BRIDGETOWN DEFEATS DIGBY

The Tuxis Boys Won the Debate Last Friday Evening At Digby

Bridgetown's Tuxis debaters, James Fay leader; Maurice Armstrong and Charles Longmire, accompanied by several other boys, with their parents, Mayor W. A. Warren, Rev. E. Underwood, Principal Archibald and members of the teaching staff, totalling a party of about fifty left Bridgetown via Friday's express for Digby.

After a pleasant trip, notwithstanding the disagreeable weather, they arrived at Digby in due time, where they were heartily welcomed by a committee. After walking about the town, visiting the schools and other places of interest, some located at hotels while others visited friends at private residences.

At eight o'clock all met in the Baptist church which was filled to the limit, about four hundred being present to listen to the debate.

The chairman was Rev. Wm. Driffield, rector of Trinity Parish, who, as usual, attended to the duties in a very genial and capable manner.

The Digby debaters were Kingsley Collins, leader; Alton Snow and Gordon Potter.

The subject was the same as the one debated in Bridgetown by the Middleton boys, "That a Union of the Maritime Provinces is Advisable." Digby had the affirmative and Bridgetown the negative. The judges were Rev. C. H. Balcom, of Paradise; R. E. Thurber, principal of the Bear River Academy and Mr. R. C. Sidenius, of the Y.M.C.A., Halifax, who takes a deep interest in boys' work.

The debaters held the closest attention of the audience and when the judges retired it was difficult for many who were present to name the winners.

While the judges were out, the chairman called on Mr. H. B. Hicks, Dr. M. E. Armstrong, J. T. Archibald, Capt. W. R. Longmire, F. R. Fay, Rev. E. Underwood, Mayor Warren, and others, all making appropriate remarks.

Mr. Sidenius, speaking for the judges, announced the result as follows: Bridgetown 934 points, Digby 848, Bridgetown thus winning by 86 points.

After the usual cheers Mr. A. L. Davidson, M. P. the donor of the trophy, won by the Bridgetown boys, was called on and gave a very interesting address.

Rev. Mr. Driffield announced that the meeting would close with the National Anthem and that refreshments awaited the visitors which would be served in the adjoining vestry or Sunday School Hall.

Here the ladies' committee made all enjoy themselves. Mayor Warren, of Digby, met Mayor Warren, of Bridgetown, several of the gentlemen and ladies made new friends and a very pleasant hour was the result.

The midnight train was due at 12.01 and the crowd was at the station on time.

All stations are closed at night between Yarmouth and Annapolis and no one could find out where the train was.

As the weather was cold and raw many went down to the Waverly Hotel to take advantage of the warm parlor, office, smoking and reading room, whether they had been guests at that hotel or not. The proprietor, Mr. W. J. Agate, was in St. John, but his daughter, Miss Emily Agate, studied the best interest of her patrons, the house being well filled.

Finally the railway station was opened and the majority of the visitors spent the remainder of the night in the waiting room.

The "midnight" arrived about 8.15 a. m. having been off the track about two miles east of Weymouth. She left Digby at 8.45 arriving at Bridgetown at 10.20, thus completing the first trip of the Bridgetown Tuxis boys' debaters and their friends which we are pleased to state was a successful one notwithstanding the great inconvenience caused by the lateness of the train.

The MONITOR representative does not think it necessary to refer at length to the big lobster catches, the "special lady passenger"

EXTREME MISERY DAY AND NIGHT

Follows a Breakdown of the Nervous System.

Misery day and night is the lot of hosts of men and women who are to-day the victims of weak nerves. Thin, pale, drawn-faces and dejected attitude tell a sad tale, for nervous weakness means being tortured by morbid thoughts and unaccountable fits or depression. These sufferers are painfully sensitive and easily agitated by some chance remark. Sleeplessness robs them of energy and strength; their eyes are sunken and their limbs tremble; appetite is poor and memory often fails. This nervous exhaustion is one of the most serious evils effecting men and women of to-day. The only way to bring back sound, vigorous health is to feed the starved nerves which are clamouring for better blood. This new blood can be had through the use of Dr. Williams' Pink Pills, which have a direct action on the blood, and through the blood on the nervous system. That a fair use of this medicine will bring satisfactory results is shown by the experience of Mrs. Marsh, Bass River, N. S., who says: "Following a run down condition, I became practically a nervous wreck. The doctor who was called in said the trouble was inflammation of the nerves. It grew so bad that practically I had no control of my lower limbs, and had to go about on crutches. Quite aside from my suffering I had a small family and a baby in arms to care for and I became much discouraged, as I did not appear to be growing better. One evening my husband met an aged doctor on the street and told him of my condition. He asked my husband who was attending me, and when told said: 'I don't want to interfere but why not try Dr. Williams' Pink Pills?' My husband got a supply of these pills and after taking a few boxes I was able to go about with the use of one crutch. Continuing the use of the pills I was able to discard the other crutch as well and was as active as ever I had been. There are many in this neighborhood who know what my condition was when I began the use of Dr. Williams' Pink Pills and who know what this medicine did for me, and I hope my experience may help some other sufferer."

Dr. Williams' Pink Pills are sold by all dealers in medicine, or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

(Special to the MONITOR)
 The two mast Schr. Mollie Gaskill commanded by Capt. Boudreau and owned by Joseph Gaskill, of Grand Manan, went ashore yesterday morning on French Beach Point on the east side of Petite Passage, filled with water and rolled over. Capt. and crew were saved. The Mollie Gaskill is loaded with lumber which she was carrying from the south side of St. Mary's Bay to Grand Manan.

