STATE KING'S BIRTHDAY IS STATUTORY HOLIDAY

Find Both Guilty of Gross Criminal Negligence in Killing of Edward Kettlewell—Coroner Sums Up Strongly Against Both Prisoners—No Legal Right to Drive Auto—Ran Away From Scene.

TO GO HOME EARLIER Ottawa, June 2. (By Canadian Press.)—The house today disposed of a quantity of more or less routine business and adjourned at 6.30 p.m. until Friday afternoon. There was some considerable discussion on the question of reduction of staff of the house of commons. Mr. Meester of Boston brought up the question of the working hours of the young boys employed as pages in the house. He rather startled members by declaring he understood that, following the all-night session, some of the "title messengers" had not been to bed at all. Speaker Rhodes replied that all the younger boys were sent home at 9.30, also he admitted that in some of the pages the present system was a hardship.

"Whereas one of the chief aims of the U. F. O. has been to stimulate rural citizens to take an active and intelligent interest in the affairs of government, and "Whereas in attaining this end they sought to elect representatives from rural parts to voice rural opinion in the legislature last October and were successful in doing so, and "Whereas these representatives (through the central office of the U. F. O.) have an excellent channel for keeping in touch with rural opinion and for keeping rural citizens informed of the affairs of government, "Therefore, this board of directors of the U. F. O., assembled in Toronto this second day of June, 1920, declares that, while it repudiates the charge that there has been any attempt on the part of its executive to dictate to the government, they at the same time believe it their duty and insist on their right at all times to act in an advisory capacity."

Dublin, June 2.—A concerted attack was made on the Crossbarry barracks, County Down, 21 miles from Belfast, early this morning. Efforts were made from houses on both sides of the barracks to blow up the building. These failed after two hours, during which there were hot exchanges between the attacking party and the police. Finally the assailants withdrew. Sergt. Fitzpatrick was shot through the lung and is in a critical condition. The "Clare" County police barracks, and those at Genashill, were furiously attacked early today, but without success. The fusillades of the attacking party lasted several hours. The roadways leading to both villages were blocked with trees that had been felled across them, while the nearby railroad line had been torn up. No casualties have been reported. Military and police reinforcements have arrived.

Ottawa, June 2.—Tomorrow, the King's birthday, is a statutory holiday. This was the ruling given by the department of secretary of state in answer to a question today. June 3 is celebrated by request of His Majesty the King, who expressed the wish that there should be no great expenditure in connection with the holiday. Parliament will not sit and the government offices will probably be closed.

Ottawa, June 2.—(By Canadian Press.)—The conference with the newspaper manufacturers announced yesterday in the house of commons took place today in the finance minister's office. Sir Henry Drayton told the manufacturers that the government was much disturbed to find that knowing the agreements made last fall, twenty-five per cent of the daily newspapers of Canada were facing temporary suspension owing to inability to get newspaper paper, although willing to pay current price for export to foreign countries. He said the government would insist upon the domestic requirements being supplied, particularly as they represent only 15 per cent of the total production.

Chief Coroner Dr. A. Jukes Johnson, in summing up the evidence to the jury, laid special stress upon two facts. First, that Harry Miller should not have permitted his son to drive the car; and second, that reasonable precautions were not taken. "This Miller boy had no legal right to be heard a horn or any other warning given by the car. Now every person who has under his control a vehicle or a motor mechanism which, if neglected, may endanger human life, is under a sacred duty to use every care and precaution in handling or controlling it. To do otherwise is an act of criminal negligence. It is up to your gentlemen of the jury, to determine among yourselves whether Benjamin Miller or his father exercised reasonable precaution when they passed a street car at the rate of speed they are alleged to have been going. If a person drives down 'Yonge street at that rate, I ask you to say how much care was taken. There are far too many automobile accidents in our fair city, many of which I think are avoidable."

Speaker Gives Instructions. To this Mr. McMaster replied that the argument of "time-headed" institutions was not a very strong one. Fifty years ago child labor was looked upon very differently. The point was that boys of 12, 13, 14 and 15 should not be at work after 10 p.m. They should be in the house. The speaker announced he had given instructions that in future all young pages should be sent home at 10 p.m., "until such time as that arrangement does not work satisfactorily to honorable members."

