 Rulings and statements  
   Bill  
     Amendment to which means an increase in expenditure not in order, 133  
     Amendment to which would involve expenditure of public money is out of order, 141, 145, 3406-07  
     Committee stage  
       General discussion on particulars of amending bill, 2462  
       Preserving rights of members to have a general discussion, 3964-65  
     Explanation usually given on first or second readings, 2864-65
- Deputy Chairman of Committees of the Whole**  
 —*Con.*  
 Rulings and statements—*Con.*  
 Bills—*Con.*  
   Resolution stage  
     Discussion on, 1702-04  
       Should not be on details of bill, 3680-81  
     Members may make suggestions . . . discussion could more properly take place in committee on the bill, or perhaps at some other stage, 2824  
     Question which should be asked in committee, 2800  
     Questions on must be relevant to the resolution, 1702-03  
     Unless unanimous consent is given to the discussion of details, minister cannot reply, 2825  
   Second reading  
     Bill is not dealt with section by section, 2411  
     Only the principle of the bill is discussed, 2628  
     Questions could be asked more properly in committee, 2622, 3068  
     Section cannot be carried subject to change later on. If it is not the intention of the committee to carry the item, it would have to stand, 4126  
     Title, amendment, 1613  
     Committee report, in order to discuss it if it has been tabled, 3794  
   Debate, audibility of, 2522, 2871, 3883  
   Discussion should be proceeded with in a much more serious vein . . . we are not going to make any progress unless we keep it at a high level, 4004  
 Documents  
   In order to quote from, but not to do so too extensively, 78  
   Not relevant to discussion, would not be in order to place on *Hansard*, 3062-63  
   Unanimous consent required to place on *Hansard*, 77  
 Estimates  
   Suggestions (may be made) quite properly on the first item, 2275  
   Supplementary, general discussion on, 2262-63  
   (There has been) a general discussion on the first item . . . Members of the committee should realize that to make successful progress a general discussion (should not be initiated) on every item which seems to give some scope, 2260  
   Unless there is unanimous consent the committee cannot revert to an item which has been carried, 2262

**Deputy Chairman of Committees of the Whole**  
—*Con.*Rulings and statements—*Con.*

Forty-minute rule does not apply to member speaking first "in reply" to a motion, 3575-79

Interruptions, 2171, 2934, 4028-29, 4040

If the member does not wish to be interrupted then he should disregard the interruption, 2995

If the member who has the floor does not give his consent the question may not be asked, 2960, 4018

It is the privilege of the member to give a reply or not to give one, 2528

It would appear that the member does not wish to be interrupted, and therefore interruptions should not take place, 2171

Member granting permission to another member to ask a question and then withdrawing permission, 3682-83

Member who has the floor not be interrupted without his permission, 4004

Irrelevance, 980-81, 992, 1916, 2034, 2056, 2065, 2092, 2222, 2249-50, 2260, 2273, 2364, 2400, 2466-70, 2522-23, 2528, 2629, 2642, 2819, 2825-26, 2831, 2835, 2837, 2871, 2998-99, 3101-02, 3106-07, 3215-16, 3219-20, 3300-01, 3489, 3574, 3624-25

Ample latitude for discussion has been given, the bill should be spoken to directly, 3222-24

Discussion has to be strictly relevant to the item, 2261-62, 2275

Discussion on amendment to motion for Speaker to leave the chair must be confined to its subject matter, 1036-37

Matter which was discussed on general discussion, 3882

Questions which might more properly be asked on the estimates, 2094, 3407

Supply, discussion which should have been held on the department's administration item, 3882

## Language, unparliamentary

"Disgrace", 1603

"No member has the courage", withdrawal of, 2528

"Roughshod" not unparliamentary according to the rules, 2523-24

Letter, quotations from, 979

## Member/Members

Accusing another of making a political speech, not a matter requiring withdrawal, 1915-16

**Deputy Chairman of Committees of the Whole**  
—*Con.*Rulings and statements—*Con.*Member/Members—*Con.*

Asked not to conduct private conversations at the other end of the chamber, 4028

Asked not to participate in discussion across the floor, 4003-04

Asked to co-operate with Chair, 4029

Asked to observe rules, 4004

Asked to resume his seat at this time, 1037

Calling to order, 3649

Conversing directly, 2396

Forty-minute rule, effect of interruptions, 401

List of speakers, 565

Member should take another member's word with regard to communication to the press and withdraw remark about misrepresentations, 3797

Must address the Chair, 401

Must have unanimous consent of committee to discuss matters outside of the item under discussion, 990

Not in order to come into discussion when Chairman has the floor, 77

(Should) address himself to the Chair and not conduct a conversation with members across the floor, 2273

Should avoid discussing over and over again matters which have already been dealt with in former debates, 2057

Should know that when Mr. Speaker is on his feet they should, if they are standing, resume their seats, 3649

Using notes because he is quoting figures. That is a privilege of which many members take advantage, 2525

