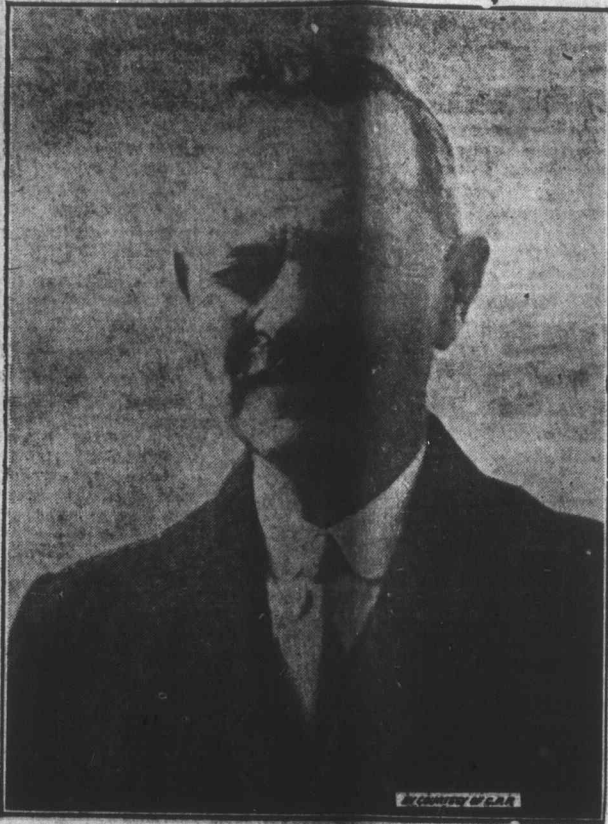

Then followed a discussion as to the advisability of forming either a County or District Union of Institutes. It was finally decided to appoint a committee to meet at some central point in the near future and confer as to the boundaries and other matters incident to the proposed District Union. Miss Stuart, Grand Pre, was named as Convener, Mrs. A. H. Patterson, Hortonville, Secretary. The other members of the committee are Mrs. Roche, Lakeville; Mrs. Avery, Habitant; Mrs. Geo. Starr, Port Williams; Mrs. D. Ellis, Sheffield Mills; Mrs. Clifford Coldwell, Gaspereau. Canning, Medford, Berwick, and Cambridge were not represented. The Secretary was instructed to ask these Institutes to each appoint a member on this Committee.

The remainder of the afternoon was spent in visiting different points of interest on the Farm. All present felt that the day had been well spent, and all will look forward in pleasant anticipation to a larger Re-union in 1922.

HARRIET SHEEHY WALLACE

An aged lady resident of Wolfville, Mrs. Harriet Sheehy Wallace, passed away at her home on Gaspereau avenue, on Wednesday morning, aged eighty-six years and nine months. The deceased was a native of Hants county but had lived in Wolfville for many years. She was a highly esteemed lady and her genial personality made for her many friends. She had been in failing health for some time but was possessed of remarkable mental and physical activity for a woman of her years. Two daughters, Mrs. Gibson, of New York, and Miss Edith Sheehy, of Portland, Maine, survive their mother who has enjoyed their most tender care. Mrs. Gibson and Miss Sheehy have spent the most of the summer here and left recently but returned on Tuesday evening. She is also survived by two sons, Leonard and William. The funeral will take place this afternoon from her late home at 2 o'clock.

From a southern paper we learn that Mrs. John O. Rust, formerly vice-principal of Acadia Ladies' Seminary, will become dean of women at Bess Tift College at the opening of the fall term. —Maritime Baptist.

Lord Byng of Vimy, taken on board S.S. "Empress of France" en route to Canada.

From Correspondents

GRAND PRE AND HORTONVILLE

Mrs. Frank E. Fuller is visiting at Glace Bay, C. B.

Mr. Ralph B. Woodman left last week for Boston, Mass.

Mrs. O. T. McNeil and family, of Millville, are visiting here guests of her parents, Mr. and Mrs. S. W. Rodgeson.

Mrs. Guy P. Fuller is spending a few days at Harbordville.

The Women's Institute held their annual picnic at Kentville on Tuesday.

Mr. and Mrs. G. W. Whitman, Mrs. W. A. and Miss Edith Woodman left on Monday for a motor trip to Yarmouth and around the South Shore.

Mr. and Mrs. R. E. Thurber and family left on Wednesday for the west.

Mrs. Harry J. Hogan, of Windsor, is visiting at the home of her mother, Mrs. O. Hardacker.

NORTH GRAND PRE NOTES

Miss Elizabeth Palmer left on Wednesday for Saskatchewan.

Mr. and Mrs. James Allen and Mr. and Mrs. Gordon Allen and family motored through to Harmony, Queens Co., last week.

Mrs. Joseph Allen, of Hantsport, is visiting at her old home here.

Mr. Frank Slade, of Montreal, has been spending a few days with his family at Evangeline Beach.

Mr. John Palmer, of Kentville, spent Thursday of last week visiting his friends here.

GASPEREAU ITEMS

Mrs. Elias Coldwell and daughter, Miss Ruth Coldwell, of Boston, are visiting Mr. and Mrs. Andrew Westcott.

Mr. Burpee Coldwell, of Halifax, spent the week-end with his parents, Mr. and Mrs. J. Andrew Coldwell.

Mr. and Mrs. Percy Turner, of New Minas, spent Sunday at the home of Mrs. Turner's parents.

We are very sorry to report Mrs. Mary Coldwell, Mrs. Mary Gertride and Vera Duncanson on the sick list.

Mrs. Clifford M. Coldwell has returned home after spending a few days with her parents at Brighton.

The Sunday School held their annual picnic at Oak Island, on Thursday, August 18th.

A memorial service will be held in memory of Rev. M. P. Freeman at the Baptist church Sunday evening, August 21st, at 7.30 o'clock. Rev. Freeman was pastor for some time here and during his pastorate he married and baptised a goodly number, all of whom are cordially invited to be present.

Mr. Frank H. Beattie has sold his property at Lower Wolfville to Rev. Horace L. Kinsman. This is a property at one time owned by Capt. Edgar Harris, who owned the whole property back to the next street south, and lived at the corner, now the property of Dr. I. B. Oakes. Mr. Harris built the new house now purchased by Rev. Mr. Kinsman and moved there, setting out the young orchard surrounding it. The property later was purchased by Rev. Frank Beattie, father of the late owner.

The Boys' Camp

Through the kindness of Mr. Edson Graham a representative of THE ACADIAN had the pleasure on Wednesday of visiting the new camp at Lake Sumpster where the Boy Scouts are now having their regular summer outing.

Wednesday was "Visitors' Day" and a goodly number of visitors were present from Wolfville and other sections of the county. Most of these were parents or friends of the boys, and they must have been well pleased with the environment in which the boys were spending their holiday. There were about sixty boys at the lake and Scoutmaster and Mrs. Brown are doing everything in their power to make the outing a pleasant and profitable one. While the greater number of these boys come from Wolfville and vicinity, Kentville, Port Williams, Canning, Waterville and other sections are also represented.