Must Act in Harmony. The last resolution passed says: "Whereas the local member has been elected to the legislature, and the house of commons to represent his own electorate and to act as their leader in putting into effect their will as it may be determined in conference, therefore, this board of directors of the U. F. O. is hereby responsible to the executive of his own riding and if he and his executive do not longer act in harmony, it is his duty to resign. "This association stands four-square over and above everything else for the full and unequivocal acceptance of democracy in government. It is the duty of every member of this association to do his utmost to secure the matured judgment of the majority and not the will of any one man, group of men, or government should control."

SEVEN MILLIONS LEFT IN PATRIOTIC FUND Secretary Morris States Sum Will Give Post-War Relief for Five Years.

Ottawa, June 2.—(By Canadian Press.)—The special committee on establishment met this afternoon to hear General Victor Odlum and H. B. Willing, Dominion secretary of the veterans in Canada, who came from Winnipeg to give evidence in regard to imperial pensions. Mr. Odlum said some changes had been made by the imperial authorities at the request of his association but the pensions asked representation. P. H. Morris, secretary of the Canadian patriotic fund, said "The Montreal officers of the patriotic fund was flooded with unemployed returned single men 'making the streets on their bare feet.' Mr. Morris thought many of these men could work, but could not obtain employment. A good many were their own cases. Mr. Morris said there was over \$7,000,000 in the patriotic fund now. For a long time under the present policy that sum should last five years."

NEWSPRINT MAKERS SEE SIR H. DRAYTON Told Government Insists that Requirements of Canada's Papers Be Met. SITUATION IS SERIOUS

MANITOBA CROP REPORT IS OPTIMISTIC IN TONE Winnipeg, June 2.—The report of the Manitoba department of agriculture on farming conditions issued today states that as an average throughout the province, farmers have not yet caught up with their work, although there are some localities in which work is well up to the annual schedule. In some parts the seeding is well advanced. The report, however, is optimistic in tone and states that soil conditions everywhere are excellent.

BRITISH UNIFORM NOT IN EVIDENCE

Navy League Considers Too Much Showing Made of American Navy.

FAULT OF MOVIES

Screen Propaganda Desirable to Rouse Imperial Patriotism.

Commodore Aemilius Jarvis occupied the chair at yesterday's session of the Navy League, held at the King Edward. There was a good attendance of delegates from all parts of the Dominion, and the advocacy that the British uniform should replace that of the American and that a thorough educational campaign on naval matters should be undertaken through the Dominion, and especially in Quebec, was heartily approved.

J. Gastell Hopkins, in an inspiring address, declared that "the U. S. navy and army is better known in Canada today than the British army and navy and the United States uniform is shown in our moving picture houses all the time. There must be more Canadian and British naval scenes in Canadian movie shows and the Navy League is going to do its part in bringing this about."

In his report on educational matters Mr. Hopkins said that during the year 720,000 pamphlets on nine different subjects had been circulated. In addition 15,000 copies of the book "Flag and Fleet," had been distributed in the schools, and at present a series of twelve picture books for the smaller children were being prepared. Mr. Hopkins strongly advocated the educating of children in naval and sea matters.

No Appeal to French. "Our propaganda usually deals with the English-speaking people and appeals are seldom made to the French-Canadians." The Navy League should do some work among the French-Canadians. It is of vital importance," he said that four pamphlets were being translated into French and 10,000 of them distributed among the French-Canadians. Every school child who competes in an essay competition of the navy will receive a handsome illustrated book on the uses of the Canadian flag.

Future Work. The future work of the league, Mr. Hopkins added, should embrace a Dominion bureau of speakers, development of lantern slides, and lecture bureau, essay competitions, movie shows.

A. E. Armstrong, of New Brunswick, advocated a sea Sunday to be set apart by the government twice a year—winter and summer—when all the churches would be asked to specially observe it.

L. A. Irvine, of Alberta, said that large Canadian flags were being placed in every school in his province.

Hon. Mr. Justice Craig, in dealing with naval and marine relief work, declared that unless \$400,000 were raised the league could not establish an endowment fund. He recommended a grant of \$50,000 for the pension endowment fund and made it plain that the relief was for men and their dependents, whether naval or merchant sailors, who suffered as a result of the war. "Any sailor who is in dire need and needs help will be given assistance by us," he added.