A BIRTHDAY PARTY AT MOUNT HANLEY

A Surprise Birthday party was given to one of our aged residents on Monday evening, March 14th, 1921, it being the 80th birthday of Mr. Zebulon Elliott. A large number of relatives and friends gathered to congratulate Uncle "Zeb" on being so lucky to reach his four score years, in good health. Ever since he can remember he has never taken any medicine not even a "pill". A very pleasant evening was spent by games, music, etc., and a bountiful refreshments of ice cream, and cake was passed around by the young ladies. A special birthday cake deserves mention, made by Mrs. L. H. Elliott, with Zebulon Elliott 80 years old, 1921, on it, was very beautiful, but was not passed around as they advised the celebrator that the longer he kept the cake the better it would be. At the close our Pastor Rev. M. N. Brown spoke very interestingly on the changes of 80 years ago especially on the sociability of the people in that time to what it is now, and urged us all not to forget to be sociable in every day life, and he again said how thankful Bro. Elliott should be that he and his "better half" had been married 58 years, 9 children being born to them and every one living, several grand-children and great grand children too. Rev. Mr. Brown presented him with a few presents and a sum of money from those present and a purse of money from his children in Boston, Mass., and when the wee small hour was drawing nigh, prayer was offered by the Pastor, Music by Mrs. J. N. Hines with Singing by choir, "God be with you till we meet again." All dispersed to their homes feeling that it was an evening well spent and long to be remembered. ONE PRESENT

Five continents were represented at the unveiling of the statue of Evangeline, Grand Pre, Nova Scotia. Nearly all those present belonged to the Imperial Press Conference party, and the unveiling ceremony was performed by Lady Burnham, who said:

The statue, which is of bronze, is the work of Henri Hebert from a model by his father the late Philippe Hebert, a descendant of the Acadians of whom Evangeline was one. It is a magnificent work of art, and was presented to the Park at Grand Pre by the Dominion Atlantic Railway, which is now part of the C. P. R.

ARLINGTON
Mr. and Mrs. Walter Healy were visiting the latter's parents, Mr. and Mrs. George Snow, of Hampton, one day this week.

Parker Sabean, Jr., is doing some bustling around our village with one of his engines, sawing wood.

Miss Curry, our teacher, left for her home in Wilmet to spend Easter holidays with her parents, Mr. and Mrs. William Curry.

William A. Marshall, of Outram, spent Thursday, the 24th, with his parents, Mr. and Mrs. Burton Marshall.

Men, young and old, gathered at the home of Captain Tom Templeman, on Thursday with saws and axes, and saved and split a large wood pile for the Captain. A beautiful supper was prepared by Mrs. Templeman, and in the evening his large hall was thrown open to the boys and a beautiful evening was spent by all, as usual, at that home.

Mr. Elbert Brinton, who has been visiting his parents and other friends for the winter, left for Keene, N. H., the 24th. We are sorry to see our young men leave us.

Mr. and Mrs. Alfred Marshall were visiting Mr. and Mrs. Rupert Sanford the 24th, at Paradise.

Mr. Silas Banks and daughter, Mrs. Witham, entertained a number of friends on the evening of the 24th. Between thirty and forty gathered at the home of Mr. and Mrs. Parker Sabean on Tuesday evening last and spent an evening in the good old style, with music furnished by John Banks, of Port Lorne, ice cream being very plentiful in the evening. At a late hour all returned to their homes, wishing for more nights like it soon.

Easter In G. P. United Church

Easter Sunday was a happy day to every member and friend of the church. In the morning, at the S. S. hour, the minister introduced to a very large school, "A League of Young Worshipers," and invited all to join. The response was general and most encouraging. Mr. J. T. Archibald was appointed Supt., and Miss Lillian Egan, Secretary. For every Sunday morning attendance at church, every member will gain a star, and at the end of each quarter, a certificate for Maximum attendance. The Sunshine Adult Bible Class (Mr. Fulmer's class) continues to grow, and their is room for further growth as the class meets in the Auditorium of the church. The hour is ten every Sunday. The morning congregation was large, as was anticipated, the pastor's sermon appropriate to the occasion, and the choir was at its best. Eight persons received the rite of Baptism. In the evening the congregation was exceptionally large, and again, the music throughout the service was maintained at the usual high level. The fine work of the choir reflected great credit on leader, organist, and every member. The Minister takes this opportunity of expressing his own appreciation as well as that of the congregation to the choir, and indeed to all who contributed to the enjoyment and spiritual uplift of a great day. To the friends who loaned their beautiful Easter potted plants and cut flowers which were so tastefully placed, the Minister and congregation extend best thanks. Twenty-four young persons were received into the membership of the parent churches, twenty-two of whom by profession of faith, and two by certificate. A very large proportion of the Congregation remained for the Communion Service, the pastor being assisted by Rev. Dr. Jost, whom friends were glad to see occupying his accustomed place after his recent indisposition.

All were glad to welcome Miss Jost back to her home church after long absence but regret that her visit home is to be short. The sympathy of the entire congregation goes out to Miss Mary Palfrey who has been compelled to resign her position on the staff of the public schools of Amherst, and is now at her home here. All unite in wishing her a speedy and complete recovery. At the close of the evening service flowers were sent to the sick members.

Among the visitors in the congregations were Mr. and Mrs. Spinney, of Torbrook, spending Easter with Mr. and Mrs. Brown, Mrs. Elderkin, of Port Greville, a guest of Dr. and Mrs. Jost, and Mr. Gladstone Parker, home for Easter, and many others.

Some of the regular attendants were missed, being away from home on Easter visits. The Church asks of the Tuxis Boys Debating team their acceptance of the proverbial horseshoe, feeling sanguine that they will bring home the Davidson trophy.

The big event of this week will be Fathers' and sons' Banquet Saturday evening.

The friends are anticipating the week end visit of Mr. R. C. Sidenius who will preach Sunday evening, at 7.30.

PARRSBORO MAN DIES FROM EXPOSURE
PARRSBORO, March 30--David Patterson of Five Islands was found dead in the woods yesterday. He is in company with Charles Newton, started to walk on Monday afternoon from Simpson's Lake to Five Islands and lost their way, wandering until 7 a. m. Tuesday. They separated, Mr. Newton going to Economy and Mr. Patterson to Five Island. Mr. Patterson's body was found late yesterday afternoon, death due from heart failure from exposure. He was 68 years of age, and leaves three sons and six daughters. Two daughters work at the Robert Simpson, Ltd., Halifax. Mrs. J. Philip Bill, of Ottawa, is a daughter.