The commodious new club-house furnished ample accommodation as a reading-room and place of amusement during the evenings and in stormy weather, while a number of good tents provide sleeping room for the campers. A visit to these is most interesting, indicating as it does the well-kept condition that prevails. Each bears its appropriate name and the tasty decorations indicate that the occupants are not wanting in artistic taste.

An innovation has this year been made by the employment of an experienced cook to direct the culinary department, and the new cook-house affords many advantages along this line.

The sports on Wednesday were well contested and most interesting, including swimming, boating, canoeing, water baseball and other sports. There is a good equipment of boats and canoes and the boys get besides other useful instruction an opportunity to learn how to use these.

Wednesday was one of the best days of the season and the drive out and back was most delightful. The camp at Sumpster Lake is an ideal one and visitors were high in their praise of its location and the manner in which it is being conducted.

Wolfville is certainly to be congratulated in having such a recreation place for the young people and such patriotic and faithful citizens as Mr. and Mrs. Brown, in charge.

UNITED SERVICES

Beginning next Sunday and continuing during the ensuing two months the Methodist and Presbyterian congregations of Wolfville will unite in their services.

For the next few weeks these will be conducted by Rev. Mr. Hemmeon, while the Presbyterian minister is taking his summer holidays, and on Rev. Mr. Miller's return he will take charge while Rev. Mr. Hemmeon takes his holidays. The morning service will be held in St. Andrew's church and in the evening the service will be held in the Methodist church. The weekly prayer service will be held during the time of the union in the Presbyterian church. The same arrangement existed a few years ago with satisfaction to all concerned and it is hoped and expected that still greater success may follow the present operation. A union of forces ought to meet greater interest and efficiency.

Kentville Defeats Wolfville

In Valley League Cricket Match by Close Score

The cricket match last Saturday afternoon on Porter's field between Kentville and Wolfville resulted in a win for the visitors by the close score of 39 to 31. The local team was weakened by the absence of some of the players and luck was against them all through the game. Kentville went to bat first and were retired for 39 runs. Baulsd and Schurman went to bat first for Wolfville, but before the former had a chance to score he was caught out by Murphy who made a marvellous one-handed catch. Schurman was run out after making four runs and Robinson and Mason were both caught out. When four wickets had fallen Wolfville's score was only 10 and their chances of winning looked small. Spittal and Cox however made a strong stand and brought the score up to 27. The score stood 31 for six wickets and the hopes of the team ran high. The last four men were however unable to add to the score. The scoring was as follows:

Kentville			
	R.	W.	O.
A. Beauchamp, c West, b Spittal	1		
J. Miller, c K. Mason, b Spittal	2		
Doll, b Robinson	3		
Murphy, c K. Mason, b Spittal	4		
Walker, c Kenney, b Spittal	5		
Holland, lb.w., b Spittal	5		
Vereker, b Spittal	4		
Fosberry, b Spittal	6		
A. Clark, c and b Robinson	2		
V. Beauchamp, c and b Robinson	5		
Robinson	5		
K. Brown, not out	1		
Extras	1		

Fall of the wicket: 1 for 1, 2 for 5, 3 for 10, 4 for 10, 5 for 20, 6 for 21, 7 for 26, 8 for 31, 9 for 37, 10 for 39.

Bowling Analysis			
	R.	W.	O.

ST. ANDREW'S HEARS FORMER PASTOR

The morning service at St. Andrew's church last Sunday was of especial interest to the congregation, being conducted by a former highly esteemed minister, Rev. P. M. MacDonald, now of Toronto. Before beginning his sermon, which was an exceedingly interesting and helpful one, Rev. Mr. MacDonald made reference to the pleasure which he experienced in being able to again occupy the pulpit of the church which had been his first pastorate. In a reminiscent mood he referred to the pleasant days spent in Wolfville and the many friends he had made here. He congratulated the congregation on their handsome church edifice and evidences of growth. From the text Isa. 32:2, he gave a most practical address, in which he held that while the reference of the sacred writer was primarily to Jesus Christ, his statement was also a prophecy of the time to come when any man would seek to become as "a rock in a weary land"—a help and source of strength to his fellow man. The rendition of a beautiful vocal solo by Mrs. J. W. Smith and an artistically given violin solo by Mrs. (Dr.) Thompson added much to the enjoyment of those present. In the evening Rev. Mr. MacDonald gave another highly appreciated sermon. The attendance at both services was good.

Acadia Villa reports an unusually busy week. Two personally conducted parties of one of twenty-six and one of twenty-five arrived on Tuesday and Wednesday respectively and with other guests taxed the accommodation of the house. Tomorrow another party of twenty New York people are expected.

The members of Orpheus Lodge, No. 92, I. O. O. F. are requested to meet at the Lodge room at 2.30 P. M. on Sunday, Aug. 21st, for the purpose of holding a Memorial ceremony. Floral emblems will be put on the graves of all brothers. Rev. F. J. Amitege, of Windsor, will be present and conduct the ceremony.

Acadian Pilgrimage

Three Hundred Acadians Visited Grand Pre Yesterday

The Acadian pilgrimage to Grand Pre yesterday was unfortunately attended with most unfavorable weather conditions. Rain fell in torrents when the three hundred members of Acadian National Congress assembled to take possession officially of the grounds where once stood the church where their ancestors were assembled on that fatal day of their deportation.

The pilgrims gathered around the statue of Evangeline and kneeling blessed the ground of their ancestors. Their national hymn, "Ave Maris Stella", was then sung and in the name of the Acadian race the president of the congress, Hon. Dr. D. V. Landry, took possession of the ground and the gathering undertook the engagement of building thereon a memorial church which will cost in the neighborhood of fifteen thousand dollars. After an eloquent address by Rev. A. D. Cormier a subscription was immediately started to cover the cost of erection.

Mr. Graham, manager of the D.A.R., addressed the assembled company and explained the project of the company to embellish the ground.

Dr. Landry who followed in English with equal fluency assured the English speaking people of the Acadians' desire to live on happy terms and pleaded for fraternal co-operation in their effort to re-establish themselves and confidently predicting that in the course of a generation or two the two peoples will have come united in brotherly love. The meeting dispersed by singing "God Save the King".

Among local people present was Mr. J. F. Herbin, of Wolfville, who naturally was deeply interested.

HYMENEAL

BISHOP-DEWOLFE

A quiet wedding was solemnized on Tuesday afternoon at the home of Dr. and Mrs. H. T. DeWolfe, when their eldest daughter, Helen, was united in marriage to Raleigh Arnold Bishop, son of Rev. and Mrs. Geo. Bishop. The room was tastefully decorated with goldenrod and ferns and the bridal couple stood beneath an arch of golden rods. Only the bride and groom were present.

The ceremony was performed by Dr. H. T. DeWolfe, assisted by Rev. Geo. Bishop. The bride, who was most charming in a gown of white silk with the conventional veil and orange blossoms, was given in marriage by her uncle, Rev. H. E. DeWolfe, of Hantsport. Little Miss Helen Perry acted as flower girl and Max DeWolfe as ring bearer. The wedding march was played by Mr. W. B. Eaton.

At the close of the ceremony dainty refreshments were served. The bride was the recipient of many useful and costly gifts as well as telegrams bearing the best wishes of friends at a distance. The happy couple left by motor for a two weeks' stay at Scott's Bay, after which they will make their home at New Haven, Conn., where Mr. Bishop will continue his studies for the Ph.D. degree, and act as instructor in the Chemical Laboratory at Yale University. THE ACADIAN extends best wishes to Mr. and Mrs. Bishop.

