The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NOTICE

The limited space unrented in this Programme may be applied for at the Box Office. You read this, so would you, advertisement be read. Keep yourself and business before the public. Theatre patrons are good customers for most business men.

'Tis almost second nature for an actor to relate stories, even of a funeral nature, in as entertaining a manner as possible.

Mr. Goodwin is accredited with talking about it the other day.

"For instance," said he, "what's the use of going into all the harrowing details. Leave something to the imagination. Now, take for example, suppose you read something like this in the paper:

"In Boston the other day, a man thought he could cross the track in advance of a locomotive. The services at the grave were very impressive." Or

"A man in Maryland ate fifty raw oysters on a wager. The silver trimmings on his coffin cost \$12.50." Or

"A Chicago man warned his wife not to light the fire with kerosene. She did not heed the warning. Her clothes fit his second wife admirably well." Or

"A Londoner got tired of buying his coal haphazard, because it was cheap, and now buys it from Cameron. As a result the doctor never calls, and he and his family are happy all the time." 'Tis brief, but really sufficient. Office, Hiscox Building, Yard, Burwell Street, at G. T. R.

Miss Julia Arthur

—IN—

"A LADY OF QUALITY"

The appearance of Miss Julia Arthur in her now famous success "A Lady of Quality," at the Grand Opera House, the night of Monday, October 10th, will be a source of pleasure to theatregoers, for it will be remembered that Miss Arthur's engagement of last year was one of the most memorable of the season, the sumptuousness of her stage settings and the splendid portrayal she gave to the character of the dashing hoyden's Clo. Wildairs, marking a distinct epoch in the annals of the drama in this city. Since her appearance here Miss Arthur has met with universal favor in this play in all the cities she has appeared, and through her magnificent acting has at once stepped into the leading rank of popular stars. Her impersonation of Clorinda Wildairs was at once welcomed by the public as a new note in the drama. She has since added to her characterization of the role and as now presented by her the great scene of the killing of Sir John Oxen, is said to be the most thrilling piece of acting seen upon the modern stage. Miss Arthur brings here a new production of Mrs. Bennett's romance, which is said to be even more elaborate than was the one seen here at the commencement of last season. She also comes supported by the same excellent company as was seen with her last season, with but two exceptions. In the names of the company will be found: Messrs. W. S. Hart, Scot Inglis, Robert McVade, Horace Lewis, White Whitelsey, Joseph Allen, Thomas Bridgeland, William Herbert, W. J. Thorald, Albert Browne, Marcus Moriarty, and the Misses Florence Connor, Ethel Knight Mollison, Marie Bingham and others.