Those Present. Among those present were the following: J. A. Irvine, Alberta; A. C. Plummer, B.C.; A. E. Armstrong, N.B.; H. C. Schofield, N.B.; Mr. A. L. Brown, N.S.; Aemilius Jarvis, Crawford Brown, Hon. Mr. Justice Craig, Ontario; J. O. Hyndman, P.E.I.; E. Gunmer, Ont.; E. Wedson, Dominion educational secretary; Gordon B. Jackson, Dominion secretary; D. A. Payne, Dominion treasurer; Capt. Douglas Kerr; Charles Allen, Naval Veterans' Association; J. W. Conroy, G.W.M.A.; George St. Odie, Upper Canada Trade Society; J. Castell Hopkins, editor Canadian Annual Review; F. MacDowell, editor Sailor and Chairman Navy League educational committee; R. Cross-stell, business manager of the Sailor.

TOILETWARE MAKERS RESENT LUXURY TAX

A deputation representing the Canadian manufacturers of French toiletware had an interview with the minister of finance, Sir Henry Draxton, on Tuesday last at his office in Ottawa. The object of the visit was to place before the cabinet minister the reasons for believing the present excise taxes on toiletware to be unreasonable and excessive and would seriously cripple and possibly ruin the industry in Canada.

The deputation consisted of representatives from the following manufacturers: The Stevens-Henry Co., Ltd., Port Elgin, Ont.; The French Toiletry Products Ltd., The Pugh Specialty Co. Ltd., and Carl Austin & Co. all of Toronto. E. A. Kenner, represented the wholesale trade.

A courteous and attentive hearing was given by Sir Henry Draxton.

Owing to the coal shortage it has been impossible for the club to obtain coal for its members this year at reduced rates, as in previous years. Mr. Lane is also secretary of the veterans' round table conference.

CIRCUS INVITES DISABLED SOLDIERS

Davisville and Euclid Hall to Provide Guests—Parade Route Changed.

More than 200 disabled returned soldiers will be guests of the Hagenbeck-Wallace circus during its stay at Dufferin Park. Of these, 150 are patients at the Davisville Hospital, 86 at Spadina Hospital, and from 15 to 20 at the Euclid Hall Hospital. The circus management has asked Medical Superintendent Stark Johnson and Barnes to invite all men in their institutions who will be able to be taken to the show. They probably will attend on Friday afternoon, the second day of exhibition in Toronto.

In addition the circus yesterday changed its parade route in order that the patients may pass the General Hospital on College street, where many returned soldiers who are not in condition to see the show will be given an opportunity to get a sight of the man animals, the clowns, the horses, and to hear the bands.

The route of the parade, as changed for the benefit of patients at the General Hospital, will be as follows: Starting at 10 o'clock from the showgrounds at Dufferin track, to College street; east to Elizabeth street; south to Elm street; west to University street; south to Queen street; west to Simcoe street; south to Adelaide street; east to Jarvis street; north to Bloor; thence to showgrounds.

Continuing Record.

In entertaining returned disabled soldiers, the Hagenbeck-Wallace circus is continuing its record made last year. In St. Louis, Mo., San Antonio, Tex., and in Denver, Colo., many soldiers were guests of the show, and at the recuperation camp at Aurora, near Denver, performers and animals made a five-mile trip between shows in order to exhibit in a large open space where 600 disabled men could enjoy it.

The best of the circus trains will arrive in Toronto about daylight this morning. By 10 o'clock all will be in readiness for the parade, and when the doors are opened at 1 o'clock all will be set for the 200 acts which are on the program. Evening performances will start at 8 o'clock, with the doors opening an hour earlier, in order that all may have time to visit the menagerie before entering the main tent.

Many persons dislike the crush attending upon purchase of tickets at wagons. For convenience of these, the management will maintain a downtown office at Mowley's 33 King street west.

THEATRES OFFERING ATTRACTIVE BILLS

Good Hot Weather Entertainment Afforded Next Week at Local Playhouses.

"Daddy Dumplings." For the second week of Tom Wise's visit with the Robins Players at the Lyceum Theatre, commencing Monday evening, June 14, Edward H. Robins will present for the first time on any stage the new comedy "Daddy Dumplings." This play is from the pens of the celebrated authors, George Barr McCutcheon and Earl Carroll, and was written especially to the order of Mr. Robins by the latter, commencing with Mr. Wise during the coming season. Seats will be placed on sale next Thursday.