ANGUS-DAILEY

At Kentville, Tuesday, August 2nd, at four thirty p.m., by Rev. A. R. Donahoe, Mary V. Dailey, of Boston, and D. Burton Angus, of Wolfville were united in marriage. The bride who was supported by Miss Alice Farrell, of Kentville, was attired in navy and grey Canton Crepe with hat to match and navy dolman. The groom was supported by Lyle Salter, of Kentville, who served overseas in the same battery as the groom. After visiting Annapolis Valley and Halifax, they will reside at Berwick, where Mr. Angus will be Principal of the school.

FORMER WOLFVILLE MAN DIED IN CALGARY

News has been received of the death at Calgary, Alberta, on August 10th, of Israel Allison Blair, a former resident of Wolfville, aged 87 years. The deceased was a native of Onslow and was a brother of the late Col. W. M. Blair, who represented Colchester in the House of Commons. His nephew, Prof. W. Saxby Blair, is at present in charge of the Dominion Experimental Fruit Station at Kentville.

Mr. Blair graduated at Acadia University in the class of '63 and subsequently was a teacher in Horton Collegiate Academy for some time. Many years ago he went to the Canadian West, where he continued all his life to take an active part in educational affairs. He is survived by his widow, and two daughters residing in the United States. Mrs. Blair, who resides in Wolfville, is a daughter of the late Edwin DeWolfe, of this place, and a lady held in high esteem by numerous acquaintances and friends.

W. C. T. U. Notes

Women's Christian Temperance Union first organized in 1874.

AIM—The protection of the home, the abolition of the liquor traffic and the triumph of Christ's Golden Rule in custom and in law.

MOTTO—For God and Home and Native Land.

BADGE—A knot of White Ribbon. WATCHWORD—Agitate, educate, organize.

Let us not judge one another any more, but judge this rather, that no man put a stumbling block or an occasion to fall in his brother's way. RM. 14 : 81.

THE SONG THAT KILLED DRINK

When one is in America, all that is meant by "Prohibition" comes home for no amount of expectation had been adequate preparation for the magnitude of the change. The testimony of its success is almost unanimous. Among those who can and do thus testify are the teachers who report that the children are better fed, dressed and cared for, and that many of them who had worn that indescribable but heart-breaking expression born of home fear and family cruelty, had now happy faces, and the power to anticipate and accept joy, which is the birthright of every child.

"And who was it that worked the miracle?" I asked.

"The children," was the reply. "They sang in Prohibition. Years ago some schools in California started a jingling tune to a song against drink. It caught on, was pressed to the front mainly by earnest women, and the exigencies of the war finished the task."—The Teachers' World.

RENT COLLECTIONS EASIER

Morris Abrams, agent and collector of rents for various tenement properties in Rivington, Sherry and other New York East Side streets, has an enlightening story to tell.

"Prohibition has completely revolutionized my business," said Mr. Abrams. "Rent collecting in the territory I cover used to be the toughest job in New York. It was a continual battle, and you either had to have a heart of stone or go out of business. Life used to be one dispossess notice after another and I guess some of our evictions left the tenants in pretty tough circumstances, with their furniture on the side walk and no place to go. I don't think it is an exaggeration to say that 95 per cent. of these evictions could be traced to drink.

"By late December an eviction became a rare event, and last Christmas saw the most prosperous one I ever saw on the East Side. One month of air-tight Federal prohibition has removed all the old difficulties from my business."

Mail Contract

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 16th September next for the conveyance of His Majesty's Mails, six times per week, between

CAMBRIDGE STATION P. O. and KINSMAN'S CORNER P. O.

under a proposed contract for four years dating from the 1st January next.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of Cambridge Station, Lakeville, Kinsman's Corner and at the office of the undersigned.

W. E. MACLELLAN, Acting District Superintendent, DISTRICT SUPERINTENDENT'S OFFICE, Halifax, August 2, 1921.

ENGLISH AND CONTINENTAL FRUIT CROP CONDITIONS

The following report has just been received from the Canadian Fruit Trade Commissioner in Great Britain:

The rainfall during the month of June and up to the time of writing, has been practically nil, this constituting practically the longest period of unbroken drought in the history of the apple industry.

Black Currants: Much below the average.

Raspberries: A poor crop all over the country. A quarter crop in some districts.

Strawberries: Now over. The late fruits failed to swell and the picking season came to an abrupt finish on account of the drought.

Plums and Pears: A failure generally. Cherries: Variable-good in some districts and below average in others.

Apples: Apples are being severely thinned by the drought. In most cases an average amount of fruit gives promise of holding on, but it will be below the average in size. Worcester, Hereford, Gloucester and western counties report average crops. Kent reports "Average but fruit dropping owing to drought".

Sweden: Apple bloom was abundant, but some frost damage. The long drought has caused a heavy drop and the crop will be somewhat below medium. Medium crop of plums and pears. Fairly heavy imports expected from Tyrol and lesser quantities from Holland.

Denmark: Small apple crop expected. Prospects should be good for trans-Atlantic apples, as the crop is small in Tyrol and medium in Switzerland, two important sources of supply.

Norway: Apple crop will be short. Norway, also, depends greatly on Tyrol and Switzerland.

France: Apple crop will be short, especially for best quality fruit.

Belgium: Good crop of apples. Fruit falling heavily on account of drought. Belgium practically bars boxed apples with prohibitive duty of 100 francs per 100 kilos on apples packed in cases of 20 kilos net (about 45lb) or less. Duty on apples packed in barrels is only 5 francs per 100 kilos.

Holland: Good crop of apples. Little likelihood of demand for trans-Atlantic apples before January 1922.

When Timothy said: "Take a little wine for thy stomach's sake," he did not mean bootleg whiskey. This will be news to a number of men who thought they were obeying Divine injunction.

Sweat and the world sweats with you; shiver and you shiver alone.

HANGS ON HIS TEETH UNTIL BOMB EXPLODES.

Bonette, Great Aerial Artist Has Something New in Thrills for St. John Exhibition.

How would you like to go up, straight up, nearly one mile in the air, hanging by your teeth alone to a trapeze, suspended from a balloon by a vicious-looking bomb?

How would you like to have that bomb explode with an ear-splitting roar and be cut suddenly loose from the sustaining balloon?

How would you like to take your chances on the parachute concealed in that bomb opening its wings in the smoke-bellied air, in time to check your descent to the waiting earth?

Too many thrills all at once, you say. But you will see all these and more at the big, free, out-door show at the St. John Exhibition which opens its doors September 3, only a few weeks hence.

Bonette Brothers, great aerial artists, will perform daily this daring feat which surpasses any aeroplane act ever seen. Also at the Exhibition will be the educated Baboon family, the Malia-Barte troupe of comedy artists, high-wire walkers and trick bicycle riders—a real circus within an Exhibition.

Industrial and Live Stock exhibits promise to surpass all previous records at this fair. Excursion rates are again in force on all railways and the general interest in the Exhibition is evidence that St. John is to see a great influx of visitors.