NOTED CANADIAN AVIATOR IS KILLED
OTTAWA, March 30--Captain Murray B. Galbraith, M. C., D. F. C., one of Canada's foremost aviators and native of Carleton Place, was instantly killed last night, when an automobile which he was driving overturned at Camp Borden. Captain Galbraith joined up in the Royal Naval Air Service early in 1915, going overseas almost at once. After a short training period in England he proceeded to France where he accounted for more than fifteen Hun machines, actually credited to him.

People have time to listen to stories of success, but they have failures of their own.

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Peasey of London.

London, Ont.—"I suffered with periodic pains, was weak and run down, could not eat and had headaches. The worst symptoms were dragging down pains so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not seem to work. I tried all kinds of remedies and had been treated by physicians, but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved. If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

After Three Years of Suffering,
"FRUIT-A-LIVES" Brought Relief

MADAME HORMIDAS FOISY

62-1/2 Champlain St., Montreal.

"For three years, I was ill and
exhausted and I suffered constantly
from *Edin's Fruit-a-Lives*. My
health was miserable and
nothing in the way of medicine did
me any good. Then I started to use
'Fruit-a-lives' and the effect was
remarkable.

I began to improve immediately
and this wonderful fruit medicine entirely
restored me to health. All the old pains,
headaches, indigestion and consti-
pation were relieved and once more
I was well.

To all who suffer from Indigestion,
Constipation, Rheumatic Pains or
great Fatigue, I advise the use of
'Fruit-a-lives'.

**The Cause
of Colds**

Men who work indoors—
in offices, stores, factories
and warehouses, are in
constant danger of con-
tracting coughs and colds,
through over or under
heated buildings and cold
draughts. Their most
reliable protection is

**HAWKER'S

preventing dangerous
complications.

Mont McDonald,
Barrister, St. John, says—
"For three months I suffered with a
severe bronchial cough which baffled
all treatment. Hawker's Tolu and

Two Notable Canadians

Two notable Canadians were made honorary
members of the Canadian Institute of Civil Engineers
at the annual meeting of the Institute recently held
in Montreal. Lord Shaughnessy, the Chairman of the
Canadian Pacific Railway, and Sir John Kennedy,
the dean of Canada's engineering profession. Al-
though Lord Shaughnessy is not a professional en-
gineer, and therefore could not become a regular
member of the Institute, he was made an honorary
member, in view of his distinguished career as the
head of the Canadian Pacific Railway, in which posi-
tion for many years he has been intimately con-
nected with engineering, and probably employed more
engineers than any man in Canada.

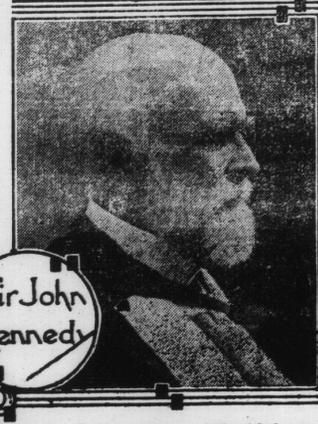

Lord Shaughnessy

distinguished gatherings of engineers seen in Mon-
real in a long time. The presentation was made by
Mr. Walter J. Francis, the retiring president of the
Institute, and as the two veteran Canadians received
their badges they were greeted with prolonged ap-
plause.

A singular honor was bestowed upon them, with
the presentation of solid gold badges of the Institute,
which were exact replicas of that presented to the
Prince of Wales. When the Prince was in Montreal
last year he consented to become an honorary mem-
ber of the Engineering Institute and in honor of the
event a special badge was struck engraved with the
crest of the Institute and the Prince's name on the
badge. Since then ten more of these gold badges
have been struck from the same die, and ten hon-
orary members elected and presented with these
golden replicas of the Prince's badge. In this Lord
Shaughnessy and Sir John Kennedy will find them-
selves in distinguished company such as their own
attainments warrant.

The ten present wearers of the golden badge of
honorary membership in the Engineering Institute
of Canada are H. R. H. the Prince of Wales, His
Excellency the Duke of Devonshire, the present Gov-
ernor-General, H. R. H. the Duke of Connaught, who
preceded the Duke of Devonshire as Governor-Gen-
eral, Brig-General Sir Percy Girouard, who made
his fame on railway work with Kitsooner in the
Canadian, Sir George Augustus Hartley, E.C.M.G.,
London, England, the Earl of Aberdeen, another ex-
Governor-General, Dr. Frank D. Adams, of McGill
University, and Dr. W. Hodgson Ellis, of Toronto.

Sir John Kennedy

University. Verily a galaxy of distinguished men
with whom even such citizens as Lord Shaughnessy
and Sir John Kennedy may well feel honored to be
associated.

Prolonged applause greeted the two new hon-
orary members as President Walter J. Francis pinned
the golden badges on their lapels, a note of pathos
being added by the fact that Sir John Kennedy
will never see his, his eyesight having completely
failed him during the past number of years.

The applause was renewed when Lord Shaugh-
nessy rose to reply. The Chairman of the Canadian
Pacific said that although he could not claim the
honor of being an engineer his many years as
President of the C. P. R. had brought him into
very intimate relations with that profession.

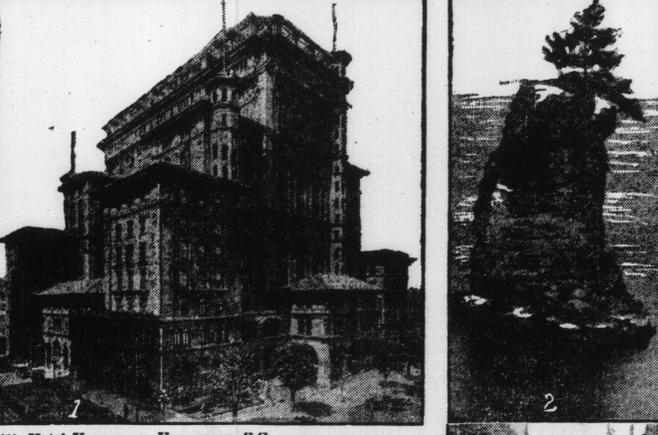

"I have probably employed more engineers of
various kinds than any man in Canada" said His
Lordship, "and I have always had the highest
respect for the members of the profession, and
never found them break their trust. In engineer-
ing matters I always relied entirely upon their
expert advice, and the Canadian Pacific was never
the loser for it. Of course there were mistakes
made during the years, but both were jointly
responsible, and the C. P. R. did not pass the blame
on to the engineers, but went to work to profit
by any mistakes made—and there were not many."