Tom Wise in "Cappy Ricks." Tom Wise, the one and only Tom Wise, he of the ample girth, genial smile and ready wit, will commence his Monday evening, again by a member of the Robins Players under the management of Edward H. Robins, at the Royal Alexandra Theatre, when for the first time will be presented a new Canadian stage play, "Cappy Ricks," a comedy adapted from the Saturday Evening Post stories of the same name.

The entire strength of the Robins Players will again be demonstrated by the versatility of assuming a role such as he has not been seen in locally. Edward H. Robins will have the William Courtesy part of "Mystery," while Rena Caruthers will be daughter Florence, and general Tom will appear in his original role Cappy. The comedies will be as usual on Wednesday and Saturday.

At Loew's Next Week. Mack Bennett's famous five-reel comedy sensation "Down on the Farm," with an all-star cast of favorites, will be the outstanding picture of next week's offerings at Loew's Yonge Street Theatre and Winter Garden. The Beatrice Morrell Sextet, in a dainty musical and vocal classic, will top the vaudeville, which also includes the Mystic Harmon Trio, "The Magical Man and his Magical Maids"; Lee and Bennett, songs and humor; La Rose and Adams, harmony experts; Thornton Sisters, personality girls, and Piquo and Follows, diversified entertainment.

"Shore Acres" at Strand. Critics agree that the elaborate and thrilling screen story of James A. Herne's immortal drama, "Shore Acres," showing at the Strand Theatre, this week, is an exceptionally fine picture. It is an outstanding production in its superb beauty as well as in its dramatic power. "Shore Acres" by its wonderful human appeal has touched the hearts of unnumbered thousands of people for thirty years, and the screen play has all its basic power, but with greatly enlarged scope, in portraying the great shipwreck scene and other spectacular climaxes. All hearts will go out to the heroine, Helen Berry (played by Alice Lake), in her determination to marry the man of her choice, despite the bitter opposition of her father, who in his light-house wrecks the ship carrying the girl and her lover rather than let them escape to happiness.

Next week the Strand will show the extraordinary mystery romance, "My Lady's Garter," from Jacques Futrelle's very popular novel.

Local Scenes "An Eventful Hour." The personnel of the cast of "An Eventful Hour," the Toronto-made motion picture, is composed entirely of local amateur performers who are making their debut on the screen in this production. Although a few of the cast have had previous amateur stage experience, none of them have ever acted for the "silver-sheet."

"An Eventful Hour" is a comedy-drama with rapid-fire action and plenty of panache. The scenes were all "shot" within the city limits of Toronto, and all the locations are readily recognizable by the audience.

A portion of the scenes was taken in Rosedale, while other scenes were photographed amidst the beautiful homes in other districts of the city. The photography of the picture is excellent.

"An Eventful Hour" will be shown at the Alie Theatre for the remainder of this week, until Saturday night inclusive, in conjunction with "Hudson's Playground," an adaptation of the widely-read story "The Guests of Hercules."

"The End of the Road." Saturday night will witness the final showing of "The End of the Road" at Massey Hall. This feature has been drawing enormous crowds all week, and it has caused much favorable comment on account of the unusual story it presents.