A resident of Wolfville who is keenly alert to the best interests of the community made a valuable suggestion to THE ACADIAN the other day, which might, we believe, be adopted with benefit to the town. This was that the handling of all farm produce should be left to one concern, which in addition would look after the sole supply of milk and cream. He believes that there is enough demand here for this commodity to make the handling of it at the narrowest possible margin a profitable undertaking, and claims that he has assurance that such an arrangement could be made without difficulty. With an establishment properly equipped with refrigerators and other necessary appliances the supply of all necessary products of the farm could be assured at all times and would be a great convenience and comfort to the housewife and those who are now often at their wits ends to secure the necessary requirements.

SIMPLE METHOD FINDING TROUBLE WHILE ON THE ROAD

Many Motorists Can Easily Repair Troubles Once They Find Them

There is nothing more annoying to the average automobile owner than motor trouble along the road, and while this can be prevented in most cases by careful and systematic inspection before starting on a trip there are certain minor difficulties that are apt to occur no matter how careful the motor is looked over. If a motor refuses to start after operating in the proper manner for a considerable time the difficulty is usually one of minor importance that can be located quickly by a systematic investigation. Many motorists immediately start to change the carburetor adjustment when trouble occurs but this should not be done until the following points have been checked over and it is determined that the carburetor is really at fault.

First make sure the gasoline is reaching the carburetor float chamber and that it is pure gasoline and not water and rust that fill that member. Open a drain cock under the spray nozzle, or detach the gasoline coupling at the float chamber to allow any water or sediment that may have collected at those points to drain off. If the engine is not provided with a priming device make sure that gasoline reaches the cylinders by injecting some through a priming cock or the opening obtained by removing the spark plug.

Next make sure that a spark occurs by detaching the secondary wire or high tension cable from the spark plug terminal and hold it about one-eighth or one-quarter inch away from some metal part of the motor while it is cranked. Watch for a spark to jump the gap as the motor is turned over then try the compression of each cylinder by using the emergency hand crank instead of the starter, turning off the ignition switch and opening the throttle wide. A decided resistance to cranking should be felt in each cylinder as the piston reaches its compression point. If the gas reaches the cylinders and the compression is good and the spark takes place at the right time there is no reason why the engine should not start easily unless conditions are extremely unfavorable such as a very cold motor.

If the motor starts but refuses to keep running the trouble may be caused by: wrong manipulation of the carburetor dash control and failure of the choke valve to return to its own position. Partial obstruction in the fuel supply line which permits the gasoline to feed through but not in sufficiently large quantities to keep the engine running after it has started. Water or dirt in the supply pipe or carburetor. Dirt or water in the vacuum tank outlet. Sticking intake valve. Loose ground connection or poorly made connection at the battery. Loose terminals anywhere.

If the motor will start, keeps running but runs irregularly because it misses explosions in certain cylinders at all speeds look for the following defective conditions: Dirty or carbonized spark plugs, cracked spark plug insulator or improperly set gap at the plug points. Short circuit spark plug wires which can be detected by listening for the crackle of a jumping high-tension spark or visually by running the engine in the dark. Wires interchanged on two or more spark plugs. Inlet or exhaust valves sticking in guides or held open by lack of proper tappet clearance. Trying to run with the motor very cold or using low-grade gasoline. A leak in the cylinder-head gasket.

If the motor does not run properly at high speed the following faults may be suspected: Spark not far enough advanced spark plugs in poor condition such as badly

carbonized or with excessively large gaps. Weak valve operating plungers and valve stems which reduce effect lift. Shortage of gasoline. Ignition contact breaker gap too small or too wide. Pitted or burnt ignition points. Muffler passages stopped up or constricted by carbon and oil deposits. Leak in cylinder head gasket. Dragging emergency brake.

If after the motor is started it will run at high speed but will not run regularly at low or idling speed it may be because: The motor may be too cold. There may be an air leak which permits diluting the mixture through a porous inlet manifold gasket, through poor packing at the flange joints, or around loose inlet valve guides. The valves may not be seating tightly enough or may be held clear of seat by particles of dirt. Badly worn piston rings which permit gas leakage. Spark gap between spark plug points too narrow. Spark too far advanced or timer stuck in advanced position. Gasoline leaking in through the suction connection of the vacuum tank. Throttle shutter may not close properly on account of the stop screw being regulated so the butterfly valve cannot close. In some forms of carburetor such as those of the compound nozzle type in which the idling jet is controlled by the throttle shutter, the valve may be turned the wrong way so it does not close positively and also so it does not control the idling jet. Weak or broken exhaust valve springs which permit the exhaust valves to open under suction.

If the fuel consumption is excessive it may be due to: A poorly lubricated or overheating motor which does not turn over as freely as it should. Dragging brakes. Spark not sufficiently advanced. Carburetor improperly adjusted such as having jets to give maximum power and acceleration at a sacrifice of economy. Poor setting of dash control regulating air supply to the carburetor. Motor clogged with carbon deposit. Insufficiently inflated pneumatic tires. Wheel bearings adjusted too tightly.

Fashions are naturally regulated by trade conditions. Nearly all garments are worn longer in dull times than in prosperous ones.

A local cynic says their age is about the only thing women attempt to conceal these days.—Kingston Standard.

PROVINCIAL ADVERTISING

The Province of Ontario is conducting a paid advertising campaign in the press of the province as a means of bringing home to its people the importance of conserving its forests by checking the huge annual loss through fire—usually caused by carelessness. The campaign should be successful—as the advertisements are strikingly effective. The Nova Scotia provincial government might well consider the advisability of conducting its propaganda work on a similar business-like footing. At present, every newspaper publisher is swamped every week with a flood of articles on soil conservation, tree planting, weeds eradication, poultry and live stock, and what-not, which he is expected to publish free-gratis, pro bono publico, and all that sort of thing. Little of this free publicity stuff (which must keep an army of clerks and typewriters busy night and day in the preparing) reaches the public, however, as the self-respecting publisher rightly takes the stand that if the government wishes it published in the public interests, it should be willing to pay for the services just as it pays the clerks for the services they render—and just as the people pay the government servants for whatever they do. The publisher who tries to conduct a paper entirely for the good of his health nowadays soon discovers that his health is getting poor—and it isn't being done any more.

Minard's Liniment for Dandruff.

MOTORS AND GOOD ROADS

Good roads mean money in the pocket of every automobile owner. They mean comfort to the body of every automobile rider. Efficiency and economy of operation pay large and certain dividends on every dollar invested in highway improvements. As these improvements are extended even the man who neither drives nor rides on the open highway will take his profit from improved transportation of farm products and more rapid and economical communications in business and industry.—Chicago Tribune.

The dispatches announce that the prices are rising in South Africa, and that now a man has to pay as high as four cows for the ordinary sort of a wife that he used to buy for four spearheads. The luxury tax has probably struck that country, also.

Don't attempt the things you can't do—and some of the things you can.

Agents and Service Station for **Studebaker & Overland Cars**

You Save Every Way—

Quality maintains economy. No matter how much you pay "per gallon" for other lubricating oils you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

MORE mileage from every gallon of fuel and quart of oil; uninterrupted service from your car; slower depreciation; fewer repair bills and no lubrication trouble, just about sums up the savings and satisfaction enjoyed by users of Imperial Polarine Motor Oils.