In conclusion Lord Shaughnessy made brief re-
ference to the encroachment of years, which had
brought a new President to the Canadian Pacific,
Mr. E. W. Besty. He said that in all probability
he would not have many years to wear the golden
badge of his honorary membership of the Engineer-
ing Institute, but that he should always treasure
it with pride and a warm gratitude for the honor
conferred upon him.

Sir John Kennedy, who sat with his old friend,
Lord Shaughnessy, also made a brief response.
He spoke of the importance of the engineering pro-
fession, especially in the rebuilding of a young and
developing country such as the Dominion. In fact
he considered that the progress of Canada and the
advancement of the engineering profession were on
parallel lines. As Dean of the profession he re-
called the visit of the Prince of Wales (the late
King Edward) to Hamilton in 1867, when the Prince
had started the first turbine pump in Canada, and be-
came a young engineer, on the same occasion had
the honor of starting the second.

The ceremony closed with hearty cheers for
Lord Shaughnessy and Sir John Kennedy.

A WINTER DAY IN VANCOUVER

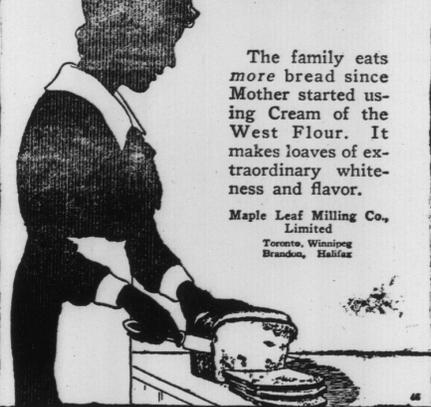

- (1) Hotel Vancouver, Vancouver, B.C.
- (2) The Siwash Rock, near Vancouver.
- (3) Capilano Canyons.

The balmy air and glorious beauty
of a winter day in Vancouver invites
to this Paradise of the Pacific where
the grass grows green as a June
pasture and on the evergreen coast
a narrow strip of grey and brown
divides the evergreen land from the
evergreen sea. Golden, blue, purple
and green in the vista of sky, sea,
mountain and forest while English
Bay stretches, blue, laughing and
limpid. The sandy beaches of Kit-
silano and Point Grey receive the
languid surf as it rolls up the gentle
slopes of the shore. The canyons
are slashed with purple and all at
times are shrouded in great veils
of cloud and mist. There is ever
the mystery, the massiveness and
the infinite variety of tone and
color, with always a touch of spring
promise in the air, in the almost
bursting rose-buds, when the birds
break into song, in the tree branches,
filled with swelling leaf-buds. All
give the impression of having been
drenched with the sweetness and
fragrance of nature in her most
rictious spring mood. Well kept
roads and endless paths intersect the
sylvan woods about the city and, at
every turn, the sea comes into view
and over it the watery pathway to
Victoria and Vancouver Island.

On every side the city is bounded
by a variety of natural beauties
which can be enjoyed by one-day
boat trips, such as a run up Burrard
Inlet to Fort Moody, chosen in the
early days of railway construction,
to be the western terminal. The
rustic little settlement of shacks had
visions of greatness and wealth until
the later choice of Vancouver for
the meeting of "rail and sail." The
North Arm is a fjord that gives the
visiting Norwegian a longing for
home, blue mist-topped mountains
coming down to green, blue and
black waters, with "Wigwan Inn"
and its sylvan setting at the end.
The industrial and commercial ad-
vantages of the Pacific coast cil-
vations, are an important element in
the building of a great manufac-
turing provinces. Navigation by water is
never closed by ice, roads are seldom
blocked by snow, water-powers are
never frozen or dried up, street rail-
ways can run their cars without an
elaborate heating system.—C. G. E

Father and Son Banquet

An event, the first of its kind, but which is sure to be the last, took place Saturday evening, when a Father and Son Banquet for Tuxis Boys and boys of the Tuxis age, and fathers, was held in the vestry of the Gordon Providence United Church.

The monthly meeting of the Women's Institute will be held at the home of Mrs. Ralph Messenger to-morrow (Thursday) afternoon at 3.30, owing to the Board of Trade rooms being painted.

The St. James Hotel, under its new management, will be called the Riverside Inn. Mr. and Mrs. Neely and family are moving to Kingston this week.

The Paradise Amateur Dramatic Club presented the "Adventures of Grandpa" in the Primrose Theatre Monday evening to a large and appreciative audience.

Mr. Joseph Rice, after an absence of a year and a half, has returned home. All are glad to welcome him.

We are very sorry to have to chronicle the death of one of our former residents here in the person of Mr. Ainslie Hudson, whose death took place in Lynn, Mass.

The funeral was largely attended on Wednesday at 2 o'clock. He leaves to mourn their loss a sorrowing wife, two sons and four daughters, two daughters reside here.

Miss Edith L. Welton spent the Easter holidays with her parents at Kingston.

Mr. and Mrs. Byard Marshall spent last week visiting their many relatives at Lawrencetown.

Miss Silvia Slocum was visiting her sister Mrs. C. B. Hines, at Mount Hanley, a few days last week.

Miss Alma Slocum, returned to Wolfville on Monday to resume her studies, after recovering from her recent illness.

Mr. Burp Armstrong, of Mount Hanley, is very busy in this place with his wood saw making havoc with the wood piles.

We are sorry to report Mrs. David Marshall in poor health at time of writing. Dr. Morse in attendance. We wish her a speedy recovery.

Local Happenings

Mr. and Mrs. C. L. Dargie, Tupperville, will be at home April 14th and 15th, afternoon and evening.

The proceedings of the Annual Meeting of the Bridgetown Board of Trade will appear in our next issue.

The regular monthly meeting of Bridgetown's town council will be held next Friday evening, April 8th at 8 o'clock.