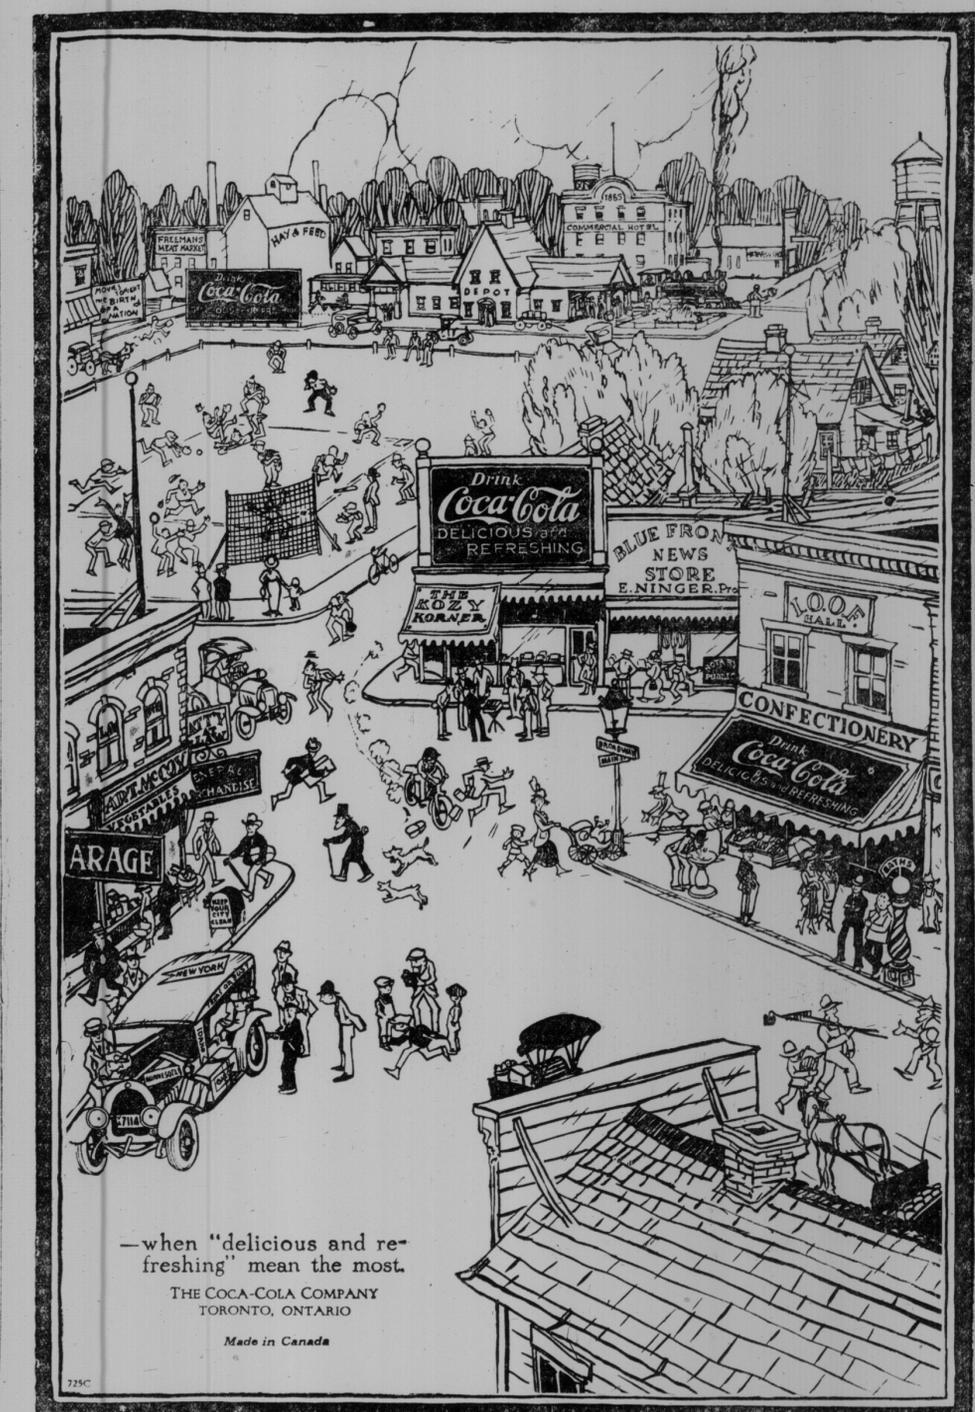

The Canadian National Council for Combating Venereal Diseases in co-operation with the management in urging everyone of mature years to see this production. This film is being exhibited under the auspices of this organization and will be shown for the last time in Toronto today, tomorrow and Saturday.

Children under sixteen years of age will not be admitted to Massey Hall during the engagement of "The End of the Road."

Wide-Wallace Pictures. There is a unanimous verdict on the part of thousands of fight fans who saw the motion picture of the now famous Wide-Wallace contest, that these pictures are undoubtedly the best ever taken of a boxing contest staged at night.

Contrary to previous films that have been shown of events of this character, the scenes are remarkably clear, enabling the audience to follow closely every move of the contestants during the entire ten rounds of boxing.