The uniform high quality of Imperial Polarine Motor Oils, wherever you buy them, insures you more miles of correct motor lubrication for your dollar than you can obtain in any other way. Quality *does* maintain economy.

Our Chart of Recommendations shows the grade of Imperial Polarine Oils required to correctly lubricate your car. Use this grade exclusively and you will get the years of service and satisfaction which you have a right to expect from your car.

Consult our Chart at your dealer's or write to 56 Church Street, Toronto, for a copy of "Automotive Lubrication," which contains the complete Chart and other useful information.

IMPERIAL OIL LIMITED
Branches in all Cities

FOR A CLEAN EFFICIENT MOTOR.

Not even Imperial Polarine Motor Oils will lubricate properly if mixed with grit and dirt. Your crank-case should be thoroughly cleaned every thousand miles or less. Dealers displaying the sign to the left will clean your crank-case in an expert and workman-like manner. Such dealers use Imperial Flushing Oil, the modern scientific cleansing agent. Employ crank-case service regularly and you will save hundreds of dollars every year.

Acadia Automobile Agency

WOLFVILLE, N. S.

THE ACADIAN

(Established 1883)

Published at Wolfville, N. S., every Friday by

DAVIDSON BROS., Printers and Publishers

Members of the Canadian Weekly Newspaper Association.

Subscription Rates—In British Empire, in advance, \$2.00 per year. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

Editorial Notes

There is no excuse for that nasty gully in the west sidewalk on Gaspereau avenue below Summer street. No heavy rain falls have occurred during the entire season since early in the Spring and if the sidewalk had been put in good condition it would easily have remained so. In any case no such place should be allowed to continue to the annoyance and discomfort of pedestrians.

Citizens are naturally wondering why it is that when an alarm of fire requires to be sounded—as was the case last Friday morning—the old fire-bell had to be again used. Several moons ago the new siren-whistle, after long delay, was received and tests were made both of its efficiency and the nerve endurance of the public. The new alarm cost considerable money and ought to be put to use. Is there any good reason why this necessary work has not been attended to? Will somebody please rise and explain.

NEW CHURCH EDIFICE

The Methodists and Presbyterians of Woodville and vicinity are erecting a handsome church edifice at that place which is now well under construction. The new building will contain all the modern church needs and will be lighted by electricity, and a handsome structure. It occupies a splendid position at what is sometimes known as Kinsman's Corner and when completed will be a decided credit to the united congregation which will occupy it.

The Wolfville cricket team went to Windsor yesterday for a league match. On account of the disagreeable state of the weather Captains Mason and Anslow decided at first that the game would be postponed but some of the players were so anxious to have the game that it was decided to accede to their request. Wolfville went to bat first and were retired for 56 runs. By that time it was raining hard and the field was so wet that when Windsor went to bat the Wolfville bowlers could not handle the slippery ball. The fielders were also at a great disadvantage on account of the wet ground. Windsor scored 58 for two wickets and the game was then discontinued. It was too bad that the match was played as the Wolfville team could have made a much better showing under more favorable weather conditions.

According to one estimate, the Provinces west of Ontario will have 80 members as a result of the new Census instead of 57. Ontario would have 78 instead of 82, and Quebec and the Atlantic Provinces 92; thus divided the representation into three almost equal parts.

A DELIGHTFUL RECITAL

A most delightful complimentary musical recital was given last evening in Alumnae Hall by Mr. Louis Bennett, who is conducting a Summer School here. The program was a generous one and included a wide range of selections from eminent composers, and was heartily enjoyed by those who had the privilege of being present. Mr. Bennett has a wonderful baritone voice and has evidently devoted much time under the best possible conditions to its cultivation. It is a voice that once heard is not soon forgotten, and captivated the audience. Mrs. Bennett, who assisted in the program, is evidently no less an artist than her husband judged by the exquisite accompaniments presented. At the close of the program the guests were given an opportunity of meeting Mr. and Mrs. Bennett, and were charmed by the cordial greeting extended to them. THE ACADIAN is very glad to be able to announce that it is the intention of our visitors to return to Wolfville next summer.

WATER NOTICE

Owing to the unusually dry season, the water in the Town reservoir is beginning to lower. It is time, therefore, to practise economy and conserve our water supply until the Autumn rains come.

From this date, the use of **HOSE** in connection with the Town Water System, for any purpose whatever, and also any wasting of water through **leaky fixtures**, and otherwise, is strictly prohibited.

By order,
R. W. FORD,
Town Clerk.
Wolfville, N. S., Aug. 19, 1921.

THE BEAUTIES OF WOLFVILLE

To the Editor of THE ACADIAN.

Dear Sir:—When one wants to enjoy the scenery of this beautiful valley, one has to drop the motor car and adopt a horse—the slower the better—to get time to absorb all the charming bits of scenery between Windsor and Kentville. Proceeding in equine method from this place to Kentville lately, I was more than charmed with the country west of the Gaspereau river—especially the splendid avenue that forms the front street of Wolfville. The fine residences and stalwart trees with their abundant foliage are things to remember, but an anti-climax was reached at Mud Creek. There I stopped, got out and examined the locality, as it puzzled me I made bold to ask a man working close at hand, what the idea was in preserving the pond. He replied:—

"I guess it was to give a chance to the geese, but they come down take a look at it, and go back. Some say the City Council have changed their plans and now intend to have a swimming pool there."

I then ventured to ask him what the big culvert was for? Was it to let the water out?

He said, "I don't know."

"Was it to let it in?"

"I don't know."

"Who knows?" "Nobody will let on, because the Council was bound to spend money and that was as good a place as any to put it."

Turning to the right-hand, I observed it gave travellers a poor impression of the town to collect a pile of rubbish in so conspicuous a place.

"Oh!" said my informant, "That is all right. The Council is going to start a goat farm there. Their feed—the broken bottles and tin cans are being piled up there,—and as I resumed my drive, I left him choking with suppressed laughter."

W. L. T.

Windsor, Aug. 9th, 1921.

The man who does not advertise because his grandfather did not, ought to wear knee breeches and queue.

Items Of Local Interest

The unusual phenomena of a lunar rainbow was witnessed by those who were fortunate enough to be out at about 10 o'clock last evening.

Mr. F. K. Neary, of Acadia, is in charge of the devotional exercises at the Boy Scout camp this year, and Mr. Maxwell, also of Acadia, will conduct a service at the camp on Sunday.

A. Milne Fraser, the well known Typewriter dealer of Halifax, expects to be in Wolfville, Thursday afternoon, Aug. 25th. Anyone requiring a new or secondhand Typewriter should leave word at this office and Mr. Fraser will call upon them.

The steamer "Prince Albert", which has been off the basin route for a second time this summer in consequence of an accident, made her regular trip last Saturday, repairs having been affected. It is hoped that the service may now be continued through the season without further interruption.

Residents in Grand Pre, Sheffield Mills, and Coldbrook are, if reports which reach us are to be relied on, likely to suffer from a curtailment of their existing facilities. The D. A. R. has decided to run the stations at the places named without the telephones which have been such a convenience to the public.