Crescent Lodge, I. O. O. F., will confer the Initiatory Degree on several candidates to-morrow (Thursday) evening.

The Middleton brass band is being reorganized with G. N. Reagh president, P. Appleby bandmaster and C. Appleby assistant.

The Clarence Amateur Dramatic Club presents "Aaron Slick from Pumpkin Crick" in the Hall, Clarence, Friday evening, April 8th, at 8 p.m. See advertisement in another column.

Windsor Decides on Holding Three Counties Exhibition

A public meeting was held at Windsor last week at which it was unanimously decided to take steps to hold the annual Three Counties Exhibition this fall.

Windsor is wise in starting early, and with the officials selected and strong committees appointed, will soon have the work in hand to wards a most successful fall show to represent the products and industries of the Valley.

There is no doubt of the advantages to be derived from such an annual exhibit, and in their work Hants County will have the best wishes and full support of fruit growers, producers and others from Kings who will help to carry out the undertaking.

Among the persons named by the preliminary executive to carry on the work in Kings are the Town and County Councillors, Prof. Blair, Dr. Cutten, A. N. Griffin, F. W. Foster, as well as the members for the county in the Local Assembly.

Miss Pearl N. Chute, Public Health Nurse, visited our school recently.

Miss Helen Hirtle, teacher at Dalhousie, spent Easter at her home here.

Miss Lillian Campbell, of Bear River, spent Easter with her sister Miss Irma Campbell.

Mr. and Mrs. Jesse B. Saunders spent Easter in Wilnot, guests of Mr. and Mrs. J. L. VanBuskirk.

Miss Louise Morse, of Acadia College, spent the Easter holidays with her parents, Mr. and Mrs. J. E. Morse.

Miss Gertrude Cameron, is home for a short period, her school at North Range being closed on account of an epidemic of sore throats.

Mrs. Winchester Daniels is seriously ill at time of writing, and slight hopes are entertained for her recovery.

Miss Viola Saunders, of Milford, and her brother, Lawrence Saunders, of Windsor, have been visiting friends in West Paradise.

Mrs. Florence Parlee and little daughter Joan, who have been making an extended visit in Montreal, arrived home on Monday, the 28th.

Mr. Frank Messenger and family are moving to Bridgetown. Their place has been purchased by Mr. Sarsfield, of South Greenwood, who expects to take possession at once.

The Rev. W. S. Smith administered the ordinance of baptism to six candidates from West Paradise on Easter Sunday. A large number from here attended the Easter morning service at Paradise.

The West Paradise Amateur Dramatic Club presented their play "The Adventures of Grandpa" in the West Paradise Hall on Tuesday evening, the 29th, to a very appreciative audience.

The sum of \$21.00 was realized for community purposes.

A REAL LIVE TESTIMONIAL Given to Professor Hamilton, of Hampton, N. S.

Westville, Jan 8th, 1921 DEAR SIR: My reason for writing you is one of sheer gratitude and a desire to assist others who are suffering like I was a total invalid, lost the use and power of both legs, and arms, could not move them, had no use of them whatever, had to be dressed, fed and carried around.

I tried our local doctor six months. At the end of that time I received no benefit so I was ordered to the Hospital in New Glasgow, so my husband and friends took me there on a bed. I remained under treatment for 7 months. At the end of that time I received no benefit and was given up as a hopeless case.

No cure for me. I was sent home the same as I went, on a bed. During my stay friends came to see me and told me of the arrival of Prof. B. S. Hamilton to Westville and of the marvelous cure to his credit.

A Wager

Correct Shoes FOR CHILDREN

Careful mothers are to-day putting a great deal of thought and study into selecting the very best shoes for their children. Not just good looking shoes, nor "cheap" shoes, but shoes which have special qualities of comfort, hygiene, long life and "Lowest-Price-Per-Day's-Wear." The **Hurlbut Cushion Sole Shoe** comprises all these features and most nearly approaches "The Ideal Shoe For Children." This Home of Good Shoes has now a complete stock of Hurlbut Cushion Sole Shoes in a variety of styles for Spring wear, also, Pussy Foot Shoes for Baby.

Mail Orders Solicited.

LAWRENCETOWN

Much praise is due the children of the Intermediate Department of the Lawrencetown School for their recent efforts in raising funds for the less fortunate starving children of China. Under the supervision of their teacher, Miss Stella Brooks, this department has raised over forty dollars during the past fortnight. In addition to subscriptions a very successful Ice Cream Social was held in the Penitentiary Building. Service of this kind is admirable training in unselfishness and must result in wider vision as the children seek to aid the boys and girls of far away China.

The Mission Band of the Methodist Church, Lawrencetown, gave an Easter Entertainment. The items of the program were greatly enjoyed by those who attended. After devotional exercises the following program was rendered:

Recitation—by Lucy Graham.
Exercise—"Easter" by six little girls.
Song—"Easter Lilies" by Band.
Recitation—by Carrie Layte.
Exercise—"Bower of Beauty".
Exercise—"Lift Up The Cross", five boys.
Song—"The Little Seed".
Exercise—"Easter Offering", five girls.
Song—"Violets"

Miss Pauline Wright, who is teaching at Landsdowne, spent the Easter holidays with her parents Mr. and Mrs. Gardener Wright.

BABY'S HEALTH IN THE SPRING

The Spring is a time of anxiety to mothers who have little ones in the home. Conditions make it necessary to keep the baby indoors. He is often confined to overheated, badly ventilated rooms and catches colds which rack his whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels regularly. This will prevent colds, constipation or colic and keep baby well. The Tablets are sold by medicine dealers or by mail, at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

BOOST YOUR TOWN

Your town boosts you. Why not do as well by the town as it does by you?

No citizen is so powerful, none so humble, but what the town is an aid to him in some way or other.

The food that he eats, the clothes that he wears, the recreation and amusement that he enjoys all originate in the town, because the money with which they are produced is made there.

When a fellow boosts his own town he does not stop there. He is performing an act that improves his own condition, for every good word and every good deed has its elevating influence.