Who wants to ask a question must ask question and not make statements, 4004

Wishing to make corrections during another member's speech, procedure, 4040

## Point of order

Decided only when it arises, 2263

Giving member opportunity to complete, 4022-23

Not a point of order, 3224, 3227

## Privilege, questions of

Giving member opportunity to state, 4028

 Canadian vote on resolution, 795  
 United States bases in, 702, 853

### Speaker (Hon. W. Ross Macdonald)

Rulings and statements  
 Amendment which does not add to the motion now before the house but destroys it, and sets forth a different proposal, not in order, 1440  
 Audibility of debate, 1733  
 Bill  
 Amending an Act, general discussion of the act is not in order on, 1908  
 Private  
 Amendment to which does not come within provisions of citation 657 (Beauchesne) and which suggests holding up second reading until a situation does happen which may never happen, not in order, 1168-69  
 Divorce  
 Discussion of procedure on not strictly in order, 1145  
 Proceeding with, 780-82  
 Resolution, M. to consider  
 Debate on, 2895-96, 3291-96  
 If any members are opposed to the resolution, . . . or if they require additional information . . . they should be given an opportunity to speak on the motion. The minister should endeavour to answer the objections which have been raised and to give the information requested . . . the practice of the minister opening the debate on the motion for the Speaker to leave the chair . . . should be discontinued, 3375  
 Minister has privilege of speaking only once, 2822, 3293  
 Second reading  
 Amendment to not inconsistent with a decision which has been arrived at during this session, 3908  
 Amendment to which may involve enactment of legislation calling for expenditure, allowed to stand, 3181-83  
 Discussion of details not in order, 2405-06, 3912, 3919  
 Discussion of sections not permitted on, 110  
 Discussion should be on principle of the bill, 119-20, 3904  
 Motion to adjourn, if it did not carry would prevent member from continuing his argument, 3904

**Speaker—Con.**

Rulings and statements—Con.

Bill—Con.

Third reading

Amendment to which merely refers the bill back to the committee so that the committee can reconsider certain questions which have already been considered but which the committee has power to consider again under our procedure, allowed to stand, 150-52

Not to be considered as a precedent, 155

Amendments to which are beyond the scope of the resolution and the terms of the bill declared out of order, 154

Debate on must be confined to the bill itself, 4163, 4170

Committee report

Cannot be discussed until it is before the house, 3903-04

Concurrence, unanimous consent required for at this time, 1221

Committees

Amendment to widen powers of not in order, 1686

Member cannot discuss at this time what took place in committee, 3915

Proceedings in, referring to, 2336

Debate

On question voted on this session may not be revived, 4163

On this subject at this time, cannot be allowed without unanimous consent, 4161

Documents, tabling, 297, 479-80

Imputing motives. *See under this title, Member/Members*

Interruptions, 1572

Question cannot be allowed without members' consent, 1796-97

Irrelevance, 784, 815, 995, 1638, 1939, 3081, 4166, 4172

Member merely making a reference, 1027

No reference in the motion to setting up a standing committee . . . if the house feels that the member should be allowed to make these representations there is no objection, 1690-91

Language

Uncomplimentary, withdrawal of, 3825-27

Unparliamentary, 1074

"Contemptible type of politician", 1792

"Coward", 1846

**Speaker—Con.**

Rulings and statements—Con.

Language—Con.

Unparliamentary—Con.

"Dishonest", 1846

"Past master at underhand campaigns", 1792

Should be brought to Speaker's attention at the time (it is used), 1793

"Stupid", not to be used again, 4174

Letters, source must be disclosed, 455

Member/Members

Asked to co-operate in carrying out the business of the house in accordance with standing orders, 299

Discussing matter which has been referred to a committee, not in order, 2107

Imputing motives should withdraw in view of the fact that the member referred to is not here, 2136

(May not refer) to another debate . . . if it took place during this session . . . , 2330, 2354

Must accept statement of another member in connection with a matter which is peculiarly within his own knowledge, 3826

Not to refer to Senate debates, 1659

Reference to party discipline, 1058

Requested not to discuss at this time what took place in committee, 1638

Should accept statement of the hon. member, 3913

Ministerial statements, 345

Questions, on, 16

Motion for production of papers, not within power of Speaker to enforce, 1650-51

Noise behind the curtains, 868

Orders of the day, questions on, 156, 1402

Latitude given, 841

Not urgent, might be asked on the estimates, 2498

Quoting newspaper dispatch, 1522

The minister decides whether the question should be answered now or later, 2044

Which should be asked on the departmental estimates, 1547-48

Which should be placed on order paper, 204, 250, 659-61, 841, 886, 1989

Point of order

Ruling not given until point of order arises, 1069

There cannot be two points of order before the house at the same time, 1439

**Speaker—Con.****Rulings and statements—Con.**

Privilege, questions of, 841

And other matters, raising of at opening of sitting, 245, 248, 299

Not in order to continue the discussion now, 1120

Objection to what took place in committee should be made before the committee, 1729-30

Personal privilege, 944

Procedure on, 345

That should be raised in the committee, not in the house, 2739

Quotations from editorials which reflect upon the proceedings of the house not in order, 4162

Ruling sustained on appeal, 1650

Standing order 31, M. to adjourn house under to discuss matter which can be taken up on budget, not in order, 1425, 1426

**Supply**

M. for committee

Not in order to revive a discussion on matters which have already been discussed, 1903

Subject discussed on cannot be reverted to when another subject has been introduced, 1071

To continue the speech . . . on the amendment would not be in order as that subject has been concluded, 1070-71

When the order is called for committee of supply it is permissible to discuss any public matter within the powers of the federal government, . . . the hon. member is (not) discussing a public matter within the powers of the federal government, 1070