Mr. R. W. Ford, who some weeks ago was appointed to the position of Town Clerk, assumed the duties of that office this week. His long connection with town affairs through his position as principal of our public schools qualifies him well for the performance of the duties of the office. THE ACADIAN wishes for him a successful and pleasant tenure of office.

The well at the reservoir has been fitted up temporarily with a pump and gasoline engine which has been in operation all the week. The supply of water of excellent quality is holding out splendidly and our failing system is greatly augmented thereby. Citizens, however, should heed the admonition of the authorities and make every reasonable economy of the use of water.

Mr. Louis Bennett, baritone; Mrs. W. H. Thompson, violinist; and Mrs. Louis Bennett, accompanist; have been invited to give a concert at the Sanatorium in Kentville, and are going over on Tuesday evening when they will give a recital in the Recreation Hall. Tuesday afternoon Mr. Bennett sang for half an hour at the Infirmary for the benefit of those who are unable to go to the other Hall.

Mr. E. Haverstock, of Lower Wolfville, met with quite a bad accident on Wednesday. He was going in the hay loft when the ladder broke and he was thrown to the ground, his head connecting with the hub of a wagon wheel which was nearby rendering him unconscious. When moving him it was found that his right leg was injured. Dr. Elliott was immediately called and after examination decided that the injury to the head was not serious and the leg though not broken was quite badly strained, and it is likely that Mr. Haverstock will be confined to his house for some time.

Mr. W. J. Hamilton, of Fort William, Ontario, who was attending the Odd Fellows Convention at Halifax last week, came to Wolfville, in company with Mrs. Hamilton, on Friday morning and spent a short time in Wolfville. Mr. Hamilton, who is the official head of the Grand Lodge of Ontario, did service overseas with the Canadian Army and later with the Imperial Forces, and was decorated by both French and Belgian governments. At Wolfville Mr. and Mrs. Hamilton were met by Mr. D. G. Whidden, who showed them the attractive features in and around our town. The visitors expressed themselves as highly pleased.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

The annual picnic of the Sunday School of St. Andrew's church will be held at Evangeline Beach on Tuesday of next week.

The Girl Guides will go to camp at Sumpter Lake next week in charge of Mr. and Mrs. E. Percy Brown and Mrs. Cohoon. It is to be hoped they may be favored with good weather.

Dr. and Mrs. W. T. Stackhouse, of Wolfville, announce the engagement of their daughter, Margaret Bars, to Capt. Ronald McNeil Keirstead, son of Dr. E. M. and Mrs. Keirstead, of Toronto.

A special meeting will be held at the Opera House on Sunday evening at 8 o'clock. Speaker: Rev. H. F. Laflamme, of New York. Proceeds of offering to G.W. V.A. Memorial. Special music is being provided. Everybody welcome.

On Sunday evening next, a memorial service for the late Rev. M. P. Freeman will be held at the Tabernacle, at 7.15 o'clock. The speakers will be Rev. Dr. Gates, Rev. R. F. Dixon and Rev. H. F. Laflamme. Rev. Mr. Freeman was a very warm friend of the Tabernacle and such a service as is proposed is most fitting and should be largely attended.

NOT THE MAN

A ripple of excitement was occasioned on Tuesday when it was learned that a young man suspected as being responsible for the murder of the little McAuley girl at St. John, N. B., had been arrested at Berwick by Policeman Crowell, who brought him to Wolfville where he was lodged in the lock-up. The officer first located the man at Avonport and learned subsequently that he had passed through Wolfville in an auto and was seen at Kentville and Berwick. Mr. Crowell took the train for Berwick and brought back the suspect with him. The man was lodged in jail where he was detained until yesterday his photograph having been sent to St. John for identification purposes. Yesterday morning a telegram was received from the Chief of Police at St. John saying that the man held here was not the party wanted, and he was given his release and a ticket back to Berwick.

Monday was a busy day in Scout circles, the boys going on that day to their summer camp at Sumpter Lake. The appeal made by Scoutmaster Brown for the use of automobiles and teams to carry the boys to their destination was promptly responded to and Capt. John Pratt, Messrs. Edson Graham, J. D. Sherwood, G. K. Prescott, Donald Johnson, H. W. Phinney, Robert Stirling and L. E. Shaw gave the free use of their cars, while Vincent Schofield proceeded with Mr. Brown's double team heavily loaded with provisions.

Four types of German war vessels—submarine, destroyer, cruiser and Dreadnought—were used in a test made by the American Air Service. They were sunk by bombs from aeroplanes at an altitude of from 1,200 to 4,000 feet. "Here," it is said, "was a ship which required years to build, and cost \$40,000,000, and was sent to the bottom of the sea by six bombs carried by machines costing less than \$25,000 apiece."

The man who does not advertise because somebody said it did not pay, ought not to believe that the world is round because the ancients said it was flat.

NEW GOVERNOR-GENERAL'S ARRIVAL IN CANADA.

Reading from left to right—taken on board S. S. "Empress of France" Lady Byng. His Excellency Lord Byng, G.C.B., G.C.M.G. Commander E. Cook, R.N.R. Captain The Honourable W. D. H. Jolliffe, A.D.C. Mr. Niel McLean, Labor M.P. for Glasgow. The Honourable Captain F. W. Erskine, A.D.C.

PORT WILLIAMS NEWS

Mr and Mrs. Nicholls and family, from Mass., are visiting Mrs. Nicholls' sister, Mrs. S. L. Gates.
Donald Ellis and Blanche Regan have successfully passed their Tenth Grade examinations. There are yet three others to hear from this school.
Miss Marguerite Holding, who has been visiting her brother, H. R. Holding, Mgr. Royal Bank, left last Monday (8th inst.) to visit friends in Truro and Oxford.
The community was saddened this morning (Tuesday 16th), by the tragic death of little Frank Fraser, 3 year old son of Mr. and Mrs. Roy Fraser. The little fellow was with an older brother of 5 years riding on a sloven load of sand when in some unaccountable way he lost his balance, fell off between the wheels, the back wheel passing over his head causing almost instant death. The sympathy of all is extended to the bereaved parents, in this their great sorrow.
School opens on Monday next, August 22nd. The teachers for the coming year are: Miss Josephine Edmonds, for the advanced department, and Miss J. M. Coleman, for the primary department. Both teachers come highly recommended.
Mr. and Mrs. L. S. Thompson have returned after two weeks vacation in Halifax and Windsor. Mr. Thompson has charge of the men's "ready to wear" clothing department at Geo. A. Chase's.
Miss Alice Lockwood, of Halifax, has been visiting her mother, Mrs. Margaret Lockwood, and sisters.
J. W. Harvey and family are spending a few weeks at Hall's Harbour.
Billy Sunday wants the Kaiser tried, convicted and permitted to drink nothing but Belgian tears. Would not a more adequate punishment be to compel the ex-Kaiser to memorize a couple of Mr. Sunday's sermons.

The most dangerous part of an automobile is usually the driver.

NOTICE

All persons having legal demands against the estate of Frederick H. Christie, late of Wolfville, in the County of Kings, painter, deceased, are requested to render same, duly attested, within twelve months from the date hereof; and all persons indebted to said estate are requested to make immediate payment to the undersigned.

CHRISTINA CHRISTIE,
Administratrix.