In following the progress of the contest, there is no doubt as to the fact

Why Change Your Wife?

Cecil B. DeMille's latest Paramount-Alert production, "Why Change Your Wife?" will come to the Regent Theatre commencing Monday next. It is described as a striking drama of married life, lavishly presented. Gloria Swanson and Thomas Meighan are the featured players. The story is by William DeMille. The plot centres around Robert and Beth Gordon, married for ten years, but now beginning to drift apart. A divorce follows, and Robert marries Sally. Too late Beth discovers why she lost her husband and blossoming like a rose develops into society's gayest figure. GOVERNOR-GENERAL DINES NEWSWRITERS

Entertains Ottawa Press Gallery—Refers to Unrest in the World.

Ottawa, June 2.—(Canadian Press). His Excellency the Governor-General entertained the members of the press gallery of the house of commons at lunch today at Rideau Hall. Twenty-five members of the gallery were present. His excellency in explaining a morning welcome to the newspapermen, emphasized the importance of the responsibilities which lay on newspaper representatives, especially at the present time, when unrest was abroad in the world. He had cause to be satisfied with the state of affairs in Canada, generally, perhaps there was more cause for satisfaction than in any other part of the world. "I have been accused of being over optimistic," the governor-general added, "and possibly I am too optimistic in saying this."

POCOCK VIGOROUS IN BECK'S DEFENCE

London and Port Stanley Line Termed Great Financial Success.

London, Ont., June 2.—The latest attack of A. B. Ingram of the Ontario Railway and Municipal Board upon Sir Adam Beck and the financing of the London and Port Stanley Railway, brought a rejoinder today from Vice-Chairman Philip Pocock of the London and Port Stanley Commission.

Mr. Pocock asserted that Mr. Ingram was woefully at sea in his observations on the London and Port Stanley Railway bond issues and especially, in the premises of his charge that Sir Adam resorted to wizardry in the preparation of governmental reports.

Mr. Pocock concluded: "Sir Adam Beck, as a patriotic and public-spirited citizen, came forward with his scheme for electrification. Before the road was electrified the people received from the private leasees amounts ranging from \$14,000 to \$17,000 a year. Now the London Railway Commission pays \$20,000 a year rental for the same old road, and in periods during the life of the lease the rental increases until it eventually will be \$50,000. The commission has carried out the electrification and reconstruction of the property in addition, and in the first four years of operation, in addition to paying \$50,000 rent to the city council, paid off debentures, thereby increasing the people's clear equity in the property by \$57,749.25, and earned surpluses of \$98,912.37. That gives the people of London a total actual benefit of \$237,362.82 for the four years. In the fourth year alone the people's profits were \$12,207.45 after all obligations of the commission, including interest and taxes, had been met."

7 MILLBANK LONDON ENGLAND

Why Have "Millbanks" Become So Popular?

Because every introduction leads to lasting friendship. It is a case of "love at first smoking."

One smoker offers "MILLBANKS" to a friend. The friend is delighted with these mild, fragrant Virginia Cigarettes and buys a package for himself. This is happening many times a day in every section of Canada. The reason is easy to find.

MILLBANK VIRGINIA CIGARETTES

have the delightful, distinctive flavour of ripe, mellow, sun-cured Virginia tobacco—coupled with the richness and satisfying qualities found only in the highest grade leaf at its best.

The fact that the price is 15c for 10 is simply an additional reason for preferring "MILLBANKS."

# Hackamore, Paying \$21.20 for \$2, the Long Shot to Land on Third Day

## BUTWELL RIDES THREE WINNERS

### Four Favorites, Two Long Shots and One Third Choice Win at Thorncliffe Park.

The biggest crowd of the week was at Thorncliffe Park yesterday. The weather was sultry, but the racers were a busy lot. The pools were thus the biggest of three days, appearing to average over \$20,000 a race. After Safranor, a long shot, landed the opener, four favorites won in a row. Then Thursday Nighter, at about 4 to 1, won the sixth, and Hackamore, yielding nearly 10 to 1, the last. The three beaten choices, Star Finch, Kohi-Noor and Buckboard, finished outside the money. The Royal Grenadiers Band gave a fine program of music in front of the grandstand between the races.