A few people are always home town boosters. They accomplish much in the way of community betterment and this improves the condition of not only themselves, but also of those who do not boasting at all.

If every citizen would constitute himself or herself a home town booster the result collectively would be many times as great, and opportunities for self improvement would be more numerous.

Think it over in your odd moments.

Then get into the boost wagon and hit the pace.

The Continuance of the Middleton-Port Wade Branch

We have received the following copy of the decision of the Board of Railway Commissioners for Canada:—

Tuesday, the 15th Day of March, A.D. 1921.

HON. F. B. CARVELL, K.C., Chief Commissioner.

A. C. BOYCE, K.C., Commissioner.

J. G. RUTHERFORD, C.M.G., Commissioner.

IN THE MATTER OF the complaint of A. L. Davidson, M.P., on behalf of the Board of Trade of Bridgetown, Nova Scotia, and the residents served by the train service on the Halifax and South-Western Railway between Middleton and Port Wade, against the discontinuance by the said Railway Company of its train service between Middleton and Port Wade: File No. 27563.26.

UPON reading what is filed in support of the complaint and on behalf of the Canadian National Railways; and upon the

report and recommendation of the Chief Operating Officer of the Board—

THE BOARD ORDERS that the Canadian National Railways be, and they are hereby, directed to restore the train service from Middleton to Port Wade, in the Province of Nova Scotia, shown in its time-table effective October 3rd, 1920.

AND THE BOARD FURTHER ORDERS that the Order on the Board No. 30724, dated March 9th, 1921, made herein, be, and it is hereby, rescinded.

(Sgd.) F. B. CARVELL, Chief Commissioner, Board of Railway Commissioners for Canada.

BOARD OF RAILWAY COMMISSIONERS FOR CANADA

SPRING IS COMING

Spring is coming! The editor has ordered the jaritor to uncage the first robin. The salesladies are busy sitting on last year's hats to give them this year's angle. Best girls are squealing "Please don't" or "cut that out" according to their social status. Daring dahlias and impossible peas flaunt themselves on seed catalogs. The cat has shed her winter coat and her March contribution to the population. Farmers are cursing scarce labor and selling horses to buy Fordsons. The buds are swelling. Errand boys are whistling. The passing auto splashes the pedestrian. Hope, love and mud predominate. Spring is coming!

What One of the Best Known Travellers in Canada Says.

"Now I am going to give you an unsolicited testimonial, as they say in the patent medicine advertising. Heretofore I have had a profound contempt for patent medicines, particularly so-called liniments. Perhaps this is due to the reason that I have been blessed with a sturdy constitution, and have never been ill a day in my life. One day last fall after a hard day's tramp in the slush of Montreal, I developed a severe pain in my legs and, of course, like a man who has never had anything wrong with him physically, I complained rather boisterously. The good little wife says: "I will rub them with some liniment I have." "Go ahead," I said, just to humor her. "Well, in she comes with a bottle of MINARD'S LINIMENT and gets busy. Believe me the pain disappeared a few minutes after, and you can tell the world I said so."

Signed, FRANK E. JOHNS, Montreal.

CLEMENTSPORT

Mrs. A. M. Rawling has gone to Boston on a business trip. The Baptist society held a pie sale in the vestry of the church Tuesday evening last. Lots of pie and a good time. Mr. Amos Burns has returned from a trip East visiting at the homes of his sons, Dr. A. S. Burns, Kentville, and W. N. Burns, Bridgetown. A surprise was given Mr. and Mrs. Charles Stronach last Monday evening by their friends gathering at their home to celebrate their 28th anniversary. All expressed themselves as having a splendid time. Mr. Charles Maughan met with what might have been a fatal accident, had it not been for the timely interference of his dog. The dog, Maughan was leading his bull to water when the animal became enraged, attacked him and threw him to the ground. The dog jumped and grabbed the bull by the nose thereby giving Mr. Maughan a chance to recover himself. He escaped with a few minor injuries.

MILFORD

Our teacher, Miss Viola Saunders, went to Bridgetown Friday to spend Easter. Miss Winifred Weir, of Annapolis Royal, is visiting Mrs. Milledge Floyd, of Milford. Miss Myrtle Gates went to Lequille Friday to spend Easter with her sister, Mrs. Robert Wood. Miss Helena Floyd returned home from Annapolis Royal Thursday to spend Easter with her parents at Milford. A wood chopping was held at Milledge Floyd's Thursday evening, followed by a dance in the evening. Refreshments were served and all spent a very pleasant evening.

CENTRAL CLARENCE

Mr. Aldorn, of Berwick, was a guest this week at S. B. Marshall's. Mrs. C. H. Jackson entertained a few friends on Good Friday. Mr. Henry Messenger went to Middleton on Sunday returning Tuesday. Drs. Armstrong and Morse operated on Galdys Stark Thursday for tonsils and adenoids. Miss Rita Marshall left for her home on Wednesday to spend her Easter holidays, accompanied by her friend Vesta Jackson.

HAPPIEST WOMAN IN NOVA SCOTIA

That is What Mrs. Lovett Says After Tanlac Freed Her of Three Years Suffering

"I believe I am the happiest woman in Nova Scotia since my wonderful restoration to health, and Tanlac deserves all the credit," said Mrs. William Lovett, who lives in Tutts Cove, Dartmouth, a suburb of Halifax. "For three years I was almost a nervous wreck. I got so very little rest by day or night, and became so weak and worn out for days at a time, I could not put my feet out of the house and lots of the time I spent in bed. "My appetite was poor and my stomach was in such a miserable condition that even a cup of tea bled anybody suffered worse from headaches than I did, and I felt so miserable all the time that life became a burden to me. I had dreadful spells of melancholy, too. By nothing I tried helped me and I began to think there was no hope for me. "I will always feel grateful to the good neighbour who induced me to try Tanlac, as I owe to this medicine the splendid health I now enjoy. In just a short time I was feeling like a different woman. I have fine appetite now, eat anything I want, and everything agrees with me and seems to nourish me so much that I have fully recovered my strength and gained fifteen pounds in weight besides. "My nerves are calm and steady and I sleep all night long without so much as waking even once. In the morning I feel so bright and cheerful I sing from very joy as I dress myself and realize all my troubles are over. I just can't find words to express the pleasure I feel in taking this grand medicine. It has proved itself more wonderful than I thought possible for any medicine to be." Tanlac is sold in Bridgetown by S. N. Weare, in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

He who is wedded to art should have a model wife.