Letters of administration granted by the Court of Probate at Kentville, August 8, 1921.
Dated at Wolfville, County of Kings, August 8, 1921.

WORK NOT LOAFING

"The best system of revitalisation is evidenced by the appreciation of the American people that the time has come for everybody to get to work. It seems to be conclusively agreed that the time for luxury and loafing is past, and if we expect to continue as the nation leader, it is absolutely essential that we get to work, and work as long hours and just as hard during these hours as some nations who have already set us the example. From now on the business men will not be the only one exceeding the 8-hour schedule. Work means production. Production means wealth. Accumulations are always decreased after a period of loafing."

This is the message for the hour as given to the New York Commercial by a leading business man. It is directed particularly to the people of the United States, but it applies with corresponding force and clarity to our own conditions.

Do unto the printed matter of others as you would have them do to yours.

Storrs of Jerusalem

[Editor's Note.—The following article from the New York Times will be read with interest by our readers. General Storrs is the son of the Very Reverend Dean Storrs, of Rochester, England, who was born in Cornwallis; grandson of Reverend Rural Dean Storrs, for 35 years rector of Cornwallis; and nephew of Mr. R. W. Storrs, of Wolfville.]

One of the several picturesque figures brought into world view on the eastern shores of the Mediterranean during the war was Ronald Storrs. He was "Brigadier General Storrs" during the latter months of his service as Military Governor of Jerusalem. But with the coming of formal peace, he doffed both his military title and khaki and continued uninterruptedly his constructive service as Governor—the first Governor, since the deliverance of the Holy Land by Lord Allenby, of what has been appropriately called the "City of Cities".

Storrs was a highest honor man in his day in Cambridge, and, serving under a succession of pro-consuls in Egypt and the Near East, including Cromer and Kitchenner, he came to know intimately all sections of the Oriental public. He spoke not only all the European languages in wide use, but also Arabic and Turkish, had the English scholar's acquaintance with Greek and Latin and was found in the Governorate in Jerusalem one morning composing a greeting in Hebrew to the Jewish community on one of their festival days. His accomplishments as a musician and his appreciation of other arts give him other avenues of appeal to his variegated constituency. He is one of the few Englishmen to have honorary membership in the American Phi Beta Kappa Society.

At a public reception in his honor in London, upon his return to England on a brief furlough, Lord Northcliffe summarized his unique service as follows:

"It is easy to see that among the two-and-seventy jarring sects" which inhabit the Holy Places any new Governor must be regarded with a suspicion, which rapidly matures in the minds of each section, that he is unduly prejudiced in favor of all the others. His success is a high tribute to his tact and administrative skill.

"But Mr. Storrs has done more than preserve his neutrality. While we were still at war in the summer of 1918 he formulated and began to carry out a scheme of town-planning in Jerusalem such as here in English towns had been discussed for years but had ended mainly in discussion. Town planning anywhere means a battle against vested interests, and I do not suppose that anywhere in the world there is a greater congestion of vested interests than within the dour walls of Jerusalem. With a real knowledge of Oriental art, he has stimulated the revival of many of its forms, notably in encouraging and making possible the preservation of old buildings, as when he set town-makers to work to renew the tiling of the Mosque of Omar.

"These activities, although striking in a time of universal war, are, perhaps, of minor importance. What is of permanent value is the fact that now, after two years of peace, while the world still seethes with unrest, Palestine, which more than any other country ought to be in the melting-pot, is quietly enjoying an unlooked-for prosperity. This, I think, shows the supreme importance of personality in government, as opposed to mere technical efficiency. Experts can be obtained at a price for any duty, but the man who can enter bodily into the life of a strange community, with a reciprocal sympathy and affection, is harder to find. The Govern-

nor of Jerusalem must be a man accustomed to speaking in public, and to speaking in many tongues. In Arabic he answers the Arabs, in Hebrew the Jews, the Franciscans in Italian, the Dominicans in French, the Orthodox Christians in Greek, and the Armenian community in their own tongue."

How thoroughly, intimately and effectively Mr. Storrs has entered into the life of Jerusalem this fuller statement of his policy suggests:

"Over and above the normal official activities of Government, every effort has been made to get into touch with the people, and to give them interests and recreation tending to bring them into contact with each other and with the governing race. A chess club has been founded and a school of music for both sexes, at which three or four scholarships are open to talent. A salon, or academy of painting, sculpture, textiles, architecture and town planning, will be held next Spring, and every effort is being made to develop the civilized and cultural side of the people. He has found it necessary quite early in the day, with the object of preserving intact the traditional appearance of the city, to forbid by proclamation the use of stucco and corrugated iron within the walls, as also the destruction or erection of any buildings without his permission in writing. This prohibition and other like precautions had necessitated three things: First, a technical adviser to instruct him and then to carry out his instructions; secondly, the active co-operation of the various heads of communities; and, thirdly, money.

"He has formed the Pro-Jerusalem Society, membership in which is open to all, and on whose councils sit next to one another in friendly conclave the Grand Mufti, the Orthodox and Catholic Patriarchs, the Grand Rabbi, members of Franciscan and Dominican orders, French and Italian architects, members of the Zionist Commission, and the Mayor of Jerusalem, by whom all projects having to do with the welfare of the city are discussed. The official language found to be most convenient is French, but animated asides are from time to time discharged in Arabic, Hebrew and even Armenian.

"With the money collected the weaving industry has been restarted. The famous Mosque of Omar, known by the Arabs as the Dome of the Rock, and built over the summit of Mount Moriah, was covered largely with brilliantly colored tiles, whose date extended over many centuries. Neglect by the Turks and exceptionally severe winters has damaged both towers so badly that one of the faces of the mosque is now almost deluded. An Armenian expert from Damascus has found near the mosque the original ovens, deserted and buried for centuries, in which many of the tiles must have been fired. With money from

the society those kilns have been restored, and tiles are now being made in the ancient manner. These, so soon as they reach a sufficiently high standard, will be used, with the approval of the Moslem authorities, to cover the bare spaces of the mosque. The work actually carried out by the society is of importance, but of still more importance is the innovation that round the same table, seated in a German hospice, on chairs stamped or branded with the crown and monogram of Wilhem II., can be gathered the chiefs of various and opposing sects, sinking their differences and working together for the good of Jerusalem."

Those whose faith had its cradle in this land (whether Christian, Jew or Mohammedan) must have a real satisfaction that a man of such pious heritage, rich experiences, fine instincts and broad sympathies is the Governor in its capital. It is characteristic of his attitude that when a request was made of him as Military Governor for a concession to run a street car line to Bethlehem and to the Mount of Olives, he replied that the first rail section would have to be "laid over the dead body of the Military Governor."

A SUGGESTION

To the Editor of THE ACADIAN.

Dear Sir,—Allow me to suggest to the civic fathers the wisdom of securing the two wrecks of the recent auto accidents and locating them, the one at the western entrance to the town and the other at the eastern entrance, as an object lesson to careless or reckless drivers. They would point a moral that ought to be understood and appreciated.

THE ACADIAN is week by week doing a good work in directing public attention to the dangerous use of our streets which prevail, and should have the support of citizens generally in the attempt to promote sober conditions.

ST. JOHN, N. B.

APPLE CROP WILL BE SUCCESS.

