The copy filmed here has been reproduced thanks to the generosity of:

McLennan Library
McGill University
Montreal

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

1	2	3
4	5	6

L'exemplaire filmé fut reproduit grâce à la générosité de:

McLennan Library
McGill University
Montreal

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "À SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NARRATIVES OF THE JESUIT FATHERS.

LAST year the French reading part of the Canadian people were edified and delighted by the publication of the original Narratives of the Jesuit Fathers, who were the pioneers of religion and its attendant civilization in Canada. This work, important as it is to the French Canadians, is not less so to the English-speaking part of the population of North America. All inhabitants of this great continent, especially all Canadians, will assign it an honored place on the shelves which bear the stirring narratives of the first English and Dutch adventurers.

It is fit, therefore, to make its reverend authors speak with an English tongue.

The early history of Canada is at this moment attracting much attention. The French Government has made large and precious contributions of historical matter to our Provincial Library, both manuscript and printed, relating chiefly to Canada, its settlement and wars; the Government of the United States has been ever zealous in collecting documents relating to the acts and sufferings of their hardy and adventurous founders; and the encouragement ~~of the same character in aid of enterprise~~ which our own Government could afford, has always been promptly and effectually granted.

The publication of authentic and interesting historical records has been favored and promoted by all enlightened governments and literary bodies; because they supply either the best evidence of the truth of history, or the best materials for its composition. It has even been asserted, that the chronicles and private memoirs of contemporaries are of higher value than the polished periods of Hume and M^r Zeray.

The Narratives now sought to be presented to the public are of great value to all classes. To the religionist, whether Protestant or Roman Catholic, they afford precious evidence of the zeal of those servants of his Holy Religion who devoted themselves to its propagation among the heathen, and went forward through many a fiery trial, ~~in aid of enterprises~~ ~~of the same character,~~ the crown of martyrdom. The ethnologist will find in them faithful descriptions of a race now much deteriorated and rapidly approaching to extinction, written amongst them as they lived and moved, hunted and fought, married and died, received baptism or ferociously murdered the men who sought to bestow it on them. Ordinary readers, from the intelligent scholar to the untaught peasant, will peruse with interest an account of men who trod the soil on which they now move,—who were the lords of the forest and the river, now smiling with the rich harvest or glittering with the vessels of commerce,—and will learn with some emotion that they live and sleep in security on the self-same spot which has been often drenched with the blood shed in warfare or by massacre.

The publication of so voluminous a work will depend entirely upon the support received from the public. The first volume has been translated by one of the best translators in the Province; and it will be put to press as soon as a sufficient number of subscribers is obtained to defray the cost of translation and publishing.

The work will make 3 Volumes, Royal 8vo., of about 750 pages each, in Long Primer Type.

Price in paper covers per volume, \$2.75, or for the set, \$8.25.
" half calf per volume, \$3.50, " " \$10.50.