BELLEISLE

Mrs. Elsie C. Black spent Easter with her cousin, Mrs. G. O. Thies, of Bridgetown. Mrs. Wallace Covert, of Karsdale, spent last week with her parents, Mr. and Mrs. A. W. D. Parker. Miss Nan Chipman, of Nictaux West, spent Easter with her grandparents, Mr. and Mrs. A. W. D. Parker. Miss Kathryn C. Fraser, of the Normal College, Truro, spent Easter with her parents, Mr. and Mrs. Alex Fraser. Mrs. Phineas Phinney, of Upper Granville, is spending a few days with Mrs. Henry H. Bent. Miss Lizzie Troop, Miss Vera Hudson and Miss Flossie Kearns were home from their school to spend the Easter holidays at their homes here. Miss Gladys Troop, who is attending school in Middleton, spent the Easter holidays with her parents, Mr. and Mrs. Archie F. Troop. She was accompanied by her friend Miss Atkinson, one of the Middleton teachers.

FALKLAND RIDGE

Mrs. Ella Weaver still continues in very poor health. Burton Marshall left on Thursday to visit relatives in Halifax. Rev. M. W. Brown was calling on old friends in this place on Thursday. Bessie Marshall, of the M. B. College, spent the Easter holidays at her home here. Mrs. Harry Whynot underwent on Wednesday a second operation on her throat, which was successful. Among the numerous signs of an early spring, beside our feathered friends, are snakes and frogs. Eliza Lowe, of New Germany, was in this place on Monday and purchased Stanley Kaubach's oxen. A large number from here attended the Annual Roll Call of the church and induction service of our new pastor, Rev. G. Durkee and wife. Rita Marshall, teacher of the Clarence school, accompanied by her friend, Vesta Jackson, spent the Easter holidays with her parents, Mr. and Mrs. E. H. Marshall.

CANOEING IN CANADA

Canoes and fishing-rods; these invade the men; they sit up and beam at mention of them—not only men who live with them and by aid of them exist, but men who travel up to the office of every man and to whom the word "fish" means only the course before the entrée. Many a happy evening have I spent in reading of such things—means in some traveller's book of canoes and fishing-rods, of rifles and the crackle of the camp-fire. And now the fates permit me to write, if not a book, an article on these things that I have had many days in their company. For their friends and acquaintances I write this, especially for those who can't just at the moment, arrange their affairs so as to get away from the desk to be among them.

I do not suppose it would be gross to advertise to give the name of the canoe in which I set out, for it is mentioned in most accounts of Canadian travel; but I will not run the risk of being suspected as a shareholder in the company that manufactured it, or subsidised it. Suffice it, then, to say that the beautiful craft was of the size that caused it to be stamped, on the little bit of decking at the bow, not merely "Canoe," but "The So-and-So Canoe Boat." It can be rowed, if necessary, by two pairs of oars and has a place (in that foot of deck at the bow) for a short mast that carries a long, low triangular sail. It is—was on the point of saying "light as a feather;" at any rate, it can be pulled up on the beach, or set afloat, with one hand. It is certainly amazingly light and buoyant.

I chose to row it; and the one pair of oars in an easy swing sent it gliding rapidly through the waters with its load of tent, tent-poles, and blankets; kettles, billy, and frying-pan; four, rice, and seedless raisins; "tin cow," "canned corn," tea, coffee, salt and sugar; three fishing-rods (one for fish, one for spoon, and one for spinner); a heavy six-shooter; and Squaw in stern. Bush fires were smoldering away in the ranges, so that we had to take the further peaks for granted. The nearer mountains stood solemnly up with their green fronts and fringe of summit-poles and timber against a grey-blue background, the drifting smoke of the fires.

After all, though the sun was hidden (very much as in a London November haze) its light sifted through somewhat, and lit very ineffectively the slopes of fir and the outstanding chunks of rock on the slopes. Weird, furred reflections ran down into the deep water; a water smoky-blue and fade-green.

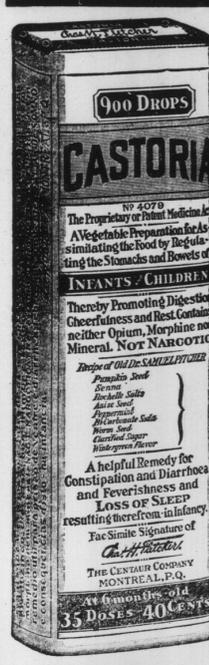

As for the canoe, it seemed a living thing. Soon it and I were in touch with each other, had an understanding. It is a sensitive, polished, exquisite thing. It is full of response and yet it is not easy to wreck. Of the whirl of an eddy it folds me with a tremble. At the narrows (we were making out into the main Kootenay Lake in British Columbia) it behaved as though eager to show it was in partnership with me. I leapt to the ripples, it dipped to them. It told me, almost in a telepathic fashion, without speech: "Pull, friend; and I'll do the rest." This may sound wild writing to those who have not adventured on eddy or current in league with such canoes; but it is not really as wild as it seems. I rowed in towards shore and continued in a backwater till the lake spread out again. When I pulled it up on a spit of sand and little stones that I might I marvelled again at its lightness. And when camp was made—and I sat on a fallen tree while the billy boiled and the fire

crackled, and the sun, a disc of old gold, went slipping down in dun-grey behind a hump or "hog-back," (to use the local phrase)—just to look at that canoe-boat was a delight. Even to that dulled sun it responded with a sheen of gold along its hull. Without canoe I would have been, there, like a man on the plains without horse. In the wisps these both seem alive. It was a three-some party: Squaw, self, canoe. The fishing-rod is different. The trolling-rod (or even the spinner) is definitely dead. One just lets the line run out astern and then paddles round and to and fro and the fish catch themselves, immobilize themselves upon the hooks while trying to fight the spoon, or to ally their curiosity regarding the spinner; and when enough have done so they are brought ashore to the frying-pan. The fly-fishing rod is nearer toward having entity. In the dancing water where Coffee Creek empties into Kootenay Lake I did once or twice mistake my own slim flies for real flies coasting the little wave-tops. But, frankly, I am not a sportsman in the sense of liking to kill. When I have fished my supper, like an Indian, I desert. He only goes on fishing beyond the requirements of one meal when he wants to smoke fish for future ones.