The apple crop throughout the Dominion, though seriously affected by recent drought, is still likely to average better than last year. The best reports, according to the Department of Agriculture, come from New Brunswick and Prince Edward Island where there is a heavy set for all varieties. Baldwins and Kings promise well in Nova Scotia, but in other varieties there has been a heavy drop reducing prospects to about 10 per cent. in excess of last year. In Ontario apples have suffered greatly from dry weather and a heavy drop has brought down the possible crop to some 80 per cent of that of 1920. Spies, Baldwins, McIntosh, Russets are heavy and Ben Davis light. British Columbia expects a crop some 10 per cent better than last year's.

Dead men tell no tales, but their friends do.

Personal Paragraphs

Miss Alice Stairs arrived home from Halifax on Friday last.

Capt. S. M. Beardley left Tuesday for Montreal on a business trip.

Miss Helen Starr left yesterday for Truro where she will visit friends.

Mr. and Mrs. Howard Whidden are spending a short vacation at Evangeline Beach.

Mrs. Reuben Reid, of Amherst, is visiting at the home of Mr. and Mrs. W. A. Reid.

Mr. Harry England, of Montreal, spent a few days in Wolfville this week, visiting relatives.

Miss Ada Reynolds, of Canning, is a guest at the home of Rev. and Mrs. G. W. Miller.

Mrs. Albert Craig, of Medford, Mass., was a guest over Sunday at the home of Mr. and Mrs. C. A. Patriquin.

Miss Fern Woodman has returned to Halifax where she is engaged in Vocational work at the Nova Scotia Hospital.

Dr. and Mrs. Cowie and Miss Cowie, who have been spending some weeks in Wolfville, returned to Halifax this week.

Mrs. Dyke and little daughter, of Dartmouth, who have been spending some weeks in Wolfville, returned home on Friday last.

Miss B. Rockwell is spending part of her vacation in New Glasgow where she has been taking in the Provincial Tennis Tournament.

R. W. Wright, wife and three children, of Springhill; W. L. Wright and two sons, of St. Peters, C. B.; and Clifford Wright, of Brooklyn, Annapolis county, visited their brother, C. H. Wright, this week.

Mr. and Mrs. Ephraim Hennigar, accompanied by their son and daughter, Eldon and Dorothy, and little niece Kathleen, motored through to Chester last Sunday visiting friends and relatives for a few days.

Mr. P. W. Davidson, Collector of Customs at the port of Wolfville, is enjoying a short vacation, part of which he is spending, with Mrs. Davidson, at Evangeline Beach. During his absence from the office it will be in charge of Mr. Millett, of the Kentville office.

Prof. and Mrs. Sears and family of Amherst, Mass., are spending a few weeks in Wolfville, their one time home. They are travelling in their own car and in Wolfville are staying at the College Women's residence, with Mrs. Weeks. Prof. Sears was in charge of the School of Horticulture in Wolfville a number of years ago, and he and Mrs. Sears are gladly welcomed back to town by a number of old friends.

Dr. G. B. Cutten left on Wednesday on a ten day's trip to New York and points in New England.

Mr. Frank Fraser, of Lynn, Mass., has been visiting at the home of his parents, Mr. and Mrs. Ross Fraser.

Miss Mildred Schurman left yesterday for Guysboon to resume her duties as principal of the school in that town.

The Misses Kolb, of Battle Creek, Mich., are visitors at the home of Rev. and Mrs. J. Howard Bars, Highland avenue.

Miss Ellen Hemmeon, who has been teaching during the past year in Vermont, arrived in Wolfville yesterday to spend the holidays at the home of her parents, Rev. and Mrs. Douglas B. Hemmeon. She was accompanied by her friend, Miss Nellie Swasey, of Boston, who will visit her.

Mr. Ernest Bars, who has been taking the medical course at the University of Michigan at Ann Arbor, Mich., arrived on Tuesday to spend a month's vacation at the home of his parents, Rev. and Mrs. J. Howard Bars. Mr. Bars has just completed his second year and is taking a special course during the summer.

Mr. and Mrs. W. O. Pulsifer are spending a week's vacation at Truro and vicinity.

Mrs. A. J. Mason was a visitor over Sunday with friends at Yarmouth, returning home on Wednesday.

Prof. and Mrs. Balcom and family left on Monday morning to spend a few days at Nictaux Falls, the former's old home.

Mrs. T. Gardner and two children, of Dorchester, Mass., are visiting at the home of her parents, Mr. and Mrs. Wm. Regan.

Rev. and Mrs. G. W. Miller left on Saturday last and are to spend a few weeks at different points in the province, going first to Annapolis.

Miss Frances Stearns, who for the past fortnight has been the guest of Mrs. Ephraim Hennigar, has returned to her home at Waltham, Mass.

Miss Carrie Whalen, of Everett, Mass., who is spending her holidays in Nova Scotia, was a recent guest at the home of her sister, Mrs. Ralph Shaw.

Mrs. Tira Preble MacDonald, of Auburn, Mass., is visiting in Wolfville, her old home, the guest of her sister, Mrs. (Rev.) Douglas Hemmeon.

OPERA HOUSE, Wolfville
GRAND REQUEST CONCERT

Thursday Ev'g., August 25, at 8.15 p. m.

WADSWORTH PROVANDIE

Celebrated Grand Opera Baritone

AND

MARION LINA TUFTS

Eminent Pianist

WHAT THE CRITICS SAY:

MONTREAL STAR

Beyond a doubt the laurels of the evening go to Wadsworth Provandie, for his splendid work as the King of Ethiopia, he possesses a rich powerful Baritone with unusual clear qualities. Throughout his entire performance, not a break or false register was noticeable, his presentation in emotional scenes and particularly in his scenes with Aida, was evidence of his acting, ability, and reserve force. Creator is always welcome to Montreal with such a singer as Provandie!"

TORONTO GLOBE

Unquestionably the palm goes to Wadsworth Provandie, who last night gave an admirable portrayal of Rigoletto, his robust Baritone voice is particularly suited to the character he represented.

QUEBEC CHRONICLE

Provandie's voice is a marvelous Baritone of great power and dramatic quality, and he is an actor born. He brought to his tragically pathetic character of the Hunchback superior intelligence, breadth of imagination, and great histrionic power, in addition to his splendid musicianship. Last night's audience will not soon forget his masterful singing.

THE GREAT PADEREWSKI

calls Miss Tufts his granddaughter at the piano, in recognition of her remarkable ability and artistic interpretation.

PHILLIP HALE

of the Boston Herald, states; "Miss Tufts possesses a finely trained sense of artistic judgement. Her touch is agreeable and combines beauty and eloquence in every respect. A touch that is robust and yet not harsh. A tone that is warm and luminous, and with melodies clearly defined. Hers is the individuality that appreciates the value of poise and restraint, as well as exuberance and warmth of feeling. It is this command over her emotional and intellectual forces that mark her as indeed the "pianist of today".

There are singers and there are pianists, but we say without fear of contradiction, that the above artists are positively the greatest artists that have ever visited this valley, and this is YOUR opportunity to hear them.

Prices \$1.00 and 75c. plus tax. Seats now on sale at Wolfville Opera House, Phone 20-11. Secure your seats early.
