INFALLIBILITY. CURED DAILY N. B.

DIAMOND RHEUMATIC CURE! Effectually cured 150 of our St. John citizens from that terrible malady. RHEUMATISM!

This statement is substantially a FAOT based upon evidence in the possession of the agent, in the snape of numerous te timonials from past sufferers, in all the walks of life, particularly from some of our most respectable citizens and trustworthy families. DIAM IND RHEUMATIC CURE !!

In its history, this invaluable Medicine occupies the most honorable position ossible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and alw ye sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and brough their favorable expression, and its acku. Wedged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietows to increase their facilities for its manufacture. Its reputation rapidly extended, sad soon orders, le ters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and its this way on a basis of its morits alone—unaited by "tricks of the trade"

Arise! for the day is passing.
While you lie dreaming on;
Your brothers are eased in armor,
And forth to the fight are gone;
Your place in the ranks awaits you;
Each man has his part to play;
The past and future are nothing
In the face of the ster to-day. Arise from your dreams of the future—
Of gaining a hard-fought field;
Of storming the airy fortress,
Of bidding the giant yield;
Your future has deeds of glory,
Of honor (God grant it may!)
But your arm wil never be stronger,
Or needed as now—to-day. Arise! if the p st detain you,
Her sunshine and storms forget;
No chains so unworthy to hold you
As those of a vain regret;
Sad and bright, she is lifeless ever;
Cast her pantom arms away, Cast her phantom arms away, Nor look back, save to learn the lesson Of a nobler strife to-day. Arise! for the hour is passing:

A survey held on the brig Sarah B Br), Townsend, from Leghorn for New York, before reported (by cable) at dibratar, leaky, recommended that the bottom be examined by divers.

The Peerless, of Halifax, Alley, from Tome, reported Sept 27th as arrived here with pumps chokad, had experienced heavy weather, during which her decks were swept and she was thrown on Her beam ends, which caused the cargo to shift and the pumps were choked; the pumps were afterwards cleared, but the vessel had at one time 3 feet of water in her hold.

Queenstown, Sept 29th—The Presto of Yarmouth, NS, Rogers, from London, for NewYork, which put in here to change her ballast, had experienced very severe weather, during which she made water, and the ballast became liquid and obseked the pumps.