Safranor won the first race, taking the lead in a rideless contest before the third, then was off running and stayed in front to almost defeat the favorite, but Waterwood was a good horse and Butwell steered the coat over the lot to gain a nose verdict. Enrico Caruso alone third. Yaphank had a lot of support, but five furlongs was enough for him. Dymont, Owner Harry Giddings, Sr., Trainer Harry Giddings, Jr., and Jockey Romanello were the stable mates of the King's Plate winner, Captain B. scored in the day for Canadian 3-year-olds and up. The combination looked great and the spectators made the most of the performance. The little old man, Romanello, who landed St. Paul in the guinea, sent Captain B. off in front, where he stayed to win by a length from the runner-up, with Mook Orange third.

Butwell landed Louise V. his third winner of the day, in the Manitoba Handicap, and again the mare alone had the call. Old Charlie Leydecker was second, just as easy, with Mook Orange third.

Once more in the sixth the winner had the verdict all round. Thursday Nighter was a good thing, landing a lot of loose money for nearly 4 to 1. Fickle Fancy was second, and Iron Boy third, a procession through.

During the afternoon in the closing event of the day, the favorite, Buckboard, was to get going with Richceek hustling him every inch. Charming led until Hackamore, for the lower turn and he then rolled home. Water Warbler staying second and Honolulu third.

**IF GOOD LUCK COULD WIN**

London, June 2.—Crowds of well-wishers sang "For He's a Jolly Good Fellow" as Sir Thomas Lipton departed by train for Liverpool this morning to embark on the steamship City for New York to attend the international yacht race which his yacht will endeavor to win the America's Cup from the American defender, Resolute, of Vancouver.

During the last few days Sir Thomas has received innumerable messages from all parts of the world wishing him good luck in his efforts to "hit" the historic Dower Queen Alexandra in the expressing her hopes that Sir Thomas would win with the Shamrock IV, said: "Certainly, I am confident, but I am sure there is no sport for anyone." Sir Thomas before his departure said he had every confidence in Shamrock IV, adding: "Well, we'll soon know."

Work has progressed so favorably on the new Muskoka Lakes Golf and Country Club that the directors have decided to open the club house to members and friends on July 1.

The beautiful new club house built on the water's edge commanding a view of the greater part of Lake Rosseau, will be finished and completely furnished for opening day.

Two clay tennis courts and six lawn bowling greens will be ready for play, together with the first seven holes of the eighteen hole golf course. This course has been laid out by the well-known professional, Thompson, Cummings and Thompson, and measures in at 375 yards. Seven hundred feet of docking space will be ready to accommodate a fleet of motor boats which can safely be left for hours at docks, situated as they are in the natural harbor close to the club house.

**CATTLE MARKET WAS UP A GOOD 25 CENTS**  
 New High Prices Made on Local Exchange.

With a run of around 800 fresh cattle the market for all classes of cattle was active and strong, with prices all-round probably a good 25c up over the early part of the week, and that was a good market, too. We have had a strong week, with comparatively light receipts, and this had had the effect of creating a strong undertone. Then, too, the drovers coming in from all parts of the country report dry, hot weather, with prospects of a shortage of pasture if this thing continues. Without going over the list, it is enough to say that there was a good clean-up and at satisfactory prices to the drovers anyway.

**SOME MARKET NOTES.**  
 A Wonderful Sale.  
 The sale by the commission house of McDonald & Halligan yesterday of 4 steers, averaging 1250 lbs., and another one 1270 lbs., practically created a new record on the local exchange for this number of cattle. The 1270 lb. steer, by W. R. York of Turberville township, Bluevale P.O., shipped in by Wm. Stinson of Gorrie and sold to Arnold Bros. at the price named, \$1640, for this city trade.

**Choice cattle of this kind reflect credit upon every-day connected with the transaction.**

**The Top of the Market**  
 Quinn & Hisey, the well-known commission house, topped the exchange yesterday with a young steer, 730 lbs., consigned in by J. N. Armstrong of Thornes and sold to Arnold Bros. at the price of \$1650 per cwt. Quinn & Hisey sold another one at 16c and others at 15c.

**All Good Prices**  
 C. McCurdy, of the C.O., sold: 1 steer at \$16, 1 at \$15.75, 6 at \$15.50 and 2 at \$15.35.