The heavy six-shooter I had brought merely as a defensive weapon, as it was our intention to wander up in the snow-sweeping mountains, both for their majestic presence and for huckleberries; and although bear generally run from human beings, ever and again they don't. Bears are fond of huckleberries, and sometimes they think they own a whole patch. If they see with a pluck picking they come over, not often—but still they do so now and then. The shooting practice had to be kept up, and every here and there, where there was some wild natural wall, I would stick up an empty tin (canned corn was, as I mentioned, part of our supply), and set it up again: "If that was Mr. Bear, his name would be Dennis!" But even rifle or six-gun is only an instrument, a beautiful, callous, perfect instrument. There is a certain pleasure in sitting by the fire in the evening, with a little bottle of oil and a pull-through, attending to its toilet, and looking

through it for a speck, while Squaw sits opposite on a couch of lopped fir-boughs (lopped by Friend Axe); but it has no response; for a kick cannot be called a response. The little fractions of a suggestion of life in it is not friendly, like the great suggestion of life in Canoe. Rifle and six-gun are in the same world as Frankenstein. "But the chronicle of the trip is peaceful enough, despite the presence of six-gun in the party. The bears kept out of our way. It is the chronicle of squirrels chattering to us at every landing, in what sounded like small invective—a sound like the winding up, for a long time, of a clock-work toy; of the scots of two deer flickering away through the woods, their bodies hardly discernible, only to be discovered by the aid of these twinkling tails; of chipmunks chirping and frisking; of gophers (hated by farmers except as linnings for winter coats, but mighty prey) coming close to look at us; little creatures under a foot high when sitting up on haunches, with neat little heads—something like polar bears on a small scale—some few stiffly, out like a straight twig from a small stump, and one pendant of a fish hawk that went past one evening, its head moving left and right and returned about five minutes later with a fish in its talons—like a bird flows away with its perch; of Canadian robins that came dancing along the shingle, raising their heads to see if we discarded any choice crumbs; of a blue jay, created, bright, as a parrot, brilliant in the dusky, great woods alongshore and the smoke-sifted sunshine; of the dusk falling over the sliding water where the trout rose after flies and fell with a pluck on the quiet of the rocky cove more impressive; of the zig-zag flight of mosquito hawks and then the flutter of bats' wings over the smoke of our fire; and, when the world was blotted out beyond the limit of our fire-sheen, of the musical, almost bird-like bubbling voice of the bull-frog. That is the chronicle of the trip. And always there was the great quiet of the hills, the limpid loneliness of the waters; always there was the translucent disorder of gull and creek, with the fallen trees, from many a storm in the peaks, tilted at wild angles from shore to mid-stream rock, or even shore to shore above the scaming and roaring rivers.

FERTILIZERS—"Made at Windsor, N. S."

During the past month we have had numerous requests from the farmers and fruit growers in the Annapolis Valley for the address of our nearest agent where they can get the "Made at Windsor, N. S." fertilizers. This request as a rule came from those who have used our fertilizer exclusively the past several years and have had such good results from the use of it they do not want to make any change. Others are from those who have not been using our fertilizer but from year to year we are adding new customers not only in the Annapolis Valley, but in all sections where our brands are offered.

Most of those writing to us are interested particularly this year in buying fertilizer made in Canada and more especially fertilizers made here. They do not feel they should go outside for anything that they can buy which is made here and they know they can depend upon getting from us the best of materials in good shape and delivery when they want it.

The Canadian Reconstruction Association which was organized immediately at the close of the war for the purpose of doing what it could to get things back to normal conditions in its recent issue calls particular attention to the necessity of everyone spending his money at home and not going outside for anything he can buy here. The latest pamphlet issued by them refers particularly to the importance not only of supporting the industries that are already here but attracting foreign capital to develop to the full possibilities all branches of industrial activities.

Everyone has read in the daily papers during the last year that an immense amount of money is sent out of the country for imported articles. This is due to two reasons. One a more or less tendency to feel that there is something in the word "Imported" and the other to fact that there are so many things which it is necessary to import because they are not made in Canada.

Along the same line and for the same purpose the Canadian Manufacturers Association says that now is the time above all others that every man should examine everything he pur-

chases and find out whether or not it is made in Canada and if there is any reason why it should not be a Made in Canada product when he can get it on equally advantageous terms.

The early part of March we mailed to all the customers on our books and to a large number of users of fertilizer a poster showing our complete plant. This was mailed at the beginning of our 9th year of operation, to give our customers and others an idea of the size of the works of the "Made at Windsor, N. S." fertilizers. This plant is the largest plant in Canada for the manufacture of complete fertilizers. It gives employment to from 50 to 100 men and has been continuously in operation since starting. We maintain a travelling and office force and spend for wages in all departments, together with local supplies in the way of coal, barrel stock and materials all of kinds necessary to conduct a business of this size, upwards of \$100,000.00 yearly.

It is industries like this that the Canadian Reconstruction Association and the Canadian Manufacturers Association call the material life of the country and which they ask the people to support. It is only by buying "Made in Canada" goods that further industrial developments can take place and indeed will it be possible to continue present industries or at least to run them to anything like their full capacity.

Under the present industrial conditions the most serious difficulty is that of unemployment. Every person who buys a "Made in Canada" product assists in reducing unemployment, while every purchase of imported goods adds to that difficulty.

We have arranged to have "Made at Windsor, N. S." fertilizer on sale at most of the principal centres in the Annapolis Valley. The price will be as low as you can buy similar goods from anyone else and the terms will be as advantageous. We believe that our goods will be in better mechanical condition, packages in better shape and it will be in every particular superior to that which you can buy from anywhere else.
